2892	The motion fails.
2893	
2894	MAYOR GOODMAN
2895	The motion passes. Please, don't do this. I mean this is such a privilege.
2896	
2897	BRAD JERBIC
2898	Excuse me, there was a motion to approve that did not pass. There now needs to be a motion to
2899	deny. So somebody who voted in the majority needs to make a motion to deny 131.
2900	
2901	COUNCILWOMAN TARKANIAN
2902	That's got to be Coffin.
2903	
2904	MAYOR GOODMAN
2905	Okay. There needs to be a motion to deny made.

2912	
2913	BRAD JERBIC
2914	That motion passes. The motion, the 131 is denied. We need a motion on 132.
2915	
2916	MAYOR GOODMAN
2917	And on 132?
2918	
2919	COUNCILMAN BEERS

CITY COUNCIL MEETING JUNE 21, 2017 COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

2958 BRAD JERBIC

- 2959 What I'd like to do, and I know there's gonna be some active discussion on this, but if I could
- 2960 begin. As the record has already been made, there has been an awful lot of discussion, and it's
- really funny every time I talk to the developer, people think that he's pulling my strings; every
- time I talk to the neighborhood, they think they are pulling my strings. I can tell you right now,
- the only one pulling my strings, Mayor, is you and your request to bring back a development
- agreement. And so, I've been working very, very hard to work with neighbors and work with
 anybody who will talk and what they would like to see in their neighborhood.

I can tell you that Elaine and Dale Weisner have been incredible. Elaine is head of the board, and they've had a very, very difficult decision and a very, very difficult time having to try and gather information only to find out they don't have the authority to negotiate.

- Ann Smith and her neighbors on Ravel Court are just wonderful people, who I have tried very, very hard to try and find a solution to what I think is a uniquely burdensome situation into their area.
- I'm looking out and I see Eddie and Alise on Tudor, and all of you, there's a special situation outthere, that I think we're very, very close to having that resolved.
- 2974 There's a fourth situation, a fourth situation, that came to my attention through a neighbor that
- 2975 lives in an area that's gonna receive the two-acre lots; and that request was to have some kind of
- agreement to keep critical, and I'm using that word deliberately, critical parts of the golf course
- 2977 green until development. And the reason was pretty simple: The reason is that if you have a
- 2978 house for sale in Queensride, you're going to enter through the north gate or the south gate. And
- for any of you who have been out there, you will drive past open parts of the golf course that are
- 2980 normally very green. And the fear that this neighbor expressed to me is if those critical areas, not
- the whole golf course, but those critical areas, if they were to turn brown and full of weeds, the
- 2982 person who drives in to go look at a home for sale is going to turn right around and leave,
- 2983 because that sets a statement for what the community is and would lower property values.

Page 111 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

2984	I thought those were valuable issues. I thought they were righteous issues. I don't think that they
2985	were issues that people made up. And I still think to this moment they are solvable issues. I don't
2986	think we – there probably are more that people will open up. And I will address everyone
2987	individually. So if anybody has a list of things they think should be in this agreement that are not,
<mark>2988</mark>	I say these words, speak now or forever hold your peace, because I will listen to you and we'll
<mark>2989</mark>	talk about it. And if it needs to be in that agreement, we'll do our best to get it in it.
2990	But I do not like the tactics that look like we're working, we're working, we're working and, by
2991	the way, here's something you didn't think of I could have been told about six months ago. So I
<mark>2992</mark>	understand Mr. Lowie's frustration. There's some of that going on. There really is. And that's
2993	unfortunate. I don't consider that good faith, and I don't consider it productive.
2994	So I say now to the neighbors that are out here, and this is not, that comment was not aimed at
2995	you. You've been wonderful in meeting with me and talking with me, and you've been very
2996	wonderful in giving the ground that you can give and not giving the ground that you can't give to
2997	protect your homes and your property values.
2998	Having said that, we have constantly been accused of changing this Development Agreement.
2999	And I hear it every single Development Agreement meeting. Once again, it's changed again. It's
3000	changed again. But, you know, it's really funny. This Development Agreement has changed
3001	because people have requested changes. And so when you request to get a change request and
3002	you incorporate it, you can't get a rock thrown at your head for doing that. And that's not fair.
3003	And I can also say one more thing, because I just want to say it publicly. I have enormous respect
3004	for both parties. I also have respect for people in the litigation. And it's a fact that when Mr.
3005	Schreck was attacked in the litigation, I defended him. It was a fact that when Shauna was given
3006	a subpoena for a deposition, I got her out of it. I'm not trying to hurt anybody in this negotiation.
3007	For anybody in this room that thinks otherwise, you're just plain wrong. Okay?
3008	So let me go on to the Development Agreement. We deliberately left it on the website in the form
3009	that it was last submitted, without changes. And I did that to avoid one more time having
3010	neighbors come here and say it's changed again. The goal was this. Leave that agreement on the
3011	website, and then when we had changes from the Planning Commission, changes from the

Page 112 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

Recommending Committee, which there was one, and changes that I hoped to negotiate last

- 3013 night and over the weekend; if we got all those, we'd roll them all into just one last change. 3014 That's why the agreement that's on the website right now doesn't reflect all those changes that 3015 have occurred to date and clearly don't reflect the changes for Ravel, for Tudor Park, for the 3016 greening of the golf course, and the other issue I mentioned. 3017 I think that because we are this close, I think that it would be wrong to have the Council consider 3018 an agreement that you haven't even seen. We haven't presented you with a final version of it. I 3019 don't think it would be right to go forward with open issues that I think could be resolved. Now, I can be, I'll be proven right or wrong pretty darn quick. There's no doubt about it. If 3020 3021 everybody thinks that this can't be resolved, I'm going to look like an idiot in a month, and I 3022 deserve it. Okay? 3023 But the fact of the matter is I don't believe that. I do believe that it can be resolved. I do believe 3024 there's an awful lot of good faith that's been shown, and I think we are very close. But for that 3025 reason, I don't think it's appropriate right now, well I won't say appropriate, I don't think it's
- 3026 ready to be heard by the Council right now. I'm certainly not ready to have an agreement
- 3027 approved with those areas still not completely nailed down.
- 3028

3012

3029 MAYOR GOODMAN

- 3030 Well, and we have not, if I might, Mr. Jerbic, we have not been privy to the information
- 3031 regarding those three items and then the fourth one you just brought up, which was brought up
- 3032 tonight. And my biggest concern is going forward with this and having these two wonderful
- 3033 Council persons, who have been through the beginning, two years or a year and a half of this,
- this is their last Council meeting.
- 3035 And so to have new members brought on and expect them to be brought up to speed in 24 hours
- 3036 from their swearing in is an impossibility. So that's beyond our control to have any reasonable
- 3037 way of bringing two new people on this board up to speed. And they need to have the
- 3038 information. And the next, unless we call, which I'm going to ask you, instead of, let's say they're

Page 113 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

3039 sworn in, the date is the 19th of July, the following, next scheduled Council meeting is the 21st,

- 3040 correct?
- 3041

3042 BRAD JERBIC

The 2nd of August.

3044

3045 MAYOR GOODMAN

I mean 2nd of August. Sorry. What if? This may be an open-ended question that you can't even
possibly answer. But with everything working as best as it can for two new Council members to
be brought up to speed on a development agreement, what is reasonable to assume, and can we
hold a special meeting so we don't have to wait that long, because every day we wait, Mr. Lowie
is having financial pursuit, to put it that way? What is reasonable, and when can we have a
special session?

3052

3053 BRAD JERBIC

3054 That's a good question. I can't read anybody's mind. I know Mr. Seroka is here today, and we

3055 have not had an opportunity to meet yet. I met Ms. Fiore very briefly, just to shake hands a

- 3056 couple of days ago. And so I haven't had the opportunity to ask them that question how long
- 3057 will it take you to really get up to speed?
- 3058 I can say that I am prepared now to get everything to whoever is going to be sitting here on the
- 3059 19th of July as soon as it's drafted. And, but the real problem is I am not able to have an
- attorney/client conversation with either of the new members of Council until they are technicallysworn in.
- 3062

3063 MAYOR GOODMAN

3064 I was just going to say they're not sworn in.

Page 114 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

3065 **BRAD JERBIC**

- 3066 So I can talk with them. I can provide them with the documents. I can answer questions. But if it
- 3067 gets into an attorney/client conversation about litigation or something, I won't be able to do that 3068 until the swearing in occurs.
- 3069 So I'm more than happy to finish this deal. I'm more than happy to accelerate it and get it to the
- new members as soon as possible so they can ask all the questions that they need to. But I don'tknow if that right number is two weeks, or four weeks, or one day. I don't know.
- 3072

3073 MAYOR GOODMAN

3074 Councilwoman?

3075

3076 COUNCILWOMAN TARKANIAN

- 3077 Mr. Jerbic, we have in the past sworn in new members at a special meeting, not at the Council
- 3078 meeting, not the regular Council meeting. We didn't even do it in Council chambers. In fact, I
- 3079 think I was one of them. We did it in a smaller room someplace in the City. So I think you could
- 3080 call a special meeting. I mean you might want to check that out. But I know that I was, when I
- 3081 was, well maybe it was I don't know. I could be wrong.
- 3082

3083 BRAD JERBIC

- 3084 You may be different. I need to look at this.
- 3085

3086 COUNCILWOMAN TARKANIAN

- 3087 I'm very tired. It's been over 12 hours now.
- 3088

3089 **BRAD JERBIC**

- 3090 You won in a recall election, and I think the recall election was a little bit different. But I'll look
- 3091 into it and find out if that's a possibility. Then, of course, we'd want to consult with the new
- 3092 members of Council to see if that's what they would want to do. I don't know.

Page 115 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

- 3093 I do know that right now, if it went on its ordinary trajectory, the swearing in would be July 19th,
- and the next meeting after that would be August 2nd.
- 3095 And so I can tell you I personally believe I will know very quickly, in less than a week, I hope,
- 3096 whether or not these issues will be resolved or not. And if they are resolved, that written
- 3097 agreement will be distributed to everybody, including the new members of Council, so that they
- 3098 can look at it and meet with neighbors and see what the support is, if it's there or not.
- 3099

3100 CHRIS KAEMPFER

- 3101 Well, Your Honor, if I might chime in here just for a minute. I will not deny the efforts that Brad
- 3102 has put into this. I mean, it's incredible. And he's not helped us. I mean, if he was here to help us,
- 3103 we wouldn't have taken it from 3,000 units down to 2,100 units. Thanks, Brad, very much for
- knocking 900 units off the project. All right. We wouldn't have two-acre lots everywhere. All ofthose things are driven by him and agreed to by us.
- 3106 But as hard as he worked and as good a man as he is, I'm telling you right now and you if I'm
- 3107 wrong, you can say Chris, you're wrong I don't care what agreement we reach. I don't care.
- 3108 There will be the same people who come up here and tell you that the Development Agreement
- 3109 is defective, that it doesn't have this. I've never seen any kind of development agreement that is
- 3110 this sloppily done. You can't even approve it because this.
- 3111 We don't want to go through that. We don't want any of that anymore. We're tired. All of us are
- 3112 tired. All right. Those of us who live in this community are tired.
- 3113 And what I was hoping the Development Agreement could do was put to rest the uncertainty that
- has made living there unbearable for a lot of people, especially like I said, when you're selling
- 3115 your home and they say, what's happening with the golf course, and you go, I don't know. It may
- 3116 be developed. It may not be.
- 3117 There is a mentality on the other side, not the neighbors necessarily, but there's a mentality that
- 3118 they still want to see, if they can, no development. I was told early on by someone I respect very
- 3119 much that he would rather see it a desert than a single home built.

Page 116 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

- 3120 Now, that position may have changed, but that's what I'm dealing with. That's what all of us are
- 3121 dealing with. And I am just so much, I am so afraid that if we don't approve something tonight,
- that we'll get nothing. And that's what I think is gonna happen.
- 3123 I think what's gonna happen on August 2nd, and maybe rightfully so, our new people are going
- to look at you and they're going to say: Mayor, Council people, we've only been here two weeks.
- 3125 We need to hold it another 30 days. And I'm not blaming them. I would probably, you know,
- think about saying the same thing. So now another \$80,000 goes out. We're dying. And maybe
- that's what they want. Maybe they want this guy to die, so what, you know, I don't know. But I'm
- 3128 just telling you that's what I've been told to say.
- 3129 I believe it for Mr. Lowie, and I'm very concerned about the fact if we were to say those three
- 3130 issues, Tudor, keep it green, Ravel Court, we resolve those three issues, that's not, I mean, I just
- don't believe that's going to be it. I think there is going to have the same people come up and say:
- 3132 Don't you realize the Master Plan and the General Plan and the zoning and all. Forget what these
- 3133 people think. We're experts. You guys here, you're just the guys that work for the City of Las
- 3134 Vegas.
- 3135 To me, I've never seen a situation where you say I disregard completely what these gentlemen,
- 3136 who are as smart as you'll ever find, as thorough as you'll ever find, and would believe somebody
- else who says they're wrong. So whatever you do, God love you and bless you and keep you, but
- 3138 I'm just saying I can't guarantee what happens with a hold.
- 3139 I think you ought to approve it, and I think you ought to say I trust you'll work those other issues
- 3140 out, and that will provide those people, most of us who live on that golf course, with two-acre
- 3141 lots guaranteed under a development agreement. Thank you.
- 3142

3143 YOHAN LOWIE

- 3144 Mr. Jerbic, I just want to say, add one more thing. Condition number four is unacceptable. The
- 3145 golf course is dead. As of today, we cannot, no longer support irrigating and maintaining green
- 3146 on the golf course. So if you want to continue negotiation, item number four cannot be a part of
- 3147 this, a part of the negotiation.

Page 117 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

- 3148 Mayor, as I told you, you know, elections have consequences and so does continual denial of our
- 3149 application, and the ability of us financing this piece of property has consequences. And we
- 3150 cannot irrigate no longer.
- 3151

3152 MAYOR GOODMAN

All I can tell you is I said what I said very clearly, and I've said it to Mr. Jerbic. Every time he's gone in to try again with something, and last week he came to me and I said, How are we? And he said we are so close to this.

3156 And I said it at the time that we voted on the corner of Rampart and Alta. I said it clearly. I

3157 cannot vote for any other project until we've got this resolved. And I believe this man; I've

known him for 35 or 40 years. That puts you older than probably you are. But the reality is he

delivers. He tells the truth to me. I'm not saying you have ever, but we don't have that length of

3160 the relationship. And because he's an attorney and because he's worked with you and your team

and with the residents, and because I made a commitment that I didn't want it piecemeal – I'm

- 3162 not denying that anything that you touch you haven't everything that I've seen, contrary to
- 3163 comments that aren't true, everything I know you will deliver the finest. You will deliver it.
- I want to abey this. I want you to hang in to August 2nd. You can do that.
- 3165

3166 YOHAN LOWIE

No, I can't and I will not. And I just want to tell you something. I want to ask you a question.

- 3168 Under which legal theory are you forcing me to bring three different companies under one
- 3169 agreement and to give you one holistic project? I've tried it for two years. It doesn't work.
- 3170

3171 MAYOR GOODMAN

3172 No, no, no. I know –

Page 118 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

3173 YOHAN LOWIE

- 3174 You don't have under which, on what are you relying? Which law are you relying to, to force
- 3175 me to do it?
- 3176

3177 MAYOR GOODMAN

- 3178 No, no, no. I'm not. All I'm relying on the fact is I know the numbers have to pencil out for you.
- 3179 So when you reduce an area, in order to make it work for you as the developer, you've got to put
- 3180 more people in another area. It needs to be compatible with people that are homeowners, with the
- 3181 feeling of beauty you can do it. You can do it.
- 3182

3183 YOHAN LOWIE

- 3184 The 61 lot is compatible. The 61 lot you just denied is compatible.
- 3185

3186 MAYOR GOODMAN

- 3187 I'm not saying it isn't.
- 3188

3189 YOHAN LOWIE

- 3190 And every application from now on –
- 3191

3192 MAYOR GOODMAN

- 3193 I'm not saying it isn't.
- 3194

3195 YOHAN LOWIE

Let me finish. Any other application we're going to bring from now on will be compatible. We

- 3197 are only going to bring R-PD7. You don't have to worry about development agreement. There is
- 3198 no development agreement, because we're going to bifurcate this property. I can no longer trust
- 3199 this Council to ever give us to develop the property.

