MEMORANDUM OF POINTS AND AUTHORITIES

1. The plaintiff was charged, by clerical error, to a crime cited in all charging and sentencing documents as 199.330 "Buying or promising reward by a justice or constable"
2. there is no factual premise supporting the charge of this misdemeanor and is belied by the fact that the petitioner is nor was either a justice of peace or a constable;
- 3.) the police declaration of probable cause mentions no "promising reward," and falsely spin-doctored a litany of false over-zealous charges out of a domestic dispute motivated by "virtuous victim" totem effectuated by the police-endorsed passage of the Constitutional pre-emption of all male use affirmative defenses in the cases of private disputes between domestic partners; See Exhibit 1
- 4.) the police loaded untrue charges based on the prejudicial omission and deliberate discounting of potential witnesses with exculpatory evidence; the excessive charges alleged were Robbery, Assault w/ Deadly Weapon, Violation of TPO and Domestic Battery
- 5.) the plaintiff believes evidence exists which exonerates all charges arising out of the domestic dispute which occurred when the FEMALE violated the TPO by going to the domicile of the petitioner;

MEMORANDUM OF POINTS AND AUTHORITIESBRIEF STATEMENT OF FACTS AND CASE HISTORY

6) in order for the petitioner to prosecute his claim of factual innocence of the charges under NRS 34.900 et seq, it is necessary to obtain following relevant evidence material to my claims:

a) all work product (handwritten notes), "Chronos" and/or case notes, Memos to file, from the files of the Washoe County Public Defender;

b.) all phone logs, emails and other communications between the Washoe County Public Defenders office and District Attorney regarding case-2148 and CR-18-2149

c.) electronic copy on CD of the body cams of all officers interacting with any and all witnesses, the accused and the prosecutrix;

d.) any and all investigative notes and communications with the investigating police agencies in this case

e) all exculpatory evidence or information in possession of the police or prosecutor;

- 7.) in addition to this request for documents, the plaintiff wishes to be approved of 25 interrogatories to interrogate, under penalty of perjury both the Washoe County Public Defender and the District Attorney and the Chief of Police, all proportioned reasonably to the discovery of policies of the government criminal administration of justice regarding charge loading, negotiations prokected by U.S. Supreme Court's Lafley v Cooper and Missouri v Frye decision as to the "critical stage" under 6th Amendment; it will be very important to allow 25 questions each, for a total of 75, so that meaningful follow-up can be exercised based on disclosures made in responses to initial queries;
- 8.) in addition 20 admissions are requested from the respondents including the WCDA, WCPD and from the PD;
- 9.) Attached at Exhibit 2 is a request for evidence from Public Defender, to which they have not responded; wherefore, an order is requested to allow discovery;

Dated this 20th day of January, 20 21.

Argument

The Petitioner seeks an order from this Court authorizing him to obtain "all work product" from the Washoe County Public Defender's Office, "all phone logs, emails and other communications between the Washoe County Public Defender's Office and District Attorney," an "electronic copy on CD of the body cams of all officers interacting

with any and all witnesses,” “any and all investigative notes and communications with the investigating police agencies in this case,” and “all exculpatory evidence or information in possession of the police or prosecutor.” Additionally, he seeks to lodge 25 interrogatories to the Washoe County Public Defender’s Office, the Washoe County District Attorney’s Office, and “the Chief of Police” as well as “20 admissions” from the same entities. The Petitioner’s request for discovery is tied to his post-conviction petitions for writs of habeas corpus that are currently pending before this Court.

The Nevada Rules of Civil Procedure govern discovery in post-conviction habeas corpus proceedings. NRS 34.780(1). However, discovery is only available “[a]fter the writ has been granted and a date set for the hearing....” NRS 34.780(2). As the Petitioner’s petitions have not yet been granted and a date has not been set for a hearing, he is not entitled to discovery at this time.

Conclusion

The Petitioner’s request for discovery is premature. Should this Court grant the Petitions and set the matter for a hearing, the Petitioner may seek discovery “if, and to the extent that, the judge or justice for good cause grants leave to do so.” NRS 34.780(2). Therefore, the Motion for Discovery must be dismissed at this time.

MEMORANDUM OF POINTS AND AUTHORITIES

- I. Objections to State's Applicable Authority Arguments
- a) The Prosecutor Response IS Biased Application of Undue Pressure on the Scales of True Justice
- 1.) The state's response violates its duty to do justice rather than save face, save a "win," or appear to its constituents infallible; in doing so it violates Nevada Rules of Professional Conduct, Advocate Rule 8 in a variety of ways:
- A. Over-Emphasis on Strickland v. Washington
- 2) The state's overemphasis on Strickland v. Washington's 2-prong approach is to vitiate the confrontation of petitioner on the government caused ineffective assistance of council; the facts allege serious systemic malfunctions which makes the Washoe County Second District a perverse sham of justice as envisioned in the Anglo-American system subscribed to by the U.S. and Nevada constitutions; the proper standard is, for government-cause violation of effective assistance clause is U.S. v. ^{Cronic} ~~Chronic~~ which identifies exceptions to the Strickland two-step standard; for example:
- i) In Ground Ten alleges that the Public Defenders Office is under fiscal control of the prosecutor, creating an ingrained conflict of interest at the level of the government; NRS 176.156 clearly shifts the responsibility of challenges to the DA and PD, who in most cases ignore the law in collusion; the DA, PD, and Court

A, 2, i - cont.

the petitioner invoked the NPAP 4(c) rule request untimely appeal and the prosecutor misleads the court by ignoring the request in its motion; the prosecutor misinforms fraudulently ~~by~~ omitting the fact the petitioner sent a letter on 03/25/20 notifying of the error in charging documents and subsequently in the pre-sentence report; the state concedes the petitioner's request for untimely appeal, thereby conceding the petitioner's right to seek relief at untimely appeal; on this clerical error, the petitioner has ~~file~~ Motion to Make Correction dated 01/17/21 he has also filed Motion for Discovery dated 01/20/21; the state has failed to respond to either

ii) the state's use of the two-step Strickland standard is nothing but a meaningless talismanic incantation to put a spell on the court's rational faculties, especially at MotD pg 3 line 12 where the sorcerer doesn't mention a word about the "prevailing professional norms" anywhere in the motion; the prevailing "norms" are that the prosecutor can convict a hamburger on whatever charge she pleases, and because the DA pays the PD, the divided loyalty insures the PD's "silent consent;" the DA leads the court itself around by the nose, because the judgeship in Nevada is elected, putting two hats on the bench --

