Honorable Clerk Of the Clark County District Court:

Sub: NOTICE OF APPEAL WITH SIGNATURE OF

PRO-SE PLAINTIFF

Case No. A-20-814819-C

I am writing to have my Notice of Appeal to the Supreme Court of Nevada filed in the above Case. I am the pro-se plaintiff. I understand that pro-se litigants have to submit an original signature with the filing. I am not sure if electronic signature is acceptable. So, I am submitting two copies of the Notice one with the original signature and the other with electronic signature. I am hoping that this will cure any deficiency in the filing.

Thank you for your support.

Respectfully yours,

/s/ Tenkasi Viswanathan

DEFENDANT PAT SKORKOWSKY'S MOTION TO DISMISS Ms. Herrera argued in support of the instant Motion, stating that Plaintiff attempted to serve Defendant Skorkowsky through the School District's legal department, and the legal department did not accept service on behalf of Defendant Skorkowsky, nor were they authorized to accept service on behalf of Defendant Skorkowsky. Mr. Viswanathan argued in opposition, stating that an Affidavit was filed by the process server, indicating that Defendant Skorkowsky had been properly served. COURT ORDERED the instant Motion was hereby GRANTED WITHOUT PREJUDICE for all of the reasons set forth in the Motion and Reply, FINDING the following: (1) Defendant Skorkowsky was not properly served with the Summons and Complaint; and (2) the Affidavit of Service indicated that the manner of service was substitute business, which was not proper. Ms. Herrera to prepare the written Order, incorporating the reasons in the Motion and Reply, as the Court's ruling, and forward it to Mr. Viswanathan via e-mail, for approval as to form and content; Mr. Viswanathan shall have two (2) days from receipt of the Proposed Order, to make any corrections, before Ms. Herrera submitted the Proposed Order to the Court. DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' MOTION TO DISMISS...PLAINTIFF'S OPPOSITION AND COUNTERMOTION TO DEFENDANT CCSD BOARD OF TRUSTEES' MOTION TO DISMISS Ms. Herrera argued in support of Defendant CCSD's Motion, stating that breach of fiduciary duty, breach of contract, and breach of covenant of good faith and fair dealing claims, must be dismissed based upon the statute of limitations. Mr. Viswanathan argued in opposition, stating that Defendant raised issued in their Reply that were not raised in the Motion, which deprived him of the opportunity to address those issues. COURT ORDERED Defendant Clark County School District Board of Trustees' Motion to Dismiss, was hereby GRANTED IN PART / DENIED IN PART WITHOUT PREJUDICE, FINDING and ORDERING the following: (1) the claim for breach of fiduciary duty was hereby DISMISSED, as the three year statute of limitations applied to said claim; (2) as Plaintiff admitted on page 8, lines 18-21 of the Opposition, time began to run on April 28, 2014, when the breach was discovered; (3) the Complaint was not filed until May 11, 2020, and whether the Court</i></p>

considered that Complaint, or the Amended Complaint (filed August 4, 2020), the result would be the same; (4) for the purpose of the instant Motion, the Court accepted the factual allegations contained in the original Complaint as true, including the procedural aspects; (5) the breach of fiduciary duty claim must be dismissed as a matter of law; (6) the remainder of the requested relief was DENIED WITHOUT PREJUDICE; (7) the Court considered the substance of the Plaintiff's claims, and accepted all facts as pled as true, as it must under the Motion to Dismiss standard; (8) the breach of contract and breach of covenant of good faith and fair dealing claims, both had six year statutes of limitations; (9) based upon the statutes of limitations, the tolling from Governor Sisolak's April 1, 2020, Executive Order, and Court's Administrative Orders, the Complaint was timely filed as to the breach of contract and breach of covenant of good faith and fair dealing claims; and (10) the preemption arguments were essentially raised for the first time in the Reply; therefore, it would not be proper to consider them at this time. COURT FURTHER ORDERED Plaintiff's Countermotion was hereby GRANTED IN PART / DENIED IN PART WITHOUT PREJUDICE, FINDING and ORDERING the following: (1) the Countermotion was GRANTED IN PART to construe the Amended Complaint (filed on August 4, 2020 at 4:00 PM), as having been filed on August 3, 2020; and (2) the remainder of the requested relief, was hereby DENIED WITHOUT PREJUDICE. Ms. Herrera to prepare the written Order for the Motion and Countermotion, and forward it to Mr. Viswanathan via e-mail, for approval as to form and content; Mr. Viswanathan shall have two (2) days from receipt of the Proposed Order, to make any corrections, before Ms. Herrera submitted the Proposed Order to the Court. DEFENDANT DR. EDWARD GOLDMAN'S MOTION TO DISMISS... PLAINTIFF'S OPPOSITION TO DEFENDANT GOLDMAN'S MOTION TO DISMISS Ms. Barker argued in support of Defendant Goldman's Motion, stating that Defendant Goldman was not a party to the contract between the School District and Mr. Viswanathan. Additionally, Ms. Barker argued that Governor Sisolak's Executive Order did not toll the statutes of limitations; NRS 391.100 and NRS 391.120 cited. Mr. Viswanathan argued in opposition, stating that Defendant Goldman was the manager of employee relations; therefore, it was appropriate to include him as a party in the Complaint. COURT ORDERED Defendant Dr. Edward Goldman's Motion to Dismiss, was hereby GRANTED IN PART / DENIED IN PART WITHOUT PREJUDICE, FINDING and ORDERING the following: (1) the claim for breach of fiduciary duty was hereby DISMISSED, as the three year statute of limitations applied to said claim; (2) as Plaintiff admitted on page 8, lines 18-21 of the Opposition, time began to run on April 28, 2014, when the breach was discovered; (3) the Complaint was not filed until May 11, 2020, and whether the Court considered that Complaint, or the Amended Complaint (filed August 4, 2020), the result would be the same; (4) for the purpose of the instant Motion, the Court accepted the factual allegations contained in the original Complaint as true, including the procedural aspects; (5) the breach of fiduciary duty claim must be dismissed as a matter of law; (6) the remainder of the requested relief was DENIED WITHOUT PREJUDICE; (7) the Court considered the substance of the Plaintiff's claims, and accepted all facts as pled as true, as it must under the Motion to Dismiss standard; (8) the breach of contract and breach of covenant of good faith and fair dealing claims, both had six year statutes of limitations; and (9) based upon the statutes of limitations, the tolling from Governor Sisolak's April 1, 2020, Executive Order, and Court's Administrative Orders, the Complaint was timely filed as to the breach of contract and breach of covenant of good faith and fair dealing claims. COURT FURTHER ORDERED Plaintiff's Countermotion was hereby GRANTED IN PART / DENIED IN PART WITHOUT PREJUDICE, FINDING and ORDERING the following: (1) the Countermotion was GRANTED IN PART to construe the Amended Complaint (filed on August 4, 2020 at 4:00 PM), as having been filed on August 3, 2020; and (2) the remainder of the requested relief, was hereby DENIED WITHOUT PREJUDICE. Ms. Barker to prepare the written Order for the Motion and Countermotion, and forward it to Mr. Viswanathan via e-mail, for approval as to form and content; Mr. Viswanathan shall have two (2) days from receipt of the Proposed Order, to make any corrections, before Ms. Barker submitted the Proposed Order to the Court. ;

Minute Order - No Hearing Held;

Journal Entry Details:

COURT ORDERED, Plaintiff's Motion to Reconsideration of the Order Granting Defendant Pat Skorkowsky's Motion to Dismiss is hereby DENIED WITHOUT PREJUDICE. The Court finds that Plaintiff has not provided any new law, new evidence, or shown that the Court's ruling was clearly erroneous. On that basis, the Court finds that Plaintiff has not met her burden on reconsideration. See *Masonry & Title Contractors Ass'n v. The Court noted that it reviewed the Motion, Opposition and Countermotion, and the Reply. Ms. Herrera argued in support of Defendant Markouzis' Motion to Dismiss, stating that Plaintiff conceded that the Breach of Fiduciary Duty claims should be dismissed. Additionally, Ms. Herrera argued that Defendant Markouzis was not a party to the subject contract; therefore, the Breach of Contract and Breach of Implied Covenant of Good Faith and Fair Dealing claims against Mr. Markouzis should be dismissed. Furthermore, Ms. Herrera argued that the official capacity claims may be able to stand against an employee or officer, however, those claims were redundant when the actual entity was named as a Defendant, as was the scenario in the instant case. Mr. Viswanathan argued in opposition to Defendant Markouzis' Motion to Dismiss, and in support of the Counter Motion, stating that Defendant's counsel raised issues outside of the pleadings during their oral arguments; therefore, the Court should not consider those arguments. COURT ORDERED Defendant Louis Markouzis' Motion to Dismiss was hereby GRANTED WITHOUT PREJUDICE, FINDING the following: (1) as conceded by the Plaintiff, the Breach of Fiduciary Duty claim against Defendant Markouzis, was hereby DISMISSED; (2) The Breach of Contract claim against Defendant Markouzis, as well as the Breach of Implied Covenant of Good Faith and Fair Dealing claim against Defendant Markouzis, were hereby DISMISSED; (3) Plaintiff's Partial Opposition and Counter Motion to Defendant Louis Markouzis' Motion to Dismiss, was hereby DENIED; (4) the Court made its ruling under the NRCP 12(b)(5) standard; therefore, Court must consider all factual allegations as true; (5) as pled, there was not contract between the Plaintiff and Defendant Markouzis; therefore, there could not be any breach of contract, or breach of the implied covenant of good faith and fair dealing; (6) Plaintiff's arguments ignored, or contradicted, their own pleadings; (7) the proposed amendment to the Complaint was futile, as there was no contract between the Plaintiff and Defendant Markouzis, based upon the current pleadings; (8) the Counter Motion was denied, as there was no proposed amended Complaint attached, as required under the rules; and (9) the preemption argument was moot, given the dismissal under the NRCP 12(b)(5) standard. STRIKE DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' MOTION FOR SUMMARY JUDGMENT...PLAINTIFF'S MOTION TO STRIKE THE DECLARATION OF DEFENDANT GOLDMAN...PLAINTIFF'S MOTION TO STRIKE DEFENDANT DR. EDWARD GOLDMAN'S MOTION FOR SUMMARY JUDGMENT AND HIS JOINDER TO THE DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEE'S MOTION FOR SUMMARY JUDGMENT...PLAINTIFF'S MOTION TO STRIKE ALL OR PARTS OF THE DECLARATION ATTACHED AS EXHIBIT A, EXHIBIT B, AND EXHIBIT C TO DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' MOTION FOR SUMMARY JUDGMENT, AND THE EXHIBITS THERETO; PLAINTIFF'S OBJECTIONS TO THE SAID SUMMARY JUDGMENT MOTION AND EXHIBITS THERETO Ms. Herrera and Ms. Barker submitted on arguments set forth in the Motions for Summary Judgment and Joinder. The Court noted that, although the Defendants did not oppose Mr. Viswanathan request for additional time to file an Opposition to the Motions and Joinder, Mr. Viswanathan chose not to do so. Mr. Viswanathan confirmed that, rather than file an Opposition, he chose to file his various Motions to Strike. The Court noted that Plaintiff filed his Motion for Summary Judgment the same day that Defendants filed theirs. Mr. Viswanathan argued in opposition to the Motions for Summary Judgment, as well as the Joinder, stating that he was entitled to judgment as a matter of law; however, the Defendants were not entitled to summary judgment under the law. Ms. Herrera argued in opposition to the Plaintiff's various Motions to Strike, stating that there was no opposition to the Plaintiff's request for additional time. Additionally, Ms. Herrera stated that arbitration was moved to October 6, 2021, which also moved the dispositive Motion deadline to forty-five days prior to arbitration; therefore the request for additional time was moot. Ms. Barker joined Ms. Herrera's arguments. Arguments in support of the Motions to Strike by Mr. Viswanathan. COURT ORDERED ALL of the Plaintiff's Motions to Strike, were hereby DENIED for all of the reasons set forth in the Oppositions, FINDING the following: (1) Plaintiff's argument that Defendants' Motions for Summary Judgment were not timely filed, was moot, given the continuance of the arbitration hearing; (2) Plaintiff filed his Motion for Summary Judgment on the same day the Defendants filed theirs; therefore, the Plaintiff calculated the deadline for the Motions for Summary Judgment the same as the Defendants; therefore, it was disingenuous for the Plaintiff to withdraw his Motion for Summary Judgment, so that he could then argue that Defendants Motions were not timely filed; (3) Plaintiff has had time, opportunity, and notice, and could have responded to the Defendants' Motions, if he chose; (4) public policy favored decisions based on the substance of Motions for Summary Judgment, rather than striking a Motion for no good cause; and (5) there was an extended period of time between the Defendants filing their Motions for Summary Judgment, and the instant hearing, which provided the Plaintiff with plenty of time to respond. COURT ORDERED that Defendant Clark County School District's Motion for Summary Judgment, Defendant Dr. Edward Goldman's Motion for Summary Judgment, and Dr. Edward Goldman's Joinder to Defendant Clark County School District's Motion for Summary Judgment, were hereby GRANTED for all of the reasons set forth in the Motions and Joinder, FINDING the following: (1) there were no genuine issues of material fact; (2) Plaintiff's claims against the Defendants were based upon an alleged premature non-renewal of the Plaintiff's probationary contract; (3) the Court incorporated the statement of undisputed facts set forth on pages three through five of CCSD's Motion for Summary Judgment in its ruling; (4) the Court incorporated the legal standards set forth on pages six through seven of CCSD's Motion for Summary Judgment in its ruling; (5) Plaintiff's breach of contract claim failed as a matter of law; (6) the Board had a contractual and statutory right not to renew Plaintiff's probationary contract; (7) the Board's right of non-renewal had limited temporal limitations; (8) Plaintiff was permitted to submit a response to his evaluation, only for inclusion into his personnel file; however, that right did not affect the Board's right to terminate the contract; (9) Plaintiff failed to exercise the appropriate administrative remedies under NRS 288.110(2) and NRS 288.280; (10) the Court incorporated the undisputed facts set forth in Dr. Goldman's Motion for Summary Judgment, as set forth on pages four through seven in its ruling; (11) the Court incorporated the legal arguments set forth in Dr. Goldman's Motion for Summary Judgment, as set forth on pages seven through sixteen, in its ruling; (12) the Court's ruling was based upon NRCP 56, as well as the accompanying case law; (13) the breach of contract claim, as well as the breach of the covenant of good faith and fair dealing claim, against Dr. Goldman, could not stand as a matter of law; (14) as a matter of law, Dr. Goldman was not a proper party to the instant suit; (15) a claim against Dr. Goldman in his official capacity was redundant to the suit against the CCSD Board of Trustees; (16) Dr. Goldman had no authority to grant the relief being sought by the Plaintiff; (17) the negotiated agreement governing the Plaintiff's probationary teaching contract, provided the exclusive remedy for challenging the non-renewal of the contract; (18) the Court incorporated the entirety of the instant case's procedural history into its ruling; (19) although the Plaintiff was made aware of the Defendants' Motions for Summary Judgment on June 14, 2021, and the Defendants did not oppose an extension of time for the Plaintiff to file Oppositions, the Plaintiff failed to file any Oppositions; (20) Plaintiff was given the opportunity

FINDINGS OF FACT

I. Plaintiff's Employment by the CCSD BOT

1. For the 2013-2014 school year, Plaintiff was employed by the CCSD BOT as a probationary teacher, pursuant to a Probationary Teaching Contract (Contract). The Contract contained a written provision stating that: "Probationary employees agree that they are employed only on an annual basis and that they have *no right to employment after the last day of the school year specified in this Contract* specified in writing." (Emphasis added.)

2. In 2013-2014, CCSD teacher contracts were governed by a Negotiated Agreement between the CCSD and the Clark County Education Association (Negotiated Agreement.), of which Plaintiff was a member. Article 36-8-2 of the Negotiated Agreement stated non-renewal of a probationary teacher's contract "shall not be subject to a hearing or arbitration under the provisions of this Article (36-8)."

3. For the 2013-2014 school year, Plaintiff's teaching performance was evaluated by way of three evaluations issued on November 25, 2013, January 30, 2014, and April 1, 2014, respectively.

4. Article 14-2 of the Negotiated Agreement provided:

Any written response by the employee to any written report, comment, reprimand, or other document as provided for in Article 14-1 above shall also become a part of that employee's personnel file and shall remain a part of said file as long as the written report, comment, reprimand, or other document responded to remains a part of the file.

5. Plaintiff's second and third evaluations rated Plaintiff's overall teaching performance as not satisfactory and in each evaluation Plaintiff was advised that his performance

1 needed to improve and that his teaching contract may not be renewed for the subsequent school
2 year.

3 6. During the 2013-2014 school year, Plaintiff also received two disciplinary
4 documents concerning performance deficiencies– an Oral Warning dated January 24, 2014, and a
5 Written Warning dated March 24, 2014.

6 7. Based on observations and other evidence stated in his evaluations and related
7 discipline, CCSD administration recommended to the CCSD BOT that Plaintiff's contract not be
8 renewed for the 2014-2015 school year.

9 8. On April 10, 2014, the CCSD BOT approved a resolution declining to offer
10 Plaintiff a teaching contract for the 2014-2015 school year.

11 9. On April 28, 2014, Plaintiff was given written Notice of Non-Reemployment of
12 Probationary Employee. The Notice, dated April 25, 2014, stated that Plaintiff's Contract would
13 not be renewed for the coming school year.

14 10. On May 28, 2014, after his receipt of the Notice of Non-Renewal, Plaintiff
15 forwarded a Grievance to CCSD's Employee Management Relations Department. The
16 Grievance challenged the CCSD BOT's non-renewal decision.

17 11. Article 4-1 of the Negotiated Agreement provided:

18 A grievance is defined as any dispute which arises regarding an interpretation,
19 application or alleged violation of any of the provision of this Agreement.

20 12. Plaintiff did not submit a written grievance to any of his three evaluations before
21 he submitted a Grievance on May 28, 2014, on the non-renewal decision by the CCSD BOT.

22 13. Article 4-5(a) of the Negotiated Agreement provided:

23 If the grievance is not resolved at Step One, the grievant may submit in writing
24 the unresolved grievance to the Associate Superintendent, Human Resources
25 Division, or the Superintendent's designee not later than thirty (30) days after the
grievant first knew of the act or condition upon which the grievance is based.

26 14. On August 1, 2014, Defendant Edward Goldman responded to Plaintiff's
27 Grievance. Defendant Goldman's correspondence told Plaintiff that to the extent this Grievance
28 was attempting to grieve Plaintiff's January 30, 2014, and April 1, 2014 performance

1 evaluations, the Grievance was untimely pursuant to Article 4-5(a) of the Negotiated Agreement
2 which required that a grievance be filed not later than “thirty (30) days after the grievant first
3 knew of the act or condition upon which the grievance is based.” To the extent Plaintiff sought
4 to contest his second and third evaluations, the Grievance was not submitted within 30 days of
5 each evaluation and could not, therefore, be considered.

6 15. The CCSD BOT’s decision not to renew Plaintiff’s Contract was not grievable
7 pursuant to the terms of the Negotiated Agreement and/or Nevada statute.

8 **II. Procedural Progress of This Litigation**

9 16. On May 11, 2020, slightly over six years after the non-renewal of Plaintiff’s
10 probationary teaching contract, Plaintiff filed the Complaint initiating this litigation. (Doc ID
11 #1.) On August 4, 2020, Plaintiff filed an Amended Complaint. (Doc ID #6). As to Defendant
12 CCSD BOT, Plaintiff contended its decision to non-renew Plaintiff’s Contract was premature
13 because the CCSD BOT did not grant him time to respond to his third evaluation.

14 17. Defendant CCSD BOT filed a Motion to Dismiss on August 27, 2020. (Doc ID
15 #18). Plaintiff opposed the motion on September 14, 2020 (Doc ID #25), and Defendant CCSD
16 BOT Replied to the opposition on October 12, 2020. (Doc ID #44).

17 18. On November 2, 2020, the Court granted in part, and denied in part, Defendant
18 CCSD BOT’s Motion to Dismiss (Doc ID #49), leaving two remaining claims for relief against
19 Defendant CCSD BOT:

20 (1) Breach of Contract, and

21 (2) Breach of the Covenant of Good Faith and Fair Dealing.

22 19. On January 7, 2021, no Request for Exemption from Arbitration having been
23 filed, the Court’s Alternative Dispute Resolution office appointed an Arbitrator to hear this
24 matter. (Doc ID #71).

25 20. After the close of discovery, Defendant Goldman and Defendant CCSD BOT
26 filed separate motions for summary judgment on June 14, 2021. (Doc ID #86 and #87.)
27 Defendant Goldman joined in the CCSD BOT Motion for Summary Judgment on June 15, 2021.
28 (Doc ID #93). Plaintiff did not file opposition to either motion for summary judgment.

1 21. On June 14, 2021, Plaintiff filed a Motion for Partial Summary Judgment as to the
2 CCSD BOT, (Doc ID #88), and on June 20, 2021, Plaintiff sought a withdrawal of the motion.
3 (Doc ID #94 and #95). CCSD BOT opposed Plaintiff's Motion for Partial Summary Judgment
4 on June 25, 2021. (Doc ID #100).

5 22. As of June 14, 2021, the date all parties' motions for summary judgment were
6 filed, the Arbitration hearing was scheduled for July 28, 2021. (Doc ID #82).

7 23. On June 21, 2021, Plaintiff filed a Motion to Strike Defendant Goldman's Motion
8 for Summary Judgment (Doc ID #96), and on that same day filed a Motion to Strike the CCSD
9 BOT Motion for Summary Judgment. (Doc ID #96). Defendant CCSD BOT filed an
10 Opposition to Plaintiff's Motion to Strike its Motion for Summary Judgment and Countermotion
11 to Extend the Dispositive Motion Deadline, on June 25, 2021 (Doc ID #101). Defendant
12 Goldman joined in the Opposition and Countermotion, on June 29, 2021. (Doc ID #106).
13 Plaintiff's replies were filed on July 20, 2021. (Doc ID #123 and #124.).

14 24. On June 28, 2021, Plaintiff filed a Motion for Order Extending Time, seeking a
15 seven-day extension of time to file and serve opposition to both Defendants' Motions for
16 Summary Judgment. (Doc ID #102). Both Defendant Goldman and Defendant CCSD BOT
17 filed notices of Non-Opposition to Plaintiff's requested extension of time. (Doc ID #105 and
18 #119).

19 25. On July 6, 2021, Plaintiff filed Objections to and Motion to Strike all of parts of
20 the Declarations in support of Defendant CCSD BOT's Motion for Summary Judgment and an
21 amendment thereto on July 12, 2021. (Doc ID #109 and #117). Defendant CCSD BOT opposed
22 the motion on July 21, 2021 (Doc ID #125).

23 26. On July 9, 2020, Plaintiff filed an Opposition to the CCSD BOT Countermotion
24 to Extend the Dispositive Motion Deadline and to Defendant Goldman's Joinder in that
25 Countermotion. (Doc ID #115).

26 27. The foregoing Motions were initially calendared for hearing on multiple dates –
27 July 26, July 28, and August 9, 2021. On July 13, 2021, the parties stipulated to consolidate
28

1 hearing of the motions, and an Order was entered consolidating hearings for all motions to July
2 28, 2021. (Doc ID #120).

3 28. On July 13, 2021, the Arbitrator entered an order continuing the Arbitration
4 hearing from July 28, 2021, to August 27, 2021. (Doc ID #121).

5 29. On July 26, 2021, the Court reset the consolidated hearings to be heard on August
6 18, 2021.

7 30. On August 13, 2021, the Arbitrator again entered an Order extending the
8 Arbitration, resetting the hearing to October 6, 2021. (Doc ID #129).

9 31. On August 5, 2021, upon stipulation of the parties, the consolidated hearing was
10 re-scheduled to August 25, 2021. (Doc ID #127).

