2  
3 BRENDA ANNE LEE,

4 having been first duly sworn to  
5 faithfully and accurately transcribe  
6 the following proceedings to the best  
7 of her ability.

8  
9 THE FOREMAN: Let the record reflect  
10 that I have canvassed the waiting area and there is  
11 no one present there in response to the Notice of  
12 Intent to Seek Indictment.

13 MR. ROGER: Mr. Foreman, may I proceed?

14 THE FOREMAN: Go ahead.

15 MR. ROGER: Good morning, ladies and  
16 gentlemen. My name is David Roger. I'm a  
17 prosecutor with the Clark County District Attorney's  
18 Office. This morning I'm going to be presenting the  
19 case of State of Nevada versus Sheldon Hollimon. He  
20 is charged by way of this proposed Indictment with  
21 one count of murder with use of a deadly weapon and  
22 two counts of attempted murder with use of a deadly  
23 weapon.

24 May I call my first witness?

25 THE FOREMAN: Yes.

1 Please raise your right hand.

2 You do solemnly swear that the  
3 testimony that you are about to give upon the  
4 investigation now pending before this Grand Jury  
5 shall be the truth, the whole truth and nothing but  
6 the truth, so help you God?

7 DR. GREEN: I do.

8 THE FOREMAN: Please be seated.

9 You're advised that you are here  
10 today to give testimony in the investigation  
11 pertaining to the offenses of murder with use of a

15 Do you understand this  
16 advisement?

17 DR. GREEN: I'm not familiar with the  
18 possible defendant. The only name that I have is  
19 the victim.

20 THE FOREMAN: But you do understand  
21 what I have advised you?

22 DR. GREEN: Yes.  
23  
24

1                    GILES SHELDON GREEN,

2                    having been first duly sworn by the  
3                    Foreman of the Grand Jury to testify to  
4                    the truth, the whole truth and nothing  
5                    but the truth, testified as follows:

6  
7                    EXAMINATION

8  
9                    BY MR. ROGER:

10                   Q.        Please state your name and spell your  
11                   last name for us.

12                   A.        Giles Sheldon Green, G-r-e-e-n.

13                   Q.        Dr. Green, what is your business or  
14                   occupation?

15                   A.        I'm a physician. My specialty is  
16                   forensic pathology, and I'm currently employed as a  
17                   medical examiner in the Clark County Coroner Medical  
18                   Examiner Department.

19                   Q.        Dr. Green, have you testified in courts  
20                   of law here in Clark County as an expert in the area  
21                   of forensic pathology?

22                   A.        Many times.

23                   Q.        Have you testified before this present  
24                   Grand Jury on prior occasions?

25                   A.        I believe I have.

MR. ROGER: Is that correct, Mr.

Foreman?

THE FOREMAN: Yes.

MR. ROGER: Will the Grand Jury accept Dr. Green as an expert in forensic pathology?

THE JURY: (in unison) Yes.

MR. ROGER: Does the Grand Jury have any questions of his qualifications that they'd like to ask at this time?

THE JURY: (in unison) No.

BY MR. ROGER:

Q. Dr. Green, is there a procedure followed by the Clark County Medical Examiner's Office concerning the documentation of autopsies which are performed in your office?

A. Yes.

Q. Is it true that the medical examiner that performs the autopsy dictates his findings -- his or her findings as they perform the autopsy, and thereafter the tape is transcribed, the transcription is reviewed by the medical examiner who performed the autopsy, and then the document is filed with your office at the Clark County Coroner's Office?

A. That is correct.

1 Q. Dr. Green, I'm showing you Grand Jury  
2 Exhibit Number 4. This is an autopsy report dated  
3 July 22nd of the year 2000 concerning the  
4 post-mortem autopsy of Luis Martinez authored by Dr.  
5 Gary Telgenhoff.

6 Do you recognize that document?

7 A. Yes, I do. I have a copy of it here.

8 Q. Have you had an opportunity to review  
9 the copy of the autopsy report?

10 A. Yes.

11 Q. Now, will you please tell us just  
12 generally what Dr. Telgenhoff's findings were with  
13 respect to his external examination?

14 A. In the external examination, the  
15 primary and critical findings were gunshot wound to  
16 the head. The wound of entry come from the left  
17 side coming through the edge of the ear or through  
18 the outer part of the ear into the head going  
19 through the brain out the right.

20 Q. Did Dr. Telgenhoff perform an internal  
21 examination?

22 A. Yes.

23 Q. What was Dr. Telgenhoff's significant  
24 findings?

25 A. The significant findings are confined

1 to the head. The decedent was a young individual  
2 around 20 years old, as I recall it, and apparently  
3 good health.

4 Q. Did Dr. Telgenhoff form an opinion as  
5 to the cause of Alberto or Luis Martinez' death?

6 A. Yes.

7 Q. What was Dr. Telgenhoff's opinion?

8 A. It is his opinion as recorded here that  
9 death was due to gunshot wound of the head.

10 Q. Did he form an opinion as to the manner  
11 of death?

12 A. Yes.

13 Q. What was that opinion?

14 A. His opinion was this was a homicidal  
15 death.

16 Q. Do you concur with Dr. Telgenhoff's  
17 manner of death?

18 A. Based on review of his records, yes, I  
19 do.

20 Q. I'm showing you Grand Jury Exhibit  
21 Numbers 3 and 4 (sic.), recognizing that you didn't  
22 personally see the body.

23 Do Grand Jury Exhibits Numbers 3  
24 and 4 (sic.) appear to reflect injuries on a young  
25 Hispanic male which are consistent with Dr.

1 Telgenhoff's findings?

2 A. Yes, they are.

3 Your Exhibit 3 is a close-up  
4 view of the left side of the head. The ear is just  
5 off center. Somebody's gloved hand is holding the  
6 outside of the ear away, and you can see under the  
7 assistant's index fingertip a part of the wound of  
8 the ear itself, and then directly behind it about  
9 where I have my fingertip there is a wound of entry  
10 into the head.

11 Your Exhibit 2 is a view of the  
12 right side of the head and the angle of the  
13 photograph, it shows the wound of exit above and  
14 behind the tail of his right eyebrow which would be  
15 about here (indicating).

16 Q. You're pointing to your left temple?

17 A. Right.

18 MR. ROGER: Thank you.

19 That concludes my examination.

20 Any questions, Mr. Foreman?

21 THE FOREMAN: Questions, jury?

22 (No response.)

23 THE FOREMAN: By law, these proceedings  
24 are secret, and you are prohibited from disclosing  
25 to anyone anything that transpired before us

1 including evidence presented to the Grand Jury, any  
2 event occurring or a statement made in the presence  
3 of the Grand Jury, and information obtained by the  
4 Grand Jury.

5 Failure to comply with this  
6 admonition is a gross misdemeanor, punishable by a  
7 year in the Clark County Detention Center and a  
8 \$2,000 fine. In addition, you may be held in  
9 contempt of court punishable by an additional \$500  
10 fine and 25 days in the Clark County Detention  
11 Center.

12 Do you understand this  
13 admonition?

14 THE WITNESS: I do.

15 THE FOREMAN: You're excused.

16 (Witness excused.)

17 THE FOREMAN: You do solemnly swear  
18 that the testimony that you are about to give upon  
19 the investigation now pending before this Grand Jury  
20 shall be the truth, the whole truth and nothing but  
21 the truth, so help you God?

22 MR. LEONARDO MARTINEZ: Yes.

23 MR. ROGER: Sir, are you a court  
24 appointed interpreter?

25 MR. BERRY: Yes, sir.

1 MR. ROGER: Please state your name.

2 MR. BERRY: Michael T. Berry,  
3 B-e-r-r-y.

4 MR. ROGER: Mr. Berry, do you swear to  
5 translate the following proceedings from English  
6 into Spanish and from Spanish into English?

7 MR. BERRY: Yes, I do.

8 MR. ROGER: You have been qualified by  
9 the Eighth Judicial District Court as a court  
10 appointed Spanish interpreter?

11 MR. BERRY: Yes, I have.

12 THE FOREMAN: You are advised that you  
13 are here today to give testimony in the  
14 investigation pertaining to the offenses of murder  
15 with use of a deadly weapon and attempt murder with  
16 use of a deadly weapon, the offenses as set forth in  
17 the proposed Indictment of one Sheldon Hollimon.

18 Do you understand this  
19 advisement?

20 MR. LEONARDO MARTINEZ: Yes.

7 BY MR. ROGER:

11 A. No, never.

12 Q. How is it that these two individuals  
13 arrived?

14 A. We were just sitting there. Well, me  
15 and my brother, but we had separated ourselves from  
16 the rest of the group. We were sitting on the  
17 corner when Damon and his partner arrived. They  
18 came in a white car. They parked and went into  
19 their apartment.

20 Q. Could you see which apartment they went  
21 into? Was it Apartment Number 2?

22 A. Well, they didn't actually go into the  
23 apartment. They went into the little yard there  
24 that's in between the apartments.

25 Q. How long were they gone?

1 A. It was just a matter of two or three  
2 seconds that I lost sight of them and then they came  
3 right back.

4 Q. The person that you're referring to as  
5 Sheldon Hollimon, would you recognize a photograph

8 Q. I'm showing you Grand Jury Exhibit  
9 Number 5.

10 Do you recognize the individual  
11 who's depicted in that photograph?

12 A. Yes, but at that time he had long curly  
13 hair.

14 Q. So the individual who's depicted in  
15 that photograph is Sheldon Hollimon?

16 A. Yes. It looks like him.

17 Q. When Mr. Campbell and Mr. Hollimon  
18 returned seconds later, did you see whether they had  
19 anything in their possession?

20 A. Yes.

21 Damon was carrying a pistol like  
22 this (indicating) right next to his leg and the  
23 other guy was coming behind him.

24 Can I say it in English like I  
25 heard it?

1 Q. Do you speak a little bit of English?

2 A. Yes, sure. I understand a little, very  
3 little.

4 Q. Okay. Did the -- did either one of  
5 these individuals say anything to the group of your  
6 friends?

7 A. Yes. That's what I was going to tell  
8 you what he said.

9 Q. Who said something to the group?

10 A. Damon.

11 Q. What did Damon Campbell say to your  
12 group?

13 A. We don't want to see Mexicans here at  
14 the corner where we were sitting down.

15 Q. When Damon Campbell said that we don't  
16 want to see any Mexicans here any more, did he still  
17 have the gun in his hand?

18 A. He raised it up, and he hit my brother  
19 with it in the face, in the ear, in the face.

20 Q. What is your brother's name?

21 A. Augustine Martinez.

22 Q. Augustine?

23 A. Yes, Augustine Martinez.

24 Q. What happened at that point?

25 A. My brother fell on the ground. And

1 when he fell on the ground, all of the guys came  
2 over to see what was happening. And when my brother  
3 was lying on the ground, Damon began to shoot.

4 Q. Sheldon Hollimon, was he still present  
5 at the time that Damon Campbell struck your brother  
6 in the head and started shooting?

