***ORDER DIRECTING SUPPLEMENTATION OF APPENDIX WITH
WRITTEN ORDER, DIRECTING ANSWER***

This original petition for a writ of mandamus seeks to compel the district court to grant petitioner's motion to strike.

Having reviewed the petition and supporting documents, we conclude that an answer may assist this court in resolving the petition. Problematically, petitioner failed to provide a copy of the district court's written order denying the motion to strike. This court normally will not consider a petition for extraordinary relief in the absence of the challenged written order. *See Rust v. Clark Cty. Sch. Dist.*, 103 Nev. 686, 689, 747 P.2d 1380, 1382 (1987) (noting that a district court's oral pronouncement of judgment is ineffective in the absence of a written order). Accordingly, petitioner should obtain from the district court a copy of the full order memorializing its ruling and file and serve a supplemental appendix

containing a copy of the district court's full order within 14 days from the date of this order.

In the event petitioner timely files a supplemental appendix in accordance with this order, real party in interest, on behalf of respondents, shall have 14 days from the date petitioner serves his supplemental appendix to file and serve an answer, including authorities, against issuance of the requested writ. In addition to addressing the merits of the petition in its answer, real party in interest should also address the propriety of writ relief. Petitioner shall have 7 days from service of the answer to file and serve any reply.

It is so ORDERED.
