**IMPORTANT ACCOUNT INFORMATION**

The following provisions are being added to the Business Account Agreement and the Selected Terms and Conditions for Wells Fargo Business Debit Cards, Business ATM Cards and Business Deposit Cards (each, an "Agreement") to clarify the use of a Business Debit Card through a mobile device.

Using your Business Debit Card through a Mobile Device

If you make Card transactions through a Mobile Device using a Business Debit Card, the terms of the Agreement apply with the same effect and coverage, including (i) any limitations the Bank places on the frequency or dollar amount of your Card transactions; and (ii) your rights and responsibilities for unauthorized transactions.

As used in this Agreement, "Mobile Device" means a smartphone, tablet, or any other hand held or wearable communication device that allows you to electronically store or electronically present your Card or Card number ("Electronic Card Information") and use that Electronic Card Information to make Card transactions.

If you use your Card through a Mobile Device, you should secure the Mobile Device the same as you would your cash, checks, credit cards, and other valuable information. The Bank encourages you to password protect or lock your Mobile Device to help prevent an unauthorized person from using it. Please notify the Bank promptly if your Mobile Device containing Electronic Card Information is lost or stolen. You may contact the Bank's National Business Banking Center at the number listed on the statement for reporting a lost or stolen Card (1-800-225-5935). Please note that your mobile carrier may charge you message and data rates, or other fees, when you use your Card through a Mobile Device.

Card transactions made through a Mobile Device may involve the electronic transmission of your Card information across wireless and computer networks. Third parties, such as merchants, card association networks, mobile carriers, mobile wallet operators, mobile device manufacturers, and software application providers may use and receive Electronic Card Information in connection with your Card transaction. Third parties may also receive information about your Mobile Device when you use it to make a Card transaction. When you use your Card through a Mobile Device, information about your Mobile Device may be transmitted to the Bank.

The Bank may, at any time, partially or fully restrict your ability to make Card transactions through a Mobile Device. If you want to remove Electronic Card Information from your Mobile Device, please contact the Bank at 1-800-225-5935.

If you have enrolled in an overdraft protection plan, the terms of that plan will apply to Card transactions made through a Mobile Device. If there are insufficient available funds under the plan to cover the amount of the overdraft, or if you do not have an overdraft protection plan, a Card transaction made through a Mobile Device will be considered to be a one-time debit card transaction. Overdraft fees will apply as provided for in the Agreement and the Business Account Fee and Information Schedule.

We want to let you know that effective November 10, 2014, we are changing the time when we charge your account for Coin Orders and Currency Orders. The fees for Coin Orders and Currency Orders will not change. The period used to calculate and charge these fees will now match the fee period dates listed in the "Monthly service fee summary" section of your statement. As a result of this change, your account could be charged on November 10th for activity in October and again later in the month for activity in November.

As a reminder, there is no fee for the first 15 rolls of coin ordered per month, with a fee of \$0.15 for each additional roll. There is no fee for the first \$1,000 of currency ordered per month, with a fee of \$0.13 for each additional \$100 ordered.

Fee changes effective January 1, 2015:

- Deposit correction/adjustment - \$7.50 per correction
- Coin deposited per bag - \$4 per bag
- Infotax previous day monthly base - \$37 per account
- Foreign exchange online wire out - \$25 each

The following Treasury Management service fees will appear with updated descriptions on your account statement on or after February 1, 2015 if you use the service:

- Information reporting Infotax monthly base will change to Infotax previous day monthly base
- Wire notification Infotax and email will change to Infotax wire item

If you have any questions about these changes, please contact your local banker or call the phone number listed at the top of your statement .

The following information is provided to help clarify an existing fee waiver associated with Overdraft fees. The benefit has not changed. At the end of our nightly processing, if both your ending daily account balance and your available balance are overdrawn by \$5 or less, any overdraft fee(s) will be waived. This fee waiver is associated with the total overdrawn balance, not the dollar size of the transaction(s) contributing to the overdrawn balance. IMPORTANT ACCOUNT INFORMATION

The section titled "Rights and Responsibilities" - "Are we allowed to close your account" and "When are you allowed to close your account" in your Account Agreement have been deleted and replaced by the following effective August 5, 2016.

