15 NOTICE OF APPEAL

17 Notice is hereby given that KEM PETERS, Defendant above-named,  
18 hereby appeals to the Supreme Court of Nevada from Motion  
19 To Reduce Bail/Set bail at Reasonable Amount/Compassionate Release/  
20 Considering House Arrest Conditions/ Pretrial and nonmonetary Release or Alt.  
21 that was held the date 1/31/2022 at 8:30 am this hearing. As  
22 an attorney who was supposed to be Steven Altig or a representative of  
23 firm showed ineffective counsel it seems by not vigorously objecting, or  
24 mentioning the Event At the Mental Health Behavioral Center Stein / Stern  
25 (Muri) Case # C1244062A/2 and Event # 210100080006, Objecting to Slanderous,  
26 and defaming comments, nor arguing for court Appointed House Arrest or non  
27 monetary conditions and just as or prior before the hearing defendant - cont.

3 Reached out for an attorney to call which It was spoken  
4 by Attorney he would Argue, mention and make these things  
5 Known to a Judge. A judge or respectfully speaking Mam  
6 A Judge speaking she read the Arrest Reports and based A decision  
7 to set excessive bail, which is illegal, especially for an indigent  
8 inmate, when that decision is based off of Presumptions. In which  
9 many lies were exposed of alleged Victims from falsely testifying.

10 This shows a possible indirect neglect and Partial Breach,  
11 which can an seems to be leading A defendant as a directed  
12 Verdict and can lead to malicious prosecution indicating Mal-practice.

13 This prejudices a defendant further after already being defamed.  
14 If a judge goes off of an Arrest Report produced by detectives  
15 who may have biased opinions against a defendant and assist with  
16 legal trickery in preparing a report for the prosecution, which shows  
17 nothing in the report isn't malicious, defamatory /Slanderous<sup>or</sup>/ libel, towards  
18 the defendant. The detectives wrote a few different versions twisting  
19 the reports and Assume intent in which the Voluntary Statements and  
20 Preliminary Hearing Transcripts disproves and shows otherwise, lies and  
21 an occurrence being or intent being painted of one's mind state.

22 In Prelim. Hearing A version of a video was used and not challenged,  
23 which this video seemed edited and not original. Tampered evidence.

24 fruit of the poisonous Tree possibly. I would like to request that  
25 this case be Transferred over to the Supreme Court. Nothing's

26 been <sup>Subpoena</sup> ~~Supp~~ona and there's approx. a month or so for Trial. I've  
27 never consulted with attorney before this Hearing or been contacted by him.

1 continued..... I would like to request remedies like A Writ of Coram Nobis,  
2 Also, It shows or is being formed that defendant allegedly had an intent to Kill  
3 solemnly because of the stated or documented occurrence by public officials  
4 and D.A. stating that the victim survived as of because something happened  
5 allegedly, that paints a perception of the defendants mind state, which  
6 it wasn't one's intent to Kill. This creates A scornful and biased view  
7 upon defendant who denies not an occurrence, but a Painted Prejudicial  
8 occurrence as to what happened. It has been approximately 2 years  
9 and this case has been at a stand still with several seemingly violations  
10 which state appointed counsels act or seem to act, (sorry, excuse me)  
11 but seem to act as a fence or receivers, who watch an edited version  
12 of a video and possibly develop's a bias themselves for their client  
13 before even consulting with the defendant. This has become possibly  
14 an organized lynching, when If treated properly the state can find  
15 Honor and integrity in Mr. Peters without trying to or having to  
16 pervertedly force counsel to engage in legal Trickery and force  
17 Mr. Peters into A Trial whether its to direct him as A verdict  
18 on charges, maliciously prosecute him which leads to Cruel and  
19 Unusual Punishment which already has existed during Mr. Peters incarceration.  
20 There has been excessive overreaching in this case and I  
21 respectfully would like to request A promissory estoppel, Habeas Corpus, Mandamus  
22 and A Writ of Prohibition to be filed please, and A Motion of A Bill of Particulars.

23 VALIDATION: The foregoing is true and correct under penalty of perjury, per  
24 NRS 171.102 and 208.165 and to the best of my Knowledge. 1/31/2022.