Page 119 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

3200 MAYOR GOODMAN

- 3201 Okay. Oh, wait a minute.
- 3202

3203 YOHAN LOWIE

- 3204 Wait a minute. To ever allow us to develop the property.
- 3205

3206 MAYOR GOODMAN

- 3207 No, no, no.
- 3208

3209 YOHAN LOWIE

- 3210 It's a continuous denial.
- 3211

3212 MAYOR GOODMAN

- 3213 If you want to divide the property, then we have something.
- 3214

3215 YOHAN LOWIE

- 3216 What do you have?
- 3217

3218 MAYOR GOODMAN

- 3219 Well, you just said you could bifurcate the property. You're not going to develop –
- 3220

3221 YOHAN LOWIE

- 3222 Bifurcate it and sell it off in pieces. But do you think that the next applicant is going to come in
- 3223 and is going to come in here –
- 3224

3225 MAYOR GOODMAN

3226 No-

Page 120 of 128

JUNE 21, 2017

COMBINED VERBATIM TRANSCRIPT – AGENDA ITEMS 82, 130-134

3227 YOHAN LOWIE

- 3228 and you're going to tell him about development agreement and the dream?
- 3229

3230 MAYOR GOODMAN

3231 We're saying we are so close to this.

3232

3233 YOHAN LOWIE

Your Honor, we're not so close to it. Now you got further, further than any, because I cannot no longer hold the property. That's all. You made a decision, and I just want you to know that item

number four cannot be negotiated, because we don't have the funding to do it.

3237

3238 MAYOR GOODMAN

Okay. All right. So where are we on this, Mr. Jerbic? What do we vote on this? I don't want to go
into more public comment. I was hoping that we could just go ahead, abey everything, because
we want to get the new Council person seated, have you and Tom Perrigo bring everybody up to

3242 speed, and then move this on the 2nd of August or earlier. But I did look at my calendar, and 3243 literally from the 19th to the 2^{nd} , it is the proper two weeks.

3244

3245 **BRAD JERBIC**

3246 Let me say my recommendation is still for abeyance. I will say that a lot of things Mr. Kaempfer

- 3247 said are correct. I think that I really do believe and it's true that there are going to be people that
- 3248 are going to oppose this. No matter what it is, no matter how many people like it, there's going to
- 3249 be a group that will never like it, and that's a given.
- 3250 There's also this fear that issues will continue to open up, and there will be more and more
- 3251 demands. And that's where I have to use my skills to say enough is enough. And that's why I said
- 3252 tonight, speak now or forever hold your peace.
- 3253 I think that they have these issues. If somebody comes to me now with an issue they should have
- 3254 come to me with months ago, I'm going to ignore them, because that's just not fair either. You

3255	can't continue to whittle away at this agreement by throwing new things at it all the time. There's
<mark>3256</mark>	been two years for people to make their comments. I think that we are that close.
3257	I know Yohan disagrees with me, but I do believe that – and if at the end of the day, and I'll make
3258	you this promise, Yohan, if at the end of the day, we're down to that one issue and that is the
3259	greening of the golf course and there's no agreement on that, I'll present it to the Council for their
3260	decision.
3261	
3262	MAYOR GOODMAN
3263	So is my comment –
3264	
3265	BRAD JERBIC
3266	I will not stop it from going to this Council, because we can't get an agreement on the greening
3267	of the golf course. I'll let them make the decision.
3268	
3269	MAYOR GOODMAN
3270	Okay.
3271	
3272	BRAD JERBIC
3273	And if the Council says greening is so important to us, we don't like it, they'll vote you down.
3274	And if they say the greening is something that, in the scheme of the entire agreement, isn't a hill
3275	to die for, then they'll vote you up. But that's how I plan to handle those issues that we can't
3276	negotiate through.
3277

3280 BRAD JERBIC

3281 I don't plan to use that as an excuse in the future to stop this Council from looking at an

3282 agreement. You've got my word on that.

3283

3284 COUNCILMAN COFFIN

- 3285 Your Honor?
- 3286

3287 MAYOR GOODMAN

3288 Please.

3289

3290 COUNCILMAN COFFIN

- 3291 I'm afraid we've put our Council in a bad position using him as a negotiator. I think the fact is
- that he's done all he can, and I think that he should now be our counsel, and that if any
- 3293 negotiating happens, it should be between the members of the Council and the interested parties.
- He's at a point now where I don't want him to be compromised. Not only is he tired, but he also
- 3295 feels, you know, I'm sure he feels that it's futile.
- 3296 But I remarked, I earlier remarked that I will still continue to work. And, you know, I may be
- 3297 heard to be just flapping my gums, but I'm still where I was in December that there could be
- 3298 something easy on the eyes, something very nice for these people and that land out there. So now
- 3299 that's my position. I'm still open minded, but I must continue –
- 3300

3301 MAYOR GOODMAN

- 3302 Okay. What I'd like to do is move a question, with your permission down there, I am going to
- 3303 move to abey Agenda Item 130 to August 2nd, and then we're going to read into **I'm going to**
- make that motion to abey this Item 130 to August 2nd. So that's my motion. Please vote.
- 3305 Where is Mr. Beers?

3307	May we be heard? May the applicant be heard on this motion?
3308	
3309	MAYOR GOODMAN
3310	Mr. Beers. There's a motion to abey to August 2nd on Agenda Item 130.
3311	
3312	JAMES JIMMERSON
3313	Can we not be heard on that? Can both sides be heard on that matter, just for three minutes?
3314	
3315	MAYOR GOODMAN
3316	No, no. No. No.
3317	
3318	JAMES JIMMERSON
3319	We've not been heard on this matter at all.
3320	
3321	YOHAN LOWIE
3322	Your Honor, we're objecting to the abeyance under the law. Under 278A 0233, we're objecting to
3323	it. 278, I'm sorry, 0233. We're objecting to it. We're asking you, we're asking for a vote.
3324	
3325	MAYOR GOODMAN
3326	Okay. So you've made your record, and that's what's the most important thing. Could we please
3327	post the vote on the abeyance?

DECLARATION OF YOHAN LOWIE

2 I, Yohan Lowie, declare under penalty of perjury that the foregoing is true and correct: 3 1. At all times, I have served as a manager of each of 180 Land Co LLC, Seventy 4 Acres and Fore Stars, (collectively "the Landowners"). I make this declaration in support of 5 Plaintiff Landowners Opposition to the City's Motion for Summary Judgment and 6 7 Countermotions to Determine the Two Inverse Condemnation Sub-Inquiries in the Proper 8 Order. I have personal knowledge of the facts stated herein and, if called to testify as a 9 witness, I could and would competently testify as set forth below. 10 2. I have constructed and developed properties both independently and with my 11 partners, principals of the Landowners for over 25 years. My partners and I have extensive 12

13 experience developing luxurious and distinctive commercial and residential projects in Las 14 Vegas, including but not limited to: (1) One Queensridge Place, which consists of two 20-floor 15 luxury residential high rises; (2) Tivoli Village at Queensridge, an Old World styled mixed-used 16 retail, restaurant, and office space shopping center; (3) over 300 customs homes, and (4) the 17 Nevada Supreme Court and Appellate Court building located in downtown Las Vegas at 408 18 19 East Clark Avenue to name a few. We all live in the Queensridge common interest community 20 and One Queensridge Place and are the single largest owners within both developments having 21 built over 40% of the custom homes within Queensridge. There is no other independent 22 developer that has contributed more to, or had a larger impact on, the Queensridge CIC and the 23 24 surrounding area than my partners and myself.

25 26

1

3. I began working with the Peccole family and developing lots within the Queensridge CIC in 1996 and consistently worked with them thereafter.

1

- 27
- 28

000733 RA 00714

1	4. In or about 2001, I was informed by Peccole family members that
2	the Badlands Golf Course was zoned R-PD7 and intended for residential development. I further
3	learned that the original owners of the various parcels that comprised the Badlands Golf Course
4	(sometimes referred to as "the Land" or the "250 Acre Residentially Zoned Property") had
5 6	never imposed any restrictions on the use of the Land and that the Land would eventually be
7	developed. I was further informed that the Land is "developable at any time" and "we're never
8	
9	going to put a deed restriction on the property." The Land abuts the common interest
10	community commonly known as "Queensridge" (the "Queensridge CIC").
11	5. Thereafter in 2001, I retained counsel and learned that the Land is "Not A
12	Part" of the Queensridge CIC, the Land was residentially zoned, there existed rights to develop
13	the Land, the Land was intended for residential development and that as a homeowner within
14	the Queensridge CIC, according to the Covenants, Conditions and Restrictions (the "CC&Rs") I
15 16	had no right to interfere with the development of the Land.
17	6. In or around 2006, I met with the head planner at the City of Las Vegas, Mr.
18	Robert Ginzer, and was advised that the Land was zoned R-PD7 and that there were no
19	restrictions that would prevent development of that zoning on the Land. Thereafter, in or
20	around 2007 through various other transactions with the Peccole family, I obtained the right to
21	purchase all five parcels that encompassed the Badlands Golf Course. Thereafter, I continued
22 23	my due diligence on the Land.
23 24	7. In or around June of 2014, the Peccole family gave me six months' notice to
25	exercise the right to purchase the entire 250 Acres of Residentially Zoned Land. In doing so,
26	
27	we conducted further due diligence which included meeting with the City Planning Department
28	including Mr. Tom Perrigo and Mr. Peter Lowenstein, the highest ranking planners at the City

of Las Vegas, to confirm whether the Land was developable and if there was anything that 1 2 would otherwise prevent development. The City Planning Department agreed to do a "study" 3 which took approximately three weeks.

8. After three weeks the City Planning Department reported that: 1) the 250 Acre 5 Residential Zoned Land had hard zoning and vested rights to develop up to 7 units an acre; 2) 6 7 "the zoning trumps everything;" and, 3) any owner of the 250 Acre Residential Zoned Land can 8 develop the property.

9

4

9. My team and I requested that the City adopt its three-week study in writing as 10 the City's official position in order to conclusively establish the developability of the property 11 prior to closing on the property sale. The City agreed and provided the City's official position 12 13 through a "Zoning Verification Letter" issued by the City Planning & Development Department 14 on December 30, 2014, stating: 1) "The subject properties are zoned R-PD7 (Residential 15 Planned Development District – 7 units per acre;" 2) "The density allowed in the R-PD District 16 shall be reflected by a numerical designation for that district. (Example, R-PD4 allows up to 17 four units per gross acre.);" and, 3) "A detailed listing of the permissible uses and all applicable 18 19 requirements for the R-PD Zone are located in Title 19 ("Las Vegas Zoning Code") of the Las 20 Vegas Municipal Code." The Zoning Verification Letter is the way in which a potential buyer 21 can confirm the zoning of land and is a standard item lenders and title companies request. 22 Lenders and title companies do not and have not in my experience ever inquired about land use 23 24 designations.

25 10. Thereafter, I also obtained information that the entire 250 Acre Residential 26 Zoned Land had been zoned R-PD7 since at least 1990. This zoning was reconfirmed in 27 subsequent research by the City through Ordinance 5353 that was passed in 2001. 28

3

000735 RA 00716

1 11. In all my years of developing in the City of Las Vegas, the process involves 2 meeting with the Planning Department to discuss conceptual plans wherein the City directs 3 what applications are required in order to develop that plan. Thus, we began meeting with the 4 City officials and Planning Department officials in or around September of 2014. 5 12. In March 2015, my partners and I acquired the membership interests of Fore 6 7 Stars which at that time owned the entirety of the parcels (then five parcels) that comprise the 8 250 Residentially Zoned Land. Immediately after acquiring Fore Stars, we began the process 9 with the City of Las Vegas Planning Department for development of the land. 10 13. In June 2015, Fore Stars re-drew the boundaries of the various parcels that 11 comprised the 250 Acre Residentially Zoned Land pursuant to the City's request and direction. 12 13 The City required the filing of parcel maps to separate the land for every area of development. 14 In November 2015 ownership of approximately 178.27 acres of the property was 14. 15 transferred to 180 Land Co and approximately 70.52 acres of the property was transferred to 16 Seventy Acres. Fore Stars retained ownership of approximately 4.5 acres of the Property. 17 18 15. Today, 180 Land Co owns the parcels with the following Clark County Assessor 19 Parcel Numbers ("APNs"): APNs 138-31-201-005 (totaling 34.07 acres), 138-31-601-008 20 (totaling 22.19 acres), 138-31-702-003 (totaling 76.93 acres), 138-31-702-004 (totaling 33.8 21 acres), and 138-31-801-002 (totaling 11.28 acres). 22 16. Today, Seventy Acres owns the parcels more particularly described by the Clark 23 24 County Assessor as APNs 138-31-801-003 (totaling 5.44 acres), 138-32-301-007 (totaling 25 47.59 acres), and 138-32-301-005 (totaling 17.49 acres). 26 27 28

17. Today, Fore Stars owns the parcels more particularly described by the Clark
 County Assessor as APNs 138-32-210-008 (totaling 2.37 acres); and 138-32-202-001 (totaling
 2.13 acres).

18. In 2015 the Las Vegas residential real estate market was booming and there was a
great demand for single-family and multi-family residential. Additionally, the golf course
operations on the Land were failing. Thus, it was our intent to develop as quickly as possible to
not only meet market demands, but to reduce the substantial carrying costs. We started with
Seventy Acres because developing Seventy Acres was the most financially feasible way to
commence development of the Land.

19. On or around December 16, 2015, I attended a meeting at City Hall with Mayor
Caroline Goodman, Councilman Beers, Chris Kaempfer, Frank Pankratz, City Attorney Brad
Jerbic, Planning Director Tom Perrigo and others from my office. During that meeting Mayor
Goodman informed that due to neighbors' concerns the City would not allow "piecemeal
development" of the Land and that one application for the entirety of the 250 Acre Residentially
Zoned Land was necessary by way of a Master Development Agreement ("MDA").

19 20. Initially we acquiesced to the City's requirement of a development agreement, 20 but as the process continued we strongly opposed this City mandated MDA, because it was 21 significantly increasing the time and cost to develop the entire 250 Acre Residential Zoned 22 Land. Additionally, the City was imposing extraordinary requirements causing further delay 23 24 and costs. Every single time we agreed to the MDA, which included how the 65 Acre 25 Property would be developed, the City would change the requirements demanding more from 26 us. In an effort to comply so that development could occur, we agreed to the City's demands. 27

28

4

1	21. These demands include, but are not limited to detailed architectural drawings
2	including 3d digital models for Seventy Acres for topography, elevations, etc., regional traffic
3	studies, complete civil engineering packages, master detailed sewer studies, drainage studies,
5	school district studies. These additional demands caused us to incur more than an additional 1
6	million dollars in fees and costs. In all my years of development and experience such costly
7	and timely requirements are never required prior to the application approval because no
8	developer would make such an extraordinary investment prior to entitlements, ie. approval of
9 10	the application by the City.
11	22. The MDA was drafted almost entirely by the City of Las Vegas and included all
12	of the requirements the City demanded.
13	23. After the City delayed the MDA, in late 2016 we met with the City Planning
14	Department regarding development of the 35 Acre Property as a stand-alone parcel and asked
15 16	the City Planning Department to set forth all requirements the City could impose to develop the
17	35 Acre Property as an individual parcel, rather than as part of the MDA.
18	24. The City Planning Department worked closely with us to prepare the residential
19	development applications for the 35 Acre Property and submitted a Staff Report recommending
20	approval of the applications to develop the 35 Acre Property. The City Planning Commission
21 22	unanimously approved the development of the 35 Acre Property, but the City Council denied
22	those applications citing at the time of the hearing that they did not want "piecemeal
24	development" and over my objections refused to consider the MDA which was on the agenda
25	for consideration. Thereafter, the City continued to make it clear to us that it would not allow
26	development of individual parcels, but demanded that development only occur by way of the
27 28	MDA. Therefore, we continued our work with the City on the MDA.

