Red flags? Did you have red flags before you beat and raped me? Threw Shawn, shook Abby out of a sleep, held a gun to my head, threatened my life? Choked me multiple times? Held a knife to my throat? Abusers do not show their colors until they feel comfortable.

You knew about Jacob and his red flags and even after we agreed in court to protect our kids you allowed Jacob to have overnights with our kids. You allowed Jacob to have access to them while you were not there.

Mrs. Fishman was on the phone with me telling me she is helping you look for Abby. She found Abby and you were right there telling Abby that Shawn has been locked in his car seat the entire time. I am coming to school. Shawn cannot be locked in the car unattended.

Can you dress Abby in spandex pants, a shirt, and those white shoes? I change the kids on Monday into my clothes and they wear your clothes back on Tuesday.

I am asking you to do this because it will make it to where she does not have to change after cheer and you can pick her up from cheer on Tuesday.

This is the reason I do not give the uniform I paid \$325 for.

You agreed to cheer and the schedule. You get mad and take away a game.

You said I could take Shawn to the mommy son event and you get mad because your demands changed and now something I promised our son because you gave me permission is now taken from him and me.
