I was ^{Attemp} Acused of Robbery
 And Conspiracy of Robbery those were the original charges
 that I were being book on with dozen of other
 class B felony charges. The Attorney-Counsel-
 Anthony M Goldstien Coerce misback and pressure
 me into Taken A plea Deal. He Told me that I would
 only serve A 3 to 15 for various charges.

Basically he made ~~me~~^{me} feel comfortable trusting what he was telling me. At the time he never properly presented the plea agreement to me he never verberly let me read over it myself he basically coach me through signing the plea Agreement without physically reading the Plea Agreement before signing it Trusting his Judgment telling me that I would receive A 3 to 15 was what I thought I was Agreeing to. so After Returning back to my cell and Reviewing and Reading over Everthing I had previously sign that's when I notice that I had been fool into taken a deal that ~~was~~ I never negotiated over nor discuss that's when I match up all the charges I was book on verses the ~~the~~ charges on the plea Agreement that's when I notice I was coerced to taken on a more Serious charge ~~which~~ which was Robbery with the use of A Deadly Weapon in the booking charges there were only Attempt Robbery & Conspiracy to commit Robbery. therefore it is very Abivous that they inhance the charges to Another charge more Serious that the charges could be more Severe

There is Evidence in my discovery and Also in my Grand Jury transcripts that proves that

there was no Robbery that Accured neither was
no objects or property of no kind was confiscated
or taken from no. body. But my Counsel
or Attorney never presented the Evidence or
A defense that would help me on my behalf
he Also slander my name himself multiple
times. He talk down on my self esteem and
Mental health disabilitys he manipulated me
When I was on mental health medication
When I was under duress And pressure At
A bad time. I follow his lead because I
Really thought he was working on my behalf.
And was out for my Best interest. for the case

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

Judge Mary Kholthus didnt take into consideration
that ~~the~~ the defendant was trying put in motion
to the best of his ability. he Ask his Attorney
to put in A motion for an Evidentiary hearing
~~He didnt Take to consideration of it At All~~
I Also put in Motion for withdraw Guilty plea
multiple times she Accepted 1 of the motions
Appointed me A lawyer to see if I had An Accurate
reason to withdraw plea only to deal with a Another
Attorney that really didnt want to Assist me

Me in the matter that I was dealing with
She Actually told me the exact same thing
that my previous Attorney had told me
that I would Be receiving A 3 to 15 or A 3 to 8
And she told me that she would Advise me to
take that offer As you can see that never
was the offer in this matter I was mislead
once Again so what I want the Supreme court
to do is open the case Back up Give me
Acurate Evidentary hearing so I can prove my
Innocense from some of theese false Allegations
~~How~~ could I be charge for Robbery with theuse
of a deadly weapon when I never Robbed Anyone
And there is proof in my discovery paperwork
Also there is more proof in the Grand Jury
transcripts I would appreciate if the Supreme
Court could take to consideration on opening
the case up And investigating theese Allegations
and provide me a Attorney that would
Review this case with me with no problems
At All At least An Attorney that will
Actually take the time too Build up a defense
on my behalf I Also highly Appreciate
if the Supreme court could rightfully
take back this extreme prison sentence
and false charges that I am charge with
And charge me Acordly there never was a Robbery

that occurred nor there never was a plan
to conspire a Robbery so how did those
charges actually stick if they never
even occurred or never happen and there's
actually proof it never happen

I would like for the Supreme Court
to investigate this Robbery with the use
of a deadly weapon and conspiracy Robbery.
Read the proper paperwork such as the
discovery and the Grand Jury Transcripts
to witness I never Robbed anyone nor plan to
and reduce my sentence rightfully
and accordingly as of right now I'm being
falsely imprisoned on Robbery with the use
and conspiracy of Robbery. If the District
Court and my previous Attorney would have
recognized my mental health and brain injury
situation then they would have known
that I would have known better to allow
myself to be imprisoned on something I
honestly didn't do. So I pray to God
the higher Authorities will take to consideration
to further investigate this case and
give me the proper Justice I deserve.
I respectfully ask the court to weigh all
the evidence that shows and proves that this

hidous Robbery crime never happen
The victims even stated multiple times
that A Robbery never was mention nothing
or no object of no kind was confiscated from
them nor did I allegly aproach them
As A Robbery or A theft of some sort
please higher Authorities please open up
this case And expose the truth
and bring me liberty and justice
the lower courts didnot take into
consideration to Giveme rightful Justice
please give me Another fair chance
in this legal system to clear my
name in All the slander Abuse and
Crailty punishment thankyou Godbless.