7 A. Yes.

8 He was behind him. And he told  
9 them shoot, shoot. He was making a gesture like  
10 this (indicating) and saying shoot, and all the time  
11 he was behind him

12 Q. You just -- you just gestured that  
13 Sheldon Hollimon had his two arms above his head  
14 pointing towards the group of individuals and saying  
15 shoot him, shoot him?

16 A. Yes. Yes.

17 Q. Did Sheldon Hollimon have a gun?

18 A. No.

19 Q. When Damon Campbell first started  
20 shooting, where did he shoot?

21 A. Toward at us, you know, at a medium  
22 distance from us.

23 Q. Did you say anything to either Damon  
24 Campbell or Sheldon Hollimon?

25 A. Yes.

1 I told him don't shoot. I  
2 shouted very loud several times don't shoot. I  
3 don't want any trouble. And just as he was  
4 shooting, my three-year-old son ran out from the  
5 house, and I shouted again, you know, don't shoot.  
6 There's a child there. He kept shooting, and he  
7 kept shouting or shooting and saying what's one  
8 little Mexican more less.

9 Q. How many shots were fired by Mr.  
10 Campbell?

11 A. Three or four.

12 Q. Where was Mr. Hollimon as Damon  
13 Campbell was firing these three or four shots?

14 THE INTERPRETER: The other person --  
15 I'm sorry. I'm getting the names confused.

16 BY MR. ROGER:

17 Q. As Damon Campbell was firing the gun,  
18 what was Sheldon Hollimon doing?

19 A. He was telling them and showing him  
20 that he should shoot. He didn't try to calm -- he  
21 induced him to keep shooting.

EXAMINATION

BY MR. ROGER:

Q. Please state your name and spell your first and last name for us.

A. Carlos Villanueva. C-a-r-l-o-s V-i-l-l-a-n-u-e-v-a.

Q. Mr. Villanueva, how old are you?

A. 28.

Q. I'd like to direct your attention to Saturday, July 22nd, 2000, at about 1:30 a.m.

Were your friends in the rear alleyway of 2933 Elm Avenue, Apartment Number 2, in Las Vegas, Clark County, Nevada?

A. Well, it's not exactly an alley. It's just beside where we live.

Q. Now, had you been with your friends earlier during the evening of -- or Friday evening?

A. Yes. We had gone to practice soccer a bit.

Q. Did you live in that apartment complex?

A. Yes, there I live.

Q. Did the group return to your apartment and watch a soccer game on TV and drink beer during the evening hours of Friday into the early hours of

1 Saturday morning?

2 A. Yeah. Yes.

3 It's a regular thing that we  
4 gather there and have a few beers. I practically  
5 don't drink myself, but that night I had.

6 Q. Somewhere around 1:30 a.m. were you in  
7 your apartment when others were out in the parking  
8 lot?

9 A. I was. I came out when the other two  
10 people who live on the other side of the parking lot  
11 were there.

12 Q. You say the other two people who lived  
13 on the other side of the parking lot. Do you know  
14 their names?

15 A. One is Augustine Martinez and the other  
16 is Leonardo Martinez. They're friends of mine.

17 Q. As you were approaching the area, did  
18 you hear any type of commotion out in the area?

19 A. When I went in my apartment I heard  
20 there was something going on with the other two  
21 people, but I couldn't hear what they were talking  
22 about. As I got closer -- I don't know the name of  
23 the person who had a pistol in his hand, and when I  
24 got closer there were two shots in the air.

25 Q. Can you describe the person who had the

1 pistol in his hand?

2 A. He was -- what would you say? He  
3 wasn't real dark. He had -- his hair went back like  
4 this (indicating). He had like a receding hairline.  
5 I didn't see him real well. Everything happened so  
6 fast. I didn't see him real well.

7 Q. Would you be able to identify him  
8 again?

9 A. Yes, I think so.

10 Q. Was there anybody with this person who  
11 had a gun?

12 A. Yeah. Another one was coming behind  
13 him.

14 Q. Will you describe that person?

15 A. Well, he was behind him. And it was  
16 dark where they were, and where I live there's only  
17 one little light, so I couldn't see him very well.

18 Q. How far away was this second person  
19 from the individual who had the gun?

20 A. Two or three steps. Not much. Not  
21 much distance.

22 Q. Could you see what the second person  
23 was doing when he was behind the shooter?

24 A. No. No. I couldn't see. I was a  
25 little -- I was staying a little back so -- you

1 know, so I wouldn't get hit.

2 Q. How far away were you from the person  
3 who had the gun who was shooting?

4 A. It would be like from here to where  
5 that tree is.

6 Q. Can you give us your best estimate as  
7 to how far away that is?

8 A. 20, or I really don't have any idea.

9 Q. 20 feet?

10 A. Probably a little more.

11 Q. When this individual with the gun  
12 started shooting, did he say anything?

13 A. No.

14 Or if he said something I didn't  
15 understand it.

16 Q. Do you speak any English at all?

17 A. A few words. Not too -- I couldn't,  
18 you know.

19 Q. When this person started shooting,  
20 where did he shoot?

21 A. The first two shots were in the area  
22 and then -- and then twice towards the dumpsters or  
23 garden stands, and then he shot me.

24 Q. Do you know whether anybody tried to  
25 grab this individual when he started shooting?

1 A. No, because he had a gun in his hands.

2 Q. Do you know Luis Martinez?

3 A. Yes.

4 Q. Where was Luis Martinez at the time  
5 that this individual started shooting?

6 A. When he shot me and I fell down there  
7 was another shot, and I looked -- well, behind me.  
8 Got behind me, but to the side to where he had shot.

9 Q. Where were you shot?

10 A. In the shoulder or the upper part of  
11 the arm.

12 Q. Did you see where Luis Martinez was  
13 shot?

14 A. Well, I didn't see it. I understand it  
15 was in the head. I didn't see it.

16 Q. Where was Luis when he was shot in the  
17 head?

18 A. We were behind. We were behind a truck  
19 or a van. I don't remember exactly.

20 Q. Did this second individual have a gun?

21 A. No. I didn't realize if -- he did not  
22 that I'm aware of.

23 Q. In total, how many shots did this  
24 individual fire?

25 A. Six, I guess. I'm not real sure.

1 Q. Did you see where the individual with  
2 the gun and the second individual went after they  
3 finished firing shots?

4 A. No. After I got hit, no, I didn't know  
5 nothing.

6 Q. How many shots did you receive?

7 A. Just one.

8 Q. What is your condition today?

9 A. Well, I still not very good still.

10 Q. Are you able to move your legs?

11 A. No.

12 Q. Do you have any feeling below the  
13 waist?

14 A. No.

15 From the -- I have lost all  
16 sensation from the -- from the belly button down and  
17 part of my back.

18 Q. Sir, I'm going to show you Grand Jury  
19 Exhibit Number 2.

20 Is that Luis Martinez, also  
21 known as Alberto Martinez?

22 A. Yes.

23 MR. ROGER: That concludes my  
24 questioning.

25 THE FOREMAN: Any questions, jurors?

1 BY A JUROR:

2 Q. Do you speak -- do you understand any  
3 English?

4 A. No, almost nothing.

5 Q. Okay. And do you know if Sheldon  
6 Hollimon lived in that apartment?

7 A. The thing is he always had -- what do  
8 you call -- I almost never saw him. I almost never  
9 saw him unless I came out the sliding door of my  
10 apartment.

11 BY A JUROR:

12 Q. Have you or any member of your family  
13 or any of the other people that you were with that  
14 night, had any prior contact with the two  
15 defendants?

16 A. No. No, because when we get out there,  
17 if we were outside it was always very peaceful, and  
18 we never had any contact with them.

19 BY MR. ROGER:

20 Q. I have a follow-up question.

21 That evening did you or any of  
22 your friends attack the person with the gun or the  
23 second individual?

24 A. I didn't understand the question.

25 Q. That evening did either one of your

1 friends or yourself strike the man with the gun or  
2 his friend?

3 A. If we attacked him?

4 Q. Yes.

5 A. No.

6 Q. Did either you or any of your friends  
7 try to strike either one of those two individuals  
8 with beer bottles?

9 A. Not that I'm aware of.

10 Q. Not that you're aware of?

11 A. Everything happened so fast. There was  
12 also a child there, the son of one of my friends who  
13 was with him. And everything happened so fast.

14 Q. Is the answer to my question that to  
15 the best of your knowledge nobody struck the person  
16 with the gun or the second person with a beer  
17 bottle?

18 A. No.

19 MR. ROGER: Thank you.

20 Any questions?

21 BY A JUROR:

22 Q. Did Leonardo or Luis live in the same  
23 apartment complex that he lived in?

24 A. No. He lived farther down about 10  
25 minutes away walking.

1 THE FOREMAN: Any further questions,  
2 jury? Anybody else?

3 (No response.)

4 THE FOREMAN: By law, these proceedings

18 Do you understand this  
19 admonition?

20 THE WITNESS: Yes.

21 THE FOREMAN: You're excused.

22 (Witness and interpreter excused.)

23 THE FOREMAN: Please raise your right  
24 hand.

5 DETECTIVE MARIN: Yes.

6 THE FOREMAN: Be seated.

9 pertaining to the offenses of murder with use of a  
10 deadly weapon and attempt murder with use of a  
11 deadly weapon, offenses set forth in the proposed

13 Do you understand this

Q. Are you a detective with the Homicide Division of the Las Vegas Metropolitan Police Department?

A. Yes.

Q. How long have you been employed as a police officer with the Las Vegas Metropolitan Police Department?

A. 15 years.

Q. I'd like to direct your attention to Saturday, July 22nd, 2,000, somewhere after 1:30 a.m.

Were you asked to respond to the alley to the rear of 2933 Elm Avenue, Number 2, in Las Vegas, Clark County, Nevada?

A. Yes.

Q. And did you respond and meet with your partner, Detective Mark McNett, and Sergeant Ken Hefner?

A. Yes.

1 Q. When you arrived at the scene, did you

3 identified to you as Alberto Martinez or Luis  
4 Martinez?

5 A. Yes.

6 Q. Did you attend the post-mortem autopsy  
7 later that morning that was conducted by Dr.  
8 Telgenhoff on the body of Luis Martinez or Alberto  
9 Martinez?

10 A. Yes.

11 Q. I'm showing you State's Proposed  
12 Exhibits or Grand Jury Exhibits Number 2 and 3.

13 Are these photographs of Luis or  
14 Alberto Martinez?

15 A. Yes.

16 Q. When you arrived at the area, did you  
17 attempt to speak with some of the witnesses through  
18 an interpreter to find out what had happened?

19 A. Yes.

20 Q. Did there come a point in time when you  
21 became concerned that perhaps the individual or  
22 individuals who were involved in the shooting death  
23 of Luis Martines were in Apartment Number 2?

24 A. Yes.

25 Q. Did you attempt to knock on the door to

1 get them to come out and speak with you?

2 A. Yes.

3 Q. Did they answer the door?

4 A. No.

5 Q. What did you do?

6 A. Eventually a decision was made by  
7 Sergeant Hefner to get a telephonic search warrant  
8 so we can gain entry thus bringing them out.

