      THE COURT: The first thing we need to do is have
 5 you all sworn. Will you please stand, face the clerk and

      (Jury panel sworn.)
      THE COURT: Thank you. You may be seated. Some

   room open during all recesses in the trial.
      If you need anything for your personal comfort,
12 please tell the bailiff and he will let me know and we will do
   the best we can to accommodate you.
      You've been supplied with tablets and pencils so
   you can take notes during the trial. You don't have to,
   that's up to you. But I do caution you not to rely on your
   notes in case of a conflict among you about what the evidence

      The Court recording is the official record of the

Some courts allow jury note taking, some do not.

This Court does. Most of the decisions that I make in my job 24 I take notes myself so that I can remember everything that's

We will usually try to take two recesses a day.

4 One in the morning, 1:00 in the afternoon. They each will be

5 about 20 minutes long sometimes they'll go longer. Sometimes

there are things that the attorneys and I need to deal with

outside your presence but we will try to keep the recesses to

20 minutes.

22

Before we go further the law requires that I

admonish you as follows: 10

No juror may declare to his or her fellow jurors 11

12 any fact relating to the case as of their own knowledge. If

any juror discovers during the trial or after the jury has

retired that he or she or any other juror has personal

knowledge of any fact in controversy that juror shall disclose

that situation to the Judge out of the presence of the other

The clerk will now read the Criminal Information 18

entered by the Defendant.

THE CLERK: Case Number CR-FP-18-7207, Department

22 Number I. In the Fourth Judicial District Court of the State

of Nevada in and for the County of Elko. The State of Nevada,

24 Plaintiff versus Sarah Elizabeth Gravelle, Defendant.

23

- 1 Criminal Information: Comes now the State of
- 2 Nevada, the Plaintiff in the above-entitled cause by and
- 3 through its counsel of record the Elko County District
- 4 Attorney's office and informs the above entitled court that
- 5 the Defendant above named on or about the 22nd day of August,
- 6 2018 at or near the location of Fourth and Court Streets, City
- 7 of Elko within the County of Elko and the State of Nevada
- 8 committed a crime or crimes described as follows:
- 9 Count I, possession of a controlled substance, a
- 10 category E felony, as defined by NRS 453.336.
- 11 That the Defendant did unlawfully and knowingly
- 12 or intentionally possess actually or constructively
- methamphetamine is controlled substance.
- 14 All of which is contrary to the form of the
- 15 statute in such cases made and provided and against the peace
- 16 and dignity of the State of Nevada.
- Dated September 19th, 2018, Tyler J. Ingram, Elko
- 18 County District Attorney. Signed Daniel M. Roche, Deputy
- 19 District Attorney, State Bar Number 10732.
- To this charge, the Defendant has previously
- 21 entered a plea of not guilty.
- THE COURT: Thank you.
- 23 Counsel, do you stipulate to the Court reading
- 24 jury instructions number 1 and 2 to the jury?

- 1 before you retire to consider your verdict.
- 2 This is a criminal case commenced by the State of
- 3 Nevada which I may sometimes refer to as the State, against
- 4 the Defendant, Sarah Elizabeth Gravelle. The case is based on
- 5 a criminal information which has been read to you.
- 6 You should distinctly understand that the
- 7 Criminal Information simply contains a charge. It is not in
- 8 any sense evidence of the allegations it contains, nor is it
- 9 an exhibit substitute for the instructions which detail the
- 10 elements of the crime charged which I will give you at the
- 11 close of the case.
- The Defendant plead not guilty to the crime
- 13 charged in the Criminal Information. The State therefore, has
- 14 the burden of proving each element of the crime charged beyond
- 15 a reasonable doubt.
- The purpose of the trial is to determine whether
- 17 the State can meet this burden. The trial will proceed in the
- 18 following order.
- First, the parties have the opportunity of making
- 20 opening statements. The State may make an opening statement
- 21 at the beginning of the case.
- The Defendant may make an opening statement
- 23 following the opening statement for the State or may defer the
- 24 making of an opening statement until the close of the state's

Page 6

- 1 MR. LEAMON: Yes, Your Honor.
- 2 MR. ROCHE: We do, Your Honor.
- 3 THE COURT: Thank you. Some jurors have wondered
- 4 why the jury instructions are not read until after all the
- 5 evidence has been admitted at the end of the case.
- First of all, that's because the law in Nevadaactually requires that the jury instructions be read at that
- 8 time.
- 9 But the reason behind that is until the evidence
- 10 is developed during the trial, I don't know which specific
- 11 instructions should be given to the jury.
- However, the attorneys usually agree that the
- 13 Court can read jury instructions number 1 and 2 to the jury
- 14 before we start.
- Jury instruction number one gives you kind of a
- 16 road map about how the trial will go along and how it will
- 17 develop.
- 18 Instruction number two tells you how jurors can
- 19 ask questions.
- 20 Instruction number one. Ladies and gentlemen of
- 21 the jury, this instruction is intended to serve as an
- 22 introduction to the trial of this case. It is not a
- 23 substitute for the detailed instructions on the law and the
- 24 evidence which I will give you at the close of the case and

- 1 case.
- 2 Neither party is obliged to make an opening
- 3 statement. What is said in the opening statements is not
- 4 evidence. The statements simply serves the purpose of an
- 5 introduction to the evidence which the party making it intends
- 6 to produce.
- Second, the State will introduce evidence in
- 8 support of the charge contained in the criminal information.
- 9 Third, after the State has presented its
- 10 evidence, the Defendant may present evidence. However, she is
- 11 not obliged to do so.
- The burden is always on the State to prove every
- 13 element of the offense charged beyond a reasonable doubt. The
- 14 law never imposes on the Defendant in a criminal case the
- 15 burden on calling any witnesses or introducing any evidence.
- Fourth, I will instruct you on the applicable
- 17 law. Your verdict must be unanimous.
- Fist, each party has the opportunity to present
- 19 oral argument in support of the respective case of each. What
- 20 is said in closing argument is not evidence just as what is
- 21 said in the opening statement is not evidence.
- The arguments are designed to present to you the
- 23 contentions of the parties as to what the evidence has shown

24 and what inferences maybe drawn from the evidence.

Page 9

- The State has the right to open and close the 1 2 argument.
- Your purpose as jurors is to find and determine
- 4 the facts. Under our system of criminal procedure, you are
- the sole judge of the facts.
- If at any time I should make a comment regarding 6
- the facts, you are admonished to disregard it. 7
- It is especially important that you perform your
- duty of determining the facts diligently and consciously for
- ordinarily there is no means of correcting an erroneous
- determination of the facts by a jury.
- 12 On the other hand, and with equal emphasis, I
- instruct you that the law as given by the Court constitutes
- the only law for your guidance. It's your duty to accept and
- follow it. It is your duty to follow the law as I give it to
- you even though you may disagree with the law.
- You are to determine the facts in the case solely 17
- from the evidence produced at trial which consists of the
- testimony of witnesses and exhibits received in evidence.
- Questions asked by lawyers are not evidence for 20
- the evidence consists of answers given by witnesses, the
- questions posed by the lawyers.
- 23 Again, statements and arguments of counsel are 24 not evidence. Counsel, however may enter into agreements or

- 1 witness in the outcome of the case if any, the existence or
- 2 non extensive a bias or motive. The inclination of the
- 3 witness to speak truthfully or not.
- The probability or improbability of the
- statements of the witness. The statement previously made by
- 6 him or her that is inconsistent with hits or her testimony.
- 7 Evidence of the existence or non-existence of any fact,
- 8 testified to by him and all other facts and circumstances in
- evidence.
- 10 No statement, running remark or comment which I
- 11 may make during the course of the trial is intended to
- 12 indicate my opinion as to how you should decide the case or to
- influence you in any way in your determination of the facts.
- At times I may ask questions of witnesses. If I
- do so, it is for the purpose of bringing out matters which I
- 16 feel should be brought out and not in any to indicate my
- opinion about the facts or to indicate the weight I feel you
- should give the testimony of the witnesses.
- I may also find it necessary to admonish the
- 20 lawyers. If I do, you should not show prejudice toward a
- 21 lawyer or his client because I have found it necessary to
- 22 admonish him.
- 23 It is the duty of an attorney to present to you
- 24 his client's case in the most favorable light consistent with

Page 10

- 1 stipulations of facts which are not in dispute. When they do 1 the truth and the law.
- 2 so, you are to accept the facts as stipulated by counsel.
- On occasion, I may tell you that I am taking
- 4 judicial notice of certain facts. You then may accept those
- 5 facts as true but are not required to.
- It is up to you to decide what inferences are to
- 7 be drawn from the evidence and what facts are established by
- the evidence. The parties may sometimes present objections to
- some of the testimony or other evidence. 9
- 10 It is the duty of a lawyer to object to evidence
- which he believes may not properly be offered, and you should
- 12 not be prejudiced in any way against a lawyer who makes
- 13 objections or against the party who represents.
- At times I may sustain objections or direct that 14
- you disregard certain testimony or exhibits. You must not
- consider any evidence to which an objection has been sustained
- or which I've instructed you to disregard.
- In considering the weight and value of the 18
- 19 testimony of any witness, you may take into consideration the
- appearance attitude and behavior of the witness.
- 21 The extent of this opportunity and ability to see
- or hear or otherwise become aware and to remember and
- communicate the interest of the witness -- let me try that
- 24 again and to remember and to communicate. The interest in the

- During the trial I ask you not to communicate
- 3 with the attorneys even on matters having no connection
- 4 whatsoever with this case. The attorneys are officers of the
- court and they are aware of their responsibilities as such.
- Even if you are acquainted with the attorney, you
- 7 will observe that he will avoid any contact with you during
- the trial and you should not be offended there by it.
- He will be attempting to merely comply with the
- 10 rules of professional conduct and avoid the appearance of any impropriety.
- 12 Not only must your conduct as jurors be above
- 13 reproach, but you must avoid the appearance of improper
- conduct. Do not talk to the parties, attorneys or witnesses
- during the trial even upon matters unconnected with the case.
- In the event that anyone should attempt to
- improperly influence you in any matter you should promptly
- report the matter to me or to the bailiff.
- 19 If you notice anything out of the ordinary you
- should promptly report the matter to me or to the bailiff.
- You must not consider anything you have read or heard about 22 the case outside the courtroom whether before or during the
- 23 trial.
- You must not conduct independent research,

Page 13

- 1 investigations or experiments prior to or during your 2 deliberations.
- Under our system of criminal procedure, you are
- 4 not to concern yourself in any way with the sentence which the
- 5 Defendant might receive if you should find her guilty. Your
- 6 function is solely to decide whether the Defendant is guilty
- 7 or not guilty of the charge against her.
- If and only if you find her guilty of the charge
- 9 in this case, then it becomes the duty of the court to
- 10 pronounce sentence.
- Until this case is submitted to you, you must not
- 12 discuss it with anyone even with your fellow jurors.
- 13 After it is submitted to you, you must discuss it
- ohm in the jury room with your fellow jurors. It is important
- that you keep an open mind and not decide any issue in the
- case until the entire case has been submitted to you under
- instructions of the court.
- Instruction number two. You will be given the 18
- 19 opportunity to ask written questions of any witnesses called
- to testify in this case.
- However, I caution you that you are not to
- 22 consider yourselves advocates and you are not encouraged to
- ask large number of questions because it is the primary
- 24 responsibility of each lawyer to present his client's case and

- 1 each word in a given jury question correctly. Please try to
- 2 be specific with your questions and only cover one subject
- 3 with each question. Phonetic spelling is acceptable.
- Do not concern yourselves with the form of the
- 5 question because I will reword it so that it is presented to
- 6 the Court witness in the proper manner.
- We have now reached the stage of the proceeding
- 8 where the attorneys make their opening statements. The law
- 9 requires that the attorney for the State make his opening
- 10 statement first. Defense counsel may then make his opening
- 11 statement or reserve it until the conclusion of the state's 12 evidence.
- 13 Mr. Roche, you may proceed.
- 14 MR. ROCHE: Members of the jury, the State
- 15 intends to present evidence at this trial showing that on
- 16 August 22nd of 2018, the Defendant, Sarah Gravelle having
- 17 possession of methamphetamine. This should be a relatively
- 18 short trial.
- In order to prove these charges, the State only 19
- 20 intends to call four witnesses. The first witness will be
- 21 Elko police officer, Joshua Taylor who conducted a traffic
- 22 stop at 2 o'clock in the morning on August 22nd, 2018.
- 23 His testimony will be that the Defendant, Sarah
- 24 Gravelle was driving a vehicle and there was a passenger named

Page 14

1 evidence.

- You may ask a question which you need to have
- 3 answered in order to obtain all of the facts necessary for
- your deliberations.
- Questions maybe asked only in the following
- 6 manner. After both lawyers have finished questioning a
- 7 witness, I will ask the jury if it has any questions. Your
- 8 questions must be written with your juror number on each
- question.
- In order to ask a question, simply raise your 10
- 11 hand and the bailiff will deliver your written question to the
- 12 court. Questions must be directed to the witness instead of
- 13 the lawyers or the Judge.
- 14 After consulting with counsel at a side bar
- conference, the Court will determine if the written question
- 16 is legally proper. If it is, I will ask it. Only questions
- permissible under the rules of evidence will be asked.
- No adverse inference should be drawn if the Court 18
- does not allow a particular question to be asked. After the
- question has been answered the Court may ask a follow up
- 21 question and will permit the attorneys to ask follow up
- 22 questions.
- 23 The jury must not place undue weight on the
- 24 responses to its questions. It's not necessary that you spell

- 1 Nicholas Dunn. The passenger was known to law enforcement and
- 2 Officer Taylor became concerned so he had another officer
- 3 report and assist him in the traffic stop. And that officer
- 4 dealt with Mr. Dunn and Officer Taylor went around the vehicle
- 5 and spoke with Miss Gravelle.
- During his interactions with her, for various
- 7 reasons, he became suspicious that there were narcotics in the
- 8 vehicle. And Officer Taylor is a canine officer and his
- 9 partner King was brought out and did a drug sniff on the
- 10 vehicle and alerted to the presence of narcotics.
- And so Officer Taylor and our second witness,
- 12 Officer Pinkham, conducted a search of that vehicle and in the
- 13 back of that vehicle they found a blue back pack.
- Inside of that blue backpack there was a pink
- 15 eyeglasses case and inside of that pink eyeglasses case, and
- 16 inside of that pink eyeglasses case, among other items, there
- 17 was a small baggy of white crystalline substance and there was
- 18 also a little container with another white baggy with
- 19 crystalline substance.
- The State intends to call Brandin Smith from the
- 21 Elko Police Department. She packaged those two items and sent
- 22 them to Washoe County and then our last witness tomorrow
- 23 morning will be Brad Taylor from the Washoe County crime lab

24 who will testify that he tested those substances, or he tested

Page 20

Page 17

- 1 one of those baggies and was positive for methamphetamine and
- 2 he confirmed that's what it was.
- Based on that evidence and the fact that there
- 4 were multiple items found in that backpack that belonged to
- 5 the Defendant, Miss Gravelle, the State will ask you to find
- 6 her guilty of possession of a controlled substance.
- Thank you.
- THE COURT: Mr. Leamon, do you wish to make your
- 9 opening statement now or reserve it until the chose of the
- 10 State's case?
- 11 MR. LEAMON: I'll make it now, Your Honor.
- 12 Good afternoon. As Mr. Roche indicated, the
- 13 evidence is going to show a lot of things today.
- One, Mr. Dunn was known to law enforcement. He 14
- 15 was known as a methamphetamine user. Officer Taylor is going
- 16 to testify to that.
- 17 Officer Taylor is also going to testify that when
- 18 he initiated the stop, he saw Mr. Dunn looking around making
- 19 erratic movements with his left hand. He was going to testify
- 20 that he was worried that Mr. Dunn might have been stashing
- 21 something.
- 22 Officer Pinkham is going to testify that the
- 23 backpack was found in the rear passenger floor board. Then
- 24 heaps going to testify that the eyeglasses case where the

- DIRECT EXAMINATION
- BY MR. ROCHE:
- 6 Q. Mr. Taylor, where are you employed?
- 7 A. City of Elko in the police department.

- 9 A. Just over four years, now.
- 10 Q. What kind of training did you have in order to

- 16 A. He's a Belgian Malinois named King.
- 17 Q. And how long have you known King?
- 18 A. Let's see, over two and a half years now.
- 19 O. What kind of training has he received?
- 20 A. Narcotics detection.
- 21 Q. And where did he receive that training?
- 22 A. He -- he trained with some other trainers prior
- to me and then came to me and now we continually train.
- 24 Q. And what has he been trained to do?

Page 18

- 1 A. Find a narcotic odor specifically for
- methamphetamine, cocaine heroin and ecstasy.
- 3 O. Does he alert to any other narcotic?
- 4 A. No.
- 5 Q. And have you been able to determine whether to
- confirm that's the case in your experience with him?
- 7 A. That's through training and live experiences,
- yes. 8
- 9 Q. I'm going to draw your attention to August 22nd
- of this last year, were you working that day?
- 11 A. I was on that shift.
- 12 Q. What hours is that shift?
- 13 A. 7:00 p.m. to 7:00 a.m..
- 14 Q. And did you become involved in conducting a
- traffic stop that night?
- 16 A. Yes.
- 17 Q. Do you recall what time it was?
- 18 A. Around the 2 o'clock hour in the morning, around
- 2:00 a.m., around that time. 19
- 20 Q. And what is the reason for the traffic stop?
- 21 A. There was. I couldn't see the license plate, so
- 22 the license plate light was completely out. It was all dark
- around the license plate.
- 24 Q. And where did you conduct that stop?

1 methamphetamine was found was located in the top compartment

- 2 of that backback.
- So we believe that these facts, we're going to
- 4 ask that you come back with a verdict of not guilty based on
- 5 these facts.
- Thank you. 6
- THE COURT: The Court will order the exclusion of
- 8 witnesses. What that means is that other than a witness, when
- 9 the witness is testifying in court, the witness must wait
- 10 outside the courtroom.
- The witness is also not to discuss the testimony
- 12 with one another or with anyone else other than the attorneys
- 13 until the conclusion of the trial.
- 14 Mr. Roche, you may call your first witness.
- 15 MR. ROCHE: The State's first witness is Joshua
- 16 Taylor.
- THE COURT: Please face the clerk and raise your 17
- 18 right hand.
- JOSHUA TAYLOR. 19
- 20 called as a witness on behalf of the
- STATE, was duly sworn and 21
- 22 testified as follows:

- 1 A. I turned on my lights behind the vehicle as it
- 2 turned north, so a right-hand turn off of Idaho on Fourth
- 3 Street and it stopped around Fourth and Court.
- 4 Q. And is that here in the City of Elko, Elko
- 5 County, Nevada?
- 6 A. Yes, sir.
- 7 Q. And where exactly did that vehicle come to a
- 8 stop?
- 9 A. Just, just on Court Street, just east of Fourth,
- 10 I kind of made the turn and turned next to the curb.
- 11 Q. Is that relatively close to where we are right
- 12 now?
- 13 A. Yeah, a block, block and a half a way.
- 14 Q. After you made that stop, what were your first
- 15 observations?
- 16 A. Well, as we were making the stop, the vehicle
- 17 didn't have any tint on it. I'm sure a lot of people have
- seen lights on patrol vehicles is very, very bright so I was
- 19 able to let somewhat of occupants inside.
- I saw the passenger kind of make some weird
- 21 movements at first and then I approached that passenger side.

to him, kind of move around a little bit down there and came

7 Q. Based on what you observed, what did you decide

talk to that person as well, because it's always nervous for a

law enforcement officer when somebody puts hands, especially

out of sight, reach down during a traffic stop and stuff like

I don't know how many times I've found knives, batons

actually, guns, all kind of stuff underneath the seat or

they're obvious, but can you state those for us?

20 Q. So did you make that passenger side approach?

22 Q. And did you make contact with the passenger in

24 A. It was kind of taller person, you could see just

5 Q. Did you see him reach anywhere else in?

- 1 Q. Did you know who that was?
- 2 A. I've spoken to him several times.
- 3 Q. Do you recall his name?
- 4 A. Nicholas Dunn or Dunn (pronouncing), I don't know
- 5 exact, I always say it wrong, but it's spelled Dunn.
- 6 Q. Once you made contact with him, what did you
- decide to do?
- 8 A. I decided to go back to my vehicle because I was
- 9 the only officer there at the time there was two people I
- didn't know. The driver at the time, I hadn't had prior
- 11 history with her. I had history with Mr. Dunn.
- So I went back to my vehicle to give a records
- check to dispatch and their information and wait for another
- unit to arrive. I forget who copied my traffic stop, but I
- 15 heard someone on the radio that they were heading to my
- 16 location.
- 17 Q. When did that other person arrive?
- 18 A. What's that?
- 19 Q. How long was it before that other person arrived?
- 20 A. A minute or two.
- 21 Q. When they arrived, what did you do?
- 22 A. I asked them and I don't remember exactly who it
- was, but I asked them to go talk to Mr. Dunn, get him out of
- 24 the vehicle, make sure he didn't stash any weapons on his

Page 22

- 1 person and didn't pull any weapons out, make sure he had no
- 2 weapons while I spoke to the driver.
- 3 Q. Did you speak with the driver?
- 4 A. I did.
- 5 Q. Is that person in here in court today?
- 6 A. Yes, she is.
- 7 O. And could you point to where she's seated and
- 8 tell us what she's wearing?
- 9 A. To your right my left, red hair glasses and a
- 10 leather type jacket.
- MR. ROCHE: May the record reflect identification
- of the Defendant?
- THE COURT: The record will so reflect.
- BY MR. ROCHE:
- 15 Q. At that point in time, was anyone in custody?
- 16 A. No.
- 17 Q. You initially contacted the driver of the
- vehicle. Did you speak to her first or did she speak to you
- 19 first?
- 20 A. On the very initial approach on the passenger
- 21 side.
- 22 Q. Yes?
- 23 A. I don't know if she said something to me first or
- 24 I said something to her first but I spoke to both occupants

the vehicle.
A. Yes, I did.

- from the passenger side initially.
- 2 Q. So Mr. -- so when you first approached the
- 3 passenger side, you spoke to both people?
- 4 A. Yes, sir.
- 5 O. And at that time what was their conversation?
- 6 A. I asked Mr. Dunn what he was doing, and he said
- oh, I was just messing with my seat belt or taking off my seat
- 8 belt, something about the seat belt with his actions.
- 9 And then I got information I don't remember if I
- got the insurance and registration paperwork but the traffic
- 11 stop stuff identify the people inside and get the paperwork.
- 2 Q. And then after that, what did you do?
- 13 A. That's when I went back to the vehicle and waited
- 14 for back up and gave the information to dispatch.
- 15 Q. When you approached the driver's side door the
- second time, what was the conversation at that point?
- 17 A. I wanted to talk to Miss Gravelle a little bit
- 18 about how she knew the passenger immediately because Mr. Dunn
- is an admitted narcotic user, I've talked to him several
- 20 times, he's been around narcotics. He's a known felon, he's a
- 21 known person in the community with law enforcement.
- So I kind of talked to her about what her
- association with him and if she's ever used narcotics before.
- 24 Q. Was anyone in custody at that point?

- I said, okay, so you decided to detain her
- 2 further because of who she was hanging out with?
- Answer, I decided to speak with her regarding
- 4 dot, dot, dot. Well, she wasn't free to leave, was she.
 - No, she was being detained. Oh, yes, sir.
- 6 So I think that would establish that she was in
- custody for the purpose of Miranda or I think that was
- 8 establish custody for the purpose of Miranda which would have
- 9 required Miranda warnings at that time.
 - THE COURT: Okay. Mr. Roche.
- MR. ROCHE: We're at the initial stage of a stop,
- 12 so based on that argument any statement by anyone subject to a
- 13 traffic stop would be suppressed and honestly, the State still
- 14 would be adamant that the defense never moved to suppress
- 15 these statements and that's the argument is that there was a
- 16 custodial un-Mirandized interrogation. That's something they
- should have brought up earlier.THE COURT: Well, I --
- MR. ROCHE: -- setting that aside, every -- every
- 20 time you have a conversation at the driver's side window with
- 21 somebody at a traffic stop, it's not a custodial
- 22 interrogation.
- She volunteered this information because he just
 - 4 asked about her relationship with Mr. Dunn.

Page 26

- 1 A. No.
- 2 Q. Nobody had been placed under arrest?
- 3 A. No.
- 4 Q. And what was her response to your question?
- 5 MR. LEAMON: I'm going to object at this point,
- 6 Your Honor, based on our or the Court's previous ruling, he
- 7 would have to establish that this was not a custodial
- 8 interrogation, Miranda was not present.
- 9 THE COURT: Let's argue this in a side bar.
- 10 Counsel, come forward, please.
- 11 (Side bar conference.)
- THE COURT: You got to make sure you get into the
- microphone our transcriptionist is not picking things up from
- 14 these arguments very well.
- MR. LEAMON: So I -- I believe --
- 16 THE COURT: Closer.
- MR. LEAMON: So I believe the State has --
- THE COURT: You're going to have to be louder.
- MR. LEAMON: Okay. So the State has not shown
- 20 that she was not in custodial interrogation. I think she was
- 21 clearly in custody and I think Officer Taylor's testifying
- 22 inconsistently with what he testified to at the prelim. I was
- 23 specifically asked him, they were talking about the
- 24 conversation.

THE COURT: I think you were asking he was asking

- 2 what she knew about drugs or if she had used drugs before
- 3 that's where we were getting to.
- 4 Mr. Leamon, you should have raised this in a
- 5 motion to suppress. With that being said, Mr. Roche, I can't
- 6 allow evidence in that's would be plain error on appeal.
- I make the initial decision, but there's a jury
- instruction that has to be read to the jury where they can
- 9 also make a decision about whether this was custodial
- interrogation, but you're going to have to one of those
- instructions before it's time to instruct them.
- What I'm going to do, Mr. Leamon, is let you take
- the witness on voir dire because of what appeared to be inconsistent statements and then I will rule on whether it's
- 15 admissible.
- 16 MR. LEAMON: Okay.
- 17 THE COURT: If you want to ask more questions
- after he takes the witness on voir dire, you can to further develop the case, and then I'll make the decision whether it's
- 20 admissible.
- MR. LEAMON: Okay. Thank you.
- (Side bar conference concluded.)
 - THE COURT: Go ahead, Mr. Leamon, you can take
- 24 the witnesses on voir dire.

- 1 VOIR DIRE EXAMINATION
- 2 BY MR. LEAMON:
- 3 Q. Officer Taylor, at any point in your interactions
- 4 with Miss Gravelle, did you ever Mirandize her?
- 5 A. Prior to the arrest, no, sir.
- 6 Q. Now, you just testified that she was not in
- 7 custody at that point; correct?
- 8 A. When I was at the driver's side?
- 9 O. Correct?
- 10 A. Yes, sir.
- 11 Q. And at this point, you cannot remember whether
- 12 you had her ID, insurance or any documentation like that?
- 13 A. I would have asked for it already, but I don't
- 14 know if she was able to provide it.
- 15 Q. So do you remember testifying about this case at
- 16 a preliminary hearing?
- 17 A. Yes, sir.
- 18 Q. And you were placed under oath at that
- 19 preliminary hearing; correct?
- 20 A. Yes, sir.
- 21 Q. And you were ordered to tell the truth?
- 22 A. Yes, sir.
- 23 Q. And that's what you did?
- 24 A. Yes, sir.

- 1 words.
- 2 Q. Would she have felt like she was free to leave
- 3 under the circumstances of your conversation?
- 4 A. Probably not.
- 5 THE COURT: The Defendant was in custody at that
- 6 time. There were two officers present. Officer Taylor, were
- you in uniform.
- 8 THE WITNESS: Yes, ma'am.
- 9 THE COURT: With your weapon?
- 10 THE WITNESS: Yes, ma'am.
- 11 THE COURT: And was the other officer also?
- THE WITNESS: Yes, ma'am.
- THE COURT: The officers were on duty dressed as
- 14 police officers. The officer testified she wasn't free to
- 15 leave. He doesn't know whether he communicated to her, but
- 16 felt she probably would not have felt free to leave.
- A reasonable person would not have felt free to
- 18 leave there for she was in custody, had not been Mirandized,
- so therefore, her statements will not be admissible.
- 20 Go ahead with your examination, Mr. Roche.
- 21 BY MR. ROCHE:
- 22 Q. During your conversation --
- MR. ROCHE: So to clarify, nothing that she says
- 24 to the officer is admissible at trial?

