To Reconcile Your Checking Account:

1. Subtract from your checkbook balance any service charge, fees, preauthorized automatic payments or transfers, withdrawals (including ATM) which have been deducted on this statement.
2. Compare and check off paid checks against your checkbook record. Note: An * on your statement indicates a break in check sequence.
3. List checks not accounted for in the section marked "Checks Outstanding" and complete the statement of reconciliation.

CHECKS OUTSTANDING						STATEMENT OF RECONCILIATION	
Number	Amount	Number	Amount	Number	Amount	Ending balance from this statement	\$
						ADD deposits made but not shown on this statement	
						SUB TOTAL	
						SUBTRACT TOTAL CHECKS OUTSTANDING	
TOTAL CHECKS OUTSTANDING					\$	TOTAL Should agree with your checkbook balance	\$

If the total does not agree with your checkbook balance, the difference may be located by (1) checking the addition and subtraction in your checkbook record, (2) making sure each check and deposit was entered correctly in your record, (3) reviewing each step in the balancing procedure.

IMPORTANT INFORMATION ABOUT REVIEWING YOUR STATEMENT

You are responsible for promptly examining your statement each statement period and reporting any irregularities to us. The periodic statement will be considered correct for all purposes and we will not be liable for any payment made and charged to your Account unless you notify us in writing within certain time limits after the statement and checks are made available to you. We will not be liable for any check that is altered or any signature that is forged unless you notify us within thirty (30) calendar days after the statement is made available. Also, we will not be liable for any subsequent items paid, in good faith, containing an unauthorized signature or alteration by the same wrongdoer unless you notify us within thirty (30) calendar days after the statement is made available. If you have requested us to hold your Account statements, we have the right to mail your statements if you have not claimed them within thirty (30) calendar days. If we truncate your checks or provide you with an image of your checks, you understand that your original checks will not be returned to you with your statement. You agree that our retention of checks does not alter or waive your responsibility to examine your statements or change the time limits for notifying us of any errors.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Write us at P.O. Box 26237, Las Vegas, NV 89126-0237, telephone us at (702) 248-4200 or E-mail us at inquiries@bankofnevada.com as soon as you think your statement or receipt is wrong or if you need more information about a transfer on this statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. In your letter:

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this (or 20 business days for a new account), we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

METHOD USED TO DETERMINE THE BALANCE ON WHICH THE INTEREST CHARGE WILL BE COMPUTED

Revolving Lines of Credit: We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and fees and subtract any unpaid interest charges and any payments or credits. This gives us the daily balance.

The Annual Percentage Rate and Daily Periodic Rate may vary.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT

If you think there is an error on your statement, write to us at: Bank of Nevada, Loan Servicing Dept., P.O. Box 26237, Las Vegas, NV 89126-0237.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

NOTICE OF FURNISHING NEGATIVE INFORMATION: We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

DIRECT DEPOSITS: If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (702) 248-4200 to find out if the deposit has been made.

To Reconcile Your Checking Account:

1. Subtract from your checkbook balance any service charge, fees, preauthorized automatic payments or transfers, withdrawals (including ATM) which have been deducted on this statement.
2. Compare and check off paid checks against your checkbook record. Note: An * on your statement indicates a break in check sequence.
3. List checks not accounted for in the section marked "Checks Outstanding" and complete the statement of reconciliation.

CHECKS OUTSTANDING						STATEMENT OF RECONCILIATION	
Number	Amount	Number	Amount	Number	Amount	Ending balance from this statement	\$
						ADD deposits made but not shown on this statement	
						SUB TOTAL	
						SUBTRACT TOTAL CHECKS OUTSTANDING	
TOTAL CHECKS OUTSTANDING					\$	TOTAL Should agree with your checkbook balance	\$

If the total does not agree with your checkbook balance, the difference may be located by (1) checking the addition and subtraction in your checkbook record, (2) making sure each check and deposit was entered correctly in your record, (3) reviewing each step in the balancing procedure.

IMPORTANT INFORMATION ABOUT REVIEWING YOUR STATEMENT

You are responsible for promptly examining your statement each statement period and reporting any irregularities to us. The periodic statement will be considered correct for all purposes and we will not be liable for any payment made and charged to your Account unless you notify us in writing within certain time limits after the statement and checks are made available to you. We will not be liable for any check that is altered or any signature that is forged unless you notify us within thirty (30) calendar days after the statement is made available. Also, we will not be liable for any subsequent items paid, in good faith, containing an unauthorized signature or alteration by the same wrongdoer unless you notify us within thirty (30) calendar days after the statement is made available. If you have requested us to hold your Account statements, we have the right to mail your statements if you have not claimed them within thirty (30) calendar days. If we truncate your checks or provide you with an image of your checks, you understand that your original checks will not be returned to you with your statement. You agree that our retention of checks does not alter or waive your responsibility to examine your statements or change the time limits for notifying us of any errors.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Write us at P.O. Box 26237, Las Vegas, NV 89126-0237, telephone us at (702) 248-4200 or E-mail us at inquiries@bankofnevada.com as soon as you think your statement or receipt is wrong or if you need more information about a transfer on this statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. In your letter:

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this (or 20 business days for a new account), we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

METHOD USED TO DETERMINE THE BALANCE ON WHICH THE INTEREST CHARGE WILL BE COMPUTED

Revolving Lines of Credit: We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and fees and subtract any unpaid interest charges and any payments or credits. This gives us the daily balance.

The Annual Percentage Rate and Daily Periodic Rate may vary.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT

If you think there is an error on your statement, write to us at: Bank of Nevada, Loan Servicing Dept., P.O. Box 26237, Las Vegas, NV 89126-0237.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

NOTICE OF FURNISHING NEGATIVE INFORMATION: We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

DIRECT DEPOSITS: If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (702) 248-4200 to find out if the deposit has been made.

