ORDER DENYING MOTIONS

Appellant has filed a motion requesting the production of certain transcripts, and a motion to be provided with a copy of the record on appeal. At this stage of the proceedings, this court is unable to determine which transcripts, if any, are necessary for this court's review on appeal, *see* NRAP 9(b)(1)(C), and therefore, declines to order the preparation of the requested transcripts at this time. However, as this appeal proceeds, the court will consider the necessity of transcripts and may order their preparation at a later date. No cause appearing, appellant's pro se motion to be provided with a copy of the record on appeal is denied.

It is so ORDERED.