Page 30

raye 32

- 1 Q. Okay. So do you remember me asking you questions
- 2 about the same situation at that time?
- 3 A. Vaguely.
- 4 Q. Okay. And I'm going to read part of the
- 5 transcript. And I asked you, okay, so you decided to detain
- 6 her further because of who she was hanging out with?
- 7 And you stated, and tell me if this is your
- 8 recollection. I decided to speak with her regarding, I guess
- 9 that's -- I guess I interrupted you. I apologize about that.
- I asked you well, she wasn't free to leave was
- she and you testified no.
- Do you remember testifying to that at the
- 13 preliminary hearing?
- 14 A. And which is correct she wouldn't be free to
- 15 leave at that time.
- 16 Q. Okay. So she was not free to leave and you did
- 17 not read her Miranda rights; correct?
- 18 A. Correct.
- MR. LEAMON: Nothing further, Your Honor.
- THE COURT: Any questions on that particular
- 21 subject, Mr. Roche.
- BY MR. ROCHE:
- 23 Q. Did you tell her if she was free to leave.
- 24 A. I don't recall if I specifically said those

- THE COURT: Not under right where we're talking
- 2 about right here. She's in the car, the two officers are
- 3 there. He's asked her questions, hasn't Mirandized her yet.
- 4 So if he's got something further down the road
- 5 that she was no longer in custody, then I could consider that.
- 6 But under the circumstances of these, this, what you're trying
- 7 to elicit right here is not admissible.
- BY MR. ROCHE:
- 9 Q. After your conversation with Miss Gravelle, what
- 10 did you ask her to do?
- 11 A. I asked her to exit the vehicle.
- 12 Q. And after she exited the vehicle, what did you
- 13 do?
- 14 A. I retrieved my narcotic detection dog.
- 15 Q. And what did you do with that dog?
- 16 A. I typically call random on the car. Basically, I
- deployed him on the vehicle and searched for narcotic odor.
- 18 Q. Now when you ask someone to step out of the
- vehicle, do you normally do anything for officer safety?
- 20 A. When I'm suspecting narcotics and asking them to
- exit a vehicle I do conduct a Terry pat to make sure there's
- 22 no weapons on them.
- 23 Q. Did you conduct a Terry pat in this case?
- 24 A. I did.

Page 33

- 1 Q. Did you find any --
- MR. LEAMON: I'm going to object at this point, 2
- 3 Your Honor.
- THE COURT: What's your objection? 4
- 5 MR. LEAMON: Relevance. I would like to explain
- further at side bar. 6
- THE COURT: All right. Side bar, counsel. 7
- 8 (Side bar conference.)
- THE COURT: Okay. Just a moment. I want to just 9
- 10 let you know, Mr. Roche, in the future if you want to put in
- 1.1. statements, you can always file a motion in limine even if the
- 12 Defendant doesn't file a motion to suppress.
- And then I can rule at pretrial whether they're 13
- coming in and then you know what direction you can go with. 14
- 1Š Mr. Mills does that quite a bit.
- All right. What's your objection, Mr. Leamon. 16
- 17 MR. LEAMON: Okay. So I'm objecting to
- relevance. I believe the State was about to elicit testimony 18
- 19 about the white plunger cap that was found on Ms. Gravelle's
- person. I don't believe it's relevant. I don't think it 20
- shows narcotics use. 21
- 22 Had there been some nexus between the white cap
- and the orange other cap that was found in the case, I think 23
- it might be a different situation, or if there was some needle

- two parts of the hypodermic needle are from the same needle.
- The relevance for me is whether you're going to be able to
- establish that this is how methamphetamine is sometimes used 3
- 4 is with the needle.
- 5 So are you going to be able to establish that?
- MR. ROCHE: I'm not intending to offer any 6
- evidence of methamphetamine use with a needle. I'm simply
- trying to offer, this is evidence that of possession of the
- backpack because of one item and another item that generally 10
 - would go together are (indiscernible) inside of the backpack.
- 11 THE COURT: Do you have anybody who can testify that these are both parts of a hypodermic needle? 12
- 13 MR. ROCHE: Sure, every officer.
- 14 THE COURT: I saw your picture and I know what
- 15 they look like.
- 16 MR. ROCHE: Every officer in this case can
- 17 testify to that.
- 18 THE COURT: You're going to have to be able to
- link it up that these two parts are parts of the hypodermic 19
- needle. It goes to the weight whether they're from the same. 20
- 21 MR. ROCHE: Okay.
 - THE COURT: Okay. So as long as you can link
- those two things that they're both parts of the same kind of
- equipment then can you get it in.

Page 34

22

- 1 that was found that this fit to, I believe it might be
- admissible, but just a cap alone, I don't think it's relevant.
- I don't think there's a foundation that the State can lay to 3
- show it's relevant. 4
- 5 THE COURT: Is that where you're going, Mr.
- 6 Roche?

10

- MR. ROCHE: No. It has nothing to do with drug 7
- use. It has to do with the fact that the other orange needle 8
- cap was found in the backpack. 9
 - It shows possession, because the plunger cap was
- 11 found in her pocket and the orange cap was found in the
- eyeglasses case with the contraband, so it shows possession. 12
- 13 It's not intended to offer any such thing as
- evidence of narcotics use. 14
- 15 MR. LEAMON: Just to respond to that, I believe
- 16 he would have lay a foundation showing that these two items
- belong or were part of the same kit or the same needle, and 17
- 18 without the ability, unless he can lay a foundation showing
- that, I don't believe it would be relevant. 19
- MR. ROCHE: I can't do that until the time comes. 20
- 21 It's chronological of when these items were found and so the
- 22 relevance is not going to be apparent until the other item is
- found in the search of the vehicle. 23
- THE COURT: For me the issue is not whether the 24

- 1 MR. ROCHE: Well, the significance is not going
- to be apparent until we get into the search of the vehicle.
- 3 THE COURT: Okay. Well, why don't you just --
- 4 don't ask her about that part that was found on her person at
- this point and just patted her down move on and we'll get to
- the search of the vehicle, then bring in what you found on her
- body and what you found in the vehicle.
 - MR. ROCHE: Okay.
- THE COURT: And put them together. All right. 9
- 10 Thank you.
- 11 (Side bar conference concluded.)
- THE COURT: The objection is overruled at this 12
- 13 time.

8

- 14 Go ahead, Mr. Roche.
- MR. ROCHE: We'll come back to that in a minute. 15
- BY MR. ROCHE:
- 17 Q. After you conduct that pat down search, you
- 18 mentioned before that you deployed your canine King. Please
- 19 describe that process for us?
- 20 A. It was for a regular vehicle deployment depending
- 21 on the area, but most of the time I get him out on a lead or a
- 22 leash, get him out of the vehicle and we'll start either the
- 23 rear bumper or the front bumper, somewhere that's easily
- accessible. I always try to choose the front bumper just the

- same spot, so it's pretty well fair for everything. 1
- 2 Go to the front bumper and I start
- 3 counter-clockwise pattern or circle around the vehicle, I
- think it's two full circles around it I guess smell or sniff
- for narcotic odor outside the vehicle.
- 6 Q. Is that what you did in this case?
- 7 A. It didn't make two full passes, he didn't even
- 8 make one full pass, yes, sir.
- 9 Q. So tell us what happened?
- 10 A. So we're walking up to the vehicle to the front
- 11 bumper, several feet away from the car and I noticed he had a
- change of breathing. So we went from that typical, goofy, 12
- 13 panting dog to engage his nose and his head -- well, I call it
- 14 a head snap.
- He directed his nose, towards -- towards an area, 15
- 16 in it case it was kind of the front door of the vehicle. He's
- 17 still three, four feet away which indicates to me he's found
- 18 already found some type of narcotic odor.
- That's one of his behavior changes when he finds 19
- 20 a narcotics odor his behavior, his breathing really starts to
- change and his head will snap to the direction that he 21
- believes it's coming from. 22
- 23 Instead of allowing him to follow that trail of
- narcotic odor, I actually pulled him off of that, where his

- that's a positive alert to the presence of a narcotic odor.
- 2 Q. What did that signify to you?
- 3 A. That he had it was a positive alert to the
- vehicle of a narcotic odor.
- 5 Q. And what did you do with him at that point?
- 6 A. I rewarded him, gave him his pay check and put
- him in the car.
- 8 O. Based on the drug scent, what did you decide to
- do next?
- 10 A. Conduct a -- excuse me, probable cause search of
- the vehicle.
- 12 Q. Did you do that by yourself?
- 13 A. Myself and Officer Pinkham, Dean Pinkham searched
- 14 the vehicle.
- 15 Q. And how did that occur, what was the process that
- you went through to search the vehicle?
- 17 A. I don't even recall if I put on gloves, but
- 18 basically Officer Dean Pinkham kind of like hey, you want to
- 19 start on that side, I'll start on this side. Just open the
- 20 door to start searching underneath seats and through
- everything in the vehicle. 21
- 22 Q. And what part of the car did you start on?
- 23 A. I started object on the front driver area.
- 24 O. And what about Officer Pinkham?

Page 38

Page 40

- breathing went back to normal to the front of the vehicle and
- started in a counter-clockwise manner. 2
- In which he had another breathing change as he 3
- came to the front door which the of the vehicle the driver's 4
- door and the window was mostly down and his change of
- breathing to engage in what's called rapidness where it's way 6
- 7 faster than we can ever sniff through our nose.
- edge of the window. His tail is really speeding up, that's

And he's sniffing super, super fast on the bottom

- one of his behaviors. He's getting excited because he knows 10
- 11 that odor.

- 12 He goes down, he's pressing his nose on the
- 13 window all the way to the back like rear seat where like you
- would smash your financial if you shut your hand in the door. 14
- Pressed his nose kind of worked that seem and just stopped. 15
- just stopped done. I'm done, I'm not moving. 16
- 17 I continue down the end of the lead, all right,
- let's go, come on, keep working, whatever I said. Sometimes 18
- 19 it's English sometimes in Czech, sometimes I speak to him in
- 20 Czech sometimes, and he -- no. So I applied some pressure to
- 21 the lead and he was, he's pulling back, he said no, I'm done.
- 22 And the culmination of the breathing, changes the
- 23 behavior changes the head snap the nose press him committed

- 1 A. I don't recall exactly where, but I believe he
- was on the passenger side.
- 3 Q. And as you searched that vehicle, did you find
- that confirmed an alert from your canine?
- 5 A. Officer Dean Pinkham brought to my attention some
- things that he had found and then showed me.
- 7 Q. What exactly did he show you?
- 8 A. There's a, from a backpack in the back seat
- somewhere, found a, like a pink, Juicy Couture eyeglasses case
- 10 and inside the eyeglasses case specifically the items we were
- 11 talking about, but there was specifically one bag with
- 12 suspected methamphetamine in it, and then there was like
- 13 another silver tin with another bag of suspected
- methamphetamine in it. 14
- 15 Q. Did you do anything to document what you found in
- the vehicle? 16
- 17 A. As far as later took pictures.
- 18 Q. All right.
- 19 A. And seize or seize the evidence.
- 20 Q. I show you what has previously been marked for
- 21 identification as State's Exhibit number seven; do you
- 22 recognize that?
- 23 A. I do. It's the Juicy Couture pink eyeglasses
- 24 case.

Page 44

Page 41

- 1 Q. Do you know who took that picture?
- 2 A. It's got to be me.
- 3 Q. And is that a true and accurate depiction of what
- 4 you observed on August 22nd of last year?
- 5 A. Yes, sir.
- 6 MR. ROCHE: Move for the admission of State's
- 7 Exhibit 7.
- 8 THE COURT: Any objection to the admission of
- 9 State's Exhibit 7?
- MR. LEAMON: No objection, Your Honor.
- THE COURT: Exhibit 7 is admitted.
- (Exhibit 7 admitted into evidence.)
- MR. ROCHE: May I publish it, Your Honor?
- 14 THE COURT: Yes.
- 15 BY MR. ROCHE:
- 16 Q. Showing you what's been marked for identification
- purposes as State's Exhibit 1.
- Do you recognize that?
- 19 A. I do.
- 20 Q. And what is it?
- 21 A. So there's, the card in here but more
- 22 specifically it's that same eyeglasses case that I took

that's the eyeglasses case that you saw that evening?

MR. ROCHE: Move for the admission of State's

MR. LEAMON: Can I see that? Your Honor, we I

don't object to the admissibility. There's a stipulation

between the parties that the item is not to be opened.

MR. ROCHE: That's correct, Your Honor.

THE COURT: Exhibit 1 is admitted with that

stipulation then the eyeglass case will not be opened.

THE COURT: Is that correct, Mr. --

(Exhibit 1 admitted into evidence.)

16 Q. Did you observe the contents of that eyeglasses

21 Q. And did you find items inside of that that were

significant with respect to your search for narcotics?

BY MR. ROCHE:

18 A. In the vehicle or at the vehicle?

20 A. At the scene at least, yes, sir.

24 Q. What exactly did you find?

case at the time?

THE COURT: Any objection.

- 1 A. The bag of narcotics or (indiscernible) bag of
- 2 narcotics at the time and then an orange cap.
- 3 Q. Did you just find one bag of narcotics?
- 4 A. There was two in total.
- 5 Q. Can you describe those how they looked to us
- 6 precisely?
- 7 A. Miniature Ziploc bags with like a white clear
- 8 crystalline substance inside of them. One was a little bit
- 9 bigger.
- There's another one that was smaller and folded
- 11 up it was a smaller Ziploc bag with the same type of substance
- in it folded up with a tin, it the tin had a clear top to it.
- MR. ROCHE: (Indiscernible), Your Honor.
- 14 BY MR. ROCHE:
- 15 Q. I'm going to show you what's been marked for

 - Do you recognize that?
- 18 A. That's one of the bags.
- 19 Q. Do you know which bag it is?
- 20 A. I can't remember which bag it is.
- 21 Q. I'm going to show you what's been marked as
- 22 State's Exhibits 9 and 10.
- Do you recognize those?
- 24 A. Yes. Ten or I guess 9. 9 is the tin with the

Page 42

- folded bag in it.
- 2 Q. Okay.
- 3 A. And then 10 is the tin opened with the bag pulled
- 4 out
- 5 Q. And then does that help you determine what's in
- 6 Exhibit Number 11?
- 7 A. 11 would have been the other bag I found.
- 8 MR. ROCHE: I move for the admission of state's
- 9 Exhibits 9, 10 and 11.
- THE COURT: Any objection Mr. Leamon?
- MR. LEAMON: May I see them?
- No objection to 11. No objection, Your Honor.
- THE COURT: Exhibits 9, 10 and 11 admitted.
- 14 (Exhibit 9 admitted into evidence.)
- 15 (Exhibit 10 admitted into evidence.)
- 16 (Exhibit 11 admitted into evidence.)
- MR. ROCHE: May I have permission to publish
- 18 those to the jury.
- 19 THE COURT: Yes.
- 20 BY MR. ROCHE:
- 21 Q. State's Exhibit 9, if you could just tell us
- again what they're looking at when I put it up there, officer?
- 23 A. So that's, that tin actually has the lid and
- there's like the tin the lid is clear and that was the bag

- folded up with the white clear-ish crystalline substance.
- 2 Q. And I apologize, that's State's Exhibit 10?
- 3 A. That's 10.
- 4 O. And here's State's Exhibit 9?
- 5 A. That's that same one we just saw but as found.
- The bag folded up in the tin and the tin with the lid on.
- 7 O. And State's Exhibit 11?
- 8 A. And that one was what I call more like the free
- bag it was just in the eyeglasses case (indiscernible).
- MR. ROCHE: Indulgence, Your Honor. 10
- 11 BY MR. ROCHE:
- 12 Q. I'm going to show you what's been marked as
- State's Exhibit 2. 13
- Do you recognize that? 14
- 15 A. Yes.
- 16 O. What is that?
- 17 A. So this is one of the bags, right now I don't
- recall if I can get it to move. One of the bags that had the
- 19 crystalline-type substance the suspected methamphetamine in
- 20 it.
- 21 Q. And is there away that you can determine that is
- the bag that you took into evidence that night?
- 23 A. It is the bag that I took into evidence. It has
- my seal on top. The only thing different is it's been

- 1 Q. Describe that for us, if you would?
- 2 A. So it's a, it's a cylindrical cap kind of ribbed,
- real small and thin. I see them a lot as a law enforcement
- officer especially one that tries to find narcotics. I see
- them a lot (indiscernible). It's the cap end to cover the
- needle of a hypodermic device or an injection needle.
- 7 Q. And why did that have significance to you?
- 8 A. Because I found the other -- well most hype
- determine mix I've ever found have two caps. The orange one
- that covers the needle and there's the white large one that 10
- 11 covers the plunger side. I found the white plunger side
- earlier. 12
- 13 Q. Where did you find that white plunger side?
- 14 A. I believe it was, I can't remember exactly which
- pocket now, I believe it was the left front pocket of Ms.
- Gravelle's jeans.
- 17 Q. And when did that occur?
- 18 A. During the Terry pat, I asked her if I could
- search her pockets and she allowed.
- 20 Q. So just to clarify you found a white plunger cap
- in her pocket when you patted her down?
- 22 A. Yes.
- 23 Q. And then you found an orange needle cap inside
- the eyeglasses case in the backpack?

Page 46

- 1 A. Yes, sir.
- 2 Q. Did you find anything else in that backpack that
- 3 was significant to you?
- 4 A. Again more items were brought to my attention but
- I did seize like receipts.
- 6 Q. Okay. Can you describe those receipts or why
- were they significant?
- 8 A. So there was several receipts in the bag. And
- the ones that I was looking at, I don't remember how many
- there were, but there were several receipts with Sarah 10
- Gravelle's name on it and then also locations of California.
- 12 Q. I show you what has been marked as State's
- Exhibits 5 and 6. 13
- 14 Do you recognize those?
- 15 A. So, this one is five. This one has her name and
- someone else's name on it. It's a money transfer slip or a
- 17 money receipt and it had Sarah Gravelle's name on it.
- 18 MR. LEAMON: I'm going to object at this point,
- 19 Your Honor, I believe we're getting into hearsay territory as
- 20 to what the receipts say, what they're supposedly for.
- And using that information would be hearsay. 21
- Granted it's not from a person but it is an out-of-court 22
- 23 statement right now.
- THE COURT: Mr. Roche? 24

probably by lab or whoever did the testing cut and sealed

- again at the bottom.
- 3 Q. I'm going to show you what's been marked as
- State's Exhibit 3.
- 5 Do you recognize that?
- A. That's the other bag.
- 7 Q. Are you able to determine which bag is which?
- 8 A. I don't recall exactly one honestly came from the
- (indiscernible) I don't know which ones came from the
- 10 (indiscernible).
- 11 Q. Was there much difference where you located
- these? 12
- 13 A. They were both in the same eyeglasses case.
- MR. ROCHE: Move for the admission of State's 14
- 15 Exhibits 2 and 3.
- THE COURT: Any objection? 16
- MR. LEAMON: No objection. 17
- 18 THE COURT: Exhibits 2 and 3 are admitted.
- (Exhibit 2 admitted into evidence.) 19
- (Exhibit 3 admitted into evidence.) 20
- BY MR. ROCHE: 21
- 22 Q. Did you look at anything else inside that
- eyeglasses case that has significance to you?
- 24 A. There's that orange cap.

Min-U-Script®

Page 49

- MR. ROCHE: I'm not sure what statement he's
- 2 referring to, if he's talking about the contents of the
- 3 receipts (indiscernible) for the photographs.
- But the only reason they're being offered at this
- 5 point is that printed names on them so we don't need to go
- 6 into (indiscernible).
- 7 THE COURT: That's fine. Then I guess the
- 8 objection is sustained.
- 9 BY MR. ROCHE:
- 10 Q. Continue describing those. Why were those
- 11 significant?
- 12 A. Because they have Sarah Gravelle's name on them.
- 13 Q. Now you have two photographs there. Are those
- 14 the same receipt?
- 15 A. Different receipts.
- 16 Q. And where were those located?
- 17 A. From that same backpack with the eyeglasses case
- 18 was found.
- 19 Q. Did you take those photographs?
- 20 A. I did.
- MR. ROCHE: Move for the admission of State's
- 22 Exhibits 5 and 6.
- THE COURT: Any objection?
- MR. LEAMON: No objection, but we need, I guess,

- 1 information that would be detrimental to Miss Gravelle. It's
- 2 just mainly the money transfer of this.
- THE COURT: Do you have any objection, Mr. Roche,
- 4 to the Court instructing the jury this is offered only for
- 5 purposes of showing her name is on the receipt and the receipt
- 6 was found in the backpack where the eyeglass case was found
- 7 and you shouldn't draw any other inferences.
- 8 MR. ROCHE: That's fine, Your Honor.
- 9 MR. LEAMON: Okay.
- THE COURT: That works for you, Mr. Leamon.
- 11 MR. LEAMON: Yep.
- 12 THE COURT: All right.
- (Side bar conference concluded.)
- 14 THE COURT: Mr. Roche, why don't you go ahead and
- publish Exhibit 5 and then I will instruct the jury.
- You will notice here on Exhibit 5, this receipt
- shows the name of Sarah Gravelle. That receipt has been
- 18 admitted in evidence for purposes of showing that it was found
- in the backpack where the eyeglass case was found. You shouldn't draw any other inference from the
- 21 information that's contained on that receipt other than her
- 22 name.
- MR. ROCHE: May I publish Exhibit 6, Your Honor?
- THE COURT: Yes.

Page 50

- 1 this should be a limiting instruction based on the prior
- 2 ruling
- 3 Basically it's just offered for Miss Gravelle's
- 4 name. And there's no way to admit it without admitting all
- 5 the other stuff that's also located on the receipt.
- 6 THE COURT: Mr. Roche.
- 7 MR. ROCHE: I'm not quite sure what the objection
- 8 is.
- 9 THE COURT: I'm not either.
- MR. LEAMON: Permission to approach for a side
- 11 bar?
- 12 THE COURT: Yes.
- 13 (Side bar conference.)
- MR. LEAMON: Basically the objection is due to
- the nature of this, this is a money transfer, so I'm worried
- that would be potentially be looked at as maybe the money
- part, some type of drug deal or something along those lines.
- So the objection was sustained as to any hearsay
- 19 information because as far as the truth of the matter
- asserted, you know, this is saying that there was some type of
- 21 financial transaction between these parties.
- So then I guess the question is how do we admit
- 23 this. You know based on the court's prior ruling, this one
- 24 recycling I've got no issue with 6. I don't think it has any

- 1 BY MR. ROCHE:
- 2 Q. And Officer Taylor, does that --
- 3 A. Underneath that line at the bottom of that
- 4 receipt shows Sarah Gravelle again.
- 5 Q. And what did that signify to you.
- 6 A. Her, her receipts and what I suspect would be her
- 7 backpack where the eyeglasses came from.
- 8 Q. Let me show you what's been marked as State's
- 9 Exhibit 4.
- 10 Do you recognize that?
- 11 A. I do.
- 12 Q. And what is it?
- 13 A. So see if I can move, it's got the receipts it
- 14 should have been both there are stickers in the way. There we
- 15 go. It's got we put them kind of back to back. It's got both
- of those receipts that were just shown in this bag.
- 17 Q. Do you know how those receipts got in the
- 18 envelope?
- 19 A. I put them in there.
- 20 Q. Are those the receipts that we just saw on the
- 21 over head project tore?
- 22 A. Yes, sir.
- MR. ROCHE: I move for the admission of State's
- 24 Exhibit 4.

Page 53

- 1 THE COURT: Any objection?
- 2 MR. LEAMON: No objection, just with the limiting
- 3 instruction.
- 4 THE COURT: State's Exhibit 4 is admitted with
- 5 the same instruction from the Court about Exhibit 5, that it's
- 6 admitted only for purposes of her name on the receipt that was
- 7 found in the backpack where the eyeglass case was found.
- 8 (Exhibit 4 admitted into evidence.)
- 9 BY MR. ROCHE:
- 10 Q. So we've covered some of this already, but you
- 11 photographed those items after you located them. And what did
- you do with them after you photographed them?
- 13 A. I packaged them in the evidence bag, sealed them,
- put the case number and date and my initials on them and put
- them into our evidence system.
- 16 Q. Now, I'm going to draw your attention
- 17 specifically to Exhibits 2 and 3, those two baggies that you
- 18 (indiscernible)?
- 19 A. Okay.
- 20 Q. Do you do anything with those prior to putting
- 21 them up as evidence?
- 22 A. Yes.
- 23 Q. What did you do?
- 24 A. I used a NIK kit on each of them individually.

- 1 recollection to review your report?
- 2 A. It probably would.
- 3 Q. I show you what's been -- I don't know. It's
- 4 been marked for identification purposes as State's Exhibit 15
- 5 and I draw your attention to the second page?
- 6 A. I'm sorry.
- 7 Q. If you could review that to yourself and tell us
- 8 when you're done?
- 9 A. (Complies.)
- 10 Q. Does that refresh your recollection?
- 11 A. Yes.
- 12 Q. And what was the result of the weight of those
- 13 bags?
- 14 A. Off of our scale at the police department, the
- smaller with the tin was .66 grams gross. I guess the other
- one was about 1.4 grams.
- 17 Q. Now, did you do anything to document those
- 18 weights?
- 19 A. I believe I usually take pictures, I should have
- 20 taken pictures on those.
- 21 Q. I show you these exhibits again, 2 and 3?
- 22 A. I also write them on the bag so I don't get them
- 23 mixed up when I put them in evidence.
- 24 Q. Did you write those weights on those bags?

Page 54

Page 56

- 1 Q. And describe what a NIK kit is?
- 2 A. It's a narcotics identification kit and it's --
- 3 got trained on it years ago. But it's a real small kit that
- 4 you take a small sample of the narcotics for the bag. It has
- 5 some chemicals, you follow the instructions on the kit itself,
- 6 it's real easy.
- 7 And they'll give you a positive or not positive
- 8 for being methamphetamine. The kits are specific to
- 9 narcotics.
- 10 Q. Did you use a NIK kit on both of those baggies?
- 11 A. I did.
- 12 Q. And what is was the result?
- 13 A. They were both, it would be called presumptively
- 14 positive for methamphetamine for both of those.
- 15 Q. And did you do anything to document the amount?
- 16 A. I gained gross weights on each bag. So the
- weight of the substance with the bag itself on our scales.
- 18 Q. Do you recall what the results of that one was?
- 19 A. Exactly I don't recall. The -- one was more than
- 20 a gram. One was less than a gram.
- 21 Q. Did you prepare a report at the time that you
- 22 weighed those substances?
- 23 A. Yes.
- 24 Q. And was your memory, would it refresh your

- 1 A. It's, I'm one of the few that does at the police
- 2 department, but yeah, I did write it on the bags it's my way
- 3 of keeping organized by putting (indiscernible) I guess.
- 4 Q. So how sure are you those are the bags that you
- 5 took into custody on August 22nd (indiscernible)?
- 6 A. Oh, these are the bags.
- 7 Q. I'm going to go back a little bit to the initial
- 8 stop. I don't want to mix up too many exhibits, so I'm going
- 9 to put this one back.
- Without telling us anything that the Defendant
- 11 said to you during your conversation with her, was there any
- aspects of her behavior that raised your suspicions?
- 13 A. There was a change in behavior from my very first
- 14 contact to the passenger side window to the driver's side
- 15 window.
- 16 Q. Please describe that for us?
- 17 A. Passenger side she talked a little bit, kind of
- 18 gave the information. By the time I started talking on the
- 19 passenger side, the behavior went kind of like from a normal
- 20 traffic stop, just -- just talking, you know, to behavior, her
- 21 behaviors changed specifically where she started stuttering a
- 22 lot more.
- I don't know if it's a normal speech, but I
- 24 noticed the stuttering. Not wanting to look me in the eyes,

- 1 looking away, down a lot and right knee was bouncing really a
- lot and interrupted a lot in the conversation. Just seemed
- 3 very, very erratic or nervous with me.
- 4 Q. Now were those behaviors present when you first
- 5 approached the vehicle?
- 6 A. I didn't notice any behaviors like that when I
- 7 was on the passenger side.
- 8 Q. So what did you notice anything (indiscernible)
- the behaviors?
- A. The details of the conversation. 10
- 11 MR. ROCHE: I'll pass the witness, Your Honor.
- THE COURT: Cross-examination. 12
- MR. LEAMON: Yes, Your Honor. 13
- 14 **CROSS-EXAMINATION**
- BY MR. LEAMON: 15
- 16 Q. Officer Taylor, I would like to draw your
- attention to the beginning of the stop. You stopped Miss
- Gravelle due to her license plate light being out; correct?
- 19 A. The best I can tell, yes, sir.
- 20 Q. Okay. And you previously testified you can see
- 21 into the vehicle when you stopped it?
- 22 A. Yeah, no tint, I could see in the through the
- back. 23
- 24 Q. Now, what kind of car do you (indiscernible)?

- 1 right?
- 2 A. Slightly, yes, sir.
- 3 Q. And that's because of the actions that he was
- 4 taking; right?
- 5 A. Yes, sir.
- 6 Q. You previously described or you previously stated
- that he was kind of looking around?
- 8 A. He looked around a little bit, but it was the
- action of his hand going down below the seat that really made
- me nervous.
- 11 Q. And you were worried he could be have been
- stashing something?
- 13 A. Can you repeat the question?
- 14 Q. You thought it was possible that he was stashing
- 15 something?
- 16 A. Oh, yes, sir.
- 17 Q. And so based on this behavior, that's why you
- decided to approach the passenger side first; correct?
- 19 A. I wanted to be able to get as much view on him as
- possible immediately.
- 21 Q. And your normal protocol would be to approach the
- 22 driver on a moving violation; right?
- 23 A. Not necessarily, I try to stay out of the road
- we, I probably do more passenger side approach than driver.