11 32. On August 25, 2021, the Court heard and considered all pending motions in this
12 matter, as set forth hereinabove.

13 33. As of the August 25, 2021 hearing on the motions for summary judgment,
14 Plaintiff had filed no Opposition to Defendant CCSD BOT's Motion for Summary Judgment,
15 even after seeking an extension of time to serve and file an opposition, with notice of non-
16 opposition to the extension having been filed by Defendant Goldman and by Defendant CCSD
17 BOT.

18 34. Plaintiff stated at oral argument that his intent was to strike the motions for
19 summary judgment as untimely and to strike the Declarations in support thereof; then, if
20 Plaintiff's Motions to Strike were denied, to thereafter file oppositions.

21 35. Plaintiff presented oral argument after the Court's ruling which was considered.

22 If any of the foregoing Findings of Fact is deemed more appropriately categorized as a
23 Conclusion of Law, it shall be so treated.

24 CONCLUSIONS OF LAW

25 1. Plaintiff, as a pro se litigant must comply with the Rules of Civil Procedure.
26 *Rodriguez v. Fiesta Palms*, 134 Nev. 654, 659, 428 P.3d 255, 258-59 (2018) ("a pro se litigant
27 cannot use his alleged ignorance as a shield to protect him from the consequences of failing to
28 comply with basic procedural requirements").

2. Public policy favors disposition on the merits of a case. *Huckabay Props., Inc. v. NC Auto Parts, LLC*, 322 P.3d 429, 433-34, 130 Nev. Adv. Op. 23 (2014).

I. Plaintiff's Motion To Extend the Time to Oppose Defendant CCSD BOT's Motion For Summary Judgment.

3. Plaintiff's Motion sought a seven (7) day extension of time to oppose Defendant CCSD BOT's Motion for Summary Judgment, Defendant Goldman's Joinder thereto, and Defendant Goldman's Motion for Summary Judgment pursuant to NRCP 6(b) and based on his personal circumstances.

4. Based on good cause shown and Defendants' filed non-oppositions, Plaintiff's request for additional time to oppose Defendants CCSD BOT's Motion for Summary Judgment and the corresponding Joinder, up to and including July 6, 2021, is appropriate.

II. Plaintiff's Motion To Strike Defendant CCSD BOT's Motion For Summary Judgment.

5. Plaintiff's Motion to Strike Defendant CCSD BOT's Motion for Summary Judgment is predicated on an asserted late filing of the summary judgment motion pursuant to NAR 4(E), which provides that dispositive motions be filed 45 days before an arbitration hearing. As applied to the July 28, 2021 Arbitration hearing in this matter, the filing date fell on June 13, 2021 – a Sunday. All parties, including Plaintiff, filed their summary judgment motions on June 14, 2021, the immediately following Monday. Plaintiff asserts that the motions were more appropriately due on the immediately preceding Friday – a difference of a single judicial day.

6. The Rules of Civil Procedure “should be construed, administered, and employed by the court and the parties to secure the just, speedy, and inexpensive determination of every action and proceeding.” NRCP 1.

7. Plaintiff's Motion for Partial Summary Judgment was filed the same date as Defendant CCSD BOT's Motion for Summary Judgment. Plaintiff calculated the deadline for the Motions for Summary Judgment the same as the Defendants and, therefore, it was disingenuous for the Plaintiff to seek a withdrawal of his Motion for Partial Summary Judgment

1 so that he could then argue that Defendants' Motions for Summary Judgment, including
2 Defendant CCSD BOT's Motion, were untimely.

3 8. Plaintiff's Motion to Strike Defendant CCSD BOT's Motion for Summary
4 Judgment is not properly brought under NRCP 12 which governs submission of motions
5 regarding the pleadings as set forth therein. It does not govern response to a summary judgment
6 motion brought pursuant to NRCP 56. NRCP 12 does not provide a procedural vehicle to strike
7 a motion for summary judgment, timely or otherwise.

8 9. The timing of the filing of Defendant CCSD BOT's Motion for Summary
9 Judgment caused no prejudice to Plaintiff as Plaintiff has had ample opportunity to oppose the
10 Motion. Defendant CCSD BOT did not oppose Plaintiff's request for an extension of time to
11 respond to the Motion, and the Motion did not come on for hearing until approximately ten
12 weeks after the Motion for Summary Judgment was filed.

13 10. At the time Defendant CCSD BOT's Motion for Summary Judgment was filed,
14 the Arbitration hearing was scheduled for July 28, 2021. It was subsequently moved by
15 Stipulation of the parties first to August 25, 2021, and then to October 6, 2021, resulting in the
16 Motion having been filed more than the 45 days allotted by NAR 4 for submission. The
17 argument that Defendant CCSD BOT's Motion for Summary Judgment was untimely pursuant to
18 NAR 4(E) is, therefore, mooted by the extension of the arbitration hearing date.

19 11. Plaintiff received full and fair notice of Defendant CCSD BOT's Motion for
20 Summary Judgment, more than 45 days before an arbitration hearing in this matter and was
21 given full and fair opportunity to oppose the Motion and to be heard in opposition.

22 12. There is no legal authority cited by Plaintiff which would justify striking
23 Defendant CCSD BOT's Motion for Summary judgment in the circumstances presented.

24 **III. CCSD BOT's Motion For Summary Judgment**

25 **A. Standard for Summary Judgment.**

26 13. Summary judgment is appropriate and shall be granted if the movant shows that
27 there is no genuine issue as to any material fact and the movant is entitled to a judgment as a
28 matter of law. NRCP 56. Summary judgment is a procedural tool by which "factually

1 insufficient claims or defenses [may] be isolated and prevented from going to trial with the
2 attendant unwarranted consumption of public and private resources.” *Boesiger v. Desert*
3 *Appraisals*, 135 Nev. Adv. Op. 25, p. 4 (2019), quoting *Celotex Corp v. Catrett*, 477 U.S. 317,
4 327 (1986).

5 14. Summary judgment is appropriate under NRCP 56 when the pleadings,
6 depositions, answers to interrogatories, admissions, and affidavits, if any, that are properly
7 before the court demonstrate that no genuine issue of material fact exists, and the moving party is
8 entitled to judgment as a matter of law. *Wood v. Safeway, Inc.*, 121 Nev. 724, 731, 121 P.3d
9 1026, 1031 (2005).

10 15. When the nonmoving party bears the burden of persuasion at trial, as Plaintiff
11 does here, then the moving party may show an absence of a genuine issue of material fact by
12 either putting forth evidence that negates an essential element of the nonmoving party’s claim or
13 by pointing to the absence of evidence in support of the nonmoving party’s case. *Cuzze v.*
14 *University and Community College System of Nevada*, 123 Nev. 598, 602-603, 172 P.3d. 131
15 (2007), citing *Celotex*, 477 U.S. at 331.

16 16. To survive summary judgment, the nonmoving party must rely upon more than
17 general allegations and conclusions set forth in the pleadings and must present specific facts
18 demonstrating the existence of a genuine issue. *Boesiger v. Desert Appraisals*, 135 Nev. Adv.
19 Op. 25, p. 4 (2019), citing *Wood, supra*, 121 Nev. at 732, 121 P.3d at 1031 (internal quotations
20 omitted); *see also Matsushita Elec. Indus. Co. v. Zenith Radio Corp.*, 475 U.S. 574, 586 (1986)
21 (the nonmoving party bears the burden to do more than simply show that there is some
22 metaphysical doubt as to the operative facts in order to avoid summary judgment being entered
23 in the moving party’s favor.)

24 17. In accordance with NRCP 56 and the foregoing direction from the Nevada
25 Supreme Court, the Court has read and considered Defendant CCSD BOT’s Motion for
26 Summary Judgment along with all of the declarations and exhibits attached thereto.

1 **B. Breach of Contract.**

2 18. The elements of a breach of contract claim in Nevada are: 1) plaintiff and
3 defendant entered into a valid and existing contract; 2) plaintiff performed or was excused from
4 performance; 3) defendant breached the contract; and 4) plaintiff sustained damage as a result of
5 the breach. *Calloway v. City of Reno*, 116 Nev. 250, 993 P.2d 1259 (2000); *Saint v. Int'l Game*
6 *Tech*, 434 F. Supp. 2d 913, 919-20 (D. Nev. 2006).

7 19. When a contract is clear on its face, it will be construed from the written language
8 and enforced as written. *Ellison v. C.S.A.A.*, 106 Nev. 601, 603, 797 P.2d 975, 977 (1990);
9 *White Cap Indus., Inc. v. Ruppert*, 119 Nev. 126, 128, 67 P.3d 318, 319 (2003) (unambiguous
10 contracts are construed according to their plain language).

11 20. Plaintiff's Contract was between Plaintiff and the CCSD BOT.

12 21. By the written terms of the Contract, Plaintiff had no right to or expectation of
13 continued employment beyond the 2013-2014 school year. The non-renewal by the CCSD BOT
14 was contemplated by the Contract and was not in breach of its precise terms. The non-renewal
15 by the CCSD BOT was even in accordance with the requirements set forth in NRS 391.31216
16 (2013).

17 22. By the written terms of the Contract, Plaintiff's ability to submit a response to his
18 evaluations, did not postpone or delay the CCSD BOT's right not to renew his probationary
19 contract, as argued by Plaintiff. The non-renewal by the CCSD BOT was even in accordance
20 with the requirements set forth in NRS 391.31214 (2013).

21 23. The only temporal limitation as to when the CCSD BOT could notify a
22 probationary employee, like Plaintiff, of the decision not to renew their contract was provided
23 under Nevada law. In this respect, the law plainly and unambiguously stated:

24 The board shall notify each probationary employee *in writing on or before May 1*
25 *of the first, second and third school years of the employee's probationary period*,
26 as appropriate, whether the employee is to be reemployed for the second or third
27 year of the probationary period of for the fourth school year as a postprobationary
28 employee...

1 NRS 391.31216 (3) (2013) (Emphasis added); *see also*, *Clark County School Dist. v. Harris*, 913
2 P.2d 1268 (Nev. 1996) (per curiam) (explaining that because performance evaluations of annual
3 probationary employees must be conducted no later than December 1, February 1, and April 1 of
4 the school year, with a notice of reemployment to be sent by May 1, “this pattern reflects the
5 legislature’s intent to have the notice of reemployment issued after three performance
6 evaluations are completed.” The outer limit set forth in Nevada statute was satisfied in this case
7 seeing as Plaintiff was notified of his Contract non-renewal on April 28, 2014.

8 24. The Contract was governed by the Negotiated Agreement which stated at Article
9 14-2 that “Any written response by the employee to any written report, comment, reprimand, or
10 other document as provided for in Article 14-1 above shall also become a part of that employee’s
11 personnel file and shall remain a part of said file as long as the written report, comment,
12 reprimand, or other document responded to remains a part of the file.”

13 25. By the written terms of the Contract and Negotiated Agreement, Plaintiff’s ability
14 to submit a response to his evaluations did not change the evaluation—the response was to be
15 attached to the evaluation in the teacher’s personnel file. The Contract and Negotiated
16 Agreement were consistent with NRS 391.31214 (7) (2013) (“A copy of the evaluation and the
17 teacher’s response must be permanently attached to the teacher’s personnel file”).

18 26. The Contract was governed by the Negotiated Agreement which stated at Article
19 36-8-2 that that non-renewal of a probationary teacher’s contract “shall not be subject to a
20 hearing or arbitration under the provisions of this Article (36-8).”

21 27. The Contract was governed by the Negotiated Agreement which stated at Article
22 4-5(a) that a grievance must be filed no later than “thirty (30) days after the grievant first knew
23 of the act or condition upon which the grievance is based.”

24 28. The CCSD BOT’s decision not renew Plaintiff’s Contract was in conformity with
25 the Contract. The CCSD BOT has not committed a breach of contract with regard to Plaintiff’s
26 Contract.

1 **C. Breach of the Implied Covenant of Good Faith and Fair Dealing.**

2 29. Every contract imposes upon the contracting parties a duty of good faith and fair
3 dealing. *Hilton Hotels Corp. v. Butch Lewis Prods., Inc.*, 107 Nev. 226, 808 P.2d 919, 922-23
4 (1991). The covenant of good faith and fair dealing that exists in every Nevada contract forbids
5 arbitrary, unfair acts by one party to a contract that disadvantage the other. *Nelson v. Heer*, 123
6 Nev. 217, 226, 163 P.3d 420, 427 (2007).

7 30. A claim alleging breach of the implied covenant of good faith and fair dealing
8 cannot be based on the same conduct establishing a separately pled breach of contract claim. *Id.*;
9 *Shaw v. CitiMortgage, Inc.*, 201 F. Supp. 3d 1222, 1252 (D. Nev. 2016) (holding that the
10 defendant’s conduct that was a “direct and actual breach” of the subject contract could not
11 support the plaintiff’s implied-covenant claim).

12 31. Where there is no contractual duty to perform a specific act, the omission to
13 perform that act does not constitute an arbitrary or unfair act to the plaintiff’s disadvantage.
14 *Nelson v. Heer*, 123 Nev. 226, 163 P.3d 420 (2007).

15 32. To establish a contractual breach of the implied covenant of good faith and fair
16 dealing, a plaintiff must prove each of the elements of the claim: 1) plaintiff and defendant were
17 parties to a contract; 2) defendant owed a duty of good faith to plaintiff; 3) defendant breached
18 that duty by performing in a manner that was unfaithful to the purpose of the contract; and
19 4) plaintiff’s justified expectations were thus denied. *See Perry v. Jordan*, 111 Nev. 943, 900
20 P.2d 335 (1995).

21 33. Plaintiff’s Contract was between Plaintiff and the CCSD BOT.

22 34. Plaintiff’s claim of breach of the implied covenant of good faith and fair dealing
23 is based on the same act as the breach of contract claim—the CCSD BOT’s decision to non-
24 renew Plaintiff’s Contract before Plaintiff submitted a response to his third evaluation. The
25 action giving rise to Plaintiff’s breach of contract claim against CCSD BOT cannot also give rise
26 to Plaintiff’s breach of the implied covenant of good faith and fair dealing claim against CCSD
27 BOT.
28

1 35. Even if it could, CCSD BOT's actions were consistent with the Negotiated
2 Agreement governing the Contract and faithful to the purpose of the Contract. By the written
3 terms of the Contract, the CCSD BOT's non-renewal of Plaintiff was contemplated by the
4 Contract and was not in breach of its precise terms. The CCSD BOT's non-renewal of Plaintiff
5 was even in accordance with the requirements set forth in NRS 391.31216 (2013) and NRS
6 391.31214 (2013).

7 36. By the very written terms of the Contract, Plaintiff had no justified expectation in
8 renewal of the Contract or to have the non-renewal decision postponed or delayed pending
9 Plaintiff's response to his third evaluation. Neither the Contract nor the Negotiated Agreement
10 gave rise to an evaluation process wherein the CCSD BOT had to wait for Plaintiff's response to
11 his third evaluation before determining whether to renew his Contract.

12 37. Defendant CCSD BOT has not committed a breach of the covenant of good faith
13 and fair dealing with regard to Plaintiff's Contract.

14 **D. The Negotiated Agreement Provides the Exclusive Remedy for Plaintiff's**
15 **Contract-Based Claims to the Extent Based on the Terms of the Negotiated**
16 **Agreement.**

17 38. Plaintiff's employment with CCSD was governed by NRS Chapter 288 and
18 covered by the Negotiated Agreement. NRS Chapter 288 is "intended to apply similar
19 principles" as recognized by federal labor laws. *Truckee Meadows Fire Protection District v.*
20 *International Ass'n of Firefighters, Local 2487*, 109 Nev. 367, 374, 849 P.2d 343 (1993).

21 39. The Negotiated Agreement, as the collective bargaining agreement governing
22 Plaintiff's employment, provides the "uniform and exclusive method for orderly settlement of
23 employee grievance." *Republic Steel Corp. v. Maddox*, 379 U.S. 650, 653 (1952). ("If a
24 grievance procedure cannot be made exclusive, it loses much of its desirability as a method of
25 settlement. A rule creating such a situation would inevitably exert a disruptive influence upon
26 both the negotiation and administration of collective agreements."); *see also* NRS 288.150(o)
27 (identifying that a mandatory subject of collective bargaining includes "grievance and arbitration
28 procedures for resolution of disputes relating to interpretation or application of collective
bargaining agreements").

1 40. An employee covered by a collective bargaining agreement may not challenge his
2 employment status through state law claims which would require interpretation of the collective
3 bargaining agreement. *MGM Grand Hotel-Reno, Inc. v. Insley*, 102 Nev. 513, 517, 728 P.2d 821
4 (1986) (citing *Allis Chalmers v. Lueck*, 471 U.S. 202 (1985)) (alleged breach of implied covenant
5 of good faith and fair dealing arising from collective bargaining agreement claim legally
6 insufficient). The rule applies to claims “which would require the court to interpret the meaning
7 and scope of a term” of the collective bargaining agreement. *MGM Grand Hotel-Reno, Inc. v.*
8 *Insley*, supra, 102 Nev. at 517.

9 41. Plaintiff’s claim against Defendant CCSD BOT is a result of his dissatisfaction
10 with Defendant CCSD BOT’s interpretation and/or application of the Negotiated Agreement, to
11 Plaintiff’s Grievance. Plaintiff’s Grievance, whether as to his evaluations, the ability to respond
12 to those evaluations, or the timeline to respond to the evaluations as against the non-renewal
13 decision, is governed by the Negotiated Agreement.

14 42. Plaintiff’s suit against Defendant CCSD BOT seeks this Court’s interpretation of
15 the Contract as governed by the Negotiated Agreement, and in pertinent part, Defendant CCSD
16 BOT’s compliance therewith.

17 43. The Negotiated Agreement governing Plaintiff’s employment with the CCSD
18 BOT provides the exclusive remedy for challenging disputes which arise regarding an
19 interpretation, application or alleged violation of any of the provisions of the Negotiated
20 Agreement.

21 44. Therefore, Plaintiff’s contract-based claims are preempted by the Negotiated
22 Agreement and Defendant CCSD BOT is entitled to summary judgment thereon.

23 **E. Plaintiff Did Not Exhaust Administrative Remedies under NRS 288.110(2)**
24 **and NRS 288.280.**

25 45. The Employment Management Relations Board (EMRB) was created to oversee
26 the implementation of Chapter 288 of Nevada Revised Statutes, and to relieve a burden on the
27 courts. *Rosequist v. Int’l Ass’n of Firefighters*, 118 Nev. 444, 450-51, 49 P.3d 651, 655 (2002)
28 (abrogated on other grounds by *Allstate Ins. Co. v. Thorpe*, 123 Nev. 565, 573 n. 22, 170 P.3d

1 989, 995 n. 22 (2007); *also abrogated in part by City of Henderson v. Kilgore*, 122 Nev. 331,
2 336 n. 10, 131 P.3d 11, 15 n. 10 (2006)); *see also* Hearing on S.B. 87 Before the Senate Comm.
3 on Federal, State and Local Governments, 55th Leg. (Nev., Feb. 25, 1969).

4 46. “Once the Employee-Management Relations Act applies to a complaint, the
5 remedies provided under the Act and before the [EMRB] must be exhausted before the district
6 court [may hear the action].” *Rosequist* at 450-51, 655.

7 47. A claim of breach of contract based on the Negotiated Agreement must be heard
8 by the EMRB to the extent that Plaintiff is contending he was prohibited from utilizing the
9 grievance and arbitration process in the Negotiated Agreement. *City of Mesquite v. Eighth*
10 *Judicial Dist. Court*, 135 Nev. 240, 243, 445 P.3d 1244, 1248 (2019).

11 48. Therefore, any attempt by Plaintiff to bring an action against the CCSD BOT for
12 breach of the Negotiated Agreement fails because there is no evidence to support Plaintiff
13 exhausted his administrative remedies before the EMRB.

14 **IV. Plaintiff’s Objections to and Motion To Strike Defendant CCSD BOT’s**
15 **Declarations in Support of its Motion For Summary Judgment**

16 49. NRCP 56(c)(1) provides that a party may support a motion for summary judgment
17 by “citing to particular parts of materials in the record, including . . . documents . . . affidavits or
18 declarations . . . or other materials.”

19 50. Affidavits or declarations must be based on personal knowledge, a competent
20 declarant or affiant, and present admissible facts. NRCP 56(c)(4).

21 51. Plaintiff improperly takes issue with the declarations attached to Defendant CCSD
22 BOT’s Motion for Summary Judgment on the basis that the declarants were not competent,
23 lacked personal knowledge, and/or made a typographical error.

24 52. The Declarations, made under penalty of perjury, set forth the basis of the
25 declarant’s respective knowledge of the facts stated therein, attesting to CCSD documents
26 referenced therein – documents which authenticity has not been challenged by Plaintiff (NRCP
27 16.1(a)(3)(B)(ii)(b))—, and constitutes testimony to be offered by the declarants at the time of
28 trial. The Declarations were made based on personal knowledge, attest to matters which the

1 declarants are competent to testify as stated in the Declarations, and attest to the truth and
2 accuracy of the statements contained therein. *See* NRCp 55(c)(4), and NRS 50.015 ([e]very
3 person is competent to be a witness except as otherwise provided in this title).

4 53. The Declarations sufficiently comply with the requirements of NRCp 56(c)(1)
5 and (c)(4), and Plaintiff's Objections to and Motion to Strike the Declarations is denied.

6 **V. Defendant CCSD BOT's Countermotion to Extend the Dispositive Motion Deadline.**

7 54. At the time Defendant CCSD BOT's Motion for Summary Judgment was filed,
8 the Arbitration hearing was scheduled for July 28, 2021.

9 55. NAR 4(E) provides for dispositive motions to be filed 45 days in advance of an
10 arbitration hearing date.

11 56. All parties filed their motions for summary judgment on Monday, June 14, 2021,
12 including Plaintiff. Plaintiff's motions to strike Defendants' motions for summary judgment
13 asserts motions for summary judgment were due pursuant to NAR(E) on Friday, June 11 – a
14 difference of a single judicial day. The CCSD BOT's countermotion, joined by Defendant
15 Goldman, to extend the time for filing dispositive motions by the single judicial day to Monday,
16 June 14, 2021, was both in good faith and reasonable in light of Plaintiff's own filing on June 14,
17 2021.

18 57. Further, the Arbitration hearing was subsequently moved by Stipulation of the
19 parties first to August 25, 2021, and then to October 6, 2021. The change in the Arbitration
20 hearing date resulted in Defendant CCSD BOT's Motion having been filed more than the 45
21 days allotted by NAR 4(E) for submission and consideration of dispositive motions in advance of
22 the arbitration hearing.

23 58. Defendant CCSD BOT's request, joined by Defendant Goldman, for an extension
24 of time to extend the dispositive motion deadline calendared from the July 28, 2021 Arbitration
25 hearing is, therefore, without prejudice to Plaintiff – the original 45 day deadline was mooted by
26 the extension of the Arbitration hearing date and by Defendants' non-opposition to the extension
27 of time sought by Plaintiff to oppose Defendants' motions for summary judgment.
28

1 **VI. Plaintiff's Motion for Partial Summary Judgment.**

2 59. Plaintiff filed a Motion for Partial Summary Judgment as to CCSD BOT and
3 subsequently sought to withdraw his motion.

4 60. Plaintiff's request to withdraw his Motion for Partial Summary Judgment is
5 granted.

6 If any of the foregoing Conclusions of Law is deemed more appropriately categorized as
7 a Finding of Fact, it shall be so treated.