When can your account be closed?

We can close your account at any time. If the account is closed, we may send the remaining balance on deposit in your account by traditional mail or credit it to another account you maintain with us.

We may, but are not required to allow you to leave on deposit sufficient funds to cover outstanding items to be paid from your account.

- If we do allow funds to remain on deposit, the terms and conditions of the Agreement will continue to apply until we make a final disbursement from your account.

- If we do not allow you to keep funds on deposit, we will not be liable for any loss or damage that may result from dishonoring any of your items that are presented or otherwise received after your account is closed.

- You can close your account at any time if the account is in good standing (e.g., does not have a negative balance or any restrictions on the account).
- If your account is an interest-earning account, it will cease to earn interest from the date you request it be closed.
- If your account has Overdraft Protection and/or Debit Card Overdraft Service, these services will be removed when you request to close your account.
- If your account balance does not reach zero within 30 days from the date of your request to close your account, we will charge you the applicable monthly service fee if you do not meet the requirements to avoid the monthly service fee. If the monthly service fee is greater than your account balance, only the amount equal to your account balance will be charged and your account will be closed.
- After 30 days, if your account balance does not reach zero, your account will be returned to active status and subject to all applicable fees. If your account is a variable interest earning account, the interest rates disclosed in the rate sheet in effect on the date your account is returned to active status will apply. We may change the interest rate for variable rate accounts at any time. You will need to reestablish Overdraft Protection and/or Debit Card Overdraft Service if desired by contacting your banker or calling the number on your statement.

Periodically, we may evaluate the timing of statements, monthly service fee assessment and interest payments to your accounts. We may adjust the timing in order to align your statement, monthly service fee assessment (if any) and interest payment dates with one another. You may receive a partial statement that reflects activity and interest payments from the last statement date to the date of the change. No monthly service fees will be assessed during a partial statement period and there will be no impact to your interest rate or compounding frequency.

Important Account Information

Great News! The daily purchase limit for each debit/ATM card linked to your checking account is being increased by \$500. The increase becomes effective between February 1 and February 8, 2017.

To view your daily card limits, login to online banking, then go to your Account Profile and select your debit/ATM card

IMPORTANT ACCOUNT INFORMATION

Effective 4/15/2017 if the primary checking account for your debit card is closed or delinked for any reason, we will designate another eligible linked checking account as the primary account. If there are no other eligible linked checking accounts, your debit card will be closed. If you have one or more savings accounts linked to this debit card, you may request an ATM card for continued access.

Amendment to our Funds Availability Policy

Good news! Effective April 5, 2017, we've updated our funds availability policy to remove the delay of funds by one additional business day for certain checks deposited at a Wells Fargo location in Alaska. This applies only if the check was drawn on or payable at or through a paying bank not located in Alaska. Other funds availability policies are still in effect. Please see our Consumer Account Agreement for additional funds availability policies and details.

We are updating the Business Account Agreement ("Agreement") effective April 24, 2017. In the section titled "Statements and other information relating to your deposit account", the response to the question "What happens to a dormant account?" is deleted and replaced with the following:

What happens to a dormant account?

We put safeguards in place to protect a dormant account which may include restricting the following:

- Transfers between your Wells Fargo accounts using your ATM/debit card
- Transfers by phone using our automated banking service
- Transfers or payments through online, mobile, and text banking (including Bill Pay)
- Wire transfers (incoming and outgoing)

Normal monthly service and other fees continue to apply (except where prohibited by law).

If you do not initiate an account-related activity on the account within the time period as specified by state unclaimed property laws, your account funds may be transferred to the appropriate state. This transfer is known as "escheat." If your account becomes escheatable, account statements will not be available. Your account will be closed. To recover your account funds, you must file a claim with the state.

All other aspects of the Agreement remain the same. If there is a conflict between the updated response above and the Agreement, the updated response will control.

Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer we hope you find this information helpful. Again, if you have questions or concerns about these changes, please contact your local banker or call the number listed on your statement.

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Business Account Agreement ("Agreement") dated April 29, 2016. Effective March 31, 2017, the question and response to "Are there any restrictions on our accepting deposits to your account?" in the section titled "Deposits to your account" are deleted and replaced with the following:

Are we required to accept all deposits to your account?