						ADD deposits made but not shown on this statement	
						SUB TOTAL	
						SUBTRACT TOTAL CHECKS OUTSTANDING	
TOTAL CHECKS OUTSTANDING					\$	TOTAL Should agree with your checkbook balance	\$

If the total does not agree with your checkbook balance, the difference may be located by (1) checking the addition and subtraction in your checkbook record, (2) making sure each check and deposit was entered correctly in your record, (3) reviewing each step in the balancing procedure.

IMPORTANT INFORMATION ABOUT REVIEWING YOUR STATEMENT

You are responsible for promptly examining your statement each statement period and reporting any irregularities to us. The periodic statement will be considered correct for all purposes and we will not be liable for any payment made and charged to your Account unless you notify us in writing within certain time limits after the statement and checks are made available to you. We will not be liable for any check that is altered or any signature that is forged unless you notify us within thirty (30) calendar days after the statement is made available. Also, we will not be liable for any subsequent items paid, in good faith, containing an unauthorized signature or alteration by the same wrongdoer unless you notify us within thirty (30) calendar days after the statement is made available. If you have requested us to hold your Account statements, we have the right to mail your statements if you have not claimed them within thirty (30) calendar days. If we truncate your checks or provide you with an image of your checks, you understand that your original checks will not be returned to you with your statement. You agree that our retention of checks does not alter or waive your responsibility to examine your statements or change the time limits for notifying us of any errors.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Write us at P.O. Box 26237, Las Vegas, NV 89126-0237, telephone us at (702) 248-4200 or E-mail us at inquiries@bankofnevada.com as soon as you think your statement or receipt is wrong or if you need more information about a transfer on this statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. In your letter:

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this (or 20 business days for a new account), we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

METHOD USED TO DETERMINE THE BALANCE ON WHICH THE INTEREST CHARGE WILL BE COMPUTED

Revolving Lines of Credit: We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and fees and subtract any unpaid interest charges and any payments or credits. This gives us the daily balance.

The Annual Percentage Rate and Daily Periodic Rate may vary.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT

If you think there is an error on your statement, write to us at: Bank of Nevada, Loan Servicing Dept., P.O. Box 26237, Las Vegas, NV 89126-0237.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

NOTICE OF FURNISHING NEGATIVE INFORMATION: We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

DIRECT DEPOSITS: If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (702) 248-4200 to find out if the deposit has been made.

1. INTRODUCTION

Pursuant to the foregoing, Anthem has been retained to provide consulting and expert witness services in this matter. The compensation to be paid for Jennifer Allen's analyses and for testifying as to her findings is \$240 per hour. Please note that Ms. Allen's curriculum vitae, which includes her testifying experience and a list of authored publications, has been attached to this report.

Our results, conclusions, and opinions are based upon the information we have received and reviewed through the date of this report. They are also based upon pertinent accounting and financial standards, our current understanding of the facts relative to this matter, and our years of professional experience providing forensic accounting, economic damage calculation, and business valuation services.

2. BACKGROUND

The following narrative provides a summary of the events that culminated in the issuance of this report. We are not proposing this background information as a factual statement nor do we intend to testify as to its veracity. Rather, this background information allows us to put our opinions and conclusions in context with the events and circumstances upon which they are based. Please note that the background information presented herein has been summarized to reflect pertinent information relative to our analyses and is not intended to provide a comprehensive timeline of all information bearing on this matter.

Cristina Hinds and Craig Mueller (collectively, "parties") were married on December 25, 2005.

On or about April 16, 2007, Mueller, Hinds, & Associates, Chtd. ("MHA Practice") was incorporated in Nevada. It bears noting that both Cristina and Craig were practicing attorneys prior to forming their joint law firm.

In or about May 2018, Cristina filed a Complaint for Divorce.

Anthem Forensics was engaged in or about January 2019 to assist with various financial analyses.

On or about March 4, 2019, Cristina A. Hinds, Attorney LLC ("Hinds New Practice") was incorporated in Nevada.

On or about May 6, 2019, Craig Mueller & Associates Inc. ("Mueller New Practice") was incorporated in Nevada.

3. ANALYSIS CONSIDERATIONS

Our analysis is necessarily based upon certain considerations and assumptions regarding potentially disputed facts and legal arguments. These considerations and assumptions may impact our analysis, conclusions, and opinions, but may not be part of our testimony at this time as they may be outside our area of expertise or the current scope of our engagement. As a predicate to the opinions presented in this report, please note the following considerations and assumptions:

1. During the course of our engagement we received information from various sources that has been reviewed and incorporated into our analysis as necessary. Throughout this process, we have gone through an iterative progression of requesting, receiving, and analyzing information; however, this report is the first presentation of our current observations and opinions.

Additionally, it has been represented that relevant documents have still not been provided through discovery including, but not limited to, additional account documentation and payroll data. As such, we reserve the right to supplement our report upon receipt of additional information.

2. We have been asked to issue a report in the captioned matter even though the analysis of financial issues in Nevada divorce cases typically extends through the date of trial. As such, if information becomes available to us that we deem relevant to the scope of this engagement, we reserve the right to supplement our report.
3. Based upon the current scope of our engagement, we have been asked to value the parties' interest in the various law practices. It is our understanding that Cristina and/or Craig may have interests in other entities (such as real estate holding companies), but at this time we have not performed any valuation analyses relative to those entities.
4. The valuation results presented in this report have been summarized even though the exhibits/schedules have been presented in their entirety.
5. Please note that our valuation analyses are subject to the assumptions and limiting conditions in Section 12 of this report.
6. We performed forensic accounting analyses in order to assess revenues and expenses for the business valuation analyses, but have not verified the extent to which the bank statements and limited financial records can be substantively supported by source documentation, such as invoices and receipts.

