Petitioner

VS

MOTION TO SHOW

State of Nevada

CAUSE : LENIENCY

Respondant

COMES Petitioner Coil seeking movement of Appeal issued August 1, 2022, whereby Coil shows in detail the total inaccuracy of District Attorney of Clark County declaration of Timebarred. A time bar must be the result of Coil negligence or inactivity within Coils control.

Coil was moving Petition as far and as fast as conditions and the State and Court would allow. ALL obstacles and impediments were caused by the State of Nevada, NDOC, High Desert State Prison and Eighth Judicial District Court Department X. Coils Appeal is definitive, concise, and simplistic. Coil moves the Honorable Court to Grant this Motion without delay.