8 **NOW, THEREFORE, IT IS HEREBY ORDERED THAT:**

9 Plaintiff's Motion to Strike Defendant CCSD BOT's Motion for Summary Judgment is
10 DENIED;

11 Defendant CCSD BOT's Countermotion to Extend the Dispositive Motion Deadline is
12 DENIED as moot;

13 Plaintiff's Motion to Extend the Time to Oppose CCSD BOT's Motion for Summary
14 Judgment is GRANTED;

15 Plaintiff's Objections to and Motion To Strike Defendant CCSD BOT's Declarations in
16 Support of Defendant CCSD BOT's Motion For Summary Judgment, is DENIED;

17 Defendant CCSD BOT's Motion for Summary Judgment and Defendant Goldman's
18 Joinder thereto are GRANTED on their merits; and

LETTER TO BOT on 10/14/21

Greetings, Attorney Herrera. I object to the inclusion of the paragraph below. It should be removed. The Court did not use language anywhere close to these words during the hearing.

Page 11: Paragraph 17

17. In accordance with NRCP 56 and the foregoing direction from the Nevada Supreme Court, the Court has read and considered Defendant's Motion for Summary Judgment along with all of the exhibits attached thereto, . . .

Page 18, Revised Order 3rd version. Line 15. There is some confusion with respect to the expression:

"objections to" in the context of the Motion to Strike the Declarations.

Page 18 of The Revised Order, Line 15.

The expression "Objections to and" should be removed only on this Page 18 where the explicit "ORDER" of the Court appears. The Court never mentioned "objections."

You had responded to the suggestion as follows:

BOT RESPONSE: I will remove the references to "Objections to" with the exception of Paragraph 25 on page 6.

I had requested removal of the expression only in the ORDER PART, where it says :It is Ordered . . . " and lists a number of items. I referred to only this part of the "Proposed Order" as "Order Part". The rest set up the background and argument for the "ORDER".

So, I request that you put back "objections to" wherever "motion to strike declarations" appear and remove it from the concluding part, which I had referred to as "ORDER". It was so before in the 2nd Revised Order.

+++++

Attorney Barker had mentioned the advice given by the Judicial Executive Assistant to the Honorable Judge Joe Hardy. I assume that the same is applicable to your “Proposed” ORDER. You may attach this letter to the Proposed Order and submit it to the Court. I am, of course, open to further discussion.

May I request you to include in your letter to the Executive Assistant the following: I have communicated the same to you before.

- (1) In spite of your answer to the issue of two separate orders, I am worried that the proposed Order does not comply with the Court’s Minutes, which states clearly on Page 3 the following. (Please see top of Page 3 of minutes):

Ms. Herrera to prepare the written Order regarding the Motions to Strike, as well as the Motions / Joinder for Summary Judgment, including Findings of Fact, Conclusions of Law, and forward it to Ms. Barker and Mr. Viswanathan for approval as to form and content.

It seems to me that the Court wants all motions to be consolidated and prepare a single order incorporating all findings and decisions. In my understanding, no separate order for Dr. Goldman’s case was contemplated. I have raised this issue before.

- (2) There is too much of repetition without justification for the same. On the other hand, it adds weight to some arguments. For example, your concession of extending the time to file a response to your motion for summary judgment.
- (3) Secondly, the proposed Order is a verbatim adaptation of BOT’S Papers, among which are Your RESPONSE and OPPOSITION to Plaintiff’s Objections to and Motion to strike the Declarations in Support of Defendants Motion for Summary Judgment, and BOT’S MOTION for Summary Judgment. I object to the verbatim adaptation. There are additions as pointed out via insertion of Paragraph 17, for example.
- (4) Thirdly, I have other objections I have transmitted to you before. In particular, the question of mootness was raised for the first time during the hearing of August 25, 2021 in the context of Defendant BOT’S Countermotion for extending the time to file a dispositive motion. (Minutes, P.2, Line 6). Plaintiff raised the issue of exemptions to the Doctrine of Mootness (*Valdez-Jimenez v. Eighth Judicial Dist. Court*, 460 P.3d 976 (Nev. 2020)). But the Court did not deal with it. It is the Court which applied the question of mootness to the Motions for Summary Judgment.
- (5) The Court never used the word “merits” and your proposed order uses the word as the concluding word of the Order in the portion granting MSJD.
- (6) The court summarily rejected plaintiff’s objections to and the motion to strike the declarations of BOT attached to the MSJD, even though they constitute a form of opposition to the motion for summary judgment and was filed on the date (07/06/2021) for which plaintiff had requested an extension of time to respond in opposition to the Defendant’s Motion for Summary Judgment. Plaintiff’s argument during the hearing was that BOT’s MSJD did not meet the “threshold conditions” of Rule 56(c)(B)(2) and (4) on “Declarations”. This argument made in the hearing is not included in the proposed order. On that basis plaintiff objected to the Declarations submitted by BOT. Without the

Declarations of Houghton and of Markouzis , Defendant BOT'S Motion for Summary judgment has no basis and no merit.

FINDINGS OF FACT

I. Plaintiff's Employment by the CCSD BOT

1. For the 2013-2014 school year, Plaintiff was employed by the CCSD BOT as a probationary teacher, pursuant to a Probationary Teaching Contract (Contract). The Contract contained a written provision stating that: "Probationary employees agree that they are employed only on an annual basis and that they have *no right to employment after the last day of the school year specified in this Contract* specified in writing." (Emphasis added.)

2. In 2013-2014, CCSD teacher contracts were governed by a Negotiated Agreement between the CCSD and the Clark County Education Association (Negotiated Agreement.), of which Plaintiff was a member. Article 36-8-2 of the Negotiated Agreement stated non-renewal of a probationary teacher's contract "shall not be subject to a hearing or arbitration under the provisions of this Article (36-8)."

3. For the 2013-2014 school year, Plaintiff's teaching performance was evaluated by way of three evaluations issued on November 25, 2013, January 30, 2014, and April 1, 2014, respectively.

4. Article 14-2 of the Negotiated Agreement provided:

Any written response by the employee to any written report, comment, reprimand, or other document as provided for in Article 14-1 above shall also become a part of that employee's personnel file and shall remain a part of said file as long as the written report, comment, reprimand, or other document responded to remains a part of the file.

5. Plaintiff's second and third evaluations rated Plaintiff's overall teaching performance as not satisfactory and in each evaluation Plaintiff was advised that his performance

1 needed to improve and that his teaching contract may not be renewed for the subsequent school
2 year.

3 6. During the 2013-2014 school year, Plaintiff also received two disciplinary
4 documents concerning performance deficiencies– an Oral Warning dated January 24, 2014, and a
5 Written Warning dated March 24, 2014.

6 7. Based on observations and other evidence stated in his evaluations and related
7 discipline, CCSD administration recommended to the CCSD BOT that Plaintiff's contract not be
8 renewed for the 2014-2015 school year.

9 8. On April 10, 2014, the CCSD BOT approved a resolution declining to offer
10 Plaintiff a teaching contract for the 2014-2015 school year.

11 9. On April 28, 2014, Plaintiff was given written Notice of Non-Reemployment of
12 Probationary Employee. The Notice, dated April 25, 2014, stated that Plaintiff's Contract would
13 not be renewed for the coming school year.

14 10. On May 28, 2014, after his receipt of the Notice of Non-Renewal, Plaintiff
15 forwarded a Grievance to CCSD's Employee Management Relations Department. The
16 Grievance challenged the CCSD BOT's non-renewal decision.

17 11. Article 4-1 of the Negotiated Agreement provided:

18 A grievance is defined as any dispute which arises regarding an interpretation,
19 application or alleged violation of any of the provision of this Agreement.

20 12. Plaintiff did not submit a written grievance to any of his three evaluations before
21 he submitted a Grievance on May 28, 2014, on the non-renewal decision by the CCSD BOT.

22 13. Article 4-5(a) of the Negotiated Agreement provided:

23 If the grievance is not resolved at Step One, the grievant may submit in writing
24 the unresolved grievance to the Associate Superintendent, Human Resources
25 Division, or the Superintendent's designee not later than thirty (30) days after the
grievant first knew of the act or condition upon which the grievance is based.

26 14. On August 1, 2014, Defendant Edward Goldman responded to Plaintiff's
27 Grievance. Defendant Goldman's correspondence told Plaintiff that to the extent this Grievance
28 was attempting to grieve Plaintiff's January 30, 2014, and April 1, 2014 performance

1 evaluations, the Grievance was untimely pursuant to Article 4-5(a) of the Negotiated Agreement
2 which required that a grievance be filed not later than “thirty (30) days after the grievant first
3 knew of the act or condition upon which the grievance is based.” To the extent Plaintiff sought
4 to contest his second and third evaluations, the Grievance was not submitted within 30 days of
5 each evaluation and could not, therefore, be considered.

6 15. The CCSD BOT’s decision not to renew Plaintiff’s Contract was not grievable
7 pursuant to the terms of the Negotiated Agreement and/or Nevada statute.

8 **II. Procedural Progress of This Litigation**

9 16. On May 11, 2020, slightly over six years after the non-renewal of Plaintiff’s
10 probationary teaching contract, Plaintiff filed the Complaint initiating this litigation. (Doc ID
11 #1.) On August 4, 2020, Plaintiff filed an Amended Complaint. (Doc ID #6). As to Defendant
12 CCSD BOT, Plaintiff contended its decision to non-renew Plaintiff’s Contract was premature
13 because the CCSD BOT did not grant him time to respond to his third evaluation.

14 17. Defendant CCSD BOT filed a Motion to Dismiss on August 27, 2020. (Doc ID
15 #18). Plaintiff opposed the motion on September 14, 2020 (Doc ID #25), and Defendant CCSD
16 BOT Replied to the opposition on October 12, 2020. (Doc ID #44).

17 18. On November 2, 2020, the Court granted in part, and denied in part, Defendant
18 CCSD BOT’s Motion to Dismiss (Doc ID #49), leaving two remaining claims for relief against
19 Defendant CCSD BOT:

20 (1) Breach of Contract, and

21 (2) Breach of the Covenant of Good Faith and Fair Dealing.

22 19. On January 7, 2021, no Request for Exemption from Arbitration having been
23 filed, the Court’s Alternative Dispute Resolution office appointed an Arbitrator to hear this
24 matter. (Doc ID #71).

25 20. After the close of discovery, Defendant Goldman and Defendant CCSD BOT
26 filed separate motions for summary judgment on June 14, 2021. (Doc ID #86 and #87.)
27 Defendant Goldman joined in the CCSD BOT Motion for Summary Judgment on June 15, 2021.
28 (Doc ID #93). Plaintiff did not file opposition to either motion for summary judgment.

1 21. On June 14, 2021, Plaintiff filed a Motion for Partial Summary Judgment as to the
2 CCSD BOT, (Doc ID #88), and on June 20, 2021, Plaintiff sought a withdrawal of the motion.
3 (Doc ID #94 and #95). CCSD BOT opposed Plaintiff's Motion for Partial Summary Judgment
4 on June 25, 2021. (Doc ID #100).

5 22. As of June 14, 2021, the date all parties' motions for summary judgment were
6 filed, the Arbitration hearing was scheduled for July 28, 2021. (Doc ID #82).

7 23. On June 21, 2021, Plaintiff filed a Motion to Strike Defendant Goldman's Motion
8 for Summary Judgment (Doc ID #96), and on that same day filed a Motion to Strike the CCSD
9 BOT Motion for Summary Judgment. (Doc ID #96). Defendant CCSD BOT filed an
10 Opposition to Plaintiff's Motion to Strike its Motion for Summary Judgment and Countermotion
11 to Extend the Dispositive Motion Deadline, on June 25, 2021 (Doc ID #101). Defendant
12 Goldman joined in the Opposition and Countermotion, on June 29, 2021. (Doc ID #106).
13 Plaintiff's replies were filed on July 20, 2021. (Doc ID #123 and #124.).

14 24. On June 28, 2021, Plaintiff filed a Motion for Order Extending Time, seeking a
15 seven-day extension of time to file and serve opposition to both Defendants' Motions for
16 Summary Judgment. (Doc ID #102). Both Defendant Goldman and Defendant CCSD BOT
17 filed notices of Non-Opposition to Plaintiff's requested extension of time. (Doc ID #105 and
18 #119).

19 25. On July 6, 2021, Plaintiff filed Objections to and Motion to Strike all of parts of
20 the Declarations in support of Defendant CCSD BOT's Motion for Summary Judgment and an
21 amendment thereto on July 12, 2021. (Doc ID #109 and #117). Defendant CCSD BOT opposed
22 the motion on July 21, 2021 (Doc ID #125).

23 26. On July 9, 2020, Plaintiff filed an Opposition to the CCSD BOT Countermotion
24 to Extend the Dispositive Motion Deadline and to Defendant Goldman's Joinder in that
25 Countermotion. (Doc ID #115).

26 27. The foregoing Motions were initially calendared for hearing on multiple dates –
27 July 26, July 28, and August 9, 2021. On July 13, 2021, the parties stipulated to consolidate
28

1 hearing of the motions, and an Order was entered consolidating hearings for all motions to July
2 28, 2021. (Doc ID #120).

3 28. On July 13, 2021, the Arbitrator entered an order continuing the Arbitration
4 hearing from July 28, 2021, to August 27, 2021. (Doc ID #121).

5 29. On July 26, 2021, the Court reset the consolidated hearings to be heard on August
6 18, 2021.

7 30. On August 13, 2021, the Arbitrator again entered an Order extending the
8 Arbitration, resetting the hearing to October 6, 2021. (Doc ID #129).

9 31. On August 5, 2021, upon stipulation of the parties, the consolidated hearing was
10 re-scheduled to August 25, 2021. (Doc ID #127).

11 32. On August 25, 2021, the Court heard and considered all pending motions in this
12 matter, as set forth hereinabove.

13 33. As of the August 25, 2021 hearing on the motions for summary judgment,
14 Plaintiff had filed no Opposition to Defendant CCSD BOT's Motion for Summary Judgment,
15 even after seeking an extension of time to serve and file an opposition, with notice of non-
16 opposition to the extension having been filed by Defendant Goldman and by Defendant CCSD
17 BOT.

18 34. Plaintiff stated at oral argument that his intent was to strike the motions for
19 summary judgment as untimely and to strike the Declarations in support thereof; then, if
20 Plaintiff's Motions to Strike were denied, to thereafter file oppositions.

21 35. Plaintiff presented oral argument after the Court's ruling which was considered.

22 If any of the foregoing Findings of Fact is deemed more appropriately categorized as a
23 Conclusion of Law, it shall be so treated.

24 CONCLUSIONS OF LAW

25 1. Plaintiff, as a pro se litigant must comply with the Rules of Civil Procedure.
26 *Rodriguez v. Fiesta Palms*, 134 Nev. 654, 659, 428 P.3d 255, 258-59 (2018) ("a pro se litigant
27 cannot use his alleged ignorance as a shield to protect him from the consequences of failing to
28 comply with basic procedural requirements").

2. Public policy favors disposition on the merits of a case. *Huckabay Props., Inc. v. NC Auto Parts, LLC*, 322 P.3d 429, 433-34, 130 Nev. Adv. Op. 23 (2014).

I. Plaintiff's Motion To Extend the Time to Oppose Defendant CCSD BOT's Motion For Summary Judgment.

3. Plaintiff's Motion sought a seven (7) day extension of time to oppose Defendant CCSD BOT's Motion for Summary Judgment, Defendant Goldman's Joinder thereto, and Defendant Goldman's Motion for Summary Judgment pursuant to NRCP 6(b) and based on his personal circumstances.

4. Based on good cause shown and Defendants' filed non-oppositions, Plaintiff's request for additional time to oppose Defendants CCSD BOT's Motion for Summary Judgment and the corresponding Joinder, up to and including July 6, 2021, is appropriate.

II. Plaintiff's Motion To Strike Defendant CCSD BOT's Motion For Summary Judgment.

5. Plaintiff's Motion to Strike Defendant CCSD BOT's Motion for Summary Judgment is predicated on an asserted late filing of the summary judgment motion pursuant to NAR 4(E), which provides that dispositive motions be filed 45 days before an arbitration hearing. As applied to the July 28, 2021 Arbitration hearing in this matter, the filing date fell on June 13, 2021 – a Sunday. All parties, including Plaintiff, filed their summary judgment motions on June 14, 2021, the immediately following Monday. Plaintiff asserts that the motions were more appropriately due on the immediately preceding Friday – a difference of a single judicial day.

6. The Rules of Civil Procedure “should be construed, administered, and employed by the court and the parties to secure the just, speedy, and inexpensive determination of every action and proceeding.” NRCP 1.

7. Plaintiff's Motion for Partial Summary Judgment was filed the same date as Defendant CCSD BOT's Motion for Summary Judgment. Plaintiff calculated the deadline for the Motions for Summary Judgment the same as the Defendants and, therefore, it was disingenuous for the Plaintiff to seek a withdrawal of his Motion for Partial Summary Judgment

1 so that he could then argue that Defendants' Motions for Summary Judgment, including
2 Defendant CCSD BOT's Motion, were untimely.

3 8. Plaintiff's Motion to Strike Defendant CCSD BOT's Motion for Summary
4 Judgment is not properly brought under NRCP 12 which governs submission of motions
5 regarding the pleadings as set forth therein. It does not govern response to a summary judgment
6 motion brought pursuant to NRCP 56. NRCP 12 does not provide a procedural vehicle to strike
7 a motion for summary judgment, timely or otherwise.

8 9. The timing of the filing of Defendant CCSD BOT's Motion for Summary
9 Judgment caused no prejudice to Plaintiff as Plaintiff has had ample opportunity to oppose the
10 Motion. Defendant CCSD BOT did not oppose Plaintiff's request for an extension of time to
11 respond to the Motion, and the Motion did not come on for hearing until approximately ten
12 weeks after the Motion for Summary Judgment was filed.

13 10. At the time Defendant CCSD BOT's Motion for Summary Judgment was filed,
14 the Arbitration hearing was scheduled for July 28, 2021. It was subsequently moved by
15 Stipulation of the parties first to August 25, 2021, and then to October 6, 2021, resulting in the
16 Motion having been filed more than the 45 days allotted by NAR 4 for submission. The
17 argument that Defendant CCSD BOT's Motion for Summary Judgment was untimely pursuant to
18 NAR 4(E) is, therefore, mooted by the extension of the arbitration hearing date.

19 11. Plaintiff received full and fair notice of Defendant CCSD BOT's Motion for
20 Summary Judgment, more than 45 days before an arbitration hearing in this matter and was
21 given full and fair opportunity to oppose the Motion and to be heard in opposition.

22 12. There is no legal authority cited by Plaintiff which would justify striking
23 Defendant CCSD BOT's Motion for Summary judgment in the circumstances presented.

24 **III. CCSD BOT's Motion For Summary Judgment**

25 **A. Standard for Summary Judgment.**

26 13. Summary judgment is appropriate and shall be granted if the movant shows that
27 there is no genuine issue as to any material fact and the movant is entitled to a judgment as a
28 matter of law. NRCP 56. Summary judgment is a procedural tool by which "factually

1 insufficient claims or defenses [may] be isolated and prevented from going to trial with the
2 attendant unwarranted consumption of public and private resources.” *Boesiger v. Desert*
3 *Appraisals*, 135 Nev. Adv. Op. 25, p. 4 (2019), quoting *Celotex Corp v. Catrett*, 477 U.S. 317,
4 327 (1986).

5 14. Summary judgment is appropriate under NRCP 56 when the pleadings,
6 depositions, answers to interrogatories, admissions, and affidavits, if any, that are properly
7 before the court demonstrate that no genuine issue of material fact exists, and the moving party is
8 entitled to judgment as a matter of law. *Wood v. Safeway, Inc.*, 121 Nev. 724, 731, 121 P.3d
9 1026, 1031 (2005).

10 15. When the nonmoving party bears the burden of persuasion at trial, as Plaintiff
11 does here, then the moving party may show an absence of a genuine issue of material fact by
12 either putting forth evidence that negates an essential element of the nonmoving party’s claim or
13 by pointing to the absence of evidence in support of the nonmoving party’s case. *Cuzze v.*
14 *University and Community College System of Nevada*, 123 Nev. 598, 602-603, 172 P.3d. 131
15 (2007), citing *Celotex*, 477 U.S. at 331.

16 16. To survive summary judgment, the nonmoving party must rely upon more than
17 general allegations and conclusions set forth in the pleadings and must present specific facts
18 demonstrating the existence of a genuine issue. *Boesiger v. Desert Appraisals*, 135 Nev. Adv.
19 Op. 25, p. 4 (2019), citing *Wood, supra*, 121 Nev. at 732, 121 P.3d at 1031 (internal quotations
20 omitted); *see also Matsushita Elec. Indus. Co. v. Zenith Radio Corp.*, 475 U.S. 574, 586 (1986)
21 (the nonmoving party bears the burden to do more than simply show that there is some
22 metaphysical doubt as to the operative facts in order to avoid summary judgment being entered
23 in the moving party’s favor.)

24 17. In accordance with NRCP 56 and the foregoing direction from the Nevada
25 Supreme Court, the Court has read and considered Defendant CCSD BOT’s Motion for
26 Summary Judgment along with all of the declarations and exhibits attached thereto.

1 **B. Breach of Contract.**

2 18. The elements of a breach of contract claim in Nevada are: 1) plaintiff and
3 defendant entered into a valid and existing contract; 2) plaintiff performed or was excused from
4 performance; 3) defendant breached the contract; and 4) plaintiff sustained damage as a result of
5 the breach. *Calloway v. City of Reno*, 116 Nev. 250, 993 P.2d 1259 (2000); *Saint v. Int'l Game*
6 *Tech*, 434 F. Supp. 2d 913, 919-20 (D. Nev. 2006).

7 19. When a contract is clear on its face, it will be construed from the written language
8 and enforced as written. *Ellison v. C.S.A.A.*, 106 Nev. 601, 603, 797 P.2d 975, 977 (1990);
9 *White Cap Indus., Inc. v. Ruppert*, 119 Nev. 126, 128, 67 P.3d 318, 319 (2003) (unambiguous
10 contracts are construed according to their plain language).

11 20. Plaintiff's Contract was between Plaintiff and the CCSD BOT.

12 21. By the written terms of the Contract, Plaintiff had no right to or expectation of
13 continued employment beyond the 2013-2014 school year. The non-renewal by the CCSD BOT
14 was contemplated by the Contract and was not in breach of its precise terms. The non-renewal
15 by the CCSD BOT was even in accordance with the requirements set forth in NRS 391.31216
16 (2013).

17 22. By the written terms of the Contract, Plaintiff's ability to submit a response to his
18 evaluations, did not postpone or delay the CCSD BOT's right not to renew his probationary
19 contract, as argued by Plaintiff. The non-renewal by the CCSD BOT was even in accordance
20 with the requirements set forth in NRS 391.31214 (2013).

21 23. The only temporal limitation as to when the CCSD BOT could notify a
22 probationary employee, like Plaintiff, of the decision not to renew their contract was provided
23 under Nevada law. In this respect, the law plainly and unambiguously stated:

24 The board shall notify each probationary employee *in writing on or before May 1*
25 *of the first, second and third school years of the employee's probationary period*,
26 as appropriate, whether the employee is to be reemployed for the second or third
27 year of the probationary period of for the fourth school year as a postprobationary
28 employee...

1 NRS 391.31216 (3) (2013) (Emphasis added); *see also*, *Clark County School Dist. v. Harris*, 913
2 P.2d 1268 (Nev. 1996) (per curiam) (explaining that because performance evaluations of annual
3 probationary employees must be conducted no later than December 1, February 1, and April 1 of
4 the school year, with a notice of reemployment to be sent by May 1, “this pattern reflects the
5 legislature’s intent to have the notice of reemployment issued after three performance
6 evaluations are completed.” The outer limit set forth in Nevada statute was satisfied in this case
7 seeing as Plaintiff was notified of his Contract non-renewal on April 28, 2014.