4. SCOPE OF ENGAGEMENT

The scope of our engagement currently includes the following:

1. We have been asked to conduct a forensic accounting analysis of the parties' financial accounts from the date of marriage through the present. This analysis includes, but is not limited to, the following:
 - a. The characterization of potential separate property assets.
 - i. It bears noting that we reserve the right to perform *Malmquist* calculations upon receipt of pertinent information.
 - b. The confirmation of disclosed assets.
 - c. The identification of transactions that require further clarification.
 - d. The comparison of business financial records with banking records.
2. We have been asked to perform a valuation analysis of MHA Practice.
 - a. While it is our understanding that both Cristina and Craig have opened new, separate law practices (Hinds New Practice and Mueller New Practice), as of the date of this report we have not received sufficient information to value/assess these recently opened entities, as discussed later in this report.
3. Evaluate and respond to any financial analyses/reports prepared by or on behalf of defendant.

5. FRAMEWORK FOR THE FORENSIC ACCOUNTING ANALYSIS

As part of our engagement we were asked to conduct a forensic accounting analysis of the parties' financial accounts. During the course of our analysis the scope of our forensic accounting analysis was refined as follows:

1. Our forensic accounting analysis of the parties' financial accounts would primarily include the period from January 2007 through the present¹ ("relevant period").

¹ It bears noting that the "present" is currently defined as April 2019 based upon the documents provided to our office, as reflected on Appendix A: Exhibit 1.

- a. While we reserve the right to trace account activity dating back to the parties' date of marriage (December 2005), at this time we have only reviewed account activity dated back to January 2007 due to documentation deficiencies.
2. Our forensic accounting analysis of the parties' financial accounts would include the analysis of transactions documented on the account statements and cancelled checks listed on Appendix A: Exhibit 1 ("reviewed accounts").
 - a. It bears noting that we were asked to exclude the transactions in Cristina's Bank of Nevada checking account ending 2159 (Appendix A: Exhibit 1: Ref #1) and the two accounts that Craig holds with his mother, Cheryl Mueller (Appendix A: Exhibit 1: Ref #20 and #21) from our tracing analysis. As such, the transactions in these accounts are not currently included in the observations discussed herein.

We used the documents we received to create a chronological transaction register that showed the flow of funds between the reviewed accounts during the relevant period. From this chronological transaction register we were able to aggregate and analyze cashflows based upon activity in the financial records.

A more comprehensive analysis of the transaction register is provided below to the extent that it is pertinent to a particular financial analysis/observation. Please note that we can provide detailed observations regarding specific transaction activity upon request.

Since we are missing account documentation relevant to our forensic accounting analysis, we reserve the right to update our analysis and report upon receipt of additional documentation.

6. FORENSIC ACCOUNTING OBSERVATIONS / FINANCIAL ANALYSIS

At this time we have analyzed over 26,500 transactions in the reviewed accounts that took place during the relevant period. Our observations regarding these transactions are discussed below.

YACHT-RELATED OUTFLOWS

As part of our engagement, we have been asked to identify the yacht-related outflows during the relevant period. As such, the following observations bear noting:

1. We observed various payments to Steve Gravolet totaling \$215,247.57.² It is our understanding that this individual performed services solely related to the yacht. Please refer to Appendix A: Exhibit 2 for a listing of these outflows.
2. In addition to the payments made directly to Steve Gravolet (bullet #1 above), he also had an American Express credit card in his name that was linked to Craig's American Express account. Since it is our understanding that Steve's services related solely to the yacht (and not towards any other assets owned by the parties), we have assessed all payments on Steve's American Express as potentially yacht-related outflows. Based upon the foregoing, we have observed \$34,589.46 in aggregated transactions on Steve's American Express card, as reflected on Appendix A: Exhibit 3.
3. Based upon the descriptions/detail contained in the documentation provided to our office, we observed an additional \$300,961.16 in transactions that appear to be yacht-related outflows. Please refer to Appendix A: Exhibit 4 for a listing of these outflows.³
4. It is our understanding that Stephan Divoll was on MHA Practice's payroll even though his services were solely yacht-related. Based upon the documentation provided to our office, we have not observed any direct payments to Stephan Divoll. However, based upon the Payroll Solution records for the period from April 12, 2006 through April 24, 2007, Stephan Divoll appeared to receive approximately \$74,445 from MHA Practice.

Given the foregoing, we have currently observed approximately \$625,243.19 in yacht-related outflows during the relevant period.

It bears noting that these outflows may be understated to the extent that certain yacht-related payments were made in cash, occurred in accounts not currently identified, or were listed in account documentation not currently provided to our office (such as outstanding cancelled check copies or additional MHA Practice payroll records).

ADDITIONAL OBSERVATIONS

Please note the following additional observations regarding our current forensic accounting analysis:

² It bears noting that a majority of the observed payments to Steve Gravolet were facilitated through the issuance of checks, some of which were illegible or difficult to read.

³ It bears noting that we have categorized certain transactions as yacht-related outflows based upon descriptions provided by Cristina.

1. We observed incoming and/or outgoing transfers from the following unknown⁴ accounts:
 - a. Account ending 1401
 - b. Account ending 2657
 - c. Account ending 6460
 - d. Account ending 7103
 - e. Account ending 8416
 - f. Account ending 9073
2. We observed unmatched⁵ credit card payments. It bears noting that a large portion of these unmatched credit card payments are a result of missing account statements for known accounts. However, we have observed unmatched credit card payments to the following accounts that have not been disclosed to our office:
 - a. Barclaycard US
 - b. Chase Credit Card
 - c. Citi Card
 - d. RC Willey Home
 - e. Sam's Club
3. We observed withdrawals from the reviewed accounts in the form of ATM withdrawals and in-branch withdrawals. During the period from August 2012 through April 2019, we observed \$534,252.20 in withdrawals, for which we cannot ascertain the ultimate use/disposition at this time. Please refer to Appendix A: Exhibit 5 for a listing of these cash withdrawals.
4. During our analysis we did not receive all of the pertinent cancelled check copies. At this time there are 1,759 outstanding cancelled checks aggregating to \$1,822,710.51.⁶ We need to receive copies of these cancelled checks in order to ascertain the ultimate beneficiary of these funds. Please refer to Appendix A: Exhibit 6 for a listing of outstanding cancelled checks.
 - a. It bears noting that we have removed checks that appear to have been deposited into other known accounts.

