8.3 Closing Conditions in Favour of Newmont

The obligations of Newmont to consummate, or cause the consummation of, the transactions contemplated by this Agreement shall be subject to the fulfilment on or before the Time of Closing of each of the following conditions:

- (a) the representations and warranties made by Barrick in this Agreement shall be true and correct in all respects, in each case as of the Closing Date as if made on and as of such date (except to the extent such representations and warranties speak as of an earlier date, then as of such date), except where the failure of such representations and warranties to be true and correct in all respects would not, individually or in the aggregate have a material and adverse effect on the Barrick Contributed Assets and Barrick Assumed Liabilities taken as a whole, and Barrick shall have provided Newmont a certificate dated the Closing Date executed by a senior officer of Barrick to such effect;
- (b) Barrick shall have performed and complied in all material respects with all covenants, conditions and agreements required by this Agreement to be performed or complied with by Barrick on or prior to the Time of Closing other than immaterial breaches or breaches of immaterial covenants, and Barrick shall have provided Newmont a certificate dated the Closing Date executed by a senior officer to the foregoing effect;
- (c) all deliveries contemplated by Section 4.4 shall have been delivered; and
- (d) the Barrick Pre-Closing Transactions shall have occurred.

The foregoing conditions are for the exclusive benefit of Newmont and any such condition may be waived in whole or in part by Newmont at or prior to the Time of Closing by delivering to Barrick a written waiver to that effect executed by Newmont. Delivery of any such waiver shall be without prejudice to any rights and remedies at law and in equity Newmont may have, including any claims Newmont may have for breach of covenant, representation or warranty by Barrick, and also without prejudice to Newmont's rights of termination in the event of non-performance of any other conditions in whole or in part.

ARTICLE 9
SURVIVAL AND INDEMNIFICATION

9.1 Survival of Representations, Warranties and Covenants

- (a) The representations and warranties of Barrick in Sections 6.1, 6.2, 6.3, 6.5 and 6.6 (the "**Barrick Fundamental Representations**") and of Newmont in Sections 7.1, 7.2, 7.4 and 7.5 (the "**Newmont Fundamental Representations**") shall survive the Closing and continue in full force and effect without limitation of time subject only to applicable Laws. All other representations and warranties in this Agreement shall survive the Closing until the date that is 18 months following the Closing Date. Each period of survival stated in this Section 9.1(a) and the period of time referred to in Section 9.1(b) is referred to as the applicable "**Survival Period**".
- (b) To the extent that any covenant contained in this Agreement has not been fully performed at or prior to the Time of Closing, such covenant shall survive the Closing until it is fully performed in accordance with the terms hereof.

9.2 Indemnification by Barrick

Subject to the limitations set out elsewhere in this Article 9, from and after Closing, Barrick shall indemnify and save harmless the JV Company, Newmont and Newmont's Affiliates and their respective officers, directors, managers, employees, agents, representatives, successors and assigns (the "**Newmont Indemnified Parties**") from and against all Losses suffered or incurred by any of the foregoing as a result of or arising directly or indirectly out of or in connection with:

- (a) any inaccuracy or breach by Barrick as of the date of this Agreement or as of the Closing Date of any representation or warranty of Barrick contained in this Agreement; and
- (b) any breach or non-performance by Barrick of any covenant contained in this Agreement.

9.3 Indemnification by Newmont

Subject to the limitations set out elsewhere in this Article 9, from and after Closing, Newmont shall indemnify and save harmless the JV Company, Barrick and Barrick's Affiliates and their respective officers, directors, managers, employees, agents, representatives, successors and assigns (the "**Barrick Indemnified Parties**") from and against all Losses suffered or incurred by any of the foregoing as a result of or arising directly or indirectly out of or in connection with:

- (a) any inaccuracy or breach by Newmont as of the date of this Agreement or as of the Closing Date of any representation or warranty of Newmont contained in this Agreement; and
- (b) any breach or non-performance by Newmont of any covenant contained in this Agreement.

9.4 Limitation of Liability

- (a) A Notice of Claim under this Article 9 based on any inaccuracy or breach of a representation or warranty must be given prior to the expiration of the Survival Period, and any claim not made within such period shall be of no force or effect and shall not give rise to any obligation of the Indemnifying Party to indemnify or save harmless any Indemnified Party. Notwithstanding the foregoing, if, before the close of business on the last day of the Survival Period, an Indemnifying Party shall have been notified in writing of a claim for indemnity hereunder in accordance with the terms hereof and such claim shall not have been finally resolved or disposed of at such date, such claim shall continue to survive and shall remain a basis for indemnity hereunder until such claim is finally resolved or disposed of in accordance with the terms hereof.
- (b) No Newmont Indemnified Party shall be entitled to require payment in respect of any Loss pursuant to the indemnities contained in Section 9.2(a), excluding any such indemnification in respect of Barrick Fundamental Representations, and Barrick shall not be liable for any indemnity payment thereunder unless:
- (i) the aggregate amount finally agreed or adjudicated of any such individual loss exceeds \$25,000,000 (the "**Minimum Loss Amount**"); and
 - (ii) either alone or together with the amount finally agreed or adjudicated to be payable in respect of other Losses for which a Newmont Indemnified Party would otherwise be entitled to require payment under such indemnities, such Loss exceeds \$100,000,000 (the "**Threshold Amount**"), provided that any individual amount used to calculate the Threshold Amount shall be no less than the Minimum Loss Amount.

Once the Threshold Amount has been exceeded, the Newmont Indemnified Parties shall only be entitled to require payment on such indemnities on the portion of Losses that exceeds the Threshold Amount.

- (c) No Barrick Indemnified Party shall be entitled to require payment in respect of any Loss pursuant to the indemnities contained in Section 9.3(a), excluding any such indemnification in respect of Newmont Fundamental Representations, and Newmont shall not be liable for any indemnity payment thereunder unless:
- (i) the aggregate amount finally agreed or adjudicated of any such individual loss exceeds the Minimum Loss Amount; and
 - (ii) either alone or together with the amount finally agreed or adjudicated to be payable in respect of other Losses for which a Barrick Indemnified Party would otherwise be entitled to require payment under such indemnities, such Loss exceeds the Threshold Amount, provided that any individual amount used to calculate the Threshold Amount shall be no less than the Minimum Loss Amount.

Once the Threshold Amount has been exceeded, the Barrick Indemnified Parties shall only be entitled to require payment on such indemnities on the portion of Losses that exceeds the Threshold Amount.

-
- (d) Notwithstanding anything to the contrary herein, except in cases of fraud, the maximum aggregate liability of Barrick, on the one hand, and Newmont, on the other hand, in respect of the indemnities contained in Section 9.2(a) and Section 9.3(a), other than indemnification thereunder in respect of the Barrick Fundamental Representations and the Newmont Fundamental Representations, respectively, shall not exceed the Indemnity Cap.
 - (e) For purposes of Sections 9.4(b) and 9.4(c):
 - (i) Losses arising out of separate sets of facts, matters or circumstances will not be treated as an individual Loss, even if each set of facts, matters or circumstances may be a breach of the same representation and warranty; and
 - (ii) Losses of the same or similar nature arising out of the same or similar facts, matters and circumstances will be treated as an individual Loss.

9.5 Notice of Claim

- (a) A Party that may be entitled to make a claim for indemnification (a "**Claim**") under this Agreement (the "**Indemnified Party**") shall give written notification to the other Party (the "**Indemnifying Party**") of such Claim (a "**Notice of Claim**") promptly upon becoming aware of the Claim, but in no event later than the last day of the Survival Period. The Notice of Claim shall specify whether the Claim arises as a result of a claim by a Third Party against the Indemnified Party (a "**Third Party Claim**") or whether the Claim does not so arise (a "**Direct Claim**"), and shall also specify with reasonable particularity, to the extent that the information is available, the factual basis for the Claim and the amount of the Claim.

Each of Newmont and Barrick shall be entitled to provide a Notice of Claim on behalf of the JV Company in respect of a Claim for indemnification under Section 9.2 and Section 9.3, respectively, and shall be entitled to make elections on behalf of and otherwise control any such Claim on behalf of the JV Company as the Indemnified Party in respect of such Claim under this Article 9.

- (b) If an Indemnified Party fails to provide the Indemnifying Party with a Notice of Claim promptly as required by Section 9.5(a), the Indemnifying Party shall be relieved of the obligation to pay damages to the extent it can show that it was prejudiced in its defence of the Claim or in proceeding against a Third Party who would have been liable to it by the fact of the delay, but the failure to provide such Notice of Claim promptly shall not otherwise release the Indemnifying Party from its obligations under this Article 9.
- (c) If the date by which a Notice of Claim must be given as provided for herein has passed without any Notice of Claim having been given to the Indemnifying Party, then the related Claim shall be forever extinguished, notwithstanding that by the last day of the Survival Period the Indemnified Party did not know, and in the exercise of reasonable care could not have known, of the existence of the Claim.

9.6 Direct Claims

With respect to any Direct Claim, following receipt of a Notice of Claim from the Indemnified Party, the Indemnifying Party shall have 45 days to make such investigation of the Claim as is considered necessary or desirable. For the purpose of such investigation, the Indemnified Party shall make available to the Indemnifying Party the information relied upon by the Indemnified Party to substantiate the Claim, together with all such other information as the Indemnifying Party may reasonably request. If both parties agree at or prior to the expiration of such 45-day period (or any mutually agreed upon extension thereof) to the validity and amount of such Claim, the Indemnifying Party shall immediately pay to the Indemnified Party the full agreed-upon amount of the Claim, failing which the Indemnified Party is free to pursue all rights and remedies available to it, subject to this Agreement.

9.7 Third Party Claims

- (a) Subject to Section 9.7(d), upon receiving a Notice of Claim, the Indemnifying Party may participate in the investigation and defence of the Third Party Claim, and may also elect to assume the investigation and defence of the Third Party Claim with counsel satisfactory to the Indemnified Party, acting reasonably; provided that the Indemnifying Party shall not have the right to assume such investigation and defense, and shall pay the fees and expenses of counsel retained by the Indemnified Party, if the Third Party Claim involves a claim that, in the good faith judgment of the Indemnified Party, the Indemnifying Party failed or is failing to vigorously prosecute or defend. The Indemnified Party shall cooperate in good faith in any such defense. The Indemnified Party shall have the right, at its own cost and expense, to participate in the defense of any Third Party Claim with counsel selected by it subject to the Indemnifying Party's right to control the defense thereof.
- (b) In order to assume the investigation and defence of a Third Party Claim, the Indemnifying Party must give the Indemnified Party written notice of its election within 20 days of the Indemnifying Party's receipt of the Notice of Claim.
- (c) Subject to Section 9.7(d), if the Indemnifying Party assumes the investigation and defence of a Third Party Claim:
 - (i) the Indemnifying Party will pay for all reasonable costs and expenses of the investigation and defence of the Third Party Claim except that the Indemnifying Party will not, so long as it diligently conducts such defence, be liable to the Indemnified Party for any fees of other counsel or any other expenses with respect to the defence of the Third Party Claim, incurred by the Indemnified Party after the date the Indemnifying Party validly exercised its right to assume the investigation and defence of the Third Party Claim;
 - (ii) the Indemnifying Party will reimburse the Indemnified Party for all reasonable costs and expenses incurred by the Indemnified Party in connection with the investigation and defence of the Third Party Claim prior to the date the Indemnifying Party validly exercised its right to assume the investigation and defence of the Third Party Claim; and

-
- (iii) if the Indemnifying Party thereafter fails to defend the Third Party Claim within a reasonable time, the Indemnified Party shall be entitled to assume such defense and the Indemnifying Party shall be bound by the results obtained by the Indemnified Party with respect to the Third Party Claim.
 - (d) Where the named parties to any Third Party Claim include the Indemnified Party as well as the Indemnifying Party and the Indemnified Party determines in good faith, based on advice from its legal counsel, that joint representation would be inappropriate due to the actual or potential differing interests between them or there may be one or more legal defences available to the Indemnified Party which are different from or in addition to those available to the Indemnifying Party, and the Indemnified Party notifies the Indemnifying Party in writing that it elects to retain separate counsel, the Indemnifying Party shall not have the right to assume the defence of such Third Party Claim on behalf of the Indemnified Party and shall be liable to pay the reasonable fees and expenses of counsel of the Indemnified Party.
 - (e) If any Third Party Claim is of a nature such that the Indemnified Party is required by applicable Law to incur losses or make a payment to any person (a "**Third Party**") with respect to the Third Party Claim before the completion of settlement negotiations or related legal proceedings, the Indemnified Party may incur such Losses or make such payment and the Indemnifying Party shall, forthwith after demand by the Indemnified Party, reimburse the Indemnified Party for such payment. If the amount of any liability of the Indemnified Party under such Third Party Claim, as finally determined, is less than the amount that was paid by the Indemnifying Party to the Indemnified Party, the Indemnified Party shall, forthwith after the receipt of the difference from the Third Party, pay the amount of such difference, together with any interest thereon paid by the Third Party to the Indemnified Party, to the Indemnifying Party. In addition, the Indemnifying Party shall post all security required by any court, regulatory body or other authority having jurisdiction, including without limitation, for purposes of enabling the Indemnifying Party to contest any Third Party Claim.
 - (f) If the Indemnified Party undertakes the defence of the Third Party Claim, the Indemnifying Party will not be bound by any compromise or settlement of the Third Party Claim effected without the consent of the Indemnifying Party (which consent may not be unreasonably withheld or delayed).
 - (g) The Indemnifying Party will not be permitted to compromise and settle or to cause a compromise and settlement of a Third Party Claim without the prior written consent of the Indemnified Party, which consent may not be unreasonably withheld or delayed, unless:
 - (i) the terms of the compromise and settlement require only the payment of money for which the Indemnified Party is entitled to full indemnification under this Agreement and the Indemnifying Party agrees to timely pay such amount in full; and
 - (ii) the Indemnified Party is not required to admit any wrongdoing, take or refrain from taking any action, acknowledge any rights of the Person

making the Third Party Claim or waive any rights that the Indemnified Party may have against the Person making the Third Party Claim.

- (h) The Indemnified Party and the Indemnifying Party shall co-operate fully with each other with respect to Third Party Claims, and shall keep each other fully advised with respect thereto (including supplying copies of all relevant documentation promptly as it becomes available).

9.8 One Recovery

No party shall be liable to pay any amount in discharge of a claim under this Agreement unless and until the liability in respect of which the claim is made has become due and payable.

9.9 Duty to Mitigate

Nothing in this Agreement in any way restricts or limits the general obligation at Law of an Indemnified Party to take reasonable steps to mitigate any loss which it may suffer or incur by reason of the breach or failure to perform of any representation, warranty, covenant or obligation of the Indemnifying Party under this Agreement. If any claim can be reduced by any recovery, settlement or otherwise under or pursuant to any insurance coverage, or pursuant to any claim, recovery, settlement or payment by or against any other Person, the Indemnified Party shall take all reasonable steps to enforce such recovery, settlement or payment and the amount of any Losses of the Indemnified Party will be reduced by the amount actually recovered by the Indemnified Party (net of collection expenses). If necessary to mitigate any withholding Taxes that would otherwise apply to any payments for indemnification under this Agreement, the Parties shall cooperate in good faith to cause such payments to be made by a United States subsidiary of the Indemnifying Party to a United States subsidiary of the Indemnified Party.

9.10 Adjustments

- (a) The amount of any Loss for which indemnification is provided in this Article 9 will be adjusted to take into account any Tax benefit or other benefit realized by the Indemnified Party by reason of the Loss for which indemnification is so provided. Any such Tax benefit or other benefit will be taken into account at such time as it is realized by the Indemnified Party.
- (b) In determining the amount of any Losses under this Article 9, such Losses will be increased to take into account any Tax actually incurred by the Indemnified Party as a result of the matter giving rise to such Losses.
- (c) Where an Indemnified Party is, or would be likely to be, entitled to recover or be compensated or indemnified by another person, whether by way of contract, indemnity or otherwise (including under a policy of insurance), any amount in respect of a Claim made by the Indemnified Party, the Indemnified Party shall promptly notify the Indemnifying Party of such right or entitlement, take all reasonable steps to seek recovery of that amount and keep the Indemnifying Party at all times fully and promptly notified of the status of such recovery. The amount of the Claim by the Indemnified Party shall be reduced by any amount actually recovered by the Indemnified Party (net of all reasonable out of pocket

costs and expenses incurred in doing so and any Tax paid or payable on the amount recovered).

9.11 Exclusivity

Subject to Section 10.4, except in cases of fraud, if the Closing shall occur, no Party may make any claim for damages in respect of this Agreement or any other Transaction Document delivered pursuant hereto (excluding the JV Agreement), or in respect of any breach or termination thereof, against any other Party except by making a Claim pursuant to and in accordance with this Article 9.

ARTICLE 10 TERMINATION

10.1 Termination

This Agreement may be terminated at any time prior to the Closing Date:

- (a) by mutual written agreement of Newmont and Barrick;
- (b) by either Barrick or Newmont, if:
 - (i) the Closing has not occurred on or prior to the Outside Date, except that the right to terminate this Agreement under this Section 10.1(b)(i) shall not be available to a Party whose failure to fulfill any of its covenants or obligations or breach of any of its representations and warranties under this Agreement has been the cause of, or resulted in, the failure of the Closing to occur by the Outside Date; or
 - (ii) after the date hereof, there shall be enacted or made any applicable Law, or a Governmental Authority having jurisdiction shall have issued any Order (which Order is final and non-appealable, unless such Order has been withdrawn, reversed or otherwise made inapplicable), permanently restraining or enjoining or otherwise prohibiting the transactions contemplated herein;
- (c) by Barrick by written notice to Newmont, if (i) any of the conditions in Section 8.1 or Section 8.2 has not been satisfied or waived by the Outside Date or is incapable of satisfaction by the Outside Date, provided that Barrick is not then in breach of this Agreement so as to cause any of the conditions in Section 8.1 or Section 8.2 not to be satisfied, or (ii) any representation or warranty of Newmont contained in Article 7 is untrue or incorrect or shall have become untrue or incorrect such that the condition contained in Section 8.2(a) would be incapable of satisfaction, or Newmont is in default in any material respect of any of its covenants or obligations herein such that the condition in Section 8.2(b) would be incapable of satisfaction; or
- (d) by Newmont by written notice to Barrick, if (i) any of the conditions in Section 8.1 or Section 8.3 has not been satisfied or waived by the Outside Date or is incapable of satisfaction by the Outside Date, provided that Newmont is not then in breach of this Agreement so as to cause any of the conditions set forth in

Section 8.1 or Section 8.3 not to be satisfied, or (ii) any representation or warranty of Barrick contained in Article 6 is untrue or incorrect or shall have become untrue or incorrect such that the condition contained in Section 8.3(a) would be incapable of satisfaction, or Barrick is in default in any material respect of any of its covenants or obligations herein such that the condition in Section 8.3(b) would be incapable of satisfaction.