9 Q. Were you able to bring or did Sergeant  
10 Hefner obtain the telephonic search warrant to  
11 search the residence?

12 A. Yes.

13 Q. Prior to that, were the individuals  
14 brought out of the apartment, or did you wait for  
15 the search warrant?

16 A. We waited for the search warrant.

17 Q. When you went into the apartment, how  
18 did you gain entry?

19 A. After eventually knocking on the door  
20 and making several announcements -- again I wasn't  
21 actually there when the entry was made, but I  
22 believe eventually the door was either opened, or  
23 I'm not sure if they made a forced entry or not.

24 Q. Did you see the occupants who were  
25 brought out from the Apartment Number 2?

1 A. Eventually they were brought out and  
2 placed in front of the apartment, yes.

3 Q. How many occupants were in the

15 A. Yes.

16 Q. Was the apartment searched at that  
17 point?

18 A. Yes.

19 Q. What was recovered from the apartment?

20 A. Eventually a .45 automatic handgun was  
21 recovered. I believe there was a magazine clip of  
22 some type that was additionally recovered. A  
23 shotgun was recovered.

24 Q. Were there any cartridge casings found  
25 within the residence?

1 A. Yes.

2 Q. How many cartridge cases?

3 A. I'm really not sure on the number of  
4 cartridges that were recovered.

5 Q. And when we talk about cartridge cases,  
6 we're talking about the expended cartridge that is  
7 ejected from an automatic handgun?

8 A. I believe those were recovered in the  
9 parking lot and again Detective McNett, he handled  
10 that part of the investigation, so I wouldn't be  
11 quite sure on the number.

12 Q. But you did examine the crime scene  
13 just to get an overall view of what had happened?

14 A. Yes.

15 Q. So do you know if there were any of  
16 those expended cartridge cases within the apartment?

17 A. I know for a fact in the parking lot,  
18 but I'm not sure on the inside.

2 Q. When you spoke with Mr. Hollimon was he

7 with Mr. Hollimon, was he allowed to leave?

8 A. Yes.

9 Q. I'm showing you Grand Jury Exhibit  
10 Number 5.

11 Do you recognize the individual  
12 who's depicted in that photograph?

13 A. Yes.

14 Q. Who is it?

15 A. Hollimon.

16 Q. Sheldon Hollimon?

17 A. Yes.

18 Q. Is his hair style or anything about him  
19 which is depicted in that photograph different than  
20 the way you saw him that evening?

21 A. His hair was longer, and I believe he  
22 was growing dreads.

23 Q. So the evening that you spoke with him  
24 his hair was longer, and it appeared that he was  
25 starting to grow dread locks or long braids in his

1 hair?

2 A. Yes.

3 Q. When you spoke with him, did you tape  
4 record the statement?

5 A. Yes.

6 Q. Was the tape recording transcribed  
7 thereafter?

8 A. Yes.

9 Q. I'm showing you Grand Jury Exhibit

11 Does that appear to be a  
12 transcription of your interview with Mr. Hollimon?

13 A. Yes.

14 MR. ROGER: Ladies and gentlemen,  
15 I'll be presenting Grand Jury Exhibit Number 6 to  
16 you. I'm not offering this transcription or his  
17 statement to Detective Marin as inculpatory  
18 evidence. I am presenting it to you as exculpatory  
19 evidence.

20 This is Mr. Hollimon's statement  
21 as to what had happened that evening. I have an  
22 obligation to provide exculpatory evidence to you,  
23 so I'm providing that transcription to you for your  
24 edification.

1 BY MR. ROGER:

2 Q. Can you tell us just generally what Mr.  
3 Hollimon told you?

4 A. Basically what he told me was when he  
5 pulled up to the apartment in the vehicle with  
6 Damon, they got out of the car and were approaching  
7 Apartment Number 2 when they noticed one of the  
8 individuals, one of the victims urinating on the  
9 side of their apartment.

10 He stated that Campbell went up  
11 to this person and told him please don't urinate on  
12 the wall and started walking back towards the  
13 apartment, and this person continued to urinate on  
14 their wall. When Campbell went back to that  
15 individual there was an exchange of words.

16 He said there was another  
17 Hispanic male there. An argument started, and he  
18 noticed that they were fighting. He came over  
19 there, tried to break it up, along with another  
20 individual. He said at which time a crowd started  
21 to gather, supposedly had bottles and started  
22 breaking bottles and weapons. And he went to the  
23 apartment and went inside and heard two shots.

24 Campbell followed behind him and  
25 told everybody inside the apartment to get on the

1 ground. He heard an additional shot coming from  
2 inside the apartment, and he picked up a shotgun and  
3 laid down on the ground with a shotgun at the  
4 instructions of Damon Campbell and said thus that  
5 kind of ended the shooting. And he stayed on the  
6 ground along with everybody else until the police  
7 came inside the apartment.

8 Q. Did he explain why nobody answered the  
9 door when the police knocked?

10 A. He indicated that they were scared.

11 Q. When you examined the crime scene, did  
12 you find any broken beer bottles?

13 A. Not me personally. I mean this is a  
14 big parking lot so in that given area, no, we didn't  
15 see any broken bottles, no.

16 Q. Did you see any signs that individuals  
17 had been urinating on the sidewalk?

18 A. No.

19 MR. ROGER: Thank you.

20 That concludes my examination.

21 THE FOREMAN: Questions, jury?

22 BY A JUROR:

23 Q. Could you tell us how big of an area?  
24 You said it was a big parking lot. How big of an  
25 area that this whole thing was supposed to have

1 taken place?

2 A. There were like two or three vehicles  
3 that were parked just north of the apartment  
4 complex. To give you some measurements on it, I  
5 would say it would be approximately a hundred feet  
6 by a hundred feet.

7 BY A JUROR:

8 Q. The apartment complex, are they small  
9 houses or are they several stories?

10 A. It's a -- there are individual  
11 buildings that are two stories and each individual  
12 apartment houses four units, two upstairs and two  
13 downstairs.

14 THE FOREMAN: Any further questions,  
15 jury?

16 BY A JUROR:

17 Q. Yeah. I have a couple of questions  
18 just for clarification.

19 When Mr. Hollimon was being  
20 interviewed and he said he heard two shots outside  
21 of his apartment?

22 A. When he was retreated into the  
23 apartment that they were going to Damon's girl  
24 friend, he said he could hear two shots in that area  
25 in the parking lot where Damon was fighting with the

1 victim.

2 BY MR. ROGER:

3 Q. I'd like to follow up.

4 After he was in the apartment --  
5 after Sheldon Hollimon was in the apartment and  
6 Damon Campbell was in the apartment, did Mr.  
7 Hollimon tell you whether he heard any shots that  
8 were being fired from within the apartment?

9 A. He said he heard additional shots from  
10 inside the apartment that he was in.

11 Q. And these were shots that were being  
12 fired from some individual from within his apartment  
13 outside?

14 A. Yes.

15 Q. Did he tell you who fired those shots?

16 A. He didn't come out and just say Damon  
17 did it, but he believed Damon was the one probably  
18 shooting.

19 Q. When you interviewed him did he -- was  
20 he cooperative and forthcoming with the information?

21 A. He wasn't totally cooperative. I had  
22 to go back after getting additional information and  
23 ask him about some of the events that occurred, so  
24 he wasn't totally cooperative with the information.

25

1 BY A JUROR:

2 Q. And my second question would be were  
3 there more than one type of shell casings found in  
4 the parking lot?

5 A. No.

6 BY A JUROR:

7 Q. If there were bullets still in the,  
8 unfortunately, this man's body, as well as the other  
9 gentleman's, were they all shown to be from the same  
10 type of a weapon?

11 A. We haven't got the ballistics report  
12 back on it. We didn't get it back yet.

13 MR. ROGER: I think Dr. Green testified  
14 that the deceased victim received a  
15 through-and-through gunshot wound to the head.

16 THE WITNESS: Yeah, right.

17 BY A JUROR:

18 Q. This girl friend, what apartment did  
19 she live? What --

20 A. She was downstairs in Apartment Number  
21 2.

22 Q. Downstairs?

23 A. Yes.

24 BY THE FOREMAN:

25 Q. Did Hollimon say anything as to whether

1 or not he knew that Damon was armed with a weapon?

2 A. When I asked him that question, he was  
3 aware that Damon had guns, and he believed that  
4 Damon had the gun in the car with him before they  
5 got out. When they were in the apartment I can  
6 recall seeing the gun in Damon's hand.

7 THE FOREMAN: Any further questions  
8 from the jury?

9 BY A JUROR:

10 Q. The first victim was murdered the  
11 bullet went right through his head.

12 Were you able to recover the  
13 bullet?

14 A. No.

15 BY A JUROR:

16 Q. Did you find the shotgun?

17 A. Yeah. We recovered the shotgun inside  
18 there.

19 BY A JUROR:

20 Q. What was the approximate distance where  
21 the victim that was killed, how far was that from  
22 Apartment Number 2?

23 A. Apartment Number 2 is the last -- is  
24 right -- the last apartment where the parking lot  
25 is. If you have the parking lot here, the window of

1 Apartment Number 2 would be right at the back of it,  
2 so it would probably have been less than eight feet  
3 from the wall from the window.

4 Q. Thank you.

5 BY THE FOREMAN:

6 Q. Do you know if the murder weapon was  
7 recovered?

8 A. Yeah. We believe the one that we  
9 recovered from inside the apartment complex.

10 BY A JUROR:

11 Q. Were there any weapons found anywhere  
12 in the area where the Hispanic people were at in  
13 their apartment? Was that apartment searched?

14 A. No. We didn't search their apartment.  
15 There were no weapons recovered in the parking lot  
16 as far as firearms or anything like that.

17 THE FOREMAN: Any further questions,  
18 jury?

19 (No response.)

20 THE FOREMAN: Okay. By law, these  
21 proceedings are secret, and you are prohibited from  
22 disclosing to anyone anything that transpired before  
23 us including evidence presented to the Grand Jury,  
24 any event occurring or a statement made in the  
25 presence of the Grand Jury, and information obtained

1 by the Grand Jury.

2 Failure to comply with this  
3 admonition is a gross misdemeanor, punishable by a  
4 year in the Clark County Detention Center and a  
5 \$2,000 fine. In addition, you may be held in  
6 contempt of court punishable by an additional \$500  
7 fine and 25 days in the Clark County Detention  
8 Center.

9 Do you understand this  
10 admonition?

11 THE WITNESS: Yes.

12 THE FOREMAN: You're excused.

13 (Witness excused.)

14 MR. ROGER: Ladies and gentlemen of the  
15 Grand Jury, that concludes my presentation to you.  
16 The proposed Indictment sets forth the elements of  
17 the offense and unless there are any questions I'll  
18 excuse myself for your deliberations.

