A former employer and were caught, once again, my Aunt, JoAnn O'Neil,

Who has led the CIA in undercover investigations for decades has to babysit

Mazzoli signed us up for twin research in NYS to profit off of myself And my sister Amy as a hate crime. Both defendant's are guilty. My father, Tim O'Neil caught them both, told my Aunt, JoAnn O'Neil, who does Undercover work for The United States Federal Government and caught them Committing Federal perjury as we see from The Harvard report the defendant's Stole over 12 million dollars in 15 years from The United states Federal Government for illegal twin research as a hate crime.