1	25. On August 2, 2017, the MDA was presented to the City Council for approval.						
2	Despite offering the MDA as the only application the City would accept to develop the 65 Acre						
3	Property, the City's own Planning Staff and Planning Commission recommending approval,						
4 5	repeated assurances from the City, and the fact that the City itself almost entirely drafted the						
6	MDA, the City denied the MDA altogether.						
7	26. The City did not ask us to make more concessions, like increasing the setbacks						
8	or reducing the units per acre, it just simply rejected the MDA altogether.

Exhibit 35

DECLARATION OF YOHAN LOWIE

I, Yohan Lowie, declare under penalty of perjury that the foregoing is true and correct:

1. I Make this Declaration in support of Plaintiff Landowners' Motion for a New Trial and to Amend Related to: Judge Herndon's Findings of Fact and Conclusions of Law Granting City of Las Vegas Motion for Summary Judgment, Entered on December 30, 2020. This Declaration supplements my previous Declaration submitted in this matter, dated November 23, 2020, and identified as Exhibit 22.

2. The consideration for the acquisition of the membership interest of Fore Stars Ltd comprised of all the assets and liabilities which included five parcels of land amounting to approximately 250 acres of residentially zoned land "250 Acre Residential Zoned Land" or "Land" which was being leased by a third party golf course operator at the time. This acquisition was significant and included : 1) approximately 15 years of work, resources, sacrifice and effort; 2) entering into an approximately \$100 million deal with Peccole (the original owner of the Land) and a third party that involved complex land transactions related to large tracts of land, including Tivoli Village, the Queensridge Towers, Hualapai Commons (at Sahara and Hualapai Way), and Fore Stars Ltd, to obtain the right to acquire the 250 Acre Residential Zoned Land. Within this complex deal, \$45 million was directly allocated to the acquisition of Fore Stars which included the 250 Acre Residential Zoned Land.

3. Additionally, the acquisition of Fore Stars Ltd., which owned the 250 Acre Residential Zoned Land, comprised all of its assets and liabilities, which included the Land, which the golf course was operating on at a substantial loss; the post-closing obligation to resolve a lot line dispute wherein the Queensridge Towers were constructed on part of the 250 Acre Residential Zoned Land; any liabilities of Fore Stars, Ltd.; all existing contracts with suppliers and vendors; and, all leases and agreements associated with any equipment on the land.

4. In all my years of dealings with the Peccoles and with the surrounding properties (since 1996 to the present) that involved a multitude of real estate transactions, the Peccole Ranch Master Plan north of Charleston Blvd. was never mentioned; it never appeared on any document, never appeared on any title to land, never in any CC&Rs, never on any entitlement package, and never on any lenders document. The Peccole Ranch Master Plan was then later used by the

representatives of the Queensridge Community to hold up development on the 250 Acre Residential Zoned Land after we purchased it.

5. Within months of acquiring the 250 Acre Residential Zoned Land, then-councilman Bob Coffin informed me that a few of the homeowners in the Queensridge Community were demanding that no development occur on the 250 Acre Residential Zoned Land, but that Councilman Coffin would "allow" me to build "anything I wanted" on 70 of the 250 acres if we handed over to these few homeowners 180 Acres of land with the water rights for free.

6. Several months later, in April 2016, Councilman Coffin told me that he would get me 1,000 more units on the 70 acres if I would "hand over" the 180 acres, and all water rights, to these a Queensridge homeowner in perpetuity, for free. I offered the 180 acres for a one dollar per year lease as long as it included a deed restriction to operate as a golf course. Coffin responded it's not going to work and I needed to hand it over for free without the restriction.

7. In 2018, Councilman Seroka told me that I should have negotiated with the Queensridge Community and if I had given them what they wanted, I could have already been building. He suggested that if I negotiated with Frank Schreck, a Queensridge representative, all the lawsuits would go away.

DATED this 27th day of January, 2021.

General Intent. This Article.II describes Declarant's overall concept in the 2.1 development of Queensridge as an exclusive master-planned community of homes, shopping centers, offices and other commercial uses and Common Areas. Article II provides, among other things, for the phased development of the community, describes the types of development which may be included in the community and the manner in which each phase is added to Queensridge. Certain Common Areas of the Property, to be designated by the Declarant on a Final Map, in a Declaration of Annexation or Supplemental Declaration, are intended for the use, benefit and enjoyment of all Owners. 2.3.2 <u>Annexation With the Approval of the Membership</u>. From and after Declarant's Annexation Rights Termination Date, any annexation of Annexable Property shall require the approval of Declarant and the non-Declarant Members entitled to exercise a majority of the voting power of the Association. In all other cases, a Declaration of Annexation or a Supplemental Declaration may, but need not, provide for a Project Association. In the event a Project Association is established, the Declaration of Annexation may provide for the right of Declarant to annex to the Project(s) covered by such Declaration of Annexation, additional Projects of the same Project Type all of which are to be governed by one Project Association.

k. <u>Special Benefits Area</u>. Such Special Benefits Area services provided by the Association may include, for example, concierge services, exterior painting of residences or front yard landscape maintenance.

1. <u>Amendment</u>. Declarant may amend any Declaration of Annexation by a written amendment executed by Declarant and Recorded, provided that (i) Declarant is the owner of all of the Annexed Property (other than publicly owned property) affected by such Declaration of Annexation, or (ii) the amendment is required by any DRE or the provisions of NRS Chapter 116. The Owner of a Super-Pad shall have no voting rights in the Association until the Final Map subdividing the Super-Pad has been Recorded. The term "Super-Pad" shall include a Parcel which is a Condominium Project Type for which a Final Map has not been Recorded.

2.3.4 <u>Effect of Recording Declaration of Annexation</u>. The Recording of a Declaration of Annexation covering any portion of the Annexable Property shall cause such Annexed Property to become a part of the Property and subject to the provisions of this Master Declaration and any other Applicable Declarations, and effective upon such Recording, such Annexed Property shall be subject to the functions, powers and jurisdiction of the Association.

2.3.5Supplemental Declarations. Declarant may, in its sole discretion, for Annexed Property owned solely by Declarant, execute and Record as a separate declaration or as part of any Declaration of Annexation, one or more Supplemental Declarations which incorporate this Master Declaration therein by reference and impose such additional and further covenants, conditions and restrictions for the operation, protection and maintenance of the Annexed Property as Declarant may deem advisable, so long as the provisions of such Supplemental Declaration are not in conflict with this Master Declaration, taking into account the particular requirements of the Project(s) for which the Supplemental Declaration shall be recorded. Declarant and a Builder jointly may execute and Record a Supplemental Declaration for any Project owned solely by such Builder. Declarant or the Owner of a Hotel converted to a Condominium Project shall record a Supplemental Declaration as provided in Section 12.8 hereof. If there is any conflict between any Supplemental Declaration and the provisions of this Master Declaration, the provisions of this Master Declaration shall control, although such documents shall be construed to be consistent with one another to the extent possible. If there is any conflict between the terms of any Declaration of Annexation and any Supplemental Declaration covering the same portion of the Property, then the Declaration of Annexation shall control. For any portion of the Property which is to be deannexed ("Deannexed Property") (i) a Declaration of Deannexation executed by Declarant must be Recorded which legally describes that portion of the Property which is being deannexed and which reallocates the allocated interests among the remaining Units within the Property, using the formula set forth in Section 8.3, hereof; and (ii) if such property is a Residential Project Type approved by VA or FHA, VA or FHA, as applicable, must have approved in writing such deannexation to the extent required by applicable laws or regulations.

000783 LO 00002593 RA 00766

In the case of Units within the Deannexed Property, the reallocation pursuant to Section 8.3, hereof, shall take place upon the Recordation of the Declaration of Deannexation.

2.6 <u>Interpretation</u>. In the event any provision of a Declaration of Annexation or Supplemental Declaration conflicts with the terms of this Master Declaration, the provisions of this Master Declaration shall control. In the event any provision of a Supplemental Declaration conflicts with a Declaration of Annexation governing the same Project, then the provisions of the Declaration of Annexation shall control.

4.2 Master-Planned Community Standards.

4.2.1 Adoption. The Master-Planned Community Standards shall include site planning, architectural design and landscaping standards for each of the Residential Products. Declarant may, but shall not be required to, adopt Master-Planned Community Standards for Commercial Project Types. Prior to Declarant's DRC Appointment Rights Termination Date, Declarant shall have the exclusive right to adopt sections of the Master-Planned Community Standards applicable to each of the Residential Product Types to be constructed within the Property. In the event Declarant fails to adopt Master-Planned Community Standards for any Residential Product prior to Declarant's DRC Appointment Rights Termination Date, then the Design Review Committee shall adopt the same after consultation with the Association's Architect; provided, however, that any such Master-Planned Community Standards adopted by the Design Review Committee shall be consistent with the size, type and quality of existing Residences within the Property which have been classified as such Residential Product in a Declaration of Annexation or Supplemental Declaration. Attached hereto as Exhibit "D" are general sections of the Master-Planned Community Standards applicable to all Construction Activities. As each section of the Master-Planned Community Standards is adopted, it shall be recorded as a supplement to Exhibit "D" of this Master Declaration and become a part hereof upon such Recordation.

4.2.2 <u>Amendment</u>. Subject to the limitations set forth in this Section 4.2.2, the Master-Planned Community Standards may be amended by the Declarant, only, prior to Declarant's DRC Appointment Rights Termination Date, and thereafter by a twothirds (%) majority vote of all of the members of the Design Review Committee; provided, however, that any such amendment which materially changes the quality, size or character of any Residential Product shall not be effective until it is approved as an amendment to this Master Declaration in accordance with the provision of Section 13.2.2 hereof, and further provided that no such amendment shall affect any then existing Improvement constructed and approved in accordance with Article IV of this Declaration. Notwithstanding anything to the contrary set forth herein, Declarant shall have the unilateral right to amend the Master-Planned Community Standards at any time prior to the formation of the Design Review Committee.

4.2.3 <u>Purpose and Duties of Design Review Committee</u>. The Design Review Committee shall administer, interpret and enforce the Master-Planned Community Standards. The Design Review Committee shall conduct its activities in accordance with the procedures set forth in the Master Declaration and the Master-Planned Community

Standards, and may adopt such additional procedural rules which are reasonably necessary to carry out its functions.

4.2.4 <u>Interpretation</u>. In the event of any conflict between the Master-Planned Community Standards or any procedural rules adopted by the Design Review Committee and this Master Declaration, this Master Declaration shall prevail.

4.3 Organization of Design Review Committee: Scope of Review.

4.3.1 Members; Association's Architect; and Association's Landscape Consultant. The Design Review Committee shall consist of five (5) regular members and one alternate member. The alternate member shall serve as a Design Review Committee member only if a regular member is absent or becomes incapacitated. All of the regular members and the alternate member of the Design Review Committee shall be appointed by Declarant for so long as Declarant owns (i) any portion of the Property, or (ii) any portion of the Annexable Property and Declarant's Annexation Rights have not terminated. From and after the date on which such appointment rights of Declarant terminate (herein "Declarant's DRC Appointment Rights Termination Date"), the regular members and the alternate member of the Design Review Committee shall be appointed by the Board for terms not exceeding two years and shall serve at the pleasure of the Board. The members of the Design Review Committee appointed by Declarant need not be architects or Members of the Association and need not possess any special qualifications. The members of the Design Review Committee who are appointed by the Board must be Members of the Association, but need not be architects or possess any special qualifications. Any member of the Design Review Committee may be removed at any time without cause by the Person appointing such member as provided herein. The Association's Architect and the Association's Landscape Consultant shall serve as advisors to the Design Review Committee and shall be consulted on all Design Review Committee decisions.

4.3.2 <u>Notice of Appointment</u>. Whenever a Design Review Committee member is appointed or removed by Declarant, written notice to the Board of such appointment or removal shall be given by the Declarant.

4.3.3 <u>Scope of Review</u>. The Design Review Committee shall review and approve or disapprove all plans and specifications submitted to it for any proposed Improvements, any alteration or addition to, or demolition of, any Improvement, and any other Construction Activities on the basis of the considerations set forth in this Master Declaration, the Master-Planned Community Standards and similar considerations. None

of (i) the members of the Design Review Committee, (ii) the Association's Architect, or (iii) the Association's Landscape Consultant shall be responsible to any Owner for reviewing any plan or design from the standpoint of structural safety or conformance with building codes or other governmental requirements.

4.4 Construction Activities Defined; Exemptions.

4.4.1 <u>Review of Construction Activities</u>. Except as otherwise provided in Article XII of this Master Declaration and subsections (a) through (d), inclusive, of this Section 4.4.1, no construction, development, painting, alteration, grading, addition, excavation, modification, decoration, redecoration, reconstruction or demolition of an Improvement within the Property, or any other similar activity (collectively, "Construction Activities") shall be commenced or maintained by any Owner or Project Association until the plans and specifications therefor showing the nature, design, kind, scope, height, width, color, materials, location and other aspects of the same have been submitted to the Design Review Committee and approved in writing by the Design Review Committee.

a. <u>Declarant</u>. Declarant need not seek approval of the Design Review Committee with respect to any of its construction or development activities including, without limitation, any Construction Activity.

b. <u>Builders</u>. No Construction Activity of a Builder which has been approved by Declarant shall be subject to the provisions of this Article IV.

c. <u>Commercial Project Types</u>. Owners of Parcels improved or to be improved with Commercial Project Types shall obtain the approval of Declarant prior to engaging in any Construction Activity until Declarant's DRC Appointment Rights Termination Date. Thereafter, except as otherwise provided in subsection 4.4.1(d), below, all such Construction Activities shall be approved by the Design Review Committee.

d. <u>Reconstruction of Improvements Approved by Declarant</u>. In the event any Improvement which is constructed by Declarant or approved by Declarant pursuant to the provisions hereof within a Commercial Project Type is damaged or destroyed, then such Improvement may be reconstructed without the approval of the Design Review Committee, so long as such reconstructed Improvement is substantially similar to the damaged or destroyed Improvement or complies with the general

specifications for such type of development, if any, set forth in the Master-Planned Community Standards.

4.4.2 Professionals and Consultants. The Board shall hire a qualified Architect licensed in Nevada who is not an Owner and who holds no interest in any entity which is an Owner (the "Association's Architect") to advise the Design Review Committee on matters which come before it. The Board shall hire a qualified landscape consultant who is not an Owner and who holds no interest in an entity which is an Owner (the "Association's Landscape Consultant") to serve as an advisor to the Design Review Committee and the Board regarding the administration of such portions of the Master-Planned Community Standards which deal with landscaping and the proper care, husbandry and maintenance of all plantings and replantings within the Property which the Association is required to maintain in an aesthetically pleasing state consistent with the high standards of Queensridge. The Association's Architect and the Association's Landscape Consultant shall be present at every meeting of the Design Review Committee. Subject to the approval of the Board, the Design Review Committee shall have the right to engage such landscape architects, designers, planners and other professionals and consultants, including attorneys, if necessary (collectively, "Professionals"), as the Design Review Committee deems necessary or appropriate to enable the Design Review Committee to perform its duties under this Article IV.

