NOTE: If the court determines that your case may be appropriate for having pro bono counsel assigned, an appropriate order will be entered. Assignment of pro bono counsel is not automatic.

Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

Today is April 5th, 2022. Pursuant to the "INSTRUCTIONS / NOTICE REGARDING DEADLINES" that was received after March 22nd, 2022 the appellant has 14 days from March 22nd, 2022 to submit a transcript request form requesting the transcripts of all district court proceedings that are necessary for the court's

review on appeal. The court includes the Appellant, which has properly submitted his transcript request form with the assistance of the mailbox rule. 14 days from March 22nd, 2022 would in fact be today, April 5th, 2022 to which an additional 7 days would meet the requirement that the appellant must file the docketing statement that was provided by the clerk. The transcript request forms for appeals 84417 and 84418 were mailed from MDSP on March 29th, 2022 and the docketing statements are in preparation. This informal brief is to be filed no later than 120 days from March 22nd, 2022 which would be before July 20th, 2022.

The hasty "ORDER DISMISSING APPEAL" filed March 30th, 2022 by Silver, Cadish and Pickering is without merit, especially because the Appellant has been provided NO documents by either the DISTRICT COURT or the SUPREME COURT OF NEVADA, as result of false arrest on 7-14-2021.

First and foremost is the Las Vegas Municipal relocation ~~of the courts~~ of their own constructions, followed up with the mailbox rule, which is of significance to ALL litigants, appellants, petitioners, appellants, pro se litigants, litigants with representation, litigants who have been appointed counsel, litigants relying upon standby-counsel, etc.

Update as of April 15th, 2022 to which the transcript request form of ~~XXXXXX~~ appeal # 84477 has been sent to Eighth Judicial District Court as result of Scott Poisson, Brian P. Clark, Dan Schwartz and the rest of these clowns ruining my life for almost 6 years now. This is absolutely pathetic how the defendants have coerced the Eighth Judicial District Court into having my person falsely imprisoned and made a convicted felon in the MOST wrongful ways for the 2nd time. The question for justice is how did these defendants coerce R. McMorris into lying under oath in ways besides paying bribes?

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

There isn't any sort of belief that the district court is wrong... it's truth. If that's not the truth then why am I sitting in the state prison for the second time? It's not a "belief" that David M. Jones is a bully. He bullied me over a telephone hearing, and that must be why he's trying to keep all of this covered up. His sister or girlfriend, Tierra Danielle Jones is a bully behind the bench too.

I'm not sure if they're related, but perhaps it's coincidental? Here is my

"MOTION TO DETERMINE IF
DAVID M. JONES AND TIERRA
DANIELLE JONES ARE RELATED
TO PREVENT ANY FURTHER
PREJUDICE AND BIAS OF PLAINTIFF IN
ERROR - PETITIONER - APPELLANT AND
THE PLAINTIFF-IN-ERROR AS RESULT
OF SECOND WRONGFUL CONVICTION"

This court gets paid to review cases, and from my observation, the Supreme Court of Nevada hasn't reversed anything other than their own biases and how to further reinforce those biases to further degrade indigent pro se appellants. It's not my fault that I'm being denied access to the Law Library. April 15th, 2022: So why is the Supreme Court of Nevada refusing my transcripts? It's not that difficult to provide the Appellant with what is rightfully his, or is it because Brian P. Clark has conned the courts of Nevada? In my life, I survived being shot during the most horrible event in American history, October 1st, 2017 and Brian P. Clark

still continues to evade justice. The Appellant once again, for the last approximately ~~One~~ Thousand, Nine-hundred and twenty days is still permanently totally disabled and suffering a manifest injustice as result of the defaults of not only Mandalay Bay Resort and Casino, et al Encore Events Services, FREEMAN and the IATSE Local No. 720 to the Appellant, and for some reason this court system and the State of Nevada continues to batter me. What for? Oh, look at this... (Now See Page #8)

April 18th, 2022: You will now take notice that Scott Poisson has failed to respond the notice of demand of \$3,000,000.00 to which a copy of that notice was included in these notices of appeals, pleadings and petitions to the Supreme Court of Nevada. The original was certified by the District Court in Las Vegas and forwarded to his office in a "MOTION FOR AN ORDER TO APPEAR" in February of 2022. This NOTICE OF DEFAULT is reinforced by the office of Brian P. Clark and it's withholding of the Appellant's bloodied Ropeworks harness that has been there since after September 30th, 2016. In effect, this makes the firm of Bernstein & Poisson over 5 years and 6 months in default status. Ryan Kenbow is in default \$6 million.

