Dear Nevada Supreme Court,

ELIZABETH A. BROWN
CLERK OF SUPREME COURT

DEPUTY CLERK

I, Steven Kindard write this letter in regards to case No. 82665. The last thing I received from this court was stamped "filed" Aug 27, 2021. This document is a order regarding Document AND Pro Bono Counsel. In this document it is my understanding that I should hear back from either the State Bar, or the Legal Aid Center of Southern Nevada. As of this date 12/13/21 I have heard nothing from them.

The only information I have received was a returned e-mail sent by my federal public defender from a different case.

over all I dont know what to do, or where this case stands. Can you please let me know if I need to try and turn this letter into a court document? At this point all I'm trying to do is find out if I will have someone to assist me with this case.

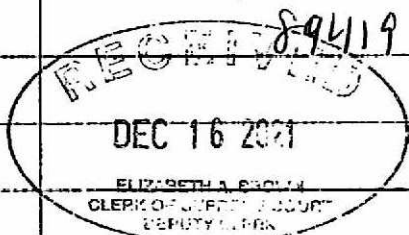

I greatly thank you for your time.