Resp. to Mot. Dismiss -3- 0 CR-18-2149 ~ 2148 2JDC

iii) the plaintiff objects to another incantation "court's review must be highly deferential to [defense] counsel's performance." Yeah. How convenient. The pre-approval carte blanche license to act as co-counsel to the prosecutor is sanctioned by Strickland, but not by Cronic; there is no logical fallacy called "distorting effect of hindsight" and can be only another witchdoctor spell to vitiate the court's true duty to act as an obstacle to the overgrowth of the powerful influence of the police power of the executive branch; the presumption of adequate assistance can be shown by the omissions in the record and the court is reminded of the petitioners Motion for Discovery per NRS 34.780;

iv) the law which makes counsel's strategy and tactical decision ~~is bad~~ ^{unchallenged} ~~unassailable~~ ^{at pg. 3 M. Dismiss line 24} absent extraordinary circumstances is bad law which identifies Nevada as ~~a~~ a failed state for its totalitarian nature; the Cronic decision is omitted to dupe the court -- Cronic and its progeny defines what "extraordinary" circumstances are; the motion to dismiss is silent on defining the term to the court, which evokes sinister intent;

Resp. Mot to Dismiss

- 4 -

CR-18-2148 ~ 2149 2JDC

B.) Actual Prejudice Need Not Be Shown
Where There Is Evidence of Conflict-of-Interest
and Other Structural Errors

- 3) had the public defender's office any independence from its fiscal ties to the office of district attorney, the performance standards would not be controlled by the district prosecutor but by an independent agency;
- 4) the Washoe County Commission's biennial budget clearly shows the public defender's office in the district attorney's budget of income and expenditures; the DA's motion concedes this by not denying it with evidence otherwise, see pg. 10 line 5;
- 5) the Public Defender's office does not receive a budget for Continuing Legal Education ^(CLE) while the prosecutors enjoy the bolstering centralized power of the State legislature in the statutorily mandated Advisory Council for Prosecuting Attorneys, which offers training opportunities to CLEs; see NRS 241A et seq.
- 6) the right-wing's war-on-crime politicians of the 2nd JDC have placed an open hand on the scales of justice in Washoe County to a criminal degree.

II All Counts of Original and Supplemental
Petition Should Receive Opportunity
For Discovery, or Provide Counsel
to Run an Evidentiary Investigation

7.) Ground ~~Four~~ One raised "divided loyally conflicts of interest" at page 20. The petitioner request an order from court to order district attorney to subpoena the witnesses stated in ground one to an evidentiary hearing as ~~the~~ the supportive basis of an IAC claim, or assign counsel with specific instructions to do so, and argue the Cronic standard;

8.) Ground Two the petitioner argued the Cronic standard at pg 27 of Original petition, and the petitioner requests an Order to DA. to answer charges on that basis, not Strickland, or assign counsel with instructions;

9.) Ground Three - although the petitioner read the Agreement, he was prejudiced by the undue influence of conflicted PD, and never had chance to discuss this with a zealous advocate, but only with an attorney on payroll and wearing the hat of the ~~PD~~ prosecutor; the ~~conf~~ lawyers first duty is to the common good, and it is in the public interest that tax paid government agents are not conflicted into nonfeasance;

Resp. to Mot. Dismiss - 6- CR 16 2148 ~ 2149 2506

- 10.) Ground Four the state argues is a reiteration of Ground Three, and the petitioner agrees to conjoin the two but object to the statement "the claim Skaggs was unaware of the provision of paragraph is clearly belied by the record" without any reference to what part of the record belies the claim! Perhaps the context-rich winking and nodding and broad statements of "Facts not in evidence" is brazen misconduct that infers a corrupt system. The Plaintiff's seeks an order of the court that the DA identify with specificity the "multiple ways" uttered at pg 8 line 8; Petitioner requests discovery on the Chronos and Visitors Log from the Sheriff's office;
- 11.) The petitioner seeks order for discovery to support allegations of being in a "dazed state" that made his waivers and pleas "unknowing" without which he would have gone to trial.
- ~~for~~ Ground Five, as he has no attorney, and hereby invokes MRs 34.780;
- 12.) ~~the~~ Ground Six -- the petitioner stated a conflict of interest claim, and he seeks an Order from Court telling the DA to answer on that basis, not the Strickland basis; Petitioner seek order for discovery or assignment of attorney with instructions;

Resp. to M. Osim

13.) Ground Seven

the states "bolstering" allegation should have been brought ~~under~~ on direct appeal this is brought up as ineffective assistance of Appellate Counsel at Count Nine, and these two Counts should be conflated; the petitioner requests an Untimely Appeal per WRAP 4(c);

14.) Ground Eight brings a conflict of interest charge and I seek order to DA to answer on Cronic standard, not Strickland; being a "second prosecutor" is clear structural error waiving any prejudice showing

15.) Supplemental Ground Nine was not answered as to its request for untimely appeal; seek court's order to DA to Answer on that basis, and allow reply;

16.) Supplemental Ground Ten this is misrepresented by the DA, and that is intentional fraud on the court; a Motion to Correct Clerical Error is on file; or these errors in all court documents and PSI can be sent as untimely appeal ~~on~~ with Grounds Seven and Nine WRAP 4(c) ~~that~~ or it could be stipulated to per NRS 176.156 et seq. with DA;

17.) Supplemental Ground Eleven -- the DA did not address issues raised regards statutory right to 176.156 relief -- please order response;
Resp. to Mot Dismiss -8- CR 18-2148 ~ 2149 2JDE

