Important Account Information

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Consumer Account Agreement ("Agreement") dated April 29, 2016. Effective March 31, 2017, the question and response to "Are there any restrictions on our accepting deposits to your account?" in the section titled "Deposits to your account" are deleted and replaced with the following:

Are we required to accept all deposits to your account?

No. We are permitted to decline all or part of a deposit, including a cash deposit. Some examples are (a) an item made out to a payee not on your account, (b) an item with an endorsement we are unable to verify, (c) a check or draft issued on a credit account, and (d) a non-U.S. item. When we are unable to verify an endorsement on an item, we can also decline to pay, cash, or send the item for collection. We can require all endorsers be present and we may require you to deposit the item instead of permitting you to cash it. For non-U.S. items, please see the response to "How do we handle non-U.S. items?". We may require any person wanting to make a deposit to your account to provide an acceptable form of identification before we accept the deposit for processing.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control.

Wells Fargo Portfolio Checking (continued)

Important Account Information

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Consumer Account Agreement ("Agreement") effective April 24, 2017. In the section titled "Statements and other information relating to your deposit account", the response to the question "What happens to a dormant account?" is deleted and replaced with the following:

What happens to a dormant account?

We put safeguards in place to protect a dormant account which may include restricting the following (which may vary based on your account type):

- Transfers between your Wells Fargo accounts using your ATM/debit card
- Transfers by phone using our automated banking service
- Transfers or payments through online, mobile, and text banking (including Bill Pay)
- Wire transfers (incoming and outgoing)
- Contributions or transfers to IRA or ESA savings through online and mobile banking

Normal monthly service and other fees continue to apply (except where prohibited by law).

If you do not initiate an account-related activity on the account within the time period as specified by state unclaimed property laws, your account funds may be transferred to the appropriate state. This transfer is known as "escheat." If your account becomes escheatable, account statements will not be available. Your account will be closed. To recover your account funds, you must file a claim with the state.

If the dormant account is a primary Wells Fargo Portfolio Checking account or Wells Fargo Prime Checking account, about 2 months before the account escheats, we will close any associated program including Portfolio by Wells Fargo. Portfolio by Wells Fargo Premier. When the Portfolio by Wells Fargo, Portfolio by Wells Fargo Premier program is closed, any benefits such as fee waivers and discounted services associated with it will be discontinued. Your primary Wells Fargo Portfolio Checking account is the first account listed in your monthly statement. To reinstate your program benefits, the primary checking account must be in an active status and you must contact us to reestablish the program. If other linked accounts become dormant, the accounts will be removed from any associated program and fees may apply.

All other aspects of the Agreement remain the same. If there is a conflict between the updated response above and the Agreement, the updated response will control.

Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer we hope you find this information helpful. Again, if you have questions or concerns about these changes, please contact your local banker or call the number listed on your statement.

This means that anytime you reach \$250,000 in statement-ending qualifying balances, some benefits associated with that balance will be applied the following month. For example, if your statement-ending qualifying balance in March 2017 was \$200,000 and your statement-ending qualifying balance in April 2017 is \$250,000 or more, all benefits associated with the \$250,000 balance will apply in May 2017. All qualifying linked accounts make up your Portfolio by Wells Fargo statement-ending qualifying balance. This statement-ending qualifying balance is based on the amount of money you have, or a percentage thereof, in all linked accounts. We use this qualifying balance to determine if you're eligible to avoid the monthly service fee, and to get pricing discounts and other benefits.

Important Account Information

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Consumer Account Agreement ("Agreement") dated April 29, 2016. Effective March 31, 2017, the question and response to "Are there any restrictions on our accepting deposits to your account?" in the section titled "Deposits to your account" are deleted and replaced with the following:

Are we required to accept all deposits to your account?

No. We are permitted to decline all or part of a deposit, including a cash deposit. Some examples are (a) an item made out to a payee not on your account, (b) an item with an endorsement we are unable to verify, (c) a check or draft issued on a credit account, and (d) a non-U.S. item. When we are unable to verify an endorsement on an item, we can also decline to pay, cash, or send the item for collection. We can require all endorsers be present and we may require you to deposit the item instead of permitting you to cash it. For non-U.S. items, please see the response to "How do we handle non-U.S. items?". We may require any person wanting to make a deposit to your account to provide an acceptable form of identification before we accept the deposit for processing.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control.

To recover your account funds, you must file a claim with the state.

If the dormant account is a primary Wells Fargo Portfolio Checking account or Wells Fargo Prime Checking account, about 2 months before the account escheats, we will close any associated program including Portfolio by Wells Fargo, Portfolio by Wells Fargo Premier. When the Portfolio by Wells Fargo, Portfolio by Wells Fargo Premier program is closed, any benefits such as fee waivers and discounted services associated with it will be discontinued. Your primary Wells Fargo Portfolio Checking account is the first account listed in your monthly statement. Revised Agreement for Online Access

We're updating our Online Access Agreement effective September 15, 2017.

