Good afternoon Amanda, do you have a way of sharing this with your firm?

It breaks my heart to share the news with you that Dr. Stephen L.G. Rothman passed away December 2, 2021. If you would like information on funeral and Shiva arrangements or would like to send a card to his wife and family please let me know. I know that anyone who worked with Dr. Rothman or knew him personally was very fortunate to have known him. He was very passionate about life and especially his work and you all had a part in fueling that passion.

Thank you,

Tane

I began sending out the below information on December 1, 2021:

It is with my deepest regret that I must notify you that Dr. Rothman has been forced into immediate retirement due to his health. I have attached a letter from Dr. Rothman as well as the CV of Dr. Saman Hazany whom he has endorsed and recommended as a very capable and talented substitute expert witness. If you choose to work with Dr. Hazany, I will be happy to assist you and facilitate your needs in any way, as I will be working with Dr. Hazany.

I am so sorry to give you this sad news and thank you for your understanding. If you have any questions please do not hesitate to contact me.

Sincerely,

Tane