⁴ Anthem uses the term "unknown" when referring to an account that is not currently identified on Appendix A: Exhibit 1.

⁵ Anthem uses the term "matched" when referring to a transaction where we observe both the incoming and outgoing payment/transfer. Anthem uses the term "unmatched" when referring to a transaction where we only observe the incoming payment/transfer or outgoing payment/transfer, but not both.

⁶ Since 841 of the 1,759 outstanding cancelled checks are dated 2006 through 2011, retrieving that documentation may be problematic based upon document retention policies.

- b. Additionally, it bears noting that 261 checks (aggregating to \$956,371.36) were issued from MHA Practice bank accounts. We reviewed MHA Practice's updated QuickBooks data file to assess the potential payees of each check; however, the updated QuickBooks file did not contain data prior to 2017.
- 5. As part of our engagement we were asked to identify payments from MHA Practice to Craig. As such, we analyzed the outflows from MHA Practice accounts for the period from January 2014 through April 2019.⁷ Based upon our review the following payments to Craig bear noting:
 - a. We observed \$24,769.83 in direct payments to Craig Mueller.
 - b. We observed \$611,833.39 in outgoing transfers from MHA Practice to Craig's Bank of Nevada checking account ending 1388.⁸
 - c. The amounts above do not include Craig's payroll. While we have not received the payroll reports, we have received some tax forms that indicate Craig received the following W-2 wages during the tax years 2014 through 2018:
 - i. 2014: \$126,000⁹
 - ii. 2015: \$140,400¹⁰
 - iii. 2016: \$140,400¹¹
 - iv. 2017: \$65,947¹²
 - v. 2018: \$28,000¹³

We observed unknown deposits into Craig's Bank of Nevada checking account ending 1388 that may reasonably be sourced from Craig's W-2 wages identified above.

Please note that these amounts may be understated to the extent that Craig received compensation through cancelled checks, through cash withdrawals, or through the benefit of personal expenses paid on his behalf by MHA Practice.

⁷ It bears noting that we did not receive MHA Practice bank account statements prior to January 2014 (as reflected on Appendix A: Exhibit 1).

⁸ It bears noting that during the period from February 2014 through December 2017, we observed incoming transfers to MHA Practice from Craig's Bank of Nevada checking account ending 1388 of \$57,175.93.

⁹ PL01686.

¹⁰ PL01734.

¹¹ PL01786.

¹² PL04897.

¹³ PL04910.

Given the foregoing, at this time we have observed \$636,603.22 in outgoing payments to Craig from MHA Practice during the period from January 2014 through April 2019.¹⁴ Please refer to Appendix A: Exhibit 7 for a list of these payments. If we include Craig's W-2 wages, Craig received at least \$1,137,350.22 during the period from January 2014 through April 2019.

While Anthem has provided summary observations relative to our forensic accounting services, it bears noting that these observations are not all-inclusive and that Anthem reserves the right to address any questions that arise as a result of issuing this report.

7. THE BUSINESS VALUATION PROCESS

In conducting our appraisals we have only considered information that was known or knowable as of the valuation date. These valuations were performed to assist with a marital dissolution. As such, the appraisals referenced in this report shall not be used or construed as appropriate for any other purpose than as explicitly stated herein.

STANDARDS OF VALUE

In most appraisal situations the standard of value is legally mandated, either by law or by legally binding documents or contracts. The standard of value usually reflects an assumption as to who the buyer and the seller will be in a hypothetical or actual sales transaction regarding the subject assets, properties or business interest.¹⁵

The various standards of value are as follows:

1. Fair Market Value
2. Investment Value
3. Intrinsic or Fundamental Value
4. Fair Value under State Statutes
5. Fair Value for Financial Reporting

¹⁴ It bears noting that this outgoing amount is not currently offset by any funds that Craig may have deposited/transferred into the business.

¹⁵ Shannon P. Pratt, et al., *Valuing a Business: the Analysis and Appraisal of Closely Held Companies*, (New York, NY: McGraw Hill, 2008), at 41.

Within Nevada, business appraisals for marital dissolution purposes generally require that the investment value standard be used.¹⁶ It bears noting, however, that the values proffered by business appraisers in Nevada divorce cases are often ambiguously termed, with certain practitioners and attorneys referring to those values as “fair market value” when the underlying considerations for value determination, and situational observations, instead reflect “investment value”.

Investment value is defined as value in the hands of a specific holder. In this particular instance, investment value refers to the value of the subject business under the auspices and control of its ownership and management as of the valuation date. When analyzing investment value it must be remembered that said value often reflects the specific holder’s knowledge, abilities, expectations of risks, and earning potential. Investment value often considers synergies that can only be realized by the specific holders.¹⁷

VALUATION APPROACHES

The appraisal of any business interest or asset requires consideration of three basic approaches to determining business value: income, market, and asset. Under each approach, there are multiple methods that may be employed to derive value indications. The use of one or several approaches may be appropriate, depending upon the characteristics of the business and the information available.

Income Approach

The income approach estimates value based upon the economic benefits (income or cash flow) that the business expects to generate. This approach generally takes the form of one of two methods: the income capitalization method or the discounted cash flow method. The income capitalization method calculates a value indication by capitalizing the economic benefits at a rate which reflects the risk of the business and the expected growth of the economic benefits. The discounted cash flow method involves forecasts of revenues, costs and expenses, and cash flow for a discrete period and a calculation of the value of the business at the end of that period.¹⁸ All of these amounts are discounted to the valuation date at a rate commensurate with the risk associated with achieving those cash flows.