10.2 Effect of Termination

- (a) Notwithstanding the termination of this Agreement by Barrick pursuant to Section 10.1(b) or Section 10.1(c), Barrick may bring an action against Newmont for Losses suffered by Barrick where the event giving rise to the right of termination is a result of a breach of covenant, representation or warranty by Newmont.
- (b) Notwithstanding the termination of this Agreement by Newmont pursuant to Section 10.1(b) or Section 10.1(d), Newmont may bring an action against Barrick for Losses suffered by Newmont where the event giving rise to the right of termination is a result of a breach of covenant, representation or warranty by Barrick.

10.3 Surviving Provisions on Termination

Notwithstanding any other provisions of this Agreement, if this Agreement is terminated (whether by a Party or automatically or otherwise), the provisions of Sections 5.7 (*Confidentiality*), 10.3 (*Surviving Provisions on Termination*), 10.4 (*Remedies*), 11.1 (*Notices*), 11.2 (*Governing Law*) and 11.11 (*Fees and Commissions*) (subject to any time limitations referred to therein) shall survive such termination and remain in full force and effect, along with any other provisions of this Agreement which expressly or by their nature survive the termination hereof.

10.4 Remedies

Barrick and Newmont acknowledge and agree that an award of money damages would be inadequate for any breach of this Agreement by any Party or its representatives and any such breach would cause the non-breaching Party irreparable harm. Accordingly, Barrick and Newmont agree that, in the event of any breach or threatened breach of this Agreement by a Party and provided this Agreement shall not have been terminated pursuant to Section 10.1, the non-breaching Party shall also be entitled, without the requirement of posting a bond or other security, to equitable relief, including injunctive relief and specific performance to the extent applicable. Such remedies will not be the exclusive remedies for any breach of this Agreement but will be in addition to all other remedies available hereunder.

 - (c) Any Party may at any time change its address for service from time to time by giving notice to the other Parties in accordance with this Section 11.1.

11.2 Governing Law

- (a) This Agreement shall be construed, interpreted and enforced in accordance with, and the respective rights and obligations of the Parties shall be governed by, the Laws of the Province of Ontario and the federal Laws of Canada applicable therein.
- (b) Each of the Parties irrevocably and unconditionally: (i) submits to the non-exclusive jurisdiction of the courts of the Province of Ontario over any action or proceeding arising out of or relating to this Agreement; (ii) waives any objection that it might otherwise be entitled to assert to the jurisdiction of such courts; and (iii) agrees not to assert that such courts are not a convenient forum for the determination of any such action or proceeding.

11.3 Waiver of Jury Trial

To the extent not prohibited by applicable law, each Party hereby waives, and covenants that such Party will not assert (whether as plaintiff, defendant or otherwise), any right to trial by jury in any forum in respect of any issue, claim or proceeding arising out of this Agreement or the subject matter hereof or in any way connected with the dealings of any Party in connection with the transactions set out herein, in each case whether now existing or hereafter arising and whether in contract, tort or otherwise.

11.4 Entire Agreement

This Agreement, and any dispute arising out of or in connection with this Agreement along with the other Transaction Documents, constitute the entire agreement between the Parties with respect to the subject matter hereof and thereof and supersede all prior agreements, understandings, negotiations and discussions, whether written or oral. There are no conditions, covenants, agreements, representations, warranties or other provisions, express or implied, collateral, statutory or otherwise, relating to the subject matter hereof and thereof except as provided herein or therein.

11.5 Severability

If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal or unenforceable in any respect, all other provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party hereto.

11.6 No Waiver

The failure of any Party to insist upon strict adherence to any provision of this Agreement on any occasion shall not be considered a waiver or deprive that Party of the right thereafter to insist upon strict adherence to such provision or any other provision of this Agreement. No purported waiver shall be effective as against any Party unless consented to in writing by such Party. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent or other breach.

11.7 Further Assurances

- (a) Each of the Parties shall, from time to time hereafter, do all such acts and execute and deliver all such further certificates or other documents, and will cause the doing of all such acts and will cause the execution of all such further certificates or other documents as are within its power as any other Party may in writing at any time and from time to time reasonably request be done and or executed in order to give full effect to the provisions of this Agreement.
- (b) Without limiting the generality of the foregoing, the Parties agree to review the form of JV Agreement attached hereto in good faith during the Interim Period with a view to making such modifications thereto as the parties may mutually agree in order to better give effect to their mutual intentions as evidenced by this Agreement; provided, however, that in the absence of such mutual agreement, the Parties will execute and deliver the JV Agreement in the form attached hereto at the time of closing, as contemplated herein.

11.8 Amendments

No term or provision of this Agreement may be amended except by an instrument in writing signed by all the Parties to this Agreement.

11.9 Assignment

No Party shall assign any of its rights or benefits under this Agreement, or delegate any of its duties or obligations, except with the prior written consent of the other Parties.

Only those items included on the agenda for the original meeting (and which are not subject to 100% approval pursuant to Section 3.3(c)) may be acted upon at such a rescheduled meeting, but any matters may be considered with the consent of all Managers.

(b) Presence of Other Persons. The Managers appointed by each Member may, upon notice provided to the chairman and at the expense of such Member, invite other persons who have a reasonable business purpose for being present, to attend any meeting of the Board; provided that the Manager(s) representing the other Member consents, which consent need not be in writing, may be given by acquiescence and may not be unreasonably withheld. If personnel employed in Operations are required to attend a Board meeting, reasonable costs incurred in connection with such attendance shall be paid for by the Operating Member as a Chargeable Cost. All other costs in respect of invited persons shall be paid for by the Member whose appointed Managers extended the invitation.

(c) Agendas; Minutes. Each notice of a meeting shall include an itemized agenda prepared by the Operating Member in the case of a regular meeting or by the Manager calling the meeting in the case of a special meeting, but any matters may be considered with the consent of all Managers. The Operating Member shall prepare minutes of all meetings,

including a rescheduled meeting, and shall distribute copies of such minutes to the Managers within 20 days after the meeting. The minutes, when approved by each Manager in attendance at the meeting, shall be the official record of the decisions made by the Board and shall be binding on the Operating Member and the Members. The minutes of a meeting shall be deemed to have been approved by a Manager unless such Manager objects in writing within 20 days after being provided with such minutes. Approval of the minutes shall not be a condition to the effectiveness of actions properly taken by the Board.

(d) Meetings by Video or Telephonic Means. The Board may hold meetings via telephone or by video conference so long as all participants are able to hear and speak to each other and decisions are confirmed in writing by the Managers (which confirmation may be made by approval of the minutes of the meeting pursuant to Section 3.3(c)).

(e) Voting. A vote of the Managers present in respect of a proposal submitted for a vote of the Board at a meeting at which a quorum is present is referred to as a "**Vote**". The aggregate voting power of the Barrick Member and Newmont Member nominee Managers will be based upon such Parties' Proportionate Interest. For example, on the date hereof, the Barrick Member nominee Managers will be entitled to cast an aggregate 61.5% of the Vote on any matter, notwithstanding that they comprise only 60% of the individuals who serve as Managers and regardless of the number of nominee Managers attending any particular Board meeting. The aggregate voting power of each Member shall be apportioned equally to the nominee Managers of such Member present at a meeting. For example, on the date hereof, (i) if three Barrick Member nominee Managers are present at a meeting, each shall have Voting power equal to 20.5% and (ii) if two Barrick Member nominee Managers are present at a meeting, each shall have Voting power equal to 30.75%.

(f) Actions by Written Consent. Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all of the Managers consent thereto, and the writing or writings (including any waivers of notice) are filed with the minutes of proceedings of the Board. No Manager may sign any such written consent while present in Canada.

The Board may also establish from time to time such other advisory committees as the Board determines to be necessary or desirable to facilitate the Operations and will establish an exploration committee with functions and governance procedures similar to those adopted in respect of the Finance Committee and the Technical Committee pursuant to Sections 3.8 and 3.9. All such committees shall include an equal number of representatives of each Member, shall be advisory only and shall not have any independent decision-making authority. The Board will determine (i) the scope and authority of each such committee, (ii) the procedures for convening committee meetings and (iii) the duration of any such committee (other than the Technical Committee, the Finance Committee and the exploration committee, which shall be standing committees).

3.10 Members: Capitalization.

(a) List of Members. Nevada JV shall maintain a schedule setting forth: (i) the name and address of each Member; (ii) the aggregate Proportionate Interest of each Member; (iii) the number of Units held by each Member; (iv) the aggregate amount of Member Contributions that have been made by each Member with respect to its Units (including, if applicable, a description and the amount of any liability assumed by Nevada JV or to which contributed property is subject) and (v) the aggregate amount of Member Loans owing to each Member (such schedule, the "**Schedule of Members**"). The Schedule of Members shall be the definitive record of ownership of each Member of Nevada JV and all relevant information with respect to each Member (unless the Schedule of Members (i) contains a mathematical or factual error or (ii) calculated ownership in any manner other than as set out in this Agreement). Any reference in this Agreement to the Schedule of Members shall be deemed a reference to the Schedule of Members as amended and as in effect from time to time.

A Covered Person or former Covered Person shall not be entitled to indemnification under this Section 3.11(b) with respect to (i) any Claim with respect to which a court of competent jurisdiction has determined that such Covered Person has engaged in fraud, willful misconduct, bad faith or gross negligence, (ii) any Claim initiated by such Covered Person unless such Claim (or part thereof) (A) was brought to enforce such Covered Person's rights to indemnification hereunder or (B) was authorized or consented to by the Board, (iii) any taxes, interest or penalties assessed directly against Nevada JV and attributable to the Covered Person (as determined in accordance with Section 4.2(f) of Schedule J) or (iv) any liability arising out of a breach of a representation or warranty or covenant contained in this Agreement or the Implementation Agreement. Expenses incurred by a Covered Person in defending any

Claim shall be paid by Nevada JV in advance of the final disposition of such Claim upon receipt by Nevada JV of an undertaking by or on behalf of such Covered Person to repay such amount if it shall be ultimately determined that such Covered Person is not entitled to be indemnified by Nevada JV as authorized by this Section 3.11(b).

(c) Effect of Modification. Any repeal or modification of this Section 3.11 shall not adversely affect any rights of such Covered Person pursuant to this Section 3.11, including the right to indemnification and to the advancement of expenses of a Covered Person existing at the time of such repeal or modification with respect to any acts or omissions occurring prior to such repeal or modification.

(d) Indemnitor of First Resort. Nevada JV hereby acknowledges that certain Covered Persons (the "**Specified Covered Persons**") may have rights to indemnification and advancement of expenses provided by a Member or its Affiliates (directly or by insurance retained by such entity) (collectively, the "**Member Indemnitors**"). Nevada JV hereby agrees and acknowledges that (i) it is the indemnitor of first resort with respect to the Specified Covered Persons, (ii) it shall be required to advance the full amount of expenses incurred by the Specified Covered Persons, as required by the terms of this Agreement (or any other agreement between Nevada JV and the Specified Covered Persons), without regard to any rights the Specified Covered Persons may have against the Member Indemnitors and (iii) it irrevocably waives, relinquishes and releases the Member Indemnitors from any and all claims against the Member Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. Nevada JV further agrees that no advancement or payment by the Member Indemnitors on behalf of Nevada JV with respect to any Claim for which the Specified Covered Persons have sought indemnification from Nevada JV shall affect the foregoing, and the Member Indemnitors shall have a right of contribution and be subrogated to the extent of such advancement or payment to all of the rights of recovery of the Specified Covered Persons against Nevada JV.

(e) Non-Exclusivity of Rights. The rights conferred on any Covered Person by this Section 3.11 shall not be exclusive of any other rights that such Covered Person may have or hereafter acquire under any statute, provision of this Agreement, agreement, vote of Members or disinterested Managers or otherwise.

- (iii) The Operating Member's authority shall be limited to that authority which is conferred on it by this Agreement.
- (iv) The Operating Member shall not be in default of its duties under Section 4.2(a)(i) or any other provision of this Agreement if its failure to perform is caused by any act or omission of a Member or Nevada JV conducted independently and not at the behest of the Operating Member, including the failure of any Member or Nevada JV (A) to perform acts required of it by this Agreement or (B) to provide necessary funds pursuant to this Agreement.

(b) General Obligations.

Risk of loss passes from the Operating Member to the relevant Member once the unallocated loco-london credits have been received by each Member. Any additional costs or expenditures incurred in the taking and disposition by a Member of its Proportionate Interest of Products, including all royalties, taxes, costs and expenses, shall be borne by such Member.

(b) In respect of Doré produced by the Nevada JV, each Member hereby appoints the Operating Member, as agent for the Members, to enter into one or more refining agreements with one or more precious metals refiners whose large bars are acceptable in the London market as LBMA Good Delivery (as such standard may be replaced from time to time) pursuant to which the Operating Member will (A) deliver all Doré distributed to the Members in kind for refining at such refiner's refineries, and (B) arrange for the refiner to credit each Member's Proportionate Interest of refined gold to a designated metal account maintained by such Member. For the avoidance of doubt, each Member will receive gold and silver in equal amounts to their respective Proportionate Interests with adjustments for assay true-ups.

(c) In respect of all other minerals or commodities, including Concentrates (but excluding Doré), each Member hereby appoints the Operating Member, as agent for the Members, to sell such mineral or commodities, including Concentrates, as applicable, to a smelter operator or other third party and to distribute to each Member its Proportionate Interest of the proceeds from each such sale less any cost of sales incurred by the Operating Member.

(d) The Operating Member is hereby authorized to take such actions and enter into such agreements or other arrangements as the Operating Manager reasonably determines are necessary in furtherance of the foregoing.

(e) The Parties acknowledge and agree that they may, from time to time, acting reasonably, mutually agree on an alternative process for the distribution and/or sale of Products than what is set out in this Section 5.2.

(f) For purposes of this Section 5.2 the following terms have the following meanings:

- (i) **"Concentrates"** means the Product derived from Crude Ore after waste materials have been removed through leaching, milling or other beneficiation;
- (ii) **"Crude Ore"** means Products that have not, except for sizing or crushing, been subject to further processing or concentrating;
- (iii) **"Delivery Point"** means the place at which Product is delivered to and becomes property of an individual Member, and shall mean the location at the applicable Nevada JV Mine designated by the Operating Member from time to time at which point Product is capable of delivery for further refining.
- (iv) **"Doré"** means unrefined metal bars containing gold and silver that requires further refining to produce marketable gold and silver.
- (v) **"LBMA"** means the London Bullion Market Association, including its successors and assignees, and any accepted market replacement if the LBMA ceases to exist.
- (vi) **"LBMA Good Delivery"** means gold and silver in accordance with the requirements set forth in the "Good Delivery Rules for Gold and Silver Bars – Specifications for Good Delivery Bars and Application Procedures for Listing", July 2009, of the LBMA, as the same may be amended or otherwise modified from time to time.

5.3 Reserves; Bonding.

(a) Reserves. The Board may establish one or more cash reserves as the Board determines from time to time and may apply such reserves for Operations as may be determined by the Board; provided, however, that cash reserves shall be limited only to those reserves and to such amounts as are reasonably required to support Operations.

(b) Bonding. If any bonds or other financial sureties are required by any Governmental Authority to secure the performance of reclamation or other obligations arising

from Operations, the Members shall, to the extent such bonds are not provided solely by Nevada JV, undertake obligations, or enable Nevada JV to undertake obligations, required to provide such financial sureties, such as paying premiums for and satisfying other requirements in respect of surety bonds, providing letters of credit or corporate guarantees and/or putting up cash, as determined by the Board, in each case in their respective Proportionate Interests. The portion of the financial surety underwritten or provided by each Member shall be adjusted to reflect any changes in the Proportionate Interests of the Members and to enable substitution of Nevada JV as the obligor to the extent permitted by applicable Legal Requirements, and each Member agrees to cooperate and take such actions as are necessary to enable and ensure the same.

5.4 Supplemental Programs and Budgets.

(a) Approval Procedures. In the event the Operating Member or a Manager believes that any Approved Program and Budget should be revised prior to the end of the applicable Budget Period, the Operating Member or such Manager may propose one or more supplemental Programs and Budgets (each a "**Supplemental Program and Budget**") to the Board to be accomplished by the end of the then-current Budget Period. Any such proposed Supplemental Program and Budget shall be subject to the procedures set forth in Section 5.6(b).

(b) Funding Plan. The Operating Member (or the proposing Manager) shall provide a proposed Funding Plan to accompany each proposed Supplemental Program and Budget. Unless otherwise determined by the Board, the proposed Funding Plan shall provide that contemplated Member Contributions will be made in accordance with Section 5.5(a) and that funds for such Member Contributions shall be contributed by the Members in their respective Proportionate Interests to Nevada JV in accordance with Section 5.5(b).

5.5 Member Contributions.

(a) Unless otherwise determined by the Board pursuant to Section 3.3(c)(xiv), Member Contributions to Nevada JV shall be made as Capital Contributions.

