vs.

KARI ANNE JOHNSON, an individual,

Respondent / Cross-Appellant.

GENERAL INFORMATION

Appellants must complete this docketing statement in compliance with NRAP 14(a). The purpose of the docketing statement is to assist the Supreme Court in screening jurisdiction, identifying issues on appeal, assessing presumptive assignment to the Court of Appeals under NRAP 17, scheduling cases for oral argument and settlement conferences, classifying cases for expedited treatment and assignment to the Court of Appeals, and compiling statistical information.

WARNING

This statement must be completed fully, accurately and on time. NRAP 14(c). The Supreme Court may impose sanctions on counsel or appellant if it appears that the information provided is incomplete or inaccurate. Id. Failure to fill out the statement completely or to file it in a timely manner constitutes grounds for the imposition of sanctions, including a fine and/or dismissal of the appeal.

A complete list of the documents that must be attached appears as Question 27 on this docketing statement. Failure to attach all required documents will result in the delay of your appeal and may result in the imposition of sanctions.

This court has noted that when attorneys do not take seriously their obligations under NRAP 14 to complete the docketing statement properly and conscientiously, they waste the valuable judicial resources of this court, making the imposition of sanctions appropriate. See KDI Sylvan Pools v. Workman, 107 Nev. 340, 344, 810 P.2d 1217, 1220 (1991). Please use tab dividers to separate any attached documents.

8. Nature of the action. Briefly describe the nature of the action and the result below:

Kari Anne Johnson ("Johnson") commenced this case due to a dispute concerning a promissory note and title to real property associated therewith. Michael Edward Hatch and Alisha Suzann Hatch (the "Hatches") moved to dismiss Johnson's Complaint primarily arguing that the statute of limitations barred Johnson's claims because the deed to the real property was recorded in 2015.

At the hearing on the Motion to Dismiss, the District Court made factual determinations regarding Johnson's credibility and the statute of limitations. However, the District Court ultimately dismissed the complaint only for failure to include NRCP 8's jurisdictional statement but granted leave to amend. Notwithstanding, the District Court improperly admonished Johnson that if she filed a second amended complaint based on the same facts, the Court would consider Rule 11 sanctions because a future motion to dismiss would likely be granted. Therefore, instead of filing a second amended complaint, Johnson voluntarily dismissed the case. The District Court thereafter improperly awarded the Hatches attorney fees and costs under NRS 18.010(b).

- **9.** Issues on appeal. State concisely the principal issue(s) in this appeal (attach separate sheets as necessary):
- 1. Whether the District Court erred in interpreting NRS 18.010(b) to conclude that the Hatches were the prevailing party and therefore, entitled to attorney fees and costs.
- 2. Whether the District Court's award of attorney fees and costs was an abuse of discretion given that there is no evidence in the record to support any findings under NRS 18.010(b).

10. Pending proceedings in this court raising the same or similar issues. If you are aware of any proceedings presently pending before this court which raises the same or similar issues raised in this appeal, list the case name and docket numbers and identify the same or similar issue raised:

Briefly set forth whether the matter is presumptively retained by the Supreme Court or assigned to the Court of Appeals under NRAP 17, and cite the subparagraph(s) of the Rule under which the matter falls. If appellant believes that the Supreme Court should retain the case despite its presumptive assignment to the Court of Appeals, identify the specific issue(s) or circumstance(s) that warrant retaining the case, and include an explanation of their importance or significance:

This case is presumptively assigned to the Court of Appeals as it is an appeal of an order awarding fees and costs. See NRAP 17(b)(7).

Plaintiff KARI ANNE JOHNSON ("Plaintiff or "Kari") is an individual and is

- 2. Defendant MICHAEL EDWARD HATCH ("Michael") is an individual residing in Washoe County, Nevada.
- 3. Defendant ALISHA SUZANNE HATCH ("Alisha") is an individual residing in Washoe County, Nevada.
- 4. Alisha and Michael are husband and wife. Alisha and Michael are sometimes individually referred to herein as a "Defendant" and collectively referred to herein as the "Defendants."
- 5. The Plaintiff is ignorant of the true names and capacities of the defendants sued herein as DOES I through X, inclusive, and therefore sues these defendants by such fictitious names. The Plaintiff will amend this Complaint to allege their true names and capacities when ascertained.
- 6. The Plaintiff is informed and believes and thereon alleges that, at all times herein mentioned, each of the defendants sued herein was the agent of each of the remaining defendants and was at all times acting within the purpose and scope of such agency.