¹⁶ *Ford v. Ford*, 782 P.2d 1304 (Nev. Supr. Ct. 1989). It is our opinion that the ruling in *Ford v. Ford* is indicative of investment value.

¹⁷ Jay E. Fishman, Shannon P. Pratt, and William J. Morrison, *Standards of Value: Theory and Applications, Second Edition* (Hoboken, NJ: John Wiley & Sons, 2013), at 24. For more information regarding the appropriate standard of value for Nevada divorce cases, please refer to page 412 of this publication.

¹⁸ The business value that is calculated at the end of the discrete projection period is referred to as the “terminal value”.

Market Approach

The market approach estimates value based on indicators resulting from market transactions. This approach consists of collecting data on the valuation of similar businesses whose securities are traded in the public markets, and, where available, for recent acquisitions of similar businesses. After studying the market data, the appraiser makes adjustments for comparability differences to derive value indications for the subject business. The market approach also encompasses the analysis of past transactions in the securities of the subject business.

Asset Approach

The asset approach estimates value based on the principle of substitution. That is, a prudent investor would pay no more for an asset than the amount for which that asset could be replaced. The replacement cost is then adjusted for losses in value (appraised depreciation) due to a variety of factors. For business entities, the asset approach most commonly consists of a net asset value analysis, in which the individual assets and liabilities are restated at their respective fair market values to estimate the value of the equity.

8. BUSINESS VALUATION ANALYSES – MUELLER, HINDS, & ASSOCIATES, CHTD.

On or about April 16, 2007, Mueller, Hinds, & Associates, Chtd. was incorporated in Nevada. It bears noting that both Cristina and Craig were practicing attorneys prior to forming their joint law firm. MHA Practice specialized in criminal defense and personal injury.

During the course of our valuation analysis we reviewed MHA Practice's income tax returns for the fiscal years ending ("FYE") December 31, 2015 through 2017, internal financial information for the FYE 2018 and the latest twelve months ("LTM") ending April 30, 2019, and other pertinent financial information.

It is our understanding that MHA Practice's QuickBooks data file was recently updated by an accountant for FYE 2017, FYE 2018, and LTM ending April 30, 2019. As such, our analysis has primarily focused on these years.

Since it is our understanding that MHA Practice is no longer operational due to the parties' marital dissolution and subsequent formation of two separate, competing entities, a current valuation analysis may be unwarranted. Nevertheless, we have been asked to value MHA Practice as if it were still operational. As such, inherent in our valuation analysis as of April 30, 2019 is the assumption that MHA Practice would have remained open.

As shown in Appendix B, we have presented the following MHA Practice financial information:

- Appendix B: Exhibit 1 – Historical income statements¹⁹
- Appendix B: Exhibit 2 – Common size income statements
- Appendix B: Exhibit 3 – Adjustments to historical income statements
- Appendix B: Exhibit 4 – Adjusted income statements
- Appendix B: Exhibit 5 – Adjusted common size income statements
- Appendix B: Exhibit 6 – Representative income statement
- Appendix B: Exhibit 7 – Historical balance sheets
- Appendix B: Exhibit 8 – Common size balance sheets
- Appendix B: Exhibit 9 – Projected income statements
- Appendix B: Exhibit 10 – Common size projected income statements
- Appendix B: Exhibit 11 – Cost of capital
- Appendix B: Exhibit 12 – Capitalized cash flow and discounted cash flow methods
- Appendix B: Exhibit 13 – Summary of investment value

Based upon our review, we have considered all three approaches in our valuation analysis.

INCOME APPROACH

There are primarily two methods under the income approach: the discounted cash flow method and the capitalized cash flow method, which is sometimes alternatively referred to as the income capitalization method. The discounted cash flow method is used when it is reasonably certain that the appraiser/management can project the operations of the business until such future time that the business' earnings will stabilize into perpetuity. The capitalized cash flow method is generally used when the business' historical operations are fairly indicative of its future operations, or when it is improbable that the appraiser/management will be able to project the business' future operations with any significant degree of certainty.

Based upon our analysis, we made normalization adjustments to the historical income statements to better reflect ongoing operations, to reclassify revenues and expenses for comparative purposes, and to remove nonrecurring expenses. Please refer to Appendix B: Exhibit 3 for these normalization adjustments. As previously stated, due to the QuickBooks data file being recently updated for FYE 2017, FYE 2018, and LTM ending April 30, 2019, we have focused our adjustments on those years.²⁰

Additionally, during our comparison of the updated QuickBooks data file to our forensic accounting analysis, it appeared that some potentially personal transactions were properly

¹⁹ For FYE December 31, 2015 and 2018 and for LTM ending April 30, 2019.

²⁰ It bears noting that the updated QuickBooks data does not contain any data prior to December 31, 2016.

excluded from the income statement. It bears noting that we reserve the right to update our analysis upon receipt of additional documentation, including but not limited to payroll data.

The adjusted income statements summarized on Appendix B: Exhibit 4 reflect MHA Practice's normalized revenues, expenses, and net income on a historical basis. In order to assess a representative income statement as of the valuation date, we made the following additional adjustments on Appendix B: Exhibit 6:

1. Based upon our compensation analysis, we have adjusted officer compensation to reflect reasonable compensation to Craig of approximately \$200,000 per annum and to Cristina of approximately \$100,000 per annum. It bears noting that we made this assessment based upon our understanding that neither party was fully devoted to the business during the period from FYE 2017 through LTM 2019.
2. It bears noting that MHA Practice pays rent to a related party, Jack & Gracie, LLC. If the amount of the rent paid to Jack & Gracie, LLC does not reflect fair market rent, an adjustment will need to be made that may impact our conclusion of value.
3. Since MHA Practice is an S-Corporation, we have tax-effected net income using estimated federal taxes based upon 2019 individual income tax rates. This adjustment facilitates the estimation of the potential net benefit that might accrue to an equity holder after the assessment of income taxes.

