**STIPULATION AND ORDER TO
APPROVE FIRST AND FINAL
ACCOUNTING**

COME NOW, P. STERLING KERR, ESQ., individually, as former Manager of TRAN ENTERPRISES, LLC, and as Trustee of the NT LEGACY TRUST, dated October 15, 2009 (collectively, "Kerr"), on the one hand; and ROBERT ANSARA of DUNHAM TRUST COMPANY, Court-appointed Receiver of the NHU TRAN FOUNDATION, INC. ("Receiver"), on the other hand, by the through undersigned counsel, and hereby submit the following Stipulation and Order for the Court's consideration and approval.

1 WHEREAS on March 30, 2021, Kerr, as Trustee of the Legacy Trust, filed with the Court
2 his *Petition to Approve Accounting; Approve Trustee Fees; and Approve Attorneys Fees and Costs*
3 (*“Legacy Trust Accounting Petition”*);

4 WHEREAS the same was duly served on all parties;

5 WHEREAS on May 5, 2021, the Receiver filed a Limited Objection to the Legacy Trust
6 Accounting Petition (the *“Limited Objection”*), which objected to certain trustee fees charged by
7 Kerr and attorney’s fees charged by Kerr’s attorneys;

8 WHEREAS no other party filed an objection to the Legacy Trust Accounting Petition;

9 WHEREAS Kerr and the Receiver have resolved, compromised, and settled all of the issues
10 raised by the Receiver in his Limited Objection (the *“Accounting Settlement”*);

11 WHEREAS without any admission of any liability or wrongdoing, and given the inherent
12 risks and costs of litigation, Kerr compromised and limited the fees he is requesting due to
13 negotiations with the Receiver, which resolved the Limited Objection and resulted in the
14 Accounting Settlement – specifically Kerr’s legal counsel agreed to forgo any additional requests
15 for fees other than those requested in the Accounting (and waived an additional \$6,334.75 in
16 attorney’s fees incurred since the Accounting was filed), and Kerr agreed to waive outstanding
17 trustee fees of approximately \$19,400;

18 WHEREAS the Receiver now withdraws his Limited Objection as a result of the
19 Accounting Settlement; it is therefore

20 **STIPULATED** that, pursuant to the Accounting Settlement, Kerr shall receive no other
21 payments from the Receiver for Trustee and/or attorney’s fees; it is further

22 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver shall pay the sum
23 of \$9,370.68 to Solomon Dwiggin Freer & Steadman, Ltd. (*“SDFS”*) in exchange for a full release
24 from SDFS for any amounts claimed due and owing for representation of Kerr in this matter; it is
25 further

26 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver shall pay the sum
27 of \$6,243.65 to Marquis Aurbach Coffing (*“MAC”*) in exchange for a full release from MAC for
28 any amounts claimed due and owing for representation of Kerr in this matter; it is further

1 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver shall pay the sum
2 of \$9,055.00 to Holland & Hart (“H&H”) in exchange for a full release from H&H for any amounts
3 claimed due and owing for representation of Kerr in this matter; it is further

4 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver hereby
5 WITHDRAWS his Limited Objection; it is further

6 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver agrees to approve
7 the accounting and release Kerr from any and all liability in these consolidated proceedings, and
8 discharge Kerr as the Trustee of the Legacy Trust.

**STIPULATION AND ORDER TO
APPROVE FIRST AND FINAL
ACCOUNTING**

COME NOW, P. STERLING KERR, ESQ., individually, as former Manager of TRAN ENTERPRISES, LLC, and as Trustee of the NT LEGACY TRUST, dated October 15, 2009 (collectively, "Kerr"), on the one hand; and ROBERT ANSARA of DUNHAM TRUST COMPANY, Court-appointed Receiver of the NHU TRAN FOUNDATION, INC. ("Receiver"), on the other hand, by the through undersigned counsel, and hereby submit the following Stipulation and Order for the Court's consideration and approval.

1 WHEREAS on March 30, 2021, Kerr, as Trustee of the Legacy Trust, filed with the Court
2 his *Petition to Approve Accounting; Approve Trustee Fees; and Approve Attorneys Fees and Costs*
3 (“Legacy Trust Accounting Petition”);

4 WHEREAS the same was duly served on all parties;

5 WHEREAS on May 5, 2021, the Receiver filed a Limited Objection to the Legacy Trust
6 Accounting Petition (the “Limited Objection”), which objected to certain trustee fees charged by
7 Kerr and attorney’s fees charged by Kerr’s attorneys;

8 WHEREAS no other party filed an objection to the Legacy Trust Accounting Petition;

9 WHEREAS Kerr and the Receiver have resolved, compromised, and settled all of the issues
10 raised by the Receiver in his Limited Objection (the “Accounting Settlement”);

11 WHEREAS without any admission of any liability or wrongdoing, and given the inherent
12 risks and costs of litigation, Kerr compromised and limited the fees he is requesting due to
13 negotiations with the Receiver, which resolved the Limited Objection and resulted in the
14 Accounting Settlement – specifically Kerr’s legal counsel agreed to forgo any additional requests
15 for fees other than those requested in the Accounting (and waived an additional \$6,334.75 in
16 attorney’s fees incurred since the Accounting was filed), and Kerr agreed to waive outstanding
17 trustee fees of approximately \$19,400;

18 WHEREAS the Receiver now withdraws his Limited Objection as a result of the
19 Accounting Settlement; it is therefore

20 **STIPULATED** that, pursuant to the Accounting Settlement, Kerr shall receive no other
21 payments from the Receiver for Trustee and/or attorney’s fees; it is further

