*ORDER DIRECTING ANSWER AND
GRANTING MOTION*

This is an original petition for a writ of mandamus or, in the alternative, prohibition seeking to compel the district court to grant a motion for summary judgment in an insurance subrogation matter.

Having reviewed the petition, it appears that an answer may assist this court in resolving this matter. Therefore, real parties in interest, on behalf of respondents, shall have 28 days from the date of this order to file and serve an answer, including authorities, against issuance of the requested writ. We further direct real parties in interest to address the propriety of writ relief, in addition to addressing the merits of the petition,

in their answer. Petitioner shall have 14 days from service of the answer to file and serve any reply.

Further, petitioner has filed a "Motion to File Under Seal Unredacted First Amended Complaint," on the ground that the complaint includes certain terms of a confidential settlement agreement. The motion is granted. SRCR 3(4)(e). The clerk of this court shall file under seal the unredacted First Amended Complaint received by this court on December 14, 2021.

It is so ORDERED.
