ORDER DIRECTING RESPONSE

Daine Anton Crawley appeals from a district court order denying a postconviction petition for a writ of habeas corpus. Based on our review of Crawley's informal brief and the documents transmitted to this court in the record on appeal, we conclude a response will assist this court in resolving this claim. *See* NRAP 46A(c). Respondent shall have 30 days from the date of this order to file and serve a response, including points and authorities. In addition to addressing the issues raised in this appeal, respondent shall address whether Crawley was actually represented by counsel for the petition filed in district court A-20-816041-W. Respondent shall also address whether the district court properly denied the petition as a fugitive document because Crawley filed the document in pro se while he was represented by counsel. The response shall comply with the provisions in NRAP 28 and NRAP 32. Crawley shall have 15 days from the date of the response to file a reply. *See* NRAP 28(k). For the purposes of NRAP 28(e),

citations in the response to the record shall be to the record on appeal transmitted by the district court clerk.

It is so ORDERED.