22 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver shall pay the sum
23 of \$9,370.68 to Solomon Dwiggin Freer & Steadman, Ltd. (“SDFS”) in exchange for a full release
24 from SDFS for any amounts claimed due and owing for representation of Kerr in this matter; it is
25 further

26 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver shall pay the sum
27 of \$6,243.65 to Marquis Aurbach Coffing (“MAC”) in exchange for a full release from MAC for
28 any amounts claimed due and owing for representation of Kerr in this matter; it is further

1 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver shall pay the sum
2 of \$9,055.00 to Holland & Hart (“H&H”) in exchange for a full release from H&H for any amounts
3 claimed due and owing for representation of Kerr in this matter; it is further

4 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver hereby
5 WITHDRAWS his Limited Objection; it is further

6 **STIPULATED** that, pursuant to the Accounting Settlement, the Receiver agrees to approve
7 the accounting and release Kerr from any and all liability in these consolidated proceedings, and
8 discharge Kerr as the Trustee of the Legacy Trust.

Matt, I am fine with your revisions and suggest just adding the word “approximate” before \$19,400. If you are ok with this final revision, can I submit with your e-signature?

On August 20, 2021, the Court entered a Stipulation and Order (“SAO”) to Approve the First and Final Accounting in this matter, which was submitted by the Trustee P. Sterling Kerr (“Trustee”) and agreed to by Receiver Robert Ansara of Dunham Trust Company (the “Receiver”), on behalf of the Nhu Tran Foundation, Inc. (the “Foundation”). On August 23, 2021, a Notice of Entry of Order for the SAO was mailed and served on all parties.

On September 1, 2021, Charles Lam filed Plaintiff’s Opposition to Stipulation and Order to Approve First and Final Accounting and to Approve Attorney’s Fees and Costs, or in the Alternative, Motion for Reconsideration of Order Approving Such Stipulation (the “Opposition to the SAO”), opposing the SAO to which he was not a party and seeking reconsideration of the same.

On September 21, 2021, the Receiver filed an Opposition and Countermotion for Sanctions (“Countermotion”) to Lam’s Opposition to the SAO. On September 24, 2021, the Trustee filed a Joinder to the Countermotion.

On October 2, 2021, Lam filed a Reply in support of his Opposition to the SAO (the “Reply”). The Hearing on the Opposition to the SAO and the Countermotion was set for October 7, 2021.

///

On October 4, 2021, the Court entered a minute order stating that the October 7, 2021, hearing would be vacated and the pending Motions would be submitted on all of the filed briefs and taken under advisement, and that the Court would render its decision/ruling in due course.

On October 11, 2021, the Court, having considered all the briefing, being fully advised in the premises and good cause appearing therefore, entered a Minute Order denying Charles Lam's Opposition to the SAO in its entirety. The Court granted the Receiver's Countermotion, directing Counsel for the Receiver to submit a proposed order consistent with the briefing, and a showing of fees expended to oppose Lam's Opposition to the SAO.

Now being fully advised and good cause appearing, therefore, the Court finds and holds as follows:

FINDINGS OF FACT AND CONCLUSIONS OF LAW

The Court makes the following Findings of Fact and Conclusions of Law:

1. Charles Lam filed his Opposition to the SAO, which included a request for reconsideration without leave from the Court, pursuant to EDCR 2.24.

2. Charles Lam's request for reconsideration did not provide the Court with new or additional evidence, did not highlight new legal issues or errors of law, and it did not provide any cogent or persuasive rationale showing that the underlying Order was clearly erroneous.

3. Charles Lam did not provide any legal or factual basis to reconsider the underlying Order's holding that allowed the Receiver and the Trustee to negotiate a resolution that resulted in the SAO.

4. Charles Lam was not a party to the SAO and did not have standing to object to the SAO. The Foundation, through Mr. Ansara as the court-appointed Receiver, and Mr. Kerr as the former Trustee are the only parties who have standing to object to the Accounting.

5. The Receiver – not Charles Lam, nor the Foundation's Board of Directors – is the only party with authority to pursue, defend, or settle claims on behalf of the Foundation. Any authority over the Foundation that formerly resided with the Foundation's Board of Directors was suspended the moment the Receivership Order was entered in this case. The Receiver is the only real party in interest

1 with authority over the Foundation's receivership estate, and he must act in the best interests of the
2 receivership estate.

3 6. The SAO represents a negotiated, arms-length resolution approved by both the Trustee
4 and the Receiver that is in the best interests of the Foundation, particularly by mitigating litigation
5 expenses, potential litigation expenses, and providing a financial benefit to the Foundation.

6 7. The Receiver's Countermotion for Sanctions is well taken, as it makes persuasive points
7 that sanctions in the form of attorneys' fees and costs are warranted for Lam's filing of an Opposition
8 to the SAO that is clearly frivolous, unnecessary or unwarranted, and that unreasonably and vexatiously
9 increased costs in this matter, pursuant to EDCR 7.60(b).

10 8. The redacted invoices from the Receiver's counsel which are attached to this Order as
11 **Exhibit 1**, evidence fees and expenses incurred by the Foundation in relation to the Countermotion
12 (the "Fees and Costs"). A declaration from Matthew W. Park, Esq. which addresses the various
13 *Brunzell* factors ("Park Declaration") and is attached as **Exhibit 2**. The Fees and Costs set forth in the
14 invoices total \$6,567.50.