18.) Supplemental Ground Twelve -- the DA imposes on the court the magical thinking that ~~leg~~ legal standards are restricted to the substantive grounds which the legal standard was enunciated; that is absurd political grandstanding; making up an ad hoc rule against "mixing legal standards." Yet, tellingly, the government does not point to any legal authority which offers such a cramped vision of legal standards; nice try though; the District Attorney's victimology doctrines are an invention of the Nevada Advisory Council for Prosecuting Attorneys and the radical gender ideology held by the LGBT "community"; paying jurors and victims to make victim statements which are induced and groomed by brainwashing radicals is not "reasonably expressed" -- she may have an absolute right to lie and disown her own part in a failing relational event -- but ~~that~~ that right does not give the government the absolute right to leverage the undue influence of inducements. She's not on trial; government victim-adulating misconduct is on trial; I seek an order of Discovery for all evidence disclosing operation of this government intrusion on family affairs;

Resp. Mot. Dismiss

OPPOSITION TO MOTION FOR APPOINTMENT OF COUNSEL

COMES NOW, the State of Nevada, by and through CHRISTOPHER J. HICKS, District Attorney, and Kevin Naughton, Appellate Deputy, and hereby opposes the Motion for Appointment of Counsel filed by Charles Skaggs (hereinafter, "Petitioner" or "Skaggs") on February 8, 2021.

Memorandum of Points and Authorities

Statement of the Case

Petitioner Charles Skaggs pled guilty and was convicted of Attempted Assault with the Use of a Deadly Weapon in CR18-2148. He was sentenced to 12 to 32 months in prison. See Judgment of Conviction filed April 18, 2019. In CR18-2149, Skaggs pled guilty and was convicted of Possession of a Trafficking Quantity of a Controlled

Substance pursuant to a Judgment of Conviction filed April 18, 2019. He was sentenced to 48 to 120 months imprisonment, to run consecutively to CR18-2148.

On October 22, 2019, the Petitioner filed a post-conviction Petition for Writ of Habeas Corpus (“Petition”) and sought the appointment of counsel. Counsel, Lyn Beggs, Esq., was appointed on April 23, 2020.

On May 8, 2020, the Petitioner filed a Motion to Correct Illegal Sentence and/or Modify Sentence. The State opposed and the Court entered an Order Denying Motion to Correct Illegal Sentence and/or Modify Sentence on July 23, 2020.

Ms. Beggs sought to withdraw as counsel for Skaggs and the Court granted the request in an Order Granting Motion to Withdraw as Counsel on October 26, 2020. Since that time, Skaggs has represented himself in his post-conviction proceedings.

Skaggs filed a Supplemental Petition for Writ of Habeas Corpus (Post-Conviction) (“supplemental Petition”) on January 25, 2021.

On January 21, 2021, Skaggs filed a Motion to Withdraw Plea of Guilt on Charge of Assault With a Deadly Weapon. The State filed an Opposition on February 1, 2021.

On January 25, 2021, the State filed a Motion to Dismiss in Part seeking to dismiss portions of the Petition and Supplemental Petition. Skaggs filed a Response and Objection to Motion to Dismiss on February 8, 2021.

On January 26, 2021, Skaggs filed a Motion to Correct Illegal Sentence and/or Modify Sentence Or In the Alternative, to Correct Clerical Error. The State filed a Response on February 1, 2021.

On January 26, 2021, Skaggs also filed a Motion for Discovery. The State filed an Opposition on February 1, 2021.

On February 8, 2021, Skaggs filed another Motion for Appointment of Counsel.

This Opposition follows.

Argument

Under NRS 34.750(1), the district court has discretion to appoint counsel to represent a petitioner who has filed a postconviction petition for a writ of habeas corpus if (1) the petitioner is indigent and (2) the petition is not summarily dismissed. The statute sets forth a nonexhaustive list of factors that the district court “may consider” in deciding whether to appoint postconviction counsel: the severity of the consequences that the petitioner faces, the difficulty of the issues presented, the petitioner's ability to comprehend the proceedings, and the necessity of counsel to proceed with discovery. We review the district court's decision to deny the appointment of counsel for an abuse of discretion.

Renteria-Novoa v. State, 133 Nev. 75, 76, 391 P.3d 760, 760–61 (2017).

Skaggs seeks the appointment of counsel based upon a boilerplate pleading wherein he alleges that “[t]he issues involved in this matter are very complex, requires investigation and discovery per NRS 34.780,” that the “issues involved in this case will require further investigation that Petitioner cannot complete due to his incarceration, and has no experience in court proceedings in evidentiary hearings,” and that he “has very limited knowledge of the applicable laws and procedure in this matter.” These assertions are very similar to those he made in his first Motion for Appointment of Counsel filed on October 22, 2019.

The State acknowledges that Skaggs can likely satisfy the factors set forth in NRS 34.750(1) for the appointment of counsel. For instance, the State does not contest that Skaggs is indigent and the fact that he is currently serving an aggregate term of 60 to 152 months in prison and that amounts to a significant consequence. However, the factors set forth in NRS 34.750 are not an exhaustive list and the Court is therefore free to consider other factors.

One factor the Court should consider is the fact that Skaggs previously had counsel appointed and later consented to her withdrawal after he disregarded her professional advice by filing fugitive documents on his own. This Court should not allow Skaggs to manipulate the system so that he represents himself when it suits him and has Court-appointed representation when it suits him. Appointing counsel again at this point would mean that Skaggs was effectively able to disregard his Court-appointed counsel's professional advice to file a particular motion on his own while immediately turning around and having new counsel appointed to pick up the thread of Ms. Beggs' representation. This is a dangerous precedent to set and will encourage Skaggs individually, and other inmates generally, to force conflicts with their lawyers anytime they have a disagreement on strategy so that the inmate can file his or her own motion in the interim period between appointments. This sort of gamesmanship should not be allowed and should not be rewarded.

Skaggs has shown himself adept at filing various motions in his own behalf, filing his own Petition and Supplemental Petition, and even requesting discovery (albeit prematurely). He clearly has some understanding of the legal system and the principles at issue in his post-conviction proceedings. Skaggs made the strategic decision to represent himself going forward by filing his own motion and consenting to Ms. Beggs' withdrawal from his cases.

Conclusion

The factors set forth in NRS 34.750(1) are not an exhaustive list of factors to be considered in appointing counsel in post-conviction habeas proceedings. Skaggs previously had counsel appointed and forced her to withdraw before filing a series of documents on his own. Skaggs should not be allowed to manipulate the system to have

counsel when it is convenient and be self-represented when it is convenient. The State therefore respectfully requests that the Court deny Skaggs' second request for the appointment of counsel.

