INTRODUCTION

I am a pro se appellant/petitioner who has, for the duration of this lawsuit, been representing myself against a defendant/respondent represented by counsel. Pro se litigants are prohibited from using the e-filing system, so I put a lot of pressure on myself to finish my petition well before the deadline in case anything went wrong with the postal delivery. In retrospect, however, I wanted to clarify and elaborate on some points and add a table of contents/authorities. I am still within 18 days of the Nevada Court of Appeals Order of Affirmance (issued Sept. 12, 2022), so I am asking for leave to amend my Petition for Review.

MEMORANDUM OF POINTS OF AUTHORITIES

Nev. R App. p. 27(a)(1)

Application for Relief- An application for an order or other relief is made by motion unless these rules prescribe another form. A motion must be in writing and be accompanied by proof of service.

For the reasons described in the introduction to this motion, I am asking for leave to amend my Petition for Review by the Nevada Supreme Court. Along with this motion, I am including a copy of the amended petition.