No. We are permitted to decline all or part of a deposit, including a cash deposit. Some examples are (a) an item made out to a payee not on your account, (b) an item with an endorsement we are unable to verify, (c) a check or draft issued on a credit account, and (d) a non-U.S. item. When we are unable to verify an endorsement on an item, we can also decline to pay, cash, or send the item for collection. We can require all endorser be present and we may require you to deposit the item instead of permitting you to cash it. For non-U.S. items, please see the response to "How do we handle non-U.S. items?". We may require any person wanting to make a deposit to your account to provide an acceptable form of identification before we accept the deposit for processing.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control.

IMPORTANT ACCOUNT INFORMATION

Revised Agreement for Online Access

We're updating our Online Access Agreement effective September 15, 2017.

To see what is changing, please visit wellsfargo.com/onlineupdates.

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Account Agreement ("Agreement") dated April 24, 2017. Effective August 15, 2017, in the section titled "Rights and Responsibilities", the subsections "When can you close your account?" and "If you request to close your account, we may allow you to keep funds in your account to cover outstanding Items to be paid" are deleted and replaced with the following:

When can you close your account?

You can request to close your account at any time if the account is in good standing (e.g., does not have a negative balance or restrictions such as legal order holds or court blocks on the account). At the time of your request, we will assist you in withdrawing or transferring any remaining funds, bringing your account balance to zero.

- All outstanding Items need to be processed and posted to your account before your request to close. Once the account is closed Items will be returned unpaid.
- Any recurring payments or withdrawals from your account need to be cancelled before your request to close (examples include bill payments, debit card payments, and direct deposits) otherwise, they may be returned unpaid.

We will not be liable for any loss or damage that may result from not honoring Items or recurring payments or withdrawals that are presented or received after your account is closed.

At the time of your request to close:

- For interest-earning accounts, it stops earning interest from the date you request to close your account.
 - Overdraft Protection and/or Debit Card Overdraft Service will be removed on the date you request to close your account.
 - The Agreement continues to apply.
 - If you have requested to close your account and a positive balance remains, we may send you a check for the remaining balance.
- Even after your account is closed, you will remain responsible for any negative balance.

In California branches you can request to close your account at any time if the account does not have any restrictions such as legal order holds or court blocks. Even after your account is closed, you will remain responsible for any negative balance.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control.

Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer, we hope you find this information helpful. Again, if you have questions or concerns about these changes, please contact your local banker or call the number listed on your statement.

**IMPORTANT ACCOUNT INFORMATION**

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We updated the Business Account Agreement ("Agreement"). In the section titled "Available balance, posting order, and overdrafts," the following question about our standard overdraft coverage was added:

What is Wells Fargo's standard overdraft coverage?

Our standard overdraft coverage is when, at our discretion, we pay checks or automatic payments (such as ACH payments) into overdraft rather than returning them unpaid. You can request to remove our standard overdraft coverage from your account by speaking to a banker.

Important: If you remove our standard overdraft coverage from your account, the following will apply if you do not have enough money in your account or accounts linked for Overdraft Protection to cover a transaction:

- We will return your checks and automatic payments (such as ACH payments) and assess a non-sufficient funds/NSF returned item fee and you could be assessed additional fees by merchants.
- We will not authorize transactions such as ATM withdrawals or everyday debit card purchases into overdraft.
- We will not authorize certain transactions (such as cashed checks, recurring debit card transactions, or Bill Pay transactions) into overdraft. However, if these transactions are authorized when your account has enough money but are later presented for payment when your account does not have enough money, we will pay the transaction into overdraft and charge an overdraft fee.

All other aspects of the Agreement remain the same. If there is a conflict between the language above and the Agreement, this language will control.

If you remove our standard overdraft coverage and your account is enrolled in Debit Card Overdraft Service, Debit Card Overdraft Service will be removed and we will not authorize transactions such as ATM withdrawals or everyday debit card purchases into overdraft.

