ORDER GRANTING STAY

This original petition for a writ of mandamus challenges a May 5, 2021, district court order directing petitioner to comply with the dissenter's notice requirements of NRS 92A.430 while also waiving any consent-letter and stockholder-certificate requirements under NRS 92A.400(2)(a) and NRS 92A.440 for the real parties in interest.

On May 14, this court ordered an answer and granted a temporary stay pending our receipt and consideration of any opposition to petitioner's emergency stay motion. Although real parties in interest timely

filed their answer, they have not opposed the stay motion. Therefore and based on the NRAP 8(c) factors, the motion is granted and the district court's order will remain stayed pending our consideration of this writ petition and further order of this court.

It is so ORDERED.
