ORDER REGARDING MOTIONS

Appellants have filed an untimely motion in Docket No. 83253 for an extension of time to file the transcript request form. Cause appearing, and despite its untimeliness, the motion for an extension of time to file the transcript request form is granted as follows. The exhibit attached to appellants' motion does not conform to the requirements of a transcript request form set forth in NRAP 9(a)(3)(C) ("The transcript request form must substantially comply with Form 3 in the Appendix of Forms"). Accordingly, the exhibit cannot simply be detached and filed. Appellants shall have 7 days from the date of this order to file and serve a transcript request form that complies with NRAP 9(a)(3)(C) and Form 3.

In Docket No. 83253, appellants have also filed a motion for a second extension of time (60 days) to file the opening brief. The motion is opposed. Once a party receives a telephonic extension of time to perform an

act, further extensions of time to perform that same act are barred unless the moving party files a "motion for an extension of time demonstrating extraordinary and compelling circumstances" in support of the requested extension. NRAP 26(b)(1)(B); NRAP 31(b)(3)(A)(iv). Appellants previously received a telephonic extension of time to file the opening brief. As cause for the second extension appellants cite to circumstances that existed prior to their obtaining the telephonic extension and that have been continuing since the fall of 2021. These reasons do not demonstrate extraordinary and compelling circumstances warranting a second extension of 60 days. Accordingly, the motion is denied. Appellants shall have 14 days from the date of this order to file and serve the opening brief and appendix in Docket No. 83253. Failure to timely file and serve the opening brief and appendix may result in the imposition of sanctions. NRAP 31(d).

Finally, in Docket No. 83763, appellants have filed a motion to consolidate these appeals. The motion is denied. This denial is without prejudice to appellants' right to refile the motion, if necessary, upon completion of settlement proceedings. We note that, at the discretion of the settlement judge, the issues in both appeals can be considered in the settlement mediation scheduled for January 31, 2022, in Docket No. 83763.

It is so ORDERED.