Page 58

- 1 A. Chevrolet Tahoe.
- 2 Q. Okay. So there were two passengers in the
- 3 vehicle?
- 4 A. Yes.
- 5 O. One was Miss Gravelle?
- 6 A. She was the driver.
- 7 Q. And that's right but there were two people in the
- 8 car and Miss Gravelle was the driver; correct?
- 9 A. Yes. sir.
- 10 Q. And Mr. Dunn was the passenger?
- 11 A. Yes, sir.
- 12 Q. Now, prior to this incident you've never met Miss
- Gravelle before: correct?
- 14 A. Not that I can remember.
- 15 Q. Okay. But you have had previous contact with Mr.
- 16 Dunn; correct?
- 17 A. Yes, sir.
- 18 Q. And I believe you previously testified that he
- was a known methamphetamine user?
- 20 A. Yes, sir.
- 21 Q. Okay. He was located in the front passenger side
- 22 of the vehicle; correct?
- 23 A. Yes, sir.
- 24 Q. Now, when you first saw him, he made you nervous;

- 1 Q. Okay. So, based on all of this, you ordered Mr.
- 2 Dunn out of the vehicle; correct?
- 3 A. No, I didn't.
- 4 Q. Who got Mr. Dunn out of the vehicle?
- 5 A. I don't recall who, but I didn't want to be one
- officer and two people especially with the movements alone.
- 7 Q. Right so at some point Officer Pinkham arrived on
- the scene?
- 9 A. Officer Pinkham, and I know there was more, but I
- know Officer Pinkham was there.
- 11 Q. Okay. And so when the other officers arrived at
- the scene, did you have Mr. Dunn or, I guess, Dunn
- (pronouncing) is the correct pronunciation?
- 14 A. I think that's how they pronounce it.
- 15 Q. But he didn't exit the vehicle at that point did
- 16 the other officers arrive?
- 17 A. I never asked him. I never asked him to get out
- of the vehicle. I asked other officers to get him out of the
- vehicle. 19
- 20 Q. Okay.
- 21 A. When I (indiscernible).
- 22 Q. Did you do a pat down of Mr. Dunn?
- 23 A. Not that I recall.
- 24 Q. Okay. Do you remember just being there anything

Page 61

- 1 of significance of being found on Mr. Dunn's person?
- 2 A. No, I don't.
- 3 Q. Had something been found by whatever officer
- 4 patted him down, would you have been alerted to it?
- 5 A. If it was like an illegal nature, sure.
- 6 Q. Okay. So eventually, based on your
- 7 investigation, you decided to deploy King?
- 8 A. Yes, sir.
- 9 Q. And based on his reactions, you decided to do a
- search of the vehicle?
- 11 A. Based on his positive alert, yes, sir.
- 12 Q. And during that search Officer Pinkham found the
- backpack that we've been talking about; right?
- 14 A. Yes, sir.
- 15 Q. And that was located on the rear passenger floor
- 16 board?
- 17 A. I don't know exactly where it was in the rear.
- 18 Q. And so no other narcotics were found other than
- what was found in the backpack?
- 20 A. Illegal narcotics, no.
- 21 Q. No weapons were found in the car either; correct?
- 22 A. I don't, I don't recall, it's as far as like
- 23 guns, no, there's no guns I found in the vehicle, but there
- 24 was like knives, there could have been knives somewhere I

- 1 Q. So are you telling us that you wouldn't search
- 2 the area where he might have stashed something more thoroughly
- 3 in the other area, you wouldn't pay special attention to that
- 4 area?
- 5 A. I would have made sure I paid attention to it,
- 6 but I wouldn't treat any area less.
- 7 Q. And you didn't find anything in that immediate
- 8 area?
- 9 A. No, sir.
- 10 Q. So, you eventually took possession of the
- 11 eyeglasses case; correct?
- 12 A. Yes, sir.
- 13 Q. And without getting into what anybody actually
- said, no party claimed it was there's; correct?
- 15 A. No one on scene claimed it was their --
- 16 Q. No one asserted ownership over that?
- 17 A. Correct, no ownership.
- 18 Q. So did you ever do anything to check the
- eyeglasses case or the tin or the baggies for fingerprints?
- 20 A. No, sir.
- 21 Q. That's something the police department has the
- 22 capability to do; correct?
- 23 A. You can pull prints if (indiscernible) to, yes.
- 24 Q. Okay. And had you done that in the case we would

Page 62

- don't know recall, I don't really keep track of like small
- 2 pocket knives.
- 3 Q. Like I said, if something of note would have been
- 4 found, you would have put it in your report; right?
- 5 A. Something of an illegal nature probably.
- 6 Q. Sure. And for based on your previous testimony
- 7 it would be illegal for Mr. Dunn to have owned a firearm;
- 8 correct?
- 9 A. As far as I know, yes.
- 10 Q. So, I imagine, based on Mr. Dunn's initial I
- 11 guess actions when you stopped the vehicle, I imagine you were
- very careful to search that immediate area; right?
- 13 A. When it came to the probable cause search?
- 14 O. Sure?
- 15 A. Like half my dog yeah, that one, yeah, we would
- 16 have searched the area.
- 17 Q. And you would have searched that area, extra
- while given that you thought he could have been stashing
- 19 something; right?
- 20 A. I try not to base my searches off like different
- areas, I just want to search as best I can the whole vehicle.
- 22 Q. Right. But you previously testified that you
- 23 thought he could have been stashing something?
- 24 A. Agreed, yes.

- 1 have an idea of whether Miss Gravelle handled that item;
- 2 correct potentially?
- 3 A. My experience with fingerprints they're real
- 4 difficult, especially when it comes to folded up bags and like
- 5 clot or textured things.
- 6 Q. Well the eyeglasses case isn't, (indiscernible)?
- 7 A. No, on the inside it is on the outside it's more
- 8 textured still.
- 9 Q. Okay. What about DNA, did you happen swab it for
- 10 touch DNA?
- 11 A. As far as I understand it won't run any type of
- 12 DNA on possession of controlled substance case.
- 13 Q. But the Department has the capabilities to do
- 14 that: correct?
- 15 A. I don't know if we do it or Washoe I've never
- done DNA but I know we take DNA swabs for like high profile
- 17 cases but not possession cases.
- 18 Q. And so you're not aware that anybody through your
- 19 department did that in this case; correct?
- 20 A. No, I didn't and I don't can I pretty much
- 21 guarantee no one else did.
- 22 Q. But you are generally aware that your department
- has that capability that they usually (indiscernible)?
- 24 A. Yes, sir.

Page 68

Page 65

- 1 Q. Okay. And had these tests been conducted, they
- 2 could possibly show that she did or didn't handle the items;
- 3 correct?
- 4 A. There's a possibility.
- 5 Q. We don't know that because the test was never
- 6 conducted?
- 7 A. Correct.
- 8 MR. LEAMON: Nothing further, Your Honor.
- 9 THE COURT: Redirect.
- MR. ROCHE: I have no further questions for this
- 11 witness.
- THE COURT: Are there any jury questions for this
- 13 witness? None.
- 14 Is there any need to have this witness retained?
- MR. ROCHE: The State would ask that you retain
- 16 subject to recall.
- THE COURT: Okay. You can leave the courthouse,
- 18 you may be called back. Do not discuss your testimony with
- anyone other than the attorneys.
- Thank you. (Indiscernible).
- THE WITNESS: Where would you like the evidence?
- 22 You want to take that.
- THE COURT: Yes, that will work. Mr. Roche, just
- 24 put it back. We're going it take our afternoon recess.

- that is a person is not free to leave once detained for a
- traffic stop, but they are not for purposes of Miranda.
- 3 Under (indiscernible) versus McCarty which is
- 4 U.S. Supreme Court, and -- as well as Maryland vs. Shatzer,
- 559 U.S. 98.
- 6 And so we would ask the Court to reconsider its
- 7 decision to suppress, basically every statement by the
- 8 Defendant from the initiation of the traffic stop.
- 9 We also point out that NRS 174.025 does make it
- 10 mandatory that motions to suppress be filed prior to trial.
- 11 And I understand the Court made a sua sponte ruling finding it
- 12 would be plain error to admit these statements, but there's a
- 13 reason why the statute exists and that's because we are
- 14 precluded from appealing any such ruling.
- So if the Court's not inclined to reconsider, we
- would also ask this Court to stay this trial so that we have a
- 17 chance to appeal that issue. The District Attorney's office
- would like to appeal the suppression of these issues.
- I mean, when you think about it logically under the Court's ruling, any DUI investigation would be null
- 20 the Court's ruling, any DUI investigation would be null and
- void (indiscernible) required to Mirandize to someone when
- they are pulled over for DUI -- in a DUI investigation.
 THE COURT: There's specific case law on that
- 25 THE COOK!. There's specific case law on that
- 4 point for DUIs. The Supreme Court cases, I have not been able

Page 66

- The jury is admonished as follows: Do not
- 2 converse amongst yourselves or with anyone else on any subject
- 3 connected with this trial.
- 4 Do not read watch or listen to any report of the
- 5 trial or commentary on the trial or to any person connected
- 6 with the trial.

1

- 7 This includes any medium of information,
- 8 including without limitation, newspapers, television, radio
- 9 and internet.
- Do not form or express any opinion on any subject
- connected with this trial until the case is finally submitted
- 12 to vou.
- Do not visit the alleged scene or conduct any
- 14 independent research investigations or experiments concerning
- this matter prior to or during your deliberations. A
- violation of these admonishments may result in a mistrial.
- We'll take a 20-minute recess.
- 18 (Recess.)
- THE COURT: The Defendant and counsel are
- 20 present. We're outside the presence of the jury.
- Mr. Roche, you had something.
- MR. ROCHE: Yes, Your Honor. The District
- 23 Attorney and I, our Chief Deputy District Attorney had done
- 24 research since the Court's ruling. And it's our understanding

- to conduct research while you have had other members of your
- 2 staff conducting research.
- 3 So as you said, I'm kind of making these
- 4 decisions on the fly. Certainly, a motion to suppress is
- supposed to be filed before a trial.
- But the issues are in front of me and I have to
- 7 deal with them, and that's what I'm trying do.
- 8 So Mr. Leamon, what's your position on these U.S.
- 9 Supreme Court cases?
- MR. LEAMON: Well, I am in the same position,
- 11 Your Honor, as I haven't had the opportunity to conduct any
- research at this point. But it kind of goes back to the
- 13 Beckman issue that we raised earlier.
- I think almost at the outset of this stop, it
- 15 stopped being your routine traffic stop. And like I said, I
- haven't had a chance to review those cases recently, but I
- believe that's in context in the routine traffic stop.
- As we noted in the testimony, or in the Beckman
- 19 motion that we filed, there were almost no indicia of the
- 20 normal traffic stop of this case.
- It almost immediately switched to a narcotics
- 22 investigation based on, first off, Mr. Dunn being in the
- vehicle. So I think that's a distinguishing factor. Like I
 - said, off the top of my head, not being able to review the

2	ruling.	2
3	THE COURT: What I'm going to do is we're going	3
4	to recess for the rest of the day.	4
5	Mr. Roche, you need to give those citations to my	5
6	law clerk and to Mr. Leamon. And then I want counsel and the	6
7	Defendant here at 9 o'clock tomorrow morning to argue that	7
8	issue.	8
9	If you have any witnesses that need to testify	9
10	about it, you need to have them here then as well, Mr. Roche.	10
11	Part of what's going on here is not only am I having to decide	11
12	this without the law right at my fingertips, I'm deciding it	12
13	in a vacuum in terms of what the evidence is going to be.	13
14	So we're going to recess until morning. You all	14
15	be back here at nine.	15
16	Mr. Bailiff, will you excuse the jurors for the	16
17	evening. I've already instructed them. They're not supposed	17
18	to talk about the case and tell them to be back here at 9:30	18
19	tomorrow morning.	19
20	THE BAILIFF: Yes, ma'am.	20

Page 76

- 1 State's burden that her testimony was voluntary. I want more
- 2 detail.
- 3 I read through that preliminary hearing
- 4 transcript probably three times now and there was very little
- 5 in there. So I know you cited to Berkemer yesterday, and I
- 6 read through that. That is just a starting point.
- 7 That case talked about an ordinary traffic stop,
- 8 it used that phrase at least three times I saw it three times
- 9 in there. An ordinary traffic stop in and of itself is not
- 10 custody. The Berkemer case is a DUI case our case is
- 11 different. Our case is not an ordinary traffic stop.
- So then you got to look at the factors for
- 13 custody, and those are in Alward v. State. They're in several 14 cases.
- Did you look at those yesterday or today?
- MR. ROCHE: I looked at a lot of cases, Your
- 17 Honor, and I'm prepared to argue as to the order last night.
- 18 Are you going to make an announcement before we have the
- 19 opportunity to argue the issue?
- THE COURT: No. No, I'm not. But I also told
- 21 you to have your witnesses here to provide other testimony.
- MR. ROCHE: And I told him to be here at
- 23 9 o'clock for this hearing.
- 24 THE COURT: Okay.

- 1 Judge declined to hear a motion to suppress during trial and
- 2 the Nevada Supreme Court said that was discretionary and that
- 3 was fine.
- 4 But then there are probably 25 cases where the
- 5 Nevada Supreme Court then reviewed on appeal suppressible
- 6 evidence where possibly suppressible evidence where no motion
- 7 to suppress was brought and said that the failure to comply
- 8 with the statutory procedure does not preclude appellate
- 9 consideration when the conditions are grounded on
- 10 constitutional questions.
- So my reading of all this is there's no
- 12 consistency. The statute says must and then the Supreme Court
- 13 says the District Court has discretion, and then the Supreme
- 14 Court says they're going to review it even if the District
- 15 Court doesn't hear it.
- So I'm reading that as I have the discretion
- 17 whether to hear it or not. And I am going to hear it, I told
- 18 you both I would today.
- 19 So you can certainly make argument if you think
- 20 you've got enough already, Mr. Roche, go ahead and make your
- 21 argument and I'll let you both argue and I'll decide.
- 22 THE BAILIFF: Your Honor --
- 23 THE COURT: Yes.
- 24 THE BAILIFF: Mr. Taylor is a waiting your call

Page 77

- MR. ROCHE: So I don't know if he's outside.
- 2 I've been in here. He might be here.
- 3 THE COURT: Okay. I was getting the impression
- 4 you didn't intend to put him on.
- MR. ROCHE: I don't, because the statements that
- 6 he made on the stand yesterday were in my mind sufficient
- 7 under Berkemer and all the case law that haven't had an
- 8 opportunity to argue to show that none of these statements by
- 9 the Defendant are suppressible.
- THE COURT: Okay. You don't have to put him on.
- 11 I'm not going to make your case for you, but --
- MR. ROCHE: You can. I'm happy to have you call
- 13 him and have up ask him (indiscernible) questions about what
- 14 the details are that you're looking for. I don't know what
- 15 those are.
- 16 THE COURT: I'm not going to make your case for
- 17 you, Mr. Roche. I want you both to know this is your last
- 18 opportunity on this issue.
- I also looked at the motion to suppress statute
- 20 Mr. Leamon which says these motions must be made before trial.
- 21 That's what it says.
- Then I looked at the case law in Williams v.
- 23 State which is kind of a notorious case where a woman killed
- 24 six teen-teenagers driving under the influence. The trial

- 1 in the lobby.
- 2 THE COURT: All right. Thank you. I don't think
- 3 that Mr. Roche is going to call him. So go ahead, Mr. Roche.
- 4 MR. ROCHE: Your Honor, as you have already
- 5 discovered the seminal case in this issue is Berkemer and
- 6 Berkemer did state that a routine traffic stop is not a
- 7 custody pursuant to Miranda.
- 8 The fact that it's a DUI case has been mentioned
- 9 by the Court a couple of times and the State fails to see the
- 10 relevance of that. The 5th Amendment to the United States
- 11 constitution does not change depending on the crime that is at
- 12 issue (indiscernible) case.
- 13 It is a blanket rule when Miranda applies and the
- 14 type of case that's involved has no bearing whatsoever on the
- 15 applications of the constitutional protections of the Bill of
- 16 Rights.
- So whether or not cases are DUI cases are
- 18 narcotics investigations or any other traffic offense is not
- 19 relevant and that was stated in Berkemer because that was one
- 20 of the issues addressed in Berkemer before they got to the
- 21 question of whether a person in a traffic stop was in custody
- 22 for Miranda purposes was whether the 5th Amendment would apply
- 23 in a misdemeanor investigation and they said that doesn't
- 24 matter.

Page 80

- 1 The constitution is the constitution and that is
- 2 true. So it doesn't matter what kind of case it is whether
- 3 someone is in custody for purposes of Miranda is not based on
- 4 what potential crime might be prosecuted as a result of the
- 5 stop or (indiscernible) investigation.
- 6 Berkemer stated quite clearly that the non course
- 7 of aspect of ordinary traffic stops prompts us to hold that
- 8 persons temporarily detained pursuant to such stops are not in
- 9 custody for the purposes of Miranda. Well, that's not going
- .0 to be disputed by anyone this in this courtroom.
- So the question becomes what fact and change that
- 12 would lead a normal traffic stop which this was a traffic stop
- 13 for a (indiscernible) violation to become something more than
- 14 that.
- And the briefing by the defense in this case
- 16 argues that as soon as it morphed into a narcotics
- investigation that that was a change that rendered the stop
- 18 not an ordinary traffic stop. That is not what the case law
- 19 states.
- 20 Berkemer is pretty clear that someone's not in
- 21 custody for Miranda purposes until they typically show a
- 22 formal arrest occurred. So if we go through the traffic stop
- 23 in this case what would be the indicia of a formal arrest.
- So initially Nicholas Dunn was asked to step out

- What else is conducted? She was subjected to a
- 2 Terry pat a search for contraband for weapons. The case law
- 3 and Berkemer makes it abundantly clear and I'll quote this
- 4 language in a minute. But a Terry stop or a pat down doesn't
- 5 constitute somebody in custody for Miranda purposes.
- 6 The next step of this stop after she was
- 7 questioned was to (indiscernible) drug dog around the
- 8 (indiscernible) of the vehicle. She was still standing
- 9 outside in a public place, not in handcuffs, not physically
- 10 restrained and a dog was walked around her vehicle. That
- 11 doesn't change the formal indicia of arrest or the place of
- 12 arrest for Miranda purposes.
- The next stop was a search of her vehicle she was
- 14 still in a public place standing on the side of the road. She
- 15 was not placed under arrest she was not in handcuffs she was
- 16 not being physically restrained and the search occurred.
- Well, (indiscernible) contraband I suppose she
- 18 might have believed that she's not in, free to leave but she
- 19 was never free to leave that's not in dispute. That's what
- 20 Berkemer makes clear is the fact that somebody is not free to
- 21 leave does not place them in custody for Miranda purposes.
- THE COURT: Tell me where that is in Berkemer. I
- 23 know that the language is that the officers testimony and the
- 24 defendants subjective opinion don't matter, but where does it

Page 81

- 1 of the vehicle in this case and patted down for weapons. The
- 2 DUI case law should make it an exhibit abundantly clear that
- 3 asking someone to step out of the vehicle does not convert a
- 4 normal traffic stop into a formal arrest or indicia into a
- 5 formal arrest otherwise you would never have a DUI
- 6 investigation on the side of the road.
- What occurred after that? There was some
- 8 question whether or not (indiscernible) was quite clear that
- 9 asking a moderate amount of questions in a relatively brief
- 10 amount of time does not convert it into a formal indicia of
- 11 arrest it's still a traffic stop and the (indiscernible) is
- 12 not in custody.
- What occurred after that? Miss Dunn was asked to
- 14 step out of the vehicle we already covered that and that was
- 15 the facts of this case.
- 16 THE COURT: Wait a minute. You said Ms. Dunn.
- 17 There isn't --
- 18 MR. ROCHE: -- Miss Gravelle --
- 19 THE COURT: -- isn't a Miss Dunn. What do you
- 20 mean --
- MR. ROCHE: -- the Defendant was asked to step
- 22 out of the vehicle. Asking someone to step out of the vehicle
- 23 does not convert a normal traffic stop into in-custody for
- 24 Miranda purposes.

- 1 say not being free to leave is not custody.
- MR. ROCHE: It must be acknowledged at the out
- 3 set that a traffic stop significantly curtails the freedom of
- 4 the driver and the passengers if any (indiscernible) vehicle
- 5 under the law of most states it is a crime either to ignore a
- 6 policeman's signal to stop one's car or once having stopped to
- 7 drive away without permission.
- THE COURT: Excuse me, what page are you on?
- 9 MR. ROCHE: It's page 436. Certainly in Nevada
- 10 that's the case. We know it's a crime eats either eluding or
- 11 failing to obey the directions of the traffic officer to leave
- 12 in the middle of a traffic stop so they're not free to leave.
- 13 Certainly a few more (indiscernible) feel free
- 14 directive to pump over traffic stop told might do so. Partly
- 15 for these reasons, we have long acknowledged that stopping an
- 16 automobile and detaining it's occupants constitutes a seizure
- 17 in the meaning of the Fourth Amendment even though the purpose
- 18 of the stop is limited and the result in detention quite
- 19 brief.
- However, we decline to a (indiscernible) power of
- 21 the Miranda opinion emphasized by Respondent. (Indiscernible
- 22 reading) doctrine announced in Miranda requires that it be
- 23 enforced strictly but only in those type of situations in
- 24 which the concerns the power of the decision are implicated.

Page 87

Page 84

- 1 Thus we must decide whether a traffic stop exerts 2 upon a detained person pressures that sufficiently impair his
- 3 free exercise of his privilege against self-incrimination to
- 4 require that he be warranted his constitutional rights.
- 5 Two features of a (indiscernible reading) traffic
- 6 stop mitigate the danger that a person in question will be
- 7 induced to speak where he would not do other so freely.
- 8 First, (indiscernible) motorist pursuant to a
- 9 traffic stop is presumptively temporary and free. And then we
- 10 skip ahead second circumstances associated with the typical
- 11 traffic stop are not such that the motorist feels completely 12 at the mercy of the please.
- To be sure the aura of an authority surrounding
- 14 an armed uniformed officer and the knowledge that the officer
- 15 has some discretion deciding whether to issue a citation in
- 16 combination exerts some pressure on the detainee to respond to
- 17 the question.
- 18 But other aspects of the situation substantially
- 19 offset these forces. Perhaps most importantly the typical
- 20 traffic stop is public at least to some degree passerby on
- 21 foot or other cars witness the interaction of the officer and
- 22 the motorists.
- This exposure to public view both reduces the
- 24 ability of an unscrupulous policeman to use (indiscernible

- 1 suspect's freedom of action is curtailed to a degree
- 2 associated with formal arrest. That's the United States
- 3 Supreme Court.
- 4 So as soon as her freedom became curtailed
- 5 sufficient to be what would be associated with a formal
- 6 arrest, being placed in handcuffs, physically detained,
- 7 perhaps put in the back of a squad car, up until that point
- 8 they're not in custody for Miranda purposes during a traffic
- 9 stop.
- A lot of the arguments that are going to be made
- 11 or that were made in the written, supplemental briefing argue
- 12 that this stop in particular morphed into a narcotics
- 13 investigation right from the beginning.
- But the subjective intent of the officer has no
- 15 bearing whatsoever on whether someone is in custody for
- 16 Miranda purposes and that is also made clear in Berkemer.
- 17 If you go to page 442, the very top of that page,
- 18 it says that all though Trooper Williams decided as soon as
- 19 that respondent would be taken into custody Williams never
- 20 communicated his intention to the respondent.
- A policeman's unarticulated plan has no bearing
- 22 on the question whether a suspect was in custody at a
- 23 particular time. The only relevant inquiry is how a
- 24 reasonable man in a suspect's position would have understood

Page 85

- 1 reading) means to self-incriminating statements and diminishes
- 2 the motorists' fear if he does not cooperate he will be
- 3 subject to abuse.
- The fact that the detained motorist is typically
- 5 only one or at most two policeman further mutes the sense of
- 6 vulnerability.
- 7 In short, the atmosphere surrounding an ordinary
- 8 traffic stop is substantially less police dominated than
- 9 surrounding the kinds of interrogation at issue in Miranda.
- 10 And the subsequent cases which have applied Miranda.
- In both of these respects the usual traffic stop
- 12 is more analogous to a Terry stop than a formal arrest.
- So while a Fourth Amendment detention occurs
- 14 while someone stops (indiscernible), they're not free to leave
- 15 the U.S. Supreme Court has held that doesn't place them in
- 16 custody for purposes of Miranda. And that's clear cut case
- 17 law from 1984. This isn't a new development in the law.
- The Nevada Supreme Court has repeatedly quoted
- 19 Berkemer including decisions from this district appealing the
- 20 denials of motions to suppress during statements made during
- 21 traffic stops that subsequently resulted in felony arrests.
- In Berkemer, the U.S. Supreme Court quoted
- 23 California v. Bieler by stating it is settled that the safe
- 24 guards prescribed by Miranda become applicable as soon as the

1 the situation.

- 2 Sarah Gravelle was stopped in driving a vehicle.
- 3 Her license plate light was out and she was being asked
- 4 questions. There was no indicia of arrest until she was
- 5 arrested. She was never told she was not free to leave. She
- 6 was never placed in custody. Officer Taylor testified to
- 7 those facts yesterday from the stand.
- 8 I asked him those questions repeatedly. Did you
- 9 ever tell her she was under arrest? Did you place her in
- 10 handcuffs did you tell her she wasn't free to leave?
- 11 Obviously, she wasn't free to leave and the Supreme Court
- 12 acknowledges that people stopped in traffic stops aren't free
- 13 to leave, but that doesn't put them in custody for purposes of
- 14 Miranda.
- Now this case is slightly different from
- 16 Berkemer, but if you read the language from Berkemer from that
- 17 appears in the stipulation of facts so the judges in Berkemer
- 18 have the same complaint that this Court does that they wish
- 19 they had more facts about every detail of the stop.
- A single police officer asked respondent a modest
- 21 number of questions and requested him to perform a simple and 22 this was a DUI, balancing test at a location visible to
- 23 passing motorists. Treatment of this sort cannot be
- 24 characterized as a function of formal arrest.