Reply to Opposition for Discovery

Now comes petitioner to reply to States Opposition to petitioners request for Discovery, which is made in advance as an exercise abundant caution to preserve his statutory right to discovery 34.780.

This is based on following Memorandum.

Memorandum

1. The State complains the Motion is premature, yet they have conceded in its partial motion that a hearing is in order;
2. the court is requested to grant the motion with the understanding that any discovery cannot be propounded until it (the court) issues a scheduling order to allow sufficient period of initial requests, responses and meaningful follow-up.
3. in the alternative the court can simply obey the request and make a determination at the time of its determination regarding an evidentiary hearing.

SECOND JUDICIAL DISTRICT COURT
County of Washoe

Charles Skaggs
Petitioner

Case No. CR-18-2148

v.

CR 18-2149

STATE OF NEVADA

Respondent

Repts No. 9

Reply to State's Opposition to Plaintiff's
Motion for Appointment of Counsel

Now comes petitioner Skaggs to Reply to
state prosecutors opposition to appt. of
counsel to the petitioner; this is based
on following Memorandum.

Memo

1. The prosecutor has asked the court to deny
appointment of counsel despite their admission
he would otherwise qualify for counsel at page 3
line 19. Prosecutor argues the "factors set
forth in NRS 34.750 are not an exhaustive
list, then sets out one single factor which
should cause the judges denial of counsel.
I. Effective Ability To Disregard Legal Advice
2. Prosecutor states that counsel should
be denied because prior counsel withdrew

2. (cont.)

"after he [petitioner] disregarded her professional advice by filing fugitive document on his own."

3. This spin-doctored account should be cause for the court to strike this scandalous pleading for two reasons

A. First, the U.S. Const. 6th Amendment requires "effective assistance" of counsel, not "professional advice" which is effective assistance to the prosecutor and police power of the State; the defendant and petitioner has the right to make the major strategic decisions of strategy in this his case -- the choice of tactics -- like what dress to wear -- is that of counsel. Nevada's standard has become a barbaric, subtle form of a totalitarian state where the trial and post-conviction counsel are required to put the interest of their own pocket-book, their own reputation and the whims of the government before the decisions of their clients;

B. The Local Rules allow so-called "fugitive pleadings" when the person with counsel requests leave to file papers; ;

Reply to Opp App Court 2-18-2148, 2149

3. B, (cont)

2d IDC Local Rule 23 (1) states

"When a party has appeared by counsel, that individual cannot thereafter appear on his/her own behalf in the case WITHOUT CONSENT OF THE COURT."

The prosecutor deliberately and with malice misleads the court by omission - it fails to recognize that the petitioner, (faced with a conflicted and cowardly friend of the gunslinging prosecutor) politely asked the court's LEAVE to file his motions. Clearly dependant on the executive branch to tell it (the court) how to act, the court overlooked the fact leave was requested, and there was nothing fugitive about the action, and in doing so violated the petitioner's right to access to the courts by SCR Rule 44 and a US. Constitutional principle of self defense derived from the First, Fourth Sixth and Fourteenth Amendment. Rhynes v State is bad law, ~~in~~ insofar as it is interpreted to mean the defense lawyers in this state have absolute autocratic say in a man's case.

II Request For Discovery Triggers Need For Counsel With Instructions

- 4.) The petitioner filed for Motion for Discovery per NRS 34.780 on 01/26/21 and is ripe for determination; the petitioner did so out of an abundance of caution based on his experience with the abysmal, obsequious code of "professional" defense conduct in Washoe County, at least among the ranks of government-shackled "public" defenders, and "conflict" attorneys;
- 5.) The petitioner needs a lawyer who is not conflicted by being on the payroll at the District Attorney and terrified by the threat of being black-balled by the government from picking up indigent defense cases; if the court can assign counsel, it must be with understanding to perform aggressive investigation, and so instructed by order of this court. Respectfully submitted
Per NRS 239B.030 NO PERSON'S SOCIAL SECURITY NUMBER IS IN THIS DOCUMENT.

15 **ORDER DENYING MOTION FOR DISCOVERY**

16 The Court is in receipt of Petitioner CHARLES SKAGGS' (hereafter "Skaggs") *Motion for*
17 *Discovery* filed January 26, 2021. Respondent THE STATE OF NEVADA filed its *Opposition to*
18 *Motion for Discovery* on February 1, 2021. On February 16, 2021 Skaggs filed his *Reply to*
19 *Opposition for Discovery*. This matter was thereafter submitted to this Court for its consideration.

20 Upon review of the record, it appears Skaggs is seeking an order from this Court which
21 would authorize him to obtain "all work product from the Washoe County Public Defender's
22 Office, all phone logs, emails and other communications between the Washoe County Public
23 Defender's Office and District Attorney, an electric copy on CD of the body cams of all officers
24 interacting with any and all witnesses, any and all investigative notes and communications with the
25 investigating police agencies in this case, and all exculpatory evidence or information in possession
26 of the police or prosecutor." *Opp'n.* p. 1:21-24 and 2:1-3. *See also*, motion for discovery. Skaggs
27 further seeks "to lodge 25 interrogatories to the Washoe County Public Defender's Office, the
28 Washoe County District Attorney's Office and the Chief of Police as well as 20 admissions from
the same entities." *Id.* p. 2:3-7. *See also*, motion for discovery.

1 Pursuant to NRS 34.780(2), after a writ has been granted and a date set for the hearing, “a
2 party may invoke any method of discovery available under the Nevada Rules of Civil Procedure if,
3 and to the extent that, the judge or justice for good cause shown grants leave to do so.”

4 A review of the record reveals Skaggs’ petition has not been granted nor has a date been set
5 for hearing at this time. As such, Skaggs motion is premature and therefore, Skaggs is not entitled
6 to discovery at this time.