BACKGROUND AND STATEMENT OF FACTS

- 7. Plaintiff and Alisha met in childhood. When they reconnected in adulthood they shared housing for a period of time and Plaintiff and Colin socialized with Defendants and considered them friends.
- 8. In approximately November of 2014, Defendants approached Kari about loaning Defendants money to buy certain real property and improvements commonly known as 9845 Firefoot Lane, Reno, Nevada, Washoe County, APN: 141-254-09 (the "Property") because Defendants were unable to qualify for a conventional mortgage. During these conversations that occurred at Plaintiff's house, Defendants promised that they would pay the loan as agreed and that Kari's name would be on the title to the Property until the loan was paid in full.
- 9. Kari agreed to loan (the "Loan") the money to the Defendants based on their representations that they would pay the Loan as agreed and on the condition that Kari would be on the title to the property with Defendants until the Loan was paid in full.
- 10. The Property was new construction and Kari and the Defendants were identified as the "buyers" in the Purchase and Sale Contract (the "PSA"). The PSA was signed on December 13,

Robison, Belaustegui, Sharp & Low 71 Washington St. Reno, NV 89503 (775) 329-3151 2014. A true and correct copy of the PSA is attached hereto as "Exhibit 1."

- 11. Prior to the closing under the PSA, Alisha presented certain escrow documents to Kari representing that the documents needed to be signed for closing. Kari trusted Alisha implicitly and believed that Alisha and Michael would honor their agreement with Kari that she would be a joint owner of the Property with the Defendants until the Loan was paid in full.
- 12. Kari paid the full amount of the purchase price for the Property and all closing costs. The total amount of the Loan was \$665,838.40. The Loan is evidenced by a "Promissory Note For Hatch Residence 9845 Firefoot Lane, Reno, NV 89521" (the "Note"). Alisha prepared the Note. The Note was signed and initialed by Michael, Alisha and Kari on September 9, 2015. A true and correct copy of the Note is attached hereto as "Exhibit 2."
- 13. The Note specifically refers to the Loan as being a "home loan" and accrues interest at the rate of 3% per annum. A payment schedule requiring monthly payments of principal and interest was part of the Note and attached thereto. A true and correct copy of the payment schedule is attached hereto as "Exhibit 3."
- 14. On or about November 13, 2020, Kari and Colin discovered that Defendants had manipulated Kari into signing documents removing Kari's name from the title to the Property at closing and interlineated through Kari's name on page 6 of the PSA which was recorded with the deed at closing. A true and correct copy of the deed (the "Deed") recorded at closing with the attached interlineated pages of the PSA is attached hereto as "Exhibit 4." At the time of closing, Alisha concealed from Kari that Defendants had substantially changed the deal and had arranged for Kari to be removed from the Deed. A true and correct copy of an irregular Endorsement to Agreement of Sale, purporting to remove Kari from the purchase at the last minute, was either obtained by manipulation/fraud or is a forgery ("Fraudulent Endorsement") is attached hereto as "Exhibit 5." Kari does not recall executing the Fraudulent Endorsement and does not believe it contains her signature. Even if it does contain her signature, her signature was obtained by assurances from Defendants that the deal was the same and Defendants' concealed from Kari that the deal had materially changed. Further, the Fraudulent Endorsement does not even contain a signature line for the seller, necessary party to the Fraudulent Endorsement. See, Exhibit 5.

Robison, Belaustegui, Sharp & Low 71 Washington St. Reno, NY 89503 (775) 329-3151 15. Upon information and belief, Defendants used the Fraudulent Endorsement to obtain the Deed to the Property that did not include Kari as a grantee. See, "Exhibit 4." The Deed also evidences that, but for the deception of the Defendants, Kari would have been a joint title holder on the Property with the Defendants. Kari never would have loaned the money if she knew she was not on title to the Property.

