MEMORANDUM OF POINTS AND AUTHORITIES

I, MARTIN HART, am a duly licensed attorney in the State of Nevada and am represent the appellant.

Appellant's Opening Brief is currently due November 24, 2021. This Court may extend the time to file an Opening Brief upon a showing of good cause. NRAP 31(b)(3). At the end of August 2021, I took over most of the court appointed cases assigned to Dan Bunin after he tragically passed away while on vacation. I did not receive his files that were available until the second week of September and many did not have contact information for the clients nor legible notes. I have spent countless hours getting familiar with those cases and attempting to contact clients. With the change in court procedures due to covid and taking over new cases I find myself in hearings most days five or more hours. The majority of the transcripts in this case were filed on September 14, 2021. I have not completed the briefing and am requesting an addition sixty (60) days within which to file the opening brief and appendix.

I declare under penalty of perjury the factual representations set forth in the foregoing memorandum are true and correct.

DATED this 23rd day of November, 2021.