4.4.3 Preparation and Submission of Plans and Specifications. All Plans and Specifications submitted to the Design Review Committee for the construction of any building or other structure shall be prepared by professionals licensed in the State of Nevada. Persons submitting proposals or plans and specifications to the Design Review Committee (such Person is referred to in this Section as "Applicant") must obtain a dated, written receipt for such plans and specifications and furnish the Design Review Committee with the address to which further communications from the Design Review Committee are to be directed. A reasonable fee to be established by the Design Review Committee to defray the costs to the Design Review Committee in reviewing the plans and specifications and performing its functions under this Master Declaration and the Master-Planned Community Standards, shall accompany such submission. In the event the Design Review Committee determines, in its sole discretion, that it will require the assistance of a Professional other than the Association's Architect or the Association's Landscape Consultant in performing its functions with respect to any submission, then after obtaining approval of the Board as provided above and after informing the Applicant of the reason for hiring the Professional and the amount of the fee of such Professional, the Design Review Committee may require that the Applicant pay an additional fee for the performance of such function in an amount, and upon payment terms, as may be

04\98462001\CCRS.14g May 20, 1996 -32-

agreed upon by the Professional and the Design Review Committee. The fee of the Professional shall be paid by the Applicant in full prior to the Design Review Committee's approval of the plans and specifications. All fees, bonds and other monetary reimbursement collected by the Design Review Committee pursuant to this Article IV shall be payable to the Association and immediately turned over to the Treasurer of the Association. All expenses incurred by the Design Review Committee shall be paid from funds deposited with the Association. The Design Review Committee may, but shall not be obligated to, further require that proposals or plans and specifications submitted by an Applicant first be reviewed and approved by the board of directors of any Project Association which administers the Project in which Construction Activity will take place. Conditions and requirements imposed by the Design Review Committee shall supersede any and all conflicting conditions or requirements which may be imposed by any Project Association. The Design Review Committee's determination of the existence of a conflict or discrepancy between the conditions or requirements imposed by the Design Review Committee and those imposed by a Project Association shall be binding and conclusive upon such Project Association and the Applicant submitting proposals or plans and specifications for any Construction Activity.

4.4.4 <u>Approval Criteria</u>. The Design Review Committee shall consider and act upon any and all plans and specifications submitted for its approval under this Master Declaration and perform such other duties as are specified in this Master Declaration, including the inspection of construction in progress to determine its conformance with plans approved by the Design Review Committee. The Design Review Committee shall approve plans and specifications submitted for its approval only if it deems that (i) the proposed Construction Activity is in conformance with the Master-Planned Community Standards, (ii) the proposed Construction Activity will not be detrimental to the appearance of the surrounding area or the Property as a whole, (iii) the appearance of any structure affected thereby will be in harmony with the surrounding structures, and (iv) the Construction Activity and the product thereof will not detract from the beauty, wholesomeness and attractiveness of the Common Areas or the enjoyment thereof by the Members; and (v) such additional criteria as are set forth in the Master-Planned Community Standards.

4.4.5 Obligations of Applicants. The Design Review Committee may condition its approval of proposals or plans and specifications for any Improvement (i) on the agreement by the Applicant submitting the same to furnish to the Design Review Committee Board a bond or other security acceptable to the Design Review Committee in an amount reasonably sufficient to (a) assure the completion of such Improvement or the availability of funds adequate to remedy any nuisance or unsightly conditions

occurring as a result of the partial completion of such Improvement, and (b) to protect the Association and the other Owners against mechanic's liens or other encumbrances which may be Recorded against their respective interests in the Property or from potential damage to the Association Property or any Common Area as a result of such work, (ii) or such changes therein as the Design Review Committee deems appropriate, and in connection therewith, require the submission of additional plans and specifications or other information prior to approving or disapproving materials submitted.

4.4.6 <u>Submittal Requirements</u>. All submittals to the Design Review Committee shall be in accordance with the requirements of the Master-Planned Community Standards. The Design Review Committee may require such additional detail in plans and specifications submitted for its review as it deems proper. Until receipt by the Design Review Committee of all required submittals, the Design Review committee may postpone review of any plan submitted. The decision of the Design Review committee or a request for further information and the reasons therefor shall be transmitted in writing by the Design Review Committee to the Applicant at the address furnished by the Applicant, within the time period specified. If no written approval or request for further information is so transmitted within the approval period set forth in the Master-Planned Community Standards, then the materials submitted shall be deemed approved by the Design Review Committee.

4.4.7 <u>Meetings</u>. The Design Review Committee shall meet from time to time as necessary to perform its duties hereunder. Except as set forth in this Article, the vote of a majority of the members of the Design Review Committee, or the written consent of a majority of the members of the Design Review Committee taken without a meeting, shall constitute an act of the Design Review Committee.

4.4.8 <u>No Waiver of Future Approvals</u>. The approval of the Design Review Committee of any proposals or plans and specifications or drawing for any Construction Activity done or proposed or in connection with any other matter requiring approval and consent of such Design Review Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters subsequently or additionally submitted for approval or consent.

4.4.9 <u>Correction of Defects</u>. Inspection of work and correction of defects therein shall proceed as follows:

000794 LO 00002604 RA 00777

Certificate of Compliance. The Design Review Committee a. or its duly appointed representative may at any time inspect any Improvement for which approval is required under this Article. However, the Design Review Committee's right of inspection and disapproval of Improvements for which plans have been submitted and approved shall terminate thirty (30) days after the work of Improvement has been completed and the Applicant has given written notice to the Design Review Committee of such completion ("Inspection Period"). The Design Review Committee's rights of inspection shall not terminate if plans for the work of Improvement have not previously been submitted to and approved in writing by the Design Review Committee. If the Design Review Committee or its duly appointed representative determines that the Improvement has been constructed in accordance with the approved plans and specifications, then it shall issue a Certificate of Compliance giving the address of the Lot or Parcel upon which the Improvement was constructed, a brief description of the plans and the date which such plans were approved and certifying that for purposes of this Article IV the Improvement was constructed in accordance with the approved plans and specifications. If, as a result of such inspection, the Design Review Committee Review Board finds that such Improvement was done without obtaining written approval of the plan therefor or was not done in substantial compliance with the plans approved by the Design Review Committee, the Design Review Committee shall notify the Applicant in writing of failure to comply with this Article IV within the Inspection Period, specifying the particulars of noncompliance ("Notice of Noncompliance"). The Design Review Committee shall have the authority to require the Applicant to take such action as may be necessary to remedy the noncompliance.

Failure to Remedy Noncompliance. If, upon the expiration b. of thirty (30) days from the date a Notice of Noncompliance is given to the Applicant, the Applicant has failed to remedy the noncompliance, the Design Review Committee shall notify, in writing, the Board of the Association of such failure. The Board of the Association shall convene a Hearing Panel in accordance with Section 5.2.9(g) to determine whether there is noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Applicant shall remedy or remove the same within a period of not more than sixty (60) days from the date that notice of the Board ruling is given to the Applicant. If the Applicant does not comply with the Board ruling within that period, the Board, at its option, may Record such ruling and may peacefully remedy the noncompliance, which remedy may include removal of any non-conforming Improvement, and the Applicant shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Applicant to the Association, the Board of the Association shall levy a Violation Assessment against such Applicant for reimbursement

-35-

000795 LO 00002605 RA 00778

of such expenses. The right of the Association to remedy the noncompliance shall be in addition to all other rights and remedies which the Association may have at law, in equity or in this Master Declaration, and may be exercised, in the Board's discretion, after a Violation Assessment has been levied and collected, provided that the Board follows the procedures set forth in Section 5.2.9(g)(5) to determine the amount of such Violation Assessment.

c. <u>Failure to Issue Notice of Noncompliance</u>. If the Design Review Committee fails, prior to the expiration of the Inspection Period, to either (i) issue a Certificate of Compliance, or (ii) give to the Applicant a Notice of Noncompliance in connection with previously submitted and approved plans, the Improvement shall be deemed to be constructed in accordance with such approved plans and a Certificate of Compliance shall be deemed to have been issued for all purposes.

d. <u>Prosecution of Work</u>. The Design Review Committee approval for any particular Construction Activity shall expire and the plans and specifications therefor shall be resubmitted for Design Review Committee approval pursuant to this Article IV if substantial work pursuant to the approved plans and specifications is not commenced within six (6) months of the Design Review Committee's approval of such Construction Activity. All Construction Activities shall be performed as promptly and diligently as possible.

4.4.10 Compliance with Master-Planned Community Standards; Variances. Except as otherwise expressly provided in this Master Declaration, all Improvements constructed within the Property and all Construction Activities therein shall comply with the Master-Planned Community Standards. The Design Review Committee may recommend to the Board variances ("Variances") from compliance with any of the Master-Planned Community Standards or any other architectural provisions of this Master Declaration, any Declaration of Annexation or Supplemental Declaration, including, without limitation, restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Variances must be approved by (i) the Board of the Association, (ii) the board of directors of any applicable Project Association, (which approvals described in clauses (i) and (ii) above shall be evidenced in writing, and signed and sworn to by at least two (2) officers of each such association certifying such approval) and (iii) by the Declarant until Declarant's DRC Appointment Rights Termination Date. Variances shall be granted in a writing in a proper form for Recording and shall become effective upon Recordation. If a Variance is granted, no violation of the covenants, conditions and restrictions contained in this

000796 LO 00002606 RA 00779

Master Declaration or any Declaration of Annexation or Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the Variance was granted. The granting of a Variance shall not operate to waive any of the terms and provisions of this Master Declaration or of any Declaration of Annexation or Supplemental Declaration for any purpose except as to the particular property and particular provision hereof covered by the Variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the use of his Lot or Parcel, including, but not limited to, zoning ordinances and setback lines or other requirements imposed by the City, County or other governmental authority.

4.4.11 <u>No Compensation</u>. The members of the Design Review Committee shall receive no compensation for services rendered.

Property unless it is (a) completely concealed so as not to be Visible From Neighboring Property, and (b) approved in writing in accordance with Article IV, of this Master Declaration. A master antenna or cable television antenna may, but need not, be provided by Declarant, and Declarant may grant easements for the installation and maintenance of any such master or cable television service. This Section 5.2.1 shall not apply to, nor restrict, master antennae, cable television antennae or head end system for any cable television system installed by Declarant or by a franchised or licensed cable television operator approved by Declarant, or to any other communications facilities installed by Declarant.

5.2.3 <u>Construction of Improvements</u>. Except for the Construction Activities of Declarant and as otherwise provided in Article XII and Section 4.4.1, hereof, no Improvements shall be made to any land within the Property nor any Construction Activities conducted thereon without the prior approval of the Design Review Committee as provided in Article IV hereof.

5.2.4 Drainage; Storm Drain System. There shall be no interference with the rain gutters, downspouts, or drainage or storm drain systems originally installed by Declarant or any other interference with the established drainage pattern over any portion of the Property, unless an adequate alternative provision, previously approved in writing by the Declarant and the Design Review Committee is made for proper drainage. For purposes hereof, "established" drainage is defined as the drainage pattern and drainage Improvements which exist at the time such portion of the Property is conveyed by Declarant or a Builder to an Owner, by the Declarant to the Association, or by Declarant or a Builder to a Project Association, or as modified in accordance with plans approved by the Declarant until Declarant's DRC Appointment Rights Termination Date or, thereafter, by the Design Review Committee. There shall be no violation of the drainage requirements of the City, County, U.S. Army Corps of Engineers, or State of Nevada Division of Environmental Protection, notwithstanding any such approval of Declarant or the Design Review Committee.

04\98462001\CCRS.14g May 20, 1996 -38-

designed to limit entry into any portion of the Property shall be erected, altered or maintained unless the cost thereof (including maintenance) is defrayed through a Special Benefits Area Assessment approved in accordance with the provisions of Section 8.8 hereof, and the construction of the Improvement is first approved as provided in Article IV hereof.

5.2.6 <u>Handicapped Rights</u>. Subject to the review and approval process of the Design Review Committee and applicable law, each Owner shall have the right to modify such Owner's Improvements and the route over the Parcel, Lot or Common Area (as applicable and necessary) leading to the entrance of such Owner's Improvements, at such Owner's sole cost and expense, in order to facilitate access by Persons who are blind, visually handicapped, deaf or physically disabled, to alter conditions which could be hazardous to such Persons, or to otherwise comply with the Americans with Disabilities Act.

5.2.7 <u>Lakes and Ponds</u>. Declarant may, but is not obligated to, construct ponds and lakes within the Common Areas. Unless otherwise designated for recreational use by Declarant in a Declaration of Annexation or Supplemental Declaration, such lakes and ponds are intended to provide visual enhancement to the park areas and other areas of the Property and are not to be used for swimming, snorkeling, sailing, canoeing, boating, wind surfing, fishing, scuba diving, water skiing, jet skiing or other recreational activities.

5.2.8 <u>Lake and Pond Water Use</u>. Except for Declarant, no Owner may draw or otherwise remove water from any lake or pond within the Common Area for any purpose whatsoever.

5.2.9 <u>Maintenance, Repair and Upkeep</u>. It is the intent of Declarant that all portions of the Property and the Improvements thereon be repaired, maintained, and replaced when necessary, by the Responsible Party in a manner consistent with the highest standards of quality and in accordance with the maintenance covenants set forth herein.

a. <u>Common Areas and Special Benefits Area Amenities</u>. Subject to the provisions of Section 3.2.5, maintenance of the Common Areas, and any and all Improvements thereon, and the Special Benefits Area Amenities shall be the obligation of the Association. The Association shall maintain all utility, water and sewer lines, equipment and other apparatus therein, unless such item of maintenance is the obligation of a utility company, the City or other governmental entity; provided,

however, that the maintenance of any such lines or equipment within any Perimeter Maintenance Easement Areas which serve a particular Unit or Units shall be the responsibility of the Owner(s) of the Unit(s) serviced by such lines or equipment.

b. Project Common Areas. Each of the Project Common Areas, including any walls or fences constructed on the boundaries of the Project Common Areas, shall be maintained by the Project Association having the responsibility therefor, and all Project Common Areas shall be maintained in accordance with the Applicable Declarations in a manner consistent with the high standards of the Queensridge community. All provisions of the Applicable Declarations dealing with the repair, upkeep, maintenance or replacement of the Project Common Areas shall be deemed to run in favor of the Declarant, the Association and all of the Owners. The Declarant, the Association in its own name and on its own behalf, or any Owner, shall have the right, power and authority to commence and maintain actions for damages, or to restrain and enjoin any actual or threatened breach of any such provision of the Applicable Declarations, to enforce by mandatory injunction, or otherwise, such provisions and to intervene in litigation, arbitration or administrative proceedings involving such provisions. The Court in any such action may award the successful party reasonable expenses in prosecuting such action, including reasonable attorneys' fees.

c. <u>Common Fences</u>.

(1) On Lot or Parcel Boundaries Other Than Boundaries of Custom Lots. Except for Common Fences on Custom Lot boundaries, (covered in subsection 5.2.9(c)(2) below) and Perimeter Walls (covered in subsection 5.2.9(d) below), each Owner or other Responsible Party shall be responsible for the maintenance, upkeep and repair that half of the Common Fence which faces such Responsible Party's Lot or Parcel. Except as otherwise provided in Section 5.2.9(c)(3), in the event the Common Fence has been damaged or destroyed, or has deteriorated over time, and such damage, destruction or deterioration has necessitated the rebuilding of the Common Fence, then the cost of demolition and reconstruction shall be shared equally by the Responsible Parties sharing the Common Boundary on which the Common Fence is located.

(2) <u>On Custom Lot Boundaries</u>. Except as otherwise provided in Subsection 5.2.9(c)(3), below, a Common Fence on a boundary of a Custom Lot shall be repaired, maintained, and reconstructed, if necessary, by the Owner which constructed the same, or such Owner's successor-in-interest (collectively, "Installing Owner"), which Installing Owner shall be deemed to be the Responsible Party, unless a

04\98462001\CCRS.149 May 20, 1996 -40-

written agreement which provides for the sharing of the cost of repairing, maintaining and reconstructing the Common Fence is executed by the Custom Lot Owners sharing a common boundary and Recorded, in which case the Owners of both Custom Lots shall be deemed to be the Responsible Parties. If no such agreement is Recorded, to the extent necessary to repair, maintain or reconstruct a Common Fence, the Owner ("Non-Participating Owner") of the Custom Lot sharing the common boundary with the Installing Owner shall be deemed to have granted the Installing Owner an easement over the Non-Participating Owner's Lot solely for, and limited to, necessary access to the Common Fence to repair, maintain, construct or reconstruct the same.