15 9. Having reviewed the invoices and the Park Declaration, the Court has determined that
16 the Fees and Costs are reasonable and fair. The Court further notes that it wholly agrees and adopts the
17 *Brunzell* analysis set forth in the Park Declaration.

18 10. Based on these determinations, the Court finds that awarding the Fees and Costs as a
19 sanction under EDCR 7.60(b) is appropriate.

20 **ORDER OF THE COURT**

21 Based on the above findings of fact and conclusions of law, the Court hereby Orders, Decrees,
22 and Adjudicates as follows:

23 IT IS HEREBY ORDERED THAT the Charles Lam's Opposition to Stipulation and Order to
24 Approve First and Final Accounting and to Approve Attorney's Fees and Costs, or in the Alternative,
25 Motion for Reconsideration of Order Approving Such Stipulation is **denied** in its entirety.

26 ///

27 ///

28 ///

1 IT IS FURTHER ORDERED THAT the Receiver's Countermotion for Sanctions is **granted**,
2 and the Court will impose sanctions in the form of attorneys' fees and costs in the amount of \$6,567.50.
3 (the Fees and Costs described above), upon the provision of evidentiary support for the same.

4 **IT IS SO ORDERED.**

v.

INDIVIDUALS I through X, inclusive and

Defendants.

I, Matthew W. Park, declare the following under penalty of perjury under the laws of the State of Nevada:

1. I am a partner at the law firm of Lee Kiefer & Park, LLP (the “Firm”) and I have represented Robert Ansara in his capacity as Receiver of the Nhu Tran Foundation (“Foundation”) at all relevant times.

2. I have personal knowledge of the facts and circumstances set forth in this declaration and can competently testify thereto.

3. I submit this declaration in support of the Receiver’s Opposition And Countermotion for Sanctions to Lam’s Opposition to Stipulation and Order to Approve First and Final Accounting and Petition to Approve Accounting; Approve Trustee Fees; and Approve Attorney’s Fees and Costs or in the Alternative, Motion for Reconsideration of Order Approving Such Stipulation. (“Countermotion”). This declaration relates specifically to the portion of the Countermotion requesting an award of attorneys’ fees and costs.

4. I am authorized to practice law in all Nevada state and federal courts. I am also an active member of the New Mexico Bar Association, and an inactive member of the Washington State Bar Association.

5. My practice generally focuses on trust and probate litigation matters, like the Litigation.

6. I personally reviewed the redacted the invoices attached to the Order as Exhibit 1 (the “Invoices”). I redacted the Invoices for all privileged material, as well as any entries which do not relate to the relief sought in the Countermotion. Where an entry in the Invoices contained time for multiple matters, one of which was the Litigation, I provided an appropriate reduction through handwritten notes.

7. Based on my review of the relevant invoices, I can state that through October 11, 2021, Foundation has expended \$6,567.50 in attorneys’ fees and costs in reviewing, analyzing, and responding to Lam’s frivolous Opposition to the Stipulation and order, including research, drafting, and filing the Countermotion and analyzing the positions and arguments made by Lam his Opposition and the Reply in Support of his Opposition (the “Fees and Costs”).

8. As detailed below, I believe the Fees and Costs are reasonable under the *Brunzell* factors.

9. As this Court is aware, “the method upon which a reasonable fee is determined is subject to the discretion of the court” which “is tempered only by reason and fairness.” *See Shuette v. Beazer Homes Holdings Corp.* 121 Nev. 837, 864, 124 P.3d 530, 548 (2005). However, while noting this discretion, it is still required that courts consider *Brunzell v. Golden Gate Nat. Bank*, 85 Nev. 345, 349, 455 P.2d 31, 33 (1969). The *Brunzell* factors encompass: (1) the advocate’s professional qualities; (2) the nature of the litigation; (3) the work performed; and (4) the result. *Brunzell*, 85 Nev. at 349, 455 P.2d at 33.

Advocate’s Professional Qualities

10. I am a named partners in the Firm and I have been licensed to practice law in Nevada since 2011. I was originally barred in Washington in 2007 after a one-year clerkship

with Justice Jim Johnson at the Washington State Supreme Court, and then barred in New Mexico in 2008.

11. I performed services in relation to this matter that were reasonable and necessary, and I specialize¹ in Trust and Estate litigation,

12. I have been recognized as a Mountain States “Super Lawyer” for several years through the Thomas Reuters publication; I am an “AV/Preeminent” rated attorney via Martindale-Hubbell and I have been recognized among Nevada Business Magazine’s “Legal Elite” in the “Southern Nevada Best” category. Prior to becoming a founding member of the Firm, I was a litigation partner at Lewis Roca, a large regional law firm with offices in several states.

13. I billed at an hourly rate of \$355 for this matter. I am informed and believe that the billing rates charged by the attorneys reflected in the Invoices are normal and customary in this specialized area of the law, and accurately reflect prevailing rates (or below prevailing rates) in Clark County for attorneys of the same skill, experience, and reputation doing the same kind of work as that reflected in the Invoices.

The Nature of the Litigation

14. The Litigation relates to Mr. Ansara’s role as Receiver of the Foundation and the multiple motions and filings submitted by Charles Lam that seek to frustrate the Receiver’s ability to efficiently manage the receivership estate.

15. Because of Mr. Lam’s behavior, the Receiver has been forced to file multiple motions responding to Mr. Lam’s filings.