To see what is changing, please visit wellsfargo.com/onlineupdates.

Important Account Information

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Account Agreement ("Agreement") dated April 24, 2017. Effective August 15, 2017, in the section titled "Rights and Responsibilities", the subsections "When can you close your account?" and "If you request to close your account, we may allow you to keep funds in your account to cover outstanding Items to be paid" are deleted and replaced with the following:

When can you close your account?

You can request to close your account at any time if the account is in good standing (e.g., does not have a negative balance or restrictions such as legal order holds or court blocks on the account). At the time of your request, we will assist you in withdrawing or transferring any remaining funds, bringing your account balance to zero.

- All outstanding Items need to be processed and posted to your account before your request to close. Once the account is closed Items will be returned unpaid.
- Any recurring payments or withdrawals from your account need to be cancelled before your request to close (examples include bill payments, debit card payments, and direct deposits) otherwise, they may be returned unpaid.

We will not be liable for any loss or damage that may result from not honoring Items or recurring payments or withdrawals that are presented or received after your account is closed.

At the time of your request to close:

- For interest-earning accounts, it stops earning interest from the date you request to close your account.
- Overdraft Protection and/or Debit Card Overdraft Service will be removed on the date you request to close your account.
- The Agreement continues to apply.
- If you have requested to close your account and a positive balance remains, we may send you a check for the remaining balance. Even after your account is closed, you will remain responsible for any negative balance.

In California branches you can request to close your account at any time if the account does not have any restrictions such as legal order holds or court blocks. Even after your account is closed, you will remain responsible for any negative balance.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control.

Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer, we hope you find this information helpful. Again, if you have questions or concerns about these changes, please contact your local banker or call the number listed on your statement.

Important Account Information

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We updated the Consumer Account Agreement ("Agreement"). In the section titled "Available balance, posting order, and overdrafts," the following question about our standard overdraft coverage was added:

What is Wells Fargo's standard overdraft coverage?

Our standard overdraft coverage is when, at our discretion, we pay checks or automatic payments (such as ACH payments) into overdraft rather than returning them unpaid. You can request to remove our standard overdraft coverage from your account by speaking to a banker.

Important: If you remove our standard overdraft coverage from your account, the following will apply if you do not have enough money in your account or accounts linked for Overdraft Protection to cover a transaction:

- We will return your checks and automatic payments (such as ACH payments) and assess a non-sufficient funds/NSF returned item fee and you could be assessed additional fees by merchants.
- We will not authorize transactions such as ATM withdrawals or everyday debit card purchases into overdraft.
- We will not authorize certain transactions (such as cashed checks, recurring debit card transactions, or Bill Pay transactions) into overdraft. However, if these transactions are authorized when your account has enough money but are later presented for payment when your account does not have enough money, we will pay the transaction into overdraft and charge an overdraft fee.

All other aspects of the Agreement remain the same. If there is a conflict between the language above and the Agreement, this language will control.

If you remove our standard overdraft coverage and your account is enrolled in Debit Card Overdraft Service, Debit Card Overdraft Service will be removed and we will not authorize transactions such as ATM withdrawals or everyday debit card purchases into overdraft.

To learn more about tools that Wells Fargo offers to help you avoid overdraft and/or returned item fees, visit wellsfargo.com/checking/overdraft-services, speak with a local banker or call the phone number on the top of your statement. Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer we hope you find this information helpful.

Important Account Information

As a reminder, Portfolio by Wells Fargo monthly service fees are calculated using the combined month end balances of all qualifying accounts linked to your Portfolio by Wells Fargo relationship. If you do not meet the minimum balance requirements*, the standard monthly service fee of \$30 will be assessed to your primary checking account on the 3rd business day following month end. This fee will appear in the transaction history section for the primary checking account on your next month end statement.

*\$25,000 in any combination of qualifying linked bank deposit accounts (checking, savings, time accounts (CDs) FDIC-insured IRAs) or \$50,000 in any combination of qualifying linked bank, brokerage (available through our brokerage affiliate Wells Fargo Advisors and credit balances (including 10% of mortgage balances, certain mortgages not eligible).

Introducing Overdraft Rewind Starting November 7, 2017

With this free account feature, the Bank will reevaluate transactions from the previous business day that resulted in an overdraft or returned item (non-sufficient funds/NSF) if we receive an electronic direct deposit to your account by 9:00 a.m. local time where your account is located (which is noted on your account statement). Direct deposits include your salary, pension, Social Security, or other regular monthly income electronically deposited through the Automated Clearing House (ACH) network by your employer or an outside agency. The Bank will calculate a new balance, including your pending electronic direct deposit (less any pending debits), and may reverse the overdraft or returned item decisions and waive the associated fees from the previous business day if your electronic direct deposit will cover them. Overdraft Protection transfers/advances and the associated fees from the prior business day are not reversed with Overdraft Rewind. Other deposits, such as check(s), cash, or account transfers are not included in Overdraft Rewind.