8 24. The Contract was governed by the Negotiated Agreement which stated at Article
9 14-2 that “Any written response by the employee to any written report, comment, reprimand, or
10 other document as provided for in Article 14-1 above shall also become a part of that employee’s
11 personnel file and shall remain a part of said file as long as the written report, comment,
12 reprimand, or other document responded to remains a part of the file.”

13 25. By the written terms of the Contract and Negotiated Agreement, Plaintiff’s ability
14 to submit a response to his evaluations did not change the evaluation—the response was to be
15 attached to the evaluation in the teacher’s personnel file. The Contract and Negotiated
16 Agreement were consistent with NRS 391.31214 (7) (2013) (“A copy of the evaluation and the
17 teacher’s response must be permanently attached to the teacher’s personnel file”).

18 26. The Contract was governed by the Negotiated Agreement which stated at Article
19 36-8-2 that that non-renewal of a probationary teacher’s contract “shall not be subject to a
20 hearing or arbitration under the provisions of this Article (36-8).”

21 27. The Contract was governed by the Negotiated Agreement which stated at Article
22 4-5(a) that a grievance must be filed no later than “thirty (30) days after the grievant first knew
23 of the act or condition upon which the grievance is based.”

24 28. The CCSD BOT’s decision not renew Plaintiff’s Contract was in conformity with
25 the Contract. The CCSD BOT has not committed a breach of contract with regard to Plaintiff’s
26 Contract.

1 **C. Breach of the Implied Covenant of Good Faith and Fair Dealing.**

2 29. Every contract imposes upon the contracting parties a duty of good faith and fair
3 dealing. *Hilton Hotels Corp. v. Butch Lewis Prods., Inc.*, 107 Nev. 226, 808 P.2d 919, 922-23
4 (1991). The covenant of good faith and fair dealing that exists in every Nevada contract forbids
5 arbitrary, unfair acts by one party to a contract that disadvantage the other. *Nelson v. Heer*, 123
6 Nev. 217, 226, 163 P.3d 420, 427 (2007).

7 30. A claim alleging breach of the implied covenant of good faith and fair dealing
8 cannot be based on the same conduct establishing a separately pled breach of contract claim. *Id.*;
9 *Shaw v. CitiMortgage, Inc.*, 201 F. Supp. 3d 1222, 1252 (D. Nev. 2016) (holding that the
10 defendant’s conduct that was a “direct and actual breach” of the subject contract could not
11 support the plaintiff’s implied-covenant claim).

12 31. Where there is no contractual duty to perform a specific act, the omission to
13 perform that act does not constitute an arbitrary or unfair act to the plaintiff’s disadvantage.
14 *Nelson v. Heer*, 123 Nev. 226, 163 P.3d 420 (2007).

15 32. To establish a contractual breach of the implied covenant of good faith and fair
16 dealing, a plaintiff must prove each of the elements of the claim: 1) plaintiff and defendant were
17 parties to a contract; 2) defendant owed a duty of good faith to plaintiff; 3) defendant breached
18 that duty by performing in a manner that was unfaithful to the purpose of the contract; and
19 4) plaintiff’s justified expectations were thus denied. *See Perry v. Jordan*, 111 Nev. 943, 900
20 P.2d 335 (1995).

21 33. Plaintiff’s Contract was between Plaintiff and the CCSD BOT.

22 34. Plaintiff’s claim of breach of the implied covenant of good faith and fair dealing
23 is based on the same act as the breach of contract claim—the CCSD BOT’s decision to non-
24 renew Plaintiff’s Contract before Plaintiff submitted a response to his third evaluation. The
25 action giving rise to Plaintiff’s breach of contract claim against CCSD BOT cannot also give rise
26 to Plaintiff’s breach of the implied covenant of good faith and fair dealing claim against CCSD
27 BOT.
28

1 35. Even if it could, CCSD BOT's actions were consistent with the Negotiated
2 Agreement governing the Contract and faithful to the purpose of the Contract. By the written
3 terms of the Contract, the CCSD BOT's non-renewal of Plaintiff was contemplated by the
4 Contract and was not in breach of its precise terms. The CCSD BOT's non-renewal of Plaintiff
5 was even in accordance with the requirements set forth in NRS 391.31216 (2013) and NRS
6 391.31214 (2013).

7 36. By the very written terms of the Contract, Plaintiff had no justified expectation in
8 renewal of the Contract or to have the non-renewal decision postponed or delayed pending
9 Plaintiff's response to his third evaluation. Neither the Contract nor the Negotiated Agreement
10 gave rise to an evaluation process wherein the CCSD BOT had to wait for Plaintiff's response to
11 his third evaluation before determining whether to renew his Contract.

12 37. Defendant CCSD BOT has not committed a breach of the covenant of good faith
13 and fair dealing with regard to Plaintiff's Contract.

14 **D. The Negotiated Agreement Provides the Exclusive Remedy for Plaintiff's**
15 **Contract-Based Claims to the Extent Based on the Terms of the Negotiated**
16 **Agreement.**

17 38. Plaintiff's employment with CCSD was governed by NRS Chapter 288 and
18 covered by the Negotiated Agreement. NRS Chapter 288 is "intended to apply similar
19 principles" as recognized by federal labor laws. *Truckee Meadows Fire Protection District v.*
20 *International Ass'n of Firefighters, Local 2487*, 109 Nev. 367, 374, 849 P.2d 343 (1993).

21 39. The Negotiated Agreement, as the collective bargaining agreement governing
22 Plaintiff's employment, provides the "uniform and exclusive method for orderly settlement of
23 employee grievance." *Republic Steel Corp. v. Maddox*, 379 U.S. 650, 653 (1952). ("If a
24 grievance procedure cannot be made exclusive, it loses much of its desirability as a method of
25 settlement. A rule creating such a situation would inevitably exert a disruptive influence upon
26 both the negotiation and administration of collective agreements."); *see also* NRS 288.150(o)
27 (identifying that a mandatory subject of collective bargaining includes "grievance and arbitration
28 procedures for resolution of disputes relating to interpretation or application of collective
bargaining agreements").

1 40. An employee covered by a collective bargaining agreement may not challenge his
2 employment status through state law claims which would require interpretation of the collective
3 bargaining agreement. *MGM Grand Hotel-Reno, Inc. v. Insley*, 102 Nev. 513, 517, 728 P.2d 821
4 (1986) (citing *Allis Chalmers v. Lueck*, 471 U.S. 202 (1985)) (alleged breach of implied covenant
5 of good faith and fair dealing arising from collective bargaining agreement claim legally
6 insufficient). The rule applies to claims “which would require the court to interpret the meaning
7 and scope of a term” of the collective bargaining agreement. *MGM Grand Hotel-Reno, Inc. v.*
8 *Insley*, supra, 102 Nev. at 517.

9 41. Plaintiff’s claim against Defendant CCSD BOT is a result of his dissatisfaction
10 with Defendant CCSD BOT’s interpretation and/or application of the Negotiated Agreement, to
11 Plaintiff’s Grievance. Plaintiff’s Grievance, whether as to his evaluations, the ability to respond
12 to those evaluations, or the timeline to respond to the evaluations as against the non-renewal
13 decision, is governed by the Negotiated Agreement.

14 42. Plaintiff’s suit against Defendant CCSD BOT seeks this Court’s interpretation of
15 the Contract as governed by the Negotiated Agreement, and in pertinent part, Defendant CCSD
16 BOT’s compliance therewith.

17 43. The Negotiated Agreement governing Plaintiff’s employment with the CCSD
18 BOT provides the exclusive remedy for challenging disputes which arise regarding an
19 interpretation, application or alleged violation of any of the provisions of the Negotiated
20 Agreement.

21 44. Therefore, Plaintiff’s contract-based claims are preempted by the Negotiated
22 Agreement and Defendant CCSD BOT is entitled to summary judgment thereon.

23 **E. Plaintiff Did Not Exhaust Administrative Remedies under NRS 288.110(2)**
24 **and NRS 288.280.**

25 45. The Employment Management Relations Board (EMRB) was created to oversee
26 the implementation of Chapter 288 of Nevada Revised Statutes, and to relieve a burden on the
27 courts. *Rosequist v. Int’l Ass’n of Firefighters*, 118 Nev. 444, 450-51, 49 P.3d 651, 655 (2002)
28 (abrogated on other grounds by *Allstate Ins. Co. v. Thorpe*, 123 Nev. 565, 573 n. 22, 170 P.3d

1 989, 995 n. 22 (2007); *also abrogated in part by City of Henderson v. Kilgore*, 122 Nev. 331,
2 336 n. 10, 131 P.3d 11, 15 n. 10 (2006)); *see also* Hearing on S.B. 87 Before the Senate Comm.
3 on Federal, State and Local Governments, 55th Leg. (Nev., Feb. 25, 1969).

4 46. “Once the Employee-Management Relations Act applies to a complaint, the
5 remedies provided under the Act and before the [EMRB] must be exhausted before the district
6 court [may hear the action].” *Rosequist* at 450-51, 655.

7 47. A claim of breach of contract based on the Negotiated Agreement must be heard
8 by the EMRB to the extent that Plaintiff is contending he was prohibited from utilizing the
9 grievance and arbitration process in the Negotiated Agreement. *City of Mesquite v. Eighth*
10 *Judicial Dist. Court*, 135 Nev. 240, 243, 445 P.3d 1244, 1248 (2019).

11 48. Therefore, any attempt by Plaintiff to bring an action against the CCSD BOT for
12 breach of the Negotiated Agreement fails because there is no evidence to support Plaintiff
13 exhausted his administrative remedies before the EMRB.

14 **IV. Plaintiff’s Objections to and Motion To Strike Defendant CCSD BOT’s**
15 **Declarations in Support of its Motion For Summary Judgment**

16 49. NRCP 56(c)(1) provides that a party may support a motion for summary judgment
17 by “citing to particular parts of materials in the record, including . . . documents . . . affidavits or
18 declarations . . . or other materials.”

19 50. Affidavits or declarations must be based on personal knowledge, a competent
20 declarant or affiant, and present admissible facts. NRCP 56(c)(4).

21 51. Plaintiff improperly takes issue with the declarations attached to Defendant CCSD
22 BOT’s Motion for Summary Judgment on the basis that the declarants were not competent,
23 lacked personal knowledge, and/or made a typographical error.

24 52. The Declarations, made under penalty of perjury, set forth the basis of the
25 declarant’s respective knowledge of the facts stated therein, attesting to CCSD documents
26 referenced therein – documents which authenticity has not been challenged by Plaintiff (NRCP
27 16.1(a)(3)(B)(ii)(b))—, and constitutes testimony to be offered by the declarants at the time of
28 trial. The Declarations were made based on personal knowledge, attest to matters which the

1 declarants are competent to testify as stated in the Declarations, and attest to the truth and
2 accuracy of the statements contained therein. *See* NRCp 55(c)(4), and NRS 50.015 ([e]very
3 person is competent to be a witness except as otherwise provided in this title).

4 53. The Declarations sufficiently comply with the requirements of NRCp 56(c)(1)
5 and (c)(4), and Plaintiff's Objections to and Motion to Strike the Declarations is denied.

6 **V. Defendant CCSD BOT's Countermotion to Extend the Dispositive Motion Deadline.**

7 54. At the time Defendant CCSD BOT's Motion for Summary Judgment was filed,
8 the Arbitration hearing was scheduled for July 28, 2021.

9 55. NAR 4(E) provides for dispositive motions to be filed 45 days in advance of an
10 arbitration hearing date.

11 56. All parties filed their motions for summary judgment on Monday, June 14, 2021,
12 including Plaintiff. Plaintiff's motions to strike Defendants' motions for summary judgment
13 asserts motions for summary judgment were due pursuant to NAR(E) on Friday, June 11 – a
14 difference of a single judicial day. The CCSD BOT's countermotion, joined by Defendant
15 Goldman, to extend the time for filing dispositive motions by the single judicial day to Monday,
16 June 14, 2021, was both in good faith and reasonable in light of Plaintiff's own filing on June 14,
17 2021.

18 57. Further, the Arbitration hearing was subsequently moved by Stipulation of the
19 parties first to August 25, 2021, and then to October 6, 2021. The change in the Arbitration
20 hearing date resulted in Defendant CCSD BOT's Motion having been filed more than the 45
21 days allotted by NAR 4(E) for submission and consideration of dispositive motions in advance of
22 the arbitration hearing.

23 58. Defendant CCSD BOT's request, joined by Defendant Goldman, for an extension
24 of time to extend the dispositive motion deadline calendared from the July 28, 2021 Arbitration
25 hearing is, therefore, without prejudice to Plaintiff – the original 45 day deadline was mooted by
26 the extension of the Arbitration hearing date and by Defendants' non-opposition to the extension
27 of time sought by Plaintiff to oppose Defendants' motions for summary judgment.
28

1 **VI. Plaintiff's Motion for Partial Summary Judgment.**

2 59. Plaintiff filed a Motion for Partial Summary Judgment as to CCSD BOT and
3 subsequently sought to withdraw his motion.

4 60. Plaintiff's request to withdraw his Motion for Partial Summary Judgment is
5 granted.

6 If any of the foregoing Conclusions of Law is deemed more appropriately categorized as
7 a Finding of Fact, it shall be so treated.

8 **NOW, THEREFORE, IT IS HEREBY ORDERED THAT:**

9 Plaintiff's Motion to Strike Defendant CCSD BOT's Motion for Summary Judgment is
10 DENIED;

11 Defendant CCSD BOT's Countermotion to Extend the Dispositive Motion Deadline is
12 DENIED as moot;

13 Plaintiff's Motion to Extend the Time to Oppose CCSD BOT's Motion for Summary
14 Judgment is GRANTED;

15 Plaintiff's Objections to and Motion To Strike Defendant CCSD BOT's Declarations in
16 Support of Defendant CCSD BOT's Motion For Summary Judgment, is DENIED;

17 Defendant CCSD BOT's Motion for Summary Judgment and Defendant Goldman's
18 Joinder thereto are GRANTED on their merits; and

LETTER TO BOT on 10/14/21

Greetings, Attorney Herrera. I object to the inclusion of the paragraph below. It should be removed. The Court did not use language anywhere close to these words during the hearing.

Page 11: Paragraph 17

17. In accordance with NRCP 56 and the foregoing direction from the Nevada Supreme Court, the Court has read and considered Defendant's Motion for Summary Judgment along with all of the exhibits attached thereto, . . .

Page 18, Revised Order 3rd version. Line 15. There is some confusion with respect to the expression:

"objections to" in the context of the Motion to Strike the Declarations.

Page 18 of The Revised Order, Line 15.

The expression "Objections to and" should be removed only on this Page 18 where the explicit "ORDER" of the Court appears. The Court never mentioned "objections."

You had responded to the suggestion as follows:

BOT RESPONSE: I will remove the references to "Objections to" with the exception of Paragraph 25 on page 6.

I had requested removal of the expression only in the ORDER PART, where it says :It is Ordered . . . " and lists a number of items. I referred to only this part of the "Proposed Order" as "Order Part". The rest set up the background and argument for the "ORDER".

So, I request that you put back "objections to" wherever "motion to strike declarations" appear and remove it from the concluding part, which I had referred to as "ORDER". It was so before in the 2nd Revised Order.

+++++

Attorney Barker had mentioned the advice given by the Judicial Executive Assistant to the Honorable Judge Joe Hardy. I assume that the same is applicable to your “Proposed” ORDER. You may attach this letter to the Proposed Order and submit it to the Court. I am, of course, open to further discussion.

May I request you to include in your letter to the Executive Assistant the following: I have communicated the same to you before.

- (1) In spite of your answer to the issue of two separate orders, I am worried that the proposed Order does not comply with the Court’s Minutes, which states clearly on Page 3 the following. (Please see top of Page 3 of minutes):

Ms. Herrera to prepare the written Order regarding the Motions to Strike, as well as the Motions / Joinder for Summary Judgment, including Findings of Fact, Conclusions of Law, and forward it to Ms. Barker and Mr. Viswanathan for approval as to form and content.

It seems to me that the Court wants all motions to be consolidated and prepare a single order incorporating all findings and decisions. In my understanding, no separate order for Dr. Goldman’s case was contemplated. I have raised this issue before.

- (2) There is too much of repetition without justification for the same. On the other hand, it adds weight to some arguments. For example, your concession of extending the time to file a response to your motion for summary judgment.
- (3) Secondly, the proposed Order is a verbatim adaptation of BOT’S Papers, among which are Your RESPONSE and OPPOSITION to Plaintiff’s Objections to and Motion to strike the Declarations in Support of Defendants Motion for Summary Judgment, and BOT’S MOTION for Summary Judgment. I object to the verbatim adaptation. There are additions as pointed out via insertion of Paragraph 17, for example.
- (4) Thirdly, I have other objections I have transmitted to you before. In particular, the question of mootness was raised for the first time during the hearing of August 25, 2021 in the context of Defendant BOT’S Countermotion for extending the time to file a dispositive motion. (Minutes, P.2, Line 6). Plaintiff raised the issue of exemptions to the Doctrine of Mootness (*Valdez-Jimenez v. Eighth Judicial Dist. Court*, 460 P.3d 976 (Nev. 2020)). But the Court did not deal with it. It is the Court which applied the question of mootness to the Motions for Summary Judgment.
- (5) The Court never used the word “merits” and your proposed order uses the word as the concluding word of the Order in the portion granting MSJD.
- (6) The court summarily rejected plaintiff’s objections to and the motion to strike the declarations of BOT attached to the MSJD, even though they constitute a form of opposition to the motion for summary judgment and was filed on the date (07/06/2021) for which plaintiff had requested an extension of time to respond in opposition to the Defendant’s Motion for Summary Judgment. Plaintiff’s argument during the hearing was that BOT’s MSJD did not meet the “threshold conditions” of Rule 56(c)(B)(2) and (4) on “Declarations”. This argument made in the hearing is not included in the proposed order. On that basis plaintiff objected to the Declarations submitted by BOT. Without the

Declarations of Houghton and of Markouzis , Defendant BOT'S Motion for Summary judgment has no basis and no merit.

Greetings, Attorney Herrera. Attached is my Letter of 10-14-21. It clears the confusion regarding the insertion and removal of the expression "Objections to". I am sorry for the confusion. Attached also is your 3rd Revised Order. Please excuse the delay. I am mailing this at dawn!

AND the Court having entertained the oral arguments of counsel and of Plaintiff pro se, including Plaintiff's oral argument in opposition to Defendant Goldman's Motion for Summary Judgment;

AND GOOD CAUSE APPEARING, the Court hereby makes the following Findings of Fact and Conclusions of Law, GRANTING Defendant Dr. Edward Goldman's Motion For Summary Judgment; GRANTING Plaintiff's Motion to Extend the Time to Oppose Defendant Dr. Edward Goldman's Motion for Summary Judgment; DENYING Plaintiff's Motion To Strike Defendant Goldman's Motion For Summary Judgment; DENYING Plaintiff's Objections to and Motion To Strike Defendant Goldman's Declaration Served with Defendant Goldman's Motion For Summary Judgment; and DENYING as moot Defendant Goldman's Joinder in the CCSD BOT Counter-Motion to Extend Dispositive Motion Deadline.

FINDINGS OF FACT

I. Plaintiff's Employment by the CCSD BOT

1. For the 2013-2014 school year, Plaintiff was employed by the CCSD BOT as a probationary teacher, pursuant to a Probationary Teaching Contract (Contract). The Contract

1 contained a written provision stating that: "Probationary employees agree that they are employed
2 only on an annual basis and that they have no right to employment after the last day of the school
3 year specified in this Contract specified in writing." (Emphasis added.)

4 2. In 2013-2014, CCSD teacher contracts were governed by a Negotiated Agreement
5 between the CCSD and the Clark County Education Association. (Negotiated Agreement.)
6 Article 36-8-2 of the Negotiated Agreement stated non-renewal of a probationary teacher's
7 contract "shall not be subject to a hearing or arbitration under the provisions of this Article (36-
8 8)." 8).

9 3. On April 28, 2014, Plaintiff was given written Notice of Non-Reemployment of
10 Probationary Employee. The Notice, dated April 25, 2014, stated that Plaintiff's Contract would
11 not be renewed for the coming school year. The non-renewal decision was made by the CCSD
12 BOT. It was not made by Defendant Goldman.

13 4. On May 28, 2014, after his receipt of the Notice of Non-Renewal, Plaintiff
14 forwarded a grievance to CCSD's Employee Management Relations. (Grievance.) The
15 Grievance challenged the BOT non-renewal decision as the "opposite of [Plaintiff's] expectation"
16 and requested three remedies:

17 (1) reappointment "for another year within CCSD;"

18 (2) that Plaintiff's second and third evaluations be "rendered null and void;" and

19 (3) other remedies "that are deemed just and appropriate."

20 5. Article 4-1 of the Negotiated Agreement provided:

21 A grievance is defined as any dispute which arises regarding an
22 interpretation, application, or alleged violation of any of the provisions of
23 this Agreement.

24 6. Plaintiff's first, second, and third evaluations were issued on November 25, 2013,
25 January 30, 2014, and April 1, 2014, respectively. Plaintiff did not submit a written grievance to
26 any of these evaluations before he submitted the May 28, 2014, Grievance of the non-renewal
27 decision by the CCSD BOT.

28 7. In May 2014, Defendant Goldman was an employee of the CCSD, holding the
position of Assistant Superintendent of Employee Management Relations.

1 8. Defendant Goldman was not a party to the Contract, did not have authority to non-
2 renew a probationary teaching contract, and did not have authority to review a decision by the
3 BOT to non-renew a probationary teaching contract.

4 9. In his position as Assistant Superintendent of Employee Management Relations,
5 Defendant Goldman responded to Plaintiff's Grievance via email on July 28, 2014. Therein
6 Defendant Goldman told Plaintiff that he could not grieve the non-renewal pursuant to Article
7 36-8-2 of the Negotiated Agreement and NRS 391, because the non-renewal of a probationary
8 teacher's contract is not subject to a hearing or arbitration. This determination was made based
9 upon the stated nature of Plaintiff's grievance in seeking reappointment to a teaching position.

10 10. Article 36-8-2 of the Negotiated Agreement stated:

11 Pursuant to NRS 391, the non-renewal of a probationary teacher's contract
12 shall not be subject to a hearing or arbitration under the provisions of this
Article (36-8) . . .

13 11. After consultation with the CCSD Office of General Counsel, on August 1, 2014,
14 Defendant Goldman further responded to Plaintiff's Grievance to address Plaintiff's request that
15 Plaintiff's second and third evaluations be "rendered null and void." Defendant Goldman's
16 correspondence told Plaintiff that to the extent this Grievance was attempting to grieve Plaintiff's
17 January 30, 2014, and April 1, 2014 performance evaluations, the Grievance was untimely
18 pursuant to Article 4-5(a) of the Negotiated Agreement which required that a grievance be filed
19 not later than "thirty (30) days after the grievant first knew of the act or condition upon which the
20 grievance is based." To the extent Plaintiff's Grievance sought to have his second and third
21 evaluations "rendered null and void," it was not submitted within 30 days of each evaluation and
22 could not, therefore, be considered.

23 12. Article 4-5(a) of the Negotiated Agreement provided:

24 If the grievance is not resolved at Step One, the grievant may submit in
25 writing the unresolved grievance to the Associate Superintendent, Human
26 Resources Division, or the Superintendent's designee not later than thirty
(30) days after the grievant first knew of the act or condition upon which
the grievance is based.

27 13. On August 19, 2014, Defendant Goldman again sent correspondence in response
28 to Plaintiff's Grievance, advising that Plaintiff's Grievance was never properly before Defendant

1 Goldman because the Board of School Trustees' decision not to renew Plaintiff's Contract was
2 not grievable pursuant to the terms of the Negotiated Agreement and/or statute.

3 14. Defendant Goldman responded to Plaintiff's Grievance on three separate
4 occasions – July 28, August 1, and August 19, 2014 – each time addressing Defendant Goldman's
5 inability to consider the substance of the Grievance based upon the terms of Plaintiff's Contract
6 and of the Negotiated Agreement.

