

IN THE SUPREME COURT OF THE STATE OF NEVADA

MIGUEL A. GONZALEZ,
Appellant,
vs.
LILIANA C. GONZALEZ, N/K/A
LILIANA C. GARCIA,
Respondent.

No. 82011

FILED

NOV 10 2022

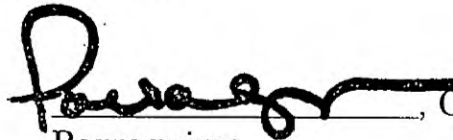

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY 
DEPUTY CLERK

ORDER

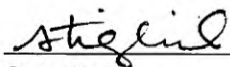

On April 8, 2022, we granted the appellant's petition for review pursuant to NRAP 40B(f). However, upon further review, we determine that the petition for review was improvidently granted. *See The Monrosa v. Carbon Black Export, Inc.*, 359 U.S. 180, 184 (1959) ("Examination of a case on the merits, on oral argument, may bring into proper focus a consideration which, though present in the record at the time of granting the [petition], only later indicates that the grant was improvident." (internal quotation marks omitted)). Accordingly, we vacate the order granting the petition for review and direct the clerk to issue the remittitur forthwith. This disposition has the same effect as a denial of the petition for review when initially considered. Because the Court of Appeals' Order

of Affirmance was not reversed or otherwise vacated by this court, that disposition is final.

It is so ORDERED.¹