Set up direct deposit for a safe and easy way to have your payroll or benefit checks automatically deposited into your account.

Go to wellsfargo.com/checking/overdraft-rewind for more details.

Important Account Information

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

Effective Feb 15, 2018:

If a debit card or ATM card purchase amount exceeds the current available balance* in the primary linked checking or savings account when you are making a purchase, you may be able to use your available balance to pay for a portion of the total purchase. The transaction will be subject to a partial authorization daily purchase limit set by the bank and your card's daily dollar limit.

We will first try to approve the full amount of the purchase with available funds in your checking account, account(s) linked for Overdraft Protection, and, if you are enrolled, using debit card overdraft service.

If we do not approve the full amount of the purchase, the bank may approve a portion of the purchase using the remaining available funds in your checking account. This is called a "partial authorization." Here are some important details about partial authorizations:

- The remaining amount of the purchase total would need to be covered by another form of payment, such as cash or another card.
- If you are unable/unwilling to provide an additional form of payment, the partial authorization will be reversed by the merchant.
- Not all merchants are able to accept partial authorizations or process transactions using multiple forms of payment.

Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer we hope you find this information helpful. Again, if you have questions or concerns about these changes, please contact your local banker or call the number listed on your statement.

*This balance may not reflect all of your transactions, such as checks you have written or debit card transactions that have been approved but not yet submitted for payment by the merchant.

Wells Fargo Portfolio Checking (continued)

Wells Fargo Portfolio Checking (continued)

Important Account Information

Beginning March 15, 2018, for linked accounts where the owner(s) of the linked account is not the same as at least one of the owner(s) of the primary checking account in the Portfolio by Wells Fargo program, the linked account can only be set to Summary Level Format for statements. This change means that the owner(s) of an account that does not match the primary checking account in the Portfolio by Wells Fargo program will begin to see the linked account information provided at a Summary Level Format in the Portfolio by Wells Fargo monthly statement, and they will also begin to receive a separate monthly statement for that linked account. The separate standalone statement for the linked account will be delivered based on the delivery preferences designated by the account's owner.

Important Account Information

Beginning March 15, 2018, for linked accounts where the owner(s) of the linked account is not the same as at least one of the owner(s) of the primary checking account in the Portfolio by Wells Fargo program, the linked account can only be set to Summary Level Format for statements. This change means that the owner(s) of an account that does not match the primary checking account in the Portfolio by Wells Fargo program will begin to see the linked account information provided at a Summary Level Format in the Portfolio by Wells Fargo monthly statement, and they will also begin to receive a separate monthly statement for that linked account. The separate standalone statement for the linked account will be delivered based on the delivery preferences designated by the account's owner.

Important Account Information

We are committed to serve you. That is why we are committed to ensuring you understand how interest accrues and is paid on your account. Interest is calculated and accrued daily based on the daily collected balances in the account. While interest accrues daily, it is considered earned and will be paid only when the total interest accrued is \$0.01 or more. In any month the amount of accrued interest is less than \$0.01, periodic statements will show no interest earned though it continues to accrue.

If you have questions, please contact your local banker or call the phone number listed at the top of your statement. We appreciate your business and look forward to continuing to serve your financial needs.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payments service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily compounding of interest.

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it.

We will charge a fee of 2.7% of the converted US dollar amount. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

New York residents may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

The method we use to figure the ADB and interest results in daily compounding of interest.

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it.

The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Dear Thomas A Pickens,

We want to help you understand how your charge card works. This includes changes we're required to make because of new federal regulations that impact late payment fees, returned payment fees, and Penalty APRs. These changes are summarized in the table below.

We're also pleased to let you know we've rewritten your Cardmember Agreement so it's simpler and easier to use and understand. We've enclosed a copy of your new Cardmember Agreement, which includes information on:

- · rates and fees for your account
- · the minimum payment due and how payments are applied
- · when interest charges apply, and when they don't
- · other account terms

You can learn more about how to manage your card account and protect your credit with simple tips, advice, and explanations by visiting americanexpress.com/consumerresources.

Important Changes to Your Account Terms

The following is a summary of changes to your account terms, effective August 22, 2010. More detailed information about these account terms appears on page 2 of the Cardmember Agreement.

