## Narrative

On 06/22/2020 at approximately 2002 hours I, Officer B. Engstrom P#16440 operating as marked patrol 3V2 along with Officer R. Hagens P#17045 operating as marked patrol unit 3V12TV were dispatched to 1913 Sondrio Drive Las Vegas, Nevada 89134 reference a disturbance between a female subject and her ex-spouse. Details of the call stated the ex-spouse ran into two cars and into a light pole in rage as he was in front of her house.

Northwest Area Command officers under event #LLV20060090008 made contact with the female half later identified as Emily Bellisario DOB

Emily had an electronic Ring doorbell by her front door which she has video of Bradley in his vehicle coming to her residence. One of the stipulations of the protection order is to stay at least 100 yards away from her residence.

While Brad was at the residence, he smashed into two vehicles, Emily's garage door and a light pole. Brad also broke a front porch light and the Ring doorbell itself. The porch light was estimated at \$50 and the Ring doorbell estimated at \$200.

Officer Engstrom took digital photographs of the scene and uploaded them.

Due to the above facts and circumstances in which Bradley violated conditions of his protection order and destroyed Emily's doorbeil and light, he was arrested and booked at CCDC.

The accident portion of the event is under LVMPD event #LLV200600089954 and Northwest Area Command officers booked under LVMPD event #LLV200600090008.

On July 26th, 2020, at 0011 hours, LVMPD communications received a call from Emily Bellisario. She reported her residence to be at 1913 Sondrio Dr, located in the City of Las Vegas. Emily stated she has been receiving threatening text messages from her husband identified as Bradley Bellisario. She belleved he was on his way to the residence to hurt her. Officers arrived at 0035 hours and checked the neighborhood for the suspect and his vehicle.

#### INVESTIGATION

Emily stated she is in the process of divorcing Bradley. They have children in common. She indicated Bradley has been violent with her and has even broken into her house in the past. She has been issued an extended protection order but he continually violates it. Emily stated this evening, she began receiving text messages from Bradley. The text messages were from his phone number which has been his for years per Emily. The number listed was 309-397-6734, which is also the number LVMPD has for Bradley in previous reports. The texting of Emily from Bradley was a violation of the extended protection order.

Emily stated she is in fear Bradley is going to follow through with his threat. She states this is because he has nothing else to lose at this point. She has fortified her house and stated it is the safest place for her right now. She stated she will not go to a shelter. Her friend is visiting from out of state and is sleeping inside the house. Emily should not feel unsafe in her own home and has a right to feel protected there. She began to cry due to her current state

Officers from Summerlin Area Command began to attempt to locate Bradley in the Northwest Area Command. This included Officer Loyola and Officer Garcia. They went to his known hang outs to include Big Dogs Bar and his new address at 7100 Grand Montecito.

\*\* UPDATE - P#16114 - EVT# LLV200700112493 \*\*

On July 26, 2020 at approximately 1035 hours, I, Officer J Duncan, P# 16114, while operating as marked patrol 2VC1, conducted a follow up for a domestic violence call that had occurred in the early morning hours of 7/26/20, making contact with the female involved, Emily Belliserio, at 1913 Sondrio Dr, LV NV 69134.

Upon arrival, I spoke with Emily who immediately asked if the police had located and arrested her ex, Bradley Bellisario, for Violation of the Extended Protection Order against him. I explained to Emily that police were not able to locate Bradley as of yet. She stated that she had not heard from him since late last night, but that she was concerned for her own safety and the safety of her children. Emily did not feel safe in her current residence and wanted to know if there was any way she could be relocated into a gated community for protection. Even though her home had bars on the windows, she did not feel this would protect her from Bradley who had previously broken into Emily's residence and has repeatedly threatened her and her children.

Emily stated several times that although she had an active protection order against Bradley, that did not make her feel safe. Emily had received messages from Bradley overnight that indicated Bradley was serious about harming her and her children. Emily had multiple text messages on her cell phone from Bradley threatening her life and the life of her children. Based on the extent of the threats made to Emily and her children by Bradley.

Mary Perry - CORRUPT

Mary Perry is the Judge in my case. She's exhibited bias, corrupt, and incompetent execution of her judicial office.