Pursuant to our review of the historical normalized income statements and the adjustments identified above, we assessed the representative income statement reflected on Appendix B: Exhibit 6.

Based upon the representative income statement shown on Appendix B: Exhibit 6, a projection of earnings and cash flows is presented in Appendix B: Exhibit 9, Appendix B: Exhibit 10, and Appendix B: Exhibit 12. The discount and capitalization rates presented in Appendix B: Exhibit 11 (which reflect our assessment of MHA Practice's risk in achieving the projected cash flow) were then applied against the projections to reach operating value indications.

As shown on Appendix B: Exhibit 12, based upon the operating value indications derived under the capitalized cash flow method and the discounted net cash flow method, we estimated that as of April 30, 2019 the operating value of a 100 percent controlling, marketable interest in MHA Practice was \$463,831 under the capitalized cash flow method and \$527,612 under the discounted cash flow method.

MARKET APPROACH

As discussed earlier, the value of a business can also be ascertained through the analysis of transactions representing sales of entire businesses that are similar to the subject business. When evaluating these transactions, special attention is given to the comparability of the subject business (in this case, MHA Practice) to the acquired business (often also referred to as the acquisition target or transacted business).

Although MHA Practice is relatively small and specialized, we did undertake a search for potentially comparable publicly traded businesses and potentially comparable businesses that had been recently transacted. We used Practice-specific financial metrics and the NAICS code 541110 (Offices of Lawyers)²¹ to search for guideline transactions and comparables using both *DealStats*²², a repository of transactional data, as well as *D&B Hoover's*²³, a repository of public company data. Our analysis of the *D&B Hoover's* search results yielded no meaningful publicly traded comparables.

While our analysis of the *DealStats* search results yielded transacted companies with a relevant NAICS code, our review of those results led us to believe that they did not represent meaningful indications of value in this appraisal. This was because the comparability of the search results to the subject company was difficult to discern from the information available and also because there appeared to be limited transaction data in reasonably comparable industries.

ASSET APPROACH

As previously discussed, we considered the asset approach in this valuation. In applying the net asset value method, we considered adjustments to MHA Practice's April 30, 2019 balance sheet to reflect the fair market value of assets and liabilities.

Based upon our review of the historical balance sheet on Appendix B: Exhibit 7, MHA Practice has an unadjusted net asset book value of approximately \$84,000; however, this book value does not include the value of MHA Practice's accounts receivable and may not reflect the fair market value of the fixed assets/equipment and other assets.

²¹ This industry comprises offices of legal practitioners known as lawyers or attorneys (i.e. counselors-at-law) primarily engaged in the practice of law. Establishments in this industry may provide expertise in a range or in specific areas of law, such as criminal law, corporate law, family and estate law, patent law, real estate law, or tax law.

²² *DealStats* collects information on transactions of private and public companies and seeks to capture enough data for the user to make a comparison between the comparable transactions in the database and the user's subject company. Specifically, *DealStats* compiles and reports information on more than 160 data points highlighting the financial and transactional details of the sales of private and public companies. *DealStats* collects its data from intermediaries across the country and from SEC filings.

²³ *D&B Hoover's* delivers comprehensive company, industry, and market intelligence. Its database is comprised of more than 120 million business records, with in-depth coverage of the world's top business enterprises.

Based upon the foregoing, the determination of MHA Practice value as of April 30, 2019 using the net asset value method will need to be updated if we receive supporting documentation that provides a reasonable assessment of the collectible value of MHA Practice's accounts receivable, the fair market value of fixed assets and equipment, and the fair market value of other assets.

Given the foregoing, we are unable to determine the net asset value of MHA Practice at this time, although it bears noting that the potential adjustment for accounts receivable and other assets could yield a net asset value that is greater than the value indications under the income approach.

INVESTMENT VALUE CONCLUSION AS OF APRIL 30, 2019

Since we are estimating the investment value of the subject interest on a controlling, nonmarketable basis, we applied a 5 percent discount for lack of marketability to reflect the lack of a readily available market for MHA Practice's equity.

After applying a discount for lack of marketability, we determined that the investment value of a 100 percent controlling, nonmarketable interest in Mueller, Hinds, & Associates, Chtd. was \$480,000 as of the valuation date, subject to the caveats and considerations herein. Please refer to Appendix B: Exhibit 13.

9. BUSINESS VALUATION ANALYSES – CRISTINA A. HINDS, ATTORNEY LLC

On or about March 4, 2019, Cristina A. Hinds, Attorney LLC was incorporated in Nevada; although it is our understanding that Hinds New Practice has only been materially operational for the last three weeks. Hinds New Practice provides similar services to MHA Practice (such as personal injury, criminal defense, and contract law).²⁴

As previously stated, we have not received any financial statements for Hinds New Practice. It is our understanding that as of the date of this report it has had minimal revenues. Additionally, it is our understanding that Cristina is in the process of compiling financial information for our review.

As such, we reserve the right to provide a business valuation analysis of Hinds New Practice if we are provided with additional documentation, including but not limited to detailed financial statements.

²⁴ <https://hindsinjurylawlasvegas.com/>

10. BUSINESS VALUATION ANALYSES – CRAIG MUELLER & ASSOCIATES INC.

On or about May 6, 2019, Craig Mueller & Associates Inc. was incorporated in Nevada. Mueller New Practice provides similar services to MHA Practice (such as personal injury, criminal defense, and DUI defense).²⁵

As previously stated, as of the date of this report we have not received any financial statements for Mueller New Practice. We did receive Craig's April 3, 2019 financial disclosure form, which contained a highly-summarized monthly income and expense schedule. The following observations regarding this purported income statement bear noting:

1. The income and expense information is highly summarized and therefore we are unable to review the transaction-level detail necessary to assess potential normalization adjustments.
2. Craig reported monthly revenue of \$100,000 (annualized revenue of \$1.2 million).
 - a. This is similar to the amount of revenues reported by MHA Practice during the period from FYE 2014 through LTM ending April 30, 2019 (as reflected on Appendix B: Exhibit 1). This may indicate that a majority of MHA Practice's client/cases transferred to Mueller New Practice.
3. Craig reported monthly expenses of \$80,500 (annualized expenses of \$966,000).
 - a. Craig also reported salary of \$5,000 per month, which presumably would be included in the monthly expenses of \$80,500.
4. This calculates to a monthly net income of \$19,500 (annualized net income of \$234,000).
5. Assuming that Craig's salary is included in the monthly expenses, Mueller New Practice's annual net income, before the consideration of reasonable officer compensation, approximates \$294,000 (\$234,000 annual net income + \$60,000 annual salary).