	Revised Terms, as of August 22, 2010
Late Payment Fee	Up to \$35; however, if you do not pay for two billing periods in a row, your fee will be \$35 or 2.99% of the past due amount, whichever is greater.
Returned Payment Fee	Up to \$35
Penalty APR and When It Applies	27.24% This APR will vary with the market based on the Prime Rate. This APR will apply to your account if you: 1) make one or more late payments; or 2) make a payment that is returned.
	How Long Will the Penalty APR Apply? If the Penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the penalty APR is applied. The Penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.

IMPORTANT: See the reverse side of this letter for information about the duration of the Penalty APR.

Thank you for your Cardmembership. We look forward to continuing to serve you.

Sincerely, American Express

You must pay in full all charges	
	If you enroll in Sign & Travel, we will automatically place eligible travel-related charges into a Pay Over Time balance. Some examples are airline and cruise ship tickets, hotels, car rentals and charges made	that are not placed into a Pay Over Time balance upon receipt of your billing statement. We may change which charges are eligible to be placed into a Pay Over Time balance.

About your payments When you must pay

Payment of the New Balance is due upon receipt of your statement. If a statement includes a Pay Over Time balance, it will show a Minimum Payment Due. In this case, you must pay at least the Minimum Payment Due by the Payment Due Date. Each statement also states the time and manner by which you must make your payment for it to be credited as

of the same day it is received.

Each statement also shows a Closing Date. The Closing Date is the last day of the billing period covered by the statement. Each Closing Date is about 30 days after the previous statement's Closing Date.

How to make payments

Make payments to us in U.S. dollars with:

- a single check drawn on a U.S. bank, or
 a single negotiable instrument clearable through the U.S. banking system, for example a money order, or
- an electronic payment that can be cleared through the U.S. banking system.

When making a payment by mail:

- · make a separate payment for each account,
- mail your payment to the address shown on the payment coupon on your billing statement, and
- write your Account number on your check or negotiable instrument and include the payment coupon.

If your payment meets the above requirements, we will credit it to your Account as of the day we receive it, as long as we receive it by the time disclosed in

your billing statement. If we receive it after that time, we will credit the payment on the day after we receive it.

If your payment does not meet the above requirements, there may be a delay in crediting your Account. This may result in late fees and additional interest charges (see *How Rates and Fees Work* on page 2 of Part 1).

If we decide to accept a payment made in a foreign currency, we will choose a rate to convert your payment into U.S. dollars, unless the law requires us to use a particular rate.

If we process a late payment, a partial payment or a payment marked with any restrictive language, that will have no effect on our rights and will not change this Agreement.

How we apply payments and credits

If a statement includes a Pay Over Time balance, it will show a Minimum Payment Due. The Minimum Payment Due is the Pay In Full New Balance plus the Pay Over Time Minimum Due.

If you have a Pay Over Time balance, we generally apply payments up to the Minimum Payment Due first to the Pay Over Time Minimum Due and then to the Pay In Full New Balance. When applying a payment to the Pay Over Time Minimum Due, we apply it first to the balance with the lowest interest

rate and then to balances with higher interest rates.

After the Minimum Payment Due has been paid, we apply payments to the remaining Pay Over Time balance. When we do this, we apply payments first to the balance with the highest interest rate and then to balances with lower interest rates.

In most cases, we apply a credit to the same balance as the related charge. We may apply payments and credits within balances, and among balances with the same interest rate, in any order we choose.

About your Minimum Payment Due

How we calculate your Minimum Payment Due

The Minimum Payment Due is the Pay In Full amount plus any Pay Over Time Minimum Due.

To calculate the Pay Over Time Minimum Due for each statement, we start with the *highest* of the following three amounts:

(1) 2% of the Pay Over Time New Balance; or

(2) interest charged on the statement plus 1% of the Pay Over Time New Balance (excluding interest on the statement), not to exceed 4% of the Pay Over Time New Balance; or (3) \$20.

Then we round to the nearest dollar. After that, we add any Pay Over Time amount past due.

However, your Pay Over Time Minimum Due will not exceed your Pay Over Time New Balance.

EXAMPLE: Pay Over Time Minimum Due

Assume that your Pay Over Time New Balance is \$3,000, interest is \$29.57 (see the example on the next page), and you have no Pay Over Time amounts past due.

- (1) 2% x \$3,000 = \$60.00
- (2) \$29.57 + 1% x (\$3,000 \$29.57) = \$59.27
- (3) \$20.00

The highest of the three amounts is \$60.00.

So the Pay Over Time Minimum Due is \$60.00.