19 THE FOREMAN: Very well.

20  
21 (All persons other than members  
22 of the Grand Jury left the room at 9:50  
23 a.m. and returned at 10:08 a.m.)  
24  
25

1 THE FOREMAN: Mr. District Attorney,  
2 David J.J. Roger, by a vote of 12 or more Grand  
3 Jurors a true bill has been returned against the  
4 defendant, Sheldon Hollimon, charging the crimes of  
5 count number one, murder with use of a deadly weapon  
6 by a count of 12 or more Grand Jurors, and on count  
7 number two, attempted murder with use of a deadly  
8 weapon, and on count number three, again by 12 or  
9 more Grand Jurors, attempted murder with use of a  
10 deadly weapon, in Grand Jury Case Number 00AGJ037X  
11 charging Sheldon Hollimon.

12 We instruct you to prepare an  
13 Indictment in conformance with the proposed  
14 Indictment previously submitted to us.

15 THE WITNESS: Thank you, sir.

4 P R O C E E D I N G S

5  
6 THE COURT: The State of Nevada versus  
7 Campbell and Hollimon. Mr. Campbell is represented  
8 by Mr. Walton, and Mr. Campbell is present in  
9 custody. Mr. Hollimon is present in custody. He's  
10 not represented yet. He was going to be  
11 interviewed, I believe, by the public defender's  
12 office, and there was going to be a determination  
13 made as to whether or not based upon the witnesses  
14 in the case whether or not the county public  
15 defender could represent Mr. Hollimon.

16 Mr. Ewing, did you read or take a look  
17 at and do the check on the witnesses?

18 MR. EWING: Your Honor, we established  
19 there were some witnesses as well as the  
20 codefendant that had been represented by our office  
21 in the past. I think the codefendant was the one  
22 that created the main area of concern. I contacted  
23 the special public defender's office, and  
24 Ms. Jackson is here this morning.

25 THE COURT: And, Ms. Jackson, you

1 probably have not had an opportunity to look at the  
2 witness list, but could your office confirm as  
3 counsel for Mr. Hollimon?

4 MS. JACKSON: We can, Your Honor. May  
5 the record reflect that we have reviewed the  
6 witness list and met with Mr. Hollimon, and we are  
7 prepared to accept the Court's appointment this  
8 morning.

9 THE COURT: Now, the State has a motion  
10 to consolidate which appears to be appropriate and  
11 well taken. Ms. Jackson, do you have any  
12 opposition to the cases for Mr. Campbell and  
13 Mr. Hollimon being consolidated?

14 MS. JACKSON: I've reviewed the law in  
15 that area. I think that legally given the facts it  
16 probably is a motion that to oppose it would be not  
17 worthwhile. However, I do not have the grand jury  
18 transcript, and on that basis I would submit it. I  
19 do not want to go on the record as stipulating to  
20 anything in this case.

21 THE COURT: So the State's motion to  
22 consolidate these cases is granted.

23 Ms. Skupa, do you know whether the State  
24 has made a decision, because I think Mr. Roger  
25 indicated the last time he was here that no

1 decision had yet been made, as to whether or not  
2 the State would be seeking the death penalty in  
3 these cases?

4 MS. SKUPA: Your Honor, there is a note  
5 in Mr. Hollimon's file that the State is not going  
6 to be seeking the death penalty for him; however,  
7 it appears from the notes in Mr. Campbell's file  
8 that the State may be seeking the death penalty in  
9 Mr. Campbell's case.

10 THE COURT: But no decision has been  
11 made?

12 MR. WALTON: They have given us notice,  
13 Judge. It's been filed with the court.

14 THE COURT: So notice of intent has been  
15 filed on Campbell?

16 MR. WALTON: Yes, Your Honor, it has.

17 THE COURT: Then that makes this, Mary  
18 Beth, a 250 case. Mr. Campbell has been  
19 arraigned. He's pled not guilty. We have not set  
20 the trial date.

21 Mr. Hollimon, I don't believe that you  
22 have yet been arraigned. What is your true legal  
23 name?

24 THE DEFENDANT: Sheldon Hollimon.

25 THE COURT: And, Mr. Hollimon, how old

1 are you, sir?

2 THE DEFENDANT: Twenty-six years of age.

3 THE COURT: And how many years of school  
4 have you completed?

5 THE DEFENDANT: Twelve.

6 THE COURT: Do you read, write, and  
7 understand the English language?

8 THE DEFENDANT: Yes, ma'am.

9 THE COURT: Do you have a copy of the  
10 criminal information charging you with murder  
11 with --

12 THE DEFENDANT: I have an indictment  
13 from Ms. Jackson.

14 THE COURT: Attempt murder with use of a  
15 deadly weapon and attempt murder with use of a  
16 deadly weapon, two counts?

17 THE DEFENDANT: Yes.

18 THE COURT: Have you had a chance to  
19 read those charges and discuss them with  
20 Ms. Jackson?

21 THE DEFENDANT: Yes.

22 THE COURT: Do you wish the clerk to  
23 read the charges to you here this morning in open  
24 court?

25 THE DEFENDANT: No, Your Honor.

1 THE COURT: How do you plead to Count I,  
2 II and III, murder and two counts of attempt  
3 murder?

4 THE DEFENDANT: Not guilty.

5 THE COURT: You're entitled to a speedy  
6 trial within 60 days of today's date. Do you wish  
7 to exercise your right to speedy trial?

8 THE DEFENDANT: Waive it.

9 THE COURT: And, Mr. Walton, on behalf  
10 of Mr. Campbell, I do not recall whether he's  
11 waived or invoked his right.

12 MR. WALTON: Judge, this morning we will  
13 be waiving a right to a speedy trial.

14 THE COURT: Then, Counsel, have you met  
15 with each other and with -- who's trying it for the  
16 State? Mr. Roger?

17 MS. SKUPA: Yes.

18 THE COURT: Have you met with yourselves  
19 and Mr. Roger and looked at your trial calendars to  
20 decide when it would be appropriate to set the case  
21 for trial?

22 MR. WALTON: Yes, Judge. Based on our  
23 review, we're looking at early May or mid-May to  
24 accommodate the calendars of all involved and also  
25 be requesting of the Court I've spoken with David

1 Schieck to appoint him along with me as co-counsel  
2 on this particular matter.

3 THE COURT: All right. The Court will  
4 appoint David Schieck as co-counsel for  
5 Mr. Campbell.

6 Mr. Walton, you are retained; is that  
7 correct?

8 MR. WALTON: To this point I have,  
9 Judge.

10 THE COURT: We need to set this in like  
11 the first or second week of the stack. We're going  
12 into different stacking of trials, and because it's  
13 two people I would not want to set it for the last  
14 two weeks of the stack, so if we set it so that  
15 there's three weeks left in the stack, we could  
16 either set it on April 30th or we can set it May  
17 21st, whichever those dates is better for you.

18 MR. WALTON: Court's indulgence. Judge,  
19 I think for all parties involved, the later setting  
20 in May would probably be appropriate at this time.

21 THE COURT: Let's set it for the first  
22 week of the five-week stack which would be --

2 FACTUAL BACKGROUND

3 On July 22, 2000, at approximately 1:30 a.m., Leonardo Martinez, along with  
4 some other friends and relatives, were in the alleyway to the rear of 2933 Elm Avenue,  
5 Apartment #2. Some of the individuals present included Carlos Villanueva, Alberto Luis  
6 Martinez, Augustine Martinez, Umberto Gomez, Wilfredo Menendez, Simon Villanueva and  
7 Wigberto Villanueva (GJT, pp. 14-15).

8 Leonardo Martinez and his friends had been playing soccer earlier that Friday  
9 evening. Apparently, they had gone back to the apartment complex to watch a soccer  
10 game and drink some beer. Most of the party goers had consumed anywhere from three  
11 to four beers by the time the incident which brings us to court occurred (GJT, p. 16). As  
12 these individuals were sitting in the alley, apparently socializing and drinking, Damon  
13 Campbell and Sheldon Hollimon arrived in Mr. Campbell's vehicle. Mr. Campbell was  
14 driving and he was the individual who lived there. The two defendants parked and started  
15 towards Mr. Campbell's apartment, but they did not actually enter the apartment (GJT,  
16 p. 17).

17 The testimony at the grand jury was that after starting toward his apartment, but  
18 without entering, Mr. Campbell abruptly turned around and came toward Mr. Martinez and  
19 his friends. The testimony was that Mr. Hollimon was standing behind Mr. Campbell  
20 (GJT, p. 18). Mr. Campbell was carrying a pistol and allegedly said to the group, "we  
21 don't want to see Mexicans here at the corner." (GJT, p. 19). At that point, Damon  
22 Campbell raised up the pistol and hit Mr. Martinez' brother in the face with it. The  
23 individual who was struck with the gun was Augustine Martinez (GJT, p. 19). After  
24 Augustine Martinez fell to the ground, the other individuals rushed over to see what was  
25 going on. At that point, Damon Campbell began to shoot. It is alleged that Sheldon  
26 Hollimon was standing behind Damon Campbell. The testimony was that he told him to  
27 "shoot, shoot" and was making a gesture like this (indicating) and saying shoot, and all  
28 the time he was behind him. In response to the foregoing testimony, the prosecutor at

SPECIAL PUBLIC  
DEFENDER

CLARK COUNTY  
SHERIFF'S OFFICE

1 the grand jury hearing indicated that:

2 Q. You just, you just gestured that Sheldon Hollimon had his  
3 two arms above his head pointing toward the group of  
4 individuals and saying shoot him, shoot him.

5 A. Yes, yes (GJT, p. 20).

6 The witness further testified that as Damon Campbell was firing the gun that  
7 Sheldon Hollimon was "telling them and showing him that he should shoot. He didn't try  
8 to calm - he induced him to keep shooting." (GJT, p. 21).

9 As a result of the rounds fired by Damon Campbell, one man, Luis Martinez was  
10 killed, and another individual, Carlos Villanueva was injured (GJT, p. 22). Leonardo  
11 Martinez indicates that he was grazed and suffered a graze wounds from one of the  
12 bullets (GJT, p. 22).

13 As a result of the foregoing scenario, Mr. Hollimon was indicted on count I - murder  
14 with use of a deadly weapon and charged with killing Luis Martinez; count II - attempt  
15 murder with use of a deadly weapon by shooting Carlos Villanueva; count III - attempt  
16 murder with use of a deadly weapon attempting to kill Leonardo Martinez. In each of the  
17 three counts, Mr. Hollimon is charged as follows:

18 Defendant Damon Lamar Campbell directly committing said  
19 acts and/or Defendants Damon Lamar Campbell and Sheldon  
20 Hollimon aiding or abetting each other by acting in concert  
21 and/or Damon Lamar Campbell and Sheldon Hollimon being  
22 present before, during and after said acts and/or directly or  
23 indirectly counseling, encouraging, assisting, hiring,  
24 commanding, inducing, procuring or supervising each other's  
25 actions; Defendants acting pursuant to a common conspiracy  
26 to commit murder (Indictment C170186).

27 It is Mr. Hollimon's contention that he was merely present at the scene of these  
28 criminal offenses and that he cannot be liable under any theory of criminal liability for the  
actions of Mr. Campbell inasmuch as they were not planned out or committed pursuant  
to some type of preconceived arrangement.

