

EX PARTE LETTER OF MOTION

8.31.2022

SEP 21 2022

AND EMERGENCY NOTICE OF

FORMAL OBJECTION TO CHIEF JUSTICE PARRALQUIRE

ELIZABETH A. BROWN

CLERK OF SUPREME COURT

JURY CLERK

"ORDER REINSTATING BRIEFING, DIRECTING
TRANSMISSION OF THE RECORD ON APPEAL,
AND DENYING MOTION" FILED AUGUST
26TH, 2022

Chief, The Appellant has absolutely
no problem with the ORDER filed. However,
~~the~~ this emergency discrepancy is warranted
due to the fact that ^{the Appellant} ~~the~~ ^{whose} ABA No. is
04662784, pro se litigant who is proceeding
IFP due to being indigent was never
provided any sort of "presentence
investigation reports" after the false
arrest of 7.14.2021, nor has the Appellant
ever participated in or completed any sort
of PSI "interview" (as mentioned on Page
2, lines 12-14) that would cause the
production of any sort of "presentence
investigation reports", as required by
law. Due to the Appellant's most illegally
denied access to any sort of law library
as result of his misclassification into "S.M.U."
level at HOSP, he is not able to cite
proper and current authority at this time,
other than ~~what~~ from memory, ^{from} ~~and~~ 39
years of experience in law. WHEREFORE,
Petitioner-appellant prays for an intervention
and an ORDER SETTING HEARING DE NOVO.
Cordially yours - Matthew Travis Houston