- 16. Shortly after the Defendants closed the purchase of the Property, Kari requested a copy of the Deed. Defendants told her they could not provide it to her because they needed it for landscaping. Defendants never gave Kari a copy of the Deed.
- 17. On or about November 13, 2020, Kari and Colin also discovered that on or about December 9, 2019, Defendants' obtained a loan in the original principal amount of \$259,000 from Guild Mortgage Company secured by the Property. A true and correct copy of the Deed of Trust securing the Guild Mortgage Company loan is attached hereto as "Exhibit 6."
- 18. Kari would never have extended the Loan to the Defendants without their agreement that Kari's name would be on the title to the Property until the Loan was paid in full. Defendants used their relationship with Kari to exert influence over Kari to manipulate and convince Kari to make the Loan.
- 19. Plaintiff is informed and believes that when Defendants represented to her that Defendants would pay the Loan in full as agreed and that Kari would be a joint owner of the Property until the Loan was paid in full that (i) Defendants knew the representations were false; (ii) Defendants made the representations for the purposes of, and with the intent to, induce Kari to make the Loan and getting Kari to enter into the Note; and (iii) Defendants never intended to pay the Loan as agreed.
- 20. The Note lacks terms that would typically be found in a home loan promissory note, including but not limited to, a late fee or default interest rate, an acceleration provision, and a provision allowing the lender to recover costs and attorneys' fees associated with collection of the amount owed in the event of a default. The Plaintiff is informed and believes that the Defendants drafted the Note to be favorable to their interests to her detriment.
 - 21. Plaintiff had trust and confidence in Defendants, and the Defendants, through

Breach of Note

- 30. Plaintiff incorporates by reference all prior allegations of this Complaint as though fully set forth herein.
- 31. On September 9, 2015, the Defendants made, executed, and delivered the Note for the Loan to the Decedent in Washoe County, Nevada.
- 32. The Defendants breached the Note by refusing and failing to pay the Plaintiff the amounts due under the Note.
- 33. Due to the defaults of the Defendants and their breach of the Note, the Plaintiff has sustained and continues to sustain damages. - 34. Defendants have made clear they no longer intend to pay the Loan. Such anticipatory repudiation would renders the Defendants liable for the entire amount of the debt. LeTarte v. W. Side Dev., LLC, 151 N.H. 291, 294, 855 A.2d 505, 508 (2004) ("Successive breaches of a continuing contract, while generally viewed as a series of partial breaches, can result in a total breach when there is a repudiation or a material failure of performance."). As of the date of the filing of this First Amended Complaint, the amount due under the Loan is \$588,110.19, plus interest accruing at the rate of 3 percent per annum from and after January 1, 2021 until paid in full, plus costs, plus attorneys' fees and costs of court.
- 35. As a further consequence of the Defendants' breach, the Plaintiff was required to obtain and hire counsel and has sustained additional damages of attorneys' fees and costs.

Defendants had a duty to act with the utmost good faith, based on their confidential relationship with Kari. This duty requires affirmative disclosure and avoidance of self-dealing.
- 40. Defendants' breached their duty to Kari by manipulating and using their confidential relationship with Kari to cause her name not to be included on the deed at closing. Furthermore, due to this confidential relationship, and Kari's trust in Defendants she did not discover this breach until on or about November 13, 2020.

ADDENDUM TO AGREEMENT FOR PURCHASE AND SALE BUYER'S USE OF PROPERTY

ADDENDUM TO AGREEMENT FOR PURCHASE AND SALE between Toll South Reno LLC ("Seller") and Michael and Alisha Hatch and Kari Johnson ("Buyer"), Lot No. 8055 (the "Property") in the community of Estates at Saddle Ridge.