Min-U-Script®

Page 88

- 1 So the question is what else did Officer Taylor
- 2 do in this case that might indicate to Ms. Gravelle that she
- 3 was under formal arrest. And we've already talked about a
- 4 Terry pat and asking someone to step out of the vehicle can't
- 5 possibly be that kind of fact. Asking someone questions can't
- 6 be those facts that is clear from Berkemer.
- And if you look at the Nevada Supreme Court cases
- 8 that apply to Berkemer, you look at State v. Taylor in 114
- 9 Nevada 1071, footnote 2, they cite this case we just talked
- 10 about and they say the seizure of the Fourth Amendment does
- 11 not necessarily render a person in custody for Miranda
- 12 purposes.
- 13 Indeed, a traffic stop constitutes a seizure
- 14 under the Fourth Amendment and cites (indiscernible) v. Cross
- 15 and does not place a person in custody under Miranda and it
- 16 cites Berkemer.
- 17 The Nevada Supreme Court goes on to say,
- 18 similarly officers may seize an individual to perform a pat
- 19 down search of the individual's outer clothing pursuant to
- 20 Terry v. Ohio State, but such does not render a person in
- 21 custody for Miranda. And again cites Berkemer, 468 United
- 22 States at 439, 4th.
- 23 So the Nevada Supreme Court has recognized that
- 24 Terry pats and Terry stops don't place them in custody for

- 1 investigation that ever occurs on a road side traffic stop
- 2 would ever result in admissible statements, and Berkemer makes
- 3 it clear that's simply not the State of the law.
- 4 I would also point for informational purposes to
- 5 Grand v. State which is an unpublished order of the Supreme
- 6 Court from 2013. This issue was raised in this district.
- The State moved to suppress issues made during a
- 8 traffic stop and the Nevada Supreme Court --
- 9 THE COURT: The State moved to suppress it?
- 10 MR. ROCHE: The defense moved to suppress. This
- 11 is the Len Green case. Judge Kacin was the Judge in this case
- 12 and his denial of the motion to suppress was appealed and the
- 13 Nevada Supreme Court said: Quote, because law enforcement
- 14 questioned Green in public subsequent to a car accident, not a
- 15 fact here, but in public, she was right out here on Fourth
- 16 Street, we conclude that Green was not in custody and the
- 17 District Court did not error by denying his motion on this
- 18 ground.
- And then it cites Berkemer v. (Indiscernible) and
- 20 then the parenthetical from the Nevada Supreme Court says:
- 21 Holding that all though one is not free to leave once detained
- 22 pursuant to a traffic stop, he is not in custody for Miranda
- 23 purposes unless the encounter escalates into a formal arrest.
- I don't want to harp on Berkemer all day, but I

Page 89

Page 91

- 1 Miranda purposes.
- 2 And the Nevada Supreme Court has also defined and
- 3 this is probably (indiscernible) complete through out the case
- 4 law (indiscernible) custody, custody is defined as formal
- 5 arrest or restraint on the freedom of movement to a degree
- 6 associated with formal arrest.
- 7 Accordingly, (indiscernible) inquiry how a
- 8 reasonable man in the suspect's position would have understood
- 9 the situation. Miss Gravelle probably understood that they
- 10 were investigating possible offenses that they were suspicious
- 11 of her. She might have understood that they suspected Mr.
- 12 Dunn of possibly (indiscernible) weapons.
- But she was well aware that she was not in
- 14 handcuffs. She was not being physically restrained and that
- 15 she was not placed under arrest or told that she was under
- 16 arrest.
- And the most incriminating statements that she
- 18 made occurred pretty early on in the traffic stop and of at
- 19 the conversation that occurred while she was sitting in the
- 20 passenger side of the driver's side of her vehicle and Officer
- 21 Taylor was standing at that same door talking to her from the
- 22 window.
- 23 If that is formal indicia of arrest then her
- 24 statements are inadmissible under Miranda then no

- 1 do want to touch on one other thing before and that is that
- 2 there's been repeated discussions of evidence in this case3 being prejudicial to the Defendant and whether or not she
- 3 being prejudicial to the Defendant and whether or not so 4 (indiscernible).
- 5 And for the record, I just want to make a record
- 6 about the State of the case law regarding the prejudicial
- 7 effect of evidence against the Defendant. NRS 48.035 which is
- 8 not (indiscernible) statute, but simply talks about how if
- 9 evidence, if the danger of unfair prejudice substantially out
- 10 weighs the (indiscernible) (indiscernible) should be admitted
- 11 even if it's relevant.
- So whether or not something is relevant, if it's
- 13 danger and (indiscernible) substantially out weighs it's full
- 4 (indiscernible) then it needs to be (indiscernible).
- 5 Then there are obvious situations where that's
- 16 applicable for instance her prior conviction and the fact that
- 17 she was on probation this last summer. Those are things that
- 18 aren't directly relevant to the facts of the case, but my,
- 19 (indiscernible) let me first read to you the definition from 20 the Nevada Supreme Court on what constitutes unfair
- 21 (indiscernible).
- 22 Because the Supreme Court has acknowledged
- 23 numerous times that every piece of evidence that the state
- 24 would ever present (indiscernible) Defendant's prejudicial

Min-U-Script®

(5) Pages 88 - 91

Page 95

Page 92

- 1 that's the whole point of prejudice, that's why we're having a
- 2 trial we're trying to present evidence to a jury that a
- 3 prejudicial to the Defendant that she is guilty of
- 4 (indiscernible).
- If it's not prejudicial, then it's not relevant,
- 6 and so the question isn't whether evidence is more prejudicial
- 7 than probative, but whether it's a risk of unfair prejudice.
- Unfair prejudice has been defined by the Nevada
- Supreme Court and this is -- this is a writ petition, State
- versus 8th JD, 127 Nevada 927, and I'm on page 933.
- Unfair prejudice under NRS 48.035 has been 11
- 12 defined as an appeal to the emotional and sympathetic tendency
- of the jury rather than the jury's intellectual
- (indiscernible) evidence.
- 15 All though unfair prejudice commonly refers to
- decisions based on emotion it is not so limited. Unfair
- prejudice in the Federal Court and the federal rules of
- 18 evidence is evidence that has an undue tendency to suggest
- 19 decisions on improper basis commonly, though not necessarily,
- an emotional one.
- 21 As the United States Supreme Court has explained
- 22 in addressing the federal rules of evidence, the term unfair
- 23 prejudice as to a criminal Defendant speaks to the capacity of
- 24 some conceivably relevant evidence to lure the factfinder to

- 1 recently used it.
- Those are all directly relevant and probative
- 3 evidence that goes to show whether or not the charge in this
- 4 case is true. It's not trying to get the jury to convict her
- 5 based on something else or on an improper reason. It goes to
- 6 the fact that this Defendant on August 22nd, 2018 possessed
- 7 methamphetamine.
- It's a highly probative statement and the danger
- of unfair prejudice is minimal. It's a highly prejudice
- 10 statement, because it's evidence of her guilt. That's the
- 11 whole reason why the State is seeking to admit it. And the
- 12 fact of that is true is obvious from the defense's intent to
- 13 submit evidence that her passenger in the vehicle was a known
- user of narcotics.
- 15 The defense sees the evidentiary value, the
- 16 probative value of that evidence, because they're seek
- 17 together shift the blame on to the passenger of the vehicle
- 18 and say well he had drugs because he was a known user of
- 19
- 20 So defense's strategy in this trial makes it
- 21 abundantly clear that that's highly probative evidence and so
- 22 the only reason it should be excluded is it's danger of unfair
- 23 prejudice is out weighs that probative value.

had tak ku

Number one, that probative value is already high.

Page 93

- 1 Number two, the unfair prejudice is minimal because this is
- 2 not a statement about when I was a teenager I used
- 3 methamphetamine, or I used methamphetamine five years ago.
- 4 This was in the past week, she just got back from California.
- 5 She had used methamphetamine. It's relevant to her knowledge
- 6 and intent and possession of methamphetamine (indiscernible).
- And so it needs to be, I think, clear for the
- 8 record that that is prejudicial evidence, it's not unfairly
- 9 prejudicial evidence and it's probative value is immense.
- 10 That's the whole --
- 11 THE COURT: I get all that, Mr. Roche.
- 12 MR. ROCHE: That's the crux of the case.
- THE COURT: I have no intention of making any 13
- 14 ruling that the danger of unfair prejudice exceeds the
- 15 probative value. The issue in my mind was whether she was in
- 16 custody.
- 17 MR. ROCHE: Okay.
- 18 THE COURT: So that's --
- 19 MR. ROCHE: -- well, I think that the case --
- 20 THE COURT: You won that before you even started
- 21 arguing it.
- MR. ROCHE: Well, I won't waste too much time.
- 23 You think about the facts in this case and what things
- 24 occurred in this case that the defense will argue

1 declaring guilt on a ground different from proofs specific to

2 the offense charged.

- And that's why convictions for prior offenses
- 4 that are unrelated creates a risk of unfair prejudice. A jury
- 5 might say hey that Defendant is a criminal, they've done this
- 6 stuff in the past, they're probably guilty we'll convict them.
- 7 That's not a quote by any means and we recognize that.
- But the statements that are seeking to be
- 9 admitted in this case, specifically the Defendant
- 10 (indiscernible) before this traffic stop had used
- methamphetamine are of immense probative value.
- That goes directly to the issues in the trial
- 13 whether or not this Defendant knowingly possessed
- 14 methamphetamine that was in her vehicle when she was stopped.
- 15 The probative value, I can't even imagine, I mean
- 16 maybe if she had put pulled out some drugs and said those are
- 17 mine, that's more probative than what we're seeking to admit
- 18 in this case.
- But nevertheless, the probative value of that 19
- 20 statement is immense. And the danger of unfair prejudice is
- 21 minimal. She wasn't coerced. She made a voluntary statement
- 22 and it goes directly to the point of whether or not she knew
- 23 number one was familiar with methamphetamine, knew what it 24 looked like, was aware of it and she was somebody that had

Page 96

- 1 (indiscernible) and the examples that are replete with case
- 2 law are clear that those things don't place them in custody.
- 3 Being asked to step out of a vehicle doesn't
- 4 place you in custody. Being patted down for a weapon or
- 5 contraband doesn't place them in custody. Speaking to you on
- 6 the side of the road doesn't place you in custody.
- 7 What places you in custody is physical restraint
- 8 associated with formal arrest. She was never placed under
- 9 those restraints until she was arrested. And at that point,
- she was in custody for Miranda purposes.
- 11 Part of that (indiscernible) statements are
- 12 admissible statements made to an officer during an
- 13 investigation. And it wasn't a (indiscernible) investigation.
- 14 That's not relevant.
- Berkemer makes it clear that's not a relevant
- 16 consideration for whether someone's statements have to be
- 17 suppressed. The intent or the purpose of the officer
- 18 conducting the stop is not a relevant consideration to whether
- 19 or not physical indicia of a formal arrest were present in
- 20 this case.
- The State would assert that they were not until
- 22 she was actually arrested. She was simply standing there by
- 23 her vehicle and prior to that in her vehicle conversing with
- 24 an officer.

- 1 What happens after that, he has to wait for other
 - 2 officers to arrive. Now, he said we know Officer Pinkham was
 - 3 there and we know Officer Taylor was there, and Officer
 - 4 Taylor's testimony was there were other officers there at the
 - 5 scene as well. So we have at minimum three.
 - 6 The Berkemer case specifically talks about one
 - 7 officer questioning somebody, maybe two. This we have at
 - 8 least three officers on the scene. We have at least multiple
 - 9 vehicles on the scene. So this is something that's indicia of
- 10 not a routine traffic stop. And that's why Berkemer goes to 11 routine traffic stops.
- So now we have multiple officers on the scene.
- 13 Another reason why Berkemer ruled the way that it did was
- 14 because it's in public, there's going to be pass certificates
- 15 by, so that there's not indicia of strong arm tactics or
- 16 anything like that.
- We don't have that protection here. This is,
- 18 yes, it's in a public area, you know it's on the side street
- 19 over here, but it's 2 o'clock in the morning. There's not
- 20 going to be necessarily people walking around observing the
- 21 events at this late hour and it goes to the case I cited,
- 22 United States and I'm going to butcher his last name, Chevelly
- 23 (phonetic), in that case we have fairly similar facts to what
- 24 we have here.

Page 97

- 1 THE COURT: Mr. Leamon.
- 2 MR. LEAMON: Listening to the State's argument,
- 3 you would think that Berkemer announced a bright line rule
- 4 that for the purpose of a traffic stop you're only in custody
- 5 until you're formally arrested. They did not say that. That
- 6 language is not present anywhere in Berkemer. If they wanted
- 7 to say that, certainly they could have.
- 8 There's no bright line rule and that's why they
- 9 lived these other factors and as you noted they used the word
- 10 routine traffic stop multiple times. And this is anything
- 11 other than routine.
- Now it started off routine, but in my mind,
- 13 there's a bifurcation of the events here. Officer Taylor
- 14 testified that he stopped her for a traffic or a taillight or
- 15 license plate light violation. Then he sees Mr. Dunn making
- 16 the erratic movements, he decides to approach the passenger
- 17 side and sighting to the preliminary hearing transcript and to
- 18 the motion, he indicates that the initial conversation was
- 19 just routine traffic stop.
- 20 So at this point, we're still in Berkemer
- 21 territory. Any statements made at that very initial stop at
- 22 the passenger side window I agree with the State those would
- 23 not be inappropriate. Those would not be able to be
- 24 suppressed.

- 1 It was a stop late at night. There were multiple
- 2 officers involved and the questioning and this is why Terry's
- 3 important and this is why the fact that Berkemer was a DUI
- 4 case was important.
- 5 The reason that that's important is because the
- 6 question shifted from a routine traffic stop to something
- 7 else. Now, in the Chevelly (phonetic) case, it was
- 8 immigration focused here it's narcotics focused.
- 9 But the fact that Officer Taylor is not asking
- 10 her about a license plate light any more that he's asking her
- 11 about narcotics. This shows there's been a shift we're no
- 12 longer in a normal traffic stop here. So all those factors go
- 13 toward showing that she was in custody.
- 14 THE COURT: What jurisdiction is that case from?
- 15 You just have --
- MR. LEAMON: So it's District Court case, it's
- 17 from New York. It's cited, 81 app soc. I don't have the case
- 18 printed, but it was a New York District Court.
- 19 THE COURT: Okay.
- MR. LEAMON: Federal case. And I Shepardized,
- 21 there were no red or yellow flags even.
- So it's a very similar case to what we have here
- 23 and like I said Berkemer could have announced the bright line
- 24 rule, could have said Miranda is not required in the context

Page 100

- 1 of the traffic stop until there's a formal arrest or handcuffs
- 2 or something like that. They don't use that language.
- Just that there's curtailing of freedom that a 3
- 4 reasonable person would, would associate with a custodial
- without being free to leave.
- And then when we look at United States v.
- 7 McKinney. We look at some of these factors that indicate
- whether somebody was free to leave and it's the foot note on
- page 4 of the brief.
- 10 And these factors include whether the suspect was
- 11 told questioning was voluntary or he was free to leave. Miss
- Gravelle was in no way free to leave. Officer Taylor
- 13 acknowledged that and she was never at any point told she was
- free to leave.
- 15 We don't know whether or not Officer Taylor had
- 16 her ID, but it's possible he did. If he did, obviously you
- can't go anywhere when the police have custody of your ID.
- 18 That's something that we don't know.
- And then whether the suspect can move about
- 20 freely during questioning. That's a no. She was not free to
- go. Had she tried to get out of her vehicle, I'm certain the
- 22 cop, this Officer Taylor would have stopped her.
- 23 And then whether that the atmosphere of
- 24 questioning was police dominated. Of course it was police

- 1 routine traffic stops, and that's why they give us these other
- 2 factors to determine whether or not something is routine and
- 3 whether Berkemer applies.
- So in Berkemer, they were doing a DUI
- 5 investigation. So the incriminating evidence that they were
- 6 eliciting were related to the reason that the traffic stop was
- conducted because it was a moving violation. It's a DUI case.
- So all of the evidence or all the questioning is
- going to be relevant to the initial stop. Here the
- 10 questioning after the initial stop is no longer related to the
- 11 traffic violation, it's narcotics.
- 12 So after that point we have a break in the
- 13 action, and then there's a bifurcation of the stops. The
- 14 initial passenger side with the Berkemer territory, but when
- 15 he approaches on the driver's side and it shifts to narcotics.
- 16 Mr. Dunn is being pulled out of the vehicle, this is multiple
- officers around, multiple cars around.
- 18 Now, we're in a different situation. We are no
- 19 longer in a routine traffic stop and Berkemer doesn't apply
- the so there for Miranda was required. And it wasn't given so
- the statements should be suppressed.
- 22 Like I said, Berkemer certainly could have
- 23 announced a Bright-line rule, the Supreme Court declined to do
- 24 SO.

- THE COURT: Thank you. Mr. Roche.
- MR. ROCHE: I mean, some of the statements that
- 3 were just made are specifically related to the things that the
- 4 Supreme Court of the United States has already state
- 5 (indiscernible). Pulling people out of the vehicle, patting
- them down at a brief stop.
- That doesn't put you in custody for Miranda
- purposes, otherwise there would never be a DUI investigation
- (indiscernible). It would all be suppressed because people
- 10 are pulled out of vehicles and they're subject to questioning
- 11 and they're patted down for the officer (indiscernible)
- 13 None of those things in Berkemer makes that
- 14 abundantly clear and the Nevada Supreme Court cases that have
- 15 cited Berkemer, those don't place them in custody. The gun
- was out, visible. It was in uniform those are the exact facts
- 17 of Berkemer. It was an armed officer who conduct the traffic
- 18 stop. Those factors do not put you in custody for Miranda
- purposes.
- Berkemer only applies to routine traffic stops
- that's not a quote from Berkemer either. They use the word
- 22 ordinary traffic stops as saying that Miranda doesn't apply.
- 23 But then they explain that Miranda begins to apply when
- 24 there's indicia of a formal arrest.

Page 101

- 1 dominated. We have at least three cops, possibly more. We
- 2 had multiple police vehicles and we have Mr. Dunn getting
- pulled out of the vehicle and searched.
- You know Berkemer also talks about that most
- people associate a traffic stop, one officer one answer a few 5
- brief questions and then you know you got on your way.
- When they're pulling people out of the vehicle
- patting them down, you know this is no longer going to be a
- brief stop related to why they pulled you over.
- And that's also why Terry is important, because 10
- 11 they cite Terry and there's language that you know the officer
- in a Terry stop, they can kind of ask you about your
- whereabouts, but the conversation should be limited why they 14 stopped you.
- Here the initial conversation was that Officer 15
- Taylor says, you want to talk routine traffic stop, but then
- 17 there's a break in the action. He waits for other officers to
- 18 arrive and then he approaches at the driver's side. So, you
- 19 know, he's face to face with Miss Gravelle. She's not free to
- 20 leave. He's in uniform as he testified the other day his gun
- 21 was out where it was seen and he starts questioning her about 22 narcotics.
- 23 So this break in the action shows that it's no
- 24 longer a routine traffic stop and Berkemer only applies to

Page 104

- In question the investigations occur and those
- 2 are not indicia of formal arrest. Those are investigations
- 3 that lead up to a formal arrest. Those are the steps
- 4 necessary before someone is arrested for a crime.
- In the argue of this about the numbers of cars
- 6 that were around or the officers is not evidence of an act
- 7 it's no evidence whatsoever of how many vehicles were there.
- There could have been possibly three officers
- 9 there. Dean Pinkham was there. Officer Taylor wasn't sure if
- 10 he was the one that did the pat down or not. But there's no
- 11 reports from any officers in this case that any one other than
- 12 those two people were present at the scene.
- And Berkemer quite explicitly used the number 13
- 14 two, two officers at a traffic stop not rendering
- (indiscernible). So once again the State would assert that
- 16 Ms. Gravelle was not in custody for purposes of Miranda unless
- 17 there was physical restraints associated with a formal arrest
- 18 and that didn't occur until she was arrested in this case.
- 19 THE COURT: I disagree with the State's reading
- of Berkemer. A traffic stop is not always not in custody. An
- 21 ordinary traffic stop in and of itself is not custody.
- So then the next evaluation comes under State or 22
- Alward, A-L-W-A-R-D vs. State. This started out as an
- 24 ordinary traffic stop. It progressed to an investigation

- 1 she couldn't move about the area at all.
- Next is whether the suspect voluntarily responded
- 3 to questions. She did.
- Next is whether the atmosphere of questioning was
- 5 police dominated. The officer did testify yesterday that
- 6 there were other officers there besides Officer Taylor and
- 7 Officer Pinkham. I don't know how many were there, but there
- 8 were more than two, there were, under those circumstances at
- 9 least two police cars there. I don't know how many different
- 10 cars they arrived in.
- Next is whether police used strong-arm tactics or
- 12 deception during questioning. They did not.
- 13 The last factor is whether the police arrested
- 14 the suspect for the determination of questioning. They did.
- 15 And I'm finding that the objective indicia of arrest were not
- 16 present the Defendant was not in custody, so her statements
- 17 will be admissible.
- 18 Are you going to put Officer Taylor back on first
- 19 thing this morning?
- MR. ROCHE: May I -- I think what we intend to do
- 21 is call Officer Pinkham to testify and then when he's
- 22 concluded, his testimony, then recall Officer Taylor to
- 23 clarify some of the issues that we anticipate will arise with
- 24 Officer Pinkham's testimony.

Page 105

- 1 involving narcotics.
- The first factor in Alward is the site of the
- 3 interrogation. It was roadside, it was 2 o'clock in the
- 4 morning, but it was also near downtown. I don't know if there
- 5 was traffic in the vicinity, but it was close to the downtown
- area where the casinos are.
- The second factor is whether the investigation
- focused on the subject. The investigation did focus on the
- Defendant and her passenger.
- The fourth factor is the length and form of 10
- 11 questioning. The questioning was rather brief, there's no
- 12 indication it was aggressive or over bearing or coercive.
- 13 The third factor is the complicated one, whether
- 14 the objective indicia of arrest are present. The first factor
- 15 is whether the suspect was told that the questioning was
- voluntary or that she was free to leave. She was not told
- either of those things. 17
- 18 The next factor is whether she was, whether the
- 19 suspect was not formally under arrest. She was not formally
- 20 under arrest until she was cuffed and placed under arrest.
- 21 The next factor is whether the suspect could move
- 22 about freely during questioning. She was in her car.
- 23 Initially, she was told to get out of the car, she wasn't free
- 24 to leave the area, but there's no indication that she was told

- THE COURT: All right. Let's take oh, I'm also
- 2 making a finding that the -- the probative value is not
- 3 exceeded by the danger of unfair prejudice (indiscernible)
- 4 evidence.
- All right. Let's take about a five-minute recess
- 6 and then we'll get the jury in here and Officer Pinkham.
- (Recess.)
- THE COURT: Good morning. You may be seated.
- The Defendant and counsel are present.
- 10 Counsel, will you stipulate to the presence of
- 11 the jury?
- 12 MR. LEAMON: Yes, Your Honor.
- MR. ROCHE: Yes, Your Honor. 13
- 14 (Jury present.)
- 15 THE COURT: Your next witness, Mr. Roche.
- MR. ROCHE: The State would call Dean Pinkham. 16
- 17 DEAN PINKHAM,
- called as a witness on behalf of the 18
- STATE, was duly sworn and 19
- 20 testified as follows:
- 21 THE COURT: We got to get a new chair with that.
- 22 THE WITNESS: These wide (indiscernible) sorry.
- 23 THE COURT: Yeah, I know. We're working on it.
- Please state your name and spell your last name.

Page 108

- 1 THE WITNESS: Dean Pinkham. P-I-N-K-H-A-M.
- 2 THE COURT: Thank you. Go ahead, Mr. Roche.
- 3 DIRECT EXAMINATION
- 4 BY MR. ROCHE:
- 5 Q. Officer Pinkham, I'm sure that we can probably
- 6 tell from looking at you, but where are you employed?
- 7 A. I'm employed with the Elko County Police
- 8 Department.
- 9 Q. And how long have you worked there?
- 10 A. Approximately a year and two months.
- 11 Q. Did you become involved in assisting in a traffic
- stop on August 22nd of last year?
- 13 A. I did.
- 14 Q. Do you recall how that came about?
- 15 A. It was a traffic stop. Officer Taylor initiated
- it I believe for a license plate light out.
- 17 Q. And how did you become involved?
- 18 A. I assisted with the search of the vehicle.
- 19 Q. How did you become aware of the stop?
- 20 A. Over the police radio.
- 21 Q. They just asked for anyone to come assist?
- 22 A. Yes, sir.
- 23 Q. And then you volunteered I guess?
- 24 A. Yes, I did.

- 1 on the passenger side.
- 2 Q. Did you have anything specifically you were
- 3 looking for during that search?
- 4 A. Officer Taylor's canine alerted to the odor of a
- 5 controlled substance, so we were looking for the controlled
- 6 substance in the vehicle.
- 7 Q. Did you locate any?
- 8 A. I did.
- 9 Q. Where did you find those?
- 10 A. I found that in a light blue backpack that was on
- 11 the floor board behind the passenger seat.
- 12 Q. And can you tell us a little bit about that space
- that you found it in? How much space was there?
- 14 A. Not a lot. I, maybe a foot or two, maybe.
- 15 Q. And do you recall where in that space the
- 16 backpack was?
- 17 A. It was just on the floor board in between where
- someone's legs would be sitting in the vehicle.
- 19 O. Was it near one side or the other was it in the
- 20 middle; do you recall?
- 21 A. It was on the passenger side. So the right side
- 22 of the vehicle.
- 23 Q. Okay. And typically in a vehicle in the back
- 24 there's a little lump in the middle?

Page 109

- 1 Q. What did you observe when you got there?
- 2 A. I observed a four door white vehicle over on
- 3 Fourth and Court.
- 4 Q. Do you recall what time of day this was?
- 5 A. I believe it was early morning, approximately
- 6 2 o'clock in the morning.
- 7 Q. When you arrived there, what did you do.
- 8 A. I was advised by Officer Taylor to, he hadn't pat
- 9 down Nicholas Dunn yet, and he asked me to do that.
- 10 Q. Do you know the purpose for that, what was the
- 11 purpose for that (indiscernible)?
- 12 A. It's to locate any possible weapons. The outside
- of the clothing, not invasive to go inside the pockets.
- 14 Q. Did you locate anything during the pat down?
- 15 A. Not that I recall.
- 16 Q. After you conducted the pat down, you say -- you
- pronounced it Mr. Dunn?
- 18 A. Dunn, yes, sir.
- 19 Q. What did you do next?
- 20 A. I assisted with a search of the vehicle.
- 21 Q. How did that occur, I guess (indiscernible)
- 22 search?
- 23 A. I started at the passenger front side of the
- 24 vehicle and worked my way towards the back seat of the vehicle

- 1 A. Okay.
- 2 Q. And then the outside doors. Do you recall in
- 3 that space between the middle of the vehicle and the outside
- 4 door, do you have any recollection of where that backpack was?
- 5 A. I would say it was more on the right side of the
- 6 vehicle and than on the left side of it.
- 7 Q. Toward the passenger side?
- 8 A. Toward the passenger side, yes.
- 9 Q. So you found a backpack, what did you see when
- 10 you opened that backpack?
- 11 A. I did.
- 12 O. And what did you observe when you opened it?
- 13 A. I observed a pink eyeglass case.
- 14 Q. And where was the pink eyeglasses case in the
- 15 backpack?
- 16 A. It was in the biggest portion of the backpack, so
- the top portion of the backpack in its pocket.
- 18 Q. And was it on the very top of the backpack?
- 19 A. I couldn't recall. I would say it was in there,
- but I couldn't tell if it was, it wasn't at the bottom of -- I
- 21 did have to move anything around to get to it.
- 22 Q. Okay.
- MR. ROCHE: May I approach the --
- 24 THE COURT: Yes.

Page 112

- 2 BY MR. ROCHE:
- 3 Q. I show you what's been marked and admitted as
- 4 State's Exhibit 1. Do you recognize that?
- 5 A. I do.

1

- 6 Q. And how do you recognize it?
- 7 A. This is the pink eyeglass case that I found in
- 8 the backpack.
- 9 Q. During your search of the backpack, did you open
- 10 up that pink eyeglasses case?
- 11 A. I did.
- 12 Q. And what did you find inside?
- 13 A. I located a plastic baggy that had a white
- 14 crystalline substance in it. I also located a circular
- 15 container that had a clear lid that I observed another small
- baggy in there that had a white crystalline substance in it as
- well. Suspected both substances to be methamphetamine.
- 18 Q. I'm going to show you what's been marked
- previously and admitted as State's Exhibits 9, 10 and 11.
- 20 Do you recognize those?
- 21 A. I do.
- 22 Q. Are those the items you just described?
- 23 A. They are.
- 24 Q. What did you do with those items when you found

- 1 State's Exhibits 5 and 6.
- 2 Do you recognize those?
- з A. I do.
- 4 Q. And those are receipts that you just talked
- 5 about?
- 6 A. They are.
- 7 Q. Are those true and accurate depictions of what
- 8 you observed on August 22nd, 2019?
- 9 A. Yes, they are.
- 10 Q. And what did you do with the receipts that you
- 11 found?
- 12 A. Advised Taylor of their location and where I
- 13 found them and he seized them for evidence.
- 14 Q. Now, have you seen them since that night?
- 15 A. No, sir.
- MR. ROCHE: I apologize, I am putting these over
- 17 there.
- 18 THE COURT: That's okay.
- 19 BY MR. ROCHE:
- 20 Q. Did you find anything else of significance after
- 21 you searched in that backpack?
- 22 A. Other than what I've already stated, no.
- 23 Q. And anything else in the vehicle that was
- 24 significant to you?

Page 113

Page 115

- 1 them?
- 2 A. I advised Officer Taylor that I located them and
- 3 where I located them at.
- 4 Q. And what happened to those items after you
- 5 notified Officer Taylor?
- 6 A. He seized them as evidence.
- 7 Q. Did you ever see those items again after that?
- 8 A. No, sir.
- 9 Q. Did you find anything else of significance inside
- 10 the backpack?
- 11 A. I did.
- 12 Q. What did you find?
- 13 A. I also located numerous receipts that had Sarah
- 14 Gravelle's name on them as well as some that did not have her
- 15 name on them. And that's it.
- 16 Q. And did those other receipts have somebody else's
- 17 name on them?
- 18 A. No, sir.
- 19 Q. They just didn't have any name on them?
- 20 A. Correct.
- 21 Q. Okay.
- MR. ROCHE: I apologize. Court's indulgence.
- BY MR. ROCHE:
- 24 Q. Showing you what has previously been admitted as

- 1 A. No.
- 2 Q. Okay. And all the evidence that you found that
- 3 you discussed you gave to Officer Taylor?
- 4 A. That is correct.
- 5 MR: ROCHE: I pass the witness, Your Honor.
- 6 THE COURT: Cross-examination.
- 7 CROSS-EXAMINATION
- BY MR. LEAMON:
- 9 Q. Officer Pinkham, so when you arrived on the
- scene, you assisted on the pat down of Mr. Dunn; correct?
- 11 A. That's correct.
- 12 Q. And that was initially to search for weapons?
- 13 A. That's correct.
- 14 Q. You didn't find any weapons; right?
- 15 A. Not that I can recall, no.
- 16 Q. Now sometimes during a pat down, would it be fair
- to say you find other items of contraband, things that are
- 18 immediately apparent like drug paraphernalia, pipes, stuff
- 19 like that?
- 20 A. If you can identify them without moving them in
- 21 the pocket, yes.
- 22 Q. And have you been able to do that before?
- 23 A. Yes.
- 24 Q. Okay. And so if any of these items were present

Page 116

- 1 on Mr. Dunn's person, you could potentially seized them had
- 2 they been present; right?
- з A. Correct.
- 4 Q. But based on your pat down at least in regards to
- 5 what was immediately apparent, you didn't feel any meth pipes
- 6 or anything like that; correct?
- 7 A. That's correct.
- 8 Q. Okay. So you then assisted in searching the
- 9 vehicle. And not getting into what Officer Taylor
- specifically said to you, but had you been made a wear of Mr.
- 11 Dunn had made some erratic movements when the stop was
- 12 initiated?
- 13 A. No, I did not.
- 14 Q. So Officer Taylor didn't tell you anything
- regarding just suspicious activity by Mr. Dunn, why he -- you
- were being called out to assist in the first place, nothing
- 17 like that?
- 18 A. He -- he told me -- he advised me that when with
- 19 the -- if I recall correctly, the dog had already alerted on
- the vehicle when I arrived. So he advised me of that, but I
- 21 don't recall him telling me anything about Nick Dunn reaching
- around the vehicle or anything like that.
- 23 Q. Okay. So when you found the backpack, it was on
- 24 the rear passenger floor board; is that correct?