(b) Within 10 days after a Monthly Funding Statement or Special Funding Statement showing required Member Contributions is delivered to a Member by the Operating Member pursuant to Section 4.5(b)(ii), such Member shall pay to Nevada JV the amount requested of such Member in the manner prescribed in such Monthly Funding Statement or Special Funding Statement.

5.6 Procedures Related to Programs and Budgets and Funding Plans.

(a) Content of Proposed Programs and Budgets. Each Program and Budget proposed to the Board as provided herein shall include in reasonable detail a description of the nature of the proposed Operations, designations of the land area upon which the proposed Operations will take place, the estimated period of time such Operations will take and the expenditures to be made in carrying out such Operations. Each such Program and Budget may contain provisions related to the operation and funding of Nevada JV in respect of Nevada JV expenditures. Every proposed Program and Budget, including all proposed modifications of any proposed Program and Budget, shall, at a minimum, be sufficient to maintain the Nevada JV Assets and to satisfy applicable Legal Requirements.

(b) Review and Approval Procedures. Each Member, acting through its appointees on the Board, shall within fifteen (15) days after submission by the Operating Member of any proposed Program and Budget submit to the Managers appointed by the other Member:

- (i) notice that such Member approves the proposed Program and Budget; or
- (ii) proposed modifications of the proposed Program and Budget.

If a Member fails to give either of the foregoing responses within the allotted time, the failure shall be deemed to be an approval by such Member of the Operating Member's proposed Program and Budget. If a Member makes a timely submission to the Managers appointed by the other Member pursuant to Section 5.6(b)(ii), then the Board shall meet within 30 days after such proposals or objections are submitted and shall consider, acting reasonably and in good faith, the proposals of such Member and seek to develop a complete Program and Budget acceptable to each Member in light of the proposals of the Member that submitted the same. If the Managers fail, acting reasonably, to reach unanimous agreement upon such Program and Budget within 30 days after a Manager appointed by a Member has made a timely submission to the Managers appointed by the other Member pursuant to Section 5.6(b)(ii), then the Program and Budget originally submitted by the Operating Member with such modifications as the Managers have agreed upon, if any, shall be submitted to Vote and shall be adopted if Approved by the Board.

(c) Changes by Board. Subject to Section 5.6(b), the Board may make such changes to any proposed Program and Budget as it deems fit prior to Approval.

ARTICLE 6

EXCLUDED ASSETS: MATERIAL CAPITAL PROJECTS

6.1 Contribution of Excluded Assets

Where a Feasibility Study conducted in respect of an Excluded Asset is a Successful Study, the applicable Member that owns (or that is Affiliated with the owner of) such Excluded Asset (the "**Contributing Member**") shall promptly provide written notice (a "**Contribution Notice**") of the same to Nevada JV and the other Member (the "**Non-Contributing Member**") (which notice shall be accompanied by a detailed statement as to the cost of the Feasibility Study together with reasonable supporting documentation) and such Excluded Asset shall be contributed to Nevada JV in accordance with the following provisions:

- (a) the Contributing Member shall promptly cause a valuation of its interest in the Excluded Asset to be completed in accordance with the procedures set out in Schedule F (the "**Excluded Asset Value**") and shall promptly provide a copy of such valuation to the Non-Contributing Member;
- (b) promptly and in any event within 15 days following the determination of the Contribution Value, subject to any extensions required to obtain necessary regulatory approvals, the Contributing Member shall (or, if applicable, shall cause its Affiliate to) contribute to Nevada JV all of its interest in the Excluded Asset (the "**Contribution**");

-
- (c) the Contribution shall be valued as the sum of (i) the Excluded Asset Value, plus (ii) the total aggregate costs, expenses and fees incurred by the Contributing Member and its Affiliates in connection with the Feasibility Study (together with the Excluded Asset Value, the "**Contribution Value**");
 - (d) in connection with the Contribution, within 10 days of receiving the valuation determining the Excluded Asset Value the Non-Contributing Member may elect to either:
 - (i) pay to the Contributing Member on the date of the completion of the Contribution (the "**Contribution Date**") an amount equal to the product of:
 - (A) the Non-Contributing Member's Proportionate Interest (as at the time immediately prior to the Contribution), multiplied by
 - (B) the Contribution Value; or
 - (ii) permit its Proportionate Interest to be diluted, effective as of the Contribution Date, by treating such Contribution as a Capital Contribution in the amount of the Contribution Value and recalculating the Proportionate Interests taking into account the Contribution Value contributed by the Contributing Member (in which case the Schedule of Members will be updated by the Board to give effect to such Contribution). An illustration of such recalculation is set out in Part I of Schedule G.
 - (e) If the Non-Contributing Member fails to make such an election within such 30 day period, it shall be deemed to have elected to have its Proportionate Interest diluted in accordance with Section 6.1(d)(ii).
 - (f) In connection with the contribution of the Excluded Asset to Nevada JV, on the Contribution Date Nevada JV will assume all liabilities relating to or associated with the Excluded Asset.

For the purposes of this Section 6.1, a "**Feasibility Study**" means a feasibility study undertaken by the Contributing Member for the purpose of evaluating the development of the Excluded Asset as an integrated expansion of the Nevada JV Business, and includes any associated program of exploration (including site preparation, drilling and environmental compliance) completed in connection with the Feasibility Study or any previous prefeasibility study.

6.2 **Material Capital Projects**

The following provisions shall govern the Development of a proposed Material Capital Project:

- (a) Where a feasibility study conducted in respect of a proposed Material Capital Project is a Successful Study, the Operating Member may cause the General Manager to prepare a Capital Project Budget in respect of the proposed Material Capital Project. A Material Capital Project that is not supported by a Successful Study may not proceed, and the Operating Member shall not direct the General

Manager to prepare a Capital Project Budget, unless the unanimous approval of the Board is first obtained.

- (b) Following completion of a Capital Project Budget, a decision to proceed with the Development of the Material Capital Project in accordance with the Capital Project Budget will be put to the Board for its Approval. If the Board Approves the Development of the Material Capital Project, either Member may, by providing written notice (an "**Opt-Out Notice**") to the other Member within 30 days of the approval of the Material Capital Project by the Board, elect not to participate in the Material Capital Project (such Member, the "**Non-Funding Member**"). If no Member has delivered an Opt-Out Notice within the 30 day period prescribed by this Section 6.2(b), both Members shall be deemed to have agreed to fund the Material Capital Project (a "**Co-Funded Capital Project**") and shall be required to satisfy any Member Contributions related to the Co-Funded Capital Project in proportion to their Proportionate Interest.
- (c) If a Member receives an Opt-Out Notice within the timeframe prescribed by Section 6.2(b), such Member may, within 30 days from the receipt of the Opt-Out Notice, elect to sole fund the Material Capital Project by providing notice to this effect to the Non Funding Member (a "**Sole Funding Notice**"). A failure to provide a Sole Funding Notice within the prescribed 30-day period shall be deemed a decision not to proceed unilaterally with the Material Capital Project. A Member that elects to sole fund in accordance with this Section 6.2(c) is referred to as the "**Sole Funding Member**".
- (d) The Proportionate Interests of the Members shall be recalculated, and the Schedule of Members shall be updated, to give effect to the Member Contributions made to fund the Material Capital Project. For the avoidance of doubt, any cost overruns that exceed the Capital Project Budget but which are funded by Member Contributions by the Sole Funding Member shall nonetheless dilute the interest of the Non Funding Member. An illustration of such recalculation is set out in Part II of Schedule G.
- (e) Any failure to make a required Member Contribution within 10 Business Days following a Monthly Funding Statement or Special Funding Statement in respect of the Co-Funded Capital Project, shall constitute a Funding Default.

ARTICLE 7

EXCLUDED CLOSURE PROPERTIES

The Parties acknowledge and agree that a Member may, by notice in writing to the Operating Manager, appoint the Operating Manager to manage and carry out all operations related to the shutdown and closure of any Excluded Closure Properties owned by such Member pursuant to the applicable Closure Plans. The Operating Member shall have the right to recover from the applicable Member that owns an Excluded Closure Property, and such Member will reimburse the Operating Member for, all costs and expenses incurred by the Operating Member in respect of such closure operations and any losses and damages it suffers from the conduct of such closure operations, except to the extent caused by or attributable to the Operating Member's gross negligence or willful misconduct.

For purposes of this Section Article 7, "**Excluded Closure Properties**" means (i) with respect to Barrick Member, the Bullfrog, McDermitt, Buckhorn, Wood Gulch and Preble closure properties and (ii) with respect to Newmont Member, the Sandman, Mule Canyon, Buffalo Valley, Copper Basin, Golden Eagle, Ivanhoe-Hollister, Northumberland and Trenton Canyon closure properties. For certainty, it is acknowledged that such Excluded Closure Properties were not, and will not be, contributed to Nevada JV as Nevada JV Assets.

ARTICLE 8

DISTRIBUTIONS

8.1 Distributions.

(a) Cash Available For Distribution. "**Cash Available for Distribution**" means the positive difference resulting from:

- (i) the amount of cash, and cash equivalents, in all accounts (excluding (A) funds received as Member Contributions and (B) dedicated funds received from lenders, if any);
- (ii) less the sum of the following items:
 - (A) current liabilities for the next three months, including all current liabilities for taxes payable;
 - (B) debt service requirements for all third-party company debt due within three months, if any;
 - (C) subject to Section 4.5(b)(iii), budgeted operating and capital expenditures forecast for three months, and reasonable and normal reserve accounts; and
 - (D) contingencies as calculated or reasonably estimated by the Operating Member.

(b) Payments from Cash Available for Distribution. Unless otherwise determined by a Vote of the Board pursuant to Section 3.3(c)(xv) and subject to applicable Legal Requirements, Cash Available for Distribution shall be disbursed, quarterly, and shall be used:

- (i) first, to pay, as required pursuant to the terms of any Member Loans that may have been made to Nevada JV by the Members or their respective Affiliates, unless waived by both Members; and
- (ii) second, as distributions to the Members, in accordance with each Member's Proportionate Interest (as calculated without regard to any Member Loans);

provided that none of the foregoing payments shall be made to a Defaulting Member or its Affiliated Parent and any payments that would otherwise be paid to a Defaulting Member or its Affiliated Parent shall be held in escrow or delivered to the Non-Defaulting Member pursuant to Section 9.5(b), if applicable.

(c) Distributions Upon Liquidation. Distributions upon the winding up of Nevada JV, including proceeds from a liquidation of the assets of Nevada JV, or a sale of all or substantially all of the assets of Nevada JV shall be distributed to Members in accordance with Section 8.1(b).

ARTICLE 9

DEFAULTS AND REMEDIES

9.1 Defaults.

A Member defaulting in the performance of any of its obligations or duties under this Agreement, including a Member in its capacity as Operating Member, shall be referred to as the “**Defaulting Member**”, and the other Member (including a Member in its capacity as Operating Member) shall be referred to as the “**Non-Defaulting Member**”.

9.2 Notice of Default.

A Non-Defaulting Member shall give the Defaulting Member a written notice of default (a “**Notice of Default**”), which shall describe the default in reasonable detail and state the date by which the default must be cured, which date for curing or commencing to cure shall be not less than 30 days after receipt of the Notice of Default, except in the case of a failure to advance funds, in which case the date for cure shall be not less than 10 days after receipt of the Notice of Default; provided, however, that advance notice shall not be required prior to the taking of action by the Non-Defaulting Member to provide funds pursuant to Section 9.5(b) to rectify the default in an emergency or if necessary to avoid losses or breaches of contractual or governmental obligations. Failure of a Non-Defaulting Member to give a Notice of Default shall not release the Defaulting Member from any of its duties under this Agreement.

9.3 Opportunity to Cure.

If within the applicable period described in Section 9.2 the Defaulting Member cures the default, or if the failure is one (other than the failure to make payments or to advance funds) that cannot in good faith be corrected within such period and the Defaulting Member begins to correct the default within the applicable period and continues corrective efforts with reasonable diligence until a cure is effected, the Notice of Default shall be inoperative, and the Defaulting Member shall lose no rights under this Agreement and shall not be considered in breach of this Agreement and the Non-Defaulting Member shall take no further action with respect thereto. If, within the specified period, the Defaulting Member does not cure the default or begin to cure the default as provided above, the Non-Defaulting Member at the expiration of the applicable period, or upon notice where no cure period is allowed, shall have the rights specified in Section 9.4; provided, however, that if the Defaulting Member in good faith contests whether the alleged default has in fact occurred (other than the failure to make payments or to advance funds), the Defaulting Member shall give notice thereof to the Non-Defaulting Member within the applicable cure period described in Section 9.2. The provisions of Article 13 shall then be applicable (except as otherwise provided herein) and the rights of the Non-Defaulting Member to pursue its remedies shall be suspended until a final determination is made as to the existence of the alleged default. If the determination confirms that a default has occurred, the Defaulting Member shall be deemed upon receipt of the determination to have received a further notice of default pursuant to Section 9.2 and shall have the opportunity to cure as provided above in this Section 9.3 (with no further right to contest the default).

9.4 Rights Upon Default.

The Non-Defaulting Member, after providing notice and an opportunity to cure as provided in Sections 9.2 and 9.3, shall have the right (but not the duty) to exercise any remedy provided in Section 9.5, which remedies are cumulative and are in addition to and not in substitution for any other rights or remedies that the Non-Defaulting Member may have in law or equity. The Members acknowledge that if either Member defaults in making a contribution required by Section 5.5(b), Section 6.2 or any other provision of this Agreement, or in repaying a loan as required under Section 9.5(b), it will be difficult to measure the damages resulting from such default (it being hereby understood and agreed that the Members have attempted to determine such damages in advance and determined that the calculation of such damages cannot be ascertained with reasonable certainty). Both Members acknowledge and recognize that the damage to the Non-Defaulting Member could be significant.

9.5 Failure to Provide Funds.

(a) Default. If a default referred to in Section 9.1 is a failure of the Defaulting Member to provide Member Contributions as required pursuant to Section 5.5(b) Section 6.2 or otherwise herein (a "**Funding Default**"), the Non-Defaulting Member may, *inter alia*, exercise any of the remedies set forth in Section 9.5(b) with respect to the defaulted amount (the "**Defaulted Amount**").

(b) Default Loan. The Non-Defaulting Member may pay the Defaulted Amount, which payment shall be deemed to be a loan from the Non-Defaulting Member to the Defaulting Member (a "**Default Loan**"). The Default Loan shall be due and payable on demand upon 30 days' notice given no sooner than 90 days after the advance or assumption is made, and shall bear interest from the date advanced at an annual rate equal to 6% over the LIBOR Rate as the same shall change from time to time or at the maximum rate permitted by law, whichever is less, computed monthly in arrears and compounded (at the same interest rate as is applicable to principal) at the end of each Calendar Year until repaid in full. If more than one Default Loan is made by a Non-Defaulting Member to the Defaulting Member, all such Default Loans shall be aggregated and the rights and remedies described herein pertaining to an individual advance shall apply to the aggregated amount. Upon the making of a Default Loan, the Non-Defaulting Member may require the Defaulting Member to, and the Defaulting Member shall, execute promissory notes or other documents evidencing the Default Loan reasonably requested by the Non-Defaulting Member. Notwithstanding the foregoing, each Member irrevocably agrees that as a Defaulting Member it shall pay the amount of the Default Loan together with accrued interest to the Non-Defaulting Member when due. If the aggregate amount payable is not discharged by the Defaulting Member when due, the Non-Defaulting Member, without waiver of other remedies, may exercise the remedies set forth below to the extent permitted by applicable Legal Requirements.

- (i) The Non-Defaulting Member may by notice to Nevada JV and the Defaulting Member elect to, and upon such election shall be entitled to, receive all Nevada JV Distributions and Member Loan Payments that the Defaulting Member would otherwise be entitled to receive from Nevada JV until an amount that is equal to the amount of the Default Loan (aggregated if applicable) plus interest as provided in Section 9.5(b) has been recovered by the Non-Defaulting Member. Where a Non-Defaulting Member receives In-Kind Distributions pursuant to this Section 9.5(b)(i), such In-Kind Distributions shall be valued at the amount received by the

Non-Defaulting Member on the sale of such In-Kind Distributions to a third party. All such amounts received by the Non-Defaulting Member shall be first applied to accrued interest and then to the principal amount of the Default Loan. Each Member hereby irrevocably authorizes and directs Nevada JV to retain and hold in trust all of Nevada JV Distributions and Member Loan Payments that such Member would be entitled to receive after the Non-Defaulting Member has elected to receive same as provided above and to pay such amounts to the Non-Defaulting Member on the Defaulting Member's behalf until an amount that is equal to the amount of the Default Loan plus interest as provided in Section 9.5(b) has been recovered by the Non-Defaulting Member.

- (ii) The Non-Defaulting Member may assert such other remedies as it may have in law or in equity with respect to the aforesaid loan.

(c) Indemnification. Each Member agrees to indemnify, defend and hold harmless Nevada JV and the other Member from and against each loss, cost, damage, expense (including attorneys' fees and costs), liability and claim therefor, paid or accrued by reason of, and to the extent caused by, any failure described in Section 9.5(a), subject to the damage limitations set forth in Section 17.14.

9.6 Dilution Mechanism

If a Funding Default occurs, and, within 5 Business Days following the last day of the cure period referred to in Section 9.2 (the last day of such 5-Business Day period being referred to as the "**Dilution Day**"), the Non-Defaulting Member has not elected to fund the Defaulted Amount as a Default Loan in accordance with Section 9.5(b), then the Proportionate Interest of each Member will be recalculated immediately after the Dilution Day and the Schedule of Members shall be updated. An illustration of such recalculation is set out in Part III of Schedule G.