Adjusting your Pay Over Time Minimum Due

If you regularly pay more than the Minimum Payment Due described above, we may adjust the Pay Over Time Minimum Due in future billing periods. This may let you make a smaller minimum payment from time to time. But it you then do not regularly pay more than the Minimum Payment Due described above, we will stop making the adjustment and return to the formula above. If we start or stop making the adjustment, we will do so for at least six billing periods in a row. To adjust the Pay Over Time Minimum Due, we will not add 1% of the Pay Over Time New Balance in (2). Then, if (2) is the highest (but less than 4% of the Pay Over Time New Balance), we will add \$15.

CMAEUACM0000101

Page 4 of 9

...continued from previous page

We will do this if over six billing periods the sum of payments credited to your Pay Over Time balance is more than the sum of the Pay Over Time Minimum Dues (not adjusted, except any Pay Over Time amount past due is counted only in the first of those six periods). We will also make the adjustment if over six billing periods the sum of the Pay Over Time Minimum Dues (not adjusted) is not more than \$120 and equals the sum of payments credited to your Pay Over Time balance. However, we will not make the adjustment if the sum of the Pay Over Time Minimum Dues is zero and we did not adjust the Pay Over Time Minimum Due the last time it was not zero.

About interest charges on Pay Over Time balances

When we charge interest

For charges added at your request
We charge interest on charges that are added at
your request to a Pay Over Time balance as of the
date the charge is added. If you pay the Account
Total New Balance on a statement by the Closing
Date on the next statement, then on that next
statement we will not charge interest on any Pay
Over Time portion of that Account Total New
Balance

For charges added automatically

We charge interest on charges that are added automatically to a Pay Over Time balance beginning on the transaction date. However, you can avoid paying interest on those charges as described below.

If you pay the Account Total New Balance on a statement by the Closing Date shown on the next statement, then on that next statement we will not charge interest on those charges.

If you paid the Account Total Previous Balance on a statement by its Closing Date, and you pay less than the Account Total New Balance on that statement by the Closing Date of the next statement, then we will not charge interest on the portion of automatically added charges that we apply your payment to. But we will charge interest on the remaining portion of those charges.

Also, we will not charge interest on automatically added charges shown on a statement if the Account Total Previous Balance on that statement is zero or a credit balance.

How we calculate interest

We calculate interest for a billing period by first figuring the interest on each balance. Balances within each feature such—as Select & Pay Later, Sign & Travel and Extended Payment Option may—have different interest rates.

We use the Average Daily Balance method (including new transactions) to figure interest charges for each balance. The total interest charged for a billing period is the sum of the interest charged on each balance.

Interest

The interest charged for a balance in a billing period, except for variations caused by rounding, equals:

- · Average Daily Balance (ADB) x
- · Daily Periodic Rate (DPR) x
- number of days the DPR was in effect.

ADE

To get the ADB for a balance, we add up its daily balances. Then we divide the result by the number of days the DPR for that balance was in effect. If the daily balance is negative, we treat it as zero.

DPA

A DPR is 1/365th of an APR, rounded to one tenthousandth of a percentage point. Your DPRs are shown in *How Rates and Fees Work* on page 2 of Part 1.

EXAMPLE: Calculating Interest

Assume that you have a single interest rate of 15.99%, your ADB is \$2,250 and there are 30 days in the billing period.

The DPR is 15.99% ÷ 365 days = 0.0438% Interest is \$2,250 x 0.0438% x 30 days = \$29.57

Daily Balance

For each day a DPR is in effect, we figure the daily balance by:

- taking the beginning balance for the day,
- · adding any new charges,
- subtracting any payments or credits; and
- · making any appropriate adjustments.

We add a new charge to a daily balance as of its transaction date.

Beginning balance

For the first day of a billing period, the beginning balance is the ending balance for the prior billing period, including unpaid interest. For the rest of the billing period, the beginning balance is the previous day's daily balance plus an amount of interest equal to the previous day s daily balance multiplied by the DPR for that balance. This method of figuring the beginning balance results in daily compounding of interest.

When an interest rate changes, the new DPR may come into effect during not just at the beginning of the billing period. When this happens, we will create a new balance and apply the new DPR to it. To get the beginning balance on the first day for this new balance, we multiply the previous day's daily balance by the old DPR and add the result to that day's daily balance.

Other methods

To figure the ADB and interest charges, we may use other formulas or methods that produce equivalent results. Also, we may choose not to charge interest on certain types of charges.

Initiation of Arbitration

Any claim shall be resolved, upon the election by you or us, by arbitration pursuant to this Arbitration provision and the code of procedures of the arbitration organization to which the claim is referred in effect at the time the claim is filed (code), except to the extent the code conflicts with this Agreement. Claims shall be referred to either JAMS or the American Arbitration Association (AAA), as selected by the party electing to use arbitration. If our selection of either of these organizations is unacceptable to you, you may select the other organization within 30 days after you receive notice of our selection. For a copy of the code, to file a claim or for other information, contact either: JAMS (1920 Main St #300, Irvine, CA 92614 or jamsadr.com) or AAA (335 Madison Ave, New York, NY 10017 or adr.org).

