Offender Management Div.

Comes now, petitioner, Travis Bowles and requests
this court to permit petitioner to continue to
proceed in forma pauperis as he had done so before
the Second Judicial District Court, Case No CR15-0833
which erroneously dismissed his petition for habeas
corpus on the merits without an evidentiary
hearing. This petition is closely related to the
Travis Bowles v. Second Judicial Dist. Ct. Judge Connie
Steinheimer recently filed by petitioner.