#### 29 POINTS AND AUTHORITIES

30 In the instant case, there is no dispute that Mr. Hollimon did not engage in the  
31 shooting or discharge of any weapons. Assuming everything received at the grand jury

SPECIAL PUBLIC  
DEFENDER

CLARK COUNTY  
NEVADA

1 was true, the most Mr. Hollimon did was to say, "shoot, shoot" and make some type of  
2 gesture with his finger. That is the conduct that has caused the State to charge Mr.  
3 Hollimon with two counts of attempted murder and one count of murder. The language  
4 quoted from the Indictment in this case charges these Defendants to have aided and  
5 abetted each other and/or acted in concert and pursuant to a common conspiracy to  
6 commit murder. Mr. Campbell is certainly being properly prosecuted for these crimes.  
7 In order for Mr. Hollimon to be considered his accomplice, he would also have to be liable  
8 to prosecution for the identical offense charged against Mr. Campbell.

9 An accomplice is one who is liable to prosecution for the  
10 identical offense charged against the defendant, NRS  
11 175.291(2), or who is culpably implicated in, or unlawfully  
12 cooperates, aids or abets in the commission of the crime  
13 charged. See Potter v. State, 96 Nev. 875, 619 P.2d 1222  
14 (1980). Moreover, it is hornbook law "that conduct, to be  
criminal, must consist of something more than mere action (or  
non-action where there is a legal duty to act); some sort of bad  
state of mind is required as well." W. LaFave, A. Scott,  
Criminal Law, 176 (1972) see also Austin v. State, 87 Nev.  
578, 491 P.2d 724 (1971).

15 Orfield v. State, 105 Nev. 107, 109, 771 P.2d 148 (1989).

16 In the instant case, Mr. Hollimon's actions do not, in any way, aid or abet Mr.  
17 Campbell in committing these alleged offenses. Even if one believes that Mr. Hollimon  
18 said, "shoot him, shoot him", so what? And looking at the testimony received at the  
19 grand jury, these individuals were fortuitously present at the apartment complex where  
20 Mr. Campbell lived. There is no testimony before the grand jury which reflects that Mr.  
21 Campbell knew in advance they would be there. In other words, how could Mr. Campbell  
22 and Mr. Hollimon have conspired to commit murder against someone they didn't even  
23 know would be present when they arrived.

24 The actions of Mr. Hollimon are more analogous to the appellate in Skinner v.  
25 Sheriff of Clark County, 93 Nev. 340, 566 P.2d 80 (1977). In the Skinner case, our  
26 supreme court reversed her conviction finding no evidence from the record from which  
27 they could infer that Skinner participated with Williams in a common scheme or plan to  
28 batter the victim. The facts of the Skinner case are very interesting, in that you have a

SPECIAL PUBLIC  
DEFENDER

CLARK COUNTY  
NEVADA

1 defendant who is present at the scene, but who is arguably more than just merely  
2 present, in that she is engaged in certain conduct. Be careful to note that Mr. Hollimon  
3 is charged with making certain statements at this crime scene. Note if you will the  
4 similarities between Skinner and Hollimon.

5 In the Skinner case, the victim, Lucinda, had a fight with a lady named Vernell  
6 Williams. They fought and went their separate ways. A short time later, Ms. Williams  
7 returned to the scene in a car driven by the appellant, Skinner. Skinner asks Lucinda why  
8 she and Williams had been fighting. During this time frame, Williams again attacked  
9 Lucinda. During the second encounter, Skinner allegedly scattered the contents of  
10 Heckard's purse on the sidewalk and took some money and keys. Ms. Skinner was  
11 charged with robbery. Ms. Skinner argued that she did not accomplish the taking of the  
12 money and keys by means of force or violence, therefore an essential element of the  
13 crime of robbery was lacking in the charge and the Nevada Supreme Court agreed. The  
14 Nevada Supreme Court found that the prosecution did not present evidence to show that  
15 Skinner and Williams, acting in concert in the battering of the victim, Lucinda. If they had  
16 acted in concert, Williams' use of force against the victim could then be imputed to  
17 Skinner. In the Skinner case, the court found no evidence from which they could infer  
18 that Skinner participated with Williams in a common scheme or plan to batter the victim.  
19 In the absence of facts or conduct showing or inferring such an agreement, Skinner's  
20 mere presence would not render her guilty of robbery, however reprehensible her conduct  
21 may have been in subsequently taking the victim's property.

22 In order for the recited conduct to achieve the magnitude of  
23 robbery, it was incumbent on the prosecution to present  
24 evidence to show that Skinner and Vernell Williams acted in  
25 concert in the battering of Heckard; thereupon, Williams' use  
26 of force against the victim could then be imputed to Skinner.  
27 State v. Gerhardt, 549 P.2d 262 (Idaho 1976). Here, the  
28 record contains no evidence from which we could infer that  
Skinner participated with Williams in a common scheme or plan  
to batter the victim. In the absence of facts or conduct  
showing or inferring such an agreement, Skinner's mere  
presence "would not render [her] guilty of robbery, however  
reprehensible [her] conduct may have been in subsequently  
taking [the victim's] property." James v. State, 161 S.W.2d

SPECIAL PUBLIC

CLARK COUNTY  
JAN 1978

1 285 (Tex.Crim.App. 1942), aff'd on rehearing, 161 S.W.2d at  
2 289. Cf. Winston v. Sheriff, 92 Nev. 616, 555 P.2d 1234  
3 (1976). Accordingly, we reverse, without prejudice to the right  
of the state to institute an appropriate charge within fifteen  
(15) days after remittitur issues.

4 Skinner v. Sheriff, 93 Nev. 340, 566 P.2d 80 (1977).

5 The instant case is strikingly similar to Skinner, you have Skinner making comments  
6 asking the victim what were they fighting about. You even have Skinner driving Williams  
7 to the scene. You have Skinner taking the victim's personal property from her purse and  
8 still our supreme court says that that conduct does not rise to the level of anything other  
9 than being merely present. The crux of the supreme court's analysis appears to be  
10 whether or not Skinner and Williams were acting in concert. In other words, Skinner was  
11 probably as surprised as anyone else when Williams jumped on Lucinda again. In the  
12 instant case, the shooting occurred so fast that there is no reasonable inference that can  
13 be drawn from these facts or from the testimony that Hollimon and Campbell even had  
14 a chance to conspire and plan to attack these individuals. The testimony was that  
15 Hollimon and Campbell pulled up and within fifteen seconds this entire scenario was full-  
16 blown. Mr. Campbell apparently already had this weapon on his person and it was all  
17 unfolding very rapidly. Based upon the analysis in Skinner, there is no way that Mr.  
18 Hollimon's alleged conduct of saying, "shoot him, shoot him", although not commendable  
19 language under the circumstances, does not rise to the level of criminal conduct.

20 The leading case in the area of mere presence is Winston v. Sheriff, 92 Nev. 616,  
21 555 P.2d 1234 (1976). The Winston case stands for the proposition that "although mere  
22 presence cannot support an inference that one is a party to an offense, People v. Francis,  
23 450 P.2d 591 (Cal. 1969), presence together with other circumstances may do so. In  
24 the Winston case, the appellant stood outside of a stall in the men's room where a victim  
25 was being brutally battered and robbed by Winston's co-defendant. When a witness  
26 entered the room and heard the commotion Winston approached the witness and said,  
27 "They're just taking a crap." In this situation Winston argues that his mere presence,  
28 coupled with his statement was insufficient to establish probable cause of his complicity

SPECIAL PUBLIC  
DEFENDER

CLARK COUNTY  
SHERIFF

1 in the crimes. Under these facts, the supreme court disagreed. Winston's statement  
2 could only give rise to a reasonable inference that he was attempting to dissuade a would-  
3 be rescuer from interfering and that his presence was for that purpose only. The Winston  
4 case is so distinguishable from the instant case in that Mr. Hollimon did nothing,  
5 absolutely nothing, to assist in the shooting of these victims. Moreover, it cannot be  
6 emphasized enough that there is virtually no evidence from which a reasonable inference  
7 can be drawn that there was any kind of preconceived plan.

8 Mere presence in the context of a murder case was discussed extensively in  
9 Labastida v. State, 986 P.2d 443. In the Labastida, Michael Strawser, Labastida's  
10 husband, admitted to abusing their infant son and testified that Labastida did not know  
11 what he was doing. Labastida was convicted of second degree murder and felony child  
12 neglect. The supreme court confirmed the conviction for felony child neglect, but  
13 reversed that part of the conviction on murder, finding that there was insufficient  
14 evidence of which to convict appellant of either first or second degree murder.

15 Our review of the record also reveals insufficient evidence to support a  
16 conviction of first degree murder on the theory that Labastida directly  
17 committed or aided and abetted Strawser in committing a willful, deliberate  
18 and premeditated murder. To find Labastida guilty of first degree murder  
19 required more than a showing that her child died and that she was there.  
20 Such a finding required proof beyond a reasonable doubt of every fact  
21 necessary to constitute the crime charged. In re Winship, 397 U.S. 358,  
22 364, 25 L.Ed.2d 368, 90 S. Ct. 1068 (1970), cited in Martineau v.  
23 Angelone, 25 F.3d 734, 739 (9<sup>th</sup> Cir. 1994) (reversing Nevada conviction of  
24 felony child abuse for insufficient evidence). As Justice Shearing's  
25 concurrence to the previous majority opinion cogently argued, there is  
26 insufficient evidence in the record upon which the jury could have found  
27 beyond a reasonable doubt that Labastida directly inflicted any injury on the  
28 child or that she knowingly and intentionally aided and abetted Strawser.  
We agree with the concurrence on this point. The evidence clearly  
established that Strawser, not Labastida, personally inflicted the child's fatal  
injuries. Labastida's mere presence in the home, without more, is  
insufficient as a matter of law to support her conviction as an aider and  
abettor. See King v. State, 105 Nev. 373, 376, 784 P.2d 942, 943-44  
(1989) (reversing convictions of involuntary manslaughter of a child); see  
also Skinner v. Sheriff, 93 Nev. 340, 341, 566 P.2d 80, 81 (1977) (mere  
presence at the scene of a crime is insufficient to establish guilt). As the  
jury was instructed, the evidence must demonstrate beyond a reasonable  
doubt that Labastida knowingly and intentionally aided and abetted Strawser  
in the acts which resulted in death. With hindsight, one can say that she  
should have known that her son was in mortal danger, but that is not the  
same as finding that she actually knew, which is the finding necessary to

1 support a conviction for aiding and abetting murder.

2 Id. at 447.

3 This case is directly on point with the case at bar. The very nature of the crime  
4 charged, murder, requires premeditation and deliberation. There are no set of facts which  
5 the State can prove which would show, given the spur-of-the-moment nature of Mr.  
6 Campbell's actions, that Mr. Hollimon knew that he was going to fire a weapon and shoot  
7 anyone. The court went so far in the Labastida case as to find that even though Ms.  
8 Labastida perhaps should have known that her son was in mortal danger, that was not  
9 a sufficient finding to support an inference that she actually knew. Without a finding of  
10 actual knowledge, one cannot support a conviction for aiding and abetting murder.  
11 Similarly, if a jury could find that Mr. Campbell had a "murderous intent to fire into this  
12 crowd of individuals, there is virtually no evidence to support any theory that Mr. Hollimon  
13 actually knew of his murderous intent and therefore, his alleged statements would be  
14 considered as aiding and abetting.