In addition to the organizations listed above, claims may be referred to any other arbitration organization that is mutually agreed upon in writing by you and us, or to an arbitration organization or arbitrator(s) appointed pursuant to § 5 of the Federal Arbitration Act,

9 U.S.C. §§ 1-16, as it may be amended below. (FAA), provided that any such organization and arbitrator(s) will enforce the terms of the Restrictions on Arbitration subsection set forth below.

Significance of Arbitration

IF ARBITRATION IS CHOSEN BY ANY PARTY WITH RESPECT TO A CLAIM. NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR HAVE A JURY TRIAL ON THAT CLAIM. FURTHER, YOU AND WE WILL NOT HAVE THE RIGHT TO PARTICIPATE IN A REPRESENTATIVE CAPACITY OR AS A MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION, EXCEPT AS SET FORTH BELOW, THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. NOTE THAT OTHER RIGHTS THAT YOU OR WE WOULD HAVE IF YOU WENT TO COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION

Restrictions on Arbitration

IF EITHER PARTY ELECTS TO RESOLVE A CLAIM BY ARBITRATION, THAT CLAIM SHALL BE ARBITRATED ON AN INDIVIDUAL BASIS. THERE SHALL BE NO RIGHT OR AUTHORITY FOR ANY CLAIMS TO BE ARBITRATED ON A CLASS ACTION BASIS OR ON BASES INVOLVING CLAIMS **BROUGHT IN A PURPORTED** REPRESENTATIVE CAPACITY ON BEHALF OF THE GENERAL PUBLIC, OTHER CARDMEMBERS OR OTHER PERSONS SIMILARLY SITUATED. The arbitrator's authority to resolve claims is limited to claims between you and us alone, and the arbitrator's authority to make awards is limited to awards to you and us alone. Furthermore, claims brought by you against us, or by us against you, may not be joined or consolidated in arbitration with claims brought by or against someone other than you, unless agreed to in writing by all parties. No arbitration award or decision will have any preclusive effect as to issues or claims in any dispute with anyone who is not a named party to the arbitration. Notwithstanding any other provision of this Agreement (including but not limited to the Continuation subsection below) and without waiving either party's right to appeal such decision, should any portion of this Restrictions on Arbitration subsection be deemed invalid or unenforceable, then the entire Arbitration provision (other than this sentence) shall not apply.

Arbitration Procedures

This Arbitration provision is made pursuant to transactions involving interstate commerce and shall be governed by the FAA. The arbitration shall be governed by the applicable code, except that this Agreement shall apply if there are any conflicts. The arbitrator shall apply applicable substantive law consistent

with the FAA and applicable statutes of limitations, shall honor claims of privilege recognized at law, and, at the timely request of either party, shall provide a brief written explanation of the basis for the decision.

The arbitration proceeding shall not be governed by any federal or state rules of civil procedure or rules of evidence. Any party may request that the arbitrator expand the scope of discovery by doing so in writing and copying any other parties, who shall have 15 days to make objections. The arbitrator will notify the parties of his/her decision within 20 days of any objecting party's submission. The arbitrator shall take reasonable steps to preserve privacy. The arbitrator's award shall be final and binding, except for any right of appeal provided by the FAA; however, either party shall have 30 days to appeal that decision by notifying the arbitration organization and any other parties in writing. The organization will then appoint a threearbitrator panel which shall consider anew any aspect of the decision objected to by the appealing party. The panel shall issue its decision, by majority vote, within 120 days of the appealing party's written notice. Judgment upon any award rendered by the arbitrator or panel may be entered in any court having jurisdiction

Location of Arbitration

Arbitration hearings you attend shall take place in the federal judicial district of your residence.

Payment of Fees

You will be responsible for paying your share, if any, of the arbitration fees (including filing, administrative, hearing and/or other fees), but only up to the amount of the filing fees you would have incurred if you had brought a claim in the state or federal court closest to your billing address that would have had jurisdiction. We will be responsible for any additional arbitration fees. At your written request, we will consider in good faith making a temporary advance of all or part of your share of any arbitration fees in excess of your share if you do not prevail in any arbitration with us.

Continuation

This Arbitration provision shall survive termination of your Account; voluntary payment of the Account balance in full by you; any legal proceeding by you or us to collect a debt owed by the other; any bankruptcy by you or us; and any sale by us of your Account (in the case of a sale, its terms shall apply to the buyer of your Account). If any portion of this Arbitration provision, except as otherwise provided in the Restrictions on Arbitration subsection, is deemed invalid or unenforceable, it shall not invalidate the remaining portions of this provision.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at:

trement, write to us at American Express

PO Box 981535

El Paso TX 79998-1535

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

- Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
- Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

- The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

American Express PO Box 981535 El Paso TX 79998-1535

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily compounding of interest.

