FACTS

Appellant herein requests the court allow her an extension of time to file this PRO SE CHILD CUSTODY FAST TRACK STATEMENT and to inform the court no transcripts are requests at this time, as Appellants cannot afford the transcripts, and a fee waiver was denied in the District Court for transcripts.

Appellant respectfully requests the court review, at a minimum, the video from the hearings on 12/13/18, 10/8/18; 2/14/20; and 1/29/21.

Appellant also requests the court allow her to submit the Fast Track Statement with additional pages, as this matter lingered in the court for 3 ½ years, and there were ongoing issues that cannot adequately be contained in 10 pages, with the additional information requested in this matter. Appellant respectfully requests up to 17 pages.

There are many issues to address, and Appellant feels any shorter page length would not allow her to properly present the issues.

Appellant is proceeding in proper person, and he needed additional time to prepare these documents, as he is not an attorney and does not already understand the procedure.

The slight delay will not prejudice either party. Appellant respectfully requests the court grant an extension until June 30, 2021 for the Fast Track Statement; and that 15 pages be allowed.

Dated this 7 day of June, 2021.