7 15. The CCSD BOT's decision not to renew Plaintiff's Contract was not grievable
8 pursuant to the terms of the Negotiated Agreement and/or Nevada statute.

9 **II. Procedural Progress of This Litigation**

10 16. On May 11, 2020, slightly over six years after the non-renewal of Plaintiff's
11 probationary teaching contract, Plaintiff filed the Complaint initiating this litigation. (Doc ID
12 #1.) On August 4, 2020, Plaintiff filed an Amended Complaint. (Doc ID #6.) As to Defendant
13 Goldman, Plaintiff's only allegations are that he appealed the BOT's non-renewal decision to "the
14 higher authorities, which included Dr. Goldman," and that Dr. Goldman "did not address the
15 issue."

16 17. Defendant Goldman filed a Motion to Dismiss on August 30, 2020. (Doc ID #22.)
17 Plaintiff opposed the motion on September 17, 2020 (Doc ID #33), and Defendant Goldman
18 Replied to the opposition on October 2, 2020. (Doc ID #42.)

19 18. On October 28, 2020, the Court granted in part, and denied in part, Defendant
20 Goldman's Motion to Dismiss (Doc ID #48), leaving two remaining claims for relief against
21 Defendant Goldman:

22 (1) Breach of Contract, and

23 (2) Breach of the Covenant of Good Faith and Fair Dealing.

24 19. On January 7, 2021, no Request for Exemption from Arbitration having been filed,
25 the Court's Alternative Dispute Resolution office appointed an Arbitrator to hear this matter.
26 (Doc ID #71.)

27 20. After the close of discovery, Defendant Goldman and Defendant CCSD BOT filed
28 separate motions for summary judgment on June 14, 2021. (Doc ID #86 and #87.) Defendant

1 Goldman joined in the CCSD BOT Motion for Summary Judgment on June 15, 2021. (Doc ID
2 #93.) Plaintiff did not file opposition to either motion for summary judgment.

3 21. On June 14, 2021, Plaintiff filed a Motion for Partial Summary Judgment as to the
4 CCSD BOT, (Doc ID #88), and on June 20, 2021, Plaintiff withdrew the motion. (Doc ID #94
5 and #95.)

6 22. As of June 14, 2021, the date all parties' motions for summary judgment were
7 filed, the Arbitration hearing was scheduled for July 28, 2021. (Doc ID #82.)

8 23. On June 21, 2021, Plaintiff filed Motion to Strike Defendant Goldman's Motion
9 for Summary Judgment (Doc ID #97), and on that same day filed a Motion to Strike the CCSD
10 BOT Motion for Summary Judgment. (Doc ID #96.) Defendant Goldman filed a Response in
11 Opposition to Plaintiff's Motion to Strike Defendant Goldman's Motion for Summary Judgment
12 on June 29, 2021 (Doc ID #104), along with a Joinder (Doc ID #106) to the CCSD BOT
13 Opposition to Plaintiff's Motion to Strike the CCSD BOT Motion for Summary Judgment and to
14 the CCSD BOT Countermotion to Extend the Dispositive Motion Deadline. (Doc ID #101.)
15 Plaintiff's replies were filed on July 20, 2021. (Doc ID #123 and #124.)

16 24. On June 28, 2021, Plaintiff filed a Motion for Order Extending Time, seeking a
17 seven-day extension of time to file and serve opposition to both Defendants' Motions for
18 Summary Judgment. (Doc ID #102.) Both Defendant Goldman and Defendant CCSD BOT filed
19 notice of Non-Opposition to Plaintiff's requested extension of time. (Doc ID #105 and #119.)

20 25. On July 6, 2021, Plaintiff filed Objections to and Motion to Strike Dr. Edward
21 Goldman's Declaration in support of Defendant Goldman's Motion for Summary Judgment.
22 (Doc ID #111.) Defendant Goldman opposed the motion on August 5, 2021 (Doc ID #126), and
23 Plaintiff replied thereto on August 18, 2021. (Doc ID #130.)

24 26. On July 9, 2020, Plaintiff filed an Opposition to the CCSD BOT Countermotion
25 to Extend the Dispositive Motion Deadline and to Defendant Goldman's Joinder in that
26 Countermotion. (Doc ID #116.)

27 27. The foregoing Motions were initially calendared for hearing on multiple dates –
28 July 26, July 28, and August 9, 2021. On July 13, 2021, the parties stipulated to consolidate

1 hearing of the motions, and an Order was entered consolidating hearing for all motions to July
2 28, 2021. (Doc ID #120.)

3 28. On July 13, 2021, the Arbitrator entered an order continuing the Arbitration
4 hearing from July 28, 2021, to August 27, 2021. (Doc ID #121.)

5 29. On July 28, 2021, the Court reset the consolidated hearings to be heard on August
6 18, 2021.

7 30. On August 13, 2021, the Arbitrator again entered an Order extending the
8 Arbitration, resetting the hearing to October 6, 2021. (Doc ID #129.)

9 31. On August 5, 2021, upon stipulation of the parties, the consolidated hearing was
10 re-scheduled to August 25, 2021. (Doc ID #127.)

11 32. On August 25, 2021, the Court heard and considered all pending motions in this
12 matter, as set forth hereinabove.

13 33. As of the August 25, 2021 hearing on the motions for summary judgment, Plaintiff
14 had filed no Opposition to Defendant Goldman's Motion for Summary Judgment, even after
15 seeking an extension of time to serve and file an opposition, with notice of non-opposition to the
16 extension having been filed by Defendant Goldman and by Defendant CCSB BOT.

17 34. Plaintiff stated at oral argument that his intent was to strike the motions for
18 summary judgment as untimely and to strike the Declarations and Affidavits in support thereof;
19 then, if Plaintiff's Motions to Strike were denied, to thereafter file oppositions.

20 35. Plaintiff presented oral argument in opposition to Defendants' Motions for
21 Summary Judgment, as well as the Joinder, stating that he was entitled to judgment as a matter of
22 law on his motions to strike, and that opposition to the Motions for Summary Judgment was not
23 necessary as he had filed multiple Motions to Strike.

24 If any of the foregoing Findings of Fact is deemed more appropriately categorized as a
25 Conclusion of Law, it shall be so treated.

CONCLUSIONS OF LAW

1. Plaintiff, as a pro se litigant must comply with the Rules of Civil Procedure. *Rodriguez v. Fiesta Palms*, 134 Nev. 654, 659, 428 P.3d 255, 258-59 (2018) (“a pro se litigant cannot use his alleged ignorance as a shield to protect him from the consequences of failing to comply with basic procedural requirements”).

2. Public policy favors disposition on the merits of a case. *Huckabay Props., Inc. v. NC Auto Parts, LLC*, 322 P.3d 429, 433-34, 130 Nev. Adv. Op. 23 (2014).

I. Plaintiff's Motion to Extend the time to Oppose Defendant Goldman's Motion for Summary Judgment

3. Plaintiff's Motion sought a seven (7) day extension of time to oppose Defendant Goldman's Motion for Summary Judgment, Defendant CCSD BOT's Motion for Summary Judgment and Defendant Goldman's Joinder thereto, pursuant to NRCP 6(b) and based on his personal circumstances.

4. Based on good cause shown and on Defendants' filed non-oppositions, Plaintiff's request for additional time up to and including July 6, 2021, to oppose Defendants Goldman's Motion for Summary Judgment, Defendant CCSD BOT's Motion for Summary Judgment and Defendant Goldman's Joinder thereto, is appropriate.

II. Plaintiff's Motion To Strike Defendant Goldman's Motion For Summary Judgment

5. Plaintiff's Motion to Strike Defendant Goldman's Motion for Summary Judgment is predicated on an asserted late filing of the summary judgment motion pursuant to NAR 4(E), which provides that dispositive motions be filed 45 days before an arbitration hearing. As applied to the July 28, 2021 Arbitration hearing in this matter, the filing date fell on June 13, 2021 – a Sunday. All parties, including Plaintiff, filed their summary judgment motions on June 14, 2021, the immediately following Monday. Plaintiff asserts that the motions were more appropriately due on the immediately preceding Friday – a difference of a single judicial day.

6. The Rules of Civil Procedure “should be construed, administered, and employed by the court and the parties to secure the just, speedy, and inexpensive determination of every action and proceeding.” NRCP 1.

1 7. Plaintiff's Motion for Partial Summary Judgment was filed the same date as
2 Defendant Goldman's Motion for Summary Judgment. Plaintiff calculated the deadline for the
3 Motions for Summary Judgment the same as the Defendants and, therefore, it was disingenuous
4 for the Plaintiff to withdraw his Motion for Partial Summary Judgment so that he could then argue
5 that Defendants' Motions for Summary Judgment, including Defendant Goldman's Motion for
6 Summary Judgment, were not timely filed.

7 8. Plaintiff's Motion is not properly brought under NRCP 12 which governs
8 submission of motions regarding the pleadings as set forth therein. It does not govern response
9 to a summary judgment motion brought pursuant to NRCP 56. NRCP 12 does not provide a
10 procedural vehicle to strike a motion for summary judgment, timely or otherwise.

11 9. The timing of the filing of Defendant Goldman's Motion for Summary Judgment
12 caused no prejudice to Plaintiff as Plaintiff has had ample opportunity to oppose the motion;
13 Defendant Goldman did not oppose Plaintiff's request for an extension of time to respond to the
14 motion, and the motion did not come on for hearing until approximately ten weeks after the
15 Motion for Summary Judgment was filed.

16 10. At the time Defendant Goldman's Motion for Summary Judgment was filed, the
17 Arbitration hearing was scheduled for July 28, 2021. It was subsequently moved by Stipulation
18 of the parties first to August 25, 2021, and then to October 6, 2021, resulting in the motion having
19 been filed more than the 45 days allotted by NAR 4 for submission and consideration of
20 dispositive motions in advance of the arbitration hearing. The argument that Defendant
21 Goldman's Motion for Summary Judgment was untimely pursuant to NAR 4(E) is, therefore,
22 mooted by the extension of the arbitration hearing date.

23 11. Plaintiff received full and fair notice of Defendant Goldman's Motion for
24 Summary Judgment, more than 45 days before an arbitration hearing in this matter and was given
25 full and fair opportunity to oppose the motion and to be heard in opposition.

26 12. There is no legal authority cited by Plaintiff which would justify striking
27 Defendant Goldman's Motion for Summary judgment in the circumstances presented.
28

1 **III. Goldman's Motion For Summary Judgment**

2 **A. Standard of For Summary Judgment**

3 13. Summary judgment is appropriate and shall be granted if the movant shows that
4 there is no genuine issue as to any material fact and the movant is entitled to a judgment as a
5 matter of law. NRCP 56. It is a procedural tool by which "factually insufficient claims or
6 defenses [may] be isolated and prevented from going to trial with the attendant unwarranted
7 consumption of public and private resources." *Boesiger v. Desert Appraisals*, 135 Nev. Adv.
8 Op. 25, p. 4 (2019), quoting *Celotex Corp v. Catrett*, 477 U.S. 317, 327 (1986).

9 14. Summary judgment is appropriate under NRCP 56 when the pleadings,
10 depositions, answers to interrogatories, admissions, and affidavits, if any, that are properly before
11 the court demonstrate that no genuine issue of material fact exists, and the moving party is entitled
12 to judgment as a matter of law. *Wood v. Safeway, Inc.*, 121 Nev. 724, 731, 121 P.3d 1026, 1031
13 (2005).

14 15. When the nonmoving party bears the burden of persuasion at trial, as Plaintiff does
15 here, then the moving party may show an absence of a genuine issue of material fact by either
16 putting forth evidence that negates an essential element of the nonmoving party's claim or by
17 pointing to the absence of evidence in support of the nonmoving party's case. *Cuzze v. University*
18 *and Community College System of Nevada*, 123 Nev. 598, 602-603, 172 P.3d. 131 (2007), citing
19 *Celotex*, 477 U.S. at 331.

20 16. To survive summary judgment, the nonmoving party must rely upon more than
21 general allegations and conclusions set forth in the pleadings and must present specific facts
22 demonstrating the existence of a genuine issue. *Boesiger v. Desert Appraisals*, 135 Nev. Adv.
23 Op. 25, p. 4 (2019), citing *Wood, supra*, 121 Nev. at 732, 121 P.3d at 1031 (internal quotations
24 omitted). *See also Matsushita Elec. Indus. Co. v. Zenith Radio Corp.*, 475 U.S. 574, 586 (1986)
25 (the nonmoving party bears the burden to do more than simply show that there is some
26 metaphysical doubt as to the operative facts in order to avoid summary judgment being entered
27 in the moving party's favor.)
28

17. In accordance with NRCP 56 and the foregoing direction from the Nevada Supreme Court, the Court has read and considered Defendant Goldman's Motion for Summary Judgment along with all of the exhibits attached thereto, including but not limited to the Declaration of Dr. Edward Goldman.

B. Breach of Contract

18. The elements of a breach of contract claim in Nevada are: 1) plaintiff and defendant entered into a valid and existing contract; 2) plaintiff performed or was excused from performance; 3) defendant breached the contract; and 4) plaintiff sustained damage as a result of the breach. *Calloway v. City of Reno*, 116 Nev. 250, 993 P.2d 1259 (2000); *Saint v. Int'l Game Tech.*, 434 F. Supp. 2d 913, 919-920 (D. Nev. 2006). Q

19. When a contract is clear on its face, it will be construed from the written language and enforced as written. *Ellison v. C.S.A.A.*, 106 Nev. 601, 603, 797 P.2d 975, 977 (1990); *White Cap Indus., Inc. v. Ruppert*, 119 Nev. 126, 128, 67 P.3d 318, 319 (2003) (unambiguous contracts are construed according to their plain language).

20. Plaintiff's Contract was between Plaintiff and the CCSD BOT and was not a contract between Plaintiff and Defendant Goldman. The non-renewal by the CCSD BOT cannot constitute breach by Defendant Goldman who was not a party to the Contract and did not make the non-renewal.

21. By the written terms of the Contract, Plaintiff had no right to or expectation of continued employment beyond the 2013-2014 school year – the non-renewal by the CCSD BOT was contemplated by the Contract and was not in breach of its express terms.

22. Defendant Goldman did not breach the Contract by rejecting Plaintiff's May 28, 2014 request to grieve the non-renewal – the Contract was governed by the Negotiated Agreement which stated at Article 36-8-2 that that non-renewal of a probationary teacher's contract "shall not be subject to a hearing or arbitration under the provisions of this Article (36-8)."

23. Defendant Goldman did not breach the contract by rejecting Plaintiff's May 28, 2014, request to grieve the January 30, 2014, and April 1, 2014, performance evaluations – the Contract was governed by the Negotiated Agreement which stated at Article 4-5(a) that a

1 grievance must be filed no later than “thirty (30) days after the grievant first knew of the act or
2 condition upon which the grievance is based.” The May 28, 2014 Grievance was untimely as to
3 any challenge of the January 30, 2014, and April 1, 2014, performance evaluations.

4 24. Defendant Goldman addressed to Plaintiff’s Grievance on three separate occasions
5 – July 28, August 1, and August 19, 2014; Defendant Goldman’s response to the Grievance did
6 not breach of any provision of the Contract and Defendant Goldman cannot, therefore, be liable
7 to Plaintiff for an alleged breach of the Contract for a failure to “address the issue” raised by the
8 Grievance, as alleged by Plaintiff.

9 **C. Breach of the Covenant of Good Faith and Fair Dealing**

10 25. Every contract imposes upon the contracting parties a duty of good faith and fair
11 dealing. A wrongful act committed during the course of a contractual relationship may give rise
12 to both contractual and tort remedies. *Albert H. Wohlers & Co. v. Bartgis*, 114 Nev. 1249, 969
13 P.2d 949 (1998); *Hilton Hotels Corp. v. Butch Lewis Prods., Inc.*, 109 Nev. 1043, 862 P.2d 1207
14 (1993).

15 26. The covenant of good faith and fair dealing that exists in every Nevada contract
16 forbids arbitrary, unfair acts by one party to a contract that disadvantage the other. *See Frantz v.*
17 *Johnson*, 116 Nev. 455, 999 P.2d 351 (2000).

18 27. Errors of judgment are not evidence of bad faith. NRS 453.030; 453.080(1). *Hulse*
19 *v. Sheriff, Clark County*, 88 Nev. 393, 498 P.2d 1317 (1972).

20 28. A claim alleging breach of the implied covenant of good faith and fair dealing
21 cannot be based on the same conduct establishing a separately pled breach of contract claim. *Id.*;
22 *Shaw v. CitiMortgage, Inc.*, 201 F. Supp. 3d 1222, 1252 (D. Nev. 2016) (holding that the
23 defendant’s conduct that was a “direct and actual breach” of the subject contract could not support
24 the plaintiff’s implied-covenant claim).

25 29. Where there is no contractual duty to perform a specific act, the omission to
26 perform that act does not constitute an arbitrary or unfair act to the plaintiff’s disadvantage.
27 *Nelson v. Heer*, 123 Nev. 226, 163 P.3d 420 (2007).

Contractual breach of the covenant of good faith and fair dealing

30. To establish a contractual breach of the implied covenant of good faith and fair dealing, a plaintiff must prove each of the elements of the claim: 1) plaintiff and defendant were parties to a contract; 2) defendant owed a duty of good faith to plaintiff; 3) defendant breached that duty by performing in a manner that was unfaithful to the purpose of the contract; and 4) plaintiff's justified expectations were thus denied. *See Perry v. Jordan*, 111 Nev. 943, 900 P.2d 335 (1995); *Hilton Hotels v. Butch Lewis Prods.*, 107 Nev. 226, 808 P.2d 919 (1991). The elements are conjunctive.

31. Defendant Goldman was not a party to the Contract.

32. Plaintiff's claim against Defendant Goldman for breach of the implied covenant of good faith and fair dealing, is based on the same alleged actions or inactions – namely Defendant Goldman's rejection Plaintiff's May 28, 2014 request to grieve the non-renewal. The action giving rise to Plaintiff's breach of contract claim against Dr. Goldman cannot also give rise to Plaintiff's breach of the implied covenant of good faith and fair dealing claim against Defendant Goldman.

33. Even if it could, Defendant Goldman's response to Plaintiff's Grievance, consistent with the Negotiated Agreement governing the Contract, was faithful to the purpose of the Contract.

34. By the very written terms of the Contract, Plaintiff had no justified expectation in renewal of the Contract.

35. Neither the Contract nor the Negotiated Agreement gave rise to a "review" process to challenge a non-renewal, and Defendant Goldman did not breach the covenant of good faith and fair dealing "by failing to address the issue" of Plaintiff's non-renewal as alleged by Plaintiff, when advising Plaintiff, in writing, that Plaintiff had no right to a review of the non-renewal, or to challenge his performance evaluations as of the date of Plaintiff's Grievance.

36. Defendant Goldman has not committed a contractual breach of the covenant of good faith and fair dealing with regard to Plaintiff's Contract.

Tortious breach of the covenant of good faith and fair dealing

37. To establish a tortious breach of the implied covenant of good faith and fair dealing, Plaintiff must prove each element of the claim: 1) plaintiff and defendant were parties to a contract; 2) defendant owed a duty of good faith to plaintiff arising from the contract; 3) A special element of reliance of fiduciary duty existed between plaintiff and defendant where defendant was in a superior or entrusted position; 4) defendant breached the duty of good faith by engaging in misconduct; and 5) plaintiff suffered damages as a result of the breach. *Great Ameri. Ins. Co. v. Gen Builders, Inc.*, 113 Nev. 346, 934 P.2d 257 (1997). The elements are conjunctive.

38. Tort liability for breach of the implied covenant of good faith and fair dealing is appropriate where the party in the superior or entrusted position has engaged in "grievous and perfidious misconduct." *State, Univ. and Community College System v. Sutton*, 120 Nev. 972, 103 P.3d 8 (2004).

39. Defendant Goldman was not a party to the Contract.

40. Defendant Goldman's response to Plaintiff's grievance consistent with the Negotiated Agreement governing the Contract, was faithful to the purpose of the Contract.

41. Defendant Goldman responded in writing to Plaintiff's Grievance on three separate occasions, advising that the terms of the Contract and the Negotiated Agreement did not allow Plaintiff to challenge the non-renewal of his Contract, and that the grievance was untimely as to any challenge of the performance evaluations. Where those conclusions were based upon the clear written language of the Contract and the Negotiated Agreement, Defendant Goldman has not engaged in misconduct, much less "grievous and perfidious misconduct," in reaching them.

42. By the very written terms of the Contract, Plaintiff had no justified expectation in renewal of the Contract.

43. Defendant Goldman has not engaged in conduct constituting a tortious breach of the covenant of good faith and fair dealing.

D. Defendant Goldman is Not a Proper Party to this Suit

Individual Capacity

44. Plaintiff's allegation against Defendant Goldman is solely that Goldman failed "to address the issue" raised in Plaintiff's Grievance.

45. The Amended Complaint is void of any allegation that Defendant Goldman's actions were personally motivated or in some manner separate and apart from his role as the CCSD Assistant Superintendent of Employee Management Relations.

46. Plaintiff has presented no opposition to Defendant Goldman's Motion for Summary Judgment and has not presented argument or evidence to support an allegation against Defendant Goldman in his individual capacity.

47. Defendant Goldman owed no duty to Plaintiff beyond his duty as a CCSD actor.

48. Defendant Goldman is entitled to summary judgment in his individual capacity.

Official Capacity

49. A suit against a public officer or employee in his official capacity is the same as a claim against the governmental entity itself. *See e.g., Brandon v. Hold*, 469 U.S. 464, 469-70 (1984) ("Official capacity suits generally represent an action against an entity of which an officer is an agent."); *Larez v. City of Los Angeles*, 946 F.2d 630, 646 (9th Cir. 1991) (stating "a suit against a government office in his official capacity is equivalent to a suit against the governmental entity itself.")

50. Duplicative, redundant, or superfluous claims are properly dismissed if they are based on the same operative facts and allege the same injury. *See Hoagland ex rel. Midwest Transit, Inc. v. Sandberg, Phoenix & von Gontard, P.C.*, 385 F.3d 737, 744 (7th Cir. 2004); *see also* NRCP 12(f) (authorizing courts to strike redundant material from pleadings). *See also Robinson v. District of Columbia*, 403 F. Supp. 2d 39, 49 (D.D.C. 2005) ("it is duplicative to name both a governmental entity and the entity's employees in their official capacity," [thus] "courts have routinely dismissed corresponding claims against individuals named in their official capacity as redundant and an inefficient use of judicial resources.")

1 51. Plaintiff's suit against Defendant Goldman in his official capacity is redundant to
2 the suit against the CCSD BOT as it is based on the same operative facts and alleges the same
3 injury.

4 52. Defendant Goldman is entitled to judgment in his official capacity as an employee
5 of the CCSD.

6 Discretionary Immunity

7 53. CCSD is a political subdivision of the state of Nevada. NRS 386.010. NRS
8 Chapter 41 governs suits against and liability of political subdivisions and their employees.
9 Defendant Goldman's liability as an employee of CCSD is, therefore, subject to NRS Chapter 41.

10 54. Plaintiff's Amended Complaint prays for "[g]eneral damages for the past and
11 present suffering" – a tort damage.