What's up with that conspiracy?
Does this ^{Bth Judicial} court care about anything?
→ Brian P. Clork, you sir and the
State Bar of Nevada are in default
to me about \$666 billion. Y'all will
be held accountable for your fraudulent
negligence one of these years, but the
pain is too much for me to continue
writing the truth. Unlike the rest of
y'all crooks. And for the love of sweet
baby Jesus, quit with the withholding of my
documents! You already have illegally destroyed
my law office from 4355 Linn St #927 in
Iowa City, Iowa 52245. Cease and desist this
conspiracy between you and Dan Schwartz ASAP!

Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

Hello again on this most unholy Easter of 2022 to which I am still being deprived of my service dogs Johnny Cash and George Lucas... This petition should be granted because C323614 was dismissed in State of Iowa and that was the first wrongful conviction and extensive incarceration that the State of Nevada has intentionally neglected compensating me for their damages inflicted me in their miscarriages of justice. See #79408.

This petition should be granted as the questions being presented are of first impression ^{and} of general statewide significance because of many more reasons than one. Does the Supreme Court of Nevada think that's okay to wrongfully convict a disabled veteran of the United States Navy, steal his service animals and kidnap him from the State of Iowa and enslave him into their debtor's prisons? According to Tierra Danielle Jones, et al this is all just fine. But it's not. The fact that three separate cases have resulted from ^{the} tragic events ~~of~~ ~~September~~ ~~20th~~ ~~2016~~ ~~September~~ ~~30th~~ ~~2016~~ ~~and~~ ~~October~~ ~~1st~~ ~~2017~~ are plenty of grounds to warrant a thorough and complete review by this court of ALL of the above mentioned cases. On this state can just continue in deliberate indifference by being bigoted and racist against me, as it always has. Is the judicial ineptitude ever going to cease and desist? This court and its bafonerous allies are in default to me by not less than \$666 billion. That's six-hundred and sixty-six billion dollars and zero cents. Because this kangaroo court obviously has no sense. Anyways, all three of these cases involve fundamental issues of state wide importance because everybody liked the Petitioner-appellant's service K9, Mr. Johnny Cash. The Eighth Judicial District Court of Clark County and their public pretenders office could have cared less about my lost dogs or the plea agreement that I never gave my express consent to, especially because I never even seen it or signed the document or made any agreements.

Even more elaborated, I never made ANY sort of retainer agreements between Bernstein and Poisson? The deposition involving Gene Porter was a hundred percent VOID under duress because there was a C/O in the room that days ^{and since then} ~~and~~ I've not one time made any sort of communications with Scott Poisson or Ryan Kerbow. Upon this 18th day of April, 2022, Ryan Kerbow is hereby served this NOTICE OF DEMAND of not less than \$6,000,000.00 to compensate the Appellant for his endurance of inflicted damages not limited to suffering not only ONE, but TWO wrongful convictions as the result of Bernstein and Poisson's legal malpractices and gross negligence to Appellant. And again for the record I've never encountered Scott Poisson.

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

On April 11th, 2022 the Supreme Court of Nevada's Handesky, Stiglich, Herndon, Brown, Syuang and H.D.S.P. C/O Brown ^{et al} (all) committed acts of treason, intentional gross negligence, verbal assault, elder abuse, withholding evidence, conspiracy, coercion and many other crimes not limited to disability discrimination #1: By neglecting to provide a copy of NRAP 40(c) or any other valid justification of their negligent ~~neglect~~ and over-reaching tactics of torturous encouragement of death squad retaliation. #2. By encouraging institutional and systematic racism. #3. By encouraging the Petitioner-appellant to ~~engage~~ engage in non-rehabilitative activities and other forms of negative thinking. #4. Bad attitudes and verbal abuse is demonstrated by C/O BROWN.

Their encouragement to become involved with organized crime encouraged the Petitioner-appellant to order hits to be put out on Michael P. Villani, Alex's Plunkett, Tierra Danielle Jones and other bad actors not limited to anyone and everyone who lies under oath and gives false police reports like Rosemary McMorris-Alexander did. The Petitioner-appellant obviously did NOT as he is a law abiding citizen, but the question for our lady justice is,

"when will these bad actors not limited to Hardesty, Stiglich, Herndon, the Brown family and Syuang get a grip on reality and quit worshipping the idols of dereliction?"

I saw it all, in my recipe for cole slaw cookbook that I am publishing on you and the meat of the kangaroo court that tastes like KFC when the books are cooked and fried for our new lady justice of the Supreme Court of the United States of America, because the Supreme Court of Nevada will ALWAYS be the negligent State of Nevada. Especially because Rosemary McMorris-Alexander, et al are the biggest liars I've ever seen in a court room. Oh, that's right, the only time I've ever communicated with Rosemary Mc-Morris-Alexander, or whatever her name was was NEVER!