16. Ultimately, the Receiver’s role has been to manage the receivership estate effectively and efficiently, thereby fulfilling the settlor’s wishes to assist orphans.

The Work Performed

17. The attorney in this case performed the following essential tasks: (1) review and analyze various Trust documents, (2) conduct research regarding various Trust and

¹ To be clear, I do not have an official specialization designation from the Nevada State Bar Association but a majority of my work is related to this specialized area of the law.

1 Receivership issues; (3) analyze Mr. Lam's frivolous objection to the SAO, research, draft and
2 fine-tune a response to the objection, and then analyze Mr. Lam's reply, review his arguments
3 and prepare counter-arguments, and outline and prepare for oral argument. This list is not
4 exhaustive but does include the tasks which related to the majority of attorney time reflected in
5 the Invoices.

6 ***The Result***

7 18. The Receiver, and his legal counsel's, hard work prevailed and Mr. Lam's
8 opposition to the SAO was denied, and the Court granted the Receiver's motion for sanctions.

9 19. But for the Firm's efforts on the Receiver's behalf, I believe the Foundation
10 would have been harmed because Mr. Lam's filings interfere with the efficient administration
11 of the receivership estate, and are contrary to the best interests of the Foundation.

12 20. For all the reasons detailed above, as well as the reasons set forth in the relevant
13 filings, I believe the Fees and Costs are reasonable, were necessarily incurred, and should be
14 awarded against Charles Lam.

On August 20, 2021, the Court entered a Stipulation and Order (“SAO”) to Approve the First and Final Accounting in this matter, which was submitted by the Trustee P. Sterling Kerr (“Trustee”) and agreed to by Receiver Robert Ansara of Dunham Trust Company (the “Receiver”), on behalf of the Nhu Tran Foundation, Inc. (the “Foundation”). On August 23, 2021, a Notice of Entry of Order for the SAO was mailed and served on all parties.

On September 1, 2021, Charles Lam filed Plaintiff’s Opposition to Stipulation and Order to Approve First and Final Accounting and to Approve Attorney’s Fees and Costs, or in the Alternative, Motion for Reconsideration of Order Approving Such Stipulation (the “Opposition to the SAO”), opposing the SAO to which he was not a party and seeking reconsideration of the same.

On September 21, 2021, the Receiver filed an Opposition and Countermotion for Sanctions (“Countermotion”) to Lam’s Opposition to the SAO. On September 24, 2021, the Trustee filed a Joinder to the Countermotion.

On October 2, 2021, Lam filed a Reply in support of his Opposition to the SAO (the “Reply”). The Hearing on the Opposition to the SAO and the Countermotion was set for October 7, 2021.

///

On October 4, 2021, the Court entered a minute order stating that the October 7, 2021, hearing would be vacated and the pending Motions would be submitted on all of the filed briefs and taken under advisement, and that the Court would render its decision/ruling in due course.

On October 11, 2021, the Court, having considered all the briefing, being fully advised in the premises and good cause appearing therefore, entered a Minute Order denying Charles Lam's Opposition to the SAO in its entirety. The Court granted the Receiver's Countermotion, directing Counsel for the Receiver to submit a proposed order consistent with the briefing, and a showing of fees expended to oppose Lam's Opposition to the SAO.

Now being fully advised and good cause appearing, therefore, the Court finds and holds as follows:

FINDINGS OF FACT AND CONCLUSIONS OF LAW

The Court makes the following Findings of Fact and Conclusions of Law:

1. Charles Lam filed his Opposition to the SAO, which included a request for reconsideration without leave from the Court, pursuant to EDCR 2.24.

2. Charles Lam's request for reconsideration did not provide the Court with new or additional evidence, did not highlight new legal issues or errors of law, and it did not provide any cogent or persuasive rationale showing that the underlying Order was clearly erroneous.

3. Charles Lam did not provide any legal or factual basis to reconsider the underlying Order's holding that allowed the Receiver and the Trustee to negotiate a resolution that resulted in the SAO.

4. Charles Lam was not a party to the SAO and did not have standing to object to the SAO. The Foundation, through Mr. Ansara as the court-appointed Receiver, and Mr. Kerr as the former Trustee are the only parties who have standing to object to the Accounting.

5. The Receiver – not Charles Lam, nor the Foundation's Board of Directors – is the only party with authority to pursue, defend, or settle claims on behalf of the Foundation. Any authority over the Foundation that formerly resided with the Foundation's Board of Directors was suspended the moment the Receivership Order was entered in this case. The Receiver is the only real party in interest

1 with authority over the Foundation's receivership estate, and he must act in the best interests of the
2 receivership estate.

3 6. The SAO represents a negotiated, arms-length resolution approved by both the Trustee
4 and the Receiver that is in the best interests of the Foundation, particularly by mitigating litigation
5 expenses, potential litigation expenses, and providing a financial benefit to the Foundation.

6 7. The Receiver's Countermotion for Sanctions is well taken, as it makes persuasive points
7 that sanctions in the form of attorneys' fees and costs are warranted for Lam's filing of an Opposition
8 to the SAO that is clearly frivolous, unnecessary or unwarranted, and that unreasonably and vexatiously
9 increased costs in this matter, pursuant to EDCR 7.60(b).

10 8. The redacted invoices from the Receiver's counsel which are attached to this Order as
11 **Exhibit 1**, evidence fees and expenses incurred by the Foundation in relation to the Countermotion
12 (the "Fees and Costs"). A declaration from Matthew W. Park, Esq. which addresses the various
13 *Brunzell* factors ("Park Declaration") and is attached as **Exhibit 2**. The Fees and Costs set forth in the
14 invoices total \$6,567.50.