To learn more about tools that Wells Fargo offers to help you avoid overdraft and/or returned item fees, visit wellsfargo.com/biz/checking/quickstart/overdraft-protection, speak with a local banker or call the phone number on the top of your statement. Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer we hope you find this information helpful.

IMPORTANT ACCOUNT INFORMATION

Beginning in August 2017, we are enhancing the description of certain non-consumer ACH debit entries to include "Business to Business ACH". This entry description may appear on your statements and online banking transaction histories. The terms governing these entries remain the same and are found in the Business Account Agreement section titled "Funds transfer service" under the subsection "ACH transactions". Under ACH rules, a Business to Business ACH debit entry has a return time frame of one business day from the date the entry posted to your account. In order for the Bank to meet this deadline, you are required to notify us to return any Business to Business ACH debit entry as unauthorized by the cutoff time which is currently 3:00 PM Central Time. If you do not notify us within one business day from the date the unauthorized entry is posted to your account, we will not be able to return it without the cooperation and agreement of the originating bank and the originator of the debit entry. Any other effort to recover the funds must occur solely between you and the originator of the entry.

IMPORTANT ACCOUNT INFORMATION

As part of our commitment to make things right, we have entered into a \$142 million class action settlement related to the opening of unauthorized accounts.

If you believe Wells Fargo opened a checking, savings, credit card or line of credit account for you without your permission, or if you purchased identity theft protection from us, you may be entitled to compensation from this fund.

To find out more, go to www.WFSettlement.com or call 1-866-431-8549. You may be eligible for reimbursement of fees, compensation for potential impact on your credit, and an additional cash payment based on any money remaining in the fund after benefits and costs are paid out.

If you have specific questions about any of your accounts or services, please visit your Wells Fargo branch or call the toll-free number that appears on this statement. We realize you have a choice when it comes to banking. It is our privilege to be able to serve you.

Reminder about effect of pending debit card transactions on your account

For each debit card transaction, we place an authorization hold and track the "pending" transaction until the merchant sends the final payment instruction to the bank. We receive final payment instructions for most transactions within one to two business days, but we generally must release the authorization hold after three business days. While pending, these transactions reduce your available balance. If transactions are presented for payment when your account has an insufficient available balance, you may be charged overdraft and/or insufficient fund (NSF) fees on those transactions. The bank will assess no more than eight (8) \$35 overdraft and/or NSF fees per day.

Great News! The daily purchase limit for each debit/ATM card linked to your checking account is being increased by \$500. The increase becomes effective between September 1 and September 8, 2017.

To view your daily card limits, login to online banking from your computer, then select Accounts and Settings from the More menu, then Profile and Settings, and then View Account Profile in the Manage Account Settings section.

Beginning in August 2017, we are enhancing the description of certain non-consumer ACH debit entries to include "Business to Business ACH". This entry description may appear on your statements and online banking transaction histories. The terms governing

these entries remain the same and are found in the Business Account Agreement section titled "Funds transfer service" under the subsection "ACH transactions". Under ACH rules, a Business to Business ACH debit entry has a return time frame of one business day from the date the entry posted to your account. In order for the Bank to meet this deadline, you are required to notify us to return any Business to Business ACH debit entry as unauthorized by the cutoff time which is currently 3:00 PM Central Time. If you do not notify us within one business day from the date the unauthorized entry is posted to your account, we will not be able to return it without the cooperation and agreement of the originating bank and the originator of the debit entry. Any other effort to recover the funds must occur solely between you and the originator of the entry.

IMPORTANT ACCOUNT INFORMATION

TP05629

AA03423

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your business account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

Effective Feb 15, 2018:

If a business debit card or business ATM card purchase amount exceeds the current available balance* in the primary linked checking or savings account when you are making a purchase, you may be able to use your available balance to pay for a portion of the total purchase. The transaction will be subject to a partial authorization daily purchase limit set by the bank and your card's daily dollar limit.

We will first try to approve the full amount of the purchase with available funds in your checking account, account(s) linked for Overdraft Protection, and, if you are enrolled, using debit card overdraft service.