- 1. OWNER OCCUPANY: Seller desires to sell only to buyers who will occupy the home as their primary residence or a secondary residence, i.e., vacation or seasonal home (their "Residence"), to create an established community of owner-occupied homes. Seller and Buyer agree that homebuyers prefer owner-occupied communities and, as such, owner-occupied communities proved a better environment to sell homes and in which to reside. Therefore, Seller chooses to only sell homes to buyers who intend to occupy the home as their Residence for a minimum of one (1) year after the closing. To induce Seller to agree to sell the Property to Buyer, Buyer represents warrants and agrees as follows:
- 1.1 Use of Principal Residence for One (1) Year. Buyer represents and warrants to Seller that (a) Buyer is purchasing the Property for use as Buyer's Residence: (b) Buyer will occupy the Property within thirty (30) calendar days after the Closing: and (c) Buyer will not attempt to transfer Buyer's rights under the Agreement or enter into any agreement for the lease, sale or other transfer of the Property that would result in Buyer's failure to occupy the Property as Buyer's Residence and hold title thereto in fee simple for a period of one (1) year after the Settlement of Buyer's purchase of the Property (the "Occupancy Period"). The provisions of this Section and the accuracy of the above representations warranties constitute a personal covenant of Buyer and a condition precedent to Seller's performance under the Agreement.

1.2 Transfer before Closing. Except for Hardship Situations, as described in Section 1.5 or Unrestricted Transfers as described in Section 1.6, any attempt by Buyer to assign Buyer's rights under this Agreement or to lease, sell or otherwise transfer the Property before the Closing will constitute both (a) a breach of the Agreement, entitling Seller, at its sole election, to immediately terminate this Agreement and retain Buyer's deposit as liquidated damages and (b) the failure of a condition precedent to Seller's obligation to sell the Property to Buyer. However, if Buyer's breach does not become known to Seller or Seller fails to terminate this Agreement until after Closing, then Seller will be limited solely to the remedy of Liquidated Damages described in Sections 1.3 and 1.4.

Addendum-NV (Buyer Use) 3.7.14

- 1.3 Transfer after closing. Except for Hardship Situations as described in Section 1.5 or Unrestricted Transfers as described in Section 1.6, Buyer's transfer of title to the Property prior to or during the Occupancy Period constitutes a breach of this Agreement. Buyer and Seller agree that such a breach will entitle the Seller to liquidated damages to be promptly paid by Buyer to Seller in the amount of one-half of the difference between the sales price on resale and the purchase price hereunder. Seller and Buyer that the amount of liquidated damages is a reasonable measurement of Seller's damages in the case of such a breach given that Seller's actual damages would be extremely difficult and impractical to determine.
- 1.4 Lease of Property After Closing. Except for Hardship Situations as described in Section 1.5 or Unrestricted Transfers as described in Section 1.6, Buyer's failure to make the Property Buyer's Residence during the Occupancy Period or Buyer's lease of the property during the Occupancy Period constitutes a breach of this Agreement, entitling Seller to liquidate damages. Buyer and Seller agree that such a breach will entitle Seller to liquidated damages to be promptly paid by Buyer to Seller in the amount of one-half of the total payments received from the tenant for the first 12 months of the rental period. Seller and Buyer agree that the liquidated damages amount is a reasonable measurement of Seller's damages in the case of such a breach given that Seller's actual damages would be extremely difficult and impractical to determine.

Inidials(

- 1.5 Hardship Situations. The following events will be deemed to constitute "Hardship Situations" under which Buyer will be relieved of the obligations of this Section concerning limitations on the sale of lease of the Property.
 - 1,5.1.1 The death of the Buyer (or any person who is co-buyer if more than one):
 - 1.5.1.2 The dissolution of Buyer's marriage or legal separation of married Buyers;
 - 1.5.1.3 A Mandatory job transfer required by Buyer's employer (not including Buyer if buyer is self employed);
 - 1.5.1.4 A medical or financial emergency, proof of which Seller has approved within its sole discretion, and
 - 1.5.1.5 A situation which, in the sole judgment of Seller, constitutes a hardship consistent with the purpose of this Section.
- 1.6 Unrestricted Transfers. The following transfers are not in violation of the stated purpose of this Section and are not subject to the provisions of Sections 1.3 and 1.4.
 - 1.6.1.1 A transfer between spouses or between parent and child (but subsequent transfers within the Occupancy Period would be subject to this Endorsement);