9.7 Limited Powers of Attorney.

(a) Appointment by Barrick Member. Each of Barrick Member and Barrick hereby irrevocably appoints Newmont Member to be its attorney acting on its respective behalf and in its respective name or otherwise to execute and do all such assurances, acts and things which it ought to do under the covenants and provisions contained in this Agreement relating to the execution and delivery of promissory notes or other documents evidencing a loan from Newmont Member as provided in Section 9.5(b). Barrick Member and Barrick hereby ratify and confirm and agree to ratify and confirm whatever Newmont Member shall in good faith do or purport to do in the exercise or purported exercise of all or any of the powers, authorities and discretions referred to in such Section. Barrick Member and Barrick agree to and shall reaffirm the powers granted in this Section 9.7(a) upon the permitted succession of any Person to the interests of Newmont Member under this Agreement and (in its capacity as the successor) upon the permitted succession of any Person to the interests of Barrick Member or Barrick under this Agreement.

(b) Appointment by Newmont Member. Each of Newmont Member and Newmont hereby irrevocably appoint Barrick Member to be its attorney acting on its respective behalf and in its respective name or otherwise to execute and do all such assurances, acts and things which it ought to do under the covenants and provisions contained in this Agreement relating to

the execution and delivery of promissory notes or other documents evidencing a loan from Barrick Member as provided in Section 9.5(b). Newmont Member and Newmont hereby ratify and confirm and agree to ratify and confirm whatever Barrick Member shall in good faith do or purport to do in the exercise or purported exercise of all or any of the powers, authorities and discretions referred to in such Section. Newmont Member and Newmont agree to and shall reaffirm the powers granted in this Section 9.7(b) upon the permitted succession of any Person to the interests of Barrick Member under this Agreement and (in its capacity as the successor) upon the permitted succession of any Person to the interests of Newmont Member or Newmont under this Agreement.

9.8 Remedies Not Exclusive; No Waiver.

Each and every power and remedy specifically given to the Non-Defaulting Member shall be in addition to every other power and remedy now or hereafter available at law or in equity (including the right to specific performance), and each and every power and remedy may be exercised from time to time and as often and in such order as may be deemed expedient. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other. No delay or omission in the exercise of any such power or remedy and no extension of time for making any payments due under this Agreement shall impair any such power or remedy or shall be construed to be a waiver of any default.

9.9 Elimination of Minority Interest by Redemption for Royalty

At any time on or following such time as the Proportionate Interest of either Member is diluted to less than 10% (such diluted Member being the "**Minority Interest Holder**"), at the option of the other Member, the Units and Member Loans held directly or indirectly by the Minority Interest Holder and its Affiliates shall respectively be redeemed and cancelled by Nevada JV in exchange for a net smelter returns royalty (a "**Minority Royalty**") of one and one-half percent on all Product. Upon such redemption and cancellation, (i) the Minority Interest Holder shall immediately execute and deliver all such conveyances, instruments of Transfer and other documents as may be necessary or desirable to effect the foregoing, and (ii) Nevada JV and the Minority Interest Holder shall forthwith execute a Minority Royalty agreement in the form attached as Schedule H.

ARTICLE 10

RETAINED ROYALTY

10.1 Retained Royalty

Simultaneously with the Member's execution and delivery of this Agreement, Nevada JV shall execute, acknowledge and deliver to each of Barrick and Newmont a Net Smelter Returns Royalty Agreement incorporating the terms of Schedule I with respect to the properties included in the Barrick Contributed Properties and the Newmont Contributed Properties, respectively.

ARTICLE 11
PARENT GUARANTEES

11.1 Barrick Guarantee

(a) Barrick hereby absolutely, unconditionally and irrevocably guarantees in favour of Newmont Member, Newmont and Nevada JV the prompt and complete payment on demand of all amounts due and owing under this Agreement by Barrick Member and the observance and performance by Barrick Member of all the terms, covenants, conditions and provisions to be observed or performed by Barrick Member under this Agreement other than any failure by Barrick Member to provide funds pursuant to Section 5.5(b), which failure shall be governed exclusively by Section 9.5 (collectively, the "**Barrick Guaranteed Obligations**"), and Barrick shall promptly make such payments on demand and shall promptly perform such Barrick Guaranteed Obligations, upon the non-payment, default or non-performance thereof by Barrick Member. The foregoing agreement of Barrick is absolute, unconditional, present and continuing and is in no way conditional or contingent upon any event, circumstance, action or omission which might in any way discharge a guarantor or surety in whole or in part. Without limiting the generality of the foregoing, in the event that Barrick Member shall default in the full and timely payment or performance of any Barrick Guaranteed Obligation, Barrick will promptly pay or perform, as applicable, such Barrick Guaranteed Obligation and Newmont Member, Newmont or Nevada JV, as applicable, may maintain an action upon this Agreement whether or not Barrick Member is joined therein or separate action is brought against Barrick Member.

(b) Barrick agrees that it shall so pay or perform the Barrick Guaranteed Obligations on demand regardless of: (i) any bankruptcy, insolvency, liquidation, reorganization, moratorium or similar event with respect to or affecting Barrick Member; (ii) any change of name, any change or restructuring or termination of the corporate structure, ownership or existence of Barrick Member; or (iii) any other event or circumstance which would or might otherwise constitute a legal or equitable discharge of or defense available to any guarantor or surety.

(c) Barrick agrees that it shall not be necessary to institute or exhaust any remedies or causes of action against Barrick Member or others as a condition of the obligations of Barrick hereunder.

(d) Barrick hereby waives diligence, notice of demand, notice of default and all other notices and demands of any kind, and consents to any and all extensions of time or indulgences which may be given to Barrick Member.

(e) Barrick shall take all such actions as are required to cause Barrick Member to perform fully and on a timely basis all of the Barrick Guaranteed Obligations.

(f) The respective rights of each of Newmont Member, Newmont and Nevada JV, as applicable, are cumulative and shall not be exhausted by the exercise of any of such rights hereunder or otherwise against Barrick or by any successive actions until and unless all indebtedness and liability hereby guaranteed has been paid and Barrick's obligations under this Agreement have been fully performed.

11.2 Newmont Guarantee

(a) Newmont hereby absolutely, unconditionally and irrevocably guarantees in favour of Barrick Member, Barrick and Nevada JV the prompt and complete payment on demand of all amounts due and owing under this Agreement by Newmont Member and the observance and performance by Newmont Member of all the terms, covenants, conditions and provisions to be observed or performed by Newmont Member under this Agreement other than any failure by Barrick Member to provide funds pursuant to Section 5.5(b), which failure shall be governed exclusively by Section 9.5 (collectively, the “**Newmont Guaranteed Obligations**”), and Newmont shall promptly make such payments on demand and shall promptly perform such Newmont Guaranteed Obligations, upon the non-payment, default or non-performance thereof by Newmont Member. The foregoing agreement of Newmont is absolute, unconditional, present and continuing and is in no way conditional or contingent upon any event, circumstance, action or omission which might in any way discharge a guarantor or surety in whole or in part. Without limiting the generality of the foregoing, in the event that Newmont Member shall default in the full and timely payment or performance of any Newmont Guaranteed Obligation, Newmont will promptly pay or perform, as applicable, such Newmont Guaranteed Obligation and Barrick Member, Barrick or Nevada JV, as applicable, may maintain an action upon this Agreement whether or not Newmont Member is joined therein or separate action is brought against Newmont Member.

(b) Newmont agrees that it shall so pay or perform the Newmont Guaranteed Obligations on demand regardless of: (i) any bankruptcy, insolvency, liquidation, reorganization, moratorium or similar event with respect to or affecting Newmont Member; (ii) any change of name, any change or restructuring or termination of the corporate structure, ownership or existence of Newmont Member; or (iii) any other event or circumstance which would or might otherwise constitute a legal or equitable discharge of or defense available to any guarantor or surety.

(c) Newmont agrees that it shall not be necessary to institute or exhaust any remedies or causes of action against Newmont Member or others as a condition of the obligations of Newmont hereunder.

(d) Newmont hereby waives diligence, notice of demand, notice of default and all other notices and demands of any kind, and consents to any and all extensions of time or indulgences which may be given to Newmont Member.

(e) Newmont shall take all such actions as are required to cause Newmont Member to perform fully and on a timely basis all of the Newmont Guaranteed Obligations.

(f) The respective rights of each of Barrick Member, Barrick and Nevada JV, as applicable, are cumulative and shall not be exhausted by the exercise of any of such rights hereunder or otherwise against Newmont or by any successive actions until and unless all indebtedness and liability hereby guaranteed has been paid and Newmont's obligations under this Agreement have been fully performed.

ARTICLE 12
AREA OF INTEREST

12.1 Area of Interest

(a) Nevada JV may, from time to time, directly or indirectly, apply for or acquire mineral rights, surface rights and or ancillary rights including water rights over areas that fall in whole or in part within the Area of Interest.

(b) Subject to Section 12.2, if, from time to time, after the date hereof, any interest whatsoever in any real property or any mineral concessions, leases, claims or other form of mineral rights whatsoever, including mineral rights, surface rights and/or ancillary rights, including water rights, are issued, transferred to or acquired, directly or indirectly, by a Member or an Affiliate of a Member (the "**Acquiring Member**") over areas that are in whole or in part within the Area of Interest (the "**Additional Rights**"), then upon the date of such acquisition the Acquiring Member shall promptly provide notice containing the full particulars of the Additional Rights, but only as to those areas or those parts of areas that actually fall within the Area of Interest, to the Board.

(c) Subject to Section 12.2, the Acquiring Member shall or shall cause its Affiliate, as applicable, to contribute such Additional Rights to Nevada JV such that they will form part of the Nevada JV Assets for no additional consideration. The Members (or their respective Affiliates, as applicable) shall endeavour to close such acquisition of Additional Rights by Nevada JV as soon as practicable following the acquisition of such Additional Rights by the Acquiring Member. The Acquiring Member and the other Member shall, and, if applicable, shall cause their respective Affiliates, to cooperate with each other to effect such transfer and contribution of Additional Rights to Nevada JV in the most tax efficient manner reasonably practicable. Any such transfer of Additional Rights shall not be deemed to be a Member Contribution. For greater certainty, upon such transfer of Additional Rights to Nevada JV as aforesaid neither Member's Proportionate Interest shall be diluted.

12.2 Exceptions.

(a) For greater certainty, Section 12.1 shall not apply to the equity interests in a publicly-listed entity (or, unless Section 12.1(c) applies, any Additional Rights held by such entity) that are held, directly or indirectly, by a Member or any of its Affiliates on the date hereof (and, in the case of the Newmont Member shall include equity interests held by Goldcorp Inc. if the acquisition of Goldcorp Inc. is completed). For greater certainty, such equity interests shall not constitute Barrick Contributed Assets or Newmont Contributed Assets.

(b) Section 12.1 does not apply to an acquisition by a Member or its Affiliate of an entity that owns Additional Rights if such Additional Rights are not the primary purpose of the acquisition and constitute less than 20% of the net asset value of such entity.

(c) If a Member or any of its Affiliates proposes to acquire control of a publicly-traded entity that owns Additional Rights or proposes to acquire control of any other entity that owns Additional Rights (an "**Acquisition Target**"), whether or not such Member owns any equity interest on the date hereof in the Acquisition Target, in each case where the Additional Rights constitute 20% or more of the operating net asset value of such Acquisition Target, then such

acquisition of control shall not be subject to Section 12.1, and instead the following procedures shall apply:

- (i) the Member proposing to solicit, negotiate or enter into an agreement, arrangement, understanding or commitment in respect of the acquisition of control of the Acquisition Target (the "**Purchasing Member**") shall first provide written notice of such intention to the other Member (the "**Acquisition Notice**"), which notice shall provide all relevant and available details regarding the Acquisition Target, the Additional Rights held by such Acquisition Target and the price and other terms on which the Member is proposing to acquire the Acquisition Target;
- (ii) the Purchasing Member shall keep the other Member reasonably apprised of the status of the proposed acquisition of the Acquisition Target;
- (iii) within 30 Business Days following the receipt of the Acquisition Notice, the Member receiving the Acquisition Notice shall have the right to elect that, if the Purchasing Member completes the acquisition of the Acquisition Target, Nevada JV will purchase the Additional Rights that form part of the Acquisition Target's assets for a price, payable in cash by Nevada JV to the Purchasing Member, equal to the fair market value of such Additional Rights as determined in accordance with Schedule F. If this election is made the Members shall take all reasonable steps to ensure that JV Nevada purchases the Additional Assets on the terms set out herein as promptly as practicable following the closing of the acquisition of the Acquisition Target; and
- (iv) if any Member purchases an Acquisition Target without complying with the provisions of this Section 12.2(c), such Member shall contribute the Additional Assets to Nevada JV for no consideration.

ARTICLE 13

APPLICABLE LAW; DISPUTES

13.1 Applicable Law; Consent to Jurisdiction.

This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of Delaware, without regard to choice of laws or conflict of laws principles that would require or permit the application of the laws of any other jurisdiction. Each of the Parties hereby irrevocably attorns and submits to the exclusive jurisdiction of the courts of the State of Nevada respecting all matters relating to this Agreement and the rights and obligations of the Parties hereunder. Each of the Parties hereby agrees that service of any legal proceedings relating to this Agreement may be made by physical delivery thereof to its address provided in, or in accordance with, Section 17.1.

13.2 Dispute Resolution.

(a) Except as otherwise provided herein, in the event of any dispute, claim or difference arising between the Parties, including the Member acting as the Operating Member,

in respect of the subject matter, the interpretation or the effect of this Agreement, such Parties (the "**Involved Parties**") shall use their best endeavors to settle successfully such dispute, question or difference. To this effect, they shall consult and negotiate with each other, in good faith and understanding of their mutual interests, to reach an equitable solution satisfactory to the Involved Parties.

(b) If the Involved Parties do not reach a solution within a period of 30 days, then the matter shall be submitted to the Dispute Committee who shall consult and negotiate with each other, in good faith, to attempt to resolve the matter within 21 days of it being referred to them. If the Dispute Committee is unable to resolve the matter within such 21 day period, then either party may submit such matter to the courts of the State of Nevada.

13.3 Continuing Obligations.

Pending settlement of any dispute, the Parties shall abide by their obligations under this Agreement without prejudice to a final adjustment in accordance with an order of a court settling such dispute.

13.4 Waiver of Jury Trial.

EACH MEMBER AND PARENT HEREBY IRREVOCABLY WAIVES THEIR RESPECTIVE RIGHTS TO JURY TRIAL OF ANY DISPUTE BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER AGREEMENTS RELATING HERETO OR ANY DEALINGS AMONG THEM RELATING TO THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. The Parties each acknowledge that this waiver is a material inducement to enter into a business relationship and that they will continue to rely on the waiver in their related future dealings.

ARTICLE 14

CONFIDENTIALITY; PUBLIC ANNOUNCEMENTS

14.1 General.

Confidential Information shall not be disclosed by a Member or any of its Affiliates to any third party or the public without the prior written consent of Newmont Member with respect to a disclosure by Barrick Member or its Affiliates or of Barrick Member with respect to a disclosure by Newmont Member or its Affiliates. Nevada JV shall not disclose Confidential Information except as permitted pursuant to Section 14.2 without the Approval of the Board.

14.2 Exceptions.

The restriction imposed by Section 14.1 shall not apply to a disclosure of Confidential Information:

- (a) to government agencies as required by the terms of any Governmental Authorizations;
- (b) to employees of a Party or to an Affiliate, consultant or to a contractor or subcontractor that has a bona fide need to be informed;

-
- (c) to any third party to whom the disclosing Member lawfully contemplates a Transfer of all or any part of its interest in or to this Agreement and the Units (in accordance with the terms hereof);
 - (d) to a governmental agency or stock exchange or to the public which the disclosing Member believes in good faith is required to be made by (i) any applicable Legal Requirements, (ii) any order, decree or directive of any competent judicial, legislative or regulatory body or authority applicable to the disclosing Party or (iii) the rules of any relevant stock exchange or securities regulatory authority; provided that any obligation to file all or a portion of this Agreement with any securities regulatory authority shall be in accordance with Section 14.5;
 - (e) to actual or potential lenders or underwriters as to the disclosing Party who have a bona fide need to be informed;
 - (f) to independent accountants, legal counsel or other technical or professional advisors engaged by a Party or by the Operating Member for the purpose only of enabling such accountants, legal counsel or other professional advisors to give appropriate advice in respect of matters arising under this Agreement related to Operations or in respect of the normal business operations of the disclosing Member or its Affiliates;
 - (g) to any recognized merchant or investment banking firm engaged in giving advice to the disclosing Member in connection with this Agreement or in respect of the normal business operations of the disclosing Member or its Affiliates; or
 - (h) in connection with any legal proceeding arising in connection with this Agreement, but any such disclosure shall be subject to such confidentiality procedures as may be reasonably requested by the disclosing Party and approved by the court.

In any case involving disclosure by a Member to which Section 14.2(a), (c), (d), (e) or (g) is applicable (subject to Section 14.3 with respect to disclosures required by applicable Legal Requirements), the disclosing Member shall, except as provided in Section 14.3, give notice to Barrick Member with respect to any disclosure by Newmont Member or its Affiliates or to Newmont Member with respect to any disclosure by Barrick Member or its Affiliates, in each case, at least seven days in advance of the making of such disclosure; provided, however, that such notice shall not be required with respect to information disclosed pursuant to Section 14.2(a) on a regular basis in the ordinary course of business. Such notice shall identify the Confidential Information to be disclosed and the recipient. As to any disclosure pursuant to Section 14.2(b), (c), (e), (f) or (g), only such Confidential Information as such third party shall have a legitimate business need to know shall be disclosed. As to any disclosure pursuant to Section 14.2(a) or (d), the disclosing Member shall disclose, or permit the disclosure of, only that portion of Confidential Information required to be disclosed and shall take all reasonable steps to preserve the confidentiality thereof. As to any disclosure pursuant to Section 14.2(c), (e) or (g), such third party shall first agree in writing to protect the Confidential Information from further disclosure to the same extent as the Parties are obligated under this Article 14 and the disclosing Member shall concurrently with the making of such disclosure give notice to Barrick Member with respect to any disclosure by Newmont Member or its Affiliates or to Newmont Member with respect to any disclosure by Barrick Member or its Affiliates that the required agreement in writing has been completed. Notwithstanding the absence of a required written

agreement, the disclosing Party shall be responsible for assuring that no unauthorized disclosure of information to be kept confidential pursuant to Section 14.1 is made by any Person receiving information pursuant to Section 14.2(b) or (f); provided that no Party shall be liable to any other Party for the fraudulent or negligent disclosure of Confidential Information by any such Person if the Party who seeks to take the benefit of this clause shall have taken reasonable steps to ensure the preservation and confidential nature of the information.