- 1 A. That's correct. I don't know the exact date, but
- 2 yes.
- 3 O. In that area?
- 4 A. It was recent.
- 5 Q. You went on to arrest him that day; correct?
- 6 A. Yes, I did.
- 7 Q. Now, part of it was because there was an
- 8 outstanding warrant, that's what initially drew your attention
- 9 to him; correct?
- 10 A. Yes.
- 11 Q. But you did a search of his person in regards to
- arresting him on the warrant; right?
- 13 A. I did.
- 14 Q. Did you find anything of note when you searched
- 15 Mr. Dunn pursuant to that arrest?
- 16 A. I did.
- 17 Q. What did you find?
- 18 A. I located a, an eyeglass case on his packet.
- 19 Q. What was inside of that glass case?
- 20 A. It was suspected methamphetamine.
- 21 Q. And where was the methamphetamine found in this
- 22 case?
- 23 A. Was inside the eyeglass case.
- MR. LEAMON: Nothing further.

Page 117

- 1 A. That's correct.
- 2 Q. And the eyeglasses case was located in the top of
- 3 the biggest compartment on that?
- 4 A. Yes.
- 5 Q. In the backpack?
- 6 And you didn't have to manipulate any items in
- 7 the pack back or anything like that to get to the eyeglasses
- 8 case; correct?
- 9 A. That's correct.
- 10 Q. You didn't have to dig around or anything like
- 11 that, it was just there?
- 12 A. Correct.
- 13 Q. And this might seem like a simply question, but
- 14 you don't know how the eyeglasses case got to where it was at;
- 15 right?
- 16 A. Correct.
- 17 Q. You didn't see anybody put it in there or
- 18 anything like that?
- 19 A. I did not.
- 20 Q. Now, you have recently had contact with Mr. Dunn;
- 21 correct?
- 22 A. Correct.
- 23 Q. You had contact with him January 24th of this
- 24 year; is that correct?

- 1 THE COURT: Redirect.
- 2 REDIRECT EXAMINATION
- BY MR. ROCHE:
- 4 Q. Are you sure that it was methamphetamine that was
- 5 located?
- 6 A. It tested presumptive positive on a NIK test,
- 7 yes.
- 8 Q. And would it refresh your recollection -- did you
- 9 prepare a report of declaration of probable cause in that
- 10 case?
- 11 A. I did.
- 12 Q. Would reviewing that refresh your recollection
- about what substance was found?
- 14 A. Yes.
- MR. ROCHE: May I approach, Your Honor?
- 16 THE COURT: Go ahead.
- MR. ROCHE: I don't know which exhibit you marked
- 18 it as.
- MR. LEAMON: Defense A.
- 20 BY MR. ROCHE:
- 21 Q. Showing what's been marked as --

- 4 THE COURT: Mr. Roche?
- 5 BY MR. ROCHE:
- 6 Q. If someone was to present to you that it was
- 7 possibly heroin that was found; would that be accurate?
- 8 A. It could be, yes.
- 9 Q. Do you know for sure whether it was heroin or
- 10 methamphetamine?
- 11 A. Not that I can recall, no.
- 12 Q. Would it refresh your recollection to review your
- 13 report that you prepared?
- 14 A. Yes.
- 15 THE COURT: Now you can look at it.
- 16 BY MR. ROCHE:
- 17 Q. After you've reviewed that, let us know?
- 18 A. Okay. I reviewed it.
- 19 Q. Does that refresh your recollection?
- 20 A. It does.
- 21 Q. What substance did you find when you arrested
- 22 him?
- 23 A. It was heroin.
- 24 Q. How many times have you come in contact with Mr.

- 1 THE COURT: Any follow up on that, Mr. Leamon?
- 2 MR. LEAMON: No, Your Honor.
- 3 THE COURT: Are there any jury questions for this
- 4 witness?
- 5 Do either of you need this witness retained?
- 6 MR. ROCHE: No, Your Honor.
- 7 MR. LEAMON: No, Your Honor.
- 8 THE COURT: Okay. You are excused from further
- 9 attendance at this trial. You cannot discuss your testimony
- with anyone other than the attorneys.
- 11 THE WITNESS: Yes, Your Honor.
- THE COURT: Thank you. Next witness, Mr. Roche.
- MR. ROCHE: Your Honor, the State would recall
- 14 Joshua Taylor. And if I may --
- 15 THE COURT: All right.
- MR. ROCHE: -- before Officer Taylor testifies,
- 17 can we have a side bar?
- 18 THE COURT: Yes.
- 19 (Side bar conference.)
- MR. LEAMON: So based on your ruling, obviously
- 21 the State (indiscernible) coming in. In regards to the -- the
- 22 prior use of methamphetamine, I'm just trying to figure out
- was that ruling that it was not a bad act at all.

The reason I'm asking is we considered whether or

Page 121

- 1 Dunn?
- 2 A. Numerous.
- 3 Q. Do you have any kind of rough estimate.
- 4 A. Including when I worked in the jail?
- 5 Q. In total in your life?
- 6 A. I would say at least ten plus.
- 7 Q. Have you ever seen Mr. Dunn wearing eyeglasses?
- 8 A. I have not.
- 9 Q. Are you aware of whether he wears eyeglasses?
- 10 A. I am not aware, no.
- 11 Q. Did you see the Defendant on the night of
- 12 August 22nd last year?
- 13 A. I did.
- 14 Q. Was she wearing eyeglasses at that time?
- 15 A. Yes, she was.
- MR. ROCHE: I'll pass the witness, Your Honor.
- 17 THE COURT: Recross.
- MR. LEAMON: Nothing based on that, Your Honor.
- THE COURT: Was the section of the backpack where
- you found the eyeglasses case, was it closed or unzipped?
- THE WITNESS: It was closed.
- THE COURT: Thank you. Do you have any followup
- 23 on that, Mr. Roche?
- MR. ROCHE: I don't, Your Honor.

- not a limiting instruction should be issued, but I believe the
- 2 State offered it for her ability to recognize methamphetamine
- 3 as the relevance, because as I had previously argued, that
- 4 relevance is conditioned on the bad act being true. But so
- 5 we're just wondering whether or not a limiting instruction
- 6 would be proper.
- But if it's not a bad act, I don't think that
- 8 you're allowed to give a limiting instruction.
- THE COURT: The use of the methamphetamine is a
- bad act, but the statement is not. It's just a statement. If
- 11 you stipulate to the Court giving a limiting instruction, I
- can, but otherwise I don't think I can.
- MR. ROCHE: I think you can just ask him if you
- 14 would prefer of whether he has any knowledge of whether she
- actually (indiscernible) going to take (indiscernible) know
- that she (indiscernible) just that she said.
- MR. LEAMON: Okay. So, I probably will just
- 18 renew my objection for the record by the questions asked just
- 19 based on relevance, the prior bad argument that was made
- 20 earlier. We'll move on.
- THE COURT: Sure. Now, Pinkham didn't say he
- 22 found the marijuana pipe.
- Is he the one that found the pipe.
- MR. ROCHE: I think Taylor found it.

Page 124

- 1 THE COURT: Okay. Because that's --
- MR. ROCHE: -- that's why I had --2
- THE COURT: -- in her statement as well. 3
- MR. LEAMON: Okav. 4
- THE COURT: Okay. 5
- 6 (Side bar conference concluded.)
- JOSHUA TAYLOR, 7
- recalled as a witness on behalf of the 8
- STATE, was previously duly sworn and 9
- testified as follows: 10
- 11 THE COURT: If you could have a seat, you are
- still under oath. 12
- Go ahead, Mr. Roche. 13
- DIRECT EXAMINATION CONTINUED 14
- BY MR. ROCHE: 15
- 16 Q. Officer Taylor, we heard testimony from you
- yesterday about a traffic stop that occurred on August 22nd,
- 2018. 18
- During that traffic stop, did you have any 19
- conversations with the Defendant, Ms. Gravelle? 20
- 21 A. I did.
- O. What was the nature of those conversations? Take
- us back to the initial stop when you approached on the 23
- passenger side, we'll start there.

- before, and she admitted that she used methamphetamine --
- 2 MR. LEAMON: Your Honor, at this point, I'm
- 3 renewing the objection based on this being prior bad act
- evidence and not being relevant.
- THE COURT: The Court overrules the objection. 5
- 6 BY MR. ROCHE:
- 7 Q. You may answer the question.
- 8 A. Yeah, she admitted that she had used
- methamphetamine the Friday prior, so just a couple days prior.
- She was friends with Mr. Dunn and she had just had been a user 10
- 11 of methamphetamine.
- 12 Q. What else did you talk, if anything, what else
- 13 did you talk about during your conversation?
- 14 A. I asked if there would be anything illegal in the
- vehicle as far as controlled substances, methamphetamine, I
- 16 usually use the word narcotics and try to be very specific.
 - I was told that she knew she shouldn't have
- 18 anything illegal in the vehicle because she had just cleaned
- 19 it out from a trip to California.
- 20 Q. Did that statement have any significance to you?
- 21 A. It does, because in my experience, people who
- don't use narcotics will say they won't give an explanation on 22
- why there shouldn't be anything in the vehicle because they 23
- cleaned it out. They say, no, there's nothing in the vehicle.

Page 125

- point? 2

1

3 A. Very minimal. That was basic traffic stop stuff

Did you have any conversations with her at that

- at the passenger side.
- 5 Q. When you say, "basic traffic stop stuff", what
- are you referring to?
- 7 A. Asking for insurance, driver's license,
- registration. Small questions like hey, where are you guys
- coming from? Where are you going? Just kind of friendly
- 10 small talk.
- 11 Q. Were you given an explanation of where they were
- 12 going or where they were coming from?
- 13 A. Not that I recall.
- 14 Q. And you said yesterday when you testified, you
- went back to your approached on the driver's side. At that
- point, when you spoke with the Defendant, did you have a 16
- conversation with her? 17
- 18 A. Yes.
- 19 Q. What was your conversation about.
- 20 A. I asked if she knew what Mr. Dunn was doing next
- 21 to his seat, because he had told me he was messing with his
- seat belt. She told me what he was doing next to the seat she
- 23 didn't know.
- I asked if she had ever used methamphetamine 24

- Furthermore, California is a known source

17

- 3 MR. LEAMON: I'm going to object as, at this
- point, Your Honor, I believe he's testifying to Miss
- Gravelle's state of mind when she made the comments why she
- did what she did, and I don't believe he has any foundation 6
- 7

10

- He has no knowledge of what Ms. Gravelle was 8
- thinking when she made those statements. 9
 - THE COURT: Mr. Roche.
- MR. ROCHE: I believe he's testifying on what to 11
- his state of mind based on the interpretation of the 12
- (indiscernible) responses, certainly not what she was 13
- 14 thinking.
- 15 MR. LEAMON: And, Your Honor, in response to
- that, Officer Taylor's state of mind would not be relevant. 16
- 17 It does not make any question of fact more or less probable.
- 18 THE COURT: The objection is sustained. The
- officer's state of mind regarding her statement is not 19
- 20 relevant. It's simply his speculation.
- The jury will not consider his speculation on 21
- what she was thinking when she made that statement. 22
- 23 BY MR. ROCHE:
- 24 Q. What happened next after that part of the

Page 128

- conversation?
- 2 A. I asked to search the vehicle.
- 3 O. And what was her response?
- 4 A. Initially was yes, and then quickly reverted to
- no. And then started asking me what would happen if she told
- me no, I couldn't search the vehicle.
- 7 Q. Yesterday I believe you testified that during
- your interactions with Ms. Gravelle, there was a point in time
- when she became nervous.
- 10 When was that in relation to this part of the
- conversation? 11
- 12 A. When I started asking about anything illegal in
- the vehicle or and her methamphetamine use. 13
- 14 Q. So, you just testified that she asked you what
- would happen if she said no. Did the conversation progress
- from there?
- 17 A. I told her I respect her right to say no to
- 18 consent search of the vehicle she you know she has every right
- to say that. She wanted to know what my next step would be. 19
- I was just trying to keep it there, telling her if you don't
- 21 want me it search the vehicle based on your consent that's
- 22 fine.
- 23 Bun then I asked her to get out of her vehicle.
- 24 Q. Did you have any further conversations with her

- ask about a marijuana pipe.
- 2 O. And then yesterday you already testified about
- your dog sniff of the vehicle and the subsequent search.
- Did you find anything in that subsequent search
- that made in relation to those previous statements that we
- just talked about?
- 7 A. I found the marijuana pipe, yes.
- Q. And where did you find it?
- 9 A. In the side pouch of the backpack where the Juicy
- eyeglasses came from.
- 11 Q. How did you come to find that?
- 12 A. I just kind of found it in the pouch. It was in
- that same backpack, and so I pulled it out and asked Miss
- Gravelle if it was hers.
- Q. Did you initially find the backpack?
- 16 A. I didn't, not that I recall.
- 17 Q. So do you know who found the backpack?
- 18 A. Officer Pinkham.
- 19 Q. After he found the backpack, how did you come
- over there to be (indiscernible) observation?
- 21 A. I believe I just went through the other side
- because it was in the back kind of poked my head through,
- 23 looked through some of that side pouch.
- 24 Q. Did you do anything with that marijuana pipe when

Page 129

- 1 after that point in time?
- 2 A. During that conversation, somewhere around there,
- she did admit to a marijuana pipe in the vehicle.
- 4 Q. And in your experience, I mean, is marijuana
- illegal at this point in time?
- 6 A. No.
- 7 Q. Is anything that would you would typically expect
- someone to tell you during a traffic stop?
- A. It's actually quite common whether they'll tell
- me about knives, or marijuana pipes, in a lot of traffic stops 10
- and a lot of searches, it's in my eyes what's shown as like 11
- distractionary (sic.) oh, like I have this, if you want this, 12
- or I have that if you want that, just trying to keep me from 13
- finding the actual --14
- MR. LEAMON: I'm going to object again to Ms. 15
- Gravelle's state of mind. 16
- 17 THE COURT: The objection is overruled. The
- officer is testifying about his general experience, not what 18
- Miss Gravelle's state of mind was. So to be considered only 19
- 20 for that experience, his general experience.
- BY MR. ROCHE: 21
- 22 Q. Did you ask Ms. Gravelle whether she had a
- marijuana pipe?
- 24 A. She freely said that statement to me. I didn't

- 1 you found it?
- 2 A. I removed it from the backpack and showed it to
- Miss Gravelle and asked her if it was her marijuana pipe that
- she was talking about.
- O. And what was her response?
- 6 A. She told me it was hers.
- 7 Q. Did you have any further conversation with Miss
- Gravelle at all after that?
- 9 A. Not that I can recall.
- 10 Q. During the search of the backpack, did you I
- 11 mean -- you testified yesterday during the pat down search you
- found an object (indiscernible) search of (indiscernible); is
- that correct? 13
- 14 A. Yes.
- 15 Q. What was that object?
- 16 A. It was the white cap for the plunger end of the
- hypodermic device.
- 18 Q. And did you find anything related to that during
- your search of the backpack?
- 20 A. In that eyeglasses case there is the orange cap
- 21
- 22 Q. And I apologize if we already covered that
- vesterday. 23
- 24 How many times during your law enforcement

Page 132

- 1 experience have you come in contact with Mr. Nicholas Dunn?
- 2 A. Around ten times with Mr. Dunn.
- 3 O. Have you ever seen him wearing eye glasses?
- 4 A. Not once.
- 5 Q. How many times have you come in contact with the
- 6 Defendant?
- 7 A. At this time, one or two times.
- 8 Q. During those interactions with her was she
- 9 wearing eye glasses?
- 10 A. Every time.
- 11 Q. I'd like to go back to when you first initially
- 12 approached the vehicle. You testified yesterday that you
- observed some movements made by Mr. Dunn or Dunn
- 14 (pronouncing). We don't have a particular pronunciation yet
- 15 for that (indiscernible).
- 16 I'd like you to go into more detail about that.
- 17 What exactly did you see?
- 18 A. So I really see pretty good silhouette from
- 19 behind when I pulled him over from my lights, the vehicle and
- 20 the untinted windows.
- I kind of look over the shoulder a little bit
- back and forth and I could see the left hand on the body like
- 23 shoulders really dip down below to the side I guess, the side
- of the seat, the side of his leg, that area underneath the

- 1 asked her about consent to search the vehicle?
- 2 A. No.
- 3 Q. Okay. What did you testify to?
- 4 A. The about her methamphetamine use, that's when.
- 5 Q. Okay. That's when she became nervous?
- 6 A. Yes, sir.
- 7 Q. Okay. Do you remember having a preliminary
- 8 hearing in this case?
- 9 A. I do.
- 10 Q. Okay. Do you remember me asked you questions
- 11 about this?
- 12 A. I don't recall at this time.
- 13 Q. Okay. Okay. Well at preliminary hearing and
- correct me if I'm incorrect I stated you stated that Miss
- 15 Gravelle was stuttering acting nervous and shaking when she
- was talking to you about consent to search the vehicle.
- Do you remember replying no not specifically,
- 18 just that. Does that sound correct?
- 19 A. Somewhat, yes, sir.
- 20 Q. And then I said well, I and then you cut me off
- 21 and said answer our whole conversation. Does that sound
- 22 correct?
- 23 A. Yeah, that sounds about correct.
- 24 Q. So she was nervous she was nervous throughout the

Page 133

- 1 seat itself.
- 2 It was down to the side.
- 3 Q. Is it possible when you observed him that he was
- 4 reaching behind the seat with his left hand?
- 5 A. In between the bucket style seats and the center
- 6 counsel sole that they had right there, I think it would have
- 7 had to be an up and over to get behind and not a down to get
- 8 underneath and fish all the way down behind it.
- 9 Q. And how clear was your view of him during this
- 10 incident?
- 11 A. I was a vehicle behind him and my head lights and
- let and blue lights were illuminating the inside of the
- 13 vehicle.
- 14 Q. So did he ever make a movement that suggested he
- was reaching behind the seat?
- 16 A. No.
- 17 Q. That you observed?
- **18** A. I fully believed underneath the seat.
- MR. ROCHE: I pass the witness, Your Honor.
- 20 THE COURT: Cross-examination.
- 21 CROSS-EXAMINATION
- 22 BY MR. LEAMON:
- 23 Q. Yes. I first want to direct your attention -- so
- 24 you just testified that Miss Gravelle became nervous when you

- 1 entire counter?
- 2 A. Yeah, and like I said when she started to become
- 3 nervous it was about the methamphetamine use and then the rest
- 4 of the conversation was nervious.
- 5 Q. But you previously said our whole conversation,
- 6 that's what you testified to at the preliminary hearing?
- 7 A. And on that conversation, yes, sir.
- 8 Q. Now you made a report in this case?
- 9 A Yes
- 10 Q. And so in the academy they teach you to be
- 11 thorough as you can on that report; right?
- 12 A. They do their best, years.
- 13 Q. Okay. And in regard to, maybe not the
- 14 declaration of probable cause, but your narrative, you got all
- the time you need to fill that out; right?
- 16 A. Not, not necessarily, no, sir.
- 17 O. But you don't fill it out on the scene the
- 18 narrative?
- 19 A. Oh, no, sir.
- 20 Q. You go back to what I'm assuming the station and
- 21 fill out the narrative?
- 22 A. That or on the in car on GT.
- 23 Q. Okay. Now, don't you think Miss Gravelle being
- 24 nervous is something that you would list on that narrative if

Page 136

- 1 it was true?
- 2 A. Yeah, times I do, sometimes I don't.
- 3 MR. LEAMON: Permission to approach the
- 4 witnesses, Your Honor?
- 5 THE COURT: Go ahead.
- 6 BY MR. LEAMON:
- 7 Q. I'd like to show you what's been previously
- 8 marked as State's Exhibit 15 and I would like you to review
- 9 this and tell me if you see anything in this report to
- indicate that Miss Gravelle was nervious?
- 11 A. Okay. Not that I can find, sir.
- 12 O. Thank you.
- 13 A. You're welcome.
- 14 Q. So I would like to move back to the initial stop.
- 15 Where exactly they were traveling up Idaho when you initially
- saw that the license plate light was out?
- 17 A. Yes, sir.
- 18 Q. How long did you follow them before you initiated
- 19 your lights?
- 20 A. Maybe a block or two, I don't recall following
- 21 very long.
- 22 Q. Okay. And the couple blocks that you followed
- them, you didn't have your lights lit up at that point;
- 24 correct?

- 1 A. Yes, sir.
 - 2 Q. And you saw him moving his left hand to the side
 - 3 of the seat; right?
 - 4 A. It was more of his left arm and shoulder hike
 - 5 down to his left side.
 - 6 Q. Okay. So he was moving his shoulder down?
 - 7 A. Yeah, the left side on the side.
 - 8 Q. Now that was just speculation when were you
 - 9 claiming that he couldn't reach behind him without making a
 - 10 motion and I guess for the record my left arm kind of going up
 - 11 and over?
 - 12 A. Just because of that center console is there that
 - 13 comes up past the seat itself.
 - 14 Q. But you don't know if he could have kind of
 - squeezed his arm back there; right?
 - 16 A. I don't know.
 - 17 Q. Okay. Now you testified earlier regarding the
 - white plunger cap found on Miss Gravelle's person.
 - Now, you can't say you never found a needle in
 - 20 this case; correct?
 - 21 A. Not that I recall, no, sir.
 - 22 Q. And you would have noted it if you had; right?
 - 23 A. Dependent on where it was found and if it had
 - 24 residue in it, yes, sir.

Page 137

Page 139

- 1 A. Not my red and blue lights I had.
- 2 Q. Just your headlights?
- 3 A. Yes, sir.
- 4 Q. How much of a distance was between the two cars?
- 5 A. I don't recall exactly.
- 6 Q. Okay. I mean, do you, not anything exact, were
- you right up on their bumper?
- 8 Were you a couple car length back just kind of a
- 9 general estimate?
- 10 A. Within a couple car lengths, I could still see.
- 11 Q. And so you don't know whether or not they noticed
- vou behind them; correct?
- 13 A. Correct.
- 14 Q. So how long after you initiated your over head
- lights did it take them to come to a stop?
- 16 A. I don't know how long that block is. As we were
- turning north on to, I'm drawing a blank on the street's name.
- 18 Off of Idaho street through that turn going north and then so
- 19 Fourth Street, that's Fourth Street.
- And then had my lights on coming to a slow stop
- 21 and then coming to Court Street. So I guess about a northern
- 22 block.
- 23 Q. Okay. Now you previously stated that Mr. Dunn
- 24 was a pretty tall individual; right?

- 1 Q. And a needle has not been introduced in any of
- 2 the exhibits you've seen today; correct?
- 3 A. Correct.
- 4 Q. And so you can't say whether or not that white
- 5 cap or the orange cap belonged to the same needle or matched;
- 6 right?
- 7 A. No, sir, I don't know if they belonged to the
- 8 same one.
- 9 Q. And there's no marks indicating on the needle or
- on the cap of the plunger that they're even from the same
- 11 company or anything like that, you didn't know whether they
- were in the same brand or anything like that?
- 13 A. I don't know of any marks that I'm aware on caps.
- 14 Q. I don't know the answer to this question. Are
- 15 you a drug recognition expert?
- 16 A. No, sir.
- 17 Q. Have you taken any training though on recognizing
- the general signs of somebody under the influence of
- 19 methamphetamine?
- 20 A. Yes, sir.
- 21 Q. And in your duties an as an officer have you ran
- 22 across people who were later confirmed to be under the
- 23 influence of methamphetamine?
- 24 A. Yes, sir.

_

Page 140

- 1 Q. And you didn't see any of those signs present on
- 2 Miss Gravelle; correct?
- 3 A. Not that I can recall, no, sir.
- 4 Q. And you would have noted in your report if you
- 5 believed she was under the influence of a controlled
- 6 substance; correct?
- 7 A. Yes, I would. Well, I --
- 8 Q. You didn't make her do field sobriety tests or
- 9 anything like that you might do if you suspect somebody of
- operating a motor vehicle under the influence of a controlled
- 11 substance; correct?
- 12 A. Correct.
- 13 Q. Now this might sound like an obvious question,
- but you never saw how the eye glasses case got in the
- 15 backpack; correct?
- 16 A. No, sir.
- MR. LEAMON: Nothing further, Your Honor.
- 18 THE COURT: Redirect.
- MR. ROCHE: Just briefly.
- 20 REDIRECT EXAMINATION
- 21 BY MR. ROCHE:
- 22 Q. You were asked on your cross-examination about
- 23 your preliminary hearing testimony about Miss Gravelle being
- 24 nervous in your conversation?

- 1 THE COURT: Are there any jury questions for this
- 2 witness?
- 3 Do either of you need this witness retained?
- 4 MR. ROCHE: No, Your Honor.
- 5 MR. LEAMON: No, Your Honor.
- 6 THE COURT: You are excused from further
- 7 attendance at this trial. Do not discuss the testimony with
- 8 anyone other than the attorneys.
- 9 THE WITNESS: Yes, ma'am.
- THE COURT: Okay. Your next witness, Mr. Roche?
- MR. ROCHE: Your Honor, the State will call
- 12 Brandin Smith next.
- THE COURT: Please raise your right hand. Thank
- **14** you.
- 15 BRANDIN SMITH,
- called as a witness on behalf of the
- 17 STATE, was duly sworn and
- testified as follows:
- THE COURT: Please state and spell your first and
- 20 last names.
- THE WITNESS: Brandin Smith. B-R-A-N-D-I-N. The
- 22 last is Smith. S-M-I-T-H.
- THE COURT: Thank you. Go ahead, Mr. Roche.
- 24

Page 141

- 1 A. Yes, sir.
- 2 Q. And it's your recollection that you testified
- 3 that she was nervous throughout that conversation?
- 4 A. On that second approach, yes, sir.
- 5 Q. When you specify that second approach, you're
- 6 distinguishing from when you first approached on the passenger
- 7 side of the vehicle?
- 8 A. Yeah, that's two different conversations.
- 9 Q. So she became nervous when you started your
- 10 second conversation?
- 11 A. Yes, sir.
- 12 Q. And what was the first thing that up started
- 13 talking about in that second conversation?
- 14 A. The very first thing was thinking the thing about
- 15 Nicholas Dunn what did she think he was doing kind of putting
- his hand down there how she knew him and started asking her
- 17 about narcotic questions.
- 18 Q. And is that about the same time that she became
- 19 nervous?
- 20 A. Yes. sir.
- MR. ROCHE: I have no further questions, Your
- 22 Honor.
- THE COURT: Recross?
- MR. LEAMON: No, Your Honor.

- 1 DIRECT EXAMINATION
- BY MR. ROCHE:
- 3 Q. Miss Smith, where are you employed?
- 4 A. Elko County Police Department for the City.
- 5 Q. Sorry. What's your job there?
- 6 A. I'm the evidence technician.
- 7 Q. And so what is your, what are your job duties as
- 8 part of that job?
- 9 A. After the officers have taken into evidence, I
- 10 process it and warehouse it.
- 11 Q. Do you have any specific responsibilities with
- respect to narcotics that are taken into evidence?
- 13 A. I do the same as every piece of property. I
- warehouse it, if it's requested by the District Attorney's
- office, I send it to the Washoe Crime Lab.
- 16 Q. And when you send evidence to the Washoe Crime
- 17 Lab, do you do anything on the evidence to document on the
- 18 evidence on how you handled it?
- 19 A. There's a Washoe County Crime Lab request form
- 20 that I fill out and then I also scan it into our computer that
- 21 I'm sending it to the Washoe Crime Lab and then I do certified
- 22 U.S. mail.
- 23 Q. And after you have send something by certified
- 24 U.S. mail, do you do anything else with that evidence?