If this cannot result in an approval of the full amount of the purchase, the bank may approve a portion of the purchase using the remaining available funds in your checking account. This is called a "partial authorization." Here are some important details about partial authorizations:

- The remaining amount of the purchase total would need to be covered by another form of payment, such as cash or another card.
- If you are unable/unwilling to provide an additional form of payment, the partial authorization will be reversed by the merchant.
- Not all merchants are able to accept partial authorizations or process transactions using multiple forms of payment.

Thank you for being a Wells Fargo business customer. As a valued Wells Fargo customer we hope you find this information helpful. Again, if you have questions or concerns about these changes, please contact your local banker or call the number listed on your statement.

*This balance may not reflect all of your transactions, such as checks you have written or debit card transactions that have been approved but not yet submitted for payment by the merchant.

New limits on Fees

Effective November 6, 2017, we will waive overdraft or returned item (Non-Sufficient Fund/NSF) fees on any transactions that are \$5 or less, regardless of your ending account balance. We will continue to waive overdraft fees on all posted transactions if both your ending daily account balance and your available balance are overdrawn by \$5 or less and there are no items returned for non-sufficient funds after all transactions have posted.

IMPORTANT ACCOUNT INFORMATION

Reminder about effect of pending debit card transactions on your account

For each debit card transaction, we place an authorization hold on the "pending" transaction until the merchant sends the final payment instruction to the bank. We receive final payment instructions for most transactions within one to two business days, but we generally must release the authorization hold after three business days. If a merchant does not send the final payment instruction within that timeframe, we must honor the transaction when the final payment instruction is received. While the authorization hold is in effect, these transactions reduce your available balance. The transaction will be paid when we receive it for payment. If transactions are presented for payment when your account has an insufficient available balance, you may be charged overdraft and/or insufficient fund (NSF) fees on those transactions. The bank will assess no more than eight (8) \$35 overdraft and/or NSF fees per day.

You must describe the specific information that is inaccurate or in dispute and the basis for any dispute with supporting documentation. In the case of information that relates to an identity theft, you will need to provide us with an identity theft report.

IMPORTANT ACCOUNT INFORMATION

In the "Available balance, posting order, and overdrafts" section of the Deposit Account Agreement under the question "How do we process (post) transactions to your account?", we are replacing the paragraph beginning with "Your available balance will be reduced by pending withdrawals" to include a new fee waiver, as follows:

Your available balance will be reduced by pending withdrawals, such as debit card transactions we have authorized and must pay when they are sent to us for payment. If your account has insufficient funds as reflected by your available balance, the bank may assess overdraft and/or non-sufficient funds (NSF) fees on transactions we pay or return during nightly processing. A pending transaction will typically remain pending until we receive it for payment from your account, but we must release the pending transaction hold after three business days for most transactions. These pending transactions may be sent to us for payment after they have dropped from your account, but we must pay them when we receive them for payment.

In some circumstances, previously-authorized transactions may be paid into overdraft if other transactions or fees have reduced your balance before the pending transactions are sent to us for payment. To minimize the number of overdraft fees in these circumstances, we track transactions that reduced your available balance while pending and caused overdraft fees on other transactions. If these transactions are presented for payment within 10 business days after they first appeared as pending, we will waive any overdraft fees on those transactions. In rare circumstances, the merchant presents transactions for payment with a different identification code than

was used when the transaction was sent for authorization and we are unable to match them. In those cases, you may be charged an overdraft fee if the transaction is paid into overdraft.

In addition, in the "Available balance, posting order, and overdrafts" section of the Deposit Account Agreement under the heading "IMPORTANT INFORMATION ABOUT FEES," we added the following:

We track transactions that reduced your available balance while pending and caused overdraft fees on other transactions. If these transactions are presented for payment within 10 business days after they first appeared as pending, we will waive any overdraft fees on those transactions. In rare circumstances, the merchant presents transactions for payment with a different identification code than was used when the transaction was sent for authorization and we are unable to match them.

IMPORTANT ACCOUNT INFORMATION

Effective November 10, 2018, the sentence "Certain electronic credit transfers, such as those through card networks or funds transfer systems, will be available on the first business day after the day we receive the transfer" in the first paragraph of the "Your ability to withdraw funds" section under the "Funds availability policy" in the Deposit Account Agreement will be replaced with "Certain electronic credit transfers, such as those through card networks or funds transfer systems, will be available on the day we receive the transfer."