14.3 Public Announcements.

Each Member shall, in advance of making, or any of its Affiliates making, a public announcement to a stock exchange or otherwise concerning this Agreement or Operations, advise the other Member of the text of the proposed report and provide the other Member with the opportunity to comment upon the form and content thereof before the same is issued; provided, however, that a Member or an Affiliate may make a public disclosure it believes in good faith is required by applicable Legal Requirements or any listing or trading agreement concerning the publicly traded securities of its direct or indirect parent (in which case the disclosing Member will use its reasonable best efforts to advise the other Member prior to the disclosure). If the other Member does not respond within 48 hours (excluding days that are not Business Days) or such lesser time specified as the maximum by the issuing Member or Affiliate, the announcement or report may be issued. The final text of the same and the timing, manner and mode of release shall be the sole responsibility of the issuing Member who shall indemnify, defend and hold the other Member and its Affiliates, together with Nevada JV and Nevada JV, harmless in respect of any third party claims arising therefrom.

14.4 Duration of Confidentiality.

The provisions of this Article 14 shall apply during the term of this Agreement and for two years following termination of this Agreement and, as to any Member who Transfers the Units representing its Proportionate Interest, for two years following the date of such occurrence.

14.5 Redacted Filings.

If a Parent or Member determine that this Agreement is or has become a material contract that is required to be filed pursuant to applicable securities laws or other Legal Requirement, such Parent or Member covenants:

- (a) to file on EDGAR and/or SEDAR, as applicable, a redacted version of this Agreement in order not to prejudicially affect the interests of the Members or Parents; and
- (b) to consult with the other Parent and Member on the preparation of such redacted Agreement prior to filing.

ARTICLE 15**TRANSFERS; PREFERENTIAL PURCHASE RIGHTS; EXEMPT TRANSFERS****15.1 Transfer Procedures.**

For purposes of this Article 15, Units and Member Loans held by Newmont or any of its Affiliates are referred to as the "**Newmont Nevada JV Interests**", and Units and Member Loans held by Barrick Member and any of its Affiliates are referred to as the "**Barrick Nevada JV Interests**". The Newmont Nevada JV Interests and the Barrick Nevada JV Interests are referred to individually and collectively as the "**Nevada JV Interests**". A Member shall have the right to Transfer its Nevada JV Interests to any third party solely as provided in, and subject to, this Article 15 and may not otherwise Transfer such Nevada JV Interests.

(a) Consent. No Member shall Transfer less than all of its Nevada JV Interests or Transfer its Nevada JV Interests to a Transferee that is not just one (1) Person without the consent of the other Member, which may be withheld or conditioned at such Member's sole discretion.

(b) Notice and Undertaking by Transferee; Substituted Member. No Transfer shall be effective and no transferee of a Member's Nevada JV Interests shall have the rights of such Member hereunder unless (i) the Transfer was completed in compliance herewith (including compliance with Section 15.2, if applicable), (ii) the transferring Member has provided to the other Member notice of such Transfer and (iii) the transferee, as of the effective date of the Transfer, has covenanted by a written undertaking with the other Member to be bound by this Agreement to the same extent as the transferring Member in a form satisfactory to the other Member. Subject thereto, the transferee shall be deemed to be a party to this Agreement and shall become a substituted Member on the effective date of such Transfer, with a Proportionate Interest equal to the Proportionate Interest held by the transferring Member as of the effective date of such Transfer.

(c) Transferor Not Relieved from Liability. A Member who Transfers its Nevada JV Interests shall be subject to Section 16.2.

(d) Encumbrances. If the Transfer is the grant of an Encumbrance in a Member's Units to secure a loan or other indebtedness of a Member in a bona fide transaction, such Encumbrance shall be granted only in connection with financing payment or performance of such Member's obligations under this Agreement and shall be subject to the terms of this Agreement and the rights and interests of the other Member hereunder, and shall be subject to the condition that the secured party first enters into a written agreement with the other Member in form satisfactory to the other Member, acting reasonably, binding upon the secured party, to the effect that the secured party's remedies under the Encumbrance shall be limited to the sale of the whole (and only the whole) of the encumbering Member's Units and shall be subject to a provision that, in the event such security becomes enforceable and is enforced, such Units shall first be offered to the other Member subject to the following terms: (i) the price of any preemptive sale to the other Member shall be the remaining principal amount of the loan plus accrued interest and related expenses owing to the secured party, (ii) such preemptive sale shall occur within 60 days of the notice to the other Member of the secured party's intent to enforce its security and

-
- (i) failure of the other Member to accept the offer or, if the offer is accepted, failure of the sale to close by the end of the 60-day period, unless such failure is caused by either the encumbering Member or by the secured party, shall permit the secured party to sell the encumbering Member's Units in accordance with the terms of the Encumbrance and with applicable Legal Requirements; provided, however, that such sale shall be subject to the purchaser covenanting with the remaining Member to be bound by the terms of this Agreement.

(e) Taxes. The transferring Member and the transferee of any Nevada JV Interests (except as is provided in Section 15.2(d)) shall be responsible for payment of any taxes, fees, levies or other governmental charges payable under applicable Legal Requirements in respect of the Transfer and shall indemnify and hold harmless the other Member and Nevada JV in respect thereof.

15.2 Preferential Purchase Rights.

(a) Obligation to Give Offer Prior to Sale. Each Member agrees that, except as provided in Section 15.3 and other than changes in ownership of its Parent, such Member will not, directly or indirectly, Transfer or suffer the Transfer to any third party of its Nevada JV Interests, whether now owned or hereafter acquired, or whether by sale or otherwise, and whether voluntary or involuntary, until and unless such Member shall have first made the offer to sell as set forth in this Section 15.2.

(b) Procedures for Offer. The offering Member shall deliver a written notice of the proposed Transfer to the other Member and shall provide a copy of such notice to the Board. The notice shall contain a description of the proposed Transfer, the identity of the transferee (which shall not be stated in the alternative), details concerning the financial capacity and operational experience of such transferee, the terms thereof and a description of the consideration to be received by the offering Member upon Transfer of the Nevada JV Interests; provided that if the consideration for the proposed Transfer is in whole or in part, other than monetary, the notice shall describe such consideration and state its monetary equivalent (based upon the fair market value of the non-monetary consideration as stated in terms of U.S. dollars). The notice shall further state that the offeree Member or its designee may acquire the Nevada JV Interests proposed to be Transferred upon the terms and conditions and for the price (monetary equivalent) set forth in such notice.

(c) Response to Offer. Subject to any limitations imposed by law, the offeree Member shall have a period of 60 days after receipt of the notice described in Section 15.2(b) in which to elect to purchase the Nevada JV Interests proposed to be Transferred by delivering written notice to the offering Member, with a copy of such notice provided to Board.

(d) Failure to Accept Offer. If the offeree Member does not elect within the 60-day period provided for in Section 15.2(c) to purchase the Nevada JV Interests proposed to be Transferred, the offering Member may either withdraw its offer to Transfer such Nevada JV Interests or Transfer all such Nevada JV Interests to the identified transferee at a price and on terms no less favorable to the offering Member than those offered by the offering Member in the notice; provided that the transferee provides the written undertaking agreeing to be bound by the terms of this Agreement pursuant to Section 15.1(b). The offering Member shall provide information to the offeree Member sufficient to enable the offeree Member to verify the price and terms of the sale. If such Transfer to the third party transferee is not made within 90 days

following the termination of the 60-day period provided for in Section 15.2(c), then a new offer must be made pursuant to the provisions of Section 15.2(a) before the offering Member can Transfer its Nevada JV Interests and the provisions of this Section 15.2 shall again apply to such Transfer.

(e) Closing. The closing of any sale and purchase of Nevada JV Interests between the Members pursuant to Section 15.2(c) shall be held at a time and place as is mutually agreeable to the Members. In the absence of such agreement, the closing shall be held at the office of the Operating Member within 30 days after the offeree Member has pursuant to Section 15.2(c) accepted the offer made by the offering Member. At the closing, the offering Member shall Transfer and deliver duly completed Transfers and the certificate(s), if any, for the applicable Units and shall assign any applicable Member Loans to the offeree Member or its designee, free and clear of all Encumbrances except as expressly provided herein and shall execute and deliver such other instruments, documents, certificates and opinions as the offeree Member reasonably deems necessary or appropriate to properly effect the Transfer of such Nevada JV Interests. Nevada JV shall, upon receipt of the Transfer documents and instruments, cause an appropriate entry to be made in the Schedule of Members to reflect the new ownership. All sales, stamp and similar Transfer taxes and expenses related to such Transfer shall be paid by the offeree Member.

(f) Applicability of Section 11.1. Any Transfer made pursuant to this Section 14.2 shall be subject to the provisions of Section 15.1.

15.3 Exempt Transfers.

Section 15.2 shall not apply to (i) a Transfer by Barrick Member or any successor of Barrick Member as to the Barrick Nevada JV Interests pursuant to this Section 15.3 to an Affiliate that is a direct or indirect wholly-owned subsidiary of Barrick (a "**Barrick Transferee Affiliate**"), (ii) a Transfer by Newmont Member or any successor of Newmont Member as to the Newmont Nevada JV Interests pursuant to this Section 15.3 to an Affiliate that is a direct or indirect wholly-owned subsidiary of Newmont (a "**Newmont Transferee Affiliate**"); provided that, in each case, such Affiliate shall assume the obligations of the Member and become a party to this Agreement in accordance with Section 15.1(b) or (iii) a Transfer to the State of Nevada or its designee by any Member that occurs as a result of an expropriation by the State of Nevada.

15.4 Loss of Affiliate Status.

(a) By Newmont Member or Newmont Transferee Affiliate. If Newmont Member or any Newmont Transferee Affiliate should at any time while it holds the Newmont Nevada JV Interests lose its status as a direct or indirect wholly-owned subsidiary of Newmont, it shall promptly give notice thereof to the holder of the Barrick Nevada JV Interests if such holder of the Barrick Nevada JV Interests is a direct or indirect wholly-owned subsidiary of Barrick. If within 30 days after the receipt of such notice, or at any time if Newmont Member or the Newmont Transferee Affiliate, as the case may be, fails to give such notice, the holder of the Barrick Nevada JV Interests (provided that such holder is a direct or indirect wholly-owned subsidiary of Barrick) gives written notice (the "**Barrick Re-Transfer Notice**") to Newmont Member or such Newmont Transferee Affiliate, as the case may be, demanding that the Newmont Nevada JV Interests be assigned or reassigned to a direct or indirect wholly-owned subsidiary of Newmont, then Newmont Member or such Newmont Transferee Affiliate, as the case may be, shall forthwith Transfer the Newmont Nevada JV Interests to a direct or indirect

wholly-owned subsidiary of Newmont, which shall assume the obligations of Newmont Member or the transferring Newmont Transferee Affiliate, as the case may be, and become a party to this Agreement in accordance with Section 15.1(b). If such holder of the Barrick Nevada JV Interests fails to give the Barrick Re-Transfer Notice within 30 days after receiving notice from the holder of the Newmont Nevada JV Interests as above provided, it shall be deemed to have waived the right to give such Barrick Re-Transfer Notice.

(b) By Barrick Member or Barrick Transferee Affiliate. If Barrick Member or any Barrick Transferee Affiliate should at any time while it holds the Barrick Nevada JV Interests lose its status as a wholly-owned direct or indirect subsidiary of Barrick, it shall promptly give notice thereof to the holder of the Newmont Nevada JV Interests, if such holder of the Newmont Nevada JV Interests is a direct or indirect wholly-owned subsidiary of Newmont. If within 30 days after the receipt of such notice, or at any time if Barrick Member or the Barrick Transferee Affiliate, as the case may be, fails to give such notice, the holder of the Newmont Nevada JV Interests (provided that such holder is a direct or indirect wholly-owned subsidiary of Newmont Incorporated) gives written notice (the "**Newmont Re-Transfer Notice**") to Barrick Member or such Barrick Transferee Affiliate, as the case may be, demanding that the Barrick Nevada JV Interests be assigned or reassigned to a wholly-owned direct or indirect subsidiary of Barrick, then Barrick Member or such Barrick Transferee Affiliate, as the case may be, shall forthwith Transfer the Barrick Nevada JV Interests to a direct or indirect wholly-owned subsidiary of Barrick, which shall assume the obligations of Barrick Member or the transferring Barrick Transferee Affiliate, as the case may be, and become a party to this Agreement in accordance with Section 15.1(b). If such holder of the Newmont Nevada JV Interests fails to give the Newmont Re-Transfer Notice within 30 days after receiving notice from the holder of the Barrick Nevada JV Interests as above provided, it shall be deemed to have waived the right to give such Newmont Re-Transfer Notice.

15.5 Corporate Approvals.

The Members shall take, or shall cause Nevada JV to take, any actions as may be required to approve any Transfers of Units that are authorized in accordance with the provisions of this Article 15.

ARTICLE 16

TERMINATION

16.1 Termination of Agreement.

(a) Termination. Except as otherwise provided herein, this Agreement shall continue in full force and effect without limit until the earlier of the following events:

- (i) all the Members agree in writing to terminate this Agreement;
- (ii) an effective resolution is passed or a binding order is made for the winding up of Nevada JV; or
- (iii) there remains only one Member;

provided, however, that this Agreement shall cease to have effect with regards to any Person who ceases to hold directly or indirectly any Units or Member Loans pursuant to and in

accordance with the terms of this Agreement save for any provisions hereof which, expressly or by implication, are to continue in full force and effect thereafter.

(b) Winding Up. If Nevada JV is wound up by way of a voluntary winding up Approved by the Board, the Members shall procure a liquidator that is acceptable to each of the Members.

16.2 Continuing Liabilities Upon Withdrawal or Transfer.

Any Member who surrenders, relinquishes, Transfers or is divested of its Units, whether in accordance with provisions of this Agreement or otherwise, shall pay to the other Member, on demand by such other Member, an amount equal to its share of funds required by Nevada JV to satisfy liabilities of Nevada JV to third parties for Continuing Obligations, whether such liability accrues and is payable before or after such event but in no event prior thereto, arising out of Operations conducted during the term of this Agreement, but prior to such event, if Cash Available to Nevada JV is insufficient to satisfy such liabilities as they come due without receiving Member Contributions. For purposes of this Section 16.2, such Member's share of such continuing liability (which liability shall be offset by the amount of funds in any reserve account established to satisfy such Continuing Obligations) shall be in proportion to its Proportionate Interest at the time such liability was incurred or when it accrued. The obligations of a withdrawing Member under this Section 16.2 shall extend to, and be enforceable by, only the non-withdrawing Member and shall not extend to or be enforceable by Nevada JV or any other Person.

16.3 Right to Data After Termination.

After termination of this Agreement by written agreement of all Parties, each Member shall be entitled to copies of all information related to Operations during the term of this Agreement not previously furnished to it, but a Member shall not be entitled to any such copies after any other termination for any other reason.

A Party may change its address from time to time by notice to the other Parties.

17.2 Assignment.

No Party may Transfer all or any portion of its rights and/or obligations under this Agreement except in accordance with the applicable provisions hereof. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the Parties and their respective successors and permitted assigns.

17.3 Waiver.

Except as otherwise provided in this Agreement, failure on the part of any Party to exercise any right hereunder or to insist upon strict compliance by any other Party with any of the terms, covenants or conditions hereof shall not be deemed a waiver of such right, term, covenant or condition or limit the Party's right thereafter to enforce any provision or exercise any right, power or remedy. No provision of this Agreement shall be construed to be a waiver by any of the Parties of any rights or remedies such Party may have against any other Party for failure to comply with the provisions of this Agreement and, except as expressly provided in this Agreement, no remedy or right herein conferred is intended to be exclusive of any other remedy or right, but every such remedy or right shall be cumulative and shall be in addition to every other remedy or right herein conferred or hereafter existing at law or in equity.

17.4 Amendments.

This Agreement may not be amended or modified except by a written instrument signed by all of the Parties, and Nevada JV shall be bound by any such amendment or modification. No Member shall be bound by any modification or amendment of this Agreement or waiver of any provision hereof unless such modification, amendment or waiver is set forth in a written instrument signed by each of the Members.

17.5 Force Majeure.

The obligations of a Party shall be suspended to the extent and for the period that performance by such Party is prevented by any event of Force Majeure; provided that the affected Party shall give notice to the other Parties promptly, but in no event later than 30 days after the suspension of performance, stating in such notice the nature of the suspension, the reasons for the suspension and the expected duration of the suspension. The affected Party shall resume performance as soon as reasonably possible. Any time period during which performance must be achieved and as to which such performance is delayed because of Force Majeure shall be extended by a period equal to the period of suspension. Notwithstanding anything in this Section 17.5 to the contrary, an event of Force Majeure shall not excuse any payment obligation of any Party hereunder.

17.6 Further Assurances.

Each Party shall take from time to time upon request of another Party, for no additional consideration, such actions and shall execute and acknowledge in form required by law for recording or registering with the proper Person and shall deliver to the requesting Party such notices, deeds or other instruments incorporating, referring to, or carrying out the provisions of this Agreement as the requesting Party may reasonably deem necessary in order to preserve or protect its interest under this Agreement or as may be reasonably necessary or convenient to implement and carry out the intent, provisions of and purpose of this Agreement.