Page 144

- 1 A. They process it and then I -- they send me back
- 2 the Green receipt from the certified mail. And I file it in
- 3 our property forms. And then once they're finished with,
- 4 they'll send it back to us after they're done testing.
- 5 Q. Now if you have a specific piece of evidence that
- 6 has been sent for testing, is there anything on the actual
- 7 evidence bag that you would be able to determine whether or
- 8 not you mailed that out for testing?
- 9 A. There's a label that is already created by the
- officer and I scan it in. Then there's also a chain of
- custody that we sign every time that it's left the vault or
- 12 come into the vault.
- 13 Q. I hand you what has previously been marked as
- 14 State's Exhibits 2 and 3 and previously admitted.
- Do know look familiar to you?
- 16 A. Yes.
- 17 Q. Is there any way for you to determine whether or
- not you mailed those items off for testing?
- 19 A. There's another seal because it's been opened and
- 20 they sign and date it. And then on the back, there's a Washoe
- 21 County Sheriff's Office label that they create for their vault
- and their warehousing to show that it has been there in their
- 23 custody.
- This one has been tested because they opened it.

- 1 A. Yes.
- 2 O. And tell us what it is?
- 3 A. State's Exhibit 2 is that -- it was mailed out on
- 4 12/3. They received it on 12/3/18. I received it back on
- 5 1/14/'19 and I brought it over on 2/7/'19.
- 6 Q. So from what you can tell, that sample was sent
- 7 to the crime lab but they didn't test this one, they just
- 8 returned it to you and you gave it to the evidence clerk?
- 9 A. That one was I believe was tested.
- .o O. Oh, this is one?
- 11 A. Second.
- 12 Q. All right?
- 13 A. That's the one that was.
- 14 O. And so the other one, State's Exhibit 3 that you
- -- just to make sure it was accurate, this exhibit here,
- 16 State's Exhibit 3, you're testifying that that was mailed to
- 17 the Washoe County Crime Lab, but was not tested?
- 18 A. Correct.
- 19 Q. And they mailed it back to you and you gave it to
- 20 the clerk?
- 21 A. Correct, yes.
- MR. ROCHE: I have no further questions for this
- 23 witness, Your Honor.

THE COURT: Cross-examination?

Page 145

Page 147

- 1 And this one they did not open.
- 2 Q. Can you specify for us which one was tested and
- 3 which one wasn't?
- 4 A. This one was opened and then they'll send back a
- 5 their test results and then this one has not been reopened.
- 6 Q. So for the record, I want to indicate that the
- 7 one that she's saying isn't opened is State's Exhibit 2.
- And the one that has not been opened is been
- 9 marked as State's Exhibit 3; is that correct?
- 10 A. Correct.
- 11 Q. And is there any way for you to determine whether
- 12 you mailed those off for testing?
- 13 A. It would be a Washoe crime receipt or crime
- 14 request form.
- 15 Q. So you don't put your name or initials on the?
- 16 A. I sign here that I took it in and then they sign
- that they received it for a certified mail on 12, 3. And then
- 18 I sign that I received it back are from them on 1/14/19 and
- then I brought it over to the clerk on 2/7/19.
- THE COURT: Which Exhibit was that on?
- THE WITNESS: Three.
- THE COURT: Thank you.
- 23 BY MR. ROCHE:
- 24 Q. Could you review State's Exhibit 2?

- 1 MR. LEAMON: No questions, Your Honor.
- 2 THE COURT: Are there any jury questions for this
- 3 witness?
- 4 Do either of you need this witness retained?
- 5 MR. ROCHE: No, Your Honor.
- 6 MR. LEAMON: No, Your Honor.
- 7 THE COURT: Miss Smith, you're excused from
- 8 further attendance at this trial. You cannot discuss your
- 9 testimony with anyone other than the attorneys. Thank you.
- 10 Well, I think the next witness is probably going
- to be a little bit lengthy, Mr. Roche; is that correct?
- MR. ROCHE: He'll be a little longer than this
- witness. It shouldn't take very long.
- THE COURT: I was thinking maybe we should take
- 15 our morning recess.
- MR. ROCHE: That would probably be good.
- 17 THE COURT: All right. Before we recess, the
- 18 jury is admonished as follows:
- You're not to converse amongst yourselves or with
- anyone else on any subject connected with this trial. Do not
- 21 read, watch, listen to any report of the trial or commentary
- on the trial or to any person connected with the trial.
 This includes any medium of information,

- 4 to you.
- 5 Do not visit the alleged scene or conduct any

- 8 violation of these admonishments may result in a mistrial.
- 9 We'll be in recess for 20 minutes.
- 10 (Recess.)
- THE COURT: You may be seated. The record will
- 12 reflect the presence of the Defendant and counsel. Counsel,
- will you stipulate to the presence of the jury?
- MR. ROCHE: Yes, Your Honor.
- MR. LEAMON: Yes, Your Honor.
- THE COURT: Your next witness, Mr. Roche.
- MR. ROCHE: The State's next witness is Brad
- 18 Taylor.
- 19 BRAD TAYLOR,
- called as a witness on behalf of the
- STATE, was duly sworn and
- testified as follows:
- THE COURT: Please state your name and spell your
- 24 last name.

- 2 Q. What kind of training have you received in order
- 3 to do that?
- 4 A. Besides my degree, while I was at Mount Union, I
- 5 completed an internship at the Canton (indiscernible) county
- 6 crime County crime lab in Canton, Ohio.
 - I got my first job at the Allegheny County Crime
- 8 Lab in Pittsburgh (indiscernible) that's a forensic
- 9 (indiscernible) controlled substances. After a year, I
- 10 accepted a position at the Canton Stark County Crime Lab in
- 11 Canton and I worked there for 15 years, prior to coming to the
- 12 Washoe County Sheriff's Office.
- At all those agencies, I -- excuse me, all those
- 14 agencies, I received in service training and I've also had
- specialized training in controlled substance from, from
- agencies such as the Midwestern Association of Forensics
- 17 Scientists, the USDA and the Federal Bureau of Investigations.
- 18 Q. Have you testified in this state previously as an
- 19 expert witness?
- 20 A. I have.
- 21 Q. How many times?
- 22 A. In Nevada?
- 23 Q. Yes?
- 24 A. At this point, probably a couple dozen.

Page 149

- 1 THE WITNESS: My name is Brad Taylor.
- 2 T-A-Y-L-O-R.
- 3 THE COURT: Thank you. Go ahead, Mr. Roche.
- 4 DIRECT EXAMINATION
- 5 BY MR. ROCHE:
- 6 Q. Mr. Taylor, how are you presently employed?
- 7 A. Can you repeat that?
- 8 Q. Are you presently employed?
- 9 A. I am.
- 10 Q. And where do you work?
- 11 A. I work at the Washoe County Sheriff's Office,
- forensic science division which is the crime lab.
- 13 Q. And how long have you worked there?
- 14 A. I've been at the Washoe County Sheriff's Office
- 15 for over five years.
- 16 Q. What kind of education do you have?
- 17 A. I have a Bachelor's Degree, a bachelor of science
- 18 major in chemistry with a minor in biology from Mount Union
- 19 college, it's in (indiscernible) Ohio.
- 20 Q. And what is your job in the forensic science
- 21 division?
- 22 A. My duties at the crime lab are to analyze
- submitted substances for the presence of controlled
- substances, and I also do some work in the breath/alcohol

- 1 Q. And do you recall what counties that you
- 2 testified in?
- 3 THE COURT: Excuse me, just a minute, Mr. Roche,
- 4 will you keep your voice up? We're having trouble getting you
- on the recording.
- 6 MR. ROCHE: I apologize, and I'll move this
- 7 closer.
- 8 THE COURT: Thank you.
- 9 MR. ROCHE: I'm still a little sick, so I'm not
- 10 as voistrous (sic.) as usual.
- 11 BY MR. ROCHE:
- 12 Q. Can you repeat that? What counties have you
- 13 testified as an expert?
- 14 A. The district courts, I've testified in for this
- work is the First, Second, Third, Fourth, Sixth, Seventh,
- 16 Tenth and Eleventh.
- MR. ROCHE: Your Honor, the State would ask that
- 18 he be permitted to testify as an expert regarding the
- 19 identification of testing in controlled substances.
- THE COURT: Mr. Leamon, do you want to be heard
- 21 on that?
- MR. LEAMON: No, Your Honor.
- THE COURT: The witness may testify.

Page 152

- 1 O. So please tell us generally the process for how
- the crime lab processes samples that it receives from
- agencies? 3
- 4 A. As far as receipt of the evidence?
- 5 O. Yeah.
- 6 A. As evidence comes into the crime lab to be
- (indiscernible) or delivered in person. When it comes to the
- laboratory, it is initially checked in to evidence we our
- evidence technician that is then stored in our evidence room
- 10 until it needs to be analyzed.
- Part of the process of checking in the evidence 11
- includes ensuring the evidence is sealed and giving it an 12
- exhibit bar code and a unique identifier, a forensic lab 13
- number that we use to track the evidence throughout the lab as 14
- it's analyzed. 15
- 16 Q. So what's the purpose of that bar code?
- 17 A. It's to give us a unique identifier. Agencies
- tend to have their own case numbers which is their unique
- 19 identifier, but once it's in the laboratory, we give it our
- 20
- 21 And the bar code can be scanned as it's moved
- from a (indiscernible) location or person to person keeping 22
- 23 the chain of custody.
- 24 Q. So, are there any steps taken to make sure that

- number is that that you were looking at?
- THE WITNESS: That was Exhibit 2. 2
- THE COURT: Thank you. 3
- Go ahead, Mr. Roche. 4
- 5 BY MR. ROCHE:
- Q. And I think if you look at Exhibit 3, are you
- able to determine whether the crime lab received that sample
- for testing as well?
- 9 A. Yes, it does. And I also received it, but did
- not analyze it.
- 11 Q. Is there a reason why you did not analyze that
- 12 sample?
- 13 A. Yes.
- 14 Q. And can you tell us what that reason was?
- We have a best evidence policy in controlled
- 16 substance to analyze to the charges available. Based on the
- 17 weight of the substances, we look for trafficking charges
- 18 initially.
- 19 And if it's below trafficking charges such as
- 20 possession charges, we would analyze single exhibits because
- 21 additional analysis would not be added to the charge.
- 22 Q. Did you consult anyone when you made that
- 23 decision?
- 24 A. I did check in with yourself prior to make sure

Page 153

- 1 samples aren't mixed up or lost during your (indiscernible)?
- 2 A. The evidence is checked to see if it's sealed
- when it comes in. And then the bar code associates it with a
- 4 location.
- And because it's all electronic as it's entered 5
- into the system we know what's at the lab and what's not at 6
- the lab and where it should be. So it does help 7
- (indiscernible) access and checked.
- Q. I'm going to show you what's been previously
- admitted as State's Exhibits 2 and 3. Can you determine from 10
- 11 looking at those whether or not you performed testing on those
- 12 samples?
- 13 A. I can.
- Q. And how are you able to determine that?
- 15 A. As far as actual analysis I did, I can tell
- because I, there's a seal associated where I sealed it up with 16
- 17 my initials and date of seal.
- There's also, I can see underneath the Elko 18
- County Police Department's bar code, the bar code that I put 19
- 20 on the evidence after I was done analyzing it as well as my
- initials on the bag and the seal inside of the bag that I 21
- analyzed. 22
- 23 Q. Now when you receive a --
- THE COURT: Excuse me, Mr. Roche, what exhibit 24

- there weren't any extra circumstances that would require the
- need for the analysis, maybe a different location or some
- other concern with that item.
- 4 Q. Now, when you received an item in the mail or in
- person from an agency, do you generally have an idea of what
- kind of tests you're going to perform?
- 7 A. Well, depending on the evidence, I do have -- I
- have quite a bit of variety of analyses I can do.
- 9 And then based on the form of the substance I
- see, I can choose my tools for from my tool box there. So I 10
- 11 have an idea, it just depends on once I get into the samples
- what I will do. 12
- 13 Q. Did you make a decision when you received these
- samples of what tests you were going to perform?
- 15 A. Well, I work in the controlled substance section,
- so my job would be to analyze it for controlled substances and then once I actually opened the evidence, I then decided which
- way I would make that analysis.
- 19 Q. And what kind of tests did you perform in this
- 20 case?

16

- 21 A. In this case, on the sample I analyzed, I did a
- preliminary color test, followed by confirmatory instrumental
- 23 analysis, called (indiscernible) DIR which gives me structural
- information that I can compare to known reference materials

Page 156

- 1 for identification.
- 2 Q. So let's start with that first testing that you
- mentioned, the color test. Can you tell about how that test
- 4 works and what you have to do and then what it tells you?
- 5 A. So the color test is very similar to what
- 6 officers can use out in the field for field testing of
- 7 substances. It's chemicals, and in this case, the chemical
- 8 reagent that I performed, the color test was called a Marquis,
- 9 applied Marquis reagent.
- 10 It's a combination of sulfuric acid and
- 11 formaldehyde. You take a small amount of the sample, put it
- into a small well and then put the chemicals on it and observe
- the color reactions that happen at each addition.
- And from that information, you can get an idea if
- a substance might be present in what was being analyzed. It's
- 16 a preliminary, because if a substance has similar structures,
- they can react in a similar manner.
- So this gives us an idea based on what we're
- 19 visually seeing, the commonality of that drug, what might be
- present. It gives me an idea of where I may want to go to
- 21 confirm that that substance in the lab as well.
- 22 Q. So you perform that test on the sample?
- 23 A. I did.
- 24 Q. And what were the results?

- 1 A. I did, based on the combination of both the
- 2 visual, looking at the physical form, the preliminary color
- 3 tests, supported with the presence of possible
- 4 methamphetamine.
- 5 And then the FTIR confirmed the structural
- 6 information that I needed to make an identification.
- 7 Q. Did you do anything to try and determine the
- 8 amount of the substance that was present?
- 9 A. As part of the analysis, as far as let me clarify
- 10 that? Do you know want to know total weight or quantification
- of the drug in the substance.
- 12 Q. Just the total weight?
- 13 A. Yeah. So as part of our normal analysis, prior
- 14 to any physical analysis going forward, when we're before we
- 15 do that, we will weigh the substance, we'll take it out of the
- 16 packaging.

17

22

- MR. LEAMON: I'm going to object at this point,
- 18 Your Honor. I don't think the weight itself has any
- 19 relevance. This isn't a trafficking case, so it doesn't make
- 20 any fact more likely than not.
- THE COURT: Mr. Roche?

4.8 s.s \$#

- MR. ROCHE: Your Honor, it's just simply offered
- 23 for informational purposes, it's not -- it's not an element of
- 24 the (indiscernible) that's why (indiscernible).

Page 157

Page 159

- 1 A. The results were an effervescence during the
- 2 initial sulfuric acid analyzed or indicia of and then when
- 3 formaldehyde was added, it flashed orange and that would be
- 4 consistent with methamphetamines or amphetamines and this type
- 5 of crystalline substance would be consistent with the
- 6 structure which is an a viewing of methamphetamine as well.
- 7 Q. So based on the results of that preliminary test,
- 8 what did you decide to do next?
- 9 A. I decided to move forward and confirm possible
- 10 controlled substance using the FTIR that I mentioned earlier.
- 11 This allows me to take a small amount of the substance
- dissolve it re-crystalize it, back on a little plate that I
- 12 dissolve it re-crystalize it, back on a fittle plate that I put under an infrared light.
- The infrared light will be absorbed at different
- bonds within the substance at different wavelengths, and
- because each substance is unique in structure, the -- the
- pattern of infrared absorption will be unique to a substance
- 18 as well.
- I did that with a sample, compared it to our
- 20 reference library of substances that we also ran on this
- 21 instrument and came up that there was methamphetamine
- 22 identified within that crystalline substance.
- 23 Q. At that point, were you confident that had you
- 24 identified the substance?

- 1 THE COURT: The objection is sustained.
 - BY MR. ROCHE:
- 3 Q. After you performed that test, what did you do
- 4 with the sample?
- 5 A. After the final instrumental analysis, I then
- 6 packaged the substance back in the condition that it's in
- 7 here. That consists of me placing it into a laboratory
- 8 Ziploc, initialling that bag so I can acknowledge that I've
- 9 added that back to the packaging. And then also putting seals
- in barcode labels on the evidence prior to sealing it.
- 11 Q. Did you do anything to document your findings
- after you do the testing?
- 13 A. I do. I actually have a work station right where
- 14 I'm doing the analysis, and I'm recording the results of each
- analysis I'm performing them.
- So as part of the normal process I do take notes,
- digital notes of the analysis being performed.
- 18 Q. Do you provide any of those results, who did you
- 19 provide those results to, I guess?
- 20 A. Can you repeat that?
- 21 Q. To whom do you provide the results after you
- 22 complete the testing?
- 23 A. Oh, after I complete the analysis, I generate a
- 24 report and that report gets distributed by our front office to

Min-U-Script®

(22) Pages 156 - 159

Page 160

- 1 agencies, the submitting agency as well as if there's an a
- 2 district attorney's office involved in the case as well.
- 3 Q. You testified that this State's Exhibit Number 2
- 4 is the one that you tested?
- 5 A. It is.
- 6 Q. How confident are you that the substance that you
- 7 tested that's in that envelope contained methamphetamine?
- 8 A. A hundred percent.
- 9 MR. ROCHE: I'll pass the witness, Your Honor.
- 10 THE COURT: Cross-examination.
- 11 CROSS-EXAMINATION
- BY MR. LEAMON:
- 13 Q. So you only tested the State's Exhibit 2; is that
- 14 correct?
- 15 A. That is correct.
- 16 Q. And you based that off of this in part your
- 17 consideration with the district attorney.
- Do you receive, I guess, the charging documents,
- 19 declaration of probable cause? Do you get any paperwork like
- that when you get the substance?
- 21 A. I don't usually, but there is a form on the exam
- 22 submission form that's submitted. There is a charge space
- 23 that can be filled out.
- That's not always the charge that moves forward,

- 1 withdrawal the question.
- 2 But you can't say Exhibit 3 is methamphetamine?
- 3 A. I did not analyze it, so I cannot speak to what
- 4 it may contain.
- 5 Q. Okay. So I wanted to talk about the first test
- 6 that you did. And this is the one where I guess the suspected
- 7 methamphetamine changes colors; correct?
- 8 A. That's correct.
- 9 Q. Now, do you -- and I -- I'm interested myself in
- the process, so does a computer make that determination or is
- 11 it something that you kind of eyeball based on the color?
- 12 A. That's strictly a visual observation that I am
- making based on the chemicals added.
- 14 Q. So really the only testing in my personal, I am
- 15 familiar with, again a tower guard in which I got the test the
- 16 PH in every now and then.
 - So the way I have to do that I have to get a
- scoop and then there's I guess some solvent that I put in
- 19 there, you put a couple drops in and it changes colors.
- Is this similar to that?
- 21 A. Yeah, it could be, it could be related that way.
- 22 It's our colors are usually pretty intense as far as the
- 23 reaction, but similar.
- 24 Q. Okay. So -- okay. That's where I was going with

Page 161

17

- 1 but it is an indication of the possible charges based on the
- 2 case when it's submitted to us.
- 3 Q. Now, and I guess the decision to only test one of
- 4 the samples was because they were found in relatively the same
- 5 location; correct?
- 6 A. The initial decision was the -- the weight, total
- 7 weight of the drug and then that's our lab policy. And then
- 8 the fact that I was not given any other information that would
- 9 indicate that the drugs would -- would be additive because of
- 10 location or where it was found, yes.
- 11 Q. So you're assuming both samples are coming from
- 12 the same source; correct?
- 13 A. I did not assume that, that's why I reached out
- 14 to make sure.
- 15 Q. So were you ever informed that while in the same
- 16 general location the two samples were found in somewhat
- 17 different containers?
- 18 A. I do not recall.
- 19 Q. So you can't say for certain whether or not a
- 20 sample whether Exhibit 3 is, in fact, methamphetamine;
- 21 correct?
- 22 A. The third Exhibit? No, I did not analyze that.
- 23 Q. So hypothetically, if one person placed an item
- 24 into the eye glasses case, that one was tested by the -- I

- that. So it's easy to tell whether or not it's a controlled
- 2 substance or not. It's not like when I'm trying to make a
- 3 determination whether this is 6 versus 6.5 on the PH scale.
- 4 A. So the color test, to educate the courts, the
- 5 color test is preliminary. So really all I'm looking is does
- 6 a give a color reaction. And what is that color reaction.
- And that color reaction can be indicative of a
- 8 possible controlled substance, but it still has to be moved
- 9 forward to an instrumentation that would be a structural
- 10 information.
- 11 Q. And that would be the FTIR test; correct?
- 12 A. That is the test I used.
- 13 Q. Okay. So when you're doing this test, I know you
- 14 also said that you worked with, I guess, with the alcohol
- 15 division too.
- I know when alcohol is tested, at least in blood
- 17 there's multiple samples being tested at the same time.
- Is it the same way with controlled substances?
- 19 A. Can you clarify that?
- 20 Q. Right, okay. So in the context of my
- 21 understanding of when blood is being tested for alcohol
- 22 content.
- 23 A. Um-hum.
- 24 Q. They get the vials, they put it in thing, they

Page 164

- 1 put it, they test maybe a hundred at a time. The vials are
- heated, often rotated and then there's gas that comes out and
- that gas is what is tested. 3
- But there's multiple blood samples being
- testified at the same time. I'm asking with methamphetamine
- is it similar? Are there multiples being tested at the same
- time?
- 8 A. You mean at one time?
- 9 O. Yes?
- 10 A. This -- this process is manual.
- 11 Q. Okay.
- 12 A. So, I have to -- I have to analyze one exhibit at
- 13 a time.
- 14 Q. Okay. Now, in regards to storage, are there
- specific guidelines of how the items to be stored while it's a
- waiting testing? 16
- 17 A. Yes is the simple answer.
- 18 Q. So can you tell us some more about that, about
- the conditions that it has to be kept in?
- 20 A. For a substance like this, solid dose drugs, it
- just has to be stored sealed on the shelf. While it's waiting
- analysis, that's -- there's no conditions that I feel would 22
- 23 compromise that.
- 24 Q. So temperature, for example, wouldn't compromise

- image on, on a screen that I'm looking at.
- And when it's finalized, then do a library search 2
- 3 comparison of known reference materials that I've also
- 4 analyzed on that instrument and then based on those matches, I
- then make my identification.
- Q. I'd like to talk about the process by which you
- handle the substance after you take it out of storage. So are
- 8 you testing the substance on surfaces, do you test on the same
- surface every time I guess is what I'm asking?
- 10 A. Yes, I have one work station.
- 11 Q. Okay.
- 12 MR. LEAMON: Nothing further, Your Honor.
- 13 THE COURT: Redirect.
- MR. ROCHE: Well, just briefly. 14
- REDIRECT EXAMINATION 15
- 16 BY MR. ROCHE:
- 17 Q. You test them in the same work station, do you do
- anything to take precautions to make sure that samples don't
- contaminate the other samples that you are testing?
- 20 A. Yes.
- 21 Q. What do you do?
- 22 A. After each sample is analyzed, I wipe down the
- work station with solvent to dissolve anything, residues that
- might have been on that. Generally, the surface itself that's

Page 165

- 1 it in the solid warm?
- 2 A. Not unless it was extremely hot.
- 3 O. What do you consider extremely hot?
- 4 A. Flame hot.
- 5 Q. Okay. Now, I guess in your average work day, how
- 6 many samples would you say you test in a day?
- 7 A. I'll spread that out more towards a month,
- because it's --
- 9 Q. Okay?
- 10 A. -- my job's so much paperwork, so I have to do
- 11 that. I do -- I analyze anywhere from 40 to 80 exhibits a
- 12
- 13 Q. So while understanding you have to do paperwork,
- that would be one to two a day, maybe three?
- 15 A. Yeah, that, that's a good average, yeah.
- 16 Q. Okay. Now, you test the substance is it for the
- 17 FTIR test at least. So as part of that a computer printout,
- can you go into that a little more detail? 18
- What specifically do you have to analyze? Are 19
- 20 you analyzing, I guess, what the computer is showing, or are
- you looking at the actual structure of the substance?
- 22 A. So the instrument is -- has computer interface,
- software interface as most things do these days. So whenever 23
- the infrared analysis is going on that is translated to an

- not come in contact with the bulk of the drug, only maybe
- 2 residues falling off.
- It's because as part of the process of -- of 3
- weighing the sample, I have to put it, I put it on a weighing
- paper, a weighing boat, put it on the balance, it stays in
- 6 that or on that.
- 7 As I select my sample for the color testing and
- for the, for the other instrumental analysis, those samples
- 9 are then you know transferred to individual tubes or wells.
- 10 So the sample itself does not, does not sit on my
- 11 work station. It sits on a barrier, and that barrier is
- 12 disposable, so I just throw it (indiscernible) way in between 13 each sample.
- 14 MR. ROCHE: I have no further questions, Your
- 15 Honor.
- 16 THE COURT: Recross?
- 17 MR. LEAMON: No, Your Honor.
- THE COURT: Are there any jury questions for this 18
- witness? 19
- 20 Do either of you need this witness retained?
- 21 MR. ROCHE: No, Your Honor.
- MR. LEAMON: No, Your Honor. 22
- 23 THE COURT: You're excused from further
- attendance from this trial. The bailiff will take that.

- 1 Thank you. Please do not discuss your testimony with anyone

- 3 THE WITNESS: Okay.
- 4 THE COURT: You're excused. Thank you. Your

- 6 MR. ROCHE: Your Honor, the State has no further

- 8 THE COURT: We are getting near the end of the
- 9 trial, so what we're going to do now is take our lunch recess.
- 10 It's going to be a long recess. This will be the time when
- 11 the attorneys and I meet and I decide which jury instructions
- you will be given. So I would like you all to be back at
- 13 3 o'clock.
- Before we recess, the jury is admonished as
- 15 follows. Do not converse amongst yourselves or with anyone on
- any subject connected with this trial. Do not read, watch or
- 17 listen to any report of the trial or commentary on the trial
- or to any person connected with the trial.
- This includes any medium of information,

- Do not form or express any opinion on any subject

- 2 he makes his closing argument to the jury.
- 3 Do you understand that?
- 4 THE DEFENDANT: Yes, Your Honor.
- 5 THE COURT: If you choose to testify, I'm aware
- 6 that you have two prior felony convictions. And those are
- 7 within the last ten years, so the prosecutor would be able to
- 8 ask you about whether you are a convicted felon.
- 9 Do you understand that?
- THE DEFENDANT: Yes, Your Honor.
- THE COURT: If you admit that you are, that's the
- end of that. But if you deny that you are, then the
- 13 prosecutor would be able to offer into evidence certified
- 14 copies of your two prior convictions.
- Do you understand that?
- THE DEFENDANT: Yes, Your Honor.
- 17 THE COURT: The jury could take those convictions
- 18 into consideration in determining your credibility.
- Do you understand that?
- THE DEFENDANT: Yes, Your Honor.
- THE COURT: If you choose not to testify, the
- 22 district attorney cannot comment on the fact that you did not

- 24 Do you understand that?

