*ORDER DIRECTING TRANSMISSION OF*

*SUPPLEMENTAL RECORD ON APPEAL*

This is a pro se appeal from an order of the district court purportedly dismissing a postconviction petition for a writ of habeas corpus. The record before this court does not contain a transcript of the district court hearing held on November 2, 2021, in district court case no. CR18-1654. A transcript of this hearing is necessary for this court's review of this appeal.

Accordingly, if the transcript has been prepared and filed with the district court, the clerk of the district court shall transmit a certified copy to the clerk of this court within 10 days from the date of this order as a supplemental record on appeal. If the transcript has not been prepared and filed below, court reporter Evelyn Stubbs shall have 30 days from the date of this order to prepare and file the transcript in the district court.<sup>1</sup>

---

<sup>1</sup>The court recorder is not required to provide the pro se litigant a copy of any transcript. Appellant must seek copies of any transcript through a properly filed document filed in the district court. See *Peterson v. Warden*, 87 Nev. 134, 135-36, 483 P.2d 204, 205 (1971).

The clerk of the district court shall then have 10 days from the date the transcript is filed to transmit a certified copy to the clerk of this court as a supplemental record on appeal.

It is so ORDERED.