17.7 Survival of Terms and Conditions.

Subject to Sections 2.14(b) and 2.15(b), the provisions of this Agreement shall survive its termination to the full extent necessary for their enforcement and the protection of the Party in whose favor they run. Without limiting the generality of the foregoing, the following provisions of this Agreement shall survive termination: (i) Sections 2.8, 2.9 and 2.11, (ii) Section 4.2(a)(ii) and (iii), (iii) Section 4.8, (iv) Sections 9.1 through 9.4, (v) Sections 9.5(b)(ii) and (c), (vi) Article 11, (g) Article 13, and (vii) Sections 17.1, 17.2, 17.3, 17.6 and 17.14.

17.8 Entire Agreement.

This Agreement, including all attached Schedules, and the Implementation Agreement contain the entire and final understanding of the Members and supersede all other prior agreements and understandings between the Members related to the subject matter of this Agreement.

17.9 Severability.

(i) charges imposed by the smelter, refiner or other processor for smelting, refining or processing copper, but excluding any and all charges and costs related to Grantor's mill or other processing plant constructed for the purpose of milling or processing Copper or Other Products;

(ii) penalty substance, assaying, and sampling charges imposed by the smelter, refiner or other processor for smelting, refining, or processing copper, but excluding any and all charges and costs of or related to Grantor's mill or other processing plant constructed for the purpose of milling or processing Copper or Other Products;

(iii) charges and costs, if any, for transportation and insurance of Copper or Other Products and the beneficiated products thereof from Grantor's mill or other processing plant to places where such Copper or Other Products or the beneficiated products thereof are smelted, refined and/or sold or otherwise disposed of; and

(iv) all taxes paid on production of Copper or Other Products, except income tax, including but not limited to, production, severance, sales and privilege taxes and all local, state and federal royalties that are based on the production of Copper or Other Products.

(c) Custom Facilities. In the event Grantor carries out smelting, refining or other processing operations to produce Gold Bullion or Copper or Other Products in facilities owned or controlled, in whole or in part, by Grantor, which facilities were not constructed for the sole purpose of milling or processing raw or intermediate Products produced from either Royalty Property, then charges, costs and penalties for such smelting, refining or processing shall mean the amount Grantor would have incurred as "Allowable Deductions" under subsections (a)(i) or (b)(i) above if such smelting, refining or other processing operations were carried out at facilities not owned or controlled by Grantor, but in no event will such Allowable Deductions be greater than actual costs incurred by Grantor with respect to such smelting, refining or other processing.

6. Calculating and Paying Royalty; Reporting.

(a) Calculation. The dollar amount of the Net Smelter Returns Royalty, if any, due to a Grantee for a calendar quarter shall be the product of: (i) if Newmont is the grantee, the sum of the Net Smelter Returns, if any, for Gold Bullion or the gold content of Other Products for such quarter plus the Net Smelter Returns, if any, for Copper or the copper content of Other

Products for such quarter, multiplied by the Royalty Percentage, and (ii) if Barrick is the grantee, the sum of the Net Smelter Returns, if any, for Gold Bullion or the gold content of Other Products for such quarter multiplied by the Royalty Percentage

(b) Payment. Payment of the Net Smelter Returns Royalty, if any, payable under either Royalty Deed shall be due by the last day of the month following each calendar quarter in which Gold Bullion or Copper or Other Products are sold (the "Payment Date"). If for any reason, all information necessary to calculate and make a payment on the Payment Date is not available, Grantor shall make a provisional payment on the Payment Date and provide a final reconciliation for such payment promptly after all needed information becomes available to Grantor. In the event that a Grantee has been underpaid for any provisional payment, Grantor shall promptly pay the difference to such Grantee in cash or other readily available funds and if such Grantee has been overpaid for any provisional payment such Grantee will promptly pay to Grantor of the difference by cash or other readily available funds.

(c) Detailed Statement. All payments of Net Smelter Returns Royalty shall be accompanied by a detailed statement explaining the calculation thereof together with any available settlement sheets received by Grantor from the smelter, refiner or other purchaser of Gold Bullion or Other Products or, in the case of Newmont, copper.

(d) Reporting Prior to Net Mineral Production. Until such time as the Production from either Royalty Property equals or exceeds the Threshold Amount for Gold Bullion or Other Products or, in the case of Newmont, Copper, Grantor shall report to the applicable Grantee on a quarterly basis the production of Gold Bullion and Other Products and/or, as applicable, Copper from such Royalty Property and any available settlement sheets received by Grantor from the smelter, refiner or other purchaser of such Gold Bullion or Other Products and/or Copper, as applicable.

7. Other Provisions Related to Payment.

(a) Hedging Transactions. All profits and losses resulting from a Grantor's actual sale of Gold Bullion, or Grantor's engaging in any commodity futures trading, option trading, or metals trading, or any combination thereof, and any other hedging transactions including trading transactions designed to avoid losses and obtain possible gains due to metal price fluctuations are specifically excluded from calculation of Net Smelter Returns and shall be solely for Grantor's account.

(b) Commingling. Grantor shall have the right to commingle, either underground, at the surface, in stockpiles or at the mill, autoclave, roaster or other processing facility used by Grantor, ore or concentrates, minerals and other material mined and removed from the Royalty Properties with ore, concentrates, minerals and other material mined and removed from the other property. Before commingling, the average grade of the commingled materials and other measures as are appropriate shall first be calculated by Grantor from representative samples, and the weight of such materials shall be determined before commingling using Grantor's standard practices. In obtaining representative samples, calculating the average grade of the ore and average recovery percentages, the procedures typically used by Grantor in its other operations in the vicinity of the Royalty Properties may be

used. Representative samples of the materials to be commingled shall be retained by Grantor and assays (including moisture and penalty substances) and other appropriate analyses of these samples shall be retained for a reasonable amount of time, but not less than 18 months, after receipt by a Grantee of the applicable royalty payment.

(c) No Obligation to Mine. Grantor shall have sole discretion to determine the extent of its mining of the Royalty Properties and the time or the times for beginning, continuing or resuming mining operations with respect thereto. Grantor shall have no obligation to Grantee (in its capacity as the holder of this royalty) or otherwise to mine any of the Royalty Properties, such obligation being governed solely by the Agreement.

8. Books, Records, Inspections and Confidentiality.

(a) Each Grantee shall have the right, upon reasonable notice to Grantor, to inspect and copy all books, records, technical data, information and materials (the "Data") pertaining to calculation of royalty payments, including those with respect to commingling; provided that such inspections shall not unreasonably interfere with Grantor's operations. Grantor makes no representations or warranties to either Grantee concerning any of the Data and each Grantee agrees that if it elects to rely on any such Data or information, it does so at its sole risk.

(b) Each Grantee shall have the right to audit the books and records pertaining to production from its respective Royalty Property and contest payments of the Net Smelter Returns Royalty for 24 months after receipt by such Grantee of the payments to which such books and records pertain. Such payments shall be deemed conclusively correct unless such Grantee objects to them in writing within 24 months after receipt thereof. If any such audit or inspection reveals that royalty payments for any calendar year are underpaid by more than five percent, Grantor shall reimburse each Grantee for its reasonable costs incurred in such audit or inspection.

(c) Each Grantee shall have the right, upon reasonable notice, to inspect the facilities associated with its Royalty Property to the extent necessary to confirm Grantor's proper performance of its obligations in this Exhibit. Such inspection shall be at the sole risk of such Grantee, and such Grantee shall indemnify Grantor from any liability caused by Grantee's exercise of inspection rights.

(d) Each Grantee shall be bound by the confidentiality provisions of Article 13 of the Agreement.

9. Stockpiling and Tailings. All tailings, residues, waste rock, spoiled leach materials, and other materials resulting from Grantor's operations and activities with respect to the Royalty Properties shall be the sole property of Grantor.

10. Real Property Interest. Grantor and each Grantee intend that the Net Smelter Returns Royalty shall be perpetual and, to the extent allowed by law, shall constitute a vested interest in and a covenant running with the Royalty Property of each Grantee and shall inure to

the benefit of and be binding upon the parties and their respective, successors and assigns so long as Grantor or any successor or assign of Grantor holds any rights or interests in such Royalty Property. The Parties do not intend that there be any violation of the rule of perpetuities. Accordingly, any right that is subject to such rules shall be exercised within the maximum time periods permitted under applicable law.

11. General Provisions.

(a) The relationship of Grantor and each Grantee with respect to the Net Smelter Returns Royalty shall not be construed to create, expressly or by implication, a joint venture, mining partnership, commercial partnership, or other partnership relationship.

(b) As used in the Deed, the term "Grantee" shall include all of each Grantee's successors-in-interest and the term "Grantor" shall include all of Grantor's successors-in-interest.

(c) Grantor may convey, transfer, assign or abandon all or any portion of its interest in the Royalty Properties, provided that in the event of any conveyance, transfer or assignment, it shall require the party or parties acquiring such interest to assume in a written agreement with the applicable Grantee the obligations of Grantor in respect of such interest, and thereupon Grantor shall be relieved of all liability under this Exhibit as to such interest in the Royalty Property, except for liabilities existing as of the date of such conveyance, transfer, or assignment.

SCHEDULE J
U.S. TAX PROVISIONS
ARTICLE 1
DEFINITIONS

1.1 Certain Definitions Relating to Federal Taxation

For purposes of this Schedule J, the following terms shall have the meanings ascribed to them in this Section 1.1 (all capitalized terms not defined herein shall have the meaning given them in the Agreement to which these U.S. Tax Provisions are attached):

"Adjusted Capital Account Deficit" means with respect to any Member, the negative balance, if any, in such Member's Capital Account as of the end of the relevant Fiscal Year of Nevada JV, determined after giving effect to the following adjustments: (i) credit to such Capital Account any portion of such negative balance which such Member (A) is treated as obligated to restore to Nevada JV pursuant to the provisions of Section 1.704-1(b)(2)(ii)(c) of the Treasury Regulations or (B) is deemed to be obligated to restore to Nevada JV pursuant to the penultimate sentence of Section 1.704-2(g)(1) and 1.704-2(i)(5) of the Treasury Regulations; and (ii) debit to such Capital Account the items described in Sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6) of the Treasury Regulations. This definition of Adjusted Capital Account Deficit is intended to comply with the provisions of Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

"Capital Account" means a capital account established and maintained for each Member in accordance with this Schedule J.

"Carrying Value" means, with respect to any asset of Nevada JV, the asset's adjusted basis for U.S. federal income tax purposes, except as follows: (i) with respect to an item of property contributed by a Member, the initial Carrying Value of such contributed property shall be the fair market value of such contributed property (taking Code Section 7701(g) into account) on the date that it was contributed to Nevada JV; (ii) the Carrying Value of all of Nevada JV's assets shall be adjusted to equal their respective gross fair market values (taking Code Section 7701(g) into account), as determined by the Board, as of the following times: (A) the acquisition of an additional interest in Nevada JV by any new or existing Member in exchange for more than a *de minimis* capital contribution; (B) the distribution by Nevada JV to a Member of more than a *de minimis* amount of Nevada JV's property as consideration for an interest in Nevada JV; (C) the liquidation of Nevada JV within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g); (D) in connection with the grant of an interest in Nevada JV (other than a *de minimis* interest) as consideration for the provision of services to or for the benefit of Nevada JV by an existing Member acting in a Member capacity, or by a new Member acting in a Member capacity in anticipation of being a Member; and (E) under generally accepted industry accounting practices within the meaning of Treasury Regulations Section 1.704-1(b)(2)(iv)(f)(5), provided that adjustments described in clauses (A), (B), (D) and (E) shall be made only if the Board reasonably determines that such adjustment is necessary to reflect the relative economic interests of the Members of Nevada JV; (iii) the Carrying Value of any asset of Nevada JV distributed to any Member shall be adjusted to equal the gross fair market value (taking Code Section 7701(g) into account) of such asset on

the date of distribution, as determined by the Board; and (iv) the Carrying Values of Nevada JV's assets shall be increased (or decreased) to reflect any adjustments to the adjusted basis of such assets pursuant to Code Section 734(b) or Section 743(b), but only to the extent that such adjustments are taken into account in determining Capital Accounts pursuant to (A) Treasury Regulations Section 1.704-1(b)(2)(iv)(m) and (B) clause (6) of the definition of "Profits" and "Losses" or Section 3.2(f) hereof, provided, however, that Carrying Values shall not be adjusted pursuant to this clause (iv) to the extent that an adjustment pursuant to clause (ii) is required in connection with a transaction that would otherwise result in an adjustment pursuant to this clause (iv). If the Carrying Value of an asset of Nevada JV is adjusted pursuant to clauses (i), (ii) or (iv) of this definition, such Carrying Value shall thereafter be adjusted by Depreciation taken into account with respect to such asset.

"**Code**" means the Internal Revenue Code of 1986, as amended.

"**Company Level Taxes**" has the meaning set forth in Section 4.2(f) of this Schedule J.

"**Depreciation**" means, for each Fiscal Year of Nevada JV or other period, an amount equal to the depreciation, amortization or other cost recovery deduction allowable with respect to an asset for such Fiscal Year or other period for U.S. federal income tax purposes; provided, however, that if the Carrying Value of an asset differs from its adjusted basis for U.S. federal income tax purposes at the beginning of any such Fiscal Year or other period, Depreciation shall be an amount that bears the same relationship to the Carrying Value of such asset as the depreciation, amortization or other cost recovery deduction computed for U.S. federal income tax purposes with respect to such asset for the applicable period bears to the adjusted tax basis of such asset at the beginning of such period, or if such asset has an adjusted tax basis of zero, Depreciation shall be an amount determined under any reasonable method selected by the Board; provided that, with respect to an asset the Carrying Value of which differs from its adjusted basis for U.S. federal income tax purposes and which difference is being eliminated by use of the "remedial allocation method" as defined in Treasury Regulations Section 1.704-3(d), Depreciation for such period shall be the amount of the book basis recovered for such period under the rules prescribed in Regulations 1.704-3(b)(2); provided, further, that for purposes of calculating Depreciation, the amount of depletion with respect to a depletable property shall not exceed the Carrying Value of such property.

"**Imputed Underpayment Modifications**" has the meaning set forth in Section 4.2(f) of this Schedule J.

"**Nonrecourse Deductions**" has the meaning set forth in Treasury Regulations Sections 1.704-2(b)(1) and 1.704-2(c).

"**Nonrecourse Liability**" has the meaning set forth in Treasury Regulations Section 1.704-2(b)(3).

"**Partially Adjusted Capital Account**" means, with respect to each Member and any Fiscal Year, the Capital Account of such Member in Nevada JV as of the beginning of such Fiscal Year, adjusted as set forth in the definition of "Capital Account" for all contributions, distributions and special allocations with respect to such Fiscal Year but

before giving effect to any allocations of Profits or Losses or items of income, gain, loss and deduction for such Fiscal Year pursuant to Section 3.1 of this Schedule J.

"Partner Minimum Gain" means an amount, with respect to each Partner Nonrecourse Debt, equal to the Partnership Minimum Gain that would result if such Partner Nonrecourse Debt were treated as a Nonrecourse Liability, determined in accordance with Treasury Regulations Section 1.704-2(i)(3).

"Partnership Minimum Gain" has the meaning set forth in Treasury Regulations Sections 1.704-2(b)(2) and (d).

"Partner Nonrecourse Debt" has the meaning set forth in Treasury Regulations Section 1.704-2(b)(4).

"Partner Nonrecourse Deductions" has the meaning set forth in Treasury Regulations Section 1.704-2(i)(2), and the amount of Partner Nonrecourse Deductions with respect to a Partner Nonrecourse Debt for a taxable year of Nevada JV shall be determined in accordance with the rules of Treasury Regulations Section 1.704-2(i)(2).

"Partnership Representative" has the meaning set forth in Section 4.2(f) of this Schedule J.

"Profits" and **"Losses"** means, for purposes of computing the amount of Profits or Losses to be reflected in the Members' Capital Accounts, for each Fiscal Year of Nevada JV or other period for which allocations to Members are made, an amount equal to Nevada JV's taxable income or loss for such period determined in accordance with U.S. federal income tax principles, including Code Section 703(a), with the following adjustments (without duplication): (1) any income of Nevada JV that is exempt from U.S. federal income tax and not otherwise taken into account in computing Profits or Losses pursuant to this provision shall be added to such taxable income or loss; (2) any expenditure of Nevada JV described in Section 705(a)(2)(B) of the Code or treated as Code Section 705(a)(2)(B) expenditures pursuant to Section 1.704-1(b)(2)(iv)(i) of the Treasury Regulations, and not otherwise taken into account in computing Profits or Losses pursuant to this provision, shall be subtracted from such taxable income or loss; (3) in the event that the Carrying Value of any asset of Nevada JV is adjusted pursuant to this Agreement, the amount of such adjustment shall be taken into account as gain or loss from the disposition of such asset for purposes of computing Profits or Losses, and shall be allocated in accordance with the provisions of Article 3 of this Schedule J; (4) gain or loss resulting from any disposition of Nevada JV's property with respect to which gain or loss is recognized for U.S. federal income tax purposes shall be computed by reference to the Carrying Value of the property disposed of, notwithstanding that the adjusted tax basis of such property differs from its Carrying Value; (5) in lieu of the depreciation, amortization and other cost recovery deductions taken into account in computing such taxable income or loss, there shall be taken into account Depreciation for such Fiscal Year of Nevada JV or other period, computed as provided in this Agreement; and (6) to the extent an adjustment to the adjusted tax basis of any asset of Nevada JV pursuant to Section 734(b) or Section 743(b) of the Code is required pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(4) to be taken into account in determining Capital Accounts as a result of a distribution other than in liquidation of a Member's interest in Nevada JV, the amount of such adjustment shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if

the adjustment decreases the basis of the asset) from the disposition of the asset and shall be taken into account for purposes of computing Profits or Losses. If Nevada JV's taxable income or loss for such Fiscal Year or other period, as adjusted in the manner provided above, is a positive amount, such amount shall be Nevada JV's Profits for such Fiscal Year or other period; and if a negative amount, such amount shall be Nevada JV's Losses for such Fiscal Year or other period.