(3) <u>Owner Caused Damage</u>. Notwithstanding the foregoing, in the event that any Common Fence is damaged or destroyed through the act of an Owner or any of such Owner's tenants, agents, guests, or family members (whether or not such act is negligent or otherwise culpable), such Owner shall have the sole obligation to rebuild, reconstruct, repair or restore the Common Fence to its condition prior to the event causing such damage or destruction. No other Owner shall be required to share in such cost.

(4) <u>Disputes</u>. In the event of a dispute with respect to the repair, upkeep, maintenance or rebuilding of a Common Fence, with respect to the sharing of the cost thereof, or with respect to Owner caused damage as set forth in Section 5.2.9(c)(3) hereof, then any party to the dispute may submit the dispute to the Board, and in such event, the matter shall be handled as a Maintenance Violation in the manner provided in Section 5.2.9(g) hereof.

d. <u>Perimeter Walls</u>. The Association shall repair and maintain, and if it deems necessary, rebuild all Perimeter Walls.

e. <u>Parcels and Lots and the Improvements Thereon</u>. Each Responsible Party shall have the obligation to repair and maintain such Responsible Party's Parcel or Lot and the Improvements thereon, at such Responsible Party's sole cost and expense in accordance with the high standards of Queensridge. Such repair and maintenance responsibilities shall include, but are not limited to, the following: all plumbing, electrical and gas lines, equipment and facilities, all water and sewer lines and all other utility facilities serving the property to be maintained by the Responsible Party, all Improvements within such property, all exterior walls, windows, skylights and roofs, and all other Improvements on such property. Each Responsible Party shall keep all shrubs, trees, grass and plantings within such Responsible Party's Lot or Parcei neatly trimmed, properly watered and cultivated, and free from trash, weeds, debris and other

In the event that the Board fails to give a Maintenance Violation Notice to a Responsible Party who has defaulted in its maintenance obligation hereunder, then upon the filing with the Board of a meritorious written complaint (herein "Owner Complaint") executed by the Owners of any two (2) Units within the Property, the Board shall have the obligation to give such Maintenance Violation Notice.

(2) <u>Responsible Party's Right to File an Objection:</u> <u>Hearing Panel: Arbitration</u>. The Responsible Party to whom a Maintenance Violation Notice is given shall have the right to file a written objection thereto with the Secretary of the Association within ten (10) days after such Responsible Party is deemed to have received such Maintenance Violation Notice (pursuant to Section 13.5, below). In the event such an objection is filed, and within thirty (30) days after the objection is filed, the Board may elect either (i) to convene a Hearing Panel (defined below), or (ii) submit the matter to binding arbitration pursuant to the provisions of Chapter 38 of the Nevada Revised Statutes. By acceptance of his deed or other instrument of conveyance, each Owner shall be deemed to have agreed to binding arbitration pursuant to the provisions of NRS 38.300, et seq., or any successor statute, if such matter goes to arbitration.

(3) <u>Hearing Panel</u>. The Hearing Panel shall convene no later than thirty (30) days after its appointment for the purpose of conducting a hearing on the disputed Maintenance Violation. Notice of such hearing, and time and place thereof, shall be given to the Responsible Party to whom the Maintenance Violation Notice is given and any other Owners who have filed Owner Complaints at least five (5) business days prior to the date set for such hearing. The Hearing Panel shall give written notice of its decision to the Owner against whom the Maintenance Violation Notice was given as to whether or not a Maintenance Violation exists and the nature of such violation. Copies of such decision shall be mailed to all persons who filed an Owner Complaint. The decision of the Hearing Panel shall be nonbinding and appealable as set forth in NRS 38.300, et seq., or any successor statute. Appeals must be initiated within thirty (30) days after the Hearing Panel renders its decision. The notice period within which a Maintenance Violation must be cured shall be tolled from the date of filing such objection until the date the Hearing Panel notifies the Owner in writing of its decision and if an appeal is filed, during the pendency of the appeal.

(4) <u>Association's Right to Correct Maintenance</u> <u>Violation</u>. If a binding decision is rendered that a Maintenance Violation exists and the Responsible Party fails to correct a Maintenance Violation within the period specified in such decision, or, if no time is specified, within a reasonable time ("cure period"), then the Association, acting through the Board, shall have the right, but not the obligation, to correct the Maintenance Violation in accordance with the procedures set forth below.

Maintenance Violation,

(5) Procedure for Association's Correction of

(A) **Bids**. In the event the Association elects to correct a Maintenance Violation, then prior to commencement of work to correct the Maintenance Violation and promptly after the expiration of the cure period afforded a defaulting Responsible Party, the Board shall obtain three (3) written bids to perform the required work and shall mail the bids to the Responsible Party. The Responsible Party shall have the right to select the bid by notifying the Board in writing within fourteen (14) days after the bids are mailed by the Board to the Owner. In the event the Responsible Party fails to select a bid within such time period, the Board shall select the bid.

(B) <u>Violation Assessment</u>. When the bid has been selected as set forth in subsection (A), above, the Board shall levy a Violation Assessment pursuant to Section 8.7 hereof against the Responsible Party in the amount of the cost of

correcting the Maintenance Violation and the costs and expenses, including attorneys' fees, incurred by the Association incident thereto.

(C) <u>Performance of Corrective Work By</u> <u>Association</u>. The Board may, at its sole option and discretion, elect to cause the corrective work to be commenced promptly after the Violation Assessment has been levied against the Responsible Party, or elect to postpone the corrective work until after the amount of the Violation Assessment has been collected partially or in full. Neither the Association, the Board, nor any of the Association's agents, or employees shall be liable for any damage which may result from any work performed by the Association to cure a Maintenance Violation.

h. <u>Association's Right of Entry for Repair and Maintenance</u>. Each Responsible Party hereby grants to the Association, and its duly authorized agents, representatives, employees and contractors, the right of entry onto such Responsible Party's Parcel or Lot (including within any Dwelling Unit or other Improvement thereon) or Project Common Area, which right shall be irrevocable, to make such repairs and perform such maintenance work which the Association is required or entitled to do pursuant to the provisions of this Master Declaration. Except as provided hereinbelow with respect to emergencies, such right of entry shall be exercised only during reasonable hours and after reasonable notice.

Emergencies. In the event any officer of the Association i. believes, in his or her sole reasonable discretion, that an emergency situation exists within a Lot or Parcel (including within any Dwelling Unit or other Improvement thereon) or within any Project Common Area and that immediate repairs are necessary to prevent or mitigate damages, then such officer, the Manager or the Manager's authorized agent shall have the right to exercise the Association's right of entry without notice. If after gaining entry, any officer of the Association still believes in his or her sole reasonable discretion, that immediate repairs are necessary to prevent or mitigate damages, then the Association shall have the right to make such repairs without notice to the Responsible Party and without a hearing, and without obtaining competitive bids as provided in subsection 5.2.9(g)(5)(A), above. The Association shall levy a Violation Assessment against the Responsible Party in the amount of the cost of the corrective work and all costs and expenses, including attorneys' fees, incurred by the Association incident thereto. Neither the Association, the Board, nor any of the Association's agents or employees, nor any person hired by the Association to perform the corrective work, shall be liable for any damage which may result from any work so performed on behalf of the Association.

Procedure for Establishing Annual Assessments. 8.4.3 The Annual Assessment period shall coincide with the fiscal year of the Association, which shall commence on January 1 of each year and shall terminate on December 31 of such year. Annual Assessments shall be payable, in advance, in equal quarterly installments payable on the first (1st) day of each fiscal quarter unless the Board adopts some other basis for collection. However, the initial Annual Assessment period for the first Phase of the Property described in Exhibit "A" to this Master Declaration shall be prorated based on the remaining number of days within the calendar quarter (or other applicable installment period) in which the Annual Assessments commence pursuant to Section 8.4.2 hereof. Not less than ninety (90) days before the beginning of each fiscal year of the Association, the Board shall meet for the purpose of preparing the proposed Budget of the Common Expenses for the next succeeding fiscal year and establishing the Annual Assessment for such fiscal year. Within thirty (30) days after adoption of the proposed Budget by the Board for such fiscal year, the Board shall provide a summary of the Budget to all Owners, and shall set a date for a meeting of the Members to consider ratification of the Budget, which date shall be not less than twenty-one (21) nor more than sixty (60) days after mailing of the summary. Such meeting of the Members may be one of the semi-annual meetings of the Members or a special meeting of the Members called for such purpose. Unless at the meeting of the Members described in this Section 8.4.3 at least sixty-seven percent (67%) of the voting power of the Association votes to reject the proposed Budget, the Budget shall be deemed ratified by the Members, whether or not a quorum is present at such meeting. If the proposed Budget is so rejected, the Budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent Budget proposed by the Board in the manner provided in this Section 8.4.3.

8.4.4 <u>Emergency Situations</u>. Notwithstanding any other provision contained in this Section 8.4, the Board may increase the Annual Assessments as necessary for emergency situations. For purposes of this Section, an emergency situation is any one (1) of the following:

(a) Extraordinary expense required by an order of a court;

(b) An extraordinary expense necessary to repair or maintain Property or any portion thereof for which the Association is responsible, where a threat to personal safety on the Property is discovered; or

(c) An extraordinary expense necessary to repair or maintain the Property or any portion thereof for which the Association is responsible, that could not

have been reasonably foreseen by the governing body in preparing and distributing the proposed Budget.

Prior to the imposition or collection of an increase to the Annual Assessment under this Section 8.4.4, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process, and the resolution shall be distributed to the Members with the notice of the emergency assessment.

8.4.5 Expenditure of Reserves.

a. The Board shall not expend funds designated as Reserves for any purpose other than:

(i) The repair, restoration, replacement or maintenance of major components for which the Association is obligated and for which the Reserve Account in question was established, or

requirements or other expenses:

Notwithstanding the provisions of Section 8,4.5(a)(i) and (ii),

(i) May authorize the temporary transfer of money from the Reserve Account to the Association's operating account to meet short term cash flow

(ii) Shall cause the transferred funds described in 8.4.5(b)(i), above, to be restored to the Reserve Account within three (3) years of the date of the initial transfer; however, the Board may, upon making a documented finding that a delay of restoration of the funds to the Reserve Account would be in the best interests of the Property, delay the restoration until such time it reasonably determines to be necessary; and

(iii) Shall exercise prudent fiscal management in delaying restoration of the transferred funds to the Reserve Account and shall, if necessary, levy a Special Assessment to recover the full amount of the expended funds within the time

000834 LO 00002644 RA 00817

limits specified in 8.4.5(b)(ii), above. Any such Special Assessment shall not be subject to the limitations specified in Section 8.5, below.

Special Assessments. If the Board determines that the estimated total 8.5 amount of funds necessary to defray the Common Expenses for a given fiscal year is or will become inadequate to meet the Common Expenses for any reason, including, but not limited to, shortfalls caused by delinquencies in the payment of Assessments, the annexation of Additional Common Area, or insufficient reserves to perform the Association's obligations under this Master Declaration, or extraordinary legal expenses, then the Board shall determine the approximate amount of such shortfall, shall provide a summary thereof to all of the Members with the Board's recommendation for a Special Assessment to meet such shortfall, and shall set a date for a meeting of the Members which is not less than twenty-one (21) nor more than sixty (60) days after the mailing of the summary. If the amount of the proposed Special Assessment does not exceed five percent (5%) of the Budgeted gross expenses of the Association for the current fiscal year, and, unless at such meeting a majority of the voting power of the Association votes to reject the proposed Special Assessment, the proposed Special Assessment shall be deemed ratified by the Members, whether or not a quorum is present at such meeting, and shall become a Special Assessment to the Owners of the Units. If the proposed Special Assessment exceeds five percent (5%) of the budgeted gross expenses of the Association for the current fiscal year, then such Special Assessment must be approved by the vote or written assent of a majority of a quorum of the Members constituting at least fifty percent (50%) of the voting power of the Association. The Board may, in its discretion, provide for payment of any Special Assessment in any number of installments or provide that it is payable in one (1) installment within such time period as the Board deems reasonable. Each Special Assessment shall be allocated among the Units in the same manner as the Annual Assessment is allocated.

8.6 Capital Improvement Assessments.

8.6.1 <u>Association's Power to Levy: Definition</u>. The Association shall have the power to levy assessments for Capital Improvements ("Capital Improvement Assessments") on the terms and conditions set forth below. As used herein "Capital Improvement" means (i) any Improvement upon the Common Area which is not a repair or replacement of an existing Improvement, or (ii) any expenditure relating to the Common Area which is outside the ordinary course of business of the Association.

8.6.2 <u>Petition: Association Approval.</u>

a. Owners of three (3) or more of the Units may petition the Association for the construction, installation, or acquisition of, or expenditure for, a Capital Improvement. Such petition shall be in writing and be in such form and shall contain such information as the Board may reasonably require. The Board may, on its own motion, move for the construction, installation, or acquisition of, or expenditure for, a Capital Improvement, in which case such motion shall be treated as if it were a petition duly submitted by Owners of three (3) or more of the Units.

b. Upon receipt of a petition for a proposed Capital Improvement or if the Board desires to propose a Capital Improvement, the Board shall obtain three (3) estimates from licensed contractors for the construction of the Capital Improvement.

c. The Board shall submit the Capital Improvement proposal to a vote of the Members at any semi-annual meeting of the Members, or a special meeting called for such purpose, or by written ballot. The Capital Improvement Assessment shall be deemed approved upon the affirmative vote of (i) non-Declarant Members entitled to exercise a majority of the voting power of the Association, and (ii) the Declarant, until the Declarant's Rights Termination Date.

8.6.3 <u>Levy of Capital Improvement Assessments</u>. Capital Improvement Assessments shall be allocated among the Units in the same manner as the Annual Assessments are allocated. A Capital Improvement Assessment shall be paid in such installments and during such period or periods as shall be voted upon by the Members at the time such Assessment is approved. If no terms of payment are specified by such vote of the Membership, then the Capital Improvement Assessment shall be due and payable upon terms set by the Board.

8.6.4 <u>Expenditure for Capital Improvement</u>. After the levy of the Capital Improvement Assessment and the collection of the entire Capital Improvement Assessment, or a sufficient portion thereof as the Board deems prudent, then the Board shall cause the Capital Improvement to be constructed, installed, or acquired, or shall contract for the extraordinary expenditure constituting the Capital Improvement.

8.6.5 <u>Deficiency in Capital Improvement Assessment</u>. If at any time and from time to time a Capital Improvement Assessment proves or appears likely to be inadequate for any reason, including nonpayment of any Owner's share thereof, the Board may, subject to the limitations set forth in this Section 8.6.5, increase the Capital

Improvement Assessment by the amount of such actual or estimated inadequacy, which shall be levied against the Owners in the same proportion as the initial Capital Improvement Assessment was allocated. If such additional Capital Improvement Assessment is in excess of five percent (5%) of the original Capital Improvement Assessment, the affirmative vote or written consent of the Members as provided in Section 8.6.2(c), above, (for the initial Capital Improvement Assessment) shall be required for any such increased Capital Improvement Assessment.

8.7 <u>Violation Assessments</u>. Subject to the provisions of Section 5.2.9(g) hereof, the Board shall have the power to levy Violation Assessments against Owners or Responsible Parties as authorized by this Declaration or to collect reasonable fines imposed by the Rules and Regulations. The Board shall levy a Violation Assessment against the Owners of a Unit ("Violation Assessment") to pay for the cost of curing any Maintenance Violation of such Owners and/or any other work performed by the Association for such Owners' account pursuant to the provisions of this Master Declaration, and any costs or expenses incident thereto, including, but not limited to, attorneys' fees and court costs.

8.8 Special Benefits Area Assessments.

8.8.1 <u>Purpose</u>. The purpose of a Special Benefits Area Assessment is to provide for the payment of (a) the expenses of repair, maintenance, upkeep and replacement of any Special Benefits Area Amenities; (b) the expenses of special services provided by the Association to the Units within the Special Benefits Area and not to the Owners as a whole, including special maintenance of the Owners' Lots or any Improvements thereon; and (c) the extra bookkeeping and accounting expenses created by the Special Benefits Area.