15 9. Having reviewed the invoices and the Park Declaration, the Court has determined that
16 the Fees and Costs are reasonable and fair. The Court further notes that it wholly agrees and adopts the
17 *Brunzell* analysis set forth in the Park Declaration.

18 10. Based on these determinations, the Court finds that awarding the Fees and Costs as a
19 sanction under EDCR 7.60(b) is appropriate.

20 **ORDER OF THE COURT**

21 Based on the above findings of fact and conclusions of law, the Court hereby Orders, Decrees,
22 and Adjudicates as follows:

23 IT IS HEREBY ORDERED THAT the Charles Lam's Opposition to Stipulation and Order to
24 Approve First and Final Accounting and to Approve Attorney's Fees and Costs, or in the Alternative,
25 Motion for Reconsideration of Order Approving Such Stipulation is **denied** in its entirety.

26 ///

27 ///

28 ///

1 IT IS FURTHER ORDERED THAT the Receiver's Countermotion for Sanctions is **granted**,
2 and the Court will impose sanctions in the form of attorneys' fees and costs in the amount of \$6,567.50.
3 (the Fees and Costs described above), upon the provision of evidentiary support for the same.

4 **IT IS SO ORDERED.**

v.
TRAN ENTERPRISES, LLC, a Nevada

INDIVIDUALS I through X, inclusive and

Defendants.

I, Matthew W. Park, declare the following under penalty of perjury under the laws of the State of Nevada:

1. I am a partner at the law firm of Lee Kiefer & Park, LLP (the “Firm”) and I have represented Robert Ansara in his capacity as Receiver of the Nhu Tran Foundation (“Foundation”) at all relevant times.

2. I have personal knowledge of the facts and circumstances set forth in this declaration and can competently testify thereto.

3. I submit this declaration in support of the Receiver’s Opposition And Countermotion for Sanctions to Lam’s Opposition to Stipulation and Order to Approve First and Final Accounting and Petition to Approve Accounting; Approve Trustee Fees; and Approve Attorney’s Fees and Costs or in the Alternative, Motion for Reconsideration of Order Approving Such Stipulation. (“Countermotion”). This declaration relates specifically to the portion of the Countermotion requesting an award of attorneys’ fees and costs.

4. I am authorized to practice law in all Nevada state and federal courts. I am also an active member of the New Mexico Bar Association, and an inactive member of the Washington State Bar Association.

5. My practice generally focuses on trust and probate litigation matters, like the Litigation.

6. I personally reviewed the redacted the invoices attached to the Order as Exhibit 1 (the “Invoices”). I redacted the Invoices for all privileged material, as well as any entries which do not relate to the relief sought in the Countermotion. Where an entry in the Invoices contained time for multiple matters, one of which was the Litigation, I provided an appropriate reduction through handwritten notes.

7. Based on my review of the relevant invoices, I can state that through October 11, 2021, Foundation has expended \$6,567.50 in attorneys’ fees and costs in reviewing, analyzing, and responding to Lam’s frivolous Opposition to the Stipulation and order, including research, drafting, and filing the Countermotion and analyzing the positions and arguments made by Lam his Opposition and the Reply in Support of his Opposition (the “Fees and Costs”).

8. As detailed below, I believe the Fees and Costs are reasonable under the *Brunzell* factors.

9. As this Court is aware, “the method upon which a reasonable fee is determined is subject to the discretion of the court” which “is tempered only by reason and fairness.” *See Shuette v. Beazer Homes Holdings Corp.* 121 Nev. 837, 864, 124 P.3d 530, 548 (2005). However, while noting this discretion, it is still required that courts consider *Brunzell v. Golden Gate Nat. Bank*, 85 Nev. 345, 349, 455 P.2d 31, 33 (1969). The *Brunzell* factors encompass: (1) the advocate’s professional qualities; (2) the nature of the litigation; (3) the work performed; and (4) the result. *Brunzell*, 85 Nev. at 349, 455 P.2d at 33.

Advocate’s Professional Qualities

10. I am a named partners in the Firm and I have been licensed to practice law in Nevada since 2011. I was originally barred in Washington in 2007 after a one-year clerkship

with Justice Jim Johnson at the Washington State Supreme Court, and then barred in New Mexico in 2008.

11. I performed services in relation to this matter that were reasonable and necessary, and I specialize¹ in Trust and Estate litigation,

12. I have been recognized as a Mountain States “Super Lawyer” for several years through the Thomas Reuters publication; I am an “AV/Preeminent” rated attorney via Martindale-Hubbell and I have been recognized among Nevada Business Magazine’s “Legal Elite” in the “Southern Nevada Best” category. Prior to becoming a founding member of the Firm, I was a litigation partner at Lewis Roca, a large regional law firm with offices in several states.

13. I billed at an hourly rate of \$355 for this matter. I am informed and believe that the billing rates charged by the attorneys reflected in the Invoices are normal and customary in this specialized area of the law, and accurately reflect prevailing rates (or below prevailing rates) in Clark County for attorneys of the same skill, experience, and reputation doing the same kind of work as that reflected in the Invoices.

The Nature of the Litigation

14. The Litigation relates to Mr. Ansara’s role as Receiver of the Foundation and the multiple motions and filings submitted by Charles Lam that seek to frustrate the Receiver’s ability to efficiently manage the receivership estate.