Now this Supreme Court of Nevada should really see why she made up all these lies in court. Page B-7 is omitted in honor of Service K9 JOHN W. CASH. Page B-8 is omitted in honor of Service K9 Lt George Lucas. And I don't need to sign my name from page 8 because

YOU WILL NOW TAKE NOTICE that this is not to be a "MIXED PETITION" as this counterclaim is result of interpleadings and his person in fact being the true victim of crime. By "his" we are referring to the Appellant whom is a survivor of the terrible ONE OCTOBER. He is also indigent and completely unable to serve any sort of "copies" of his pleadings due not only to the fact that they can look up all of this online, but by the fact that Radenta Blacic and Rosemary McMorris-Alexander are involved in an insurance scam to have the Appellant continuously wrongfully convicted, falsely imprisoned, illegally incarcerated and possibly murdered by prison gangs or worse.

NOTE: If the court determines that your case may be appropriate for having pro bono counsel assigned, an appropriate order will be entered. Assignment of pro bono counsel is not automatic.

Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

Originalist jurisprudence should not be sterile or purely mechanical. It's understanding would be more rich, and it's rules more durable, if it was informed by any sort of experience. In the case of A-17-758861-C both the EIGHTH JUDICIAL DISTRICT COURT and the SUPREME COURT OF NEVADA have contributed to damaging the Appellant by repeatedly violating NRS 11.207 by ignoring many other laws not limited to the quite significant

~~the~~ valid tolling of the statute of limitations.
Keep in mind that ^{#1} an action against an attorney to recover damages for malpractice, whether based on a breach of contract or duty, must be commenced within 4 years after the plaintiff sustains damage or within 2 years after the plaintiff discovers or through the use of reasonable diligence should have discovered the material facts which constitute the cause of action, whichever occurs earlier. ^{#2} The time limitation is tolled for any period during which the attorney conceals any act, error or omission upon which the action is founded and which is known or the use of reasonable diligence should have been known to the attorney. In this case, to which the attorneys for the respondents and the interpleaded defendants have ruined the life of the Appellant again, by acting in coercion with Sedgwick, Dianne Ferrante, Jonathan Shockley, Rosemary McMorris - Alexander and no less than 40 other accomplices to wrongfully convict the Appellant ^{causing} ~~have~~ a 2nd false imprisonment. The initial intentional gross negligence and deliberate indifference of interpleaded defendants / respondents resulted in case C-17-323614-1 against the Appellant, and now this C-21-357927-1.

Pursuant to NRAP, in C-21-357927-1, the Appellant filed his DIRECT APPEAL from fish tank with little to no resources just after Dec. 20th, 2021 as both

#12025
Benedict Little and Anthony M. Goldstein were to have been withdrawn as attorney of record. The Appellant also filed a pro se "EMERGENCY MOTION REQUESTING HEARING, DE NOVO, AND RELEASE TO INTENSIVE SUPERVISION" which was stamped "RECEIVED DEC 27, 2021 CLERK OF COURT" but mistakenly forwarded to the office of Anthony M. Goldstein when it should have sufficed as a "NOTICE OF APPEAL". The Appellant did not ~~not~~ intend to have appointed counsel from the onset of this case, to which there was no valid warrant as it was unsigned, there was no probable cause for the false arrest of the Appellant, and this case in its entirety is based on the false police reports and lies of Rosemary McMorris - Alexander and Radenta Blacic.

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

The question presented is one of first impression and of general statewide significance because pursuant to the law of the land, wrongful convictions and false imprisonment are in fact illegal. As is the malicious prosecution of Rosemary McMorris - Alexander, et al. The question presented to the Eighth Judicial District Court ("is Houston guilty?") which is in fact no was not even allowed to be presented to the courts because of the coercion between way too many bad actors not limited to Brian P. Clark, Scott Poisson, Tierra Danielle Jones, David M. Jones, Laura A Goodman #013390, Jack Bernstein, Scott Poisson #10188, Radenta Blacic, Christopher Burk, Jessica Flores,