- Do not visit the alleged scene or conduct any

- 6 (Recess.)
- 7 THE COURT: You may be seated. The Defendant and

- 9 Miss Gravelle, I need you to stand, please.
- 10 THE DEFENDANT: (Complies.)
- THE COURT: I'm going to advise you about your
- 12 rights regarding whether you testify.
- You have the right under the constitution of the
- 14 United States and the constitution of the State of Nevada not
- to be compelled to testify in this case.
- Do you understand that right?
- 17 THE DEFENDANT: Yes, Your Honor.
- THE COURT: You may, if you wish, give up that
- 19 right, take the witness stand and testify. If you do so, you
- 20 will be subject to cross-examination by the prosecutor.
- 21 Do you understand that?
- THE DEFENDANT: Yes, Your Honor.
- THE COURT: Anything you say if you take the

- 1 THE DEFENDANT: Yes, Your Honor.
- 2 THE COURT: If your attorney requests it and you
- 3 have not testified, I will instruct the jury that they cannot
- 4 consider your failure to testify in any way.
- 5 Do you understand that?
- 6 THE DEFENDANT: Yes, Your Honor.
- 7 THE COURT: Do you have any questions about these
- 8 rights that I've explained to you?
- 9 THE DEFENDANT: No. Your Honor.
- THE COURT: I don't want to know what your
- 11 decision is, but I want to know if you have discussed the
- 12 various options with your attorney, including the pros and
- cons of testifying or not testifying?
 - THE DEFENDANT: I have.
- 15 THE COURT: Have you had ample time to discuss
- that issue with him and to make your decision?
 - THE DEFENDANT: Yes, Your Honor.
- THE COURT: Are you comfortable that you have
- 19 made that decision after having discussed that with your
- attorney and considered it and that it's the right decision?
- THE DEFENDANT: Yes, Your Honor.
- THE COURT: All right. Thank you. That's all I
- 23 have. You may be seated.
- All right. What we're going to do now is we'll

- 1 THE COURT: All right. So, Mr. Roche, do you
- 2 have any other instructions to propose?
- 3 MR. ROCHE: No.
- 4 THE COURT: Mr. Leamon, do you have any other
- 5 instructions to propose?
- 6 MR. LEAMON: Just the one the two interpretations
- 7 of evidence citing Bells and the State. I think it was the
- 8 first one that I proffered from the instructions that I
- 9 submitted. Basically, the case law that I looked at.
- THE COURT: Just let me find it first. I have
- 11 mixed all of these things up.
- Do you have a copy with you?
- 13 MR. LEAMON: I do.
- 14 THE COURT: All right. Mr. Leamon, or excuse me,
- 15 Mr. Roche, do you know which one he's talking about?
- MR. ROCHE: I do.
- MR. LEAMON: And the case law I found, it's
- optional as long as the reasonable doubt instruction is
- included, this is not required, but they have approved the
- 20 language basically saying it can go either way.
- THE COURT: Mr. Roche?
- MR. ROCHE: Your Honor, I have to on to the
- instruction because I think it's not true. It says if he can
- 24 draw two or more reasonable conclusions from circumstantial

- 1 Instruction number 14, that's most similar to
- 2 this one, but neither Crane, nor Biels talked about
- 3 circumstantial evidence, just those instructions just talked
- 4 about evidence that the jury could conclude either way, not
- 5 just circumstantial evidence.
- 6 And Biels said that, I'm getting the language
- directly, it's not error to refuse to give the instruction if
- 8 the jury is properly instructed regarding reasonable doubt.
- 9 So I am not going to give this instruction.
- Do you need your copy back and make another copy
- 11 for the court file?
- MR. LEAMON: I've got one.
- THE COURT: You're okay, if we put this --
- 14 MR. LEAMON: Yes.
- THE COURT: -- in the court file?
- Do you have any more, Mr. Leamon?
- MR. LEAMON: I don't believe so. I did have a
- 18 number of witnesses instruction, but I believe that's probably
- 19 countered by the fact that the defense does not have to put on
- 20 the evidence. I think if we have something (indiscernible) so
- 21 I am fine with the instructions as are.
- THE COURT: Okay. What we'll do then is get the
- 23 instructions into final form, get you each a copy. For the
 - record, the Defendant is now in the room. We'll get you each

Page 181

- 1 evidence and one of those (indiscernible) the other guilty you
- 2 must accept the one that points to innocence. I don't think
- 3 they have to do that.
- I think they can find that they both are proven
- 5 beyond a reasonable doubt and not make a decision that not one
- 6 of those circumstances is not true.
- 7 So it's kind of redundant and the case law is
- 8 clear that as long as they're adequately or correctly
- 9 instructed on reasonable doubt then that instruction doesn't
- need to be given and so I would ask that not be given.
- 11 THE COURT: Mr. Leamon?
- MR. LEAMON: I do think that it's proper. I
- guess it kind of goes a little bit more in depth into
- 14 reasonable doubt.
- Basically if there's two reasonable inferences
- 16 that can be drawn, one points to innocence, that's pretty much
- 17 reasonable doubt. And I think that's why they say it's
- optional if a reasonable doubt instruction is included.
- THE COURT: I'm looking at my copy of the case.
- 20 I've got it here somewhere. I read Biels and I also read a
- 21 case called Crane v. State, C-R-A-N-E. 88 Nevada 684 and it
- 22 might have been cited in Biels, maybe that's why I read it.
- In the Crane case, there was some instructions on
- 24 circumstantial evidence similar to the one I'm going to give.

1 a copy.

5

10

- 2 We'll get the jury back in here. I will ask you
- if you have any evidence to present, Mr. Leamon, and I'm
- 4 assuming at this point you do not; is that correct?
 - MR. LEAMON: Correct.
- 6 THE COURT: You can rest your case and I will go
- 7 right into jury instructions and then you two, I assume, are
- prepared to make closing arguments?
- 9 MR. ROCHE: Yes.
 - MR. LEAMON: Yes.
- 11 THE COURT: All right. Then as soon as we get
- these prepared, we'll get the jury in here.
- You may be seated. The record will reflect the
- 14 presence of the Defendant and counsel.
- 15 Counsel, will you stipulate to the presence of
- 16 the jury?
- 17 MR. LEAMON: Yes, Your Honor.
 - MR. ROCHE: Yes, Your Honor.
- THE COURT: Mr. Leamon, do you have any evidence
- 20 to present?
- MR. LEAMON: We do not, Your Honor. We
- 22 (indiscernible).
- THE COURT: The record will reflect that the
- Defendant has rested its case in chief. At this point, the

Page 184

evidentiary portion of the trial is closed and I will give to you the jury instructions. These instructions are quite 2 complicated, some are really lengthy, some are no more than 3

4 one sentence.

24

8

12

14

17

5 I wish I could do it a little more informally, but nearly every word is important, so I need to read these to 6 7 you verbatim.

If you feel that I have said something different 8 than what is in the written instructions and you will have 9 10 those when you go back in the jury room, you need to rely on the written instructions, not what I may have said. We'll 11 have several copies back there for you. 12 13

Instructions number 1 and 2 have already been given, so I'll start with instruction number 3. This is a prosecution by the State of Nevada against the Defendant, Sarah Elizabeth Gravelle.

The Criminal Information, omitting formal parts, reads as follows:

18 Count I, possession of a controlled substance, a 19 20 category E felony, as defined by NRS 453.336. That the 21 Defendant did unlawfully and knowingly or intentionally possess actually or constructively methamphetamine, a 22 23 controlled substance.

To the crime, the Defendant has entered a plea of

weighty affairs of life. 1

If the minds of the jurors after the entire 2

3 comparison and consideration of all the evidence are in such a

condition that they can say they feel an abiding conviction of 4 5 the truth of the charge, there is not a reasonable doubt.

6 Doubt to be reasonable must be actual, not mere

possibility or speculation.

8 Instruction number 8. Every person charged with a commission of a crime shall be presumed innocent until the 9 10 contrary is proved by contrary evidence beyond a reasonable doubt. 11

This is a presumption of law with which the Defendant is clothed and it abides with the Defendant throughout the entire trial of the case until it is overcome by competent evidence sufficient in your minds to establish the Defendant's guilt as to the crime charged.

In determining the guilt or innocence of the

18 Defendant, it is not necessary that she establish innocence. 19 But it is sufficient in order to warrant an acquittal if a

20 reasonable doubt exists in your minds as to guilt and it makes

21 no difference whether the reasonable doubt thus created exists 22

or is established from the evidence produced object the part 23 of the State or that produced on the part of the Defendant or

from the lack of evidence or its unreliability or weight.

Page 187

- not guilty. Upon the issue thus joined, the burden is on the State of Nevada to prove her guilty of the crime charged 2 beyond a reasonable doubt.
- 3
- Instruction number 4. In order to find the 4
- 5 Defendant guilty of the charged offense of possession of a controlled substance, the jury must conclude that each of the 6
- 7 following elements has been proven beyond a reasonable doubt.
 - One, that the Defendant, two, knowingly or
- 9 intentionally, three, possessed either actually or
- constructively, four, a controlled substance or any mixture 10 11 which contains any such controlled substance.

The failure to prove any element beyond a reasonable doubt must result in a verdict of not guilty of this charge.

Instruction number 5. To warrant a conviction of 15 any crime, the Defendant must be proven guilty beyond a 16 reasonable doubt of each and every element of the crime. The failure to prove any element of a crime beyond a reasonable 18 doubt must result in a verdict of not guilty of that crime. 19

20 Instruction number 6. Methamphetamine is a controlled substance which is listed in Schedule I. 21

Instruction number 7. A reasonable doubt is one 22 based on reason. It is not a mere possible doubt, but is such 23 a doubt as would govern or control a person in the more

- Instruction number 9. In every crime or public 1
- offense, there must exist a union or joint operation of act and intention. 3
- Instruction number 10. Intention is manifested 4
- by the circumstances connected with the perpetration of the
- 6 offense and the sound mind and discretion of the person
- 7
- Instruction number 11. The law recognizes two 8
- 9 kinds of possession. Actual possession and constructive
- possession. A person who knowingly has direct physical 10
- 11 control over a thing at a given time is then in actual
- 12 possession of it.

13 A person who all though not in actual possession, 14 knowingly has both the power and the intention at a given time

15 to exercise dominion or control over a thing, either directly or through a person or another persons, is then in 16

17 constructive possession of it.

18 The law also recognizes that possession may sole or joint. If one person has possession of a thing, possession 19 20 is sole. If two or more persons share actual or constructive possession of a thing, possession is joint. 21

You may find that the element of possession as that term is used in these instructions is present. If you find beyond a reasonable doubt, that a Defendant had actual or

22

Page 188

1 constructive possession, either alone or jointly with others.

2 Instruction number 12. Mere presence in the area

- 3 where the narcotic is discovered or mere association with the
- person who does control the drug or the property where it is 4
- 5 located is insufficient to support a finding of possession.
- Instruction number 13. You may not infer that
- 6 7 the Defendant is guilty of participating in criminal conduct
- merely from the fact that she was present at the time the 8
- crime was being committed and had knowledge that it was being 9
- 10 committed.
- Instruction number 14. Intent maybe proven by 11
- circumstantial evidence. It rarely can be established by any 12
- 13 other means. While witnesses may see and hear and thus be
- able to give direct evidence of what a Defendant does or fails 14
- 15 to do, there can be no eyewitness account of a state of mind
- which with the acts were done or omitted. But what a 16
- Defendant does or fails to do may indicate intent or lack of 17
- 18 intent to commit the offense charged.
- 19 In determining the issue as to intent, the jury
- 20 is entitled to consider any statements made and acts done or
- omitted by the accused and all facts and circumstances in 21
- 22 evidence which may aid determination of state of mind.
- 23 Instruction number 15. The Defendant's knowledge of the nature of the controlled substance in this case maybe

- that part which you find to be true.
- 2 Instruction number 18. The fact that the Court
- 3 has admitted into evidence the alleged confession or admission
- of a Defendant does not bind the jury to accept the Court's 4
- conclusion and the jury, before it may take the confession or
- 6 admission into consideration, must for itself find whether or 7 not it was a voluntary confession or admission.
- 8 If the jury concludes that a confession or
- admission was not made voluntarily, it is the duty of the jury 9
- 10 to entirely disregard the same and not consider it for any
- 11 purpose.
- 12 Instruction number 19. You have heard evidence
- 13 that a witness made statements on an earlier occasion which
- 14 counsel argues are inconsistent with his or her trial
- 15 testimony.
- 16 If you find that the witness made earlier
- 17 statements that conflict with his or her trial testimony, you
- 18 may consider that fact in deciding how much of his or her
- 19 trial testimony, if any, to believe.
- 20 In making this determination, you may consider
- 21 whether the witness purposely made a false statement or
- 22 whether it was an innocent mistake, whether the inconsistency
- 23 concerns an important fact, or whether it had to do with a
- small detail.

- Instruction number 16. Possession of a 3
- controlled substance is a specific intent crime. Specific
- intent means the intent or act of disease to accomplish a
- 6 precise criminal active or forbidden objective, not merely an
- intent to do an act. 7
- Instruction number 17. A statement made by the 8
- 9 Defendant over than at this trial maybe an admission or a
- confession. 10
 - An admission is a statement by the Defendant
- 12 which by itself is not sufficient to warrant an inference of
- guilt, but which tends to prove guilt when considered with the 13
- 14 rest of the evidence.
- 15 A confession is a statement by the Defendant
- which discloses intentional participation in the criminal act 16
- 17 for which she is on trial and which discloses guilt of that
- crime. 18
- 19 You are the exclusive judges as to whether an
- 20 admission or a confession was made by the Defendant. And if so, whether such statement is true in whole or in part. 21
- If you should find that any such statement is 22
- entirely untrue, you must reject it. 23
 - If you find it is true in part, you may consider

- Whether the witness had an explanation for the
- inconsistency and whether that explanation appealed to your
- 3 common sense.
- 4 It is exclusively your duty based on all the
- evidence and your own good judgment to determine whether the
- 6 prior statements were inconsistent.
- If you find that a witness made prior 7
- 8 inconsistent statements, it is your duty to determine how
- 9 much, if any, weight to be given to the inconsistent
- statements. 10
- 11 Evidence that at some other time a witness made a
- 12 statement or statements that is or are inconsistent with his
- 13 or her testimony in this trial maybe considered by you for not
- 14 only the purpose of testing the credibility of the witness but
- 15 also as evidence of the truth of the facts as stated by the
- 16 witness on that former occasion.
- 17 Instruction number 20. A witness willfully false
- in one material part of his or her testimony is to be 18
- distrusted in others. 19
- 20 You may reject the whole testimony of a witness
- 21 who willfully has testified falsely as to a material point
- 22 unless from all the evidence you shall believe the probability
- 23 of truth favors his or her testimony and other particulars.
 - However, discrepancies in the testimony of a

- 4 Failure of recollection is not uncommon. It is a
- 5 fact also that two persons witnessing an incident or a
- 6 transaction often will see or hear it differently.
 - Whether a discrepancy pertains to a fact of
- 8 importance or only a trivial detail should be considered in
- 9 weighing its significance.
- Instruction number 21, you have heard the
- 11 testimony of a law enforcement official. The fact that a
- 12 witness maybe employed as a law enforcement official does not
- mean by that his testimony is necessarily deserving of or more
- or less consideration or greater or lessor weight than that of
- 15 an ordinary witness.
- At the same time, it is legitimate for Defense
- 17 counsel to try to attack the credibility of a law enforcement
- 18 witness on the grounds that his testimony maybe colored by a
- 19 personal or professional interest in the out come of the case.
 - It is your decision after reviewing all the
- 21 evidence whether to accept the testimony of the law
- 22 enforcement witness and to give to that testimony whatever
- 23 weight if any you find it deserves.
- Instruction number 22. A person is qualified to

- 2 weight to which you find it to be entitled.
- 3 Instruction number 25. Except as authorized by
- 4 law, it is unlawful for any person to possess a controlled
- 5 substance.
- 6 Instruction number 26. The amount of a
- 7 controlled substance needed to sustain a conviction of a
- 8 person for the offense of possession of a controlled substance
- 9 is that amount necessary for identification as a controlled
- substance by a witness qualified to make such an identification.
- 12 Instruction number 27. You are here to determine
- 13 the guilt or lack of guilt of the Defendant from the evidence
- 14 in the case. You are not called upon to return a verdict as
- to the guilt or lack of guilt of any other person.
- So, if the evidence in the case convinces you
- 17 beyond a reasonable doubt of the guilt of the Defendant you
- 18 should so find even though you may believe one or more persons
- 19 are also guilty.

20

- Instruction number 28. It is the constitutional
- 21 right of the Defendant in a criminal trial that she may not be
- 22 compelled to testify. Thus the decision as to whether she

- 6 To assist you in deciding such questions, you may

 - You may also consider the qualifications and

- 8 If you can do so without violence to your

- However, you should not be influenced to vote in

- to the Defendant as well an as to the State of Nevada.
- 2 Both the State and the Defendant have a right
- that you determine and they do so and demand and expect that 3
- 4 you will carefully and dispassionately weigh and consider the
- 5 law of the evidence of the case and give each a conscientious
- judgment and that you will reach a verdict that will be just
- 7 to both sides, regardless of what the consequences maybe.
- Instruction number 31. If during your 8
- 9 deliberation you should desire to be further informed on any
- 10 point off law or hear again portions of the testimony, you
- must reduce your request to writing signed by the foreperson. 11 The officer will then return you to court where 12
- the information sought will be given to you in the presence of 13
- and after notice to the State and the Defendant and counsel. 14
- 15 Play backs of testimony are time consuming and
- are not encouraged unless you deem it an exhibit necessity. 16
- 17 Should you desire a play back, you must carefully describe the
- 18 testimony to be played back so that the Court report recorder
- can arrange her notes. Remember the Court is not at liberty 19
- 20 to supplement the evidence.
- 21 Instruction number 32. The Court has already
- instructed that you are made the sole judges of the testimony 22
- 23 and of the weight to be given the same.
- In determining questions of fact presented in 24

- dated by your foreperson, you will return all verdict forms to
- 2 the court.
- 3 Instructions number 1 through 35, given this 20th
- day of February, 2019, and I am signing the jury instructions
 - as Nancy Porter, District Judge.
- Mr. Roche, you may present your closing argument.
- 7 MR. ROCHE: Ladies and gentlemen, the Judge has
- just read you the jury instructions. They will govern the
- decision that you're going to make. And you will have them 10
- with you as you deliberate with one another. I don't want to take a whole lot of time right 11
- now. I'm just going to briefly touch on a few of those 12
- 13 instructions and before you adjourn.
- The first instruction I want to talk about is 15 instruction number four, and that instruction sets forth the
- elements that the State of Nevada has to prove beyond a 16
- reasonable doubt in order to find the Defendant guilty. 17
- 18 You've been instructed that in this case, the
- 19 State has to prove that this Defendant knowingly or
- 20 intentionally possessed either actively or actually or
- 21 constructively a controlled substance.
- 22 Some of the elements are not really in dispute in
- 23 this trial. Officers Taylor and Pinkham both testified that
- Sarah Gravelle was driving the vehicle that they stopped and

14

Page 199

- this case, you should be governed solely by the evidence 1
- introduced and admitted before you. 2
- 3 You are to bring to the consideration of the
- evidence before you your every day common sense and judgment
- as reasonable men and women. 5
- 6 Instruction number 33. Statements by the
- attorneys during the trial are not evidence. However, if the 7
- 8 attorneys had stipulated or agreed to a fact as stated to you
- 9 by the Judge, you must regard that fact or facts as proven.
 - Instruction number 34. Possible verdicts are set
- 11 forth in the verdict form which you will receive. If you all
- have agreed upon your verdict the foreperson shall sign the 12
- verdict form and notify the bailiff. 13

evidence and the law.

- 14 Instruction number 35. Ladies and gentlemen, it
- takes 12 or all of your number to agree upon your verdict in 15 this matter. 16
- 17 When you have agreed upon your verdict, you will
- have the verdict agreed upon signed by the foreperson and 18
- returned to the court. 19
- 20 In determining whether the Defendant is guilty or not guilty of the charge against her, you will follow the 21
- You will choose your own foreperson and when you 23 have agreed upon your verdict and your verdict is signed and

- Nicholas Dunn was a passenger and so her identity is really not an issue. 2
- 3 You heard from Brad Taylor that he performed
- testing on the white baggy of crystalline substance found in
- the vehicle and that he's a hundred percent certain that it
- was methamphetamine. I don't expect there to be much dispute
- about the fact that the substance in the baggy was
- 8 methamphetamine.
- 9 And you have jury instruction number six which
- states explicitly that methamphetamine is a Schedule I 10
- controlled substance. So I don't think there's going to be 11 12 much dispute about that fact.
- So the issue you have to decide in this case is 13
- 14 whether the Defendant, Sarah Gravelle, knowingly or
- intentionally possessed methamphetamine and she can do that 15
- actually or constructively and the State would assert that 16 17 we've proven that beyond a reasonable doubt.
- 18 And jury instruction number 11 talks about
- possession. Possession can be actual or it can be 19
- 20 constructive and in this case the drugs were not found on Ms.
- 21 Gravelle's person. She wasn't carrying them or holding them.
- 22 And so we're not asserting that she actually possessed them, 23 the State asserts that she constructively possessed the
- controlled substance in this case.

10

Page 203

Page 200

- They were found in a pink eyeglass case in the
- 2 backpack on of the floor of her vehicle that she was driving
- 3 and the assertion is going to be made that they weren't hers,
- 4 they were Mr. Dunn's.
- 5 So how do we know that these drugs were hers and
- they were not her passenger's. There's going to be several 6
- 7 things that inform that decision. It was her vehicle. She
- 8 was the only person in the vehicle who wears eyeglasses. The
- eyeglasses case was pink and I don't want to be 9
- 10 stereo-typically gender stereo type, I have a pink tie on, but
- that's just one of many factors to consider whose eyeglass 11
- 12 case was that.

16

7

14

- 13 There was a plunger out of a syringe that was
- found on her person and the needle cap from the syringe was 14
- 15 found with the drugs.
 - There were multiple receipts in the backpack with
- her name on them. This were no receipts found in the backpack 17 with anyone else's name on them other than hers. 18
- 19 There was a marijuana pipe found in the backpack,
- 20 there's nothing wrong with that, it's not illegal. But
- Officer Taylor asked her whose is this and she said it was 21
- 22 hers. So items that belong to Ms. Gravelle and no one else
- were found in the backpack. 23
- And so based on those, you could reasonably 24

- Mr. Dunn (indiscernible) testimony was also a known user of
 - narcotics.
- 3 So the State submits that the facts that I just
- went over are clear that the drugs belong to Mrs. Gravelle,
- Ms. Gravelle they were in her backpack with her possessions.
- But if you're not convinced of that fact, it's
- also possible that both parties in the vehicle had
- constructive possession of those drugs. You think about the
- circumstances of the offense, it's possible that they were out
- 10 together with the intention of possessing or using those
- 11 narcotics.
- 12 Her mere presence with somebody else possessing
- 13 narcotics is not sufficient to sustain a conviction, but
- that's not what we have in this case. We have most the 14
- 15 evidence suggesting that it's her narcotics and it's possible 16
 - that they were his as well.
- 17 Even if that's true, jury instruction number 27
- 18 will explain to you that if you believe someone else might be
- 19 guilty, that doesn't stop you from finding this Defendant
- 20 guilty beyond a reasonable doubt and so it's possible on the
- 21 jury instruction on possession will tell you about joint
- possession, constructive possession doesn't have to be sole, 22
- it can also be sole. 23
 - The State must also prove that the drugs were

24

- 1 conclude that that was her backpack and the contents of the
- 2 backpack belonged to her.
- Now, there's going to probably be some argument 3
- that when Mr. Dunn was fishing around in the passenger seat of 4
- 5 the vehicle during the initial traffic stop that he maybe
- planted those drugs or placed them there. 6
 - So what facts are there that would lead you to
- know that's not the case. There were several. Officer Taylor
- 9 testified he was in plain view of him when he approached the
- 10 vehicle and he saw when those movements were made and Mr. Dunn
- 11 was reaching with his left-hand next to his seat, possibly
- 12 underneath his own seat but not behind him or over the console
- in the middle to get into the backpack in the back. 13
 - The other facts that were testified to were that that backpack was closed. The eyeglasses case was closed.
- 15 16 And inside that eyeglasses case there was a Ziploc baggy that
- was tested and proved to be methamphetamine. 17
- There's also a small container, you'll have 18
- pictures of that with you in the jury room that also contain a 19
- small white baggy that was NIK tested and presumed to be 20 positive for methamphetamine. 21
- 22 Moreover, Ms. Gravelle and Mr. Dunn were
- traveling in a vehicle together at 2 o'clock in the morning 23 and Miss Gravelle admitted to being a user of methamphetamine.

- possessed knowingly and intentionally so they weren't just
- there accidentally or the Defendant didn't have them and not 3 know what they were.
 - In addition to the fact as we already talked
- 4 5 about, but they were tucked away in her personal property with
- her personal items. We have the fact that she admitted that
- she was a user of methamphetamine. She knew what it was. She
- had used it not that long before and you heard Officer
- 9 Taylor's testimony about when that topic came up in that
- 10 conversation her behavior changed she became nervous. She
- 11 started stuttering, she began bouncing her knee. She started
- 12 exhibiting signs she was nervous because of the conversation 13 she was having with Officer Taylor.
- 14 Based on that, we know that, you know that she
- 15
- was aware of the contents of her own possession. Those drugs weren't there by accident she knew they were this. She
 - intentionally had constructive possession of methamphetamine.
- 18 That's the elements necessary for a conviction in this case.
- 19 She also offered up some irrelevant information. 20 She volunteered the information that she had a marijuana pipe
- 21 which isn't relevant to anything she was asked suggesting that
- 22 she was attempting to distract Officer Taylor from getting to
- 23 the heart of the matter and finding out what she already knew
 - was which is that there was methamphetamine in her possession

Page 204

- in the vehicle that she was driving.
- 2 Jury instruction number 14 will state that intent
- 3 is rarely proven by direct evidence. No one can read your
- 4 mind, tell you what you were thinking, you look at the
- 5 circumstances of what was happening and you infer from those
- 6 circumstances what somebody's intent was.

7 Based on the facts this case, you can reasonably

- 8 infer she knew that methamphetamine was there and she
- 9 possessed it intentionally.
- So in conclusion, I just want to submit that the
- State has proven (indiscernible) evidence at this trial that
- beyond a reasonable doubt that Miss Sarah Gravelle had
- methamphetamine in her constructive possession and she did so
- 14 knowingly and intensionally and so we would ask you to find
- her guilty of the charge in this case.
- THE COURT: Mr. Leamon, you may make your closing
- 17 argument.
- MR. LEAMON: Thank you. So the State has not met
- 19 the burden in this case. The State has to prove each and
 - every element of this crime beyond a reasonable doubt. That
- 21 is the highest burden we have in the law and they have not
- 22 done so.
- And it's also important to remember it's the
- State's burden to prove this case. It's not Miss Gravelle's

- 1 They presented -- their expert testified I don't
- 2 know what this is. And he's the one that's qualified to make
- 3 that determination. He's the one that went to school. He's
- 4 the one that runs the scientific test. This item was not
- 5 tested for whatever reason.
- 6 But, really the heart of this case goes to
- 7 questions, questions that have not been answered. First and
- foremost, the biggest question that has not been answered iswhat was Mr. Dunn doing when that stop happened.
- We heard Officer Taylor testify that he probably
- 11 followed the vehicle a couple of blocks before he initiated
- the stop. This is night, it's 2 o'clock in the morning. So
- 13 we do know that Mr. Dunn recognized that there was an officer
- 14 a few car length back.
- And then when Officer Taylor testified when they
- 16 did come to a top he saw Mr. Dunn making erratic movements
- 17 with his left-hand enough to where Officer Taylor testified I
- 18 was worried he could have been stashing something.
- Now, what could he have been stashing? And he specifically asked whether anything of evidentiary value was
- 21 found on Mr. Dunn's person. They did not find any weapons on
- 22 Mr. Dunn when they patted him down. They did not find any
- 22 Mr. Dunii when they patted inin down. They did not find an
- 23 drug paraphernalia, anything like that.
- I asked him, did you take special care to note to

Page 205

Page 207

- 1 burden to prove that she's innocent of the charges. It's the
- 2 State's burden to prove each and every element has been met
- 3 beyond a reasonable doubt.
- 4 So I want to kind of start off with where the
- 5 State left off. They were talking about how both parties
- 6 could possibly be in possession of this. And some of the
- 7 drugs were Mr. Dunn's, Dunns's (pronouncing), maybe some were
- 8 Ms. Gravelle's if you were to believe that presumption, which
- 9 we don't necessarily, we'll get into that part in a minute,
- but if that were the case, the State has not proven that they
- actually both substances were methamphetamine.
 - We had Brad Taylor get up here, and for whatever
- reason they only decided to test one of the substances, and the State's expert got up here and said in regards to I
- the blate's expert got up here and said in regards to r
- believe it was Exhibit 3, I did not test that. I cannot say
- one way or another whether this item was, in fact, methamphetamine.
- So for the State's last argument that they both
- 19 possessed it, we don't know that both items were
- 20 methamphetamine. They were packaged in different packages. I
- 21 believe one was in a baggy, one was in a tin. If you believe
- 22 the State's argument then there is a big doubt an as to
- whether or not that item in the other container was
- 24 methamphetamine.

- search the area where Mr. Dunn was sitting because he was
- 2 making those movements. Did you specifically check out that
- 3 area because there was suspicious activity around that. They
- 4 said they did and they didn't find anything that area.
- 5 So we have a big unanswered question what was Mr.
- 6 Dunn doing? And the State has not provided evidence of what
- 7 he was doing and it's the State's burden to make this case.
- 8 They could have called Mr. Dunn as a witness. He's in the
- 9 Elko County jail right now. Now, it's the State's decision
- 10 who they want to call to testify.
- 11 They could have called him up here to testify and
- 12 he could have said, yes, they were mine, yes. They were Miss
- 13 Gravelle's, but we don't because the State did not call him.
- 14 The State didn't do a lot of things in this case.
- I asked did you try to fingerprint anything
- involved in this case. They said, no. They have that
- 17 capability they admitted. I asked them why. They said on
- 18 simple possession cases we don't do this, essentially saying
- 19 it's not important that we do this. Well, it's important to
- 20 Miss Gravelle.
- They also could have tested the evidence for DNA.
- They said they have that capability. They chose not to do it.

 Had they done to so, presumably we would have known who
- 24 handled that eyeglasses case, we would have known if it was

Min-U-Script®

Mr. Dunn, we could have known if it's Miss Gravelle. They did

2 don't that. It wasn't important enough to do that. It's

important to Miss Gravelle. 3

So what do we know about Nicholas Dunn from the 4 State's testimony they elicited Officer Taylor testified he is

a known methamphetamine user. Now apparently he also uses

heroin. But Officer Taylor testifies one, he's a known

8 methamphetamine user. What else do we know? From Officer

Pinkham's testimony, we know he keeps his drugs in an 9

10 eyeglasses case. He was arrested just a few weeks ago, they

searched him low and behold they find drugs in his eyeglasses 11

case. Where were the drugs found in this case? In an 12 13 eyeglasses case.