A reminder...

You can request to close your account at any time if the account is in good standing (e.g. does not have a negative balance or restrictions such as holds on funds, legal order holds or court blocks on the account). At the time of your request, we will assist you in withdrawing or transferring any remaining funds, bringing your account balance to zero.

- All outstanding items need to be processed and posted to your account before your request to close otherwise they will be returned unpaid.

- Any recurring payments or withdrawals from your account need to be cancelled before your request to close (examples include bill payments, automated debit card payments, and direct deposits) otherwise, they may be returned unpaid.

- We will not be liable for any loss or damage that may result from not honoring items that are presented or received after your account is closed.

- At the time of your request to close:

- For interest-earning accounts, it stops earning interest from the date you request to close your account.

- Overdraft Protection and/or Debit Card Overdraft Service will be removed on the date you request to close your account.

- The Agreement continues to apply.

- If you have requested to close your account and a positive balance remains, we may send you a check for the remaining balance.

- All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control.

Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer, we hope you find this information helpful. If you have questions or concerns, please contact your local banker or call the number listed on your statement.

IMPORTANT ACCOUNT INFORMATION

On January 7, 2019, we will add the capability to receive real-time payments through the RTP[®] system ("RTP System"). The agreement governing your deposit account in the "Funds transfer services" section of the Deposit Account Agreement is amended to include the following provisions relating to your receipt of RTP payments.

Receiving RTP Payments

The following additional terms apply to any real-time payments we receive for credit to your account through the RTP System. The terms "sender," "receiver," "sending bank," and "request for return of funds" are used here as defined in the system rules governing RTP payments ("RTP Rules"). In addition to the RTP Rules, RTP payments will be governed by the laws of the state of New York, including New York's version of Article 4A of the Uniform Commercial Code, as applicable, without regard to its conflict of laws principles.

- The RTP System may be used only for eligible payments between a sender and receiver whose accounts are located in the United States. RTP payments that are permitted under the RTP Rules and our requirements are considered eligible payments for purposes of this Agreement.

- RTP payments are final and cannot be cancelled or amended by the sender. If you do not wish to accept an RTP payment received for credit to your account, you may request that we return such payment to the sender. We may, at our sole discretion, attempt to honor such request but will have no liability for our failure to do so.

- RTP payments are typically completed within thirty (30) seconds of transmission of the RTP payment by the sender, unless the RTP payment fails or is delayed due to a review by us or the sending bank, such as for fraud, regulatory, or compliance purposes. Transaction limits imposed by the RTP System or sending bank may also prevent RTP payments from being sent to your account.

We are under no obligation to honor, in whole or in part, any payment order or other instruction that could result in our contravention of applicable law, including, without limitation, requirements of the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC") and the Financial Crimes Enforcement Network ("FinCEN").

We are adding the following clarification in the section of the Deposit Account Agreement titled "Rights and Responsibilities" under the subsection "When can we close your account?":

Important information for Consumer and non-analyzed Business accounts with a zero balance: An account with a zero-balance may be subject to automatic closure on the fee period ending date, depending on when the last qualifying transaction posted to your account.

- In order to prevent automatic closure, an account with a zero-balance must have a qualifying, non-automatic transaction posted within the last two months of the most recent fee period ending date. IOLTA and RETA accounts require a qualifying transaction within ten months of the most recent fee period ending date.

- Examples of qualifying transactions are deposits or withdrawals made at a banking location, ATM, or via telephone, mobile deposits, one-time transfers made at a banking location, ATM, online, mobile, or via telephone, or checks paid from the account.

- Automatic or electronic deposits, such as payroll, and automatic or electronic payments, including bill pay, recurring transfers, and any bank-originated transactions, like monthly service or other fees, are not considered qualifying transactions for the purpose of preventing closure of an account with a zero-balance.

■ **Notice:** Wells Fargo Bank, N.A. may furnish information about accounts belonging to individuals, including sole proprietorships, to consumer reporting agencies. If this applies to you, you have the right to dispute the accuracy of information that we have reported by writing to us at: Overdraft Collections and Recovery, P.O.