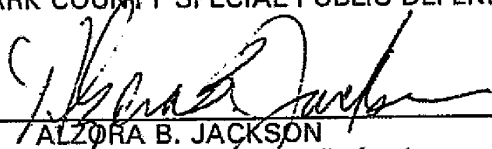

15 CONCLUSION

16 Mr. Hollimon's presence at the scene is a classic example of being merely present  
17 and having no actual culpability. Given the nature of the State's case, it is clear to any  
18 reasonable judge as a matter of law that this Indictment cannot stand as Mr. Hollimon  
19 was merely present at the scene and therefore, this case against Mr. Hollimon must be  
20 dismissed.

13 STATEMENT OF FACTS

14 On July 22, 2000, at approximately 1:30 a.m., the victims were drinking beer after their  
15 soccer practice (Grand Jury Transcript, hereinafter GJT, p. 14-15). Defendant and his  
16 accomplice, Damon Campbell, parked their vehicle in the alley and walked past the victims.  
17 (GJT, p. 17) According to the victims, Defendant and Campbell returned a short time later.  
18 Campbell was armed with a handgun. (GJT, p. 18) At least one of the victims stated Campbell  
19 said "I don't want to see you Mexicans around here anymore." (GJT, p. 19) Then Campbell  
20 began shooting at the victims. As the Campbell fired rounds at the unarmed victims, the  
21 Defendant began yelling "Shoot. Shoot." (GJT, p. 20, 21) The decedent received a gunshot  
22 wound to the back of the head. Another victim was shot in the back. The victim is a paraplegic.  
(GJT, p. 32-33) Another victim suffered a graze wound to his arm. (GJT, p. 22)

23 During the melee, a young child ran out into the alley. A witness grabbed the child and  
24 begged Campbell to not shoot the child. Campbell responded "He's just another little Mexican."  
25 (GJT, p. 21)

26 One of the witnesses observed Campbell and Defendant enter a nearby apartment.

27 A short time later, police arrived at the scene. Upon learning that the Defendant entered  
28 the apartment, police went to speak with the occupants of the apartment. The occupants did not

1 answer the door. (GJT, p. 29-42) As a result, police obtained a key to the apartment and  
2 entered. Defendant, Campbell and two females were removed from the apartment. A search  
3 warrant was obtained to search the apartment. (GJT, p. 41) Officers found the murder weapon  
4 and a shotgun.

5 POINTS AND AUTHORITIES

6 I

7 SUFFICIENT EVIDENCE WAS PRESENTED TO THE GRAND JURY  
8 TO ESTABLISH PROBABLE CAUSE THAT DEFENDANT COMMITTED  
9 THE CRIMES OF MURDER WITH USE OF A DEADLY WEAPON AND  
10 ATTEMPTED MURDER WITH USE OF A DEADLY WEAPON.

11 The standard of proof to be met by the State in establishing probable cause has been  
12 defined as "slight or marginal evidence" that tends to establish that a crime has been committed  
13 and that the Defendant has committed it. Grosney v. Sheriff, 94 Nev. 135, 575 P.2d 941 (1978);  
14 Franklin v. State, 89 Nev. 382, 513 P.2d 1252 (1973); Kinsey v. Sheriff, 87 Nev. 361, 487 P.2d  
15 340 (1971).

16 In Sheriff v. Hodes, 96 Nev. 184, 186, 606 P.2d 178, 180 (1980), the court explained:

17 The sole function of this court is to determine  
18 whether all of the evidence received at the grand  
19 jury proceedings establishes probable cause to  
20 believe that an offense has been committed and that  
21 the defendants committed it. (Citations omitted).  
22 (Citations omitted). We are not now concerned  
23 with the prospect that the evidence presently in the  
24 record may, by itself, be insufficient to sustain a  
25 conviction. (Citations omitted). Accordingly, the  
26 State need not produce a quantum of proof required  
27 to establish the guilt of the accused beyond a  
28 reasonable doubt. The finding of probable cause  
may be based on slight, even "marginal" evidence,  
(citations omitted) because it does not involve  
determination of the guilt or innocence of an  
accused.

29 Likewise, the State is not required to negate all inferences which might explain the  
30 Defendant's conduct. State v. von Brincken, 86 Nev. 769, 476 P.2d 833 (1970); Johnson v.  
31 State, 82 Nev. 338, 418 P.2d 495 (1966).

32 The sole question to be considered in a pre-trial petition for writ of habeas corpus is  
33 whether there is sufficient evidence in the record to establish probable cause. NRS 34.700; State

1 v. Fuchs, 78 Nev. 63, 368 P.2d 869 (1962).

2 Defendant has been charged with aiding or abetting his co-defendant in the commission  
3 of the crimes.

4 NRS 195.020 provides in pertinent part "Every person concerned in the commission of  
5 a felony, gross misdemeanor or misdemeanor, whether he directly commits the act constituting  
6 the offense, or aids or abets in its commission, and whether present or absent; and every person  
7 who, directly or indirectly, counsels, encourages, hires, commands, induces or otherwise  
8 procures another to commit a felony, gross misdemeanor or misdemeanor is a principal and shall  
9 be proceeded against and punished as such."

10 In Keefe v. Sheriff, 93 Nev. 109, 560 P.2d 913 (1977), Keefe was charged with aiding and  
11 abetting in the use of a cheating device and conspiracy to possess and use a cheating device.  
12 Keefe complained that insufficient evidence was presented to the grand jury to support an  
13 indictment on the charges. The court held:

14 The record establishes that Keefe was present in a  
15 casino in the immediate vicinity of the slot machine  
16 that was allegedly opened with a forged key by his  
17 co-defendants. Keefe exchanged words with them,  
18 and, immediately after a jackpot combination was  
19 lined on the reels of the slot machine, he departed  
20 with them.

21 In light of his "presence, companionship, and  
22 conduct before and after the offense, it was  
23 permissible for the grand jurors to infer that Keefe  
24 was involved in the scheme to cheat the casino.  
25 (Citation omitted). Accordingly, we perceive no  
26 error in the district judge's determination that the  
27 indictment is supported by sufficient evidence.  
28 (Citations omitted).

23 Id. 93 Nev. at 110.

24 Similarly, in Robertson v. Sheriff, 85 Nev. 681, 683, 462 P.2d 528, 529 (1977), a case  
25 cited by Defendant, Robertson was present with four other men when one of the individuals  
26 robbed the victim. Robertson had claimed that his presence in the group, alone, was insufficient  
27 to hold him to answer to the charges as an aider or abettor. The Nevada Supreme Court  
28 disagreed. The court explained:

1 As the court said in *People v. Adams*, 259  
2 Cal.App.2d 109, 66 Cal.Rptr 161, 165 (1968):

3 The courts, have uniformly recognized and applied  
4 the following rule: "The presence of one at the  
5 commission of a felony by another is evidence to be  
6 considered in determining whether or not he was  
7 guilty of aiding and abetting; and it has also been  
8 held that presence, companionship, and conduct  
9 before and after the offense are circumstances from  
10 which one's participation in the criminal intent may  
11 be inferred. (Citations omitted).

12 The court upheld the district judge's order denying Robertson's petition for habeas  
13 corpus. *Id.*

14 Defendant's reliance upon the cases cited in his brief is misplaced. All of the cases  
15 concern the sufficiency of evidence necessary for conviction. All of the cases are factually  
16 distinguishable from the instant case.

17 The facts presented to the Grand Jury established that Defendant was present with the  
18 codefendant before, during and after the shooting. Defendant actively encouraged his  
19 accomplice, through his words and actions, to shoot the victims. Defendant and his accomplice  
20 also hid from police in an apartment after the murder.

21 Based upon the facts and arguments set forth above, Defendant is criminally responsible  
22 for the crimes of murder with use of a deadly weapon and attempted murder with use of a deadly  
23 weapon as an aider or abettor. Accordingly, defendant's petition for writ of habeas corpus  
24 should be denied and the writ should be discharged.

14 **STATEMENT OF FACTS**

15 On July 22, 2000, at approximately 1:30 a.m., the victims were drinking beer after their  
16 soccer practice. Defendant and his accomplice, Sheldon Holliman, parked their vehicle in the  
17 alley and walked past the victims. According to the victims, Defendant and Holliman returned  
18 a short time later. Defendant was armed with a handgun. At least one of the victims stated  
19 Defendant said "I don't want to see you Mexicans around here anymore." Then Defendant  
20 began shooting at the victims. As the Defendant fired rounds at the unarmed victims, Sheldon  
21 Holliman began yelling "Shoot. Shoot." During the melee, a young child ran out into the alley.  
22 A witness grabbed the child and begged Defendant to not shoot the child. Defendant responded  
23 "He's just another little Mexican."

24 Several witnesses observed Defendant and Holliman enter apartment #2. The  
25 apartment's bathroom window faces the parking lot where the shooting occurred. As the group  
26 of males gathered themselves in the lot, near Defendant's car, an unidentified individual fired  
27 shots from the bathroom window. One round struck Luis Alberto in the head. Another victim,  
28 who was shot in the back, was rendered a paraplegic. Another victim suffered a graze wound  
to his arm.

1 A short time later, police arrived at the scene. Upon learning that the Defendant entered  
2 the apartment, police went to speak with the occupants of the apartment. The occupants did not  
3 answer the door. As a result, police obtained a key to the apartment and entered. Defendant,  
4 Holliman and two females were removed from the apartment. A search warrant was obtained  
5 to search the apartment. Officers found the murder weapon and a shotgun.

6 Defendant spoke with Detectives at the scene. Although he acknowledged shooting at  
7 the victims, allegedly in self defense, Defendant denied shooting rounds through the bathroom  
8 window. However, there were an excessive number of expended cartridges found at the scene.  
9 As a result, it was clear to detectives that Defendant reloaded the murder weapon. Also, some  
10 of the witnesses within the apartment reported hearing more shots after Defendant entered the  
11 apartment.

12 The State seeks to introduce evidence that on April 10, 2000, Defendant reported his  
13 vehicle was stolēn. Defendant explained that his car was parked in the lot located at 2933 Elm  
14 Ave. At approximately 12:24 a.m., Defendant saw his car's break lights illuminate. As he  
15 looked outside, Defendant observed a person enter his car. According to Defendant, he retrieved  
16 his .22 caliber rifle and fired four (4) rounds through his bathroom window at the person fleeing  
17 in Defendant's car.

## 18 POINTS AND AUTHORITIES

### 19 I

#### 20 EVIDENCE OF DEFENDANT'S PRIOR SHOOTING IS ADMISSIBLE TO 21 ESTABLISH IDENTITY AND COMMON SCHEME OR PLAN.

22 The decision to admit or exclude evidence, lies within the discretion of the court. Such  
23 a decision will not be reversed absent manifest error. *Kazalyn v. State*, 108 Nev. 67, 825 P.2d  
24 578 (1992); *Halbower v. State*, 93 Nev. 212, 562 P.2d 485 (1977).

