## Argument

I want to appeal my judgement of conviction through post-conviction relief. I would like to argue ineffective assistance from my former counsel that was assigned to me to represent me. I know for a fact that the public defender did not represent me through the best of her abilities. me and my attorney was not on good terms and also she was very manipulative. Because of me not being in the right state of mind I was ultimately taken advantage of. Because of that I was sent to prison for a charge that I shouldn't have been charged with from the beginning if it wasn't for my counsel representation I know for a fact that it would be a different outcome. I was told by multiple sources that I had a specific amount of time to file this notice of appeal. I was denied access to the library due to the intake process at high desert state prison. I requested multiple motion forms and I never recieved a response. It took me sixty plus days to gain access to the law library to get this form so I can file this notice of appeal. I pray that the honorable court let me proceed with this appeal.

Ms. Hamers clarified the Defendant is not waiving and requested this matter be stayed with the Defendant remaining invoked. Court stated that does not make sense as there is a trial set next week and the Defense is requesting the Court to vacate this trial, keep him in an invoked status and stay this matter.
