CLERK OF SUPREME COURT
BY  DEPUTY CLERK

Supreme Court of Nevada
Capitol Complex
201 South Carson Street, Suite 201
Carson City, NV 89701

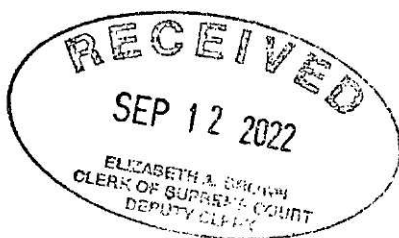

September 7, 2022

To Whom It May Concern:

I received a request, filed in the Supreme Court of the State of Nevada, from Jay A. Shafer, Esq. for transcripts of the proceedings held on August 6, 2020 and April 28, 2020, in the case of A Cab Series LLC vs. Michael Murray et al, District Court Case Number A792961, Supreme Court Case Number **84472**.

The August 6, 2020 hearing was not heard, and a minute order was issued on September 2, 2020. Therefore, there are no transcripts for that date.

The hearing request of April 28, 2020 does not exist, but after speaking to the attorney's office, it was supposed to be the hearing of April 28, 2022. That hearing was already transcribed and filed in Odyssey.

I am supplying a copy of this letter to the Supreme Court of Nevada and to Mr. Shafer. If you have any questions or additional requests, please contact me at (702) 671-4422.

Thank you,