Given the foregoing, if Craig's reasonable officer's compensation subsumes the entirety of the representative pre-tax net income of approximately \$300,000, Mueller New Practice may have no meaningful value under the income and market approaches.

If reasonable officer's compensation to Craig is assessed at an amount less than \$300,000 (before the consideration of associated payroll taxes), there may be business value under the income approach that would be subject to community division, although that value would likely not be mutually exclusive of the value of MHA Practice presented herein.

²⁵ <http://www.craigmuellerlawyer.com/>

Additionally, we have not received any information relative to the assets and liabilities held by Mueller New Practice to assess potential net asset value.

Nevertheless, we reserve the right to provide a business valuation analysis of Mueller New Practice if we are provided with additional documentation, including but not limited to detailed financial statements.

11. CURRENT OBSERVATIONS AND OPINIONS

Given the foregoing, we have the following observations and opinions at this time:

1. While Anthem has provided summary observations relative to our forensic accounting services, it bears noting that these observations are not all-inclusive. Please note that Anthem reserves the right to address any questions that arise as a result of the issuance of this report. Please refer to Section 6 of this report for our forensic accounting observations.
2. Mueller, Hinds, & Associates, Chtd.
 - a. Based upon the caveats and considerations discussed herein, we determined that the investment value of a 100 percent controlling, nonmarketable interest in Mueller, Hinds, & Associates, Chtd. was \$480,000 as of the valuation date.
 - b. It bears noting that this assessment is based upon the documentation received through the date of this report and is subject to update upon receipt of additional information, including but not limited to payroll data, accounts receivable documentation, and other pertinent data.
3. Cristina A. Hinds, Attorney LLC
 - a. We have not received any financial statements for Hinds New Practice. It is our understanding that as of the date of this report it has had minimal revenues. Additionally, it is our understanding that Cristina is in the process of compiling financial information for our review.
 - b. We reserve the right to provide a business valuation analysis of Hinds New Practice if we are provided with additional documentation, including but not limited to detailed financial statements.

4. Craig Mueller & Associates Inc.

- a. Based upon Craig's April 3, 2019 financial disclosure form, Mueller New Practice may have value under the income and market approaches if Craig's reasonable compensation is assessed at an amount less than \$300,000, although that value would likely not be mutually exclusive of the value of MHA Practice presented herein.
- b. We have not received any information relative to the assets and liabilities held by Mueller New Practice to assess potential net asset value.
- c. We reserve the right to provide a business valuation analysis of Mueller New Practice if we are provided with additional documentation, including but not limited to detailed financial statements.

2. The companies and their representatives warranted to Anthem Forensics that, unless otherwise noted herein, the information they supplied was complete and accurate to the best of their knowledge and that the financial statement information reflects the companies' results of operations and financial condition. Anthem Forensics has not independently verified such information, unless otherwise indicated within this report, and expresses no opinion on that information.
3. Possession of this report, or a copy thereof, does not carry with it the right of publication of all or part of it, nor may it be used for any purpose without the previous written consent of the appraiser, and in any event only with proper authorization.
4. None of the contents of this valuation report shall be conveyed to any third party or to the public through any means without the express written consent of Anthem Forensics.
5. No investigation of titles to property or of any claims on ownership of property has been undertaken. Unless otherwise stated in this report, title is assumed to be clear and free of encumbrances and as provided to Anthem Forensics.
6. Anthem Forensics is not required to give testimony in court, or be in attendance during any hearings or depositions, with reference to the valuation subjects, unless previous arrangements have been made.
7. Unless otherwise provided for in writing and agreed to by both parties in advance, the extent of the liability for the completeness or accuracy of the data, opinions, comments, recommendations and conclusions shall not exceed the amount paid to the appraisers for professional fees, and then only to the party(ies) for whom this report was originally prepared.
8. The various estimates of value presented in this report apply to these valuations only and may not be used out of the context presented herein. Any other use of this report may lead the user to an incorrect conclusion for which Anthem Forensics assumes no liability.

9. The appraisal estimates of investment value reached in this report are necessarily based upon the definition of investment value as defined herein. An actual transaction in the shares may be concluded at a higher value or lower value, depending on the circumstances surrounding the companies, the appraised business interests, and the motivations and knowledge of both the buyers and sellers at that time. Anthem Forensics makes no guarantees about what values individual buyers and sellers may reach in an actual transaction.
10. It should be specifically noted that these valuations assume that the subject companies will be competently managed and maintained by financially sound owners throughout the expected period of ownership. This appraisal engagement does not entail an evaluation of management's effectiveness, nor is Anthem Forensics responsible for future marketing efforts and other management or ownership actions upon which actual results will depend.
11. No opinion is intended to be expressed for matters that require legal or other specialized expertise, investigation or knowledge beyond that customarily employed by appraisers valuing businesses.
12. It is assumed that there are no regulations of any government entity to control or restrict the use of the underlying assets, unless specifically referred to in the report, and that the underlying assets will not operate in violation of any applicable government regulations, codes, ordinances, or statutes.
13. Valuation reports may contain prospective financial information, estimates or opinions that represent the view of the appraiser about reasonable expectations at a particular point in time, but such information, estimates, or opinions are not offered as predictions or as assurances that a particular level of income or profit will be achieved or that specific events will occur.
14. Anthem Forensics has assumed that there are no hidden or unexpected conditions of the businesses that would adversely affect value, other than as indicated in this report.
15. Hazardous substances, if present, can introduce an actual or potential liability that will adversely affect the marketability and value of a business. Such a liability may be in the form of immediate recognition of existing hazardous conditions or future liability that could stem from the release of currently non-hazardous contaminants. In the development of the opinion of value, no consideration was given to such liability or its impact on value. Anthem Forensics has not taken into account any and all future environmental considerations and potential liability.

