Elizabeth A. Brown, Clerk of the Supreme Court

Dear Ms. Brown,

I am in support of the petition regarding a Commission to Study Best Practices for Virtual Advocacy in Nevada's Courts.

Virtual hearings have allowed the courts to be more accessible to Nevadans with disabilities, such as those who find themselves in guardianship proceedings or in rural/frontier Nevada where reliable transportation to county courthouses may be hard to come by. On the other hand, availability of high speed internet and compatible devices may also represent a barrier to some litigants. A detailed, public inquiry would therefore be timely and appropriate.

It is my hope that if the proposed Commission is established, it will solicit input from a variety of individuals impacted by matters of continued access and accommodation as they interact with courts statewide.

Thank you for this opportunity to submit my remarks in advance of the June 28, 2021 public hearing.

Regards,

Homa Sayyar Woodrum
Carson City, Nevada