7 THEREFORE, and good cause appearing, IT IS HEREBY ORDERED CHARLES
8 SKAGGS’ *Motion for Discovery* is DENIED.

Dept. No.: 9

15 **ORDER DENYING MOTION FOR DISCOVERY**

16 The Court is in receipt of Petitioner CHARLES SKAGGS' (hereafter "Skaggs") *Motion for*
17 *Discovery* filed January 26, 2021. Respondent THE STATE OF NEVADA filed its *Opposition to*
18 *Motion for Discovery* on February 1, 2021. On February 16, 2021 Skaggs filed his *Reply to*
19 *Opposition for Discovery*. This matter was thereafter submitted to this Court for its consideration.

20 Upon review of the record, it appears Skaggs is seeking an order from this Court which
21 would authorize him to obtain "all work product from the Washoe County Public Defender's
22 Office, all phone logs, emails and other communications between the Washoe County Public
23 Defender's Office and District Attorney, an electric copy on CD of the body cams of all officers
24 interacting with any and all witnesses, any and all investigative notes and communications with the
25 investigating police agencies in this case, and all exculpatory evidence or information in possession
26 of the police or prosecutor." *Opp'n.* p. 1:21-24 and 2:1-3. *See also*, motion for discovery. Skaggs
27 further seeks "to lodge 25 interrogatories to the Washoe County Public Defender's Office, the
28 Washoe County District Attorney's Office and the Chief of Police as well as 20 admissions from
the same entities." *Id.* p. 2:3-7. *See also*, motion for discovery.

1 Pursuant to NRS 34.780(2), after a writ has been granted and a date set for the hearing, “a
2 party may invoke any method of discovery available under the Nevada Rules of Civil Procedure if,
3 and to the extent that, the judge or justice for good cause shown grants leave to do so.”

4 A review of the record reveals Skaggs’ petition has not been granted nor has a date been set
5 for hearing at this time. As such, Skaggs motion is premature and therefore, Skaggs is not entitled
6 to discovery at this time.

7 THEREFORE, and good cause appearing, IT IS HEREBY ORDERED CHARLES
8 SKAGGS’ *Motion for Discovery* is DENIED.

9 IT IS SO ORDERED.

ORDER DISMISSING APPEALS

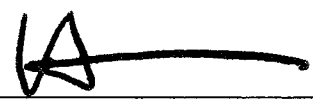

These are pro se appeals from district court orders denying motions for discovery. Second Judicial District Court, Washoe County; Scott N. Freeman, Judge.

Because no statute or court rule permits an appeal from an order denying a motion for discovery in a criminal matter, this court lacks jurisdiction to consider these appeals. *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990). Accordingly, this court

ORDERS these appeals DISMISSED.

MOTION FOR JUDICIAL
 ACTION ON PETITION

Petitioner, Charles Skaggs, in pro se, submits his Motion for
 Judicial Action on Petition, moving the Court to take action on the pending
 Petition for Writ of Habeas Corpus on file herein, in accordance with the
 statutory and decisional authorities below. This motion is based upon all
 papers and pleadings on file herein; NRS 34.740 and NRS 34.745; and the
 following points and authorities.

POINTS AND AUTHORITIES

The Petition for Writ of Habeas Corpus was filed on November 24,
2020. Filing occurred over 5 months ago; however, the Court has yet to
 take any action thereon as contemplated by NRS 34.740 and NRS 34.745, which
 require, inter alia, that the "petition must be examined expeditiously," NRS
 34.740, followed by a direction to Respondent to respond or answer the
 petition, NRS 34.745(1) & (2). This requirement of speed is not only a
 statutory command, but is recognized by the courts towards the effective and

1 prompt adjudication of habeas actions and the serious questions they present.
2 Carafas v. LaVallee, 391 U.S. 234, 88 S.Ct. 1556, 1560 (1968). See also
3 Peyton v. Rowe, 391 U.S. 54, 88 S.Ct. 1549, 1552 (1968)(habeas requires a
4 "prompt adjudication"); Smith v. Idaho, 392 F.3d 350, 356 (9th Cir. 2004)
5 (prompt resolution of prisoners' claims is a principle function of habeas).

6 This Court is therefore moved to expeditiously order Respondents to file
7 a response or answer and a return to the instant petition so as to satisfy the
8 authorities above, and as justice requires.

9 CONCLUSION

10 This Court should promptly take judicial action on the pending petition
11 in accordance with NRS 34.740 and NRS 34.745.

ORDER GRANTING MOTION TO DISMISS IN PART

14 The Court is in receipt of the Respondent THE STATE OF NEVADA's (hereafter "State")
15 resubmitted *Motion to Dismiss in Part* filed August 31, 2021. No response has been filed by
16 CHARLES SKAGGS (hereafter "Petitioner"). Upon review of the record, with good cause
17 appearing, the Court GRANTS the State's *Motion to Dismiss in Part*.

PROCEDURAL HISTORY

18 In case number CR18-2148, Petitioner CHARLES SKAGGS (hereafter "Petitioner") pled
19 guilty and was convicted of Attempted Assault with the Use of a Deadly Weapon. Petitioner was
20 sentenced to 12 to 32 months in prison. In case number CR18-2149, Petitioner pled guilty and was
21 convicted of Possession of a Trafficking Quantity of a Controlled Substance and sentenced to 48 to
22 120 months in prison, to run consecutive to the sentence in CR18-2148.

23 Petitioner filed notice of appeal in both of his cases but later voluntarily withdrew his
24 appeals. On October 22, 2019, Petitioner filed a post-conviction *Petition for Writ of Habeas Corpus*
25 ("Petition") in both of his cases and sought the appointment of counsel. Counsel, Lyn Beggs, Esq.,
26 was appointed on April 23, 2020.
27
28

1 On May 8, 2020, Petitioner filed a *Motion to Correct Illegal Sentence and/or Modify*
2 *Sentence* in both cases. The State opposed the motions, and they were denied in an order filed July
3 23, 2020.