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance by the next Closing Date.

The billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it.

We will charge a fee of 2.7% of the converted US dollar amount. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

An Important Notice Concerning Cardmember Privacy

This Privacy Notice is addressed to United States holders of personal American Express Charge Cards or accounts, Optima Cards or accounts, other personal credit card accounts that we issue, and to United States holders of business charge and credit cards from OPEN from American Express. This Notice explains how we collect, use and safeguard information about you and how to limit the use and disclosure of your information.

In this Notice, "American Express," "we," "our," and "us" refer to American Express Travel Related Services Company, Inc., American Express Centurion Bank and American Express Bank, FSB. These entities are "Affiliates" of each other, which are companies in the American Express family that are related to each other by common ownership or control. Our Affiliates also include publishers, travelers cheque issuers, travel agents and providers of Card-related insurance services. The cards and accounts that we issue are called "Cards" or "Card accounts." Holders of those Card accounts are called "Cardmembers" or "you(r)."

What Information Do We Collect?

We obtain information about you from a variety of sources. You provide us with information about yourself, for example, by completing Card applications. This includes your name, address, social security number, and income and asset information. Your use of the Card and your other transactions with us and our Affiliates provide us with additional information, such as your spending and payment history. Other sources, such as credit reporting agencies and providers of marketing information, furnish us with additional information about your credit history, purchasing preferences, and other matters. We also obtain information about you in connection with our efforts to protect against fraud. We call all of this information "Cardmember Information."

What Do We Do with Cardmember Information? We use Cardmember Information in connection with delivering products and services to you. To do this it is often necessary to share it with our Affiliates and other companies we work with. These include companies that manage Card accounts, offer affinity, frequent-user, and reward programs, companies that perform marketing services and other business operations for us, and companies whose products or services are provided as a benefit of your Card account. We may also share Cardmember Information with other financial institutions with whom we jointly offer products and services. And we may disclose it to other third parties as permitted by law. For example, we disclose Cardmember Information in response to subpoenas, to credit reporting agencies, and to help prevent fraud.

Information We Share with Our Affiliates

You can inform us not to share with our Affiliates credit-related information (except as permitted by law), such as your credit history as shown on a consumer report. If you make this choice, we are permitted by law to share with our Affiliates information about our transactions and experiences with you, such as your payment history.

Valuable Partner Offers

We work with carefully selected business partners, such as merchants that accept the Card, so that you may receive offers for their products and services. We use Cardmember Information to help make these offers more

relevant and valuable to you. If you respond to one of these offers, the business partner will know certain information about you, such as your name, that you are a Cardmember, and that you met the qualifications established for the offer. You can inform us not to send you these offers.

Your Choices

Please let us know if you do not want us to use your Cardmember Information to communicate with you about offers, including exclusive partner offers and offers from our Affiliates, by mail, telephone and/or e-mail, or share your credit-related information with our Affiliates, by visiting us at: www.americanexpress.com/communications. You can also inform us of your choices (except for e-mail communications) by calling us at 1-800-297-8378. If you make these choices, you may not learn about products, services and features, including discounts and other special offers, we believe may be of interest to you and add value to your Card membership.

If you have other Card accounts with us, you will receive additional privacy notices that apply to those accounts. Please note that any choices you make will only apply to this account.

If you are the primary Cardmember on your Card account, any choices you make in accordance with this Notice will also apply to any other Cardmember on this account (except for e-mail communications). If you make choices not to receive offers as indicated above, we may still include notices and information about the Card and other products and services when communicating with you about your Card account and related products and services.

Information Security

We use reasonable administrative, technical and physical security measures to protect your Cardmember Information.

Former Customers

If you cancel your Card, or your Card account(s) are closed, we will continue to treat and safeguard Cardmember Information about you as described in this Notice.

For Vermont Cardmembers Only

If your Card account has a Vermont billing address, we will automatically treat your account as if you had informed us not to share your credit-related information with our Affiliates.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- Account information. Your name and account number.
- Dollar amount. The dollar amount of the suspected error.
- Description of problem If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us:
 - Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

- 1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
- 2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct. While we investigate whether or not there has been an error:
 - We cannot try to collect the amount in question, or report you as delinquent on that amount.
 - The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
 - While you do not have to pay the amount in question, you are responsible for the remainder of your balance. We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake. You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

- 1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to
- you, or if we own the company that sold you the goods or services.)