1.6.1.2 A transfer resulting from a decree of dissolution of marriage or legal separation or from a property settlement agreement incident to such a decree:
1.6.1.3 A transfer into a revocable <i>inter vivos</i> trust in which Buyer is the beneficiary; and
1.6.1.4 A transfer, conveyance, pledge, or assignment of the Property (such as a Mortgage) to secure the performance of an obligation, which will be
released or reconveyed upon the completion of the performance; and 1.6.1.5 A transfer resulting from a foreclosure (by judicial foreclosure or
trustee's sale) by the beneficiary of a first mortgage or a transfer in lieu thereof.
1.7 FHA/VA Loans. Notwithstanding anything to the contrary contained herein, in
the event the mortgage or deed of trust on the Property is insured by FHA or guaranteed by
VA any occupancy requirements of FHA and/or VA, as applicable, shall apply and the provisions of this endorsement shall be of no further force and effect as to the Property.
provisions of this chaotsement shall be of no further force and effect as to the Property.
1.8 No Unreasonable Restraint. The purpose of this Section is to comply with
Seller's intention to sell homes only to persons who intend to occupy them as their
Residences; to obtain a stabilized community of owner-occupied homes; and to provide the type of community in which prospective buyers are most interested in living. Buyer agrees
that the provisions and restrictions set forth in this Section do not constitute an unreasonable
restraint upon alienation of the Property, and that the liquidated damages provisions in
Sections 1.3 and 1.4 are not a penalty or a forfeiture.

No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts doe for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien of encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Esorow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all hotices of amounts to be paid under this Section. Borrower shall pay Lender the Pyrids for Eserow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Berrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a sovenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower falls to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Scotion 9 to repay to Lender any such amount. Lender may revoke the waiver as to any on all Exprow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a cederal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Scourity Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Preperty which can attain priority over this Security Instrument, leasehold payments or ground

rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; on(c) setures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting

service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements new existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the boan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Hender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services or (b) a one-time charge for flood zone determination and certification services; and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Boyrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect, Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable,

with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagec and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Horrower. Unless Lender and Borrower otherwise agree in writing, any insurance proseeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Rroperty, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction,

provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or etherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are

beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible. Borrower shall property repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Leader or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Leader may inspect the interior of the improvements on the Property. Leader shall give Borrower notice at

the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inabourate information or statements to Londer (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations connection with the Domestian Representations connection.

representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If
(a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect/Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankpoptey, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (o) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's

interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to; (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off, Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Boxrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, they Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings of such loss reserve. Londer can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Leader providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may

incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Ledder, shy purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Horrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender

takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe

for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has — if any — with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation of termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby

assigned to and shall be paid to Londer.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellancous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss invalue is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due,

If the Property is abandoned by Borrower or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the

Property or rights under this Security Instrument. Borrower can oure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in

the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any-right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (o) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this

Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Berrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument, Borrower shall not be released from Borrower's obligations and liability, under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall pind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited

by this Security Instrument or by Applicable Daw.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then; (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other

means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Scourity Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument,

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any logal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escroy agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this

option shall not be exercised by Lender it such exercise is prohibited by Applicable Law.

If Lender exercises this option Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender. (a) cash; (b) money order; (c) certified check, bank check, treasurer's

check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer uncelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is said and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has actified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must clapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to care given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 20.

21. Hazardous Substances. As used in this Section 21. (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup

Berrower shall not cause or permit the presence, use disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyons else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which due to the presence, use, or release of a Hazardous Substance, oreates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private

party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option, and without further demand, may invoke the power of sale, including the right to accelerate full. payment of the Note, and any other remedies permitted by Applicable Law, Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence,

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute written notice of the occurrence of an event of default and of Lender's election to beause the Property to be sold, and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its

designee may purchase the Property at any sale,

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie exidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustep's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Scourity Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. Lender may charge such person or persons a fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law.