8.8.2 <u>Special Benefits Budget</u>. Each Special Benefits Budget (defined below) shall be ratified by the Members owning Units within the Special Benefits Area in the manner provided in Section 8.8.4, below, and shall include estimated expenditures for the following purposes: (i) to operate, manage, maintain, replace, rebuild and repair the Special Benefits Area Amenities to defray the cost of services provided by the Association exclusively to Owners within one or more Special Benefits Areas, (ii) to provide for reasonable reserves consistent with sound business practice and for such other purposes as are consistent with good business practice; (iii) to provide for the possibility that some Special Benefits Area Assessments may not be paid on a current basis; and (iv) to provide for the payment of

any additional fees of the Manager and the fees of other Professionals hired by the Board relating exclusively to such one or more Special Benefits Areas. Without limiting the generality of the foregoing, such estimated expenditures shall include: all charges, costs, and expenses whatsoever incurred by the Association for or in connection with the administration of the Special Benefits Area, including, but not limited to, any taxes and assessments assessed against the Special Benefits Area Amenities for which the Association is responsible, insurance premiums, including fire and other casualty insurance, liability insurance, workman's compensation insurance, and other insurance obtained for the Special Benefits Area Amenities or Special Benefits Area services. payment of any liability of the Association whatsoever for loss or damage arising out of or in connection with the Special Benefits Area Amenities or Special Benefits Area services or any fire, accident, or nuisance occurring within the Special Benefits Area Amenities or in connection with Special Benefits Area services; the cost of all utility services to the Special Benefits Area Amenities, including water, electricity, refuse removal, landscape maintenance services, and any other similar service attributable thereto; the unpaid share of any Special Benefits Area Assessments levied during the previous fiscal year against Owners who have defaulted in payment thereof, to the extent that the same becomes uncollectible; cleaning, janitorial and landscape care fees, and other necessary expenses of upkeep, maintenance, management and operation incurred with respect to the Special Benefits Area Amenities.

8.8.3 <u>Allocation of Special Benefits Area Assessments</u>. Each of the Special Benefits Area Assessments shall be levied against the Owners, jointly and severally, of each of the Units within the applicable Special Benefits Area in accordance with the number of Assessment Units assigned to such Unit in relation to the total number of Assessment Units attributable to the Units within such Special Benefits Area.

8.8.4 <u>Procedure for Establishing Special Benefits Area</u> <u>Assessments.</u> At such time as the Board meets for the purpose of preparing the proposed Budget of the Common Expenses for the next succeeding fiscal year, the Board shall also establish a budget for the expenses of each Special Benefits Area within the Property ("Special Benefits Budget"). Within thirty (30) days after adoption by the Board of the proposed Special Benefits Budgets for each Special Benefits Area, the Board shall provide a summary of the applicable proposed Special Benefits Budget to all Owners within the Special Benefits Area and the ratification of the Special Benefits Budget shall be considered by the Owners within the Special Benefits Area as a Special Benefits Ballot Question at the same meeting of the Members as the Budget for the Common Expenses is considered for ratification. Unless at such meeting at least sixty-seven percent (67%) of the voting power of the Members within the Special Benefits Area votes to reject the

proposed Special Benefits Budget, such Special Benefits Budget shall be deemed ratified by such Owners, whether or not a quorum of such Owners is present at such meeting. If any proposed Special Benefits Budget is so rejected, the Special Benefits Budget last ratified by the Owners within the Special Benefits Area shall be continued until such time as the next budget proposed by the Board is submitted to the Owners within the Special Benefits Area in the manner provided in this Section 8.8.4.

Increased Services or Additional Improvements Within a 8.8.5 Special Benefits Area. Any additional or increased services for a Special Benefits Area which were not initially provided for in the Declaration(s) of Annexation or Supplemental Declaration(s) for such Special Benefits Area and any additional Capital Improvement(s) to the Limited Common Elements which are Special Benefits Area Amenities, shall not be authorized unless all of the following occur: (i) a majority of the Members of the Special Benefits Area Committee for the Special Benefits Area recommends such additional or increased services or such Capital Improvement; (ii) such Special Benefits Area Committee has directed the Manager to obtain at least three (3) bids for such service or Capital Improvement; (iii) the matter is placed on the agenda of a regular semi-annual meeting of the Members as a Special Benefits Ballot Question and information pertaining to the cost of such service or Capital Improvement is mailed to the Owners of all Units within the Special Benefits Area in the manner provided in Section 13.5 hereof; (iv) Members entitled to exercise not less than sixty-seven percent (67%) of the voting power within such Special Benefits Area, excluding Declarant, approves such service or Capital Improvement; and (v) Declarant has given its written approval of the Capital Improvement, or service, unless Declarant's Rights Termination Date has occurred.

8.8.6 <u>Applicability of Other Sections</u>. The provisions of Sections 8.9, 8.10, and 8.11 shall apply to Special Benefits Area Assessments.

8.9 Notices of Assessments: Delinquencies. All Assessment notices shall be in writing and shall be given in the manner specified in Section 13.5, hereof. The Association shall give written notice of the Annual Assessments, any Special Assessments and any Capital Improvement Assessments to the Owners of the Units within the Property, which notice shall specify the amount of the Assessment and the date or dates payment of the same is due. Nothing contained herein shall be construed so as to require the Association to give periodic notices of the same Assessment. One notice of an Assessment shall be sufficient to meet the requirements of this Section, even though the Assessment may be payable in installments. Failure of the Association to give notice of any Assessment shall not affect the liability of the Owners of the Unit for such Assessment; provided, however, that the date when payment of the first installment of

04\98462001\CCRS.14g May 20, 1996 -79-

000839 LO 00002649 RA 00822

such Assessment shall become due in such a case shall be deferred to a date fifteen (15) days after such notice shall have been given, and the first installment of such Assessment shall not be deemed delinquent until fifteen (15) days after such deferred due date. Any Assessment installment hereunder which is not paid within fifteen (15) days following the date it is due as specified in the notice of such Assessment shall be deemed delinquent. All delinquent Assessments shall bear interest at the rate of twelve percent (12%) per annum from the date the Assessment becomes delinquent hereunder until paid, and, in addition, a late charge equal to ten percent (10%) of each delinquent installment shall be due for each delinquent installment.

8.10 Statement of Account. Upon payment of a reasonable fee and upon written request of any Owner or any Mortgagee, prospective Mortgagee, or prospective purchaser of a Unit, the Association shall issue a written statement setting forth the amount of the unpaid Assessments, if any, with respect to such Unit, the amount of the current periodic assessment, and the date that such assessment becomes or became due, and if there is any credit for advance payments. Such statement shall be conclusive upon the Association in favor of persons who rely thereon in good faith. Unless such request for a statement of account shall be complied with within ten (10) business days following receipt of the written request and fee, all unpaid assessments which became due prior to the date of making such request shall be subordinate to the lien of a Mortgagee which acquired its interest subsequent to requesting such statement.

8.11 Collection of Assessments.

8.11.1 Judicial and Non-Judicial Remedies. The right to collect and enforce Assessments is vested in the Board acting for and on behalf of the Association. The Board or its authorized representative, including the Manager, can enforce the obligations of the Owners to pay Assessments provided for in this Master Declaration by commencement and maintenance of a suit to recover a money judgement, or can enforce its lien rights by judicial proceedings or through the exercise of the power of sale granted to the Board pursuant to applicable statutes and laws and Section 8.11.3, below. Suit to recover a money judgment against an Owner for unpaid assessments together with all other amounts due hereunder shall be maintainable without first foreclosing against the Unit which is subject to the lien for such Assessment or waiving the lien rights granted to the Association hereby.

8.11.2 <u>Liens for Assessments: Priority and Duration</u>. All sums assessed to an Owner pursuant to this Master Declaration, together with interest thereon as provided herein, shall be secured by a lien on such Owner's Unit in favor of the

04\98462001\CCRS.14g May 20, 1996 -80-

Association from the date the Assessment becomes due. Such lien shall be prior to all other liens and encumbrances on such Unit, except for: (a) valid tax and special assessment liens in favor of any governmental assessing authority; (b) liens and encumbrances recorded before the recordation of this Master Declaration; and (c) except as otherwise provided in NRS 116.3116, or any successor statute, a First Mortgage recorded before the date on which the Assessment sought to be enforced became delinquent. NRS 116.3116 provides that the lien created by this Master Declaration for unpaid Annual Assessments is prior to a First Mortgage to the extent of the amount of such Annual Assessment which would have become due during the six (6) month period immediately preceding institution of an action to enforce the lien. The provisions of this Section 8.11.2 shall not affect the priority of mechanics' or materialmen's liens under applicable law. Recording of the Master Declaration constitutes record notice and perfection of the lien. A lien for unpaid Assessments is extinguished unless proceedings to enforce the lien are instituted within three (3) years after the full amount of the Assessments becomes due.

8.11.3 Enforcement of Lien.

a. <u>Notice of Delinquent Assessment and Notice of Default</u>. The Association may foreclose its lien by sale pursuant to NRS Chapter 116 after:

(i) The Association has caused to be recorded with the County Recorder of the county in which the Unit or any part thereof is situated ("the County Recorder"), a notice of delinquent assessment (herein "Notice of Delinquent Assessment"), executed by an authorized representative of the Manager which states the amount of the Assessment which is due together with all interest and late charges thereon in accordance with the provisions of this Master Declaration, a description of the Unit against which the lien is imposed, and the name of the Owner of Record of the Unit; and

(ii) The Association or other Person conducting the sale has executed and caused to be recorded with the County Recorder, a notice of default and election to sell the Unit to satisfy the lien ("Notice of Default"), which shall contain the same information as the Notice of Delinquent Assessment, but which shall also describe the deficiency in payment and the name and address of the person authorized by the Association to enforce the lien by sale; and

(iii) The Owners of the Unit or their successors in interest have failed to pay the amount of the lien, including interest and late charges, and costs, fees

and expenses incident to its enforcement for a period of sixty (60) days which commences on the first day following the later of:

(1) The day on which the Notice of Default is so

recorded; or

(2) The day on which a copy of the Notice of Default is mailed by certified or registered mail, return receipt requested, to the Owners of the Unit, or their successors in interest, at their address if known, or otherwise to the address of the Unit.

b. Notice of Sale. Any encumbrancer holding a lien on a Unit may, but shall not be required to, pay any amounts secured by a lien for unpaid assessments, and upon such payment, such encumbrancer shall be subrogated to all rights of the Association with respect to such lien, including rights of priority.

ARTICLE IX

INSURANCE

9.1 <u>General Provisions Relating to Insurance to be Obtained</u>. All insurance obtained by the Association shall be provided by companies duly authorized to do business in Nevada which have and maintain a rating of A-/VIII, or above, in the Best's Insurance Reports, or the equivalent. If the insurance coverage described in Sections 9.2 or 9.3 is not reasonably available, the Board shall promptly cause notice of that fact to be given to all Owners, Eligible Mortgage Holders and Eligible Insurers in the manner provided in Section 13.5, hereof. The insurance policies described in Sections 9.2 and 9.3, hereof must provide, to the extent reasonably available, that:

a. Each Owner is an insured Person under the policy with respect to liability arising out of such Owner's membership in the Association;

b. The insurer waives its right to subrogation under the policy against each Owner or member of such Owner's household;

c. No act or omission by any Owner, unless acting within the scope of such Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy; and

d. If, at the time of a loss under the policy, there is other insurance in the name of any Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

All insurers which issue insurance policies under Sections 9.2 or 9.3, hereof, shall issue certificates of insurance to the Association and, upon written request, to any Owner or holder of a Mortgage or other security interest. The insurer issuing such policies may

not cancel or refuse to renew the same until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed, in the manner provided in Section 13.5 hereof, to the Association, each Owner and each holder of a Mortgage or other security interest to whom a certificate of insurance has been issued, at their respective last known addresses.

At such time as the Board deems reasonable, and in no event later than the Declarant's Control Termination Date, the Association shall obtain and maintain in full force and effect the insurance coverage described in Sections 9.5 and 9.6 hereof, to the extent reasonably available.

The Association may obtain and maintain in full force to the extent reasonably available the insurance coverage described in Sections 9.4 and 9.7 of this Article to the extent the Board deems advisable in accordance with sound business practice.

Every policy of insurance obtained by the Association shall contain an express waiver, if reasonably available, of any and all rights subrogation against Declarant, Declarant's project managers, the Board, the Design Review Committee, and their respective representatives, members and employees.

9.2 Casualty Insurance. Commencing not later than the date of the first conveyance of a Unit to a Person other than Declarant, a Successor Declarant or a Builder, the Association shall obtain and maintain in force, to the extent reasonably available, insurance against all risks of direct physical loss commonly insured against on all insurable Improvements upon the Common Area and any other Improvements under the control of the Association and any equipment and fixtures within such Improvements, on all Special Benefits Area Amenities and on all Association Property which is personal property in an amount, after application of any deductibles, equal to one hundred percent (100%) of current "replacement cost", exclusive of land, excavations, foundations and other items normally excluded from coverage. Such insurance shall include fire and extended coverage, vandalism, and malicious mischief, and such other risks and hazards against which the Association shall deem appropriate to provide insurance protection. The Association may elect such "deductible" provisions as in the Board's opinion are consistent with good business practice, provided that in no event shall such deductible be in an amount greater than the lesser of (i) \$10,000.00, or (ii) one percent (1%) of the face amount of such policy.

Public Liability and Property Damage Insurance. Commencing not later 9.3 than the date of the first conveyance of a Unit to a Person other than Declarant, a Successor Declarant or a Builder, the Association shall obtain and maintain in force, to the extent reasonably available, broad form comprehensive liability coverage, including insurance for medical payments, in such amounts and in such forms as the Board deems advisable to provide adequate protection; provided, however, that the limits of liability on such insurance shall be no less than \$1,000,000.00 for injury or death to any one (1) person, no less than \$3,000.000.00 for injury or death to more than one (1) person in one (1) occurrence and no less than \$500,000.00 for damage to property. Coverage shall include, without limitation, all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership or maintenance of the Association Property and the Common Area and coverage for operation of automobiles on behalf of the Association. The liability insurance shall name as separately protected insured Persons, the Declarant, the Manager, the Association, the Board, the Design Review Committee, and each of their respective representatives, agents, members, and employees. From and after Declarant's Rights Termination Date, such insurance provisions regarding Declarant shall not apply. In the event such public liability insurance and property damage insurance is insufficient to cover the liability of the insured thereunder, then such shortfall shall be deemed to be part of the Common Expenses, the Association shall levy a Special Assessment against the Owners in the manner provided in Section 8.5, hereof, to cover such shortfall and the limitations set forth in Section 8.5 shall not be applicable to such Special Assessment. Such Special Assessment shall be allocated and collected as provided in Article VIII, hereof.

9.4 <u>Workman's Compensation and Employer's Liability Insurance</u>. The Board shall obtain a certificate from all persons or companies hired by the Association certifying that such person or company is covered under the State of Nevada industrial insurance system or by workmen's compensation insurance in the amounts and in the forms required by law. The Association may carry such employer's liability insurance as is customary for homeowner's associations within the State of Nevada having similar responsibilities.

9.5 Fidelity Insurance. At such time as the Board deems reasonable, but in no event later than Declarant's Control Termination Date, the Association shall obtain and maintain insurance covering officers and employees of the Association and employees of the Manager, whether or not any such persons are compensated for their services, against dishonest acts on their part, or in lieu thereof, a fidelity bond, naming the Association as obligee, written in an amount equal to at least the estimated maximum of funds, including reserves in the custody of the Association or the Manager at any give time during the

term of the fidelity bond; provided, however, that the bond shall not be less than a sum equal to three (3) months installments of the Annual Assessments on all Units.

9.6 <u>Errors and Omissions Insurance</u>. At such times as the Board deems reasonable, and in no event later than Declarant's Control Termination Date, the Association shall obtain and maintain, in such amounts and in such form as the Board deems appropriate, errors and omissions insurance covering the members of the Board, the Manager and the officers of the Association.