12 55. An employee of a political subdivision has discretionary immunity for acts or
13 omissions based upon the exercise or performance, or the failure to exercise or perform, a
14 discretionary function or duty, whether or not the discretion involved is abused. NRS 41.032

15 56. The *Berkovitz-Gaubert* test determines if a public employee is entitled to
16 discretionary immunity. *Martinez v. Maruszczak*, 123 Nev. 433, 168 P.3d 720 (2007), citing
17 *Berkovitz v. United States*, 486 U.S. 531, 536-37, 108 S. Ct. 1954 (1988), and *United States v.*
18 *Gaubert*, 499 U.S. 315, 322, 111 S. Ct. 1267 (1991.) A public employee's act is discretionary in
19 nature when "the acts . . . involve an 'element of judgment or choice,' and "[the] judgment
20 [exercised] is of the kind that the discretionary-function exception was designed to shield." *Id.*

21 57. The focus of the inquiry is not the employee's subjective intent but is instead on
22 the nature of the actions taken and whether they are susceptible to policy analysis. *Martinez*,
23 *supra*, 123 Nev. at 445, 168 P.2d at 728. Decisions at all levels of government may be protected
24 by discretionary immunity if they require analysis of government policy concerns. *Martinez*,
25 *supra*, 123 Nev. at 446-47, 168 P.2d at 729.

26 58. Defendant Goldman's response to Plaintiff's Grievance required analysis and
27 consideration of the public policy embodied in Plaintiff's Contract and the Negotiated Agreement.
28

1 59. Defendant Goldman has discretionary immunity from suit for tort damages. NRS
2 41.032.

3 Authority For Relief Sought

4 60. Plaintiff's allegations against Defendant Goldman arise from Defendant
5 Goldman's perceived duties as the CCSD Assistant Superintendent of Employee Management
6 Relations. Defendant Goldman has no authority to review the BOT's non-renewal or to extend a
7 new contract to Plaintiff.

8 61. NRS 41.0349 requires the CCSD BOT to indemnify Defendant Goldman as a
9 public employee, for conduct within the course and scope of his employment. Defendant
10 Goldman is entitled to indemnification by the CCSD.

11 62. The damages sought by Plaintiff are not recoverable against Defendant Goldman.

12 **E. The Negotiated Agreement Provides the Exclusive Remedy for Plaintiff's**
13 **Contract-Based Claims as Based on the Terms of the Negotiated Agreement**

14 63. Plaintiff's employment with CCSD was governed by NRS Chapter 288 and
15 covered by the Negotiated Agreement. NRS Chapter 288 is "intended to apply similar principles"
16 as recognized by federal labor laws." *Truckee Meadows Fire Protection District v. International*
17 *Ass'n of Firefighters, Local 2487*, 109 Nev. 367, 374, 849 P.2d 343 (1993).

18 64. The Negotiated Agreement, as the collective bargaining agreement governing
19 Plaintiff's employment, provides the "uniform and exclusive method for orderly settlement of
20 employee grievance." *Republic Steel Corp. v. Maddox*, 379 U.S. 650, 653 (1952). ("If a
21 grievance procedure cannot be made exclusive, it loses much of its desirability as a method of
22 settlement. A rule creating such a situation would inevitably exert a disruptive influence upon
23 both the negotiation and administration of collective agreements."); *see also* NRS 288.150(o)
24 (identifying that a mandatory subject of collective bargaining includes "grievance and arbitration
25 procedures for resolution of disputes relating to interpretation or application of collective
26 bargaining agreements").

27 65. An employee covered by a collective bargaining agreement may not challenge his
28 employment status through state law claims which would require interpretation of the collective

1 bargaining agreement. *MGM Grand Hotel-Reno, Inc. v. Insley*, 102 Nev. 513, 517, 728 P.2d 821
2 (1986) (citing *Allis Chalmers v. Lueck*, 471 U.S. 202 (1985)) (alleged breach of implied covenant
3 of good faith and fair dealing arising from collective bargaining agreement claim legally
4 insufficient). The rule applies to claims “which would require the court to interpret the meaning
5 and scope of a term” of the collective bargaining agreement. *MGM Grand Hotel-Reno, Inc. v.*
6 *Insley, supra*, 102 Nev. at 517.

7 66. Plaintiff’s claim against Defendant Goldman is a direct result of his dissatisfaction
8 with Defendant Goldman’s response, in application of the Negotiated Agreement, to Plaintiff’s
9 Grievance. Plaintiff’s Grievance, whether as to the non-renewal of his Contract or as to his
10 evaluations and the timeline for response thereto, is governed by the Negotiated Agreement.

11 67. Plaintiff’s suit against Defendant Goldman seeks this Court’s interpretation of the
12 Contract as governed by the Negotiated Agreement, and in pertinent part, Defendant Goldman’s
13 compliance therewith.

14 68. The Negotiated Agreement governing Plaintiff’s employment with the CCSD
15 provides the exclusive remedy for challenging disputes which arise regarding an interpretation,
16 application, or alleged violation of any of the provisions of the Negotiated Agreement.

17 69. Therefore, Plaintiff’s contract-based claims are preempted by the Negotiated
18 Agreement and Defendant Goldman is entitled to summary judgment thereon.

19 **IV. Plaintiff’s Motion To Strike Defendant Goldman’s Declaration in Support of**
20 **Defendant Goldman’s Motion For Summary Judgment**

21 70. A motion must be filed with a memorandum of points and authorities in support
22 of each ground therefore, the absence of which may be construed as an admission that the motion
23 is not meritorious and is cause for its denial. EDCR 2.20(c).

24 71. Plaintiff’s Motion to Strike the Declaration of Dr. Edward Goldman in Support of
25 Defendant Goldman’s Motion for Summary Judgment, contains no points or authorities
26 discussing how Defendant Goldman’s Declaration is deemed insufficient, and instead sets forth
27 deficiencies of a Declaration by an *America Lomeli* – a Declaration not submitted by Defendant
28 Goldman.

72. Plaintiff's Motion to Strike, unsupported by reference to Defendant Goldman's Declaration, is insufficient on its face. A motion must be filed with a memorandum of points and authorities in support of each ground therefore, the absence of which may be construed as an admission that the motion is not meritorious and is cause for its denial. EDCR 2.20(c). Plaintiff's objection and motion to strike poses no specific objection to the testimony stated in Defendant Goldman's Declaration and instead makes a blanket argument without reference to Defendant Goldman's Declaration itself.

73. NRCP 56(c)(1) provides that a party may support a motion for summary judgment by "citing to particular parts of materials in the record, including . . . documents . . . affidavits or declarations . . . or other materials." Defendant Goldman's Motion for Summary Judgment, made under penalty of perjury, setting forth the basis of his knowledge of the facts stated therein, and attesting to the CCSD documents referenced therein – documents which authenticity has not been challenged by Plaintiff – constitutes testimony to be offered by him at the time of trial. The Declaration is made based on personal knowledge, attests to matters concerning which Defendant Goldman is competent to testify as stated in the Declaration, and attests to the truth and accuracy of the statements contained therein. *See* NRCP 55(c)(4), and NRS 50.015 ([e]very person is competent to be a witness except as otherwise provided in this title).

74. Based upon the foregoing, Defendant Goldman's Declaration sufficiently complies with the requirements of NRCP 56(c)(1) and (c)(4), and Plaintiff's Motion to Strike the Declaration is denied.

V. Defendant Goldman's Joinder in CCSD BOT's Countermotion to Extend the Dispositive Motion Deadline.

75. At the time Defendant Goldman's Motion for Summary Judgment was filed, the Arbitration hearing was scheduled for July 28, 2021.

76. NAR 4(E) provides for dispositive motions to be filed 45 days in advance of an Arbitration hearing date.

77. All parties filed their motions for summary judgment on Monday, June 14, 2021, including Plaintiff. Plaintiff's motions to strike Defendants' motions for summary judgment

1 asserts motions for summary judgment were due pursuant to NAR(E) on Friday, June 11 – a
2 difference of a single judicial day. The CCSD BOT’s countermotion, joined by Defendant
3 Goldman, to extend the time for filing dispositive motions by the single judicial day to Monday,
4 June 14, 2021, is both in good faith and reasonable in light of Plaintiff’s own filing on June 14,
5 2021.

6 78. Further, the Arbitration hearing was subsequently moved by Stipulation of the
7 parties first to August 25, 2021, and then to October 6, 2021. The change in the Arbitration
8 hearing date resulted in Defendant Goldman’s Motion having been filed more than the 45 days
9 allotted by NAR 4(E) for submission and consideration of dispositive motions in advance of the
10 arbitration hearing.

11 79. Defendant CCSD BOT’s request, joined by Defendant Goldman, for an extension
12 of time to extend the dispositive motion deadline calendared from the July 28, 2021 Arbitration
13 hearing is, therefore, without prejudice to Plaintiff – the original 45 day deadline was mooted by
14 the extension of the Arbitration hearing date and by Defendant’s non-opposition to the extension
15 of time sought by Plaintiff to oppose Defendants’ motions for summary judgment.

16 If any of the foregoing Conclusions of Law is deemed more appropriately categorized as
17 a Finding of Fact, it shall be so treated.

18 **NOW, THEREFORE, IT IS HEREBY ORDERED THAT:**

19 Plaintiff’s Motion To Strike Defendant Goldman’s Motion For Summary Judgment is
20 DENIED;

21 Plaintiff’s Motion to Extend the Time to Oppose Defendant Dr. Edward Goldman’s
22 Motion for Summary Judgment is GRANTED;

23 Defendant Goldman’s Joinder in the CCSD BOT Counter-Motion to Extend Dispositive
24 Motion Deadline is DENIED as moot;

25 Plaintiff’s Motion To Strike Defendant Goldman’s Declaration in Support of Defendant
26 Goldman’s Motion For Summary Judgment, is DENIED; and

27 ///

28 ///

Defendant Dr. Edward Goldman's Motion For Summary Judgment is GRANTED on its merits.

IT IS SO ORDERED this _____ day of _____, 2021. Dated this 20th day of October, 2021.

6 Defendant DR. EDWARD GOLDMAN's Motion for Summary Judgment and related
7 motions having come on for hearing on August 25, 2021, Plaintiff TENKASI VISWANATHAN
8 having been present and representing himself pro se, Defendant GOLDMAN having been
9 represented by STEPHANIE A. BARKER, ESQ., of the law firm of Olson Cannon Gormley &
10 Stoberski, and Defendants CLARK COUNTY SCHOOL DISTRICT (CCSD) BOARD OF
11 TRUSTEES (BOT) having been represented by attorney CRYSTAL HERRERA, ESQ., of the
12 Clark County School District Office of General Counsel;

13 The Court having read and considered the pleadings and papers on file herein, specifically
14 as set forth in the procedural history hereinbelow;

15 AND the Court having entertained the oral arguments of counsel and of Plaintiff pro se,
16 including Plaintiff's oral argument in opposition to Defendant Goldman's Motion for Summary
17 Judgment;

18 AND GOOD CAUSE APPEARING, the Court hereby makes the following Findings of
19 Fact and Conclusions of Law, GRANTING Defendant Dr. Edward Goldman's Motion For
20 Summary Judgment; GRANTING Plaintiff's Motion to Extend the Time to Oppose Defendant
21 Dr. Edward Goldman's Motion for Summary Judgment; DENYING Plaintiff's Motion To Strike
22 Defendant Goldman's Motion For Summary Judgment; DENYING Plaintiff's Objections to and
23 Motion To Strike Defendant Goldman's Declaration Served with Defendant Goldman's Motion
24 For Summary Judgment; and DENYING as moot Defendant Goldman's Joinder in the CCSD
25 BOT Counter-Motion to Extend Dispositive Motion Deadline.

26 **FINDINGS OF FACT**

27 **I. Plaintiff's Employment by the CCSD BOT**

28 1. For the 2013-2014 school year, Plaintiff was employed by the CCSD BOT as a
probationary teacher, pursuant to a Probationary Teaching Contract (Contract). The Contract

1 contained a written provision stating that: "Probationary employees agree that they are employed
2 only on an annual basis and that they have no right to employment after the last day of the school
3 year specified in this Contract specified in writing." (Emphasis added.)

4 2. In 2013-2014, CCSD teacher contracts were governed by a Negotiated Agreement
5 between the CCSD and the Clark County Education Association. (Negotiated Agreement.)
6 Article 36-8-2 of the Negotiated Agreement stated non-renewal of a probationary teacher's
7 contract "shall not be subject to a hearing or arbitration under the provisions of this Article (36-
8 8)."

9 3. On April 28, 2014, Plaintiff was given written Notice of Non-Reemployment of
10 Probationary Employee. The Notice, dated April 25, 2014, stated that Plaintiff's Contract would
11 not be renewed for the coming school year. The non-renewal decision was made by the CCSD
12 BOT. It was not made by Defendant Goldman.

13 4. On May 28, 2014, after his receipt of the Notice of Non-Renewal, Plaintiff
14 forwarded a grievance to CCSD's Employee Management Relations. (Grievance.) The
15 Grievance challenged the BOT non-renewal decision as the "opposite of [Plaintiff's] expectation"
16 and requested three remedies:

17 (1) reappointment "for another year within CCSD;"

18 (2) that Plaintiff's second and third evaluations be "rendered null and void;" and

19 (3) other remedies "that are deemed just and appropriate."

20 5. Article 4-1 of the Negotiated Agreement provided:

21 A grievance is defined as any dispute which arises regarding an
22 interpretation, application, or alleged violation of any of the provisions of
this Agreement.

23 6. Plaintiff's first, second, and third evaluations were issued on November 25, 2013,
24 January 30, 2014, and April 1, 2014, respectively. Plaintiff did not submit a written grievance to
25 any of these evaluations before he submitted the May 28, 2014, Grievance of the non-renewal
26 decision by the CCSD BOT.

27 7. In May 2014, Defendant Goldman was an employee of the CCSD, holding the
28 position of Assistant Superintendent of Employee Management Relations.

1 8. Defendant Goldman was not a party to the Contract, did not have authority to non-
2 renew a probationary teaching contract, and did not have authority to review a decision by the
3 BOT to non-renew a probationary teaching contract.

4 9. In his position as Assistant Superintendent of Employee Management Relations,
5 Defendant Goldman responded to Plaintiff's Grievance via email on July 28, 2014. Therein
6 Defendant Goldman told Plaintiff that he could not grieve the non-renewal pursuant to Article
7 36-8-2 of the Negotiated Agreement and NRS 391, because the non-renewal of a probationary
8 teacher's contract is not subject to a hearing or arbitration. This determination was made based
9 upon the stated nature of Plaintiff's grievance in seeking reappointment to a teaching position.

10 10. Article 36-8-2 of the Negotiated Agreement stated:

11 Pursuant to NRS 391, the non-renewal of a probationary teacher's contract
12 shall not be subject to a hearing or arbitration under the provisions of this
Article (36-8) . . .

13 11. After consultation with the CCSD Office of General Counsel, on August 1, 2014,
14 Defendant Goldman further responded to Plaintiff's Grievance to address Plaintiff's request that
15 Plaintiff's second and third evaluations be "rendered null and void." Defendant Goldman's
16 correspondence told Plaintiff that to the extent this Grievance was attempting to grieve Plaintiff's
17 January 30, 2014, and April 1, 2014 performance evaluations, the Grievance was untimely
18 pursuant to Article 4-5(a) of the Negotiated Agreement which required that a grievance be filed
19 not later than "thirty (30) days after the grievant first knew of the act or condition upon which the
20 grievance is based." To the extent Plaintiff's Grievance sought to have his second and third
21 evaluations "rendered null and void," it was not submitted within 30 days of each evaluation and
22 could not, therefore, be considered.

23 12. Article 4-5(a) of the Negotiated Agreement provided:

24 If the grievance is not resolved at Step One, the grievant may submit in
25 writing the unresolved grievance to the Associate Superintendent, Human
26 Resources Division, or the Superintendent's designee not later than thirty
(30) days after the grievant first knew of the act or condition upon which
the grievance is based.

27 13. On August 19, 2014, Defendant Goldman again sent correspondence in response
28 to Plaintiff's Grievance, advising that Plaintiff's Grievance was never properly before Defendant

1 Goldman because the Board of School Trustees' decision not to renew Plaintiff's Contract was
2 not grievable pursuant to the terms of the Negotiated Agreement and/or statute.

3 14. Defendant Goldman responded to Plaintiff's Grievance on three separate
4 occasions – July 28, August 1, and August 19, 2014 – each time addressing Defendant Goldman's
5 inability to consider the substance of the Grievance based upon the terms of Plaintiff's Contract
6 and of the Negotiated Agreement.

7 15. The CCSD BOT's decision not to renew Plaintiff's Contract was not grievable
8 pursuant to the terms of the Negotiated Agreement and/or Nevada statute.

9 **II. Procedural Progress of This Litigation**

10 16. On May 11, 2020, slightly over six years after the non-renewal of Plaintiff's
11 probationary teaching contract, Plaintiff filed the Complaint initiating this litigation. (Doc ID
12 #1.) On August 4, 2020, Plaintiff filed an Amended Complaint. (Doc ID #6.) As to Defendant
13 Goldman, Plaintiff's only allegations are that he appealed the BOT's non-renewal decision to "the
14 higher authorities, which included Dr. Goldman," and that Dr. Goldman "did not address the
15 issue."

16 17. Defendant Goldman filed a Motion to Dismiss on August 30, 2020. (Doc ID #22.)
17 Plaintiff opposed the motion on September 17, 2020 (Doc ID #33), and Defendant Goldman
18 Replied to the opposition on October 2, 2020. (Doc ID #42.)

19 18. On October 28, 2020, the Court granted in part, and denied in part, Defendant
20 Goldman's Motion to Dismiss (Doc ID #48), leaving two remaining claims for relief against
21 Defendant Goldman:

22 (1) Breach of Contract, and

23 (2) Breach of the Covenant of Good Faith and Fair Dealing.

24 19. On January 7, 2021, no Request for Exemption from Arbitration having been filed,
25 the Court's Alternative Dispute Resolution office appointed an Arbitrator to hear this matter.
26 (Doc ID #71.)

27 20. After the close of discovery, Defendant Goldman and Defendant CCSD BOT filed
28 separate motions for summary judgment on June 14, 2021. (Doc ID #86 and #87.) Defendant

1 Goldman joined in the CCSD BOT Motion for Summary Judgment on June 15, 2021. (Doc ID
2 #93.) Plaintiff did not file opposition to either motion for summary judgment.

3 21. On June 14, 2021, Plaintiff filed a Motion for Partial Summary Judgment as to the
4 CCSD BOT, (Doc ID #88), and on June 20, 2021, Plaintiff withdrew the motion. (Doc ID #94
5 and #95.)

6 22. As of June 14, 2021, the date all parties' motions for summary judgment were
7 filed, the Arbitration hearing was scheduled for July 28, 2021. (Doc ID #82.)

8 23. On June 21, 2021, Plaintiff filed Motion to Strike Defendant Goldman's Motion
9 for Summary Judgment (Doc ID #97), and on that same day filed a Motion to Strike the CCSD
10 BOT Motion for Summary Judgment. (Doc ID #96.) Defendant Goldman filed a Response in
11 Opposition to Plaintiff's Motion to Strike Defendant Goldman's Motion for Summary Judgment
12 on June 29, 2021 (Doc ID #104), along with a Joinder (Doc ID #106) to the CCSD BOT
13 Opposition to Plaintiff's Motion to Strike the CCSD BOT Motion for Summary Judgment and to
14 the CCSD BOT Countermotion to Extend the Dispositive Motion Deadline. (Doc ID #101.)
15 Plaintiff's replies were filed on July 20, 2021. (Doc ID #123 and #124.)

16 24. On June 28, 2021, Plaintiff filed a Motion for Order Extending Time, seeking a
17 seven-day extension of time to file and serve opposition to both Defendants' Motions for
18 Summary Judgment. (Doc ID #102.) Both Defendant Goldman and Defendant CCSD BOT filed
19 notice of Non-Opposition to Plaintiff's requested extension of time. (Doc ID #105 and #119.)

20 25. On July 6, 2021, Plaintiff filed Objections to and Motion to Strike Dr. Edward
21 Goldman's Declaration in support of Defendant Goldman's Motion for Summary Judgment.
22 (Doc ID #111.) Defendant Goldman opposed the motion on August 5, 2021 (Doc ID #126), and
23 Plaintiff replied thereto on August 18, 2021. (Doc ID #130.)

24 26. On July 9, 2020, Plaintiff filed an Opposition to the CCSD BOT Countermotion
25 to Extend the Dispositive Motion Deadline and to Defendant Goldman's Joinder in that
26 Countermotion. (Doc ID #116.)

27 27. The foregoing Motions were initially calendared for hearing on multiple dates –
28 July 26, July 28, and August 9, 2021. On July 13, 2021, the parties stipulated to consolidate

1 hearing of the motions, and an Order was entered consolidating hearing for all motions to July
2 28, 2021. (Doc ID #120.)

3 28. On July 13, 2021, the Arbitrator entered an order continuing the Arbitration
4 hearing from July 28, 2021, to August 27, 2021. (Doc ID #121.)

5 29. On July 28, 2021, the Court reset the consolidated hearings to be heard on August
6 18, 2021.

7 30. On August 13, 2021, the Arbitrator again entered an Order extending the
8 Arbitration, resetting the hearing to October 6, 2021. (Doc ID #129.)

9 31. On August 5, 2021, upon stipulation of the parties, the consolidated hearing was
10 re-scheduled to August 25, 2021. (Doc ID #127.)

11 32. On August 25, 2021, the Court heard and considered all pending motions in this
12 matter, as set forth hereinabove.

13 33. As of the August 25, 2021 hearing on the motions for summary judgment, Plaintiff
14 had filed no Opposition to Defendant Goldman's Motion for Summary Judgment, even after
15 seeking an extension of time to serve and file an opposition, with notice of non-opposition to the
16 extension having been filed by Defendant Goldman and by Defendant CCSD BOT.

17 34. Plaintiff stated at oral argument that his intent was to strike the motions for
18 summary judgment as untimely and to strike the Declarations and Affidavits in support thereof;
19 then, if Plaintiff's Motions to Strike were denied, to thereafter file oppositions.

20 35. Plaintiff presented oral argument in opposition to Defendants' Motions for
21 Summary Judgment, as well as the Joinder, stating that he was entitled to judgment as a matter of
22 law on his motions to strike, and that opposition to the Motions for Summary Judgment was not
23 necessary as he had filed multiple Motions to Strike.

24 If any of the foregoing Findings of Fact is deemed more appropriately categorized as a
25 Conclusion of Law, it shall be so treated.

CONCLUSIONS OF LAW

1. Plaintiff, as a pro se litigant must comply with the Rules of Civil Procedure. *Rodriguez v. Fiesta Palms*, 134 Nev. 654, 659, 428 P.3d 255, 258-59 (2018) (“a pro se litigant cannot use his alleged ignorance as a shield to protect him from the consequences of failing to comply with basic procedural requirements”).

2. Public policy favors disposition on the merits of a case. *Huckabay Props., Inc. v. NC Auto Parts, LLC*, 322 P.3d 429, 433-34, 130 Nev. Adv. Op. 23 (2014).

I. Plaintiff's Motion to Extend the time to Oppose Defendant Goldman's Motion for Summary Judgment

3. Plaintiff's Motion sought a seven (7) day extension of time to oppose Defendant Goldman's Motion for Summary Judgment, Defendant CCSD BOT's Motion for Summary Judgment and Defendant Goldman's Joinder thereto, pursuant to NRCP 6(b) and based on his personal circumstances.

4. Based on good cause shown and on Defendants' filed non-oppositions, Plaintiff's request for additional time up to and including July 6, 2021, to oppose Defendants Goldman's Motion for Summary Judgment, Defendant CCSD BOT's Motion for Summary Judgment and Defendant Goldman's Joinder thereto, is appropriate.

II. Plaintiff's Motion To Strike Defendant Goldman's Motion For Summary Judgment

5. Plaintiff's Motion to Strike Defendant Goldman's Motion for Summary Judgment is predicated on an asserted late filing of the summary judgment motion pursuant to NAR 4(E), which provides that dispositive motions be filed 45 days before an arbitration hearing. As applied to the July 28, 2021 Arbitration hearing in this matter, the filing date fell on June 13, 2021 – a Sunday. All parties, including Plaintiff, filed their summary judgment motions on June 14, 2021, the immediately following Monday. Plaintiff asserts that the motions were more appropriately due on the immediately preceding Friday – a difference of a single judicial day.