 2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- 3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate using your American Express Card, including Express Cash transactions, or electronic payments you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can telephone us at 1-800-IPAY-AXP for Pay By Phone and Pay By Computer questions, and at 1-800-CASH-NOW for Express Cash and Automatic Payment questions. Alternatively, you may write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531, or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose. When you contact us, please provide the following information:

(1) Your name and card account number. (2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information. (3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call. We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Pleased o not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily compounding of interest.

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

New York residents may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Pleased on not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Pleasedo not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payments service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily compounding of interest.

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

New York residents may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Important Change to the \$200 Airline Fee Credit Benefit

We're writing to tell you about a change to the \$200 Airline Fee Credit benefit. This is an annual benefit that can apply to a variety of incidental airline fees including baggage fees, itinerary change fees, in-flight food, and airport lounge day passes. To get this benefit you must enroll and select your airline of choice. If after enrolling you want to change your airline choice for a calendar year, you must now do so during January of that year. To enroll in this benefit, make or change your airline choice, or get more information, visit americanexpress.com/PlatinumAirlineChoice. No action is needed if you are enrolled and don't want to change your airline choice.

The Importance of Paying on Time

We'd also like to share information to help you manage your account and to emphasize the importance of paying on time each

Paying late has consequences, including:

- If you pay late, you will be charged a late fee of up to \$35 or 2.99% of the past due amount.
- Your account will be reported as past due to credit reporting agencies if you fail to pay the minimum amount due for two billing periods in a row.
- If you use a pay over time feature, paying late can trigger the penalty APR.
- Paying late can result in restrictions on earning and redeeming rewards.

To help you make payments on time, every time, we offer a suite of account management tools:

- Pay online or by phone 24/7 Login to your account online or call 1-800-I-PAY-AXP (1-800-472-9297).
- · AutoPay Have your payment automatically deducted from your bank account each month.
- · Account alerts Get email or text alerts when your payment due date is approaching
- Mobile services View and manage your Card account from anywhere.

Go to financialtools.americanexpress.com/alerts to learn more.

We hope you find this information helpful. Thank you.

Notice of Important Changes to the \$200 Airline Fee Credit Terms and Conditions

We are making certain changes to the Terms and Conditions governing the \$200 Airline Fee Credit benefit. Any language in the Terms and Conditions contrary to or conflicting with terms amended below is replaced fully and completely. All terms of the Terms and Conditions not amended herein remain in full force and effect. We urge you and any Additional Cardmembers on your Account to read the below notice carefully and file it in a safe place for future reference.

\$200 Airline Fee Credit Benefit

Effective immediately, the reference to "December" in the sixth sentence of the Terms and Conditions is deleted and replaced with "January." The revised Terms and Conditions are shown below in their entirety with this change highlighted in bold for clarity.

Benefit is available to Consumer and Business Platinum Card® and Centurion® members only. To receive statement" credits of up to \$200 a year toward incidental air travel fees, Card member must enroll and choose a qualifying airline at www.americanexpress.com/PlatinumAirlineChoice. Only the Basic Card member or Authorized Account Manager(s) on the Card account can enroll and select the qualifying airline. Card members who have not chosen a qualifying airline will be able to do so at any time. It can take up to 48 hours post enrollment and airline choice for the benefit to be effective. Card members who have already selected a qualifying airline will not be able to change their choice until January of each calendar year at which time they may change their airline choice for that calendar year. Card members who do not change their airline selection will remain with their current airline. Statement Credits. Incidental air travel fees must be charged on the enrolled Card account for the benefit to apply. Incidental air travel fees must be separate charges from airline ticket charges. Fees not charged by the Card member's airline of choice (e.g. wireless internet and fees incurred with airline alliance partners) do not qualify for statement credits. Upgrade charges are not deemed to be incidental fees. The airline must submit the incidental air travel fees under the appropriate merchant code, industry code, or required service or product identifier for the charge to be eligible. Purchases made by both the Basic and Additional Card members on the enrolled Card account are eligible for statement credits. Each Card Account is eligible for up to a total of \$200 a year in statement credits, regardless of the number of Cards on the Account. Please allow 2-4 weeks after the qualifying incidental air travel fee is charged to your Card account for statement credit(s) to be posted to the account. Card members can call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. Card members are responsible for payment of all charges until the statement credit(s) posts to the account. To be eligible for this benefit, Card account(s) must be active and not in default at the time of statement credit fulfillment. If a charge for any incidental air travel fee is included in a Pay Over Time feature balance on your Card account (for example, Sign & Travel), the statement credit associated with that charge will not be applied to that Pay Over Time feature balance. Instead, the statement credit will be applied to your Pay In Full balance. For additional information about this benefit, call the number on the back of your Card.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily compounding of interest.

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge you interest on charges added automatically to a Pay Over Time balance, or to charges that were added to a Pay Over Time balance at your request in prior billing periods, if you pay the Account Total New Balance by the next Closing Date.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.
