DEPUTY CLERK

6/9/22

Nevada Supreme Court Clerk,

My name is Dustin Barrel #1108615 and my Supreme Court case number is 84721. On May 25th, 2022 I sent both District Court and the Nevada Supreme Court my motion to proceed in forma pauperis. The copy sent to the Nevada Supreme Court was intended to be proof of my filing for District Court before June 1st's deadline.

This letter is to serve as notice for the Nevada Supreme Court. I had my mother, Susan Zupancic, call the clerk of the court in District Court of Clark County on June 9th, 2022. She inquired as to the status of my motion. The clerk told her that they had no record of my motion and to resend the motion. I am resending the motion on 6/10/22 with a letter indicating what the clerk told my mother. I am also going to get copies of my outgoing mail from the LCC Law Library and send to this court and District Court as proof of sending legal mail (motion to proceed in forma pauperis) on May 25th, 2022. This will be sent out next week when I receive it.

I thank you for your time and consideration.

Sincerely,
