Exhibits presented (see worksheets). Testimony presented (see worksheet). Arguments by Mr. Sweetin. Court advised parties it understood that Judge Togliatti previously ruled on State's other bad acts which were said to be more probative than prejudicial; further, Court noted its understanding was that parties were just revisiting Demia's account as a result of Franks vs. State. Statements by Mr. Boley. Mr. Sweetin noted Judge Togliatti was inclined to bring it in subject to a hearing. Arguments by Mr. Boley requesting that Court exclude. Statements by Deft. Court advised parties to the extent Togliatti already ruled with respect to the two incidents, it didn't see the need to disturb those rulings, which she found they were admissible. COURT ORDERED, previous ruling STANDS. Court didn't FIND that the two bad acts were unfairly prejudicial beyond probative value; therefore, Court would reaffirm and find support in evidence for Judge Togliatti's ruling with respect to the Demia incident. Court noted Franks decision would change balance between prejudicial and probative. Additionally, the prior with Demia would be admissible. Arguments by Mr. Sweetin. Court advised parties it understood that Judge Togliatti previously ruled on State's other bad acts which were said to be more probative than prejudicial; further, Court noted its understanding was that parties were just revisiting Demia's account as a result of Franks vs. State. Statements by Mr. Boley. Mr. Sweetin noted Judge Togliatti was inclined to bring it in subject to a hearing. Arguments by Mr. Boley requesting that Court exclude. Statements by Deft. Court advised parties to the extent Togliatti already ruled with respect to the two incidents, it didn't see the need to disturb those rulings, which she found they were admissible. COURT ORDERED, previous ruling STANDS. Court didn't FIND that the two bad acts were unfairly prejudicial beyond probative value; therefore, Court would reaffirm and find support in evidence for Judge Togliatti's ruling with respect to the Demia incident. Court noted Franks decision would change balance between prejudicial and probative. Additionally, the prior with Demia would be admissible. State to prepare the Order and

submit to opposing counsel for approval as to form and content.