24. Substitute Trustee. Lender at its option may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25. Assumption Fee. If there is an assumption of this loan, Lender may charge an assumption fee of U.S. \$100 where no credit checks are required, the greater of \$400 or 1% of unpaid principal balance of the mortgage - up to a maximum of \$900 - if the change of ownership requires credit approval of the new mortgagor; or any maximum prescribed by Applicable Law or Regulations.

PLANNED UNIT DEVELOPMENT RIDER

THIS PLANNED UNIT DEVELOPMENT RIDER is made this 9th day of December, 2019, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date, given by the undersigned (the "Borrower") to Secure Borrower's Note to GUILD MORTGAGE COMPANY, A CALIFORNIA CORPORATION (the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

9845 FIREFOOT LN, RENO, NY 89521 [Property Address]

The Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described in Declaration of Covenants, Conditions, and Restrictions (the "Declaration"). The Property is a part of a planned unit development known as:

SOUTH MEADOWS
[Name of Planned Unit Development]

(the "PUD"). The Property also includes Borrower's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender Further covenant and agree as follows:

A. PUD Obligations. Borrower shall perform all of Borrower's obligations under the PUD's Constituent Documents. The "Constituent Documents" are the (i) Declaration; (ii) articles of incorporation, trust instrument or any equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of

the Owners Association. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Property Insurance, So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by five, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Lender requires insurance, then:

(i) Lender waives the provision in Section 3 for the Periodic Payment to Lender of the yearly premium installments for property insurance on the Property; and (ii) Borrower's obligation under Section 5 to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy,

What Lender requires as a condition of this waiver can change during the term of the loan.

Borrower shall give Lender prompt notice of any Japse in required property insurance coverage provided by

the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the POD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. Lender shall apply the proceeds to the sums scoured by the Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender,

D. Condemnation. The proceeds of any award or olaim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Section 11.

E. Lender's Priory Consent. Rorrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to (i) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit of Lender; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have

Dept. No.:

ORDER REGARDING ATTORNEYS' FEES AND COSTS

Presently before the Court is Defendant's Motion for an Award of Attorneys' Fees and Costs ("the Motion"). Defendants MICHAEL EDWARD HATCH and ALISHA SUZANNE HATCH ("Defendants") filed the Motion on August 19, 2021. Plaintiff KARI ANNE JOHNSON ("Plaintiff") filed Opposition to Motion for an Award of Attorneys' Fees and Costs ("the Opposition") on August 27, 2021. Defendants filed Reply in Support of Motion for Attorneys' Fees and Costs on September 2, 2021, and contemporaneously submitted the Motion for the Court's consideration. Also before the Court is Plaintiffs Motion to Retax Costs ("Motion to Retax") filed on August 20, 2021. Defendants filed Opposition to Motion to Retax on September 2, 2021. Plaintiffs filed Reply to Opposition to Motion to Retax Costs on

September 8, 2021, and contemporaneously submitted the Motion to Retax for the Courts review.

Having reviewed all the pleadings and related documents, the Court finds and orders as follows:

This case involves a lis pendens attached to the Defendants' real property and multiple claims regarding breach of contract.

Attorneys' fees are available to a prevailing party pursuant to NRS 18.010:

In addition to the cases where an allowance is authorized by specific statute, the court may make an allowance of attorney's fees to a prevailing party:

Without regard to the recovery sought, when the court finds that the claim, counterclaim, cross-claim or third-party complaint or defense of the opposing party was brought or maintained without reasonable ground or to harass the prevailing party. The court shall liberally construe the provisions of this paragraph in favor of awarding attorney's fees in all appropriate situations. It is the intent of the Legislature that the court award attorney's fees pursuant to this paragraph and impose sanctions pursuant to Rule 11 of the Nevada Rules of Civil Procedure in all appropriate situations to punish for and deter frivolous or vexatious claims and defenses because such claims and defenses overburden limited judicial resources, hinder the timely resolution of meritorious claims and increase the costs of engaging in business and providing professional services to the public

NRS 18.010(2)(b)

[L]is pendens are not appropriate instruments for use in promoting recoveries in actions for personal or money judgments. *Levinson v. Eighth Judicial Dist. Court,* 109 Nev. 747, 750, 857 P.2d 18, 20 (1993).