"Target Capital Account" means, with respect to each Member, and any Fiscal Year, an amount (which may be either a positive or a deficit balance) equal to the hypothetical distribution such Member should receive pursuant to the next sentence, and minus such Member's share of Partnership Minimum Gain, determined pursuant to Treasury Regulations Section 1.704-2(b)(2), 1.704-2(d) and 1.704-2(g), and minus such Member's share of Partner Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(i)(3) and 1.704-2(i)(5), all computed immediately prior to the hypothetical sale described in the next sentence. The hypothetical distribution to a Member is equal to the amount that would be received by such Member if all of Nevada JV's assets were sold for cash equal to their Carrying Values (which shall not be adjusted on account of such hypothetical distribution), all of Nevada JV's liabilities were satisfied to the extent required by their terms (limited, with respect to each Nonrecourse Liability or Partner Nonrecourse Debt, to the Carrying Value of the assets securing each such liability), and the net proceeds were distributed in full to the Members on a liquidation of Nevada JV pursuant to Section 8.1(c) of the Agreement, all as of the last day of such Fiscal Year. The Board may, in its sole and absolute discretion, make such other assumptions as it deems necessary or appropriate in order to effectuate the intended economic arrangement of the Members as reflected in the Agreement. The value placed on the goodwill, if any, of Nevada JV for this purpose is limited to its Carrying Value.

"Treasury Regulations" means all final and temporary United States federal income tax regulations, as amended from time to time, issued under the Code by the United States Treasury Department.

ARTICLE 2

CAPITAL ACCOUNTS

2.1 Capital Accounts

Nevada JV shall establish and maintain throughout the life of Nevada JV for each Member a separate Capital Account in accordance with Section 704(b) of the Code and the Treasury Regulations promulgated thereunder. Such Capital Account shall be increased by (i) the amount of all Capital Contributions made or deemed made by such Member to Nevada JV pursuant to the Agreement, (ii) all Profits allocated to such Member (or items of income and gain specially allocated to such Member) pursuant to Section 3.1 and (iii) the amount of any liabilities of Nevada JV assumed by such Member or which are secured by any property distributed to such Member. Such Capital Account shall be decreased by (x) the amount of cash or Carrying Value of all actual and deemed distributions of cash or property made to such Member pursuant to the Agreement, (y) all Losses allocated to such Member (or items of loss and deduction specially allocated to such Member) pursuant to Section 3.1, and (z) the amount of any liabilities of such Member assumed by Nevada JV or which are secured by any property contributed by such Member to Nevada JV. Any other partnership item which is required or authorized under Section 704(b) of the Code to be reflected in Capital Accounts shall be so reflected. If there is a

revaluation of any of Nevada JV's property such that the Carrying Value of such property differs from its adjusted tax basis, the Members' Capital Accounts shall be appropriately adjusted for income, gain, loss and deduction as required by Treasury Regulations Section 1.704-1(b)(2)(iv)(g). In the event Units are Transferred in accordance with the terms of the Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent it relates to the Transferred Units. The foregoing provisions and the other provisions of this Schedule J relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Treasury Regulations. In the event that the Board shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto (including debits or credits relating to liabilities that are secured by contributed or distributed property or that are assumed by Nevada JV or any Members), the Board may make such modification, provided that it is not likely to have a material effect on the amounts distributed to any person pursuant to Section 8.1(c) of the Agreement upon the dissolution of Nevada JV. The Board also shall (i) make any adjustments that are necessary or appropriate to maintain equality between the Capital Accounts of the Members and the amount of capital reflected on Nevada JV's balance sheet, as computed for book purposes, in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(q) and (ii) make any appropriate modifications in the event unanticipated events might otherwise cause the Agreement not to comply with Treasury Regulations Section 1.704-1(b).

ARTICLE 3 **ALLOCATIONS**

3.1 Allocations of Profits and Losses

Except as otherwise provided in this Article 3, Profits and Losses of Nevada JV for any Fiscal Year (including during the period in which Nevada JV is being wound up and liquidated) shall be allocated, as of the end of such Fiscal Year, as follows:

- (a) after giving effect to Section 3.1(b) and the special allocations in Section 3.2, Profits and Losses of Nevada JV for any Fiscal Year of Nevada JV shall be allocated to and among the Members so as to reduce, proportionately, the difference between their respective Target Capital Accounts and Partially Adjusted Capital Accounts as of the end of such Fiscal Year. No portion of Profit or Losses for any Fiscal Year shall be allocated to a Member, in the case of Profits whose Partially Adjusted Capital Account is greater than or equal to its Target Capital Account or, in the case of Losses, whose Target Capital Account is greater than or equal to its Partially Adjusted Capital Account for such Fiscal Year;
- (b) if Nevada JV (i) has Profits for any Fiscal Year (determined prior to giving effect to this Section 3.1(b)) and, prior to making any allocation under Section 3.1(a), the balance of any Member's Partially Adjusted Capital Account is greater than the balance of its Target Capital Account, then the Member with such excess balance shall be specially allocated items of partnership expense or loss (to the extent available) for such Fiscal Year equal to the difference between its Partially Adjusted Capital Account and its Target Capital Account; (ii) has Losses for any Fiscal Year (determined prior to giving effect to this Section 3.1(b)) and, prior to making any allocation under Section 3.1(a), the balance of any Member's Partially Adjusted Capital Account is less than the balance of its Target Capital

Account, then the Member with such deficient balance shall be specially allocated items of partnership income or gain for such Fiscal Year (to the extent available) equal to the difference between its Partially Adjusted Capital Account and its Target Capital Account; and (iii) has neither Profits nor Losses for any Fiscal Year (determined prior to giving effect to this Section 3.1(b)) and, prior to making any allocation under Section 3.1(a), the balance of any Member's Partially Adjusted Capital Account differs from the balance of its Target Capital Account, then the Member with an excess or deficient balance, as the case may be, shall be specially allocated items of partnership expense or loss or income or gain, as the case may be, for such Fiscal Year (to the extent available) equal to the difference between its Partially Adjusted Capital Account and its Target Capital Account. In the event that Nevada JV has insufficient items of expense or loss or income or gain, as the case may be, for such Fiscal Year, to satisfy the previous sentence with respect to all such Members, the available items of expense or loss or income or gain, as the case may be, shall be divided among the Members in proportion to such differences. The availability of items of income, gain, expense or loss to be specially allocated pursuant to this Section 3.1(b) shall be determined after giving full effect to all of the provisions of Section 3.2; and

- (c) losses allocated pursuant to Section 3.1(a) and Section 3.1(b) to any Member shall not exceed the maximum amount of Losses that can be so allocated without causing such Member to have an Adjusted Capital Account Deficit at the end of any Fiscal Year. In the event that some but not all of the Members would have Adjusted Capital Account Deficits as a consequence of the allocation of Losses pursuant to Section 3.1(a) and Section 3.1(b), the limitation set forth in this Section 3.1(c) shall be applied on a Member by Member basis so as to allocate the maximum permissible losses to each Member under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). The first sentence of this Section 3.1(c) notwithstanding, if no Member has a positive adjusted Capital Account balance, then allocations of Losses that create an Adjusted Capital Account Deficit shall be permitted and such allocations of Losses shall be made to the Members in amounts determined by the Board, subject to any requirements of the Code and Treasury Regulations.

3.2 Special Allocations

(a) In the event, a Member unexpectedly receives any adjustment, allocation or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6) that causes or increases an Adjusted Capital Account Deficit, items of partnership income and gain shall be specially allocated to such Member so as to eliminate such negative balance as quickly as possible, provided that an allocation pursuant to this Section 3.2(a) shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 3 have been tentatively made as if this Section 3.2(a) were not in this Schedule J. This subparagraph is intended to constitute a "qualified income offset" under Section 1.704-1(b)(2)(ii)(d) of the Treasury Regulations and shall be interpreted consistently therewith.

(b) If a Member has a deficit Capital Account at the end of any taxable year that exceeds the sum of (i) the amount that Member is obligated to restore, and (ii) the amount the Member is deemed to be obligated to restore pursuant to the penultimate sentences of

Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), then each such Member shall be specially allocated items of income and gain of the Nevada JV in the amount of the excess as quickly as possible, provided that an allocation pursuant to this Section 3.2(b) shall be made if and only to the extent that the Member would have a deficit in such Member's Capital Account after all other allocations provided for in this Article 3I have been tentatively made without considering this Section 3.2(b).

(c) Nonrecourse Deductions for any Fiscal Year of Nevada JV shall be allocated rateably among the Members based upon the manner in which such Members are entitled to share in distributions under Section 8.1(b)(ii) of the Agreement.

(d) Except as otherwise provided in Section 1.704-2(f) of the Treasury Regulations, if there is a net decrease in Partnership Minimum Gain for any Fiscal Year of Nevada JV, each Member shall be specially allocated items of partnership income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Partnership Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). The items to be so allocated shall be determined in accordance with Sections 1.704-2(f) and (j)(2) of the Treasury Regulations. This Section 3.2(c) is intended to comply with the minimum gain chargeback requirement in said section of the Treasury Regulations and shall be interpreted consistently therewith. Allocations pursuant to this subparagraph shall be made in proportion to the respective amounts required to be allocated to each Member pursuant hereto.

(e) Except as otherwise provided in Section 1.704-2(i)(4) of the Treasury Regulations, if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Fiscal Year of Nevada JV, each Member who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Section 1.704-2(i)(5) of the Treasury Regulations, shall be specially allocated items of partnership income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to that Member's share of the net decrease in the Partner Minimum Gain attributable to such Partner Nonrecourse Debt to the extent and in the manner required by Section 1.704-2(i) of the Treasury Regulations. The items to be so allocated shall be determined in accordance with Sections 1.704-2(i)(4) and (j)(2) of the Treasury Regulations. This Section 3.2(d) is intended to comply with the minimum gain chargeback requirement with respect to Partner Nonrecourse Debt contained in said section of the Treasury Regulations and shall be interpreted consistently therewith. Allocations pursuant to this subparagraph shall be made in proportion to the respective amounts to be allocated to each Member pursuant hereto.

(f) Partner Nonrecourse Deductions for any Fiscal Year of Nevada JV or other applicable period with respect to a Partner Nonrecourse Debt shall be specially allocated to the Members that bear the economic risk of loss for such Partner Nonrecourse Debt (as determined under Sections 1.704-2(b)(4) and 1.704-2(i)(1) of the Treasury Regulations.)

(g) To the extent an adjustment to the adjusted tax basis of any asset of Nevada JV, pursuant to Code Section 734(b) or Section 743(b) is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Member in complete liquidation of such Member's interest in Nevada JV, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to the Members in accordance with their interests in Nevada JV in the event

Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Member to whom such distribution was made in the event Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

3.3 Curative Allocations

(a) The allocations set forth in Section 3.2 (the "**Regulatory Allocations**") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of partnership income, gain, loss, or deduction pursuant to this Section 3.3. Therefore, notwithstanding any other provision of this Article 3 (other than the Regulatory Allocations), the Board shall make such offsetting special allocations of partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of the Agreement and all partnership items were allocated pursuant to Section 3.1.

3.4 Tax Allocations

(a) Except as otherwise provided by applicable tax law or in this Section 3.4, items of partnership taxable income, gain, loss and deduction shall be allocated for U.S. federal, state and local income tax purposes, among the Members in the same manner as such items are allocated for book purposes under this Article 3.

(b) In accordance with Code Section 704(c) and the Treasury Regulations thereunder, items of partnership income, gain, loss and deduction with respect to any property contributed by a Member shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to Nevada JV for U.S. federal income tax purposes and its initial Carrying Value using any method permitted under Section 704(c) of the Code and the Treasury Regulations thereunder, as determined by the Board.

(c) If the Carrying Value of any asset of Nevada JV is adjusted pursuant to the clause (ii) of the definition of Carrying Value, subsequent allocations of items of income, gain, loss and deduction with respect to such property shall take account of any variation between the adjusted basis of such asset for U.S. federal income tax purposes and its Carrying Value in the same manner as under Section 704(c) of the Code and the Treasury Regulations thereunder, as determined by the Board.

(d) Pursuant to the Implementation Agreement, the Members made Capital Contribution to the Nevada JV of depletable properties with respect to which the contributing Member has an adjusted tax basis that may consist in part of depletable expenditures and in part of expenditures capitalized under Code Sections 616(b), 291(b) and 59(e). Depletion deductions with respect to contributed property shall be determined without regard to any portion of the property's basis that is attributable to pre-contribution expenditures by a Member that were capitalized by the Member under Code sections 616(b), 59(e) and 291(b).

(e) In accordance with Regulations Section 1.704-1(b)(4)(iii), excess percentage depletion deductions with respect to depletable property shall be allocated to the Members in accordance with the allocation of gross income from the property from which such deductions are derived. The term "excess percentage depletion" shall mean the excess, if any, of

deductions for percentage depletion as determined for tax purposes over the Carrying Value of the depletable property.

(f) Allocations pursuant to this Section 3.4 are solely for purposes of U.S. federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Profits, Losses, distributions or other partnership items pursuant to any provision of the Agreement.

ARTICLE 4 **MISCELLANEOUS**

4.1 Withholding

(a) The Board may withhold from any payments with respect to any Member amounts required to discharge any obligation of Nevada JV or to withhold amounts or make payments to any governmental authority with respect to any federal, provincial, state, local or foreign tax liability of such Member arising as a result of such Member's interest in Nevada JV.

(b) The Board will notify a Member promptly if it determines that Nevada JV is required to withhold any amount purportedly representing a tax liability of such Member and will (i) consider in good faith any positions that such Member raises as to why withholding is not required or alternative arrangements proposed by such Member that may avoid the need for such withholding and (ii) provide such Members with the opportunity to contest the requirement to withhold with the appropriate taxing authority.

(c) The Board will use commercially reasonable efforts to make or cause Nevada JV to make any filings, applications or elections to obtain any available exemption from, any reduction in, or any available refund of any withholding or other taxes imposed by any taxing authority with respect to amounts distributable or items of income allocable to the Members under the Agreement. Each of the Members agrees that it will co-operate with the Board in making any such filings, applications, or elections, to the extent the Board reasonably determines that such co-operation is necessary or desirable.

(d) Upon request of a Member, Nevada JV will provide, to the extent that it is legally able to do so, any certification or other document that would reduce or eliminate withholding under Section 1446(f) of the Code in connection with a Transfer of that Member's Units.

4.2 Other Miscellaneous U.S. Tax Matters

(a) Nevada JV shall make the following elections for all partnership income tax returns:

- (i) to deduct currently all development expenses to the extent possible under Section 616(a) of the Code or, if the Members unanimously agree, to defer such expenses under Sections 616(b) and 59(e) of the Code;
- (ii) to treat advance royalties as deductions from gross income for the year paid or accrued to the extent permitted by Law; and

-
- (iii) to make an election to adjust the basis of Nevada JV property with respect to a Member under Section 754 of the Code at the request of the Member.

(b) Each Member shall elect under section 617(a) of the Code to deduct currently all exploration expenses. Each Member reserves the right to capitalize its share of development and exploration expenses of the Nevada JV in accordance with section 59(e) of the Code, provided that a Member's election to capitalize all or any portion of these expenses shall not affect the Member's Capital Account.

(c) The Board, in its reasonable discretion, may cause Nevada JV to make or decline to make, or to revoke or seek to revoke, any other election which Nevada JV may make under the tax laws. The Members agree to provide information reasonably requested by the Board in order to ensure compliance with the requirements of these rules.

(d) For purposes of determining Profits, Losses, or any other items allocable to any period, Profits, Losses and any such other items shall be determined on a daily, monthly, or other basis, as determined by the Board using any permissible method under Code Section 706 and the Treasury Regulations thereunder. In the event of a Transfer of any interest in Nevada JV, regardless of whether the transferee becomes a Member, all items of income, gain, loss and deduction for the Fiscal Year of Nevada JV in which the Transfer occurs shall be allocated in accordance with the preceding sentence, except to the extent required by Section 706(d) of the Code.

(e) In no event will any Member be required to make up any deficit balance in such Member's Capital Account upon the liquidation of such Member's interest in Nevada JV or otherwise.

