ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY S. Young
DEPUTY CLERK

ORDER

Appellant has filed an untimely motion for an extension of time to file the transcript request form and filed a transcript request form. In the motion, appellant indicates that she received the necessary transcript on October 31, 2021, before the docketing of this appeal. A transcript request form is only required to be filed if the necessary portions of the transcript were not prepared and filed prior to the docketing of the appeal. NRAP 9(a)(1)(B). If the necessary transcript is already on file when an appeal is docketed, appellant should file a certificate that no transcripts will be requested. NRAP 9(a)(1)(C). Under these circumstances, this court grants the motion to the following extent. The motion for an extension of time is granted and also treated as containing a certificate of no transcript request. This court will take no action on the transcript request form filed on May 18, 2022.

It is so ORDERED.
