JOURNAL ENTRIES

- Defendant not present.

Court advised it was basing its decision on the pleadings on file herein and not accepting oral argument; COURT ADOPTED the Procedural History as set forth by the State. Court FINDS Defendant's claims are outside the scope of the Motion, Defendant was sentenced within statutory guidelines, the sentence is supported by his record and the crimes he had committed, and there is no legal or factual basis to correct any sentence in this matter, therefore COURT ORDERED, Motion DENIED. Court directed State to prepare the Order. COURT FURTHER ORDERED, status check SET for the order. Court advised the status check would be vacated once the order was filed.
