CLERK OF SUPREME COURT

*AMENDED ORDER
DIRECTING WRITTEN ORDER AND EXPEDITED ANSWER*

This emergency, original petition for a writ of mandamus and/or prohibition challenges a March 1, 2022, district court ruling denying petitioner's motion to disqualify the District Attorney's Office and to appoint a special prosecutor.

This court ordinarily will not consider a petition for extraordinary relief in the absence of a written district court order. *See Rust v. Clark Cty. Sch. Dist.*, 103 Nev. 686, 689, 747 P.2d 1380, 1382 (1987) (providing that an oral pronouncement from the bench is not valid for any purpose). From the district court docket entries, it appears that a written order reflecting the challenged ruling was entered on March 7, 2022. It further appears that transcripts from the underlying hearing were filed on March 4, 2022. Accordingly, petitioner shall have until noon tomorrow, March 9, 2022, to file and serve a supplemental appendix including a file-

stamped copy of the district court's written order and any related transcripts.

Further, having reviewed the petition and supporting documents, we conclude that an answer may assist this court in resolving the petition. Therefore, real party in interest, on behalf of respondents, shall have until 4 p.m. on Thursday, March 10, 2022, to file and serve an answer, including authorities, against issuance of the requested writ. NRAP 21(b)(1). No extensions of time will be granted in this matter absent extraordinary and compelling circumstances demonstrated by written motion.

It is so ORDERED.