The Court finds Plaintiff's claims were brought without reasonable grounds. Plaintiff attempted to use a lis pendens as a tool to recover overdue money in an installment contract. This was not appropriate.

Defendants argue they are entitled to attorneys' fees of \$68,507.20 and costs of \$978.80 because they are the prevailing party in the lawsuit. Plaintiff contends there is no prevailing party because she voluntarily dismissed the lawsuit and therefore no attorneys' fees are available.

The Court finds the Defendants are the prevailing party in that her defenses both succeeded in expunging the lien on the property and revealed the defects in the Plaintiff's claims either because of the passage of the statutes of limitation, or because of a lack of subject matter jurisdiction which resulted in a voluntary withdrawal of the action in the District Court. While a claim for accrued installments remains, the entire nature and circumstances of the action have materially changed in light of the successful defense at the District Court level. Defendant is entitled to fees for expunging the lien; all hours will be compensated, but at a reduced rate of \$450 per hour consistent with practice within the firm and in the community. The Court will award an additional 10 hours of time for the work to related to the motions to dismiss, again at \$450 per hour, but not the entire amount. The unnecessary animus expressed by the Defendants in their pleadings weighs against a full award. The Court suspects that had the animus been left out, the parties likely could have avoided the volume and tenor of the pleadings actually filed.

The Court finds the following as work relating to expunging the lis pendens:

- 02/16 2.5 hours Review and analyze documents
- 02/17 2.5 hours Research defenses to claims and attacks on lis pendens
- 02/23 2.2 hours Outline motion to expunge
- 03/02 2.5 hours Research regarding lis pendens basis and lack of real property interest
- 03/02 1.6 hours commence drafting motion to expunge lis pendens
- 03/03 2.7 hours Draft, revise, and edit motion to expunge
- 03/14 0.9 hours Research and prepare supplement to motion to expunge
- 03/18 2.0 hours Research and draft reply on motion to expunge lis pendens
- 03/19 2.4 hours edit and finalize reply on motion to expunge lis pendens and request for submission
- 03/22 2.5 hours Prepare for and attend hearing

- 03/30 0.6 hours prepare order expunging lis pendens
- 04/27 0.4 hours Review order; prepare notice of entry; communicate with opposing counsel regarding expunging the lis pendens
- 04/28 0.4 hours Review and communicate with opposing counsel regarding release of lis pendens
- 04/29 0.5 hours Various communications with opposing counsel and client regarding release of lis pendens

The total hours spent working on expunging the lis pendens was 23.7 hours. With the additional 10 hours granted for work on the motion to dismiss, the total hours of attorneys' fees are 33.7 hours. At \$450/hour, the total award of attorneys' fees Plaintiff owes Defendants is \$15,165.

Additionally, Defendants are entitled to costs pursuant to NRS 18.020(1). Defendants request \$978.80. Defendants aver they are awaiting reimbursement from the court for an erroneous filing fee. The erroneous filing fee is \$450. Defendants request Plaintiff to pay the full costs and should Defendants be reimbursed by the court, they will return the money to Plaintiff. Plaintiff requests the filing fee not be included in a grant of costs. The Court will award Defendants costs, minus the erroneous filing fee. Thus, Plaintiff will pay Defendants costs in the amount of \$528.80.

IT IS HEREBY ORDERED Plaintiff will pay Defendants attorneys' fees totaling \$15,165 and costs totaling \$528.80.

Defendants' Motion for an Award of Attorneys' Fees and Costs is GRANTED in part and DENIED in part.

Plaintiff's Motion to Retax Costs is GRANTED in part and DENIED in part.

IT IS SO ORDERED

DATED this ____1 day of October, 2021.

