Plaintiff/Appellant,

Defendant/Respondent.

Electronically Filed

Elizabeth A. Brown
Clerk of Supreme Court

Supreme Court No: 84888

Dist. Ct. No: A-12-669926-C

**RESPONSE TO APPELLANTS'
MOTION FOR EXTENSION OF
TIME TO FILE RESPONSE TO
ORDER TO SHOW CAUSE**

Appellants indicate they are seeking an extension to respond to this Court's *Order to Show Cause*, based upon "motions sub judice in the District Court," but offer no specifics as to which motions they are referencing or how any motion is expected to overcome the fact that Appellant's appeal is not substantively appealable. There are no pending motions in the district court wherein Appellants are withdrawing their challenge to have the award of costs offset against their judgments. (As stated in this Court's *Order to Show Cause*, no statute or court rule allows an appeal from such an order). There are also no pending motions which would reclassify this appeal as a special order after final judgment. In other words, further delay will not change the jurisdictional defects contained in Appellants' appeal.

Accordingly, Appellants have not put forth good cause in support of their request for more time to show cause as to why their appeal should not be dismissed. Appellants' motion should be denied.

DATED this 27th day of July, 2022.