15. Because of Mr. Lam’s behavior, the Receiver has been forced to file multiple motions responding to Mr. Lam’s filings.

16. Ultimately, the Receiver’s role has been to manage the receivership estate effectively and efficiently, thereby fulfilling the settlor’s wishes to assist orphans.

The Work Performed

17. The attorney in this case performed the following essential tasks: (1) review and analyze various Trust documents, (2) conduct research regarding various Trust and

¹ To be clear, I do not have an official specialization designation from the Nevada State Bar Association but a majority of my work is related to this specialized area of the law.

Receivership issues; (3) analyze Mr. Lam's frivolous objection to the SAO, research, draft and fine-tune a response to the objection, and then analyze Mr. Lam's reply, review his arguments and prepare counter-arguments, and outline and prepare for oral argument. This list is not exhaustive but does include the tasks which related to the majority of attorney time reflected in the Invoices.

The Result

18. The Receiver, and his legal counsel's, hard work prevailed and Mr. Lam's opposition to the SAO was denied, and the Court granted the Receiver's motion for sanctions.

19. But for the Firm's efforts on the Receiver's behalf, I believe the Foundation would have been harmed because Mr. Lam's filings interfere with the efficient administration of the receivership estate, and are contrary to the best interests of the Foundation.

20. For all the reasons detailed above, as well as the reasons set forth in the relevant filings, I believe the Fees and Costs are reasonable, were necessarily incurred, and should be awarded against Charles Lam.

PLAINTIFF CHARLES LAM'S MOTION TO CONSOLIDATE CASES (A-17-760853-B an P-17-093391-T), AND TO STAY PROCEEDINGS IN SECOND CASE ON ORDER SHORTENING TIME . . . DEFENDANTS P. STERLING KERR'S OPPOSITION TO MOTION TO CONSOLIDATE AND TO STAY PROCEEDINGS IN SECOND CASE ON ORDER SHORTENING TIME AND COUNTERMOTION TO DISMISS PLAINTIFF'S FIRST AMENDED COMPLAINT, OR ALTERNATIVELY TO REFER THIS ACTION TO PROBATE COMMISSIONER

Following arguments by counsel, COURT stated that it was a firm believer in the right hand knowing what the left hand is doing; determined that these cases could properly be consolidated, and ORDERED, Motion GRANTED and FURTHER ORDERED, Motion GRANTED relative to the stay of proceedings.

COURT FURTHER ORDERED, Countermotion DENIED; stated it agreed with Pltfs in their briefing

having to do with utilization of the Probate Commissioner in various aspects of the case. As the case proceeds, the Court may want to utilize the Probate Commissioner as a Special Master, noting language to that effect in the rules.

Mr. Oakes indicated he would submit the proposed orders.

Colloquy as to the effectiveness of the stay. COURT stated the Probate Commissioner would hear the Motion for Removal of Kerr and Kaufman as Trustee and as Manager as currently scheduled on January 12, 2018.

Regarding the hearing currently set December 22, 2017 before the Probate Commissioner, the Court and counsel also discussed proceedings taking place now that the cases have been consolidated. COURT advised it would not stay proceedings in the "P" cases; however, proceedings will have to take place in this Department. Mr. Leveque indicated counsel would re-notice the Motion for this Department. Additional colloquy regarding additional briefing, setting the December 22, 2017 Petition on the Court's motion calendar, and the urgency of the Petition being heard.

COURT ORDERED that the Motion be SET on its motion calendar December 21, 2017 at 9:00 am; counsel to re-notice the Motion. COURT directed counsel to talk among themselves to reach an agreement to move the motion to a different time. The Court will advise counsel if further briefing should be done at the time of the hearing.

COMMISSIONER NOTED that Judge Denton has directed this back for hearing re the NT Legacy Trust and whether or not we have the ability to remove Mr. Kerr. Mr. LeVeque confirmed that Judge Denton has already taken jurisdiction of the Trust and this is the only issue to address today.

COMMISSIONER NOTED that since Judge Denton referred this to him he will proceed, but he has been given pause because the other beneficiaries of this Trust did not receive notice.

Mr. Oaks stated an Objection was just filed and he will require time to reply. He also requested an

evidentiary hearing set. COMMISSIONER NOTED that according to the Rules, since the Objection was not timely filed we have to give time to respond.

Upon agreement of counsels, COMMISSIONER RECOMMENDED this hearing CONTINUED to 2/2/18. Mr. Oaks will be given two weeks to respond and Mr. LeVeque is to file his Reply by 1/24/18. COMMISSIONER DIRECTED Mr. Oakes to put all the other people, those who are to receive specific gifts, on notice for the continued hearing.

COMMISSIONER ADVISED he wants this focused upon the irrevocability of the Trust; we have now recognized the power or ability of the Grantor/Decedent to make any revisions, revocations, or amendments. Then, we will look at whether or not the person within there has breached anything and if even the persons making said complaint even have a standing to make said complaints. Mr. Oaks commented that he does not think that the issue of standing is this Court's issue. COMMISSIONER RESPONDED that under the Trust it is and it will be addressed.

COMMISSIONER REITERATED that others are to receive notice of what is going on.

COMMISSIONER ALSO ADVISED that the Court wants to see the Verification from Mr. Oak s client, as to the initial issues laid out.

CLERK'S NOTE: Case No. P-17-093391-T is consolidated with this case.

