OBJECTION TO TRANSFER TO COURT OF APPEALS

Appellant objects to the transfer of this case to the COA. NRCAP 17 mandates that the Supreme Court retain cases, of statewide importance, and issues of first impression. NRCAP 17, NRS 162A.090, 470, 560, are clear a legal representative, agent, attorney-in-fact can sue in their own names, in place of the principal, but there is no case law on this, and this court for the people of the State of Nevada needs to set precedent in accord with Nevada procedural and statutory law. THIS CASE IS A \$500,000.00 SETTLEMENT.

CONCLUSION

That this court retain the case, and publish an opinion concerning NRCAP 17a, NRS 162A.090. 470.560