We know he was making erratic movements with his left hand. Now, the State has submitted that Officer Taylor

can see each and everything and knows whether or not he could

17 get to the backpack or not, but I asked Officer Taylor, you

know, is this speculation or do you know for sure whether or 18

19 not he could have got to that. And he said it was

20 speculation, that he would have had to go away -- go over the 21

top. He doesn't know whether or not he could have got to it

22 some other way.

14

15

16

9

10

14

15

16

17

18

23 Where were the eyeglasses found, in the top of

the backpack. So if somebody was stashing them there, that's

either directly or through another person or persons is then

in constructive possession of it. 3

We've had no evidence that Miss Gravelle had any intention to exercise control over this issue. And the State has made a big deal of the fact that Miss Gravelle was

apparently nervous during this encounter.

Well, one I asked Officer Taylor about his 7

8 report. He wrote a report directly after this happened and no 9 where I had him read the report and he confirmed no where in 10 that report did it mention that Miss Gravelle was nervous at

any time. So why did we just now hear about that? Why was 11 12 that fact not his report if she was nervous.

Instruction 13. You may not infer that the 13

14 Defendant is guilty of participating in criminal conduct

15 merely from the fact that she was present at the time that the

16 crime was being committed and had knowledge that it was being 17 committed.

So that leaves open the possibility that maybe

19 Miss Gravelle saw what Mr. Dunn was doing. So maybe she knew

20 what he was doing and knew that there were drugs in her

backpack, but they were Mr. Dunn's drugs so that could account 21 for her being nervous, we don't know. 22

23 But it's the State's burden to answer these

questions, it's not Miss Gravelle's and just because she 24

Page 209

18

7

11

naturally where they would be at the top. 1

Officer Pinkham testified I did not have to dig 2

around the backpack to find them. They were right there in 3

the top part of the biggest compartment. So we have 4

5 unanswered questions here.

Like I said, I think it's very important that 6

Officer Taylor used the term stash, because that's what we

believe happened in this case. 8

We believe that Mr. Dunn saw law enforcement

behind him, decided to stash his drugs and put them in the

closest place where he could hide them and that's in that 11 backpack, and that's why he was making the movements that he

12 was making when Officer Taylor stopped him. 13

Like I said, nothing was found on his person,

nothing was found in the vicinity of where he was at. So what was he doing if not trying to put up his narcotics which we

know he's a user of.

So when you go in to deliberate, there's a couple of important instructions that I would like you to consider.

19 20 First is the constructive possession, 11. It states that

possession maybe sole or joint. 21

22 But it says a person who all though not in actual

possession knowingly has the power and the intention at a

given time to exercise dominion and control over a thing

1 associates with a known drug user, the instructions state that you cannot use that to infer that she is guilty of this.

3 So we think that the State has not answered all

of these questions and there's a reasonable doubt that Mr.

Dunn was the one who had these drugs and he was stashing these

6 drugs and that is what he was doing.

That's the one question that the State has never

been able to answer what was Mr. Dunn doing and we conclude, 8

9 we believe that establishes reasonable doubt which would

require you to find Miss Gravelle not guilty. 10

Thank you.

12 THE COURT: Mr. Roche, you may make your final 13 argument.

14 MR. ROCHE: There's been a lot that was just said about Mr. Dunn and what he was doing because no contraband was 15 found on him. But the testimony at trial was that he was 16

17 subjected to a pat down search for weapons.

18 He was not subject to an intensive search on his person for the possession of narcotics or drugs, so who knows 19 he might have had drugs on his person. He wasn't -- a pat 20

21 down search doesn't find drugs.

22 It's a pat down on the outside of someone's 23

clothing to determine if they are in possession of a weapon and you heard that from Officer Taylor and Officer Pinkham.

Page 212

So that isn't really the State's burden to prove 1 2 what Mr. Dunn was doing. We don't know what he was doing. We 3 do know Officer Taylor kept him in close observation the

entire time he approached the vehicle and none of the 4 5 movements were consistent with reaching behind his seat and

planting evidence in a backpack. 6

7 And that's particularly, you look at that fact in 8 combination with the actual contents of that backpack and you can rid yourself of any speculation about what are those drugs 9 might have come. The jury instructions that you received tell you to use your common sense and you're allowed to use your 11 12 common sense.

13 In that backpack, there were receipts with Miss Gravelle's name on them, you'll have them in the jury room. 14 You'll have the photographs of those receipts and you'll also have the actual receipts them self in an evidence bag where 16 you can look at them. Her name was found in the backpack, 17 that's pretty damming.

18 Not only that, the marijuana pipe that she stated 19 20 herself was hers was found in the backpack. And it was her 21 vehicle. And she, there was some comment made about how there was no evidence that she had intent to exercise control over 22 23 that backpack because that's not true. The State has listed up all the evidence all the 24

evidence in front of you at there trial that that's the case.

Use your common sense. Consider all the evidence that was

3 presented to you and review the evidence that you will have

with you in the jury room of all those items that were found 4 5

in the backpack.

6 Not a single item in that backpack has been

7 presented to you that Officer Taylor nor Pinkham found

8 anything that had Nicholas Dunn's name on it in the backpack

to him and they found multiple items in that backpack that 10 tied possession of that backpack to Miss Gravelle, the driver

11 of the vehicle in question.

12 So we would ask you again to find her guilty 13 beyond a reasonable doubt of possession, constructive possession of methamphetamine. 14

Thank you.

16 THE COURT: Bailiff and law clerk will come 17 forward and take an oath.

THE COURT: Thank you. From now on, the jury will be in the custody of the bailiff and the law clerk. The alternate will wait outside the jury room and will not participate in deliberations unless she is needed to replace a juror.

23

24 If you need any assistance from the court please

notify the bailiff who will notify me and I will in turn 1

notify counsel.

You will have the original form of verdict and 3

jury instructions. I will need those back. When you reach a decision your original verdict must be signed and dated by

6 your foreperson. The Court will be in recess a waiting the

7 verdict of the jury.

(Recess.)

8

9 THE COURT: You may be seated. The Defendant and counsel are present. We are outside the presence of the jury. 10

11 The jury went out almost two hours ago. After they had been

12 out maybe an hour, they provided a question to the Court that

said why was Exhibit Number 8 not presented in court? 13 14

Are the jurors able to see photo number eight? 15 And it's signed by the foreperson, dated today's

16 date.

17 That note came back to me with the exhibit list that the clerk had been keeping through out the trial. It 18

says, Plaintiff's exhibits, Daniel M. Rausch, number 1987 and 19

20 it has all of the exhibits that were marked by the State.

I'll also (indiscernible) Defendant's exhibits, Phillip 21

22 Leamon, number 18 and number six.

23 So it has the list of all the exhibits that the clerk marked and it indicates which ones were admitted.

evidence that shows her intent. It was her backpack. It was 1 her possessions her items were in there. Items that she told 2 the officers were hers were in that backpack. 3

4 There was a question asked and I'm sorry, they go 5 why do we just hear about her being nervous? We didn't just 6 hear about her being nervous. Officer Taylor was

cross-examined about his testimony at the preliminary hearing 7

where he also talked about her being nervous. 8

9 The fact that he didn't note it in his initial report does not mean by that this is the first time we're 10 hearing about her behavior. 11

He was cross-examined at a previous hearing by this same attorney and asked about her nervous necessary and he read part of that transcript of the hearing to Officer Taylor on the stand and you heard that exchange.

He has testified every time he has testified that the Defendant acted nervous when they started discussing her prior use of methamphetamine and whether there were narcotics in the vehicle.

20 And that goes to show circumstantial evidence of her intent and knowledge that she was in constructive 21 possession of methamphetamine. 22

23 She was nervous, the defense speculates because she knew what Mr. Dunn had done. But there's simply no

- 8 A JUROR: JOC, no.
- 9 THE COURT: When you and the jurors were

- A JUROR: I did, yeah, it was tough.
- THE COURT: It was tough, why was that?
- 14 A JUROR: Because (indiscernible) everybody

- THE COURT: Are you satisfied with your verdict

- 18 A JUROR: Not really.
- THE COURT: The verdict was unanimous. So at

 - A JUROR: No, I don't remember.
- THE COURT: And it seems to me that English is

 - A JUROR: It's not, yes.
- THE COURT: Was there anything that went on in

- 18 A JUROR: No.

15

- THE COURT: Mr. Leamon, any questions?
- 20 MR. LEAMON: Yes.
- 21 EXAMINATION
- 22 BY MR. LEAMON:
- 23 Q. I know this has been a long time so it's probably
- hard to remember specifics. But you've been asked questions

Page 38

- 1 A JUROR: No, not at all.
- 2 THE COURT: So, if you had to do it again today,
- 3 with the evidence you had, would you still vote guilty?
- 4 A JUROR: Yes.
- 5 THE COURT: So I think what you're telling me is
- 6 was just a hard thing to do to sit in judgment of another
- 7 person?
- 8 A JUROR: Yes, it was.
- 9 THE COURT: I understand that.
- Did that list of exhibits have any impact on the
- 11 verdict?
- 12 A JUROR: Yes.
- THE COURT: And what was that?
- A JUROR: It was evidence, pictures.
- THE COURT: There were anything on the exhibit
- list that you did not have in the jury room.
- Was there a discussion about that?
- A JUROR: I don't remember.
- THE COURT: Did the fact that you didn't have all
- of those things in the jury room affect your decision?
- A JUROR: I Guess.
- THE COURT: And how was that?
- A JUROR: It was -- something was (indiscernible)
- 24 we were talking about all the jurors, but I don't remember

- about whether this was a close case and whether it was a tough
- 2 case to decide.
- 3 So if you can remember back to the trial, there
- 4 was discussion about maybe the drugs belong to another person.
- Do you remember that argument being made at the
- 6 trial?
- 7 A. What was the question again?
- 8 Q. So do you remember this argument about that
- 9 perhaps the drugs belonged not to Miss Gravelle, but to
- somebody else?
- 11 A. Yes, I remember that.
- 12 Q. Do you remember that being discussed in the jury
- 13 room?
- 14 A. Yes.
- 15 Q. Did anybody yourself included thing that the
- 16 drugs could have belonged to another person?
- 17 A. Yes, it could be.
- 18 Q. Okay.
- 19 A. I don't know.
- MR. LEAMON: Thank you. Nothing further.
- THE COURT: Mr. Roche, any questions?

- 24 Q. There's been some questions about whether the

- list of exhibits affected the verdict, and it sounded to me
- like there might have been some confusion, because whenever
- you were asked you would talk about the bags that had the
- 4 evidence and the photographs.
- Did the white piece of paper with the list on it 5
- affect your verdict, or was it the actual evidence that you 6
- considered? Or both?
- 8 A. I think both.
- 9 Q. In what way did the white piece of paper with the
- list on it affect your verdict?
- 11 A. I think it was a picture of something that -- but
- I don't remember what it was. It was a picture we compared, I
- think it was. It was a case with sunglasses or something like 13
- that, but it's kind of like a different color, or I don't 14
- know, it was weird to me. But I don't know. 15
- It was like, because (indiscernible) of the --16
- I'm a photographer, you know, and we were comparing the 17
- pictures and in the light and it was kind of, I don't know,
- kind of different to me, both pictures and it's what I 19
- remember. 20
- 21 Q. You remember talking comparing a picture with the
- actual item?
- 23 A. I think so, or an item or I don't -- with another
- picture, I don't really remember.

- 8 you what's on it.
- 9 Q. Yeah, I understand. It's been quite a while
- 10 since we were at trial.
- So was it your assumption that everything listed
- on the exhibit list, I mean everything listed on the exhibit
- 13 list, I know this sounds weird, existed that these were all
- 14 things that were related to the case?
- 15 A. I assume they were related to the case, because
- they were on the exhibit list. Beyond that, nothing.
- 17 Q. Okay. And I know there's not a lot talk about
- 18 the photographs but do you, and I know it's been a long time,
- 19 but do you remember discussing all of the items and I guess,
- 20 did the jury as whole go one by one through the exhibit list
- and kind of discuss each item or do you remember?
- 22 A. The only thing that I can remember off of that is
- 23 we discussed the glasses case, beyond that I don't remember
- 24 any pictures or anything like that.

- 1 A JUROR: The rest of them looked scared, I
- 2 figured it was two words at the most, so --
- 3 THE COURT: Okay.
 - A JUROR: Even in my side is I could volunteer to
- say one or the other.
- 6 THE COURT: Okay, all right. I appreciate you
- 7 being the foreperson.
- 8 You sent out a letter to me asking to see an item
- 9 that was sent back in the courtroom or back to the jury room.
 - Do you remember that?
- 11 A JUROR: Yes.
 - THE COURT: Did you, you must have read that
- 13 list?

4

12

17

20

- A JUROR: Yeah. We just wanted to see what was
- inside the bag fully. After it was taped closed, as a group,
- we were just kind of curious as to what was inside.
 - And then shortly after, they decided to
- 18 deliberate. I'm not really sure we asked the question and
- 19 then decided we were good right afterwards.
 - THE COURT: All right. That list had other items
- on it. Did you discuss anything else on the list other than
- 22 the photograph you wanted to see?
- A JUROR: Just the photograph and the bag with
 - the eye glasses case I do believe was on there as well.

Page 46

- 1 MR. LEAMON: Okay. No further questions.
- 2 THE COURT: Any questions, Mr. Roche?
- 3 MR. ROCHE: No, Your Honor.
- 4 THE COURT: Thank you, Mr. Carpenter, you may
- 5 leave the courthouse.
- 6 A JUROR: Thank you.
- 7 THE COURT: Brad Frandsen.
- 8 BRAD FRANDSEN,
- 9 called as a witness in this matter,
- having been first duly sworn,
- testified as follows:
- 12 EXAMINATION
- THE COURT: Please state and spell your name.
- 14 A JUROR: Brad Frandsen. B-R-A-D.
- 15 F-R-A-N-D-S-E-N.
- THE COURT: You were the foreperson of this jury;
- 17 correct?
- 18 A JUROR: Yes, ma'am.
- THE COURT: My questions really has nothing to do
- 20 with what we're doing here, I'm just curious. How did you
- come to be the foreperson?
- A JUROR: Volunteered.
- THE COURT: I often wondered if people
- volunteered or got drafted or how that really happens.

- THE COURT: Did you realize that there were items
- on that list that you did not have in the jury room?
- 3 A JUROR: No. Not that I recall.
- 4 THE COURT: What impact, if any, did that list
- have on your verdict?
- 6 A JUROR: Mine personally, it didn't -- none of
- 7 that mattered. From what we saw in the room here was where I
- 8 made my decision.
- 9 THE COURT: Did it seem to have affected
- 10 anybody's decision that there are items that you didn't have?
- A JUROR: No. Second set, they deliberated
- 12 quickly after. I mean, it was more of a curious question in
- my opinion than it was anything. Just I think we thought that
- 14 it was odd that we didn't get to see everything as fully as,
- 15 you know, they might show on a TV show, I suppose, from how it
- works here in the court, I guess.
- THE COURT: It's a lot more fun on TV.
 - Do you know what the letters JOC stand for?
- 19 A JUROR: No.
- THE COURT: When the jurors were deliberating,
- 21 did it seem to you that this case was a close call on whether
- 22 the Defendant had been proven guilty beyond a reasonable
- 23 doubt?
- A JUROR: No. I mean, there was plenty of

- discussion on both sides of both what we all thought, I don't 2 think so. It was pretty cut and dry on what we thought.
- THE COURT: Do you know what the letters CR in a 3
- case number mean? 4
- 5 A JUROR: No.
- б THE COURT: Each day there is a list posted
- 7 outside this courtroom and the one across the hall of the
- 8 cases that the court is going to hear that day.
- 9 When were you here for your jury service, did you
- 10 read either of those lists?
- A JUROR: No, I did not. 11
- 12 THE COURT: Any questions, Mr. Leamon?
- 13 MR. LEAMON: No, Your Honor.
- 14 THE COURT: Any questions, Mr. Roche?
- MR. ROCHE: No, Your Honor. 15
- THE COURT: Thank you, Mr. Frandsen. You may 16
- 17 leave the courtroom.
- A JUROR: Thank you. 18
- THE COURT: I think that's everybody anybody else 19
- out there. 20
- THE BAILIFF: There is not. 21
- 22 THE COURT: All right. Argument, Mr. Leamon?
- MR. LEAMON: Yes, Your Honor. Looking at this 23
- case, I first kind of want to discuss the standard of review,

- they looked at how the California Supreme Court had handled
- these kind of cases before, and they approved of language that
- came from California that essentially there's a presumption of
- 4 prejudice and there is evidence of -- not admitted at trial is
- brought into the jury room.

So using the framework of that analysis, and applying it to this case, I think it does require a mistrial.

- 8 So the first questioned is, did the jury receive
- 9 evidence not admitted in trial. And I think that's an
- undoubted yes. I don't think we would be here if we didn't 10
- 11 think that the jury had received evidence.
- 12 Now, did they receive physical evidence that was
- not admitted? Did she receive the actual photographs, no. 13
- 14 But they did learn of the pieces, existence of these items and
- 15 testimony and I kind of liken it to testimony.
- You know they didn't physically see the item, but 16
- 17 they learned about it the same way somebody would learn about
- something through testifying and that's what this exhibit list 18
- 19 did clue them in on the existence of these things that were
- not admitted at trial. So I think the first step of the 20
- 21 analysis is complete.
 - So then we have to go see whether or not the
- 23 State proved beyond a reasonable doubt that no prejudice
 - occurred, and like I said, in these type of situations

Page 50

22

12

16

17

18

Page 52

- 1 and part of the reason for that is in rereading my motion
- today and rereading the State's opposition and rereading the 2
- 3. Winiarz case, this is a very tough standard of review for the
- State to overcome. 4

5

17

- And I know there's a lot of talk about the
- 6 Winiarz factors. And I think the way the opinion is written,
- because most of it is talking about three these three factors, 7
- 8 but really those are factors for an appellate court.
- The trial court, the decision they have to make 9
- is first if the jury is allowed to consider evidence not 10
- admitted at trial. And if they are, a new trial must be 11
- granted and listened to piers beyond a reasonable doubt that 12
- 13 no prejudice has resulted. So in my mind, that means there's
- kind of a two-part analysis and kind of a burden shifting. 14
- First we have to determine whether or not 15
- 16 evidence the jury was presented with evidence and not admitted at trial. If that's the case, I believe the burden then would
- shift on the State to show that beyond a reasonable doubt that 18
- 19 no prejudice resulted as a result of the jury considering the
- 20 inadmissible evidence. And I think Winiarz is probably the 21
- case most on point in Nevada law dealing with the unique
- scenario like we have here. 22
- Furthermore, Winiarz goes on to state that these 23
- kind of cases are difficult and that in examining prejudice,

- prejudice is presumed and I don't think they can meet that
- 3 And looking at it, I think what a close case
- meant to people. I think that kind of meant something
- different to everybody else, but to me, I think the person
- probably most candid on the issue was Miss Torres.
 - First she said it was tough. Then Your Honor
- asked was it tough because of the evidence or just was it a
- 9 personal decision, you know, just to convict somebody is a
- 10 tough decision. And then she said, yeah, it's tough to
- 11 convict somebody.
 - But then I followed up, you know, was there
- 13 discussion, you know, to try to remember back to the trial, 14 you know there was evidence that there was another person in
- 15 the car and who the drugs could have belonged to.
 - And I asked her, you know, do you believe that those could have been his drugs, and she said, yeah, it could have.
- 19 I mean, to me, that sounded like a reasonable
- doubt, but I think that certainly weighs in the favor of this 20
- 21 being a close case. But again, those are the Court's job is
- to determine whether the State proved the case beyond a 22
- 23 reasonable doubt and those other Winiarz factors, I think they
 - are informative, but they're not dispositive of the case that

1

1 would be if Your Honor did not declare a mistrial.

That's the standard of the review of the Supreme

- 3 Court or the Court of Appeal appeals is using whether to
- 4 determine whether this Court erred in not granting a mistrial.
 - And I think I myself got caught up in that
- language, because that's the majority of the opinion talking 6
- about these factors. 7
 - Going back to the argument, there was
- 9 (indiscernible) motion. Most of these -- nobody knew what CR
- meant and no one knew what JOC meant, but at least one person, 10
- and I don't think everybody was asked, but at least one 11
- 12 person, I asked her what a case meant, and she said she 12
- assumed it was a case like what's going on today which is 13
- 14 correct.

2

5

8

- 15 So there's evidence that in almost everybody
- 16 admitted that they read it too. So, they have not -- they're
- put on notice of having knowledge and they said they read it, 17
- so they read that part of it too. 18
- 19 They might not have necessarily all of it -- put
- 20 it together, they saw a case and at least one person knew what
- 21 case meant and that was a big part of Miss Gravelle's decision
- not to testify is to keep out any notice of prior convictions. 22
- She had prior felony convictions used to impeach had she 23
- 24 testified.

4

8

9

13

17

18

19

- 1 And at the very least, the jury, at least one
- 2 person understood that there was a case, that this meant case
- 3 and she said that she read the exhibit list.
 - And then also going to whether or not the case
- 5 proved -- or the State proved its case beyond a reasonable
- 6 doubt. In Nevada, jury decisions in criminal cases have to be
- 7 unanimous.
 - And we did not hear from Miss Free. We don't
 - know what her answers would have been. We don't know whether
- or not this would have affected, and I'm sure the State is 10
- going to say, you know, this testimony is repetitive at some 11
- 12 point, but every person is different.
 - Every person had a different view on how close
- the case was and we don't know why Miss Free's was and she's 14
- 15 one out of 12. I mean, that's a significant part of the jury
- and we don't know what she had to say about this. 16
 - And it's the State's burden to, if the -- Your
 - Honor finds that there was evidence presented to the jury that was not admitted at trial, then it's the State's burden to
- prove beyond a reasonable doubt that it's not prejudice. And 20
- 21 we don't even have all the jurors testified.
- So I don't know how they can overcome that burden 22
- when we haven't talked to 1, 12th of the jury. So given this 23
- high burden, we do believe a mistrial is appropriate.

Page 53

And also in going back to the presumption of

- prejudice, this is almost similar to the Winiarz case. In the
- Winiarz case, every single one of the jurors was polled and
- they said that inadmissible, they said the evidence that was
- not admitted at trial had no influence on their decision.
- But the Winiarz case reversed in spite of that 6
- testimony and I think they understand the difficulty of
- 8 talking about these things. A lot of time has passed, some
- peoples' memories were a little bit fuzzy and that what's to
- 10 be expected this was, you know, I think we're at about four 11 months old in February.
 - But just so -- just because the answers were
- given, similar answers seem to be given in the Winiarz case
- 14 and they still found that the Court erred in not granting a 15 mistrial.
- So we do believe a mistrial is appropriate in 16
- 17 this case and that's what we would ask Your Honor to do.
- 18 THE COURT: Mr. Roche?
- 19 MR. ROCHE: Your Honor, the State's position is
- 20 pretty well stated in our opposition to the motion. The only
- issue was that at the time that the motion was drafted, the
- 22 State represented that we have no evidence that the Court --
- 23 the jurors considered any of this or thought any of this about
- this that, and now we've heard from 11 of the 12 jurors who

Page 54

all stated (indiscernible) they don't know what a JOC is.

- They don't know what a CR is. But the evidence elicited
- impact their verdict. 3
- 4 The only juror that the defense is harping on is
- the juror who speaks English as a second language. And clearly there was some language barrier which was frustrating.
- But every juror who speaks English as a first language was
- pretty blunt and clear that it didn't impact the verdict
- whatsoever. None of them said it was a close case except
- 10 possibly that juror who I tried to get more information from
- 11 and wasn't able to.
- But, that's not the point. This isn't a hearing 12
- 13 at which the defense gets to challenge whether the evidence 14
 - proved their client (indiscernible). That is not what this
- 15 hearing is about.
- 16 This hearing is about whether or not there was
- 17 inadmissible evidence presented to the jury and whether that
- 18 prejudiced the verdict. It's quite clear that that didn't
- 19 occur.
- 20 An undoubted yes that there's a list of exhibits
- that nobody saw. They only had the evidence. The quote that
- 22 this is similar to the Winiarz case is ridiculous, because
- that was a murder trial where the jury received copies of 23
 - notes that showed that a previous jury had found that

Page 56

Page 57

1 Defendant guilty of first degree murder.

This is so far from that that it's ludicrous to

even make an argument that this is like Winiarz. The Winiarz

- 4 doctrine weigh very heavily against a mistrial. This is a
- 5 least serious felony that's that someone can stand trial for.
- 6 It was not a close case.

The one thing that the Ms. Beatrice Torres stated

8 that hey, it might have belonged to Mr. Dunn, it might have.

9 The State's argument was joint possession. It doesn't matter

whether he possessed those drugs. They could both possess

11 those drugs. They were -- that's one of the arguments. It's

not precluding them finding her guilty beyond a reasonable

doubt for one juror to say, hey, he might have had possession

14 of those drugs.

I think the arguments and the application of

Winiarz is pretty well addressed. I don't want to belabor the

point. Basically the State was just here to see what these

18 jurors would say, and every single one of them unanimously

said that they list -- the jury list identifying her prior

20 convictions, they had no clue what that was.

There's been no argument presented about the

22 weight of the drugs. I think that was pretty well addressed

in the State's response. There's no prejudice from seeing the

24 net weight of the drugs when they were given the gross weights

1 MR. ROCHE: I'm not sure what the argument's

2 going to be. She was asked specifically is there anything

3 that happened at trial that she didn't understand, and she

4 said no. And when she was critical about her verdict. The

questions that were asked were pointed, and she stated it was

6 a tough decision because everybody deserves a second chance in

7 life.

And then when she was asked a followup question, she quite clearly said she was guilty. She wasn't pressured to (indiscernible) guilty verdict, and if she had to do it again today, she would still find the Defendant guilty.

And was asked whether there was an issue that she didn't understand and she stated, no, she did understood what happened at trial. I don't think there's much an issue there.

And if there is, it has not been raised.

Thank you.

THE COURT: All right. Mr. Leamon, you get the final argument and I also want it hear your argument about her

19 English ability.

MR. LEAMON: Obviously I think it was a concern. I didn't expect this issue to come up today. I mean, I think our interactions were fairly limited in voir dire. I don't

23 remember specifically if she was asked whether or not English

was her first or second language or not.

Page 58

1 and they received those as (indiscernible). And the only

2 other possibility is the fact that a picture that was not

3 provided to them that was listed.

So they knew a picture existed, but they didn't

know what they had. But they had other pictures of the itemsthat were testified to were taken from that eyeglasses case.

7 The officers testified that (indiscernible) I found a item in

an eyeglasses, they found this and this and this.

They had an eyeglasses case in an envelope, they were able to hear what was in it. And they had pictures of

the items that were relevant that were found in the eyeglasses case. So the fact that there was a picture they didn't see,

case. So the fact that there was a picture they do they all testified that, in fact, (indiscernible).

14 (Indiscernible) assert that the motion should be denied.

THE COURT: There's an issue that came up during the hearing that kind of surprised me that was Miss Torres'

English language ability, and of course, that's not been raised in any motion because I expect the two of you didn't

19 realize that might --

MR. LEAMON: That's correct.

THE COURT: -- have been an issue, and that does

22 concern me.

So, Mr. Roche, I'm give you a minute or two to argue that if you want.

1 I can't remember off the top of my head if

something that I wouldn't mind doing more research on, but it

3 was concerning how some of the conflicting answers that they

got from her, how we had to redirect her several times, and

some of the answers she gave were kind of concerning.

It concerns me whether or not she would be

willing to, you know, speak up if you know she really did

believe that those glasses could have belonged to Mr. Dunn.

9 I don't know, given her difficult potential

difficulties with English, whether she would feel comfortable

to be in a position to say how do we know that these --

Mr. Dunn didn't put those there. She said it could be. We didn't ask any followup questions or joint possession or

14 anything like that she clearly said, yeah, it could have been

15 his.

Which like I said I think to me sounds a lot like doubt, and so I do have concerns whether or not you know any

issues with her grasp or her English language skills would

have made her uncomfortable about asserting that position in a room of 11 other people who I'm sure had their own opinions.

21 So that's my concerns with that.

Like I said I don't remember specifically what

was asked of her on voir dire. My memory of some parts of the

case are fuzzy as well and not being able to look at the

Page 60

        Going back to the motion itself, I think both our
 2
     points are pretty well hammered into the ground between our
     initial argument and the motions. But I would say that the
     State said all of the people testified to this, you know, or
 6
     the case wasn't close or that this had no impact on the
     decision.
 7
        That's not true, because we did not hear from
 8
 9
     Miss Free and that's one-twelfth of the jury. We don't know
     what she say. We can't assume. It's the State's burden to
10
     prove this beyond a reasonable doubt if Your Honor finds that
11
     the things on the exhibit list do constitute evidence.
12
        So I think that's an major factor and the State
13
     not proving prejudice beyond a reasonable doubt, because you
14
     don't know what one-twelfth of the jury thought about this
15
16
17
        THE COURT: All right. I will take it under