(f) Barrick Member, or such person as designated by the Board, shall serve as the "partnership representative" within the meaning of Section 6223(a) of the Code (any person so designated as the partnership representative, the "Partnership Representative"). The Partnership Representative shall always be supervised by, and act under the direction of, the Board. The Partnership Representative shall, subject to the preceding sentence and the provisions of this Agreement, have the authority to act on behalf of Nevada JV under Subchapter C of Section 63 of the Code (relating to partnership audit proceedings) and in any tax proceedings brought by other taxing authorities, and Nevada JV and all Members shall be bound by the actions taken by the Partnership Representative in such capacity. Nevada JV shall not enter into a settlement of a tax controversy, or forego an appeal of a final partnership administrative adjustment or other audit adjustment, or cause any lower-tier entity classified as a partnership for U.S. federal income tax purposes (a lower-tier tax partnership) to enter into such a settlement or forego such an appeal, if such action or failure to act disproportionately, materially and adversely affects the Newmont Member or its affiliates, without the prior written consent of the Newmont Member. In the event of an audit by the IRS, unless otherwise determined by the Board, the Partnership Representative may make, on a timely basis, the election provided by Section 6226(a) of the Code to treat a "partnership adjustment" as an adjustment to be taken into account by each Member in accordance with Section 6226(b) of the Code and, to the extent that the Nevada JV controls the audit of any lower-tier tax partnership, shall cause such lower-tier tax partnership to make such election with respect to any audit or tax controversy in which it is involved. If the election under Section 6226(a) of the Code is made, Nevada JV shall furnish to each Member for the year under audit a statement reflecting the Member's share of the adjusted items as determined in the notice of final partnership

adjustment, and each such Member shall take such adjustment into account as required under Section 6226(b) of the Code and shall be liable for any related interest, penalty, addition to tax, or additional amounts. With respect to any imputed underpayment to which Section 6225 of the Code applies, (i) the Partnership Representative shall, acting under the supervision of the Board, make any modifications available under Section 6225(c) of the Code ("Imputed Underpayment Modifications") that would reduce any imputed underpayment, Nevada JV's allocable share, if any, of an imputed underpayment from any lower-tier tax partnership, and interest, penalty, addition to tax, or additional amount that could be assessed and collected from Nevada JV under Chapter 63 of the Code ("Company Level Taxes"), (ii) the Members shall file amended U.S. federal income tax return (as described in Section 6225(c)(2) of the Code) that take into account all adjustments to the reviewed year of Nevada JV properly allocable to such Members or are necessary to reflect a reallocation of the distributive share of any item from one Member to another in accordance with Code Section 6225(c)(2)(C), and (iii) the Members shall pay any tax due with such returns. The Newmont Member shall be entitled to participate in any tax audit or other tax controversy involving the Nevada JV including, to the extent permitted under applicable law, attending conferences with representatives of the applicable taxing authority. The Partnership Representative shall use commercially reasonable efforts to promptly notify the Members of the commencement of a partnership audit or other partnership-level proceeding with respect to the Nevada JV or any lower-tier tax partnership and shall use commercially reasonable efforts to keep the Members fully apprised of the status of any tax audit or other tax controversy involving Nevada JV. The Partnership Representative shall use commercially reasonable efforts to provide each Member with (i) a copy of any and all documents that it receives from the government in connection with a tax controversy no later than 5 days after receipt of the same, (ii) a draft copy of any correspondence or filing to be submitted by the Partnership Representative relating to any tax controversy reasonably in advance of such submission, and the Partnership Representative shall consider in good faith any comments provided by a Member with respect to such proposed submission, and (iii) the terms of any proposed settlement of a tax audit or other tax controversy as early as reasonably possible.

(g) Each Members intends that, for so long as Nevada JV has more than one Member, Nevada JV be classified for U.S. federal tax purposes as a partnership that is not a "publicly traded partnership" treated as a corporation under Code Section 7704(a), and the Board shall at all times use commercially reasonable efforts to maintain Nevada JV's classification as such. Nevada JV shall not elect to be classified as other than a partnership (or disregarded entity) for U.S. federal tax purposes or for purposes of any provisions of any U.S. state or local tax law.

(h) The Members are aware of the income tax consequences of the allocations made by this Schedule J and hereby agree to be bound by the provisions of this Schedule J in reporting their shares of partnership income and loss for income tax purposes.

(i) All Section and Article references used in this Schedule J shall refer to Sections and Articles within this Schedule J unless specified otherwise.

(j) Notwithstanding anything in the Agreement to the contrary, in the event of any conflict between the provisions of this Schedule J and the other provisions of the Agreement, the provisions of this Schedule J shall control.

References in this Agreement to any Person shall mean and be a reference to such Person and its permitted successors and assigns. Where the term “subject to applicable Legal Requirements” is used, any applicable Legal Requirement shall govern or limit the referenced matter or action except to the extent that such Legal Requirement can be waived or overridden by agreement, in which case such Legal Requirement shall be deemed to have been waived and overridden by this Agreement to the extent that terms hereof conflict with such Legal Requirement within the limits of such permitted waiver or override. If and to the extent there is a conflict which cannot be avoided, the Parties will work together in good faith using all available legal means (within reason) to carry into effect the intent of the Parties as evidenced by this Agreement. In this Agreement, the terms “pre-feasibility study” and “feasibility study” have the meanings ascribed to those terms by the Canadian Institute of Mining and Petroleum, as the CIM Definition Standards on Mineral Resources and Mineral Reserves adopted by CIM Council, as amended.

ARTICLE 3

GOVERNANCE MATTERS

3.1 Board of Nevada JV.

(a) Board of Managers; Selection of Managers and Chairman. The management and control of Nevada JV and its business and affairs, and the power to act for and to bind Nevada JV, shall be vested exclusively in the Board. The Board shall act as a "manager" pursuant to Section 18-402 of the Act. There shall be five members of the Board and five alternates, one in respect of each Manager. A designated alternate may act in place of the applicable Manager at any meeting of the Board at which such Manager is not present or in connection with any actions to be taken by the Board or by any Manager individually in the absence of such Manager. Any alternate so acting shall be deemed to be a Manager. Three Managers and their respective alternates shall be appointed by the Member that holds a Proportionate Interest greater than 50% (the "**Majority Member**") and two Managers and their respective alternates shall be appointed by the other Member (the "**Minority Member**"). If at any time, and only for so long as, the Members each hold a Proportionate Interest of exactly 50%, the Member whose Proportionate Interest was last more than 50% shall be deemed to be the Majority Member. The chairman of the Board shall be appointed by the Majority Member from its appointed Managers and may be represented by his or her alternate on the Board. Each Manager will owe a fiduciary

duty to the Nevada JV in performing his or her role as a Manager equivalent to the duty of care provided under Delaware Legal Requirements for directors of Delaware corporations, but not any other fiduciary duty. Subject to and without limiting the foregoing, in the course of discharging his or her duties, each Manager may take into consideration the interests of the Member that nominated him or her.

(b) Current Managers. The initial Managers appointed by Barrick Member and their respective alternates are Mark Bristow (Chairman) and Rodney Quick, as alternate, Catherine Raw and George Joannou, as alternate, and Robert Kremarov and John Steele, as alternate. The initial Managers appointed by Newmont Member and their respective alternates are Gary Goldberg and Dean Gehring, as alternate, and Tom Palmer and Nancy Buese, as alternate.

(c) Procedures. A Manager (including a Manager who is the chairman of the Board or any designated alternate) may be removed and another appointed in his or her place at the instance of the Member who has the right to appoint the Manager (including the chairman of the Board or designated alternate). A Member with the right to appoint a Manager (including the chairman of the Board or a designated alternate) shall make such appointment, or shall effect the removal and replacement of a prior appointee, by written notice to the other Member, Nevada JV and the chairman of the Board.

(d) Resignation of Managers. A Manager may resign as a member of the Board at any time upon written notice to the Board and the Member that appointed him or her. Upon the resignation of a Manager, the Member that appointed such Manager shall have the right to appoint another Manager in his or her place pursuant to Section 3.1(c).

3.2 Meetings of Board.

(a) Regular, Special and Rescheduled Meetings.

- (i) The Board shall hold regular meetings at least quarterly. Meetings shall be held at places within the United States (which may be in or outside the State of Delaware) determined by the Operating Member, or otherwise as may be agreed by the Managers or permitted pursuant to Section 3.2(d). The Operating Member shall give 30 days' notice to the Managers of such regular meetings. Additionally, any Manager may call a special meeting upon 15 days' notice to the Operating Member and the other Managers. In case of emergency, reasonable notice of a special meeting shall suffice.
- (ii) There shall be a quorum if three Managers are present, at least one of which must be a Manager appointed by the Majority Member and at least one of which must be a Manager appointed by the Minority Member. If a quorum is not present within 30 minutes following the time appointed for the commencement of the Board meeting, any Manager present may adjourn the meeting, which then shall be automatically rescheduled for the same time of day and at the same place on the sixth Business Day thereafter at the location where the meeting is to be held. The Operating Member shall make a good faith effort to give notice to the Managers of the rescheduled meeting but otherwise shall be under no obligation to give any Manager notice thereof. A quorum shall be deemed to be present at such rescheduled meeting for all purposes under this

Agreement if at least three Managers are present. Only those items included on the agenda for the original meeting (and which are not subject to 100% approval pursuant to Section 3.3(c)) may be acted upon at such a rescheduled meeting, but any matters may be considered with the consent of all Managers.

(b) Presence of Other Persons. The Managers appointed by each Member may, upon notice provided to the chairman and at the expense of such Member, invite other persons who have a reasonable business purpose for being present, to attend any meeting of the Board, provided that the Manager(s) representing the other Member consents, which consent need not be in writing, may be given by acquiescence and may not be unreasonably withheld. If personnel employed in Operations are required to attend a Board meeting, reasonable costs incurred in connection with such attendance shall be paid for by the Operating Member as a Chargeable Cost. All other costs in respect of invited persons shall be paid for by the Member whose appointed Managers extended the invitation.

(c) Agendas; Minutes. Each notice of a meeting shall include an itemized agenda prepared by the Operating Member in the case of a regular meeting or by the Manager calling the meeting in the case of a special meeting, but any matters may be considered with the consent of all Managers. The Operating Member shall prepare minutes of all meetings, including a rescheduled meeting, and shall distribute copies of such minutes to the Managers within 20 days after the meeting. The minutes, when approved by each Manager in attendance at the meeting, shall be the official record of the decisions made by the Board and shall be binding on the Operating Member and the Members. The minutes of a meeting shall be deemed to have been approved by a Manager unless such Manager objects in writing within 20 days after being provided with such minutes. Approval of the minutes shall not be a condition to the effectiveness of actions properly taken by the Board.

(d) Meetings by Video or Telephonic Means. The Board may hold meetings via telephone or by video conference so long as all participants are able to hear and speak to each other and decisions are confirmed in writing by the Managers (which confirmation may be made by approval of the minutes of the meeting pursuant to Section 3.3(c)).

(e) Voting. A vote of the Managers present in respect of a proposal submitted for a vote of the Board at a meeting at which a quorum is present is referred to as a “**Vote**”. Except as provided in Section 3.3(c), Approval of a resolution or other proposal brought before the Board shall require a greater than 50% affirmative Vote of the Managers present at a meeting at which a quorum is present. The aggregate voting power of the Barrick Member and Newmont Member nominee Managers will be based upon such Parties’ Proportionate Interest. For example, on the date hereof, the Barrick Member nominee Managers will be entitled to cast an aggregate 61.5% of the Vote on any matter, notwithstanding that they comprise only 60% of the individuals who serve as Managers and regardless of the number of nominee Managers attending any particular Board meeting. The aggregate voting power of each Member shall be apportioned equally to the nominee Managers of such Member present at a meeting. For example, on the date hereof, (i) if three Barrick Member nominee Managers are present at a meeting, each shall have Voting power equal to 20.5% and (ii) if two Barrick Member nominee Managers are present at a meeting, each shall have Voting power equal to 30.75%.

(f) Actions by Written Consent. Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all of the Managers consent thereto, and the writing or writings (including any waivers of notice) are filed with the minutes of

proceedings of the Board. No Manager may sign any such written consent while present in Canada.

3.3 Matters Requiring Approval.

(a) Authority of Board. The Board shall consider for Approval Programs and corresponding Budgets for Operations and related Funding Plans as provided herein, and any modifications thereof, and advise the Operating Member and Nevada JV as to the decisions of the Board in respect thereof.

(b) Matters Requiring Approval. Nevada JV shall not take, and shall not cause or permit any of its subsidiaries to take, and none of the Members or the Operating Member shall cause or permit Nevada JV or any of its subsidiaries to take, any of the following actions unless the proposed action is first Approved by the Board:

- (ii) reorganizing or restructuring or merger, amalgamation, consolidation or other combination involving Nevada JV;

The Board will determine (i) the scope and authority of each such committee, (ii) the procedures for convening committee meetings and (iii) the duration of any such committee (other than the Technical Committee, the Finance Committee and the exploration committee, which shall be standing committees). For certainty, any materials provided by the Operating Member or Nevada JV to a Member's representatives on any committee (including the Technical Committee and the Finance Committee), or by a Member or its representatives to any designated observers, shall be subject to the confidentiality provisions in Article 15.

Upon any change in the Proportionate Interest of any Member (whether upon the making of a Member Contribution, a Transfer, a redemption of any Membership Interest in whole or in part, a repayment of a Member Loan, dilution or otherwise), Nevada JV shall amend and update the Schedule of Members. The Schedule of Members shall be the definitive record of ownership of each Member of Nevada JV and all relevant information with respect to each Member (unless the Schedule of Members (i) contains a mathematical or factual error or (ii) calculated ownership in any manner other than as set out in this Agreement). Any reference in

this Agreement to the Schedule of Members shall be deemed a reference to the Schedule of Members as amended and as in effect from time to time.

(b) Powers. The Members shall have the power to exercise any and all rights or powers granted to the Members pursuant to the express terms of this Agreement. The approval or consent of the Members shall not be required in order to authorize the taking of any action by Nevada JV and the Members shall have no right to reject, overturn, override, veto or otherwise approve or pass judgment upon any action taken by the Board or an authorized officer of Nevada JV, unless and then only to the extent that, (i) this Agreement shall expressly provide therefor, (ii) such approval or consent shall be required by non-waivable provisions of the Act or (iii) the Board shall determine in accordance with this Agreement that obtaining such approval or consent would be appropriate or desirable. Except as set forth in Article 4, the Members, in their capacity as such, shall have no power to bind Nevada JV. Except as may otherwise be provided by the Act or this Agreement, the affirmative vote of the Members holding collectively a Proportionate Interest greater than 50% shall be required for action by the Members.

(c) Withdrawal and Resignation. No Member shall have the power or right to withdraw or otherwise resign as a Member from Nevada JV prior to the dissolution and winding up of Nevada JV. Upon a Transfer or redemption of all of a Member's Membership Interest in a Transfer permitted by this Agreement, such Member shall cease to be a Member.

3.11 Exculpation and Indemnification.

(a) Exculpation. Notwithstanding any other provisions of this Agreement, whether express or implied, or obligation or duty at law or in equity, none of (i) the Operating Member, in its capacity as such, (ii) the Members or any officers, directors, unitholders, partners, members, employees, representatives or agents of any of the foregoing, (iii) the Managers or officers of Nevada JV or (iv) the directors, managers or officers of any subsidiary of Nevada JV (including the General Manager) (the Persons identified in clauses (i), (ii), (iii) and (iv), collectively, the "Covered Persons") nor any former Covered Person shall be liable to Nevada JV or any of its subsidiaries or any other Person for any act or omission (in relation to Nevada JV, its subsidiaries, this Agreement, any related document or any transaction or investment contemplated hereby or thereby) taken or omitted in good faith by a Covered Person and in the reasonable belief that such act or omission is in or is not contrary to the best interests of Nevada JV and its subsidiaries and is within the scope of authority granted to such Covered Person by this Agreement; provided that a court of competent jurisdiction shall not have finally determined that such act or omission constitutes fraud, willful misconduct, bad faith or gross negligence; provided further that this provision shall not eliminate or limit the liability of a Covered Person (i) for any taxes, interest or penalties assessed directly against Nevada JV or any of its subsidiaries and attributable to the Covered Person (determined in accordance with Section 4.2(f) of Schedule J), or (ii) for any liability arising out of a breach of a representation or warranty or covenant contained in this Agreement or the Implementation Agreement.

(b) Indemnification. To the fullest extent permitted by law, Nevada JV shall indemnify, defend and hold harmless each Covered Person and each former Covered Person from and against any and all losses, claims, demands, liabilities, expenses, judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative ("**Claims**"), in which a Covered Person may be involved, or threatened to be involved, as a party or otherwise, by reason of its management of the affairs of Nevada JV or any of its subsidiaries or which relates to or arises out of Nevada JV or any of its subsidiaries or its or their properties, businesses or affairs. A

Covered Person or former Covered Person shall not be entitled to indemnification under this Section 3.11(b) with respect to (i) any Claim with respect to which a court of competent jurisdiction has finally determined that such Covered Person has engaged in fraud, willful misconduct, bad faith or gross negligence, (ii) any Claim initiated by such Covered Person unless such Claim (or part thereof) (A) was brought to enforce such Covered Person's rights to indemnification hereunder or (B) was authorized or consented to by the Board, (iii) any taxes, interest or penalties assessed directly against Nevada JV or any of its subsidiaries and attributable to the Covered Person (as determined in accordance with Section 4.2(f) of Schedule J) or (iv) any liability arising out of a breach of a representation or warranty or covenant contained in this Agreement or the Implementation Agreement. Expenses incurred by a Covered Person in defending any Claim shall be paid by Nevada JV in advance of the final disposition of such Claim upon receipt by Nevada JV of an undertaking by or on behalf of such Covered Person to repay such amount if it shall be ultimately determined that such Covered Person is not entitled to be indemnified by Nevada JV as authorized by this Section 3.11(b).

(c) Effect of Modification. Any repeal or modification of this Section 3.11 shall not adversely affect any rights of such Covered Person pursuant to this Section 3.11, including the right to indemnification and to the advancement of expenses of a Covered Person existing at the time of such repeal or modification with respect to any acts or omissions occurring prior to such repeal or modification.

(d) Indemnitor of First Resort. Nevada JV hereby acknowledges that certain Covered Persons (the "**Specified Covered Persons**") may have rights to indemnification and advancement of expenses provided by a Member or its Affiliates (directly or by insurance retained by such entity) (collectively, the "**Member Indemnitors**"). Nevada JV hereby agrees and acknowledges that (i) it is the indemnitor of first resort with respect to the Specified Covered Persons in respect of matters subject to indemnification under Section 3.11(b), (ii) it shall be required to advance the full amount of expenses incurred by the Specified Covered Persons, as required by the terms of this Agreement (or any other agreement between Nevada JV and the Specified Covered Persons), without regard to any rights the Specified Covered Persons may have against the Member Indemnitors and (iii) it irrevocably waives, relinquishes and releases the Member Indemnitors from any and all claims against the Member Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. Nevada JV further agrees that no advancement or payment by the Member Indemnitors on behalf of Nevada JV with respect to any Claim for which the Specified Covered Persons have sought indemnification from Nevada JV shall affect the foregoing, and the Member Indemnitors shall have a right of contribution and be subrogated to the extent of such advancement or payment to all of the rights of recovery of the Specified Covered Persons against Nevada JV.

(e) Non-Exclusivity of Rights. The rights conferred on any Covered Person by this Section 3.11 shall not be exclusive of any other rights that such Covered Person may have or hereafter acquire under any statute, provision of this Agreement, agreement, vote of Members or disinterested Managers or otherwise.