- Motion for Removal of Kerr and Kaufman as Trustee and as Manager on Order Shortening Time

COMMISSIONER NOTED this case is consolidated with P093258 and P093391. Further, since here last time, everything seems to be in order, we have now has corrected everything, appropriate notices have gone out, and we have verification of the matter.

COMMISSIONER ADVISED this is a matter which Judge Denton has specifically referred back to this Court as it applies to the NT Legacy Trust. The Petition which was promulgated by Mr. Oaks was

two pronged, as he saw it. One as to a revocation which was sent September 4, 2013 and the second prong was for removal of the Trustee based upon a gross negligence and willful misconduct. Mr. Oaks so confirmed those are the areas we are to discuss today.

COMMISSIONER NOTED he has read through everything and will give Mr. Oaks time to hit the salient points, emphasizing that which he needs to and if he has questions he may ask specific questions as we go.

Mr. Oaks noted the brief he filed since the last hearing and presented arguments in support of his petition. Mr. LeVeque argued in support of his Objection. Following arguments and discussions, COMMISSIONER NOTED that a Report and Recommendation is to be prepared for review by the Judge.

COMMISSIONER STATED, FIRST HE WILL FIND that Nhu Tran, as the Grantor, did execute the document entitled, "The NT Legacy Trust" on October 1, 2009. This is a self-settled Trust because she was primary beneficiary, as variously called Nevada Onshore Trust etc., a rather new thing at the end of the 90's when we started playing around with this concept. Alaska had done it years before and kind of along the way the Legislature put this together to attract more trust business; this is the ultimate effect of the self-settled trust. A self-settled trust by its nature and description is asset protective, yes as number one, but it also provides benefits back to the Grantor; which most irrevocable trusts under common law could not do and that carved out the exception.

This was done pursuant to that and as a result it was an irrevocable trust. Article 8 states, "no ability to amend, revoke, modify, or terminate." In these kind of situations when it is all inclusive such as that, if you want to reserve the power to amend a trustee or to change trustees, that's got to be written as opposed to, that it just wasn't in there. SO, I WILL FIND that the NT Legacy Trust was indeed irrevocable and not subject to any type of amendment, revocation, or modification by the Grantor and thus the document dated September 4, 2013 is ineffective as to this trust.

I WILL ALSO FIND that she did an assignment. I am not going to say what percent. All I'm saying at this point is whatever percent Nhu Tran held as an individual, this means interest in the LLC, or transferred to the trust, I am not going to make an adjudication as to what that ten percent is or is not, or any other values, or anything. Whatever she had, she transferred in. I think that is up to the Business Court to determine if there is a rightful claim for a different percentage. I would just make the statement that whatever interest she did possess was effectively transferred to that trust.

FURTHER, as I go down and look, as a specific gift recipient, a person has standing if that cannot be met, however, there is no question, and I don't think that anybody questions the fact, that that specific amount can and will be met. Therefore, I am not going to go much further other than to say that I do not believe, even given what he'd given to the Foundation, etc. he has the standing to make any representations or any kind of claim against the trustee at this point. The trustee is given great latitude in here and there is a lot there in there. We all, who are in this field, know that when these came about and we were not always there and we don't know who was there or the explanations that

went on. Just because four years later someone attempts to change it, doesn't mean that they did not understand it then, or perhaps they did not understand it later. But the fact of the matter is there has been no attempt to say that the entire matter should be rescinded at all.

THEREFORE, I will find that at this point, the trust was itself validly executed and irrevocable in which she had no power to change anything, period. The attempted revocation is ineffective and that Mr. Charles Lam, with the full understanding that he is going to get One-Hundred percent (100%) of the Two Million Dollars (\$2,000,000.00) specifically granted to him, I do not believe he has standing to make any further arguments in that point.

COMMISSIONER DIRECTED Mr. Leveque to prepare the Report and Recommendation and to allow opposing counsel a chance to review it and they may submit a competing one they have a right to submit competing ones and we will go on from there.

COMMISSIONER CONFIRMED that the Motion for Removal of Kerr and Kaufman as Trustee and as Manager is DENIED.

- Counsel met with the Court in Chambers for the purpose of the Mandatory Rule 16 Conference. Court advised that the Department would handle discovery matters and all discovery motions should be directed to this Court's attention. Further, Court noted counsel could consider today's conference to be their Rule 16.1 Conference.

Thereafter, Court stated that it still requires a Joint Case Conference Report and directed it to be submitted by the close of business on March 23, 2018; the JCCR is to comply with NRCP 16.1(c)(1,3, & 4). COURT ORDERED, status check SET for March 29, 2018 at 9:00 am to determine if the Joint Case Conference Report (JCCR) has been filed. If filed, attendance is not required. However, if the JCCR has not been filed counsel must appear to explain why it has not been filed and the amount of time needed for compliance.

Upon the Court's inquiry as to how much time counsel would require for discovery; both counsel confirmed they would require eight (8) months until the close of discovery. Court advised that based upon that date the Department would issue a combined Scheduling/Trial Order. Mr. Oakes made a request for trial demand. Counsel agreed that this case can be treated as one wherein a jury has been

demanded of all issues so triable given the reference to a jury demand in Plaintiffs' Amended Complaint.

The Court also queried counsel as to the case being ripe for a Settlement Conference, Mr. Evensen stated he was not opposed to a settlement conference; Mr. Oakes thought there was more work to be done. At this time, there was no request for a settlement conference.

Further inquiry of the Court as to case management or a need for a protective order, counsel indicated there were no case management issues and no need for protective order. Mr. Evensen stated he filed a Motion to Consolidate late Friday. COURT SO NOTED; matter SET for status check.