4 On August 24, 2020, Ms. Beggs filed a *Motion to Withdraw as Counsel*. The motions were
5 granted, and Ms. Beggs was withdrawn as counsel pursuant to the Court's *Order* filed October 26,
6 2020. On November 25, 2020, Petitioner filed a *Supplemental Petition for Writ of Habeas Corpus*
7 (*Post-Conviction*) (hereafter "Supplemental Petition")

8 On January 21, 2021, Petitioner, acting pro per, filed a *Motion to Withdraw Plea of Guilty on*
9 *Charge of Assault with a Deadly Weapon*. The State filed an *Opposition* on February 1, 2021. On
10 January 25, 2021, the State filed a *Motion to Dismiss in Part* seeking to dismiss portions of the
11 Petition and Supplemental Petition. Petitioner filed a *Response and Objection to Motion to Dismiss*
12 on February 8, 2021.

13 On January 26, 2021, Petitioner filed a *Motion for Discovery* in both cases. The State filed an
14 *Opposition* on February 1, 2021 in both cases. On April 1, 2021, the Court denied the *Petitioner's*
15 *Motion for Discovery* in both cases. On or about April 21, 2021, Petitioner CHARLES SKAGGS
16 ("Petitioner") filed a *Notice of Appeal*. As a result of that Notice, this Court issued its Order staying
17 the above-captioned matters until the said appeal was resolved.

18 On or about May 11, 2021, the Supreme Court issued its *Order Dismissing Appeals*.
19 Following that Order, Petitioner filed a *Motion to Lift the Stay* on June 7, 2021. Petitioner thereafter
20 filed a *Motion for Judicial Action on Petition* on June 18, 2021. This Court issued its *Order*
21 *Granting Motion to Lift the Stay* on August 31, 2021 in both cases, and *ordered* all parties that they
22 need to "*resubmit any and all motions ripe for review to this Court for consideration.*" As of this
23 date, only the State has resubmitted its *Motion to Dismiss in Part*, filed August 31, 2021. Petitioner
24 has apparently chosen to abandoned his claims as no new submissions have been timely made
25 pursuant to the Courts Order.

STANDARD OF REVIEW

Nev. R. Civ. P. 36(a)(3) provides that a party has 30 days to respond after being served. If a party fails to file any responsive pleadings within 30 days, it is deemed an admission on behalf of the non-moving party. *Id.* Any matter admitted pursuant to NRCp 36 is “conclusively established.” *Id.* at (b). As such, admissions deemed admitted under these circumstances serve as the basis for final judgement. *Allen v. Nelson*, 126 Nev. 688 (2010). Finally, “the fact that a party is proceeding in proper person does not excuse that party's failure to comply with applicable court rules.” *Id.* (emphasis added).

DISCUSSION

Upon review of the record this Court finds that the Petitioner has failed to file a response to the State's *Motion* and has not timely resubmitted any of his previous motions in both cases as ordered by the Court. At this date, over 60 days have passed since the Courts Order for resubmission. Since well over 30 days have passed, and the Petitioner has failed to respond, this Court finds that Petitioner has abandoned his claims and opposition to the State's *Motion* in both cases pursuant to NRCp 36.

THEREFORE, IT IS ORDERED, the State's *Motion to Dismiss in Part* is GRANTED.

DATED: this 9th day of November, 2021.

13 On January 26, 2021, Petitioner filed a *Motion for Discovery* in both cases. The State filed an
14 *Opposition* on February 1, 2021 in both cases. On April 1, 2021, the Court denied the *Petitioner's*
15 *Motion for Discovery* in both cases. On or about April 21, 2021, Petitioner CHARLES SKAGGS
16 ("Petitioner") filed a *Notice of Appeal*. As a result of that Notice, this Court issued its Order staying
17 the above-captioned matters until the said appeal was resolved.

18 On or about May 11, 2021, the Supreme Court issued its *Order Dismissing Appeals*.
19 Following that Order, Petitioner filed a *Motion to Lift the Stay* on June 7, 2021. Petitioner thereafter
20 filed a *Motion for Judicial Action on Petition* on June 18, 2021. This Court issued its *Order*
21 *Granting Motion to Lift the Stay* on August 31, 2021 in both cases, and *ordered* all parties that they
22 need to "*resubmit any and all motions ripe for review to this Court for consideration.*" As of this
23 date, only the State has resubmitted its *Motion to Dismiss in Part*, filed August 31, 2021. Petitioner
24 has apparently chosen to abandoned his claims as no new submissions have been timely made
25 pursuant to the Courts Order.

STANDARD OF REVIEW

Nev. R. Civ. P. 36(a)(3) provides that a party has 30 days to respond after being served. If a party fails to file any responsive pleadings within 30 days, it is deemed an admission on behalf of the non-moving party. *Id.* Any matter admitted pursuant to NRCp 36 is “conclusively established.” *Id.* at (b). As such, admissions deemed admitted under these circumstances serve as the basis for final judgement. *Allen v. Nelson*, 126 Nev. 688 (2010). Finally, “the fact that a party is proceeding in proper person does not excuse that party's failure to comply with applicable court rules.” *Id.* (emphasis added).

DISCUSSION

Upon review of the record this Court finds that the Petitioner has failed to file a response to the State's *Motion* and has not timely resubmitted any of his previous motions in both cases as ordered by the Court. At this date, over 60 days have passed since the Courts Order for resubmission. Since well over 30 days have passed, and the Petitioner has failed to respond, this Court finds that Petitioner has abandoned his claims and opposition to the State's *Motion* in both cases pursuant to NRCp 36.

THEREFORE, IT IS ORDERED, the State's *Motion to Dismiss in Part* is GRANTED.

DATED: this 9th day of November, 2021.

