CLERK OF SUPREME COURT

DEPUTY CLERK

ORDER DENYING PETITION

This original pro se petition seeks a writ of mandamus directing the district court to take action on four motions allegedly filed.

Problematically, petitioner has not provided this court with exhibits or other documentation that would support his claims for relief. See NRAP 21(a)(4) (providing the petitioner shall submit an appendix containing all documents “essential to understand the matters set forth in the petition”). Therefore, without deciding the merits of the claims raised, we decline to exercise our original jurisdiction in this matter. See NRAP 21(b). We reiterate that “[p]etitioner[] carr[ies] the burden of demonstrating that extraordinary relief is warranted.” *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004).

It is so ORDERED.