25 In *Petrocelli v. State*, 101 Nev. 46, 692 P.2d 503 (1985), Petrocelli was charged with  
26 shooting a car salesman in the head with a .22 caliber handgun. Petrocelli claimed that the  
27 shooting was done during an argument with the car dealer and that it was an accident. The trial  
28 court allowed evidence that Petrocelli had previously become embroiled in an argument with a

1 female. He drug her out of her place of employment and shot and killed her with a .22 caliber  
2 handgun. The Nevada Supreme Court upheld the trial court's decision to allow such evidence  
3 to establish the absence of mistake or accident.

4 Similarly, in *Gallego v. State*, 101 Nev. 782, 711 P.2d 856 (1985), Gallego was charged  
5 with killing two young females with a hammer. The two women were kidnapped by Gallegos  
6 and his wife and transported to their fatal destination as part of the Gallego's "sex slave "  
7 fantasy. The trial court allowed evidence that Gallegos had previously kidnapped two young  
8 women from a shopping mall and thereafter shot and killed them. The high court affirmed the  
9 lower court's ruling and allowed such evidence for the purposes of establishing common plan,  
10 intent, identity and motive. *Id.* 101 Nev. at 788.

11 Likewise, in *Reed v. State*, 95 Nev. 190, 591 P.2d 274 (1979) the defendant was charged  
12 with burglary. The victim testified that she was in her motel room when she heard the window  
13 open. She saw a hand reach in and turn the doorknob. Thereafter, two men entered the room  
14 and took her purse and a cup of change. The victim testified that she thought that the defendant  
15 was the man who stood at the door. A palmprint and a fingerprint from the point of entry  
16 matched the defendant. The State was permitted to introduce evidence of two other motel  
17 burglaries where the defendant's fingerprints were recovered. Also, one victim also identified  
18 the defendant as committing one of the burglaries.

19 In upholding the ruling of the trial court admitting the evidence of other crimes, the  
20 Nevada Supreme Court held that the evidence was properly admitted to establish the identity of  
21 the person who burglarized the motel room.

22 In *Canada v. State*, 104 Nev. 288, 293, 756 P.2d 555 (1988), the court allowed evidence  
23 of a separate bar robbery to establish the identity of the perpetrators. In response to Canada's  
24 argument that the eye witness identification was weak in the case in which he was being tried  
25 and, therefore, the evidence was more prejudicial than probative. The Nevada Supreme Court  
26 in upholding the trial court's decision to allow such evidence stated:

27 We conclude that the difficulty in identifying the  
28 perpetrators coupled with the high degree of  
similarity between the crimes makes the evidence

1 of the other robbery more probative than  
2 prejudicial.

3 Id.

4 Federal courts also admit such evidence to establish identity. See, U.S. v. Two Eagle, 633  
5 F.2d 93 (8th Cir. 1980), (where issue was the identity of the person who assaulted the victim and  
6 drove off in his car, evidence that the defendant was seen in possession of the car was admissible  
7 to prove identity); (United States v. Hamilton, 684 F.2d 380 (6th Cir. 1982), (in prosecution for  
8 passing a one dollar bill with the corners of a twenty bill pasted on it, evidence that defendant  
9 had previously pasted a two dollar bill altered in the same way was admissible to show  
10 defendant's identity).

11 In the instant case, evidence of Defendant's prior shooting at individuals is admissible  
12 to establish identity and common scheme or plan. On both occasions, Defendant was agitated  
13 at his intended victims. Both shootings originated from the bathroom window of Defendant's  
14 apartment. Based upon the foregoing, the instant motion should be granted.

15 DATED this 30<sup>th</sup> day of April, 2001.

4  
5 THE COURT: Hollimon. The record will  
6 reflect the presence of the State through David  
7 Roger. Mr. Walton representing Mr. Damon Lamar  
8 Campbell, and, Mr. Schieck, who do you represent?

9 MR. SCHIECK: I also represent  
10 Mr. Campbell, Your Honor.

11 THE COURT: Ms. Jackson representing  
12 Sheldon Hollimon.

13 This is on today for the motion to set a  
14 trial. Who's here?

15 MS. JACKSON: Mr. Hollimon was released  
16 to go back to NSP, Your Honor.

17 THE COURT: Mr. Campbell is present in  
18 custody and Mr. Hollimon is at the Nevada  
19 Department of Prisons.

20 Counsel, have you looked at your books,  
21 your trial calendars, and come up with a likely  
22 date or dates?

23 MR. SCHIECK: Yes, Your Honor. I think  
24 we're looking at the very last part of October,  
25 first part of November.

1 THE COURT: All right. We are in  
2 criminal status from October 8th through the week  
3 of November 5th.

4 MR. SCHIECK: First part of November.  
5 The only thing that would go over to the second  
6 week would be a penalty hearing if we had to have  
7 one.

8 THE COURT: I am not going to be in the  
9 jurisdiction the last week of October. Do we get a  
10 day off that week?

11 MR. SCHIECK: I think it's a Friday the  
12 legislature passed Friday.

13 THE COURT: Is it always the last Friday  
14 of October?

15 MR. WALTON: We were looking at an  
16 earlier date in October, but that didn't fit.

17 THE COURT: You couldn't go the 21st of  
18 October, Mr. Roger, that's too soon?

19 MR. ROGER: Yes, Your Honor, I think  
20 so. I have two back-to-back murder trials in late  
21 September.

22 THE COURT: If we started October 29th I  
23 believe I'm only going to be here Monday and  
24 Tuesday and I'm going to be gone Wednesday,  
25 Thursday, Friday, et cetera so we could get started

1 on Monday and Tuesday, then we'd have to be in  
2 recess again until November 5th which would be the  
3 next Monday. But if we started you on November  
4 5th, we go back to civil the following week,  
5 November 12th, so if you went into penalty we would  
6 be impinging on that, so I think the best thing we  
7 should do then is start October 29th. We'll just  
8 pick a jury that's available for the two-week  
9 potentially more time period. Is that satisfactory  
10 with everybody's schedule?

11 MR. SCHIECK: That's fine, Your Honor.

12 THE COURT: Knowing you're looking at  
13 the -- there's a potential that I could be here on  
14 the 31st, but I'm not sure so you're looking at two  
15 weeks -- two days, the 29th and the 30th  
16 realistically, and then dropping until November  
17 5th. If you go the following week, you'd have to  
18 go into overflow. The 12th is Veteran's Day. Then  
19 let's set it for trial October 29th and calendar  
20 call will be --

21 THE CLERK: October 24th at 8:30 a.m.

22 THE COURT: And we'll probably start at  
23 10:30 on the 29th. Have you got all your pretrial  
24 motions filed on this case?

25 MR. SCHIECK: No, Your Honor, but they

1 will be shortly.

2 THE COURT: The cutoff for hearing  
3 pretrial motions will be -- they have to be heard  
4 not later than October 10th, and I'm not signing  
5 any order shortening time. They've got to be heard  
6 not later than October 10th, so you've got to file  
7 them before that. Thank you.

1 A short time later, police arrived at the scene. Upon learning that the Defendant entered  
2 the apartment, police went to speak with the occupants of the apartment. The occupants did not  
3 answer the door. As a result, police obtained a key to the apartment and entered. Defendant,  
4 Holliman and two females were removed from the apartment. A search warrant was obtained  
5 to search the apartment. Officers found the murder weapon and a shotgun.

6 Defendant spoke with Detectives at the scene. Although he acknowledged shooting at  
7 the victims, allegedly in self defense, Defendant denied shooting rounds through the bathroom  
8 window. However, there were an excessive number of expended cartridges found at the scene.  
9 As a result, it was clear to detectives that Defendant reloaded the murder weapon. Also, some  
10 of the witnesses within the apartment reported hearing more shots after Defendant entered the  
11 apartment.

12 The State seeks to introduce evidence that on April 10, 2000, Defendant reported his  
13 vehicle was stolen. Defendant explained that his car was parked in the lot located at 2933 Elm  
14 Ave. At approximately 12:24 a.m., Defendant saw his car's break lights illuminate. As he  
15 looked outside, Defendant observed a person enter his car. According to Defendant, he retrieved  
16 his .22 caliber rifle and fired four (4) rounds through his bathroom window at the person fleeing  
17 in Defendant's car.

## 18 POINTS AND AUTHORITIES

### 19 I

#### 20 EVIDENCE OF DEFENDANT'S PRIOR SHOOTING IS ADMISSIBLE TO 21 ESTABLISH IDENTITY AND COMMON SCHEME OR PLAN.

22 The decision to admit or exclude evidence, lies within the discretion of the court. Such  
23 a decision will not be reversed absent manifest error. *Kazalyn v. State*, 108 Nev. 67, 825 P.2d  
24 578 (1992); *Halbower v. State*, 93 Nev. 212, 562 P.2d 485 (1977).

25 In *Petrocelli v. State*, 101 Nev. 46, 692 P.2d 503 (1985), Petrocelli was charged with  
26 shooting a car salesman in the head with a .22 caliber handgun. Petrocelli claimed that the  
27 shooting was done during an argument with the car dealer and that it was an accident. The trial  
28 court allowed evidence that Petrocelli had previously become embroiled in an argument with a

1 female. He drug her out of her place of employment and shot and killed her with a .22 caliber  
2 handgun. The Nevada Supreme Court upheld the trial court's decision to allow such evidence  
3 to establish the absence of mistake or accident.

4 Similarly, in *Gallego v. State*, 101 Nev. 782, 711 P.2d 856 (1985), Gallego was charged  
5 with killing two young females with a hammer. The two women were kidnapped by Gallegos  
6 and his wife and transported to their fatal destination as part of the Gallego's "sex slave "  
7 fantasy. The trial court allowed evidence that Gallegos had previously kidnapped two young  
8 women from a shopping mall and thereafter shot and killed them. The high court affirmed the  
9 lower court's ruling and allowed such evidence for the purposes of establishing common plan,  
10 intent, identity and motive. *Id.* 101 Nev. at 788.

11 Likewise, in *Reed v. State*, 95 Nev. 190, 591 P.2d 274 (1979) the defendant was charged  
12 with burglary. The victim testified that she was in her motel room when she heard the window  
13 open. She saw a hand reach in and turn the doorknob. Thereafter, two men entered the room  
14 and took her purse and a cup of change. The victim testified that she thought that the defendant  
15 was the man who stood at the door. A palmprint and a fingerprint from the point of entry  
16 matched the defendant. The State was permitted to introduce evidence of two other motel  
17 burglaries where the defendant's fingerprints were recovered. Also, one victim also identified  
18 the defendant as committing one of the burglaries.

19 In upholding the ruling of the trial court admitting the evidence of other crimes, the  
20 Nevada Supreme Court held that the evidence was properly admitted to establish the identity of  
21 the person who burglarized the motel room.