My ex had me wrongfully arrested so I would miss my first hearing in front of Mary Perry. Mary Perry, while being informed of this information, held an ex parte hearing, gave opposing counsel legal advice, made derragatory statements about me, and told opposing counsel to file to change custody on an order shortening time so they could get it done real quick. I found out she's close, personal friends with my ex's attorney, Amanda Roberts (and her husband Jason Stoffel). I then filed a motion to disgualify Mary Perry as she's close friends with Amanda Roberts, she publicly stated Amanda is "one of her favorite people," and publicly stated that Amanda and Jason "are so special to her." Mary Perry filed an affidavit to oppose my motion to disgualify and lied about their relationship. Long story short, she stayed on in my case.

Since that time Mary Perry has refused to follow simple Nevada Rules of Civil Procedure, failed to follow simple Nevada law, and she has committed fraud upon the court. Below is a list of just some of the corrupt behavior Marv has engaged in:

### HELTE 💽

#### facebook.com

- 1) Made a change of physical and legal custody without making a finding of fact;
- 2) Mary Perry punished me, claiming that I failed to follow court orders, despite no Orders having been filed. I filed a motion for relief from the Orders which were filed by her freind, Amanda Roberts, six (6) months after hearing which were filled with false findings of fact. However, Amanda Roberts and her client kept trying to have me arrested until they finally got me falsely arrested and filed the Orders the same day I was arrested.
- Addittionally, I filed motions regarding malfeasance by Amanda Roberts which violated my due process rights, to which Mary Perry will not acknwoledge that I have due process rights.
- Refuses to make a finding of fact or make a holding on any motion in which it would go against her close, personal friend Amanda Roberts;
- 5) Filed an Order confirming the Discovery Commissioner's Report and Recommendation five (5) hours after the R&R was filed, not the fourteen (14) days after as prescribed by law so that I can file an objection. Then her friend, Amanda Roberts, used the Order the next day in a follow-up hearing with the Discovery Commissioner to be granted her relief sought. Then the next day Mary Perry filed a Minute Order claiming the Order confirming the R&R was vacated, but she never served the minute Order. Then she filed another Order claiming to confirm the R&R approximately a week later stating that I didn't file an objection;
- 6) Mary Perry changed custody in opposition to the recommendation by child Therapist, Nicolas Ponzo, and claimed that her friend Donna Wilburn's report presented concerns, although that report has never been presented.

**PLTF0965** 

AA3899

#### HILLTE .

#### facebook.com

- Mary Perry extended a TPO against me despite failing to make any finding of fact and made no presentation of any analysis which comports with the statutory standards for extending a TPO;
- 8) Mary Perry denied my motion regarding parental kidnapping (NRS 200.359) claiming that she wasn't filing Felony charges against the mom. However, she doesn't seem to realize she can't file charges against anyone, the motion simply asked for an Order declaring Nevada the home state of the children and that D-Case Orders weren't adequate to enforce custody. Mary Denied the motion although she had previously stated opposing party was wrongfully withholding the kids.
- 9) Mary Perry deemed me a vexatious litigant in an Order I am now seeking post-order relief from. In the previous hearing Mary Perry stated that all my motions had merit. Also, Amanda Roberts' motion to deem me vexatious was denied in the previous hearing and no motion for leave to file a new motion was ever filed. Ms. Roberts' opposition and countermotion was also filed late and Mary Perry claimed that Amanda Roberts had covid so it was timely, however that is never on the record. Most egregiously, Mary Perry lied in the Order deeming me vexatious, completely fabricating facts that aren't anywhere in the record and are blatantly false.
- 10) Mary Perry has obviously had ex parte communications with Amanda Roberts and Donna Wilburn regarding my case.

Mary Perry is a corrupt and incompetent Judicial Official that needs to be outed and taken off the bench.

It was an extension of a TPO. Judge Pomrenze previously ordered she would extend it if there were any violation. Perry kept claiming that I violated the TPO in January when I was wrongfully arrested, the charge already dropped. She now claims that I was correct in that situation, but claims I now violated a previous TPO that doesn't exist (completely made up fact in her Order declaring me vexatious). At the time of the TPO extension hearing and my subsequent motion for reconsideration she claimed she was extending it beucse there was a criminal case still open, but that doesn't meet any of the requirements in the NRS regarding extensions of TPO.