9.7 Other Insurance. The Association may obtain insurance against such other risks, of a similar or dissimilar nature, as the Board shall deem appropriate with respect to the Property. The Association shall obtain such other insurance as required by law. The Association shall obtain such insurance as required by FNMA, FHLMC, VA, FHA and the United States Department of Housing and Urban Development ("HUD"), if the Property has been, or is intended to be, qualified with such entities.

9.8 <u>Coverage Review</u>. The Board shall review the coverage of all insurance policies of the Association at least once a year and obtain such additional coverage as the Board deems prudent.

9.9 Adjustment of Claims. Any loss covered by the policies described in Sections 9.2 or 9.3, hereof, shall be adjusted with the Association, but the proceeds for that loss shall be payable to either a trustee designated for that purpose, or otherwise to the Association, and not to any holder of a Mortgage or other security interest. Such trustee or the Association shall hold any such proceeds in trust for the Association, the Owners, Mortgagees and other lien holders as their interests may appear of Record. Subject to the provisions of Section 10.1, below, and NRS 116.31135, such proceeds must be disbursed first for the repair or restoration of the damaged property, and the Association, Owners, Mortgagees, and other lien holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored, or the common-interest community created by this Declaration is terminated in accordance with statute and the provisions of this Master Declaration.

9.10 <u>Owner's Insurance Responsibilities</u>. The following insurance coverages shall be the responsibility of each Owner unless a Project Association governing such Owner's Unit is required to maintain such insurance pursuant to a Declaration of Annexation or a Supplemental Declaration: insurance on all Improvements within such Owner's Lot, Parcel or Condominium Unit; insurance on items of personal property

within such Owner's Lot, Parcel or Condominium Unit; insurance for casualty and public liability coverage within each Lot, Parcel or Condominium Unit; and insurance coverage for activities of the Owner, not acting for the Association, with respect to the Common Areas and Special Benefits Area Amenities. Notwithstanding any other provisions herein, the Association shall continuously maintain in effect for Units owned by the Association such casualty, flood, and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for planned unit developments ("PUD") projects established by FNMA and/or FHLMA, as applicable, so long as the Association is the owner of such Unit, except to the extent such coverage is not available or has been waived in writing or is not required by FNMA or FHLMC, as the case may be.

9.11 Flood Hazard Disclosure and Disclaimer; Flood Insurance. It is acknowledged by each Owner and prospective purchaser that the Clark County area is subject to flash flooding over which Declarant and the Association have no control. Declarant, the Association and the Design Review Committee hereby disclaim any obligation to insure or guarantee any Owner against flooding in the Property. This disclosure is meant to place the general public and any prospective purchaser on notice that Declarant and the Association have no duty, express or implied, to investigate the flood plains, the likelihood of flooding, nor to take any corrective actions to prevent the potential loss from this threatened harm. Each Owner is responsible for the design of the Improvements on such Owner's Lot or Parcel in a manner which will best protect such Improvements from loss by natural causes. No Owner or other Responsible Party shall alter the shape, design or elevation of such Owner's Lot or Parcel in a fashion which would result in harm to other Owners or an increased potential for flood loss to other Owners' Lots or Parcels or the Improvements thereon. Each Owner, with respect to such Owner's Lot or Parcel, the Association with respect to Common Areas and Special Benefits Area Amenities, and each Project Association with respect to the Project Common Area maintained by such Project Association, shall bear the responsibility for procuring and maintaining at its own expense, any policies of flood insurance with appropriate coverage. Declarant shall have no duty or responsibility for the maintenance of flood insurance, nor for the payment of any premium for policies of flood insurance on behalf of any Owner or the Association.

ARTICLE X

DAMAGE, DESTRUCTION, OR CONDEMNATION

10.1 <u>Duty and Authority to Rebuild</u>. Any portion of the Common Area which is damaged or destroyed must be repaired or replaced promptly by the Association unless:

a. The common-interest community created by this Declaration is terminated, in which case NRS Sections 116.2118, 116.21183 and 116.21185 and Sections 13.1.2 of this Master Declaration apply; or

b. Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety; or

c. Members entitled to exercise eighty percent (80%) of the voting power of the Association elect not to rebuild by vote or written consent.

Any portion of the damaged or destroyed property which is a Special Benefits Area Amenity, must be repaired or replaced promptly by the Association unless (i) the provisions of subsections (a) or (b) of this Section 10.1 apply or (ii) the Owners of the Units representing eighty percent (80%) of the Units within the Special Benefits Area vote not to rebuild.

The Association's duties under this Section 10.1 shall be exercised in accordance with the provisions of this Master Declaration and applicable law.

10.2 Estimate of Costs: Design Review Committee Approval. As soon as practicable after an event causing damage to, or destruction of, any Improvements to the Common Area or Special Benefits Area Amenities, the Association shall obtain estimates that it deems reliable and complete of the costs of repair or reconstruction of the damaged or destroyed property. No reconstruction or repair of damaged or destroyed Common Area Improvements or Special Benefits Area Amenities shall commence until the requirements of Article IV of this Master Declaration have been satisfied.

10.3 <u>Funds for Reconstruction</u>. The proceeds of any insurance shall be collected by and available to the Association for the purpose of repair or reconstruction of the Common Area Improvements or the Special Benefits Area Amenities, as the case may be. If the damaged or destroyed Improvements are Common Area Improvements, and proceeds of the insurance plus the amount of the Reserves, if any, budgeted for such

04\98462001\CCRS.14g May 20, 1996 -88-

000848 LO 00002658 RA 00831

damaged or destroyed Improvements are insufficient to pay the estimated or actual cost of such repair or reconstruction, then the Board shall levy a Special Assessment under Section 8.5, hereof, which is sufficient to cover the shortfall. If the damaged or destroyed Improvements are Special Benefits Area Amenities, and the proceeds of the insurance plus the amount of the Reserves, if any, budgeted for such Special Benefits Area Amenity are insufficient to pay the estimated or actual cost of such repair or reconstruction, then the Board shall levy a Special Benefits Area Assessment under Section 8.8, hereof, which shall be in an amount which is sufficient to cover the shortfall. No Member approval shall be required for Assessments made pursuant to this Section 10.3.

10.4 <u>Repair or Reconstruction</u>. Except as otherwise provided herein, as soon as practicable after receiving the estimates, the Board shall diligently pursue to complete the repair or reconstruction of the damaged or destroyed Common Area Improvements or Special Benefits Area Amenities. The Association may take all necessary or appropriate action to effect repair or reconstruction. Such repair or reconstruction shall be in accordance with the original plans and specifications; provided, however, that in the case of Common Area Improvements, with the approval of Members entitled to exercise fifty-one percent (51%) of the voting power of the Association, or in the case of Special Benefits Area Amenities, with the approval of the Owners of fifty-one percent (51%) of the Units within the affected Special Benefits Area, the repair or reconstruction may be in accordance with different plans and specifications, subject, in all cases to the approvals required in Article IV hereof.

10.5 Disbursement of Funds for Repair or Reconstruction. The insurance proceeds held by the Association and the amounts received from the Special Assessment or Special Benefits Area Assessment, as the case may be, provided for in Section 10.3 hereof constitute a fund for the payment of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for costs of repair or reconstruction shall be made from insurance proceeds; if there is a balance after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Owners of the Units in proportion to the contributions by each Owner to the Association.

10.6 Decision Not to Rebuild: Excess Proceeds. In the event of a determination not to rebuild, the damaged or destroyed Improvements shall be removed from the land, and the land shall be landscaped in a manner so as to be compatible with the surrounding areas and which will ensure the existence of adequate rights-of-way and legal access over and to the area. The cost of removal and landscaping shall be paid for with insurance proceeds. In the event any insurance proceeds remain after repair or reconstruction or

04\98462001\CCRS.14g May 20, 1996 -89-

000849 LO 00002659 RA 00832

after restoration as provided in this Section 10.6 ("Excess Insurance Proceeds"), the Excess Insurance Proceeds shall be distributed as provided in NRS 116.31135(2), or any successor statute thereof.

10.7 <u>Condemnation</u>. If at any time all or any portion of the Common Areas or Special Benefits Area Amenities, or any interest therein, be taken for any public or quasipublic use, under any statute, by right of eminent domain, or by private purchase in lieu of eminent domain, (collectively "Condemnation Proceedings") then the Association shall have the sole and exclusive right to represent the Members in the Condemnation Proceedings and to receive the award ("Condemnation Award"), which shall be disposed of in accordance with this Section 10.7. The Association shall have the duty to repair or replace the Improvement so taken, only if the following conditions are met: (i) the Board determines that a suitable location exists within the Common Area or within the Limited Common Elements assigned to the affected Special Benefits Area; and (ii) the Available Proceeds are sufficient to pay the estimated cost of repair or replacement of the Improvement of the sum of the Condemnation Award (including any allocation for land taken) and any Reserves set aside for repair or replacement of the Improvement so taken.

10.7.1 Insufficient Available Proceeds. If the Improvement taken was a Common Area Improvement and the Available Proceeds are insufficient to repair or replace the Improvement, then the matter shall be submitted to the vote of the Members as a Special Assessment in the manner set forth in Section 8.5 hereof. If the Improvement taken was a Special Benefits Area Amenity, then the matter shall be submitted to a vote as a Special Benefits Ballot Question as provided in Section 8.8.5 hereof.

10.7.2 <u>Destruction of Condemnation Award Proceeds</u>. In the event the Condemnation Award exceeds the cost of repair or replacement of the Improvement taken or the Available Proceeds are insufficient and the decision is made not to repair or replace the same, then the excess proceeds or the entire award, as the case may be, shall be distributed to the Members in the manner provided in Section 10.6 relating to Excess Insurance Proceeds.

10.8 <u>Notice to Owners and Mortgagees</u>. The Board immediately upon having knowledge of any damage or destruction affecting a material portion of the Common Areas or Special Benefits Area Amenities or of any taking by eminent domain, or threat thereof, of the of the Common Areas or Special Benefits Area Amenities, or any portion thereof, shall promptly notify, in the case of Common Areas, all Owners, all Eligible

11.1 Encumbrance of Lots Permitted. Any Owner may encumber such Owner's Unit with a Mortgage.

11.2 <u>Subordination</u>. Except as otherwise provided in NRS 116.3116, or any successor statute, any lien created or claimed under Article VIII of this Master Declaration is subject and subordinate to the lien of any First Mortgage which was recorded before the date on which the Assessment sought to be enforced became delinquent.

11.3 <u>No Liability for Unpaid Assessments</u>. Except as otherwise provided in NRS 116.3116, or any successor statute, any Person who acquires title to a Unit by foreclosure of a First Mortgage shall take the Unit free of any liens securing unpaid Assessments against such Unit that accrued prior to the time such Person so acquires ownership of the Unit; provided, however, that after the foreclosure sale under such First Mortgage, the amount of all Assessments which are due and payable from and after such foreclosure sale shall be assessed hereunder to the grantee or purchaser at such sale.

11.4 <u>Breach of Covenants</u>. A breach by an Owner of any of the provisions of this Master Declaration, shall not defeat or render invalid the lien of any Mortgage made in good faith and for value as to the Property or any portion thereof; provided, however, the provisions of this Master Declaration shall be binding upon each Mortgagee which acquires title to the Unit encumbered by its Mortgage by foreclosure of such Mortgage or deed in lieu of foreclosure thereof.

11.5 <u>Notice to Eligible Mortgage Holders, Insurers and Guarantors</u>. The holder of any Residential First Mortgage shall be entitled to become an "Eligible Mortgage Holder" pursuant to the provisions of this Master Declaration and any insurer or guarantor of a Residential First Mortgage shall be entitled to become an "Eligible Insurer" hereunder by notifying the Association of its name, address and the address of the Unit encumbered by the First Mortgage which it holds or insures in the manner provided in Section 13.5, below. The Association shall give written notice to Eligible Mortgage Holders and Eligible Insurers in accordance with the provisions of this Section 11.5 and in the manner prescribed in Section 13.5, below. Any holder or insurer of a Residential First Mortgage encumbering a Unit who does not so request notice, shall not be deemed to be an Eligible Mortgage Holder or Eligible Insurer under the terms of this Master Declaration and shall not be entitled to any notice right or distribution pursuant to this Master Declaration, except as otherwise expressly provided herein.

11.6 Insurance Proceeds and Condemnation Awards. No provision of this Master Declaration or the Articles shall give any Owner, or any other party, priority over any rights of the holders of First Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards.

11.7 <u>Appearance at Meetings</u>. Because of its financial interest in the Property, any holder of a Residential First Mortgage may appear (but cannot vote) at meetings of the Members and the Board, and may draw attention to violations of this Master Declaration that have not been corrected or made the subject of remedial proceedings or Assessments.

11.8 Examination of Records. The holders of First Mortgages shall have the right to examine the books and records of the Association and can require the submission of financial data concerning the Association, including, but not limited to, an audited statement for the preceding fiscal year and operating statements if requested in writing by an Eligible Mortgage Holder or Eligible Insurer.

11.9 <u>Prior Approvals</u>. None of the following actions shall be taken unless Members entitled to exercise sixty-seven percent (67%) of the voting power of the Association have approved the same in the manner provided in this Master Declaration and fifty-one percent (51%) of the Eligible Mortgage Holders and Eligible Insurers have given their prior written approval (each Eligible Mortgage Holder or Eligible Insurer having one vote for each Residential Unit encumbered):

In the event the Association or the Owners are considering any action to terminate the legal status of the Property as a common interest community under this Master Declaration for reasons other than substantial destruction or condemnation, then at least sixty-seven percent (67%) of the Eligible Mortgage Holders and Eligible Insurers shall give their prior written approval.

11.10 Non-Action As Approval. ARTICLE XII

SPECIAL DECLARANT'S RIGHTS

12.3 Easements. Nothing in this Master Declaration nor any action by the Association shall limit the right of Declarant, or any Builder with the permission of Declarant, to establish on Parcels, Lots, Condominiums, Common Areas, or Limited Common Elements on such portions of the property which are owned by Declarant or such Builder, as applicable, additional licenses, easements, reservations and rights-of-way for the benefit of Declarant, the Association, utility companies, or others as may from time to time be reasonably necessary for the proper development and disposal of the Property or the Annexable Property; provided, however, if either or both FHA or VA approval for any Condominium Project or Multiple-Dwelling Project has been obtained by Declarant or a Builder, then such agency shall have the right to approve any such grants as provided herein, unless otherwise provided by applicable laws or regulations. Declarant shall have the right, but not the obligation, to transfer to the Association or any Project Association any of the rights and easements set forth in this Section 12.3 as Declarant deems appropriate for the proper administration or operation of the Property. Without limiting the generality of the foregoing, Declarant hereby reserves for the benefit of Declarant, and for use by Declarant, its agents and employees, and such Builders, their agents and employees, the following rights and easements:

a. Easements over the Property which are, in the sole discretion of Declarant, necessary for the development of the Property as a master-planned development for the construction of Improvements thereon or, for the installation and maintenance of electric, telephone, cable television, water, gas and sanitary sewer lines and drainage facilities, together with the right to grant and transfer the same;

b. Non-Exclusive easements over any and all portions of the Common Area, Limited Common Elements and Project Common Areas for access to the sales and leasing facilities of Declarant;

c. Exclusive rights and easements over the Property to drill, install and operate any water wells in connection with the development of the Property or the Annexable Property (the "Water Wells"), including, without limitation, (1) the right to maintain, repair, replace, remove and relocate the Water Wells, and such other rigs, pumps, pipelines, meters, tanks, reservoirs and related equipment and facilities (collectively, the "Water Well Facilities") as are appropriate or necessary, and (2) the right to enter upon and use portions of any Lot, Parcel, Common Area, Limited Common Elements or Project Common Area, in connection with such right and easement; provided, however, that such entry and use shall not unreasonably interfere with the use of any Lot, Parcel, Common Area, Limited Common Area by the Owners;

d. Nonexclusive easements of access, ingress and egress over all of the Property for purposes of installation, operation, maintenance, repair, inspection, removal, relocation and replacement of water distribution lines, valves, connections, facilities and equipment in connection with the exercise by Declarant or its successors and assigns of the rights, profits, licenses and easements reserved to Declarant in this Master Declaration, including, without limitation, transporting water to and from any ponds and canals to portions of the Property to be irrigated, or from the Water Wells to either or both ponds, canals or portions of the Property or Annexable Property to be irrigated; and

e. Exclusive rights and easements over the Property to pump and extract groundwater through the Water Well Facilities, and to store such groundwater (whether on or beneath the surface of the Property, including in the ponds and canals) and to transport and use such groundwater at such times, in such a manner and in such order of priority as Declarant deems, in its sole discretion, to be necessary or appropriate. Such easements and rights include, but are not limited to, the right to use groundwater on the landscaping of any Common Area, Project Common Area or Limited Common Elements and any property Declarant now or hereafter owns or controls within or contiguous to the Property or Annexable Property.