Motion to Reconsider

Now comes petitioner of habeas corpus
 to request reconsider the Order Granting
 Motion to Dismiss in Part as having
 been improvidently granted for reasons stated
 in the following Memorandum of Points and
 notice of lack of authority to require litigant
 to duplicate pleadings which have been properly
 filed and submitted for consideration by Court;

Memorandum of Points and Lack of Authority

I. Petitioner Has Not Failed to Comply
 with Applicable Court Rules

1. The petitioner has looked high and low for
 any court rule that says a judge can
 order a second filing of what has already

1. continued
been properly filed; the petitioner satisfied MRCP 36a(3)
on Feb. 6 2021, transaction 8283580 when
his Response and Objections to Motion to Dismiss
on Cases CR-18-2148 and CR18-2149,
2. therefore the court's "order" to file a
"resubmit any and all motions" is not
based on any court rule, case law or
any rule of reason; the court does not
provide any rule that justifies its "order
to resubmit" nor explains why that re-
submission was necessary, such as that
maybe the court lost the Response and
Objections petitioner filed 02-08-2021;
3. Therefore, the court's conclusion that "the
petitioner has failed to file a response to the
States Motion" is a patent misrepresentation
of reality which works to the prejudice of
the Petitioner;

II This Tactic of Making Up Rules on the Fly Likely Designed to Clear COVID Related Backlog and Plaintiff Objections

- 4 The media reports that the courts are severely
backlogged; therefore it can be inferred by

Mot. Reconsider Ord. = 2 - CR 18-2148

4.) continued

by the court's extraordinary conduct of demanding a Re-submission so clearly made unnecessary by the existence of a priorly filed response, that the state executive branch prosecutor and the judicial branch are attempting to circumvent NRS 34 et seq in adjudicating fairly my response to the motion to dismiss, in violation of my Federal rights to due process;

III. NRS 34.830 Violated By Circumvention of Duty to Provide Finding of Fact and Law

5.) the ~~petitioner's~~ Response and Objection filed 02-08-2021 and subsequent Submission by the State dtd 02-19-21 trigger state law for the court to provide findings of fact per NRS 34.830 which it has not done,

Wherefore the court is requested to reverse its order and take the Response and Objection to Motion to Dismiss under advisement to make its Findings of Fact and Conclusions of Law; the petitioner received the Notice of Entry of Order on November 17 2021 at about 8pm

The foregoing is signed under penalty of perjury per NRS 209.165 to be true. PEP NRS 239B.030 No person's SS# is in this Document

MEMORANDUM OF POINTS AND AUTHORITIES

- I. Objections to State's Applicable Authority Arguments
- a) The Prosecutor Response is Biased Application of Undue Pressure on the Scales of True Justice
 - 1) The state's response violates its duty to do justice rather than save face, save a "win", or appear to its constituents infallible; in doing so it violates Nevada Rules of Professional Conduct, Advocate Rule 8 in a variety of ways:
 - A. Over-Emphasis on Strickland v. Washington
 - 2) The state's overemphasis on Strickland v. Washington's 2-prong approach is to vitiate the confrontation of petitioner on the government caused ineffective assistance of council; the facts allege serious systemic malfunctions which makes the Washoe County Second District a perverse sham of justice as envisioned in the Anglo-American system subscribed to by the U.S. and Nevada constitutions; the proper standard is, for government-cause violation of effective assistance clause is U.S. v. ^{Crowe} Crowe which identifies exceptions to the Strickland two-step standard; for example:
 - i) In Ground Ten alleges that the Public Defenders Office is under fiscal control of the prosecutor, creating an ingrained conflict of interest at the level of the government; NRS 176.156 clearly shifts the responsibility of challenges to the DA and PD, who in most cases ignore the law in collusion; the DA, PD, and Court

A, 2, i - cont.

the petitioner invoked the NPAP 4(c) rule request untimely appeal and the prosecutor misleads the court by ignoring the request in its motion; the prosecutor misinforms fraudulently ~~by~~ omitting the fact the petitioner sent a letter on dty 03/25/20 notifying of the error in charging documents and subsequently in the pre-sentence report; the state concedes the petitioner's request for untimely appeal, thereby conceding the petitioner's right to seek relief of untimely appeal; on this clerical error, the petitioner has ~~file~~ Motion to Make Correction dated 01/17/21 he has also filed Motion for Discovery dtd 01/20/21; the state has failed to respond to either

ii) the state's use of the two-step Strickland standard is nothing but a meaningless talismanic incantation to put a spell on the court's rational faculties, especially at MotD-pg 3 line 12 where the sorcerer doesn't mention a word about the "prevailing professional norms" anywhere in the motion; the prevailing "norms" are that the prosecutor can convict a hamburger on whatever charge she pleases, and because the DA pays the PD, the divided loyalty insures the PD's "silent consent;" the DA leads the court itself around by the nose, because the judgeship in Nevada is elected, putting two hats on the bench --

Resp. to Mot. Dismiss -3- O CR-18-2149 ~ 2148 2JDC

iii) the plaintiff objects to another incantation
 "court's review must be highly deferential
 to [defense] counsel's performance."

Yeah. How convenient. The pre-approval
 carte blanche license to act as co-counsel
 to the prosecutor is sanctioned by
Strockland, but not by Cronce; there
 is no logical fallacy called "distorting
 effect of hindsight" and can be only another
 witchdoctor spell to vitiate the court's
 true duty to act as an obstacle to the
 overgrowth of the powerful influence of
 the police power of the executive branch;
 the presumption of adequate assistance
 can be shown by the omissions in the record
 and the court is reminded of the petitioners
 Motion For Discovery per NRS 34.780;

iv) the law which makes counsel's strategy,
 and tactical decision ~~is bad~~ ^{unchallenged} ~~unassailable~~
~~as~~ [at pg. 3 M. Dismiss line 24] absent
 extraordinary circumstances is bad
 law which identifies Nevada as ~~a~~ a
 failed state for its totalitarian nature;
 the Chronoe decision is omitted to dupe
 the court -- ~~Ch~~ Cronce and its progeny
 defines what "extraordinary" circumstances are;
 the motion to dismiss is silent on defining
 the term to the court, which evokes sinister intent;

Resp. Mot to Dismiss

- 4 - CR-18-2148 ~ 2149 2JDC

B.) Actual Prejudice Need Not Be Shown
Where There Is Evidence of Conflict-of-Interest
and Other Structural Errors

- 3) had the public defender's office any independence from its fiscal ties to the office of district attorney, the performance standards would not be controlled by the district prosecutor but by an independent agency;
- 4) the Washoe County Commission's biennial budget clearly shows the public defender's office in the district attorney's budget of income and expenditures; the DA's motion concedes this by not denying it with evidence otherwise, see pg. 10 line 5;
- 5) the Public Defender's office does not receive a budget for Continuing Legal Education (CLE) while the prosecutors enjoy the bolstering centralized power of the State legislature in the statutorily mandated Advisory Council for Prosecuting Attorneys, which offers training opportunities to CLEs; see NRS 241A et seq.
- 6) the right-wing's war-on-crime politicians of the 2nd JDC have placed an open hand on the scales of justice in Washoe County to a criminal degree.