22 In *Canada v. State*, 104 Nev. 288, 293, 756 P.2d 555 (1988), the court allowed evidence  
23 of a separate bar robbery to establish the identity of the perpetrators. In response to Canada's  
24 argument that the eye witness identification was weak in the case in which he was being tried  
25 and, therefore, the evidence was more prejudicial than probative. The Nevada Supreme Court  
26 in upholding the trial court's decision to allow such evidence stated:

27 We conclude that the difficulty in identifying the  
28 perpetrators coupled with the high degree of  
similarity between the crimes makes the evidence

1 of the other robbery more probative than  
2 prejudicial.

3 Id.

4 Federal courts also admit such evidence to establish identity. See, *U.S. v. Two Eagle*, 633  
5 F.2d 93 (8th Cir. 1980), (where issue was the identity of the person who assaulted the victim and  
6 drove off in his car, evidence that the defendant was seen in possession of the car was admissible  
7 to prove identity); (*United States v. Hamilton*, 684 F.2d 380 (6th Cir. 1982), (in prosecution for  
8 passing a one dollar bill with the corners of a twenty bill pasted on it, evidence that defendant  
9 had previously pasted a two dollar bill altered in the same way was admissible to show  
10 defendant's identity).

11 In the instant case, evidence of Defendant's prior shooting at individuals is admissible  
12 to establish identity and common scheme or plan. On both occasions, Defendant was agitated  
13 at his intended victims. Both shootings originated from the bathroom window of Defendant's  
14 apartment. Based upon the foregoing, the instant motion should be granted.

15 **GUILTY PLEA AGREEMENT**

16 I hereby agree to plead guilty to: **ACCESSORY TO MURDER (Felony - NRS 195.040,**  
17 **200.010)**, as more fully alleged in the charging document attached hereto as Exhibit "1".

18 My decision to plead guilty is based upon the plea agreement in this case which is as  
19 follows:

20 The State will make no recommendation at rendition of sentence.

21 **CONSEQUENCES OF THE PLEA**

22 I understand that by pleading guilty I admit the facts which support all the elements of  
23 the offense(s) to which I now plead as set forth in Exhibit "1".

24 I understand that as a consequence of my plea of guilty the Court must sentence me to  
25 imprisonment in the Nevada State Prison for a minimum term of not less than ONE (1) year and  
26 a maximum term of not more than FIVE (5) years. The minimum term of imprisonment may not  
27 exceed forty percent (40%) of the maximum term of imprisonment. I understand that I may also  
28 be fined up to \$1,000. I understand that the law requires me to pay an Administrative

1 Assessment Fee.

2 I understand that, if appropriate, I will be ordered to make restitution to the victim of the  
3 offense(s) to which I am pleading guilty and to the victim of any related offense which is being  
4 dismissed or not prosecuted pursuant to this agreement. I will also be ordered to reimburse the  
5 State of Nevada for any expenses related to my extradition, if any.

6 I understand that I am eligible for probation for the offense to which I am pleading guilty.  
7 I understand that, except as otherwise provided by statute, the question of whether I receive  
8 probation is in the discretion of the sentencing judge.

9 I understand that if more than one sentence of imprisonment is imposed and I am eligible  
10 to serve the sentences concurrently, the sentencing judge has the discretion to order the sentences  
11 served concurrently or consecutively.

12 I also understand that information regarding charges not filed, dismissed charges, or  
13 charges to be dismissed pursuant to this agreement may be considered by the judge at sentencing.

14 I have not been promised or guaranteed any particular sentence by anyone. I know that  
15 my sentence is to be determined by the Court within the limits prescribed by statute. I  
16 understand that if my attorney or the State of Nevada or both recommend any specific  
17 punishment to the Court, the Court is not obligated to accept the recommendation.

18 I understand that the Division of Parole and Probation will prepare a report for the  
19 sentencing judge prior to sentencing. This report will include matters relevant to the issue of  
20 sentencing, including my criminal history. This report may contain hearsay information  
21 regarding my background and criminal history. My attorney and I will each have the opportunity  
22 to comment on the information contained in the report at the time of sentencing. Unless the  
23 District Attorney has specifically agreed otherwise, then the District Attorney may also comment  
24 on this report.

25 **WAIVER OF RIGHTS**

26 By entering my plea of guilty, I understand that I am waiving and forever giving up the  
27 following rights and privileges:

28 1. The constitutional privilege against self-incrimination, including the right to refuse to

1 testify at trial, in which event the prosecution would not be allowed to comment to the jury about  
2 my refusal to testify.

3 2. The constitutional right to a speedy and public trial by an impartial jury, free of  
4 excessive pretrial publicity prejudicial to the defense, at which trial I would be entitled to the  
5 assistance of an attorney, either appointed or retained. At trial the State would bear the burden  
6 of proving beyond a reasonable doubt each element of the offense charged.

7 3. The constitutional right to confront and cross-examine any witnesses who would  
8 testify against me.

9 4. The constitutional right to subpoena witnesses to testify on my behalf.

10 5. The constitutional right to testify in my own defense.

11 6. The right to appeal the conviction, with the assistance of an attorney, either appointed  
12 or retained, unless the appeal is based upon reasonable constitutional jurisdictional or other  
13 grounds that challenge the legality of the proceedings and except as otherwise provided in  
14 subsection 3 of NRS 174.035.

15 **VOLUNTARINESS OF PLEA**

16 I have discussed the elements of all of the original charge(s) against me with my attorney  
17 and I understand the nature of the charge(s) against me.

18 I understand that the State would have to prove each element of the charge(s) against me  
19 at trial.

20 I have discussed with my attorney any possible defenses, defense strategies and  
21 circumstances which might be in my favor.

22 All of the foregoing elements, consequences, rights, and waiver of rights have been  
23 thoroughly explained to me by my attorney.

24 I believe that pleading guilty and accepting this plea bargain is in my best interest, and  
25 that a trial would be contrary to my best interest.

26 I am signing this agreement voluntarily, after consultation with my attorney, and I am not  
27 acting under duress or coercion or by virtue of any promises of leniency, except for those set  
28 forth in this agreement.

1 I am not now under the influence of any intoxicating liquor, a controlled substance or  
2 other drug which would in any manner impair my ability to comprehend or understand this  
3 agreement or the proceedings surrounding my entry of this plea.

4 My attorney has answered all my questions regarding this guilty plea agreement and its  
5 consequences to my satisfaction and I am satisfied with the services provided by my attorney.

5  
6 THE COURT: This is the time set for  
7 trial in the State of Nevada versus Hollimon and  
8 Campbell. The Court has been informed that the  
9 trial will be severed, and there is an amended  
10 indictment which has been filed in open court as to  
11 Sheldon Hollimon.

12 The record will reflect the presence of  
13 the State through David Roger and Susan Pate. The  
14 defendant Hollimon is present in custody with  
15 Ms. Alzora Jackson.

16 Mr. Hollimon, do you have a copy of the  
17 amended indictment charging you with accessory to  
18 murder, a felony?

19 THE DEFENDANT: Yes, Your Honor.

20 THE COURT: Have you had a chance to  
21 read that amended charge and discuss it with  
22 Ms. Jackson?

23 THE DEFENDANT: Yes, Your Honor.

24 THE COURT: Would you like the clerk to  
25 read that charge to you here this afternoon in open

1 court?

2 THE DEFENDANT: No, Your Honor.

3 THE COURT: How do you plead to  
4 accessory to murder, sir, guilty or not guilty?

5 THE DEFENDANT: Guilty, Your Honor.

6 THE COURT: Before I may accept your  
7 plea of guilt, I must be satisfied that your plea  
8 is freely and voluntarily given. Do you make the  
9 plea freely and voluntarily?

10 THE DEFENDANT: Yes, Your Honor.

11 THE COURT: Your attorney has handed me  
12 a written guilty plea agreement signed by  
13 yourself. Sir, before you signed that written plea  
14 of guilt, did you read it and discuss it with  
15 Ms. Jackson?

16 THE DEFENDANT: Yes, Your Honor.

17 THE COURT: Do you understand everything  
18 contained in your written plea?

19 THE DEFENDANT: Yes, Your Honor.

20 THE COURT: Are there any questions that  
21 you'd like to ask me, the district attorney or your  
22 own attorney about your case before I would accept  
23 your plea?

24 THE DEFENDANT: No, Your Honor.

25 THE COURT: Tell me, sir, in your own

MARY BETH COOK, CCR 268 (702)455-4288

1 words what you did here in Clark County on or about  
2 July 22, 2000, last summer, that causes you to  
3 plead guilty to accessory to murder.

4 THE DEFENDANT: 22nd of July myself  
5 helped Damon Campbell try to hide after he told me  
6 he had shot some people outside.

7 THE COURT: So you helped him hide?

8 THE DEFENDANT: I didn't call the police  
9 or nothing.

10 THE COURT: Okay. And in addition to  
11 pleading guilty to accessory to murder, sir, you  
12 have entered into an agreement to testify in the  
13 State of Nevada versus Mr. Campbell?

14 THE DEFENDANT: Yes, Your Honor.

15 THE COURT: All right. And,  
16 Mr. Schieck, you have received a copy of the  
17 agreement to testify?

18 MR. SCHIECK: No, we have not, Your  
19 Honor, but we've been promised one. I briefly  
20 glanced at it. I don't think there was enough  
21 extra copies for us.

22 THE COURT: You may have this copy,  
23 Mr. Schieck. And do you understand, Mr. Hollimon,  
24 the terms of your agreement to testify?

25 THE DEFENDANT: Yes, Your Honor.

1 THE COURT: Are there any additional  
2 things that we need to do concerning Mr. Hollimon?

3 MR. ROGER: Yes, Your Honor. Not stated  
4 in the agreement is the provision that if he  
5 declines to testify during this trial the State, at  
6 its option, may move to withdraw the plea and he  
7 will agree to the withdrawal of his guilty plea and  
8 then proceed to trial in the original charges.

9 THE COURT: Is that set forth in the  
10 agreement to testify?

11 MS. JACKSON: Your Honor, may the record  
12 reflect that I have met with Mr. Hollimon twice  
13 since striking the negotiated plea with Mr. Roger  
14 and that has been thoroughly explained to him that  
15 if he declines to testify that the plea will be  
16 withdrawn or if he testifies falsely the plea will  
17 be withdrawn; is that correct, Mr. Hollimon?

18 THE DEFENDANT: Yes.

19 THE COURT: And you fully understand  
20 that, sir?

21 THE DEFENDANT: Yes.

22 THE COURT: All right. Thank you.

23 THE COURT: The Court finds that the  
24 defendant's plea of guilt to accessory to murder is  
25 freely and voluntarily given; further finds that

1 the defendant understands the nature of the offense  
2 and the consequences of his plea, and therefore the  
3 plea is accepted.

4 This matter is referred to the  
5 Department of Parole and Probation for presentence  
6 report, set over for entry of judgment and  
7 imposition of sentence --.

8 THE CLERK: December 12, 8:30.

9 MR. ROGER: We'd ask that he be remanded  
10 at the Clark County Detention Center. We'll need  
11 him throughout the remainder of the trial.

12 THE COURT: Officer, you need to keep  
13 him here for two weeks. He can't go back to NSP  
14 until he's testified in this case, and we don't  
15 know whether he'll be testifying tomorrow or the  
16 next day but for sure not less than two weeks.
