Clerk of Supreme Court

APPELLANT WILLIAM DIMONACO'S
LIMITED REMAND STATUS REPORT

COMES NOW Appellant, WILLIAM DIMONACO (hereinafter "William"), by and through his attorneys of record, Matthew H. Friedman, Esq., and Christopher B. Phillips, Esq. of the law firm of Ford & Friedman and hereby submits the foregoing Status Report regarding this Court's December 10, 2020 Order of Limited Remand. The foregoing Status Report is submitted in accordance with NRAP 12A(b).

Following this Court's December 10, 2020 Order of Limited Remand, the district court issued a minute order on December 15, 2020 setting the matter for an Evidentiary Hearing on May 11, 2021.

Thereafter, the district court's minute order was reduced to writing in the form of an Evidentiary Hearing Management Order filed in the district court on December 16, 2020. Following issuance of the district court's Evidentiary Hearing Management Order, the matter was administratively reassigned from the Honorable Charles Hoskin (Department E) to the Honorable Amy Mastin (Department M). Following the administrative reassignment, Department M moved the Evidentiary setting forward by one (1) day, to May 10, 2021, and set the matter for Pretrial Conference on April 14, 2021. At the time of the April 14, 2021 Pretrial Conference, the Evidentiary Hearing was continued, and the matter set for a Status Check on May 10, 2021. During the May 10, 2021 Status Check Hearing, the matter was set for Evidentiary proceedings on July 14, 2021 and a new Trial Management Order was issued.

On the eve of trial, the District Court issued a minute order finding that "the subject of the limited remand is...moot." As a result, the July 14, 2021 evidentiary hearing was vacated. Appellant has filed a Motion for Reconsideration, as he believes the July 13, 2021 minute order to be improper¹. Appellant has requested that the evidentiary hearing be placed back on the District Court's calendar in its first available evidentiary setting.

...

¹ Should this Court desire further clarification concerning Appellant's request for reconsideration, Appellant is happy to supplement the record with a copy of his underlying Motion.

At this time, the hearing date on Appellant's Motion for Reconsideration is currently pending.

Respectfully submitted this 28 day of July, 2021.