6. The Rules of Civil Procedure “should be construed, administered, and employed by the court and the parties to secure the just, speedy, and inexpensive determination of every action and proceeding.” NRCP 1.

1 7. Plaintiff's Motion for Partial Summary Judgment was filed the same date as
2 Defendant Goldman's Motion for Summary Judgment. Plaintiff calculated the deadline for the
3 Motions for Summary Judgment the same as the Defendants and, therefore, it was disingenuous
4 for the Plaintiff to withdraw his Motion for Partial Summary Judgment so that he could then argue
5 that Defendants' Motions for Summary Judgment, including Defendant Goldman's Motion for
6 Summary Judgment, were not timely filed.

7 8. Plaintiff's Motion is not properly brought under NRCP 12 which governs
8 submission of motions regarding the pleadings as set forth therein. It does not govern response
9 to a summary judgment motion brought pursuant to NRCP 56. NRCP 12 does not provide a
10 procedural vehicle to strike a motion for summary judgment, timely or otherwise.

11 9. The timing of the filing of Defendant Goldman's Motion for Summary Judgment
12 caused no prejudice to Plaintiff as Plaintiff has had ample opportunity to oppose the motion;
13 Defendant Goldman did not oppose Plaintiff's request for an extension of time to respond to the
14 motion, and the motion did not come on for hearing until approximately ten weeks after the
15 Motion for Summary Judgment was filed.

16 10. At the time Defendant Goldman's Motion for Summary Judgment was filed, the
17 Arbitration hearing was scheduled for July 28, 2021. It was subsequently moved by Stipulation
18 of the parties first to August 25, 2021, and then to October 6, 2021, resulting in the motion having
19 been filed more than the 45 days allotted by NAR 4 for submission and consideration of
20 dispositive motions in advance of the arbitration hearing. The argument that Defendant
21 Goldman's Motion for Summary Judgment was untimely pursuant to NAR 4(E) is, therefore,
22 mooted by the extension of the arbitration hearing date.

23 11. Plaintiff received full and fair notice of Defendant Goldman's Motion for
24 Summary Judgment, more than 45 days before an arbitration hearing in this matter and was given
25 full and fair opportunity to oppose the motion and to be heard in opposition.

26 12. There is no legal authority cited by Plaintiff which would justify striking
27 Defendant Goldman's Motion for Summary judgment in the circumstances presented.
28

1 **III. Goldman's Motion For Summary Judgment**

2 **A. Standard of For Summary Judgment**

3 13. Summary judgment is appropriate and shall be granted if the movant shows that
4 there is no genuine issue as to any material fact and the movant is entitled to a judgment as a
5 matter of law. NRCP 56. It is a procedural tool by which "factually insufficient claims or
6 defenses [may] be isolated and prevented from going to trial with the attendant unwarranted
7 consumption of public and private resources." *Boesiger v. Desert Appraisals*, 135 Nev. Adv.
8 Op. 25, p. 4 (2019), quoting *Celotex Corp v. Catrett*, 477 U.S. 317, 327 (1986).

9 14. Summary judgment is appropriate under NRCP 56 when the pleadings,
10 depositions, answers to interrogatories, admissions, and affidavits, if any, that are properly before
11 the court demonstrate that no genuine issue of material fact exists, and the moving party is entitled
12 to judgment as a matter of law. *Wood v. Safeway, Inc.*, 121 Nev. 724, 731, 121 P.3d 1026, 1031
13 (2005).

14 15. When the nonmoving party bears the burden of persuasion at trial, as Plaintiff does
15 here, then the moving party may show an absence of a genuine issue of material fact by either
16 putting forth evidence that negates an essential element of the nonmoving party's claim or by
17 pointing to the absence of evidence in support of the nonmoving party's case. *Cuzze v. University*
18 *and Community College System of Nevada*, 123 Nev. 598, 602-603, 172 P.3d. 131 (2007), citing
19 *Celotex*, 477 U.S. at 331.

20 16. To survive summary judgment, the nonmoving party must rely upon more than
21 general allegations and conclusions set forth in the pleadings and must present specific facts
22 demonstrating the existence of a genuine issue. *Boesiger v. Desert Appraisals*, 135 Nev. Adv.
23 Op. 25, p. 4 (2019), citing *Wood, supra*, 121 Nev. at 732, 121 P.3d at 1031 (internal quotations
24 omitted). *See also Matsushita Elec. Indus. Co. v. Zenith Radio Corp.*, 475 U.S. 574, 586 (1986)
25 (the nonmoving party bears the burden to do more than simply show that there is some
26 metaphysical doubt as to the operative facts in order to avoid summary judgment being entered
27 in the moving party's favor.)
28

1 17. In accordance with NRCP 56 and the foregoing direction from the Nevada
2 Supreme Court, the Court has read and considered Defendant Goldman's Motion for Summary
3 Judgment along with all of the exhibits attached thereto, including but not limited to the
4 Declaration of Dr. Edward Goldman.

5 **B. Breach of Contract**

6 18. The elements of a breach of contract claim in Nevada are: 1) plaintiff and
7 defendant entered into a valid and existing contract; 2) plaintiff performed or was excused from
8 performance; 3) defendant breached the contract; and 4) plaintiff sustained damage as a result of
9 the breach. *Calloway v. City of Reno*, 116 Nev. 250, 993 P.2d 1259 (2000); *Saint v. Int'l Game*
10 *Tech.*, 434 F. Supp. 2d 913, 919-920 (D. Nev. 2006). Q

11 19. When a contract is clear on its face, it will be construed from the written language
12 and enforced as written. *Ellison v. C.S.A.A.*, 106 Nev. 601, 603, 797 P.2d 975, 977 (1990); *White*
13 *Cap Indus., Inc. v. Ruppert*, 119 Nev. 126, 128, 67 P.3d 318, 319 (2003) (unambiguous contracts
14 are construed according to their plain language).

15 20. Plaintiff's Contract was between Plaintiff and the CCSD BOT and was not a
16 contract between Plaintiff and Defendant Goldman. The non-renewal by the CCSD BOT cannot
17 constitute breach by Defendant Goldman who was not a party to the Contract and did not make
18 the non-renewal.

19 21. By the written terms of the Contract, Plaintiff had no right to or expectation of
20 continued employment beyond the 2013-2014 school year – the non-renewal by the CCSD BOT
21 was contemplated by the Contract and was not in breach of its express terms.

22 22. Defendant Goldman did not breach the Contract by rejecting Plaintiff's May 28,
23 2014 request to grieve the non-renewal – the Contract was governed by the Negotiated Agreement
24 which stated at Article 36-8-2 that that non-renewal of a probationary teacher's contract "shall
25 not be subject to a hearing or arbitration under the provisions of this Article (36-8)."

26 23. Defendant Goldman did not breach the contract by rejecting Plaintiff's May 28,
27 2014, request to grieve the January 30, 2014, and April 1, 2014, performance evaluations – the
28 Contract was governed by the Negotiated Agreement which stated at Article 4-5(a) that a

1 grievance must be filed no later than “thirty (30) days after the grievant first knew of the act or
2 condition upon which the grievance is based.” The May 28, 2014 Grievance was untimely as to
3 any challenge of the January 30, 2014, and April 1, 2014, performance evaluations.

4 24. Defendant Goldman addressed to Plaintiff’s Grievance on three separate occasions
5 – July 28, August 1, and August 19, 2014; Defendant Goldman’s response to the Grievance did
6 not breach of any provision of the Contract and Defendant Goldman cannot, therefore, be liable
7 to Plaintiff for an alleged breach of the Contract for a failure to “address the issue” raised by the
8 Grievance, as alleged by Plaintiff.

9 **C. Breach of the Covenant of Good Faith and Fair Dealing**

10 25. Every contract imposes upon the contracting parties a duty of good faith and fair
11 dealing. A wrongful act committed during the course of a contractual relationship may give rise
12 to both contractual and tort remedies. *Albert H. Wohlers & Co. v. Bartgis*, 114 Nev. 1249, 969
13 P.2d 949 (1998); *Hilton Hotels Corp. v. Butch Lewis Prods., Inc.*, 109 Nev. 1043, 862 P.2d 1207
14 (1993).

15 26. The covenant of good faith and fair dealing that exists in every Nevada contract
16 forbids arbitrary, unfair acts by one party to a contract that disadvantage the other. *See Frantz v.*
17 *Johnson*, 116 Nev. 455, 999 P.2d 351 (2000).

18 27. Errors of judgment are not evidence of bad faith. NRS 453.030; 453.080(1). *Hulse*
19 *v. Sheriff, Clark County*, 88 Nev. 393, 498 P.2d 1317 (1972).

20 28. A claim alleging breach of the implied covenant of good faith and fair dealing
21 cannot be based on the same conduct establishing a separately pled breach of contract claim. *Id.*;
22 *Shaw v. CitiMortgage, Inc.*, 201 F. Supp. 3d 1222, 1252 (D. Nev. 2016) (holding that the
23 defendant’s conduct that was a “direct and actual breach” of the subject contract could not support
24 the plaintiff’s implied-covenant claim).

25 29. Where there is no contractual duty to perform a specific act, the omission to
26 perform that act does not constitute an arbitrary or unfair act to the plaintiff’s disadvantage.
27 *Nelson v. Heer*, 123 Nev. 226, 163 P.3d 420 (2007).

Contractual breach of the covenant of good faith and fair dealing

30. To establish a contractual breach of the implied covenant of good faith and fair dealing, a plaintiff must prove each of the elements of the claim: 1) plaintiff and defendant were parties to a contract; 2) defendant owed a duty of good faith to plaintiff; 3) defendant breached that duty by performing in a manner that was unfaithful to the purpose of the contract; and 4) plaintiff's justified expectations were thus denied. *See Perry v. Jordan*, 111 Nev. 943, 900 P.2d 335 (1995); *Hilton Hotels v. Butch Lewis Prods.*, 107 Nev. 226, 808 P.2d 919 (1991). The elements are conjunctive.

31. Defendant Goldman was not a party to the Contract.

32. Plaintiff's claim against Defendant Goldman for breach of the implied covenant of good faith and fair dealing, is based on the same alleged actions or inactions – namely Defendant Goldman's rejection Plaintiff's May 28, 2014 request to grieve the non-renewal. The action giving rise to Plaintiff's breach of contract claim against Dr. Goldman cannot also give rise to Plaintiff's breach of the implied covenant of good faith and fair dealing claim against Defendant Goldman.

33. Even if it could, Defendant Goldman's response to Plaintiff's Grievance, consistent with the Negotiated Agreement governing the Contract, was faithful to the purpose of the Contract.

34. By the very written terms of the Contract, Plaintiff had no justified expectation in renewal of the Contract.

35. Neither the Contract nor the Negotiated Agreement gave rise to a "review" process to challenge a non-renewal, and Defendant Goldman did not breach the covenant of good faith and fair dealing "by failing to address the issue" of Plaintiff's non-renewal as alleged by Plaintiff, when advising Plaintiff, in writing, that Plaintiff had no right to a review of the non-renewal, or to challenge his performance evaluations as of the date of Plaintiff's Grievance.

36. Defendant Goldman has not committed a contractual breach of the covenant of good faith and fair dealing with regard to Plaintiff's Contract.

Tortious breach of the covenant of good faith and fair dealing

37. To establish a tortious breach of the implied covenant of good faith and fair dealing, Plaintiff must prove each element of the claim: 1) plaintiff and defendant were parties to a contract; 2) defendant owed a duty of good faith to plaintiff arising from the contract; 3) A special element of reliance of fiduciary duty existed between plaintiff and defendant where defendant was in a superior or entrusted position; 4) defendant breached the duty of good faith by engaging in misconduct; and 5) plaintiff suffered damages as a result of the breach. *Great Ameri. Ins. Co. v. Gen Builders, Inc.*, 113 Nev. 346, 934 P.2d 257 (1997). The elements are conjunctive.

38. Tort liability for breach of the implied covenant of good faith and fair dealing is appropriate where the party in the superior or entrusted position has engaged in "grievous and perfidious misconduct." *State, Univ. and Community College System v. Sutton*, 120 Nev. 972, 103 P.3d 8 (2004).

39. Defendant Goldman was not a party to the Contract.

40. Defendant Goldman's response to Plaintiff's grievance consistent with the Negotiated Agreement governing the Contract, was faithful to the purpose of the Contract.

41. Defendant Goldman responded in writing to Plaintiff's Grievance on three separate occasions, advising that the terms of the Contract and the Negotiated Agreement did not allow Plaintiff to challenge the non-renewal of his Contract, and that the grievance was untimely as to any challenge of the performance evaluations. Where those conclusions were based upon the clear written language of the Contract and the Negotiated Agreement, Defendant Goldman has not engaged in misconduct, much less "grievous and perfidious misconduct," in reaching them.

42. By the very written terms of the Contract, Plaintiff had no justified expectation in renewal of the Contract.

43. Defendant Goldman has not engaged in conduct constituting a tortious breach of the covenant of good faith and fair dealing.

D. Defendant Goldman is Not a Proper Party to this Suit

Individual Capacity

44. Plaintiff's allegation against Defendant Goldman is solely that Goldman failed "to address the issue" raised in Plaintiff's Grievance.

45. The Amended Complaint is void of any allegation that Defendant Goldman's actions were personally motivated or in some manner separate and apart from his role as the CCSD Assistant Superintendent of Employee Management Relations.

46. Plaintiff has presented no opposition to Defendant Goldman's Motion for Summary Judgment and has not presented argument or evidence to support an allegation against Defendant Goldman in his individual capacity.

47. Defendant Goldman owed no duty to Plaintiff beyond his duty as a CCSD actor.

48. Defendant Goldman is entitled to summary judgment in his individual capacity.

Official Capacity

49. A suit against a public officer or employee in his official capacity is the same as a claim against the governmental entity itself. *See e.g., Brandon v. Hold*, 469 U.S. 464, 469-70 (1984) ("Official capacity suits generally represent an action against an entity of which an officer is an agent."); *Larez v. City of Los Angeles*, 946 F.2d 630, 646 (9th Cir. 1991) (stating "a suit against a government office in his official capacity is equivalent to a suit against the governmental entity itself.")

50. Duplicative, redundant, or superfluous claims are properly dismissed if they are based on the same operative facts and allege the same injury. *See Hoagland ex rel. Midwest Transit, Inc. v. Sandberg, Phoenix & von Gontard, P.C.*, 385 F.3d 737, 744 (7th Cir. 2004); *see also* NRCP 12(f) (authorizing courts to strike redundant material from pleadings). *See also Robinson v. District of Columbia*, 403 F. Supp. 2d 39, 49 (D.D.C. 2005) ("it is duplicative to name both a governmental entity and the entity's employees in their official capacity," [thus] "courts have routinely dismissed corresponding claims against individuals named in their official capacity as redundant and an inefficient use of judicial resources.")

1 51. Plaintiff's suit against Defendant Goldman in his official capacity is redundant to
2 the suit against the CCSD BOT as it is based on the same operative facts and alleges the same
3 injury.

4 52. Defendant Goldman is entitled to judgment in his official capacity as an employee
5 of the CCSD.

6 Discretionary Immunity

7 53. CCSD is a political subdivision of the state of Nevada. NRS 386.010. NRS
8 Chapter 41 governs suits against and liability of political subdivisions and their employees.
9 Defendant Goldman's liability as an employee of CCSD is, therefore, subject to NRS Chapter 41.

10 54. Plaintiff's Amended Complaint prays for "[g]eneral damages for the past and
11 present suffering" – a tort damage.

12 55. An employee of a political subdivision has discretionary immunity for acts or
13 omissions based upon the exercise or performance, or the failure to exercise or perform, a
14 discretionary function or duty, whether or not the discretion involved is abused. NRS 41.032

15 56. The *Berkovitz-Gaubert* test determines if a public employee is entitled to
16 discretionary immunity. *Martinez v. Maruszczak*, 123 Nev. 433, 168 P.3d 720 (2007), citing
17 *Berkovitz v. United States*, 486 U.S. 531, 536-37, 108 S. Ct. 1954 (1988), and *United States v.*
18 *Gaubert*, 499 U.S. 315, 322, 111 S. Ct. 1267 (1991.) A public employee's act is discretionary in
19 nature when "the acts . . . involve an 'element of judgment or choice,' and "[the] judgment
20 [exercised] is of the kind that the discretionary-function exception was designed to shield." *Id.*

21 57. The focus of the inquiry is not the employee's subjective intent but is instead on
22 the nature of the actions taken and whether they are susceptible to policy analysis. *Martinez*,
23 *supra*, 123 Nev. at 445, 168 P.2d at 728. Decisions at all levels of government may be protected
24 by discretionary immunity if they require analysis of government policy concerns. *Martinez*,
25 *supra*, 123 Nev. at 446-47, 168 P.2d at 729.

26 58. Defendant Goldman's response to Plaintiff's Grievance required analysis and
27 consideration of the public policy embodied in Plaintiff's Contract and the Negotiated Agreement.
28

1 59. Defendant Goldman has discretionary immunity from suit for tort damages. NRS
2 41.032.

3 Authority For Relief Sought

4 60. Plaintiff's allegations against Defendant Goldman arise from Defendant
5 Goldman's perceived duties as the CCSD Assistant Superintendent of Employee Management
6 Relations. Defendant Goldman has no authority to review the BOT's non-renewal or to extend a
7 new contract to Plaintiff.

8 61. NRS 41.0349 requires the CCSD BOT to indemnify Defendant Goldman as a
9 public employee, for conduct within the course and scope of his employment. Defendant
10 Goldman is entitled to indemnification by the CCSD.

11 62. The damages sought by Plaintiff are not recoverable against Defendant Goldman.

12 **E. The Negotiated Agreement Provides the Exclusive Remedy for Plaintiff's**
13 **Contract-Based Claims as Based on the Terms of the Negotiated Agreement**

14 63. Plaintiff's employment with CCSD was governed by NRS Chapter 288 and
15 covered by the Negotiated Agreement. NRS Chapter 288 is "intended to apply similar principles"
16 as recognized by federal labor laws." *Truckee Meadows Fire Protection District v. International*
17 *Ass'n of Firefighters, Local 2487*, 109 Nev. 367, 374, 849 P.2d 343 (1993).

18 64. The Negotiated Agreement, as the collective bargaining agreement governing
19 Plaintiff's employment, provides the "uniform and exclusive method for orderly settlement of
20 employee grievance." *Republic Steel Corp. v. Maddox*, 379 U.S. 650, 653 (1952). ("If a
21 grievance procedure cannot be made exclusive, it loses much of its desirability as a method of
22 settlement. A rule creating such a situation would inevitably exert a disruptive influence upon
23 both the negotiation and administration of collective agreements."); *see also* NRS 288.150(o)
24 (identifying that a mandatory subject of collective bargaining includes "grievance and arbitration
25 procedures for resolution of disputes relating to interpretation or application of collective
26 bargaining agreements").

27 65. An employee covered by a collective bargaining agreement may not challenge his
28 employment status through state law claims which would require interpretation of the collective

1 bargaining agreement. *MGM Grand Hotel-Reno, Inc. v. Insley*, 102 Nev. 513, 517, 728 P.2d 821
2 (1986) (citing *Allis Chalmers v. Lueck*, 471 U.S. 202 (1985)) (alleged breach of implied covenant
3 of good faith and fair dealing arising from collective bargaining agreement claim legally
4 insufficient). The rule applies to claims “which would require the court to interpret the meaning
5 and scope of a term” of the collective bargaining agreement. *MGM Grand Hotel-Reno, Inc. v.*
6 *Insley, supra*, 102 Nev. at 517.

7 66. Plaintiff’s claim against Defendant Goldman is a direct result of his dissatisfaction
8 with Defendant Goldman’s response, in application of the Negotiated Agreement, to Plaintiff’s
9 Grievance. Plaintiff’s Grievance, whether as to the non-renewal of his Contract or as to his
10 evaluations and the timeline for response thereto, is governed by the Negotiated Agreement.

11 67. Plaintiff’s suit against Defendant Goldman seeks this Court’s interpretation of the
12 Contract as governed by the Negotiated Agreement, and in pertinent part, Defendant Goldman’s
13 compliance therewith.

14 68. The Negotiated Agreement governing Plaintiff’s employment with the CCSD
15 provides the exclusive remedy for challenging disputes which arise regarding an interpretation,
16 application, or alleged violation of any of the provisions of the Negotiated Agreement.

17 69. Therefore, Plaintiff’s contract-based claims are preempted by the Negotiated
18 Agreement and Defendant Goldman is entitled to summary judgment thereon.

19 **IV. Plaintiff’s Motion To Strike Defendant Goldman’s Declaration in Support of**
20 **Defendant Goldman’s Motion For Summary Judgment**

21 70. A motion must be filed with a memorandum of points and authorities in support
22 of each ground therefore, the absence of which may be construed as an admission that the motion
23 is not meritorious and is cause for its denial. EDCR 2.20(c).

24 71. Plaintiff’s Motion to Strike the Declaration of Dr. Edward Goldman in Support of
25 Defendant Goldman’s Motion for Summary Judgment, contains no points or authorities
26 discussing how Defendant Goldman’s Declaration is deemed insufficient, and instead sets forth
27 deficiencies of a Declaration by an *America Lomeli* – a Declaration not submitted by Defendant
28 Goldman.

72. Plaintiff's Motion to Strike, unsupported by reference to Defendant Goldman's Declaration, is insufficient on its face. A motion must be filed with a memorandum of points and authorities in support of each ground therefore, the absence of which may be construed as an admission that the motion is not meritorious and is cause for its denial. EDCR 2.20(c). Plaintiff's objection and motion to strike poses no specific objection to the testimony stated in Defendant Goldman's Declaration and instead makes a blanket argument without reference to Defendant Goldman's Declaration itself.

73. NRCP 56(c)(1) provides that a party may support a motion for summary judgment by "citing to particular parts of materials in the record, including . . . documents . . . affidavits or declarations . . . or other materials." Defendant Goldman's Motion for Summary Judgment, made under penalty of perjury, setting forth the basis of his knowledge of the facts stated therein, and attesting to the CCSD documents referenced therein – documents which authenticity has not been challenged by Plaintiff – constitutes testimony to be offered by him at the time of trial. The Declaration is made based on personal knowledge, attests to matters concerning which Defendant Goldman is competent to testify as stated in the Declaration, and attests to the truth and accuracy of the statements contained therein. *See* NRCP 55(c)(4), and NRS 50.015 ([e]very person is competent to be a witness except as otherwise provided in this title).

74. Based upon the foregoing, Defendant Goldman's Declaration sufficiently complies with the requirements of NRCP 56(c)(1) and (c)(4), and Plaintiff's Motion to Strike the Declaration is denied.

V. Defendant Goldman's Joinder in CCSD BOT's Countermotion to Extend the Dispositive Motion Deadline.

75. At the time Defendant Goldman's Motion for Summary Judgment was filed, the Arbitration hearing was scheduled for July 28, 2021.

76. NAR 4(E) provides for dispositive motions to be filed 45 days in advance of an Arbitration hearing date.

77. All parties filed their motions for summary judgment on Monday, June 14, 2021, including Plaintiff. Plaintiff's motions to strike Defendants' motions for summary judgment

1 asserts motions for summary judgment were due pursuant to NAR(E) on Friday, June 11 – a
2 difference of a single judicial day. The CCSD BOT’s counter-motion, joined by Defendant
3 Goldman, to extend the time for filing dispositive motions by the single judicial day to Monday,
4 June 14, 2021, is both in good faith and reasonable in light of Plaintiff’s own filing on June 14,
5 2021.

