*NOTICE OF VOLUNTARY DISCLOSURE*

This matter is currently before the court on appeal from a judgment on a jury verdict in a medical malpractice action in the Eighth Judicial District Court. The matter was filed in district court on April 25, 2018, and assigned to Judge Tierra Jones in Department 10. The jury trial occurred in October, 2021, before Judge Monica Trujillo in Department 3. Pursuant to Rule 2.11(A)(6)(d) of the Nevada Code of Judicial Conduct, please be advised that on September 8, 2020, I, while still a district judge in the Eighth Judicial District Court, inherited Judge Jones' civil docket, including this matter, during a caseload reassignment. As such, the instant matter was assigned to me from that time through December 31, 2020. The matter never appeared on calendar in front of me nor do I have any knowledge about the matter. I have never reviewed any pleadings or other trial court documents in the case outside of the current appeal.

I have no bias or prejudice as to any of the parties or issues in the litigation and do not believe that my impartiality could reasonably be questioned. However, I make this disclosure so that any person who wishes

to request my disqualification may do so by filing a motion pursuant to NRAP 35. Any such motion should be filed no later than 7 days from the date of this order.