12.4 <u>Reservation of Water Rights</u>. Declarant hereby reserves for itself, and its successors and assigns, any and all water, water rights, and water entitlements interests in water rights ("Water Rights") appurtenant to the Property which are not required for the development of the Property in accordance with the Master Plan. Declarant hereby reserves unto Declarant, the right to dedicate or transfer to the utility company(ies) providing water service to the Property any or all Water Rights appurtenant to the Property, whether now existing, or hereafter acquired for the purpose of obtaining "will serve" letters from such company(ies) for any portion of the Property or the Annexable Property. No Owner or Builder, nor any of their respective successors, assigns, grantees, heirs, executors, administrators and devisees, shall claim any right to drill, install or operate water wells, to pump or extract groundwater (whether natural or foreign), to use any groundwater that Declarant, or its grantee or transferee, utilizes or has the right to utilize for any purposes, or to exercise other water rights generally reserved to Declarant under this Master Declaration.

12.5 <u>Model Homes</u>. Declarant, and Builders, with the permission of Declarant, may maintain such number of model homes within each Project which is a Residential Project Type which Declarant sees fit.

04\98462001\CCRS.14g May 20, 1995 -97-

000857 LO 00002667 RA 00840

12.6 <u>Signs</u>. Declarant, and Builders, with the permission of Declarant, shall have the right to maintain temporary or permanent signs advertising the Property, or a portion or portions thereof, which signs may be maintained anywhere on the Property, excluding Lots or Parcels owned by Owners other than Declarant or such Builders, as the case may be.

12.7 <u>Sales Offices</u>. Declarant hereby reserves the right to maintain for itself or such assignees as Declarant may designate in writing, ("Declarant Assignees") offices for real estate sales upon a portion of the Common Area designated by Declarant for such activity. As used in this Section 12.7, "sales" shall include sales and resales of real estate whether or not owned by Declarant or Declarant's Assignees. Declarant shall be solely responsible for the maintenance of such sales office and any parking areas adjacent thereto, provided, however, that the Association may enter into a lease with Declarant or Declarant's Assignees for any portion of any community building constructed on any Common Area or Limited Common Elements and a reciprocal access, parking and maintenance agreement with the Declarant or Declarant's Assignees for the sharing of parking and access areas with the Association office and the cost of maintaining the same.

12.8 Conversion of Hotel Rooms. Subject to Declarant's approval rights set forth below, the Owner of a Parcel improved with Hotel/Time Share Project Type may elect to convert all or a portion of the Project into Condominiums (a "Hotel Condominium Project"). In the event the Condominium conversion is incident to the creation of a Time Share Project, then (a) the Hotel Condominium Project shall continue to be classified as one Unit for voting rights in the Association and shall be assessed based on the number of Assessment Units initially apportioned to such Project in a Declaration of Annexation or Supplemental Declaration; (b) a Supplemental Declaration shall be executed and recorded by the Owner of the Hotel Condominium Project which, at minimum satisfies the requirements of NRS Chapters 119A and 116, or any successor statutes thereof; and (c) a Project Association shall be formed or the Project shall be annexed to an existing Project Association governing another Time Share Project. If, however, the conversion will create Residential Condominiums, and provided that such conversion does not cause the number of Units within the Property and the Annexable Property as master planned by Declarant to exceed the Maximum Number of Units, a Supplemental Declaration shall be executed and recorded by the Owner of the Hotel Time Share Project which complies with the requirements of NRS Chapter 116 and which shall provide that, effective upon the first close of escrow for the sale of a Hotel Condominium in each Phase of development of a Hotel Condominium Project to a non-Builder purchaser: (i) each of the owners of Hotel Condominiums in such Phase of development shall be an "Owner" as defined in this Master Declaration, (ii) each Condominium

000858 LO 00002668 RA 00841

designated for Residential use within the Hotel Condominium Project, and the Owners thereof, shall be subject to all provisions of this Master Declaration in the same manner as the other Residential Condominiums; (iii) one Class C membership in the Association shall be appurtenant to each Condominium Unit, unless another class of membership is designated in a Supplemental Declaration with the written approval of Declarant; and (iv) one Assessment Unit shall be allocated to each Residential Condominium Unit. The conversion of Hotel Rooms into a Hotel Condominium Project pursuant to this Section 12.8 shall require the approval of Declarant until the Declarant's Rights Termination Date. Thereafter, the approval of the Board shall be required for any such conversion.

12.9 Declarant's Approval Rights. Until the Declarant's Rights Termination Date, the following actions, before being undertaken by the Association, the Members, or any Project Association, shall first be approved in writing by Declarant, and shall be in addition to any other approval rights of Declarant under other provisions of this Master Declaration:

With respect to Improvements constructed by Declarant or its agents on Association Property (or on land which is to become Association Property), the Design Review Committee may require Declarant to deliver, at the completion of construction of such Improvements, documentation reasonably necessary to the maintenance and repair responsibility of the Association describing the "as-built" configuration of such Improvements.

ARTICLE XIII

MISCELLANEOUS PROVISIONS

13.1 Duration.

13.1.1 <u>Term</u>. This Master Declaration shall be in effect from the date of its Recordation and continue to be effective for a period of fifty (50) years from such date of Recordation and shall be automatically extended for successive periods of ten (10) years each unless a Declaration of Termination satisfying the requirements of an amendment to this Master Declaration pursuant to Section 13.2 hereof and the requirements of 13.1.2 hereof has been Recorded.

13.1.2 <u>Termination of Master Declaration and Common-Interest</u> <u>Community</u>. The common-interest community created by this Master Declaration may only be terminated pursuant to the provisions hereof and applicable law.

a. <u>Termination Agreement</u>. Except in the case of a taking of all the Units by eminent domain, the common-interest community created by this Master Declaration or any portion or portions thereof may be terminated only by agreement ("Termination Agreement") of the Members to whom at least eighty percent (80%) of the voting power of the Association has been allocated and sixty-seven percent (67%) of the Eligible Mortgage Holders. A Termination Agreement must be evidenced by the execution of a written agreement, or ratification thereof, in the same manner as a deed, by the requisite number of Owners. The Termination Agreement must specify a date after which the Termination Agreement will be void unless it is Recorded before that date. The Termination Agreement and all ratifications thereof must be Recorded in the County and shall be effective only upon Recordation. The Termination Agreement may provide for sale of the Common Areas or Limited Common Elements, but unless otherwise allowed by applicable law, the Termination Agreement may not require that the

Units be sold following termination, unless the Owners of ninety percent (90%) of the Units consent to the sale.

b. Sale of Property. The Association, on behalf of the Owners, may contract for the sale of any of the Property, but the contract is not binding on the Owners until approved pursuant to subsection (a) above. If any portion of the Property is to be sold following termination, title to that Property, upon termination, vests in the Association, as trustee for the holders of all interests in the Units. All powers necessary. and appropriate to effect the sale are hereby conferred upon the Association. Until the sale has been concluded and the proceeds thereof distributed, the Association shall continue in existence with all powers it had before termination. Proceeds of the sale must be distributed to Owners and lien holders as their interests may appear, in accordance with NRS 116.21183 and 116.21185 or any successor statutes thereof. Unless otherwise specified in the Termination Agreement, each Owner and such Owner's successors-ininterest have an exclusive right to occupancy of the portion of the Property that formerly constituted the Unit until close of the sale of such Unit. During the period of such occupancy, each Owner and such Owner's successors in interest remain liable for all assessments and other obligations imposed on Owners by NRS Chapter 116 or this Master Declaration. Following the sale of the common-interest community, or portion thereof, the proceeds of such sale, together with the assets of the Association, are held by the Association as trustee for Owners and holders of liens on the Units as their interests may appear.

c. <u>Termination of Condominium or Multiple Dwelling Project</u> <u>Without Sale</u>. If a Condominium Project or a Multiple-Dwelling Project is not to be sold following termination, title to the Project Common Areas, vests in the Owners within such Condominium Project or Multiple-Dwelling Project upon Recordation of the Termination Agreement as tenants in common in proportion to their respective interests as provided in NRS 116.21185, or any successor statute thereof, and liens on the Units shift accordingly to a lien on the appropriate undivided interest in the Condominium Project or Multiple-Dwelling Project. While the tenancy in common exists, each Owner and his successors in interest have an exclusive right to occupancy of the portion of such Project that formerly constituted the Unit.

13.2 Amendments.

13.2.1 <u>By Declarant</u>. Prior to the first close of the first escrow for the sale of a Unit to a Person other than Declarant, a Successor Declarant or a Builder, the provisions of this Master Declaration may be amended or terminated unilaterally by

Declarant by Recordation of a written instrument signed by Declarant setting forth such amendment or termination. In addition, Declarant shall have the right to unilaterally amend this Master Declaration to make the following amendments:

a. Any and all amendments which may be necessary from time to time to correct exhibits or satisfy requirements of governmental agencies, including, without limitation, DRE requirements, provided such amendments do not unreasonably interfere with the rights of existing Owners;

b. Amendments to the Master Plan, and all other amendments relating to the Master Planned Community Standards;

c. Amendments to this Master Declaration which are necessary or appropriate to the exercise of Declarant's Rights; and

d. Amendments to this Master Declaration which are necessary for compliance with NRS Chapter 116. Notwithstanding anything to the contrary set forth in the Master Declaration, Declarant shall have the unilateral right to amend this Declaration for the purpose of adopting the initial Master-Planned Community Standards applicable to a particular Project Type.

13.2.2 <u>By Members</u>. Except as otherwise expressly provided in this Master Declaration, including but not limited to, in Sections 11.9, 13.2.1, and 13.2.4, and unless this Master Declaration specifies a higher percentage for any action by the Members, this Master Declaration may be amended by (a) the vote or written assent of Members entitled to exercise a majority of the voting power of the Association and (b) the written consent of Declarant until the Declarant's Rights Termination Date. If this Master Declaration specifies a higher percentage for action by a vote of the Members on a particular matter, then such provision shall only be amended by the voting power of the Association for such matter.

13.2.3 <u>Approval of Eligible Mortgage Holders and Eligible</u> <u>Insurers</u>. The provisions of this Master Declaration which are described in Section 11.9(a) hereof may only be amended with the prior written consent of Eligible Mortgage Holders and Eligible Insurers as provided therein.

13.2.4 Form of Amendments. All amendments to this Master Declaration or any Declaration of Annexation or Supplemental Declaration must be in

writing, and executed, Recorded and certified on behalf of the Association by the President and the Secretary of the Association.

13.2.5 <u>Declarant Approval: Termination of Declarant's Rights</u>. Notwithstanding any other provision of this Master Declaration, the prior written approval of Declarant will be required before any amendment to any of Declarant's Rights under this Master Declaration shall be effective. The Declarant's Rights described in this Master Declaration shall terminate on the Declarant's Rights Termination Date, and from and after such date Declarant shall have the rights of an Owner as to any of the Property then owned by Declarant.

13.3 Enforcement and Nonwaiver.

13.3.1 Right of Enforcement. In addition to the rights and powers conferred upon the Association by this Master Declaration, the Articles, Bylaws, NRS Chapters 82 and 116 and other applicable laws, the Association shall have the enforcement powers set forth in Section 13.3.1 hereof. The Association shall have the power to perform such other acts, whether or not expressly authorized by this Master Declaration, that may be reasonably necessary to carry out its duties and enforcement powers as set forth herein. Subject to the provisions of NRS 38.300 et seq., each of the Association, in its own name and on its own behalf, any Owner, any Project Association, and Declarant (until the Declarant's Rights Termination Date) shall have the power and authority to commence and maintain actions for damages, or to restrain and enjoin any actual or threatened breach of any provision of this Master Declaration, the Master-Planned Community Standards, any applicable Declaration of Annexation or Supplemental Declaration, the Articles, Bylaws, Rules and Regulations, and any resolutions of the Board, to enforce by mandatory injunction, or otherwise, all of these provisions, to intervene in litigation or administrative proceedings on matters affecting the Property. The Court in any such action may award the successful party reasonable expenses in prosecuting such action, including reasonable attorneys' fees. Nothing herein shall be construed as creating a third party beneficiary contract in favor of parties who are not the Association, the Declarant, a Project Association or an Owner.

13.3.2 <u>Violations and Nuisance</u>. Every act or omission whereby a covenant, condition, or restriction of this Master Declaration is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated, whether or not the relief sought is for negative or affirmative action.

Any violation of any state, municipal, or local law, ordinance, or regulation pertaining to the ownership, occupation, or use of any portion of the Property is hereby declared to be a violation of this Master Declaration and subject to any or all of the enforcement procedures herein set forth.

13.3.4 <u>Remedies Cumulative</u>. Each remedy provided by this Master Declaration is cumulative and not exclusive.

13.3.5 <u>Nonwaiver</u>. The failure to enforce the provisions of any covenant, condition, or restriction contained in this Master Declaration shall not constitute a waiver of any right to enforce any such provisions or any other provisions of this Master Declaration.

13.4 <u>Termination of Transferor Owner's Liability for Assessments</u>. Upon the conveyance, sale, assignment, or other transfer of a Unit to the transferee Owner, the transferor Owner shall not be liable for any Assessments levied with respect to such Unit after notification of the Association of such transfer in the manner provided in Sections 6.2.2 and 13.5 hereof. No person, after the termination of his status as an Owner and prior to his again becoming an Owner, shall incur any of the obligations or enjoy any of the benefits of an Owner under this Master Declaration.

2	Q. And then did you later drop that major		
3	modification?		
4	A. I don't recall what we've done with it.		
5	Again, it's city guidance. File an application,		
6	withdraw the application, prepare the application,		
7	city guidance, except one that I recall that we have.		
8	Q. You keep saying "city guidance." What		
9	does that mean, "city guidance"?		
10	A. City guidance means the planning		
11	department or city attorney's office instructs you		
12	what to do. We want you to file this, do this, do		
13	that.		
14	Q. Did you ever tell the city you did not		
15	believe you were obligated to do so?		
16	A. I told the city I'm not obligated to file		
17	for a PR-OS removal, yes, I did.		
18	Q. And when did you tell them that?		
19	A. When the application was going through and		
20	one of the requests was on the list, GPA request.		
21	Q. And when did you put that in writing		
22	that you aren't obligated to do so?		
23	A. No. Weekly meetings. We had so many		
24	meetings with the city, so instead of putting a		
25	letter to the city, we just discussed it with them in		
	Page 13		
1	the meetings, either in the	-	
2	Q. Did you ever get the PR-OS designation		
3	removed from the property for the 17 acres?		
4	A. I believe that it was removed. I'm not		
5	sure who filed it, us or the city, but it was		
б	removed, yes.		
7	Q. And when was that done?		
8	A. It was done at the time of these		
9	documents. It did not have to be but it was done at		
10	the time of the document.		
11	Q. So you got a general plan amendment for		
12	the 17 acres; is that what you're saying?		
13	A. General plan amendment, yes, I believe so.		
14	I don't recall. Frank Pankratz would know all those

16	Q. All right. Well, I understand. I agree		
17	with Mr. Jimmerson it's probably best to cease at