Dianne Ferrante, Jonathon Shockley, L.V.M.P.D, Las Vegas City Jail, HDSP, TLVCC, SDCC, Erica Tosch, Jason Barnus, the Attorney General Aaron Ford, Sheriff Joe Lombardo, MGM, Mandalay Bay Resort and Casino Convention Center, UMC, Encore Event Services, PSAV, FREEMAN, IATSE #720, the Nevada Gaming Commission, Division of Industrial Relations, Clark County District Attorneys Steven Wolfson^{#001565}, et al. GGRM is Lisa Anderson, Ellie Roohani, Michael P. Villani, Mary K. Molthus, Melissa De La Garza, Andrew Flahive, Alex Bassett, Gene Porter, Kristina A. Rhoades^{#12480}, Anthony M. Goldstein, Dan Schwartz, Karen Schwartz (GENEX), Cassandra Diez, Jeremy Wood, Lina Sakalauskas, Rody Scott, Lukas McCourt, Nicole Garcia, Tyler Ure, David Kelly^{#7413}, F. Edge^{#8645}, Montero^{#C6056}. Again, this first impression was made by the clerk of court of the Regional Injustice Center when they certified the Appellant's request for de novo on December 27th, 2021, which was well before the 30 day time limit from December 8th, 2021 for the Appellant to file a pro se "notice of appeal". It is in no way the fault of the Appellant that the courts are backed up, it was in no way the fault of the Appellant that riots in the prison system and at CDC caused the Appellant's mental state to make him suffer into incompetency and it was no way the fault of the Appellant that his "request for a de novo hearing" was not interpreted properly to the court as a "notice of appeal". Furthermore, it is in no way the fault of the appellant that Rosemary McMorris-Alexander is a liar.

The decision made by the Nevada Court of Appeals on April 5th, 2022 conflicted with the United States Supreme Court because pursuant to the Constitution of the United States, citizens are to be free and clear from any sort of cruel and unusual punishment. For going off 6 years now, all the courts of Nevada have been doing to the Appellant is punishing him for being a pro se litigant. This discrimination is in fact illegal and in a few more jurisdictions than the Kangaroo court of Clark County. It is hereby again demanded by the Appellant that each and every judge on the bench now take notice of the motion filed for a 2nd time electronically by the Clerk of Court of the Regional Injustice Center on April 6th, 2022 and is to be heard by District Court again on April 27th, 2022. Again, this notice of appeal was originally filed December 27, 2021. A notice of appeal is the same thing as asking the courts for a de novo hearing, and a technicality should not be the cause of extensive incarceration, false imprisonment, wrongful conviction or otherwise. This court is NOT to overlook any miscarriage of justice and it is NOT to overlook the initiative of the injured worker, or, in this case - the permanently totally disabled worker. In this case, unfortunately to the People of the State of Nevada, and all the other cases of Matthew Travis Houston, these courts and their bad actors have intentionally, deliberately and indifferently been overlooking justice and what it means, constituting an abuse of process and creating more unnecessary hardships within decision making.

This case involves fundamental issues of statewide public importance because nobody, permanently totally disabled or not, should be arrested without a valid warrant as the result of surviving a catastrophic work accident. This is absolutely a fundamental issue of statewide public importance because how many citizens of Nevada work in the convention and entertainment industry? How many of those citizens thrive in a safe and secure work environment? How many of those citizens think it's okay for an insurance company to lie to the courts and illegally withhold the injured worker's rightfully entitled benefits? How many people in the State of Nevada think that it's okay for the courts and the State Bar of Nevada to discriminate against pro se litigants and steal their service animals?

The basis of Defendants claim is that Defendant filed a motion and asserts that it was not properly filed by the Clerk's Office in that not all of the motion's pages were filed. Any error on the clerks office would have nothing to do with Judge Villani and nothing to do with bias so on its face this motion lacks merit therefore COURT ORDERED motion DENIED.;</i>

Mr. Moskal noted the violation was that the Participant was ordered to stay in a sober living house and he was not doing so. Matter TRAILED.

Matter RECALLED same parties present as before. Sworn testimony provided by C. McCarrol of Parole and Probation and Khristie Cury, Felony DUI Court Coordinator. Defendant not present. Court noted it was basing its decision on the pleadings on file herein and not accepting oral argument. COURT ADOPTED the procedural history as set forth by the State. Court stated Defendant was in the Serious Offender's program in October of 2018 thereafter was terminated and sentenced in January of 2019. Court noted Defendant filed a motion in February but Defendant was not sure which judicial officer he was trying to disqualify so the case was not referred to this department until May 14, 2020. Defendant is requesting to disqualify Judge Villani based on allegations that Judge Villani is biased against disabled and indigent litigants. The basis of Defendants claim is that Defendant filed a motion and asserts that it was not properly filed by the Clerk's Office in that not all of the motion's pages were filed. Any error on the clerks office would have nothing to do with Judge Villani and nothing to do with bias so on its face this motion lacks merit therefore COURT ORDERED motion DENIED.