Resp. to Mot Dismiss

-5- CR 18-2148~2149 2JDC

II. All Counts of Original and Supplemental Petition Should Receive Opportunity For Discovery, or Provide Counsel to Run an Evidentiary Investigation

- 7.) Ground ~~Two~~ One raised "divided loyally conflicts of interest" at page 20. The petitioner request an order from court to order district attorney to subpoena the witnesses stated in ground one 'to an evidentiary hearing as ~~the~~ the supportive basis of an IAC claim, or assign counsel with specific instructions to do so, and argue the Cronic standard;
- 8.) Ground Two the petitioner argued the Cronic standard at pg 27 of Original petition, and the petitioner requests an Order to DA. to answer charges on that basis, not Strickland, or assign counsel with instructions;
- 9.) Ground Three - although the petitioner read the Agreement, he was prejudiced by the undue influence of conflicted PD, and never had chance to discuss this with a zealous advocate, but only with an attorney on payroll and wearing the hat of the ~~PD~~ prosecutor; the ~~conf~~ lawyers first duty is to the common good, and it is in the public interest that tax paid government agents are not conflicted into nonfeasance;
- Resp. to Mot. Dismiss - 6- CR 18 2148 ~ 2149 25DC

10.) ~~Ground Four~~ The state argues is a reiteration of Ground Three, and the petitioner agrees to conjoin the two but object to the statement "the claim Skaggs was unaware of the provision of paragraph is clearly belied by the record" without any reference to what part of the record belies the claim! Perhaps the context-rich winking and nodding and broad statements of "Facts not in evidence" is a brazen misconduct that infects a corrupt system. The plaintiffs seeks an order of the court that the DA identify with specificity the "multiple ways" uttered at pg 8 line 8; Petitioner requests discovery on the Chronos and Visitors Log from the Sheriff's office;

11.) The petitioner seeks order for discovery to support allegations of being in a "dazed state" that made his waivers and pleas "unknowing" without which he would have gone to trial.

~~For~~ Ground Five, as he has no attorney, and hereby invokes NRS 34.280;

12.) ~~Ground Six~~ -- the petitioner stated a conflict of interest claim, and he seeks an Order from Court telling the DA to answer on that basis, not the Strickland basis; Petitioner seek order for discovery or assignment of attorney with instructions;

Resp. to M. Olson

- 7 - CR 18-2148-2149 2JDC

13.) Ground Seven

the states "bolstering" allegation should have been brought ~~on~~ on direct appeal this is brought up as ineffective assistance of Appellate Counsel at Count Nine, and these two Counts should be conflated; the petitioner requests an Untimely Appeal per WRAP 4(c);

14.) Ground Eight brings a conflict of interest charge and I seek order to DA to answer on Cronic standard, not Strickland; being a "second prosecutor" is clear structural error waiving any prejudice showing.

15.) Supplemental Ground Nine was not answered as to its request for untimely appeal; seek courts order to DA to Answer on that basis, and allow reply;

16.) Supplemental Ground Ten this is misrepresented by the DA, and that is intentional fraud on the court; a Motion to Correct Clerical Error is on file; or these errors in all court documents and PSI can be sent as untimely appeal with Grounds Seven and Nine WRAP 4(c) ~~the~~ or it could be stipulated to per NRS 176.156 et seq. with DA;

17.) Supplemental Ground Eleven -- the DA did not address issues raised regards statutory right to 176.156 relief -- please order response;

Resp. to Mot Dismiss -8- CR 18-2148 & 2149 2JDE

18.) Supplemental Ground Twelve -- the DA imposes on the court the magical thinking that ~~leg~~ legal standards are restricted to the substantive grounds which the legal standard was enunciated; that is absurd political grandstanding; making up an ad hoc rule against "mixing legal standards;" Yet, tellingly, the government does not point to any legal authority which offers such a cramped vision of legal standards; nice try though; the District Attorney's victimology doctrines are an invention of the Nevada Advisory Council for Prosecuting Attorneys and the radical gender ideology held by the LGBT "community;" paying jurors and victims to make victim statements which are induced and groomed by brainwashing radicals is not "reasonably expressed" -- she may have an absolute right to lie and disown her own part in a failing relational event -- but ~~that~~ that right does not give the government the absolute right to leverage the undue influence of inducements. She's not on trial; government victim-adulating misconduct is on trial; I seek an order of Discovery for all evidence disclosing operation of this government intrusion on family affairs;

Resp. Mot. Dismiss

CLERK OF SUPREME COURT

DEPUTY CLERK

*ORDER CONSOLIDATING APPEALS, DIRECTING TRANSMISSION
OF RECORDS, AND REGARDING BRIEFING*

These are pro se appeals from a single district court order granting motions to dismiss in part, postconviction petitions for writs of habeas corpus. In the interest of judicial economy, these appeals are consolidated for all appellate purposes. *See* NRAP 3(b)(2).

Having reviewed the documents on file in these pro se appeals, this court has concluded that its review of the complete records is warranted. *See* NRAP 10(a)(1). Accordingly, the clerk of the district court shall have 30 days from the date of this order to transmit to the clerk of this court certified copies of the complete trial court records of these appeals. *See* NRAP 11(a)(2). The records shall include copies of documentary exhibits submitted in the district court proceedings, but shall not include any physical, non-documentary exhibits or the original documentary exhibits. The records shall also include any presentence investigation

reports submitted in a sealed envelope identifying the contents and marked confidential. See NRS 176.156(5).

Within 120 days, appellant may file either (1) a single brief that complies with the requirements in NRAP 28(a) and NRAP 32; or (2) the "Informal Brief Form for Pro Se Parties" provided by the supreme court clerk. NRAP 31(a)(1). If no brief is submitted, these consolidated appeals may be decided on the records on appeal. NRAP 34(g). Respondent need not file a response to any brief filed by appellant, unless ordered to do so by this court. NRAP 46A(c). This court generally will not grant relief without providing an opportunity to file a response. *Id.*

It is so ORDERED.
