ORDER

On November 8, 2021, appellant received a telephonic extension of time, until November 22, 2021, to file the docketing statement. Also on November 8, 2021, appellant filed a written motion seeking an extension of time to file the docketing statement. Given the receipt of the telephonic extension and that the written motion does not state the length of the requested extension of time, *see* NRAP 27(a)(2) (requiring a motion to state with particularity the relief sought), this court takes no action on the November 8, 2021, motion.

It is so ORDERED.