If the total does not agree with your checkbook balance, the difference may be located by (1) checking the addition and subtraction in your checkbook record, (2) making sure each check and deposit was entered correctly in your record, (3) reviewing each step in the balancing procedure.

IMPORTANT INFORMATION ABOUT REVIEWING YOUR STATEMENT

You are responsible for promptly examining your statement each statement period and reporting any irregularities to us. The periodic statement will be considered correct for all purposes and we will not be liable for any payment made and charged to your Account unless you notify us in writing within certain time limits after the statement and checks are made available to you. We will not be liable for any check that is altered or any signature that is forged unless you notify us within thirty (30) calendar days after the statement is made available. Also, we will not be liable for any subsequent items paid, in good faith, containing an unauthorized signature or alteration by the same wrongdoer unless you notify us within thirty (30) calendar days after the statement is made available. If you have requested us to hold your Account statements, we have the right to mail your statements if you have not claimed them within thirty (30) calendar days. If we truncate your checks or provide you with an image of your checks, you understand that your original checks will not be returned to you with your statement. You agree that our retention of checks does not alter or waive your responsibility to examine your statements or change the time limits for notifying us of any errors.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Write us at P.O. Box 26237, Las Vegas, NV 89126-0237, telephone us at (702) 248-4200 or E-mail us at inquiries@bankofnevada.com as soon as you think your statement or receipt is wrong or if you need more information about a transfer on this statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. In your letter:

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this (or 20 business days for a new account), we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

METHOD USED TO DETERMINE THE BALANCE ON WHICH THE INTEREST CHARGE WILL BE COMPUTED

Revolving Lines of Credit: We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and fees and subtract any unpaid interest charges and any payments or credits. This gives us the daily balance.

The Annual Percentage Rate and Daily Periodic Rate may vary.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT

If you think there is an error on your statement, write to us at: Bank of Nevada, Loan Servicing Dept., P.O. Box 26237, Las Vegas, NV 89126-0237.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically (for example, Pay Over Time Travel and Pay Over Time Direct) if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest." Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

Information on Pay Over Time

There is no pre-set spending limit on your Card

No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is \$50,000.00

We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit americanexpress.com/payovertime.

You are currently enrolled in Pay Over Time Select

You can select eligible charges to move into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest applies from the date you add a charge to your Pay Over Time balance until the date it is paid.

You are currently enrolled in Pay Over Time Direct

All of your eligible charges are automatically swept into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest only applies to balances not paid in full.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest." Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

How we calculate your Minimum Payment Due	<p>The Minimum Payment Due is the Pay In Full New Balance plus any Pay Over Time and/or Cash Advance Minimum Due on your statement. Your Pay Over Time and/or Cash Advance Minimum Due will not exceed your Pay Over Time and/or Cash Advance New Balance. You may pay more than the Minimum Payment Due, up to your entire outstanding balance, at any time.</p>	<p>EXAMPLE: Assume that you have a Pay Over Time and/or Cash Advance New Balance of \$3,000, interest of \$29.57, no amounts past due, and a \$400 Pay In Full New Balance.</p> <p>(1) \$29.57 + 1% multiplied by (\$3,000 - \$29.57) = \$59.27</p> <p>(2) \$35</p> <p>The higher of (1) or (2) is \$59.27, which rounds to \$59.00. The Pay Over Time and/or Cash Advance Minimum Due of \$59.00 plus the Pay in Full New Balance of \$400 together make up the Minimum Payment Due of \$459.00.</p>

About interest charges on Pay Over Time balances in Part 2 of the Cardmember Agreement is amended by changing the section heading to read *About interest charges on Pay Over Time and Cash Advance balances* and by adding the following as an introductory paragraph to the *When we charge interest* sub-section:

Cash Advance balances and balances within the Pay Over Time feature -such as Select and Direct - may have different interest rates.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically (for example, Pay Over Time Travel and Pay Over Time Direct) if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest." Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning our bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically (for example, Pay Over Time Travel and Pay Over Time Direct) if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest." Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

There is no pre-set spending limit on your Card

No pre-set spending limit does not mean unlimited spending. Purchasing power adjusts with your use of the Card, your payment history, credit record and financial resources known to us and other factors. Unless you have been previously notified otherwise, your Card has no pre-set spending limit.

Your Pay Over Time Limit is \$50,000.00

We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time limit. You must pay in full all charges that are not placed into a Pay Over Time balance. For more information about Pay Over Time features please visit americanexpress.com/payovertime.

You are currently enrolled in Pay Over Time Select

You are currently enrolled in Pay Over Time Direct

All of your eligible charges are automatically swept into your Pay Over Time balance. Each month you simply choose whether to pay in full, pay the minimum due, or pay any amount in between. Interest only applies to balances not paid in full.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time and/or Cash Advance balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically. (for example, *Pay Over Time Travel and Pay Over Time Direct*) if you pay the Account Total New Balance by the due date each month. We will, however, charge you interest on cash advances beginning on the transaction date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest." Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time and/or Cash Advance balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically (for example, Pay Over Time Travel and Pay Over Time Direct) if you pay the Account Total New Balance by the due date each month. We will, however, charge you interest on cash advances beginning on the transaction date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest." Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.