If there's no TPO application and no evidentiary hearing, then I would sue in federal court, under 42 U.S.C. 1983, for violation of 14th A. (no notice and opportunity to be heard). I am now suing my loser judge and opposing counsel in federal court for this exact scenario.

And he's a fucking pussy to boot

Wait wow! Damn, I'm sorry if that's what happened. I'm married and would lose my shit if someone did that to me

I have zero tolerance for him. I'm following him with bad press wherever he goes.

He's dumb enough to post it. So whatever I can repost it and it's true.

Also FYI he's reported to the AG abs F so it's coming down ...e pipeline

You're getting a check so there's proof I paid you. Go cash it yourself.

This isn't my bad. Look inward Reisa

You've lost your mind.

Already gave every news outlet/ Facebook organization about the raiders his name and address let's make his dumb ass famous

Nope. Just put up with too much of your shit.

You take no accountability for anything. Just say it's fine ans people should put up with it.

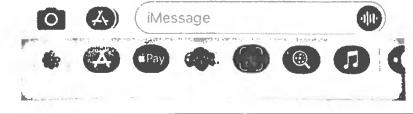

Take other people into account at some point.

For the record, I haven't cheated on you ever. I've never cheated on anyone in my fucking life.

K where'd you stay last night? Jason's

Yep. Guess what - there were three other people there. Also, we're not together.

It's very satisfying

You told me I'd never hear from you again if I gave you \$600. You've got \$600 from me. And you're still texting me. Please stop.

You told Jason you were gonna Uber home instead of go fuck him. We shit happens I guess

Maybe pay the full 1000 and it'd be easier?

> You already did, about a dozen times. And I've asked you to please stop more than several times. Badgering me about this isn't hurting him it's hurting the good relationship you and I have. Definitely hurts me that you'd uninvite me to something because you'd rather rail into me about someone you don't like.

I'm saying he's a piece of shit. If you don't want to admit he's a fuck I'm good with that. It's stupid.

He's got an army after him on Instagram now.

After what you did most people would never speak to you again but I gave you chance after chance to redeem yourself and you remained the same. you changed me I'm a fearful anxious person and I never used to be that way and it's unfair for you to keep doing that to Me. I should have to be scared to text you or scared to read what you say so if you want to continue this way I ask that you have no further contact with me.

Thu, Feb 6, 1:57 PM

I can't even begin to express how ridiculous that sounds. Just wow. I imagine you're taking your attorneys advice and just trying to put as much ridiculous stuff in text that you can. But history says otherwise to many of those things. I will not contact you.

RE: Bellisario vs. Bellisario (D-20-605263-D)

Ms. Amanda Roberts,

As Michael Jordan once stated, "I'm back." I'm sure your client has informed you of the events from January 23, 2020. Pursuant to communication with authorities it is evident that you and your client conspired to file a false police report in June of 2020 and further communicated with authorities to have me taken into police custody, in front of my children in an effort for me to miss family court on January 25, 2020. You truly are the biggest piece of trash I've ever encountered. You and your husband must love being sued.

Please take notice that due to my ten (10) day incarceration I missed my visitation time on January 30, 2020 with all three of my children. I have made accommodations for either Saira McKinley or my mom to pick up all three (3) children on February 6, 2020 at noon for my visitation. My mother was previously approved by CPS as a supervisor, additionally, your client previously agreed to Saira McKinley as a supervisor. Any resistance to the two previously approved supervisors as transportation for the visitation will be met with a motion, request for sanctions, and bar complaint.

Additionally, we will need to schedule makeup time for the visitation I missed on January  $30^{th}$  due to you and your client's illegal actions. I am agreeable to have the children for a full 8 hours on February  $6^{th}$ , or we can schedule an additional four (4) hour visit on any other day in the immediate future. Any resistance, or another claim that your client's position is that I had my visitation, will be met with a motion, request for sanctions, and bar complaint.

Please respond as soon as possible. If I do not hear back from you on this matter by 5pm Friday I will file a motion accordingly.

Not cordially yours,

/s/ Bradley Bellisario Bradley Bellisario 7100 Grand Montecito Pkwy, #2054 Las Vegas, NV 89149 T: 309.397.6734 E: bradb@bellisariolaw.com