- Court noted the matter is on calendar for a Show Cause Hearing, non evidentiary. Mr. Evensen stated he is trying to compel compliance without sanctions. Argument by Mr. Evensen regarding Mr. Lam's non compliance with the Court's Order and Mr. Lam's inability to sign over the properties. Mr. Evensen suggested an order that states Mr. Lam is to sign over the properties and when they are confirmed to sale Mr. Lam will be reimbursed. Argument by Mr. Lam regarding the reason he has not signed over the properties and his request for reimbursement for payment of property taxes. Court inquired if Mr. Lam would have an objection to an order stating he has to sign the documents subject to appropriate reimbursement. Mr. Lam confirmed he did not have an objection to that, adding he would have done that already if there was a condition he would be reimbursed. Court directed Mr. Evensen to submit a proposed order that shows the documents will be executed subject to reimbursement and to provide a procedure in which Mr. Lam would be entitled to reimbursement. Colloquy regarding receivership. Court noted it is not a matter before the Court today and directed Mr. Lam to file a Motion if he wishes the Court hear the matter.

- HAVING further reviewed and considered the items taken under advisement after the hearing of October 8, 2018, to include, without limitation, Plaintiff s filing of October 8, 2018 made after the hearing, and the Declarations of Yen Regan and Mary V. Kauffman and copies of three cashier s checks dated January 30, 2017 submitted to Chambers by Plaintiff (the same to be marked as Court Exhibits and made part of the record herein), and being now fully advised in the premises, the Court makes the following rulings:

Re: Defendants Motion seeking a deposit order, the Court GRANTS the same.

Re: Defendants alternative summary judgment Motion against Big Teton, LLC or against \$497,473.20, the Court GRANTS the alternative as against the funds, based on the understanding that such ruling will result in no further proceedings against Big Teton, LLC, which will be entitled to a dismissal of Defendants claim(s) against it herein, the parties to bear their own attorneys fees and costs.

Re: Plaintiff s Motion for Reconsideration (Receiver), the Court DENIES the Motion, as it is not persuaded that it has overlooked or misapprehended anything or misapplied the law in determining that having a third party neutral is necessary given the issues involved between the parties and the need for protection of the Foundation, which will inure to the benefit of the parties in their professed

desire to protect it. The fact that Declarants Regan and Kauffman persuasively and strongly support the devotion and character strengths of Plaintiff Lam does not mean that a conflict involving a person having such strengths should not be the subject of a receivership over an entity or organization in controversy.

Re: Plaintiff's Motion for Reconsideration (Probate Commissioner's Report and Recommendation (parcel sales)), the Court treats the same as an objection which is also seeking reconsideration, and OVERRULES the same, as it is persuaded by Defendants' positions on the subject, and it will affirm the Report and Recommendation.

Counsel for Defendants is directed to submit proposed orders consistent with the foregoing and with briefing and argument supportive of the same.

Following arguments by Mr. Kiefer, Mr. Evensen, and Mr. Callister, COURT ORDERED, Receiver's Motion to Approve Settlement Agreement, Joinder, and Plaintiff's Motion to Intervene and to Stay Proceedings and Objection to Receiver's Motion to Approve Settlement Agreement UNDER ADVISEMENT. The item submitted in camera with the letter and attachments MARKED as a Court's Exhibit UNDER SEAL. Mr. Callister requested to review the in camera documents. Mr. Kiefer advised he cannot agree in open court to breach the agreement. Mr. Evensen provided Mr. Callister Exhibit 2 to his Motion which details the investigation and the conclusions set forth. As to the settlement agreement, Mr. Evensen advised if the Court finds there to be a material term not disclosed, he would request a closed session, the Court can highlight that material term, and they can discuss what to do at that time. Further, Mr. Evensen saw no purpose in allowing Mr. Callister to

look at it. Court noted if it thinks there should be an in camera review allowed by Mr. Callister then it will make that determination. Mr. Evensen noted for trial there is a pending jury demand and suggested talking about getting jury instructions done ahead of time. Court advised it will discuss that at the Pre-Trial Conference.

CLERK'S NOTE: The Decision entered on November 14, 2019 which granted the Receiver's Motion to Approve Settlement Agreement also grants the Joinder to Receiver's Motion to Approve Settlement.

- HAVING reviewed and considered the parties' filings pertaining to Plaintiff's "Motion for Reconsideration of Order Granting Receiver's Petition for Declaratory Relief and Renewed Motion to Approve Sale of Receivership Property APN 139-23-211-020" and Plaintiff's "Motion for (sic) Stay Enforcement of Order Granting Receiver's Petition for Declaratory Relief and Renewed Motion to Approve Sale of Receivership Property APN 139-23-211-020," respectively deemed submitted and under advisement as of August 2, per Minute Order of July 27, 2021, and August 5, 2021, per Minute Order of August 2, 2021, and being fully advised in the premises, the Court determines that both Motions are without merit and they are both DENIED in their entirety. Regarding, the Receiver's countermotion for sanctions, the Court DENIES the same, with warning, however, to Plaintiff that the Receiver makes cogent points that sanctions in the form of attorneys' fees and costs are warranted for the making of motions that are clearly without merit, and that the Court will likely impose sanctions in the future when motions are determined to be subject to sanctions under EDCR 7.60(b)(1) and/or (2). Counsel for the Receiver is directed to submit a proposed order consistent herewith and with supportive briefing.
