POINTS AND AUTHORITIES

The City of Las Vegas respectfully moves the Court to exceed the 5-page limit imposed by NRAP 27(d)(2) to file its Reply in Support of Motion to Strike “Landowners’ Appendix” and Answering Brief (the “Reply”) filed concurrently herewith. NRAP 27(d)(2) states that a reply shall not exceed 5 pages unless the Court permits or directs otherwise.

Good cause exists to allow the City to file a Reply that is three and a half pages over the limit in order to fully respond to the Developer’s Opposition. The Developer filed an 11-page opposition and an Errata, which included citations to multiple cases, made multiple arguments, and referenced an unpublished order of the Court. To fully analyze and distinguish each case, respond to each argument, and address the unpublished order referenced by the Developer, the City exceeded the 5-page limit. The City’s undersigned counsel worked diligently to present its Reply as concisely and cogently as possible and takes seriously the page limits imposed in the Rules; however, notwithstanding these efforts, three and a half extra pages are needed.

The City posits that good cause exists to extend the 5-page limit and respectfully asks the Court to grant this motion.

AFFIRMATION

The undersigned does hereby affirm that the preceding document does not contain the social security number of any person.