6 78. Further, the Arbitration hearing was subsequently moved by Stipulation of the
7 parties first to August 25, 2021, and then to October 6, 2021. The change in the Arbitration
8 hearing date resulted in Defendant Goldman’s Motion having been filed more than the 45 days
9 allotted by NAR 4(E) for submission and consideration of dispositive motions in advance of the
10 arbitration hearing.

11 79. Defendant CCSD BOT’s request, joined by Defendant Goldman, for an extension
12 of time to extend the dispositive motion deadline calendared from the July 28, 2021 Arbitration
13 hearing is, therefore, without prejudice to Plaintiff – the original 45 day deadline was mooted by
14 the extension of the Arbitration hearing date and by Defendant’s non-opposition to the extension
15 of time sought by Plaintiff to oppose Defendants’ motions for summary judgment.

16 If any of the foregoing Conclusions of Law is deemed more appropriately categorized as
17 a Finding of Fact, it shall be so treated.

18 **NOW, THEREFORE, IT IS HEREBY ORDERED THAT:**

19 Plaintiff’s Motion To Strike Defendant Goldman’s Motion For Summary Judgment is
20 DENIED;

21 Plaintiff’s Motion to Extend the Time to Oppose Defendant Dr. Edward Goldman’s
22 Motion for Summary Judgment is GRANTED;

23 Defendant Goldman’s Joinder in the CCSD BOT Counter-Motion to Extend Dispositive
24 Motion Deadline is DENIED as moot;

25 Plaintiff’s Motion To Strike Defendant Goldman’s Declaration in Support of Defendant
26 Goldman’s Motion For Summary Judgment, is DENIED; and

27 ///

28 ///

1 Defendant Dr. Edward Goldman's Motion For Summary Judgment is GRANTED on its
2 merits.

3 IT IS SO ORDERED this ____ day of ____, 2021. ^{Dated this 20th day of October, 2021}

HEARING TIME: 9:00 a.m.

ORDER GRANTING
DEFENDANT LOUIS MARKOUZIS' MOTION TO DISMISS AND DENYING
PLAINTIFF'S COUNTER-MOTION

DEFENDANT LOUIS MARKOUZIS' Motion to Dismiss Plaintiff's Amended Complaint
having come on for hearing on January 11, 2021, Plaintiff TENKASI VISWANATHAN having
represented himself pro se, DEFENDANT LOUIS MARKOUZIS ("Defendant") having been
represented by attorney CRYSTAL J. HERRERA, ESQ. of the Clark County School District
Office of the General Counsel, and Defendant DR. EDWARD GOLDMAN having been
represented by attorney STEPHANIE A. BARKER, ESQ. of the law firm of Olson, Cannon,

1 Gormley & Stoberski, and the Court having read and considered Defendant's Motion to Dismiss,
2 Plaintiff's Opposition and Countermotion, and Defendant's Reply in Support of the Motion to
3 Dismiss, the Court construing the factual allegations contained in Plaintiff's Amended Complaint
4 (filed August 4, 2020) as true in accordance with NRCP 12(b)(5), and good cause appearing,

5 THE COURT HEREBY ORDERS DEFENDANT LOUIS MARKOUZIS' MOTION TO
6 DISMISS GRANTED, WITHOUT PREJUDICE, FINDING AND ORDERING THE
7 FOLLOWING:

8 (1) Plaintiff's claim for Breach of Fiduciary Duty against Defendant, as conceded by
9 Plaintiff, is hereby DISMISSED, in accordance with the Court's Order entered on November 2,
10 2020;

11 (2) Plaintiff's claims for Breach of Contract and the Implied Covenant of Good Faith and
12 Fair Dealing against Defendant are hereby DISMISSED. As pled, there was no contract between
13 Plaintiff and Defendant, therefore, there could not be any breach of contract or breach of the
14 implied covenant of good faith and fair dealing. Plaintiff's arguments ignored or contradicted his
15 own pleadings. Plaintiff's proposed amendment was also futile, because there was no contract
16 between Plaintiff and Defendant, based on the current pleadings; and

17 (3) The preemption arguments are moot given the Court's dismissal of Plaintiff's claims
18 against Defendant under the NRCP 12(b)(5) standard.

1 THE COURT FURTHER ORDERS PLAINTIFF'S COUNTERMOTION IS HEREBY
2 DENIED, WITHOUT PREJUDICE, FINDING AND ORDERING THE FOLLOWING:

3 (1) Plaintiff's Countermotion is hereby DENIED, as Plaintiff sought leave to amend his
4 Amended Complaint, but did not attach a proposed amended complaint as required under Eighth
5 Judicial District Court Rule 2.30(a).

ORDER GRANTING
DEFENDANT LOUIS MARKOUZIS' MOTION TO DISMISS AND DENYING
PLAINTIFF'S COUNTER-MOTION

DEFENDANT LOUIS MARKOUZIS' Motion to Dismiss Plaintiff's Amended Complaint
having come on for hearing on January 11, 2021, Plaintiff TENKASI VISWANATHAN having
represented himself pro se, DEFENDANT LOUIS MARKOUZIS ("Defendant") having been
represented by attorney CRYSTAL J. HERRERA, ESQ. of the Clark County School District
Office of the General Counsel, and Defendant DR. EDWARD GOLDMAN having been
represented by attorney STEPHANIE A. BARKER, ESQ. of the law firm of Olson, Cannon,

1 Gormley & Stoberski, and the Court having read and considered Defendant's Motion to Dismiss,
2 Plaintiff's Opposition and Countermotion, and Defendant's Reply in Support of the Motion to
3 Dismiss, the Court construing the factual allegations contained in Plaintiff's Amended Complaint
4 (filed August 4, 2020) as true in accordance with NRCP 12(b)(5), and good cause appearing,

5 THE COURT HEREBY ORDERS DEFENDANT LOUIS MARKOUZIS' MOTION TO
6 DISMISS GRANTED, WITHOUT PREJUDICE, FINDING AND ORDERING THE
7 FOLLOWING:

8 (1) Plaintiff's claim for Breach of Fiduciary Duty against Defendant, as conceded by
9 Plaintiff, is hereby DISMISSED, in accordance with the Court's Order entered on November 2,
10 2020;

11 (2) Plaintiff's claims for Breach of Contract and the Implied Covenant of Good Faith and
12 Fair Dealing against Defendant are hereby DISMISSED. As pled, there was no contract between
13 Plaintiff and Defendant, therefore, there could not be any breach of contract or breach of the
14 implied covenant of good faith and fair dealing. Plaintiff's arguments ignored or contradicted his
15 own pleadings. Plaintiff's proposed amendment was also futile, because there was no contract
16 between Plaintiff and Defendant, based on the current pleadings; and

17 (3) The preemption arguments are moot given the Court's dismissal of Plaintiff's claims
18 against Defendant under the NRCP 12(b)(5) standard.

1 THE COURT FURTHER ORDERS PLAINTIFF'S COUNTERMOTION IS HEREBY
2 DENIED, WITHOUT PREJUDICE, FINDING AND ORDERING THE FOLLOWING:

3 (1) Plaintiff's Countermotion is hereby DENIED, as Plaintiff sought leave to amend his
4 Amended Complaint, but did not attach a proposed amended complaint as required under Eighth
5 Judicial District Court Rule 2.30(a).

DEFENDANT PAT SKORKOWSKY'S MOTION TO DISMISS

Ms. Herrera argued in support of the instant Motion, stating that Plaintiff attempted to serve Defendant Skorkowsky through the School District's legal department, and the legal department did not accept service on behalf of Defendant Skorkowsky, nor were they authorized to accept service on behalf of Defendant Skorkowsky. Mr. Viswanathan argued in opposition, stating that an Affidavit was filed by the process server, indicating that Defendant Skorkowsky had been properly served. COURT ORDERED the instant Motion was hereby GRANTED WITHOUT PREJUDICE for all of the reasons set forth in the Motion and Reply, FINDING the following: (1) Defendant Skorkowsky was not properly served with the Summons and Complaint; and (2) the Affidavit of Service indicated that the manner of service was substitute business, which was not proper.

Ms. Herrera to prepare the written Order, incorporating the reasons in the Motion and Reply, as the

Court's ruling, and forward it to Mr. Viswanathan via e-mail, for approval as to form and content; Mr. Viswanathan shall have two (2) days from receipt of the Proposed Order, to make any corrections, before Ms. Herrera submitted the Proposed Order to the Court.

DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' MOTION TO DISMISS...PLAINTIFF'S OPPOSITION AND COUNTERMOTION TO DEFENDANT CCSD BOARD OF TRUSTEES' MOTION TO DISMISS

Ms. Herrera argued in support of Defendant CCSD's Motion, stating that breach of fiduciary duty, breach of contract, and breach of covenant of good faith and fair dealing claims, must be dismissed based upon the statute of limitations. Mr. Viswanathan argued in opposition, stating that Defendant raised issues in their Reply that were not raised in the Motion, which deprived him of the opportunity to address those issues. COURT ORDERED Defendant Clark County School District Board of Trustees' Motion to Dismiss, was hereby GRANTED IN PART / DENIED IN PART WITHOUT PREJUDICE, FINDING and ORDERING the following: (1) the claim for breach of fiduciary duty was hereby DISMISSED, as the three year statute of limitations applied to said claim; (2) as Plaintiff admitted on page 8, lines 18-21 of the Opposition, time began to run on April 28, 2014, when the breach was discovered; (3) the Complaint was not filed until May 11, 2020, and whether the Court considered that Complaint, or the Amended Complaint (filed August 4, 2020), the result would be the same; (4) for the purpose of the instant Motion, the Court accepted the factual allegations contained in the original Complaint as true, including the procedural aspects; (5) the breach of fiduciary duty claim must be dismissed as a matter of law; (6) the remainder of the requested relief was DENIED WITHOUT PREJUDICE; (7) the Court considered the substance of the Plaintiff's claims, and accepted all facts as pled as true, as it must under the Motion to Dismiss standard; (8) the breach of contract and breach of covenant of good faith and fair dealing claims, both had six year statutes of limitations; (9) based upon the statutes of limitations, the tolling from Governor Sisolak's April 1, 2020, Executive Order, and Court's Administrative Orders, the Complaint was timely filed as to the breach of contract and breach of covenant of good faith and fair dealing claims; and (10) the preemption arguments were essentially raised for the first time in the Reply; therefore, it would not be proper to consider them at this time.

COURT FURTHER ORDERED Plaintiff's Countermotion was hereby GRANTED IN PART / DENIED IN PART WITHOUT PREJUDICE, FINDING and ORDERING the following: (1) the Countermotion was GRANTED IN PART to construe the Amended Complaint (filed on August 4, 2020 at 4:00 PM), as having been filed on August 3, 2020; and (2) the remainder of the requested relief, was hereby DENIED WITHOUT PREJUDICE.

Ms. Herrera to prepare the written Order for the Motion and Countermotion, and forward it to Mr. Viswanathan via e-mail, for approval as to form and content; Mr. Viswanathan shall have two (2) days from receipt of the Proposed Order, to make any corrections, before Ms. Herrera submitted the Proposed Order to the Court.

DEFENDANT DR. EDWARD GOLDMAN'S MOTION TO DISMISS...PLAINTIFF'S OPPOSITION TO
DEFENDANT GOLDMAN'S MOTION TO DISMISS

Ms. Barker argued in support of Defendant Goldman's Motion, stating that Defendant Goldman was not a party to the contract between the School District and Mr. Viswanathan. Additionally, Ms. Barker argued that Governor Sisolak's Executive Order did not toll the statutes of limitations; NRS 391.100 and NRS 391.120 cited. Mr. Viswanathan argued in opposition, stating that Defendant Goldman was the manager of employee relations; therefore, it was appropriate to include him as a party in the Complaint. COURT ORDERED Defendant Dr. Edward Goldman's Motion to Dismiss, was hereby GRANTED IN PART / DENIED IN PART WITHOUT PREJUDICE, FINDING and ORDERING the following: (1) the claim for breach of fiduciary duty was hereby DISMISSED, as the three year statute of limitations applied to said claim; (2) as Plaintiff admitted on page 8, lines 18-21 of the Opposition, time began to run on April 28, 2014, when the breach was discovered; (3) the Complaint was not filed until May 11, 2020, and whether the Court considered that Complaint, or the Amended Complaint (filed August 4, 2020), the result would be the same; (4) for the purpose of the instant Motion, the Court accepted the factual allegations contained in the original Complaint as true, including the procedural aspects; (5) the breach of fiduciary duty claim must be dismissed as a matter of law; (6) the remainder of the requested relief was DENIED WITHOUT PREJUDICE; (7) the Court considered the substance of the Plaintiff's claims, and accepted all facts as pled as true, as it must under the Motion to Dismiss standard; (8) the breach of contract and breach of covenant of good faith and fair dealing claims, both had six year statutes of limitations; and (9) based upon the statutes of limitations, the tolling from Governor Sisolak's April 1, 2020, Executive Order, and Court's Administrative Orders, the Complaint was timely filed as to the breach of contract and breach of covenant of good faith and fair dealing claims.

COURT FURTHER ORDERED Plaintiff's Countermotion was hereby GRANTED IN PART / DENIED IN PART WITHOUT PREJUDICE, FINDING and ORDERING the following: (1) the Countermotion was GRANTED IN PART to construe the Amended Complaint (filed on August 4, 2020 at 4:00 PM), as having been filed on August 3, 2020; and (2) the remainder of the requested relief, was hereby DENIED WITHOUT PREJUDICE.

Ms. Barker to prepare the written Order for the Motion and Countermotion, and forward it to Mr. Viswanathan via e-mail, for approval as to form and content; Mr. Viswanathan shall have two (2) days from receipt of the Proposed Order, to make any corrections, before Ms. Barker submitted the Proposed Order to the Court.

- DEFENDANT LOUIS MARKOUZIS' MOTION TO DISMISS...PLAINTIFF'S PARTIAL
OPPOSITION AND COUNTER MOTION TO DEFENDANT LOUIS MARKOUZIS' MOTION TO
DISMISS

All parties present via Blue Jeans.

The Court noted that it reviewed the Motion, Opposition and Countermotion, and the Reply. Ms. Herrera argued in support of Defendant Markouzis' Motion to Dismiss, stating that Plaintiff conceded that the Breach of Fiduciary Duty claims should be dismissed. Additionally, Ms. Herrera argued that Defendant Markouzis was not a party to the subject contract; therefore, the Breach of Contract and Breach of Implied Covenant of Good Faith and Fair Dealing claims against Mr. Markouzis should be dismissed. Furthermore, Ms. Herrera argued that the official capacity claims may be able to stand against an employee or officer, however, those claims were redundant when the actual entity was named as a Defendant, as was the scenario in the instant case. Mr. Viswanathan

argued in opposition to Defendant Markouzis' Motion to Dismiss, and in support of the Counter Motion, stating that Defendant's counsel raised issues outside of the pleadings during their oral arguments; therefore, the Court should not consider those arguments. COURT ORDERED Defendant Louis Markouzis' Motion to Dismiss was hereby GRANTED WITHOUT PREJUDICE, FINDING the following: (1) as conceded by the Plaintiff, the Breach of Fiduciary Duty claim against Defendant Markouzis, was hereby DISMISSED; (2) The Breach of Contract claim against Defendant Markouzis, as well as the Breach of Implied Covenant of Good Faith and Fair Dealing claim against Defendant Markouzis, were hereby DISMISSED; (3) Plaintiff's Partial Opposition and Counter Motion to Defendant Louis Markouzis' Motion to Dismiss, was hereby DENIED; (4) the Court made its ruling under the NRCP 12(b)(5) standard; therefore, Court must consider all factual allegations as true; (5) as pled, there was not contract between the Plaintiff and Defendant Markouzis; therefore, there could not be any breach of contract, or breach of the implied covenant of good faith and fair dealing; (6) Plaintiff's arguments ignored, or contradicted, their own pleadings; (7) the proposed amendment to the Complaint was futile, as there was no contract between the Plaintiff and Defendant Markouzis, based upon the current pleadings; (8) the Counter Motion was denied, as there was no proposed amended Complaint attached, as required under the rules; and (9) the preemption argument was moot, given the dismissal under the NRCP 12(b)(5) standard.

PLAINTIFF'S MOTION FOR PARTIAL SUMMARY JUDGMENT

Upon Court's inquiry, Mr. Viswanathan confirmed that he wished to withdraw the instant Motion. COURT ORDERED Plaintiff's Motion for Partial Summary Judgment, was hereby WITHDRAWN.

DEFENDANT DR. EDWARD GOLDMAN'S MOTION FOR SUMMARY JUDGMENT...DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' MOTION FOR SUMMARY JUDGMENT...DEFENDANT DR. EDWARD GOLDMAN'S JOINDER TO DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' MOTION FOR SUMMARY JUDGMENT...PLAINTIFF'S MOTION TO STRIKE DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' MOTION FOR SUMMARY JUDGMENT...PLAINTIFF'S MOTION TO STRIKE THE DECLARATION OF DEFENDANT GOLDMAN...PLAINTIFF'S MOTION

TO STRIKE DEFENDANT DR. EDWARD GOLDMAN'S MOTION FOR SUMMARY JUDGMENT AND HIS JOINDER TO THE DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEE'S MOTION FOR SUMMARY JUDGMENT...PLAINTIFF'S MOTION TO STRIKE ALL OR PARTS OF THE DECLARATION ATTACHED AS EXHIBIT A, EXHIBIT B, AND EXHIBIT C TO DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' MOTION FOR SUMMARY JUDGMENT, AND THE EXHIBITS THERETO; PLAINTIFF'S OBJECTIONS TO THE SAID SUMMARY JUDGMENT MOTION AND EXHIBITS THERETO

Ms. Herrera and Ms. Barker submitted on arguments set forth in the Motions for Summary Judgment and Joinder. The Court noted that, although the Defendants did not oppose Mr. Viswanathan request for additional time to file an Opposition to the Motions and Joinder, Mr. Viswanathan chose not to do so. Mr. Viswanathan confirmed that, rather than file an Opposition, he chose to file his various Motions to Strike. The Court noted that Plaintiff filed his Motion for Summary Judgment the same day that Defendants filed theirs. Mr. Viswanathan argued in opposition to the Motions for Summary Judgment, as well as the Joinder, stating that he was entitled to judgment as a matter of law; however, the Defendants were not entitled to summary judgment under the law. Ms. Herrera argued in opposition to the Plaintiff's various Motions to Strike, stating that there was no opposition to the Plaintiff's request for additional time. Additionally, Ms. Herrera stated that arbitration was moved to October 6, 2021, which also moved the dispositive Motion deadline to forty-five days prior to arbitration; therefore the request for additional time was moot. Ms. Barker joined Ms. Herrera's arguments. Arguments in support of the Motions to Strike by Mr. Viswanathan.

COURT ORDERED ALL of the Plaintiff's Motions to Strike, were hereby DENIED for all of the reasons set forth in the Oppositions, FINDING the following: (1) Plaintiff's argument that Defendants' Motions for Summary Judgment were not timely filed, was moot, given the continuance of the arbitration hearing; (2) Plaintiff filed his Motion for Summary Judgment on the same day the Defendants filed theirs; therefore, the Plaintiff calculated the deadline for the Motions for Summary Judgment the same as the Defendants; therefore, it was disingenuous for the Plaintiff to withdraw his Motion for Summary Judgment, so that he could then argue that Defendants Motions were not timely filed; (3) Plaintiff has had time, opportunity, and notice, and could have responded to the Defendants' Motions, if he chose; (4) public policy favored decisions based on the substance of Motions for Summary Judgment, rather than striking a Motion for no good cause; and (5) there was an extended period of time between the Defendants filing their Motions for Summary Judgment, and the instant hearing, which provided the Plaintiff with plenty of time to respond.

COURT ORDERED that Defendant Clark County School District's Motion for Summary Judgment, Defendant Dr. Edward Goldman's Motion for Summary Judgment, and Dr. Edward Goldman's Joinder to Defendant Clark County School District's Motion for Summary Judgment, were hereby GRANTED for all of the reasons set forth in the Motions and Joinder, FINDING the following: (1) there were no genuine issues of material fact; (2) Plaintiff's claims against the Defendants were based upon an alleged premature non-renewal of the Plaintiff's probationary contract; (3) the Court incorporated the statement of undisputed facts set forth on pages three through five of CCSD's Motion for Summary Judgment in its ruling; (4) the Court incorporated the legal standards set forth

on pages six through seven of CCSD's Motion for Summary Judgment in its ruling; (5) Plaintiff's breach of contract claim failed as a matter of law; (6) the Board had a contractual and statutory right not to renew Plaintiff's probationary contract; (7) the Board's right of non-renewal had limited temporal limitations; (8) Plaintiff was permitted to submit a response to his evaluation, only for inclusion into his personnel file; however, that right did not affect the Board's right to terminate the contract; (9) Plaintiff failed to exercise the appropriate administrative remedies under NRS 288.110(2) and NRS 288.280; (10) the Court incorporated the undisputed facts set forth in Dr. Goldman's Motion for Summary Judgment, as set forth on pages four through seven in its ruling; (11) the Court incorporated the legal arguments set forth in Dr. Goldman's Motion for Summary Judgment, as set forth on pages seven through sixteen, in its ruling; (12) the Court's ruling was based upon NRCP 56, as well as the accompanying case law; (13) the breach of contract claim, as well as the breach of the covenant of good faith and fair dealing claim, against Dr. Goldman, could not stand as a matter of law; (14) as a matter of law, Dr. Goldman was not a proper party to the instant suit; (15) a claim against Dr. Goldman in his official capacity was redundant to the suit against the CCSD Board of Trustees; (16) Dr. Goldman had no authority to grant the relief being sought by the Plaintiff; (17) the negotiated agreement governing the Plaintiff's probationary teaching contract, provided the exclusive remedy for challenging the non-renewal of the contract; (18) the Court incorporated the entirety of the instant case's procedural history into its ruling; (19) although the Plaintiff was made aware of the Defendants' Motions for Summary Judgment on June 14, 2021, and the Defendants did not oppose an extension of time for the Plaintiff to file Oppositions, the Plaintiff failed to file any Oppositions; (20) Plaintiff was given the opportunity to respond to the Motions for Summary Judgment orally at the instant hearing, but took the position that opposition was not necessary, as he had filed multiple Motions to Strike; and (21) the instant Order CONSTITUTED A FINAL JUDGMENT.

Ms. Herrera to prepare the written Order regarding the Motions to Strike, as well as the Motions / Joinder for Summary Judgment, including Findings of Fact, Conclusions of Law, and forward it to Ms. Barker and Mr. Viswanathan for approval as to form and content.

DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' OPPOSITION TO PLAINTIFF'S MOTION TO STRIKE THE DEFENDANT BOARD'S MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION TO EXTEND THE DISPOSITIVE MOTION DEADLINE...DEFENDANT DR. EDWARD GOLDMAN'S JOINDER IN DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' OPPOSITION TO PLAINTIFF'S MOTION TO STRIKE THE DEFENDANT BOARD'S MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION TO EXTEND THE DISPOSITIVE MOTION DEADLINE

Given the proceedings in the case, COURT ORDERED the instant Motion and Joinder were hereby DENIED AS MOOT.

PLAINTIFF'S MOTION REQUESTING ORDER FOR A SEVEN-DAY EXTENSION OF TIME TO SERVE AND FILE HIS OPPOSITION TO "DEFENDANT DR. EDWARD GOLDMAN'S MOTION

FOR SUMMARY JUDGMENT", "DEFENDANT DR. EDWARD GOLDMAN'S MOTION FOR SUMMARY JUDGMENT" AND DR. EDWARD GOLDMAN'S JOINDER TO DEFENDANT CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES' MOTION FOR SUMMARY JUDGMENT; PLAINTIFF'S FIRST REQUEST FOR EXTENSION

Given that Defendants agreed to the Plaintiff's request for an extension of time to file an Opposition, COURT ORDERED the instant Motion was hereby GRANTED.
