ORDER DISMISSING APPEAL

This is an appeal from a district court order denying a motion to add party and reopen discovery and granting a motion to strike request for trial de novo. Eighth Judicial District Court, Clark County; Nadia Krall, Judge.

On September 23, 2021, this court issued a notice directing appellant to file the docketing statement by October 14, 2021, a transcript request form by October 7, 2021, and an opening brief or informal brief for pro se parties on or before January 21, 2022. When appellant failed to file the docketing statement or a transcript request form, this court issued an order on December 21, 2021, directing appellant to file the docketing statement and a transcript request form within 7 days. The order cautioned appellant that failure to comply could result in the dismissal of this appeal as abandoned. To date, appellant has failed to file those documents or to otherwise communicate with this court. Additionally, appellant has failed
