ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY  DEPUTY CLERK

ORDER GRANTING MOTION

The motion for an extension of time filed on December 12, 2022, is granted. NRAP 26(b)(1)(A). Respondents shall have until December 27, 2022, to file and serve any renewed motion to file the document in volume 8 of the appendix under seal. Respondents are reminded that redaction is preferred over sealing. *See* SRCR 3(5)(b) ("A court record shall not be sealed under these rules when reasonable redaction will adequately resolve the issues before the court . . ."). Therefore, a motion to seal the entire document will not be granted absent demonstration that redaction will not adequately protect any confidential information. Should respondents determine that a motion to file the document subject to redaction, rather than under seal, is warranted, they may file a motion to file the document subject to redaction within the same time period. If no renewed motion to file the document under seal or subject to redaction is timely filed, the volume will be filed on this court's public docket.

It is so ORDERED.