ORDER REGARDING ATTORNEYS' FEES AND COSTS

Presently before the Court is Defendant's Motion for an Award of Attorneys'
Fees and Costs ("the Motion"). Defendants MICHAEL EDWARD HATCH and
ALISHA SUZANNE HATCH ("Defendants") filed the Motion on August 19, 2021.
Plaintiff KARI ANNE JOHNSON ("Plaintiff") filed Opposition to Motion for an
Award of Attorneys' Fees and Costs ("the Opposition") on August 27, 2021.
Defendants filed Reply in Support of Motion for Attorneys' Fees and Costs on
September 2, 2021, and contemporaneously submitted the Motion for the Court's
consideration. Also before the Court is Plaintiffs Motion to Retax Costs ("Motion to
Retax") filed on August 20, 2021. Defendants filed Opposition to Motion to Retax on
September 2, 2021. Plaintiffs filed Reply to Opposition to Motion to Retax Costs on

September 8, 2021, and contemporaneously submitted the Motion to Retax for the Courts review.

Having reviewed all the pleadings and related documents, the Court finds and orders as follows:

This case involves a lis pendens attached to the Defendants' real property and multiple claims regarding breach of contract.

Attorneys' fees are available to a prevailing party pursuant to NRS 18.010:

In addition to the cases where an allowance is authorized by specific statute, the court may make an allowance of attorney's fees to a prevailing party:

Without regard to the recovery sought, when the court finds that the claim, counterclaim, cross-claim or third-party complaint or defense of the opposing party was brought or maintained without reasonable ground or to harass the prevailing party. The court shall liberally construe the provisions of this paragraph in favor of awarding attorney's fees in all appropriate situations. It is the intent of the Legislature that the court award attorney's fees pursuant to this paragraph and impose sanctions pursuant to Rule 11 of the Nevada Rules of Civil Procedure in all appropriate situations to punish for and deter frivolous or vexatious claims and defenses because such claims and defenses overburden limited judicial resources, hinder the timely resolution of meritorious claims and increase the costs of engaging in business and providing professional services to the public

NRS 18.010(2)(b)

[L]is pendens are not appropriate instruments for use in promoting recoveries in actions for personal or money judgments. Levinson v. Eighth Judicial Dist. Court, 109 Nev. 747, 750, 857 P.2d 18, 20 (1993).

The Court finds Plaintiff's claims were brought without reasonable grounds. Plaintiff attempted to use a lis pendens as a tool to recover overdue money in an installment contract. This was not appropriate.

 Defendants argue they are entitled to attorneys' fees of \$68,507.20 and costs of \$978.80 because they are the prevailing party in the lawsuit. Plaintiff contends there is no prevailing party because she voluntarily dismissed the lawsuit and therefore no attorneys' fees are available.

The Court finds the Defendants are the prevailing party in that her defenses both succeeded in expunging the lien on the property and revealed the defects in the Plaintiff's claims either because of the passage of the statutes of limitation, or because of a lack of subject matter jurisdiction which resulted in a voluntary withdrawal of the action in the District Court. While a claim for accrued installments remains, the entire nature and circumstances of the action have materially changed in light of the successful defense at the District Court level. Defendant is entitled to fees for expunging the lien; all hours will be compensated, but at a reduced rate of \$450 per hour consistent with practice within the firm and in the community. The Court will award an additional 10 hours of time for the work to related to the motions to dismiss, again at \$450 per hour, but not the entire amount. The unnecessary animus expressed by the Defendants in their pleadings weighs against a full award. The Court suspects that had the animus been left out, the parties likely could have avoided the volume and tenor of the pleadings actually filed.

The Court finds the following as work relating to expunging the lis pendens:

- 02/16 2.5 hours Review and analyze documents
- 02/17 2.5 hours Research defenses to claims and attacks on lis pendens
- 02/23 2.2 hours Outline motion to expunge
 03/02 2.5 hours Research regarding lie pandon
- 03/02 2.5 hours Research regarding lis pendens basis and lack of real property interest
- 03/02 1.6 hours commence drafting motion to expunge lis pendens
- 03/03 2.7 hours Draft, revise, and edit motion to expunge
- 03/14 0.9 hours Research and prepare supplement to motion to expunge
- 03/18 2.0 hours Research and draft reply on motion to expunge lispendens
- 03/19 2.4 hours edit and finalize reply on motion to expunge lis pendens and request for submission
- 03/22 2.5 hours Prepare for and attend hearing
